Grid Schedule For '57 Season Told

The grid schedule for the 1957 season for the Sanderson Eagles was announced this week by Thurman White, high school principal. The season will be for 11 weeks, but only 10 games are scheduled.

There will be five games away from home and a like number at home.

The season opens the first week of school with Fort Stockton Panthers playing on the local gridiron. Sept. 13, 20 and 27, the Eagles will play in Grandfalls, Rankin and in Del Rio against the San Felipe Mustangs.

The open date is Oct. 4. On October 11 Ozona will play here.

The conference schedule begins on Oct. 18 with a game in Big Lake. Fabens will be here on Oct. 25, Alpine here on Nov. 1, and Iraan here on Nov. 8. The Eagles will wind up the season on Nov. 15 against Marfa there.

The last five games are conference games.

The Eagles will have approximately 150 miles to travel this year for their farthest away-from-home game when they go to Big Lake. The games at Rankin and Del Rio are about 120 miles each; Marfa about 112 miles away; Grandfalls about 97 miles distant.

Rev. Gene Medaris Resigns As Pastor Of Baptist Church

Rev. Gene Medaris, pastor of the First Baptist Church, tendered his resignation as pastor to the local church Sunday. The resignation is effective August 18.

Rev. Medaris came to Sanderson almost two years ago as a teacher. He taught in the seventh grade of the elementary school in the 1955-56 school year. He became interim pastor in January and at the time of Rev. Claude Bridge's resignation in July '56, he was called to serve as the local pastor.

Rev. Medaris plans to enter the Baptist Seminary in Fort Worth for two more years of study.

Legion, Auxiliary To Have Banquet

The members of the Clarence Hallie Mulkey Post of American Legion and Auxiliary are having a banquet Friday evening in the Legion Hall. Tickets to the banquet, which is open to the public, have been on sale by Legionnaires.

There will be out-of-town guest speakers for the occasion and the new officers will also be installed.

Reports will be given by Tommy Werneking who went to Boys' State in Austin as a delegate from the local post and Diana Duke, who attended Bluebonnet Girls' State as the auxiliary delegate. Miss Duke was also chosen from Girls' State to be one of two "senators" representing Texas at Girls' Nation which convened in Washington, D. C., last week.

STUMBERGS RETURN
Mr. and Mrs. W. R. Stumberg have returned from a three-weeks' trip to Banff, Lake Louise, and Calgary, Canada, Vancouver and Victoria, then the southern route home after three days in San Francisco.

Coming Events

- Friday — Legion and Auxiliary banquet.

Rotary Governor Visits Here

John G. Flowers

Dr. J. G. Flowers, Governor of District 584 of Rotary International, was in Sanderson for an official assembly meeting with the directors of the Rotary Club on Tuesday night at a local cafe and spoke at a meeting of the club on Wednesday at 12 noon.

Dr. Flowers has been active in his San Marcos club and is president of Southwest Texas State Teachers College in that city.

8-Day Deer Hunt For Trans-Pecos

The Texas Game and Fish Commission last Friday set the Trans-Pecos deer hunting season for an eight-day run this fall.

The dates will be November 20 to 27 with both days inclusive. A six day season had been in effect for many years.

Antelope hunts will be held in the Trans-Pecos area for October 1-3 and October 5-7, both days inclusive.

The north zone shooting season for doves will be 47 days beginning on September 1.

An open season on javalina was set in the Edwards Plateau country, east of the Pecos River, but no information has been received of the status of the animal control west of the Pecos.

Former Resident, Mrs. J. L. Landers, Dies In El Paso

Funeral services were held in El Paso last Wednesday morning for Mrs. Sarah Josephine Landers, 87, who died in a hospital in that city Monday, July 29.

She was the widow of the late J. L. Landers.

She is survived by two sons, Roy M. Landers of El Paso, and John Edward Landers of Hayward, Calif.; a daughter, Mrs. Arlette Martine of Alameda, California; also 11 grandchildren and 11 great-grandchildren; a brother, W. M. Edwards, of Fort Stockton.

