VOLUME 51

## LISTEN TO LUKE

It had to happen — we knew it would, but we had no idea it would come to pass in our lifetime.

Yes, the picture was on page of many newspapers. A GI was having his cigarette lighted by a major. Next he will be on the pyre for the kid.

Is it possible that our lag in defense program has reversed the old military tradition. It would be a good idea. If some of us had been commanding some of the field artillery units in WWII, there might not have been such heavy casualties from their own fire in our own troops.

That is past history — now we must hurry and get to the moon, where scientists say the temperature is a steady 400 degrees. Oh, how we are progressing toward the moon or some other hot spot.

We think Lyndon and Ralph ought to make the first trip up there to see just what kind of political set-up will be needed. Lyndon rushed down to get in the pictures and be one of the first to greet the "space man" at Oakland, and get first-hand information as to how it was done. He should be oriented. Ralph should take instructions easily as they went and figure out many improvements in techniques en route, and if Lyndon didn't feel well after the first few days, let then Ralph could just take over. He has told the state and the nation of his foresight and ability. He always has the right answers.

It seems that there is no end to the means of trying to prove the strength and wisdom of man against the power and will of God. Time will tell which will overcome, but we think we know the answer already.

Next week is Texas Public Schools Week. It is an observance that has grown with leaps and bounds since its inception a few years ago.

Citizens of Texas have become increasingly interested in their schools in the past several years, and it has been a healthy interest.

The need for free public schools has not changed since the system was created 104 years ago. Practices of teaching only have changed.

It is a healthy thing in our democratic way of life to have intelligent understanding of the important functions of our basic institutions. The initiative and resourcefulness, and the wisdom and leadership that our schools are inculcating in the youth of today are the answer to the problems of citizenship in the years ahead.

The needs of our times must be met by the public schools —

(Continued to page 4)

**Chas. Fletcher Wins Open Show Honors At San Antonio**

Charles Fletcher won top honors of local F.F.A. boys showing stock at the San Antonio Exposition last week. Only four other boys had lambs to place in the show.

Young Fletcher had registered Rambouillet rams and ewes entered in the open breeding show and showed the grand champion ram and ewe and reserve champion ram and 3rd place ewe.

His sheep were bred by J. W. Carruthers & Sons, local registered Rambouillet sheep breeders.

In the fat lambs class, Monroe Brothers had the 18th place crossbred and Johnny Hogg had 23rd place crossbred. There were 281 lambs in the fine wool class in which Butch Stavley placed a lamb in 32nd and Hogg had a 48th place lamb.

## Funeral Rites Here Thursday For Pablo Parada

Funeral services were held here in the Latin-American Methodist Church Thursday afternoon for Pablo G. Parada, 35, who died in a Corpus Christi hospital Monday morning after a lengthy illness. The body arrived by train Wednesday morning.

Janes and Magill Funeral Home was in charge of arrangements. Rev. M. Murillo, pastor, officiated at the funeral rites and burial was made in Santa Rita Cemetery.

Survivors include the widow, Mrs. Socorra Parada; four children, Theodora, Diana, Paul, Jr., and David; two brothers, Moses Parada of Lubbock and T-Sgt. Victor Parada, of Cocoa, Fla.; four sisters, Mrs. Manuel Garcia and Mrs. Manuel Salas of Sanderson, Mrs. Chon Barron of Uvalde and Mrs. Alberto Calzada of Monahans.

Parada was born in Sanderson on June 22, 1922, the son of the late Mr. and Mrs. Eustacio Parada. He had been employed as a section laborer for the T & N O until ill health forced his retirement almost three years ago. The family had resided in Corpus Christi for about eight months.

Pictured above are H. B. (Pat) O'Brien, Vice-President and General Sales Manager of the Pearl Brewing Co., and Buddy Monroe with Johnny Hogg's 48th place fine wool lamb, which was bought by the company at 55c per pound at the San Antonio Livestock Exposition Auction Sale.

## Some Moisture With Fog Here Since Week-end

Some moisture has been noted on recent mornings following heavy fogs and the ground of the area has been kept moist during the past several weeks.

Hopes are high for continued moisture to aid in bringing out weeds and grass in the spring for the livestock of the area.

Light showers, light snow, fog, dew and frost, have all added to the chances for a good spring for the ranchers.

The weather was cold here on Monday with light clouds hanging in the east and north.

The temperature was warmer on Tuesday and a heavy fog prevailed all day with moisture present early in the morning because of light mist.