Mr. and Mrs. Landers were former residents of Sanderson. She had been a resident of El Paso for 22 years.

WALTER THORN IMPROVED

The condition of Walter Thorn, who is hospitalized in El Paso is slightly improved, according to word received Wednesday.

Thorn was accidentally shot in the leg near Valentine and the bullet destroyed a portion of the large artery in the leg. An arterial graft has not yet fully restored circulation to the foot but some improvement has been noted.

Mrs. Thorn's sister, Mrs. Ira Moses, is in El Paso with the Thorns.

CULTURE CLUB TO MEET

The first meeting of the Sanderson Culture Club for the club year will be on Thursday, August 22, at the home of Mrs. E. H. Jessup, president.

Response Slow On TV Survey

Response by local citizens has been slow, according to Mrs. H. P. Boyd, on the TV survey which is being conducted here. The survey is to determine the number of local citizens interested in television in Sanderson and is not binding to those who answer the cards.

Mrs. Boyd stated that out of the 500 cards sent out, only 135 have been returned up to Wednesday and there have been only nine negative replies.

The SP. Service Club's women, who are sponsoring the survey, hope that a larger number of replies will come in so that the information reported will be a majority opinion of the citizens.

All persons who have cards in their possession are asked to mail them as soon as possible so that the information may be relayed to the company interested in the possibility of installing a cable system for television reception in Sanderson.

Agreement Set On Diablo Dam

According to an Associated Press story seen Wednesday, it was revealed that the U.S. and Mexican engineers agreed on the main features of Diablo Dam, a \$65-million structure proposed just below the confluence of the Rio Grande and Devil's River on the Rio Grande, just above Del Rio.

Col. L. H. Hewitt, U.S. member of the International Water and Boundary Commission, made the report.

Hewitt stated, according to the story, that the agreement covers the engineering, economic and geographical aspects of the 225-foot high dam, which would be one of the major international storage projects covered in a 1944 agreement between the two countries.

The main section of the dam would be concrete, according to Hewitt, with earthfill wings on each end stretching the total length to 6.5 miles. It is intended for flood control and water conservation, and no farm acreage nor towns would be flooded. The feasibility of generating power is now under study and additional funds would be required if this proposal is adopted, thus boosting the \$65-million for construction of the dam.

Marcus Fury Dies In Fort Stockton

Marcus Fury died in a Fort Stockton hospital last Tuesday. He had been in failing health for several weeks and died as the result of a heart condition.

Fury had lived in Fort Stockton for about 20 years. He was operating a cab company at the time of his death and had formerly been a partner in a bus line in Fort Stockton. Local residents will remember him when he drove the bus operating between Fort Stockton and Sanderson several years ago.

He is survived by his mother, two brothers and a sister.

DR. GEORGE MAUZE TO PREACH SUNDAY

Dr. George Mauze, pastor of the First Presbyterian Church of San Antonio, will preach Sunday morning at the Presbyterian Church here. All members and friends of the church are urged to be present.

Dr. Mauze will be a guest of Mr. and Mrs. W. T. Bondurant at their ranch while he is here.

Mr. and Mrs. Thurman White and children have returned home from San Antonio where their son, Clifford, had surgery Saturday. He is recovering rapidly.

Miss Diana Duke Home From Meeting In Washington, D.C.

Miss Diana Duke returned home Sunday from her trip to Girls' Nation in Washington, D. C. Miss Duke and Ann Hodges of Dallas were elected at Bluebonnet Girls' State in Austin as representatives from Texas to Girls' Nation which was made up of two representatives from each state, Alaska, and Hawaii.

She was the delegate sponsored by the local American Legion Auxiliary to the Girls' State meeting in June.

The trip to Washington was made by plane from Houston where the two young ladies were guests at the annual state convention of the Legion Auxiliary. Upon returning to Houston by plane, Miss Duke was met by her mother, Mrs. D. L. Duke, to continue the trip to Sanderson by train.