Mist was present at dawn on Wednesday and continued lightly all day. The fog came in early day Wednesday increasing in intensity toward late afternoon. Tuesday night and continued all day.

Visibility was limited to about 100 yards here Wednesday afternoon late.

## Sanderson Lodge To Fete Birthday Of Noted Mason

The Masonic Lodge of Sanderson will observe the birthday of George Washington Saturday night, February 22. A supper will be served in the basement of the Masonic Hall and all members of the fraternity and their families, and all members of the Eastern Star and their families are urged to attend. Resident Masons who are not members of the local lodge are also invited, along with their families.

Following the supper there will be a short program.

## Coming Events

- Friday, February 21 — World Day of Prayer.
- Monday — Methodist W.S.C.S., Altar Society, Baptist W.M.U., Presbyterian Women of the Church.
- Tuesday — Tuesday Club and '51 Club.
- Wednesday — Rotary Club, Bonhomie Club.
- Thursday — Lions, Legion
- Friday — Spaghetti supper at Methodist Church.

## Roadrunners Cop District Title In Basketball Loop

The Roadrunners, girls' basketball team, copped the district title last week by virtue of a win over Alpine and Marfa's win over Fabens.

Sanderson will yet play Fabens, but no title is at stake. The girls beat Fabens when that team played here several weeks ago. The Roadrunners are unbeaten in district competition.

The opponent for the Roadrunners in bi-district competition has not been named, according to Coach Bowley, but he stated it would probably be the girls in Junction.

The bi-district game will be played on a neutral court and on one which neither team has played this year.

Time and place of the bi-district game will be announced as soon as the information is available, Coach Bowley stated.

In the games in Alpine Friday night, the B team girls lost by a 32-29 score. Coach Y. F. Bowley gave the reserves some action in the game. Half-time score was 15-11 in favor of the local lassies.

Girls playing in the B game were Vicki Littleton, Darlene McDonald, Kay Williams, Mary Elaine Duncan, Judy Denson, Sue Vaughn, Haynes, Gwen Carter, Diane Brown, Susan Harkins, Joan Wood and Beatrice Alva.

In the A game, Sanderson led all the way and clinched the win in the final quarter when they went ahead of the Alpine girls for a wide margin.

The score by periods:—

Sanderson	7	15	20	32
Alpine	4	9	14	17

Players were Angie Salinas, Diana Duke, Trudy Jones, Kathleen Robbins, Olga Alvarado, Barbara Sudduth, forwards; and Natalia Chalambaga, Anabella Flores, Linda Shurley, Jessie McDonald, and Patty Gray, guards.

## Dual Producer, Brown-Bassett No. 1, To Have Outpost Drilled

Magnolia Petroleum Co. and Western Natural Gas Co. will drill the No. 2 Brown-Bassett an outpost to their No. 1 well. Location will be 1 5-8 mile southeast of the No. 1 well.

Rotary drilling to 15,000 feet will begin immediately. The rig will be skidded to the new location from the No. 1 site.

Location is on a 2,973.9-acre lease and is 1,320 feet from the south and west lines of section 216, in block Y of the TCRR Survey.

It was learned last week that the No. 1 Brown-Bassett would plug off at 15,042 feet and plans at present are to plug off Ellenburger production for the present. Operator has encountered some trouble with tubing carrying gas from Ellenburger and Silurian and Ellenburger production will be withheld pending possibilities in future of extracting carbon dioxide.

Hunt Oil Co.'s No. 1 Bustin Canon is reported to be fishing for tools in crooked hole.

No reports have come in recently from Richardson-Bass No. 1 Goode wildcat.

All the above wells are in the same immediate vicinity.

## Rev. K. E. Scott Named To Head Local Rotary Club

Rev. Kelley E. Scott

New officers were elected for the Sanderson Rotary Club at their weekly luncheon and business session Wednesday.

Rev. Kelley E. Scott, pastor of the First Methodist Church, was elected president; Herbert Brown, vice-president; K. S. Wilkinson, secretary-treasurer. Troy Druse, retiring president, became a member of the board of directors which will also include J. O. Little, Jr., John T. Williams, and H. A. Smith.

The new officers will assume their duties in July.

## Two Trucks Burn, One Other Wrecked

Firemen were called out to extinguish two blazes in trucks on Saturday. Both cab interiors were destroyed.

About 4 o'clock Saturday afternoon a truck was burned west of town. According to reports, the driver discovered the blaze while coming toward Sanderson about three miles west. The truck left the highway and ran upon the railroad bed with the front wheels of the tractor going over the first rail. The driver quit the truck after it left the highway and received numerous bruises and scratches.

Another truck caught fire at about 10:30 Saturday night. The truck was east of town and near the overpass about three miles out. The fire was extinguished before the arrival of local equipment.

A stock truck tractor was destroyed Friday night when it overturned about 20 miles west of Sanderson. Indications were that the driver possibly went to sleep and the tractor hit a small culvert guard, knocking the front axle off the chassis.

There were no serious injuries in either of the accidents.

## Riggs Wins 5th Day Money, Average In Calf Roping

Jack Riggs won fifth day money and average in the calf roping at the San Antonio rodeo last week.

His day money win was in the second go-round.

In roping events at Big Lake Sunday, Riggs won first and fourth in two go-rounds and first in average. He had time of 10.1 on his first calf, for first money and 11.3 on his second calf for the fourth place in the go-round. His total time of 21.4 was best for the two calves.

## Television Rates Are Announced By Cable Company

Rates for subscribers to the local television reception are announced in this week's issue of The Times. A definite date for trying on potential customers has not been set, according to S. J. Burchett, manager, but the installation of cable over the town will progress as rapidly as possible.

Any question by potential users will be answered at the office of the Big Bend Gas Co.

The local reception has been from an Odessa station this week and operators are hopeful for retaining a strong signal from that station.

## Day of Prayer To Be Friday

Local residents are invited to attend the World Day of Prayer service which will be in the First Presbyterian Church Friday afternoon at 4:15.

The program to be directed by the women of the Presbyterian and Methodist Churches, has the theme, "The Bread of Life", and was arranged by a committee of Australian churchwomen in Melbourne.

Music will be furnished by a choir from the two churches.

Mr. and Mrs. Russell Dyer, Mr. and Mrs. John Reinger, F. B. Pyle, Mr. and Mrs. Herbert Brown, and Mr. and Mrs. Jack Riggs were in San Antonio last week to attend the fat stock show and rodeo.

Buddy Monroe of Sanderson is very happy that his fine wool crossbred lamb brought a top price of 65c a pound in the San Antonio Live Show auction. A representative of the buyer is at the left.

**THE SANDERSON TIMES**

One Year — \$2.50 Six Months — \$1.50

Austin — Money is making the biggest news in Austin at the moment.

Discussion swirls around such topics as campaign funds, unemployment, recession, taxation, receiverships, and credit insurance rates — all pocket-producing issue.

Gov. Price Daniel publicly deplored the money-raising efforts of Texas' Republican National Committeeman H. J. (Jack) Porter. Porter staged a \$100-a-plate dinner in Houston to raise money for Republican congressional campaigns. His widely-publicized letter asking contributions pointed out the need to gain support for the natural gas bill now before Congress.

A hard-fought issue for many years, the bill is generally favored in Texas and other gas-producing states, but bitterly opposed in gas-consuming Eastern and Northern cities. Opponents were quick to label Porter's approach as "mass bribery" and "selling legislation for campaign contributions". Proponents of the bill groaned. They contended that Porter had heaved a huge monkey wrench into plans for passage of the bill this session.

Gov. Daniel said the incident "should convince all Texans that the Republican leadership in this state has nothing to offer but embarrassment, discord, and division."

**Why No Jobs**

Viewing the soaring unemployment figures, Gov. Daniel took more jobs at the GOP.

Loss of jobs reportedly increased more in the past month than at any time since World War II.

As far as Texas is concerned, said the Governor, much of the blame can be laid to the Republican administration's ineffectiveness in controlling oil imports. Competition of foreign oil, he asserted, has caused Texas production to slip steadily, thus bringing loss of jobs and revenue to the state. National farm policies were criticized also by the governor.

Texas Employment Commission says its January unemployment compensation payments

hit \$537,800, an increase of almost 70 per cent from last September.

**More Taxes?**

Gov. Daniel has slightly and very cautiously amended his determinedly cheerful stand about the possible need for new state taxes.

He still doesn't agree with the Comptroller's chilly predictions. These are for a \$12,000,000 deficit by the end of this bi-ennium (in 1959) and need for the next legislature to scratch up \$100,000,000 in new revenue.

Gov. Daniel said he felt the state would just about break even by 1959. But he conceded that needs of a growing state might call for more money by then. He still favors the gas gathering tax, which he proposed last year, but emphasized he isn't recommending that or any other new tax for the time being.