The 100 girls at Girls' Nation spent a week studying the organization of the U.S. Government. Miss Duke was appointed Secretary of the Treasury and thus a member of the President's Cabinet, by the President and Board of Girls' Nation. Only two officers were elected, president and vice-president.

A meeting with President Eisenhower and sightseeing trips were included in the week's activities.

Diana will be a member of the senior class of the Sanderson High School this term and drum major of the Eagle Band for the second year.

C. A. ADAMS HAS ORTHOPEDIC SURGERY

C. A. Adams had orthopedic surgery Monday in a Fort Stockton hospital and his condition is reported to be satisfactory.

Mr. Adams, who is 86 years of age, broke his hip in a fall at his home here a week ago. He is the father of Ruel Adams and Mrs. G. E. Babb.

Brown Bassett Well Circulating Mud, EPNG Below 600 Ft.

Brown-Bassett No. 1 is reported to be circulating mud. A replacement rig has been set up on the hole following the destruction of the former by fire two weeks ago.

Drill stem tests results have not been revealed by operator.

The well being drilled on the Herman Chandler ranch north-east of Magnolia Brown-Bassett test was reported last week to be below 400 feet with rotary rig.

El Paso Natural Gas No. 1 Chandler is reported to be drilling at 650 feet in lime and shale this week.

Grid Practices To Begin Aug. 26

Coach Carlton Smith announced this week that grid practices would begin on August 26 for the fall sport.

All boys who were out for football last year are asked to come to the gym on that date at 8 a. m. All boys who are out for the first time this year will report at 8:30.

Coach Smith stated that there would be two work-outs daily until school starts.

He and Assistant Coach Gordon Harmon are in Dallas this week attending a coaches school.

Meeting Dates For Bloys Camp Meeting Are August 13-20

Opening date of the 68th annual Bloys Cowboy Camp meeting is Tuesday, August 13, and the session will continue until August 20, with preachers from the Christian, Methodist, Presbyterian, and Baptist denominations sharing the pulpit at services.

First held in 1890 and founded by the Rev. William Bloys for the area ranch families and cowboys, meetings have continued each year at Skillman Grove, west of Fort Davis, where today a modern camp is conducted.

Preachers this year will be the Rev. L. D. Anderson, Fort Worth, for the Christian Church; the Rev. Walter Willis, El Paso, Methodists; the Rev. Everett King, El Paso, Presbyterians and the Rev. Blake Smith, Austin, Baptist.

Five services are held daily—Bible study at 9 a. m., preaching at 11 a. m.; at 3 and 8 p. m. and prayer meeting, conducted by laymen, at 5 p.m.

Men and boys hold prayer meetings under the "prayer tree" which has stood in the Grove for many years, while women and girls meet in the tabernacle.

Five "camps" on the grounds serve meals.

Mrs. Henry Bailey New State President Of Legion Auxiliary

Mrs. Henry (Virginia) Bailey of Alpine was elected state president of the American Legion Auxiliary at the annual convention held in Houston the last of July. She was elected by acclamation with no opposition.

The impressive installation service was on Sunday afternoon, July 27.

Mrs. Bailey has served as president of her auxiliary, district and division president. She has visited the local auxiliary on several occasions.

Austin - Labor unions in Texas as now are welded into one 300,000 member organization.

The mammoth merger was accomplished at a joint AFL-CIO convention in this Capitol City.

Sharp internal disagreements heartened those who fear the potential political power of such a massive group.

A resolution, recommended by labor's Civil Rights committee condemned the 55th Legislature for passing "immoral and undemocratic laws" concerning school segregation. Gulf Coast delegates balked. Finally, the convention compromised by adopting the national AFL-CIO civil rights plank, worded in a more general language.

Delegates also criticized Texas' daily newspapers; the Texas Tech Board of Directors; the Republican Party; and highway contractors.

Endorsed were a state income tax on corporations; an increase in individual income tax exemptions; federal aid for school construction; higher pay for teachers; and honesty among union officials.

Lobby Curb Proposed With legislative opposition to the special session weakening under Gov. Price Daniel's determined stand, attention now turns to what the lawmakers might enact.