**Let's Face It**

It's a recession, all right, but but a minor one.

This is the answer Dr. John R. Stockton, one of the state's top business analysts, is giving many groups these days. Dr. Stockton is director of the University of Texas Bureau of Business Research.

Ebbing of prosperity and fear of another depression have put the spotlight on BBR's studies. Dr. Stockton minces no words about there being a recession, but contends that the cures for this one are in plain sight. He cites increased federal spending and easier credit regulations.

A "minor" recession, says the BBR director, usually lasts from six to eight months.

**Rate Order Delayed**

State Board of Insurance is studying an order that would cut in half the rate for insurance on people who get small loans.

Order brought a storm of protests from credit insurers who said the regulation would put them out of business. After a hearing, the Board postponed postponed effective date of the order from March 1 to April 1.

Atty. Gen. Will Wilson has said he would head a drive to crack down on "loan sharks" if the Insurance Board would tighten up credit insurance regulations.

**US Trust Payment Foreseen**

Partial repayment to investors in the bankrupt U.S. Trust and Guaranty Co. may be possible within a couple of months.

**NEW SAFETY CHIEF**—Gov. Price Daniel has named Brad Smith (above) of Weslaco, Texas, as state traffic safety director. Smith assumed his duties in the governor's office on Feb. 1. His job is to coordinate safety activities of state agencies. He will head the newly created Texas Traffic Safety Council authorized by the 55th Legislature. Smith, who is a past president of the Texas Press Association, has been in newspaper, radio and television work. In these posts he has done much public information work on traffic safety.

Texas Supreme Court rules that all creditors must share alike in the distribution. Payment has been held up by a suit in which holders of "trust certificates" sought preference.

Depositors can make one last move by asking the court for a re-hearing. But unless the court completely reverses its view, this will be denied, making it possible for the state liquidator to begin paying some \$4,000,000 in recovered funds.

**Anti-Gift Law Toples**

The Attorney General has declared invalid a section of a new law prohibiting insurance company officials from making gifts to State Insurance Department employees.

His reason: the bill's caption or title did not mention the subject Texas' Constitution requires that a bill's caption must state specifically what is in the bill. In this case, the caption did mention that Insurance Department employees could not accept gifts from industry people. But it did not say that industry people could not give them.

Each year a number of newly-passed laws are thrown out by the attorney general, or by the courts, as being improperly written. Gov. Daniel has suggested a bill-drafting division in the attorney general's department to help legislators avoid such errors.

**Short Snorts**

Attorney General Will Wilson has announced the annual conference on law enforcement to be held March 9-11 in Austin. Meeting of the District and the County Attorneys Association of Texas has been set to coincide with this meeting.

More than 6,000 men of draft age registered last month, according to State Selective Service Headquarters. Law requires 18-year-old boys to register on their birthdays or five days after.

Mr. and Mrs. Bruce Taff of El Paso were week-end visitors in the home of their daughter, Mrs. Dan Farrow, and family.

**Birthday Party For Linda Jean Pearce**

Mrs. E. J. Pearce honored her daughter, Linda Jean, with a "movie" party on Friday, February 14, her eighth birthday.

Refreshments of heart-shaped cup cakes, popcorn balls, suckers, bubble gum and cold drinks were served.

Those present were Mrs. Ruby Kiteley, Yvonne Scott, Linda Louwein, Laura Lee Allen, Nikki Northcut, Kay Hatchel, Clement Earwood, Brenda and Linda McCutcheon, Patricia Dishman, Carole Johnson, Susie Robinson, Beverly Farley, Linda Thomas, and Barbara Shoemaker.

**Junior Music Club Meets Wednesday**

The Sanderson Junior Music Club met Wednesday in the home of Mrs. L. D. Booker, Jr. Twenty-five members were present: Suzanne Downie, Carla Dunn, Jodie Tronson, Pam Stavley and Milton Lemons played piano solos. Valentine candy and cookies were served while the guests listened to records.

"Music in the News" was discussed. David Hardgrave, Tomby Hodgkins, and Travis Williams sang several songs to entertain the group.

Music magazines were given to each member.

Office supplies at The Times.

**DON'T BE CAUGHT LIKE THIS!**

If your property is insured at 1947 price levels, your protection is as inadequate as is this bewildered little fellow's.

If you have made additions or improvements on your home and property, be sure you make these same improvements in your insurance program.