Sen. Henry B. Gonzalez of San Antonio has drafted a strict lobby control measure. It is patterned after the Federal law. It

would require registration of all persons seeking to influence legislation, for pay. Also it calls for a detailed accounting of money used to influence legislation - where it comes from and where it is spent.

It would hang a heavy sword over the head of any lawmaker or lobbyist found guilty of a bribe arrangement. Penalty up to a \$25,000 fine and 10 years imprisonment. Corporations involved would lose the right to do business in Texas.

Sales Surge Seen Experts foresee a "slow but strong upturn" of production and marketing in Texas for the last quarter of the year.

It might even break last year's record, despite the restrictions on credit. So states the US Bureau of Business Research.

June retail sales dropped five per cent from May. But totals for January-June were two per cent above 1956.

Home modernization has done "surprisingly well". But completion of new homes in 1957 is expected to fall some 10 to 20 per cent below last year.

Employment to Climb More jobs, better pay, is the outlook for Texas workers.

Texas Employment Commission forecasts a small rise in job holders during August, following the usual steep jump from increased activities in September.

Early summer brought the customary ght of workers as the schools poured out thousands of graduates and vacation job-seekers. In addition, factory jobs dropped somewhat as automobile assembly plants and aircraft companies cut back.

However, the same period had good news for factory workers as average weekly wages jumped some \$2. In the higher brackets were workers in coal and petroleum products, up \$4.76 to \$113.16 per week, and those in chemicals, up \$2.49 to \$103.34 per

PEARL BREWERY BREAKS 71 YEAR SALES RECORD

Shown left to right are William A. Isaacs, Vice President of Plant Operations; H. B. "Pat" O'Brien, Vice President of Sales; and Harry C. Haegelin, Master Brewer, holding the 1,401,865th case of PEARL Beer that has just come off the PEARL Brewery bottling lines for the month of July, WHICH REPRESENTS THE EQUIVALENT OF 33,644,760 TWELVE OUNCE BOTTLES AND CANS. This sets an all-time high of PEARL Beer sold in any one month in the history of the Brewery.

According to Datus E. Proper, Executive Vice President and General Manager of the PEARL Brewery, the PEARL Brewery breaks its own all-time sales record, selling 101,754 barrels of PEARL Beer during the month of July. This represents 1,401,865 cases of PEARL Beer, which is equivalent to 1,085,214 bottles and cans of PEARL Beer sold every day during the month of July, an all-time record of beer sales, PEARL Beer continues to be the first in sales in Texas.

Mr. Proper, commenting on this all-time sales record said, "Year after year, comparative months

of each year, PEARL sales, have shown a constant increase. This increase has been in both bottles and cans.

"We are consistently striving to produce the finest beer that can be brewed in the most modern and up-to-date plant. The five brewmasters and the chemists who have supervision over the brewing and aging and the men in the bottling plant and the shipping department are proud of this great sales record, which in reality is the consistent growth of the PEARL Brewery and due to the public's acceptance of premium quality PEARL Beer."

week. Less fortunate were those in apparel and fabric products, up .37 to \$43.92 per week.

Voluntary Cuts Texans seem to have adopted a dubious "wait and see" attitude toward Pres. Eisenhower's request for a voluntary 10 per cent cut in oil imports.

For months Texas officials and industry leaders have sought White House help to restrict the flow of foreign oil into the country. They blamed "excessive imports" for the dwindling demand for Texas oil.

State oil allowances slipped month by month to an all-time low. State revenue estimates, heavily dependent on oil taxes, were dragged down correspondingly.

After study by a Cabinet committee, the President's advisory asked importing companies east of the Rockies to reduce crude

oil imports to 10 per cent below the 1954-56 average. Implied was the suggestion that mandatory quotas would be imposed if the voluntary program doesn't work.

Gov. Price Daniel called in "a step in the right direction." But he said, the step "does not go far enough as it is necessary to meet the present emergency." He suggested there should be no waiting period before applying positive government controls and that 10 per cent was not a "realistic reduction."