Don't be caught with your sensitive spots exposed. Call your local Capital Stock agent for a complete analysis of your insurance coverage.

He is an expert who represents only SOUND, RELIABLE Capital Stock companies.

**Peavy Insurance Agency**

Mr. and Mrs. Henry Rosenow of Rocksprings visited on the ranch Sunday with Mrs. Lena Stavley and Mrs. Bertha Mansfield.

Jack Hayre was a business visitor in San Antonio Saturday. En route home he visited with J. W. Happle in Sabinai.

Pam Surratt of Monahans is visiting here with her grandparents, Mr. and Mrs. C. L. Surratt. Mrs. Surratt and Mrs. Ruth Geaslin met her in Fort Stockton, Tuesday.

Mrs. W. A. Moore of Fort Stockton was a business visitor here Wednesday.

Mr. and Mrs. T. H. Eastman of Cedar Station visited here on Wednesday with their daughter, Mrs. Jim Turner, and family.

Mr. and Mrs. F. H. Talbot of El Paso arrived Monday to visit for a few days with Mr. and Mrs. Alfred Bendele. The Talbots had been visiting in Uvalde with their son and daughter-in-law, Mr. and Mrs. Jack Tal-

bot and her sister, Mrs. Ruth Swofford.

Mrs. J. W. Carruthers and her daughter, Miss Eva Carruthers, visited in Del Rio the first of the week with her sister, Mrs. Albert Turk, and family.

Mr. and Mrs. Ernest Haas arrived Thursday from Del Rio to occupy their house at Perammon which they bought from Mr. and Mrs. T. W. Kenzie who moved to El Paso. Mr. and Mrs. A. L. Petty visited with friends in El Paso week.

**Notice . . .**

I will be in Sanderson from 8:00 a.m. to 12 noon Saturday, Feb. 22, to vaccinate dogs and do other veterinary work. Please call the Sanderson Wool Commission Co., DI 5-2544, for appointments.

## Gay Nineties Theme For Annual Banquet Honoring Graduates

Honoring the seniors of the Sanderson High School, the members of the Baptist W.M.U. served a banquet in the band hall Monday evening. This is an annual project of the members of the W.M.U., who plan, prepare, and serve the banquet. The theme this year was "The Gay Nineties".

D. L. Duke was master of ceremonies. The invocation was given by Rev. Warren Capps, pastor. Miles Pierce of Alpine was the guest speaker for the occasion.

Mrs. L. D. Booker was in charge of the music. Peggie Cooke and Maida Moore presented a skit. A trio was sung by Travis Williams, Tommy Hodgkins, and David Hardgrave. "In the Good Old Summertime" was sung as a duet by Patty Gray and Don Little.

Pink cloths were on the tables which were arranged in a U-shape. Old fashioned kerosene lamps were placed at intervals. The menus were imprinted on folders designed as an old-fashioned car. Clever faces were drawn on pecans for plate favors. Pink net backed the corsages of violets which were given to the girls and the boys' buttonieres were also of violets.

A figurine of a girl of the gay nineties, violets and grapes were arranged on the mantel.

Besides the seniors, additional guests for the banquet included Supt. and Mrs. Matt Bader, Mr. and Mrs. Thurman White, Mrs. W. H. Savage, Mr. and Mrs. Rodolfo Alvarado, Mr. and Mrs. L. D. Booker, Jr., Rev. and Mrs. Warren Capps, and Mrs. H. G. Cates, president of the W. M. U., and Mr. and Mrs. D. L. Duke.

### MRS. WILLIAMS' NIECE MARRIED IN MARFA SAT.

Mrs. J. T. Williams with Kay and Joe attended the wedding of her niece, Miss Suzanne Howard, and James Lamkin Sullivan in Marfa Saturday.

The bride is the daughter of Mr. and Mrs. Gay Howard of that city.

The couple will reside in Fort Worth, where he is a Texas Christian University senior, until August when they will go to Caracas, Venezuela, where he will be employed.

Mr. and Mrs. B. F. Dawson left Monday for El Paso to visit with relatives for a few days.

## Mrs. E. R. Searcy President-Elect Of Study Club

The Evening Study Club met Thursday evening in the home of Mrs. M. F. Bader with Mrs. Roy Deaton as co-hostess.

During the business meeting, with Mrs. Deaton presiding, plans were made for the club to conduct the Red Cross drive to be sometime in March.

A slate of officers presented by the nominating committee was elected and included: president, Mrs. E. R. Searcy; vice-president, Mrs. Thurman White; secretary, Mrs. Gordon Harmon; treasurer, Mrs. Nest Harper; parliamentarian, Mrs. Roy Deaton; reporter, Mrs. Vic Littleton; historian, Mrs. Carlton Smith.

The program followed the general theme of the year on operas. Mrs. Harmon told the story of the opera "Martha" and Mrs. Littleton told the story of "Hansel and Gretel".

The hostesses served cherry pie, nuts, tea, and coffee.

The present were Meses. H. M. Beckett, E. R. Searcy, Vic Littleton, Carlton Smith, C. H. Stavley, Gordon Harmon, W. W. Sudduth, Thurman White, Nest Harper, Monte Goode, III, and two guests, Mrs. Sue B. Moseley, and Mrs. W. H. Goldwire.

## Layette Shower Saturday Honors Mrs. Jimmy Felts

Mrs. Jimmie Felts was honored at a surprise layette shower Saturday afternoon in the home of Mrs. Walter Kessler with Mrs. James Clark as co-hostess.

Mrs. L. W. Welch and Mrs. Richard Turner, winners of prizes in contests when words were unscrambled, presented their prizes to the honoree. Mrs. Turner and Mrs. W. S. Forth were penalized as losers in a contest and had to drink a soft drink from a baby bottle.

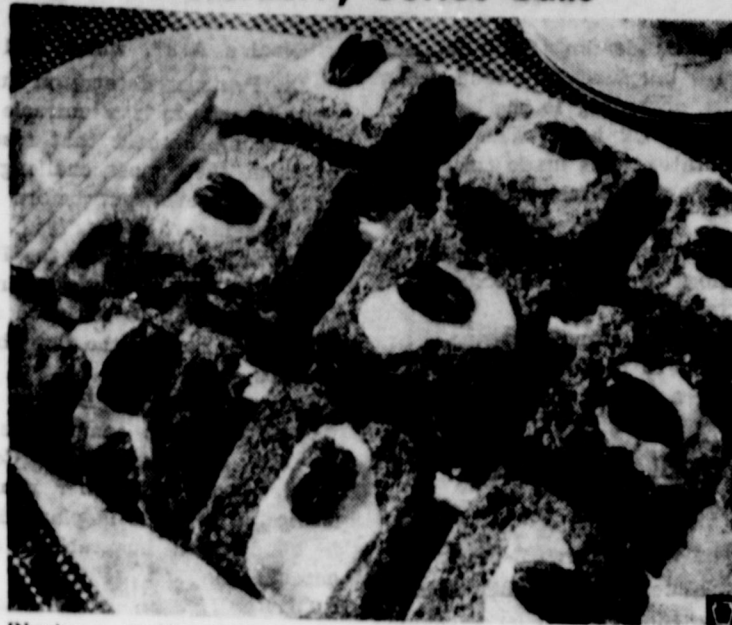

A large assortment of gifts was presented to Mrs. Felts. Individual cake squares iced in pink and blue were served with punch.

Pink and blue interrogation marks were on the white napkins.

The guests included Meses. F. N. Harrell, Jr., Bob Henderson, W. S. Forth, Bob Morris, Paul Lucas, L. W. Welch, Richard Turner, and J. E. Felts.

## Blueberry Coffee Cake

Blueberry Coffee Cake brings a touch of late summer to winter meals.

Blueberry Coffee Cake brings a hint of sun-drenched late summer into winter meals. Slightly sweet, not quite cake but richer than plain bread, it is good at any meal, or even as bridge party refreshments.

The margarine in it helps make it tender and tasty. Because it is really a bread, most folks will enjoy it most when margarine for spreading on it is served with it.

Either canned or frozen blueberries give good results when fresh ones aren't available, or even if they are. They need to be well-drained, so the crumb of the cake will have attractive color.

An easy way to rinse the juice off the surface of the berries is to empty them into a sieve or strainer over a bowl.

### BLUEBERRY COFFEE CAKE

(1 8 x 8-inch coffee cake)

- |                               |                                |
|-------------------------------|--------------------------------|
| 1 1/2 cups sifted flour       | 1 cup blueberries, OR          |
| 2 1/2 teaspoons baking powder | 1 11-ounce can blueberries, OR |
| 1/2 teaspoon salt             | 1 package frozen blueberries   |
| 1/2 cup sugar                 | 3 tablespoons sugar            |
| 1 egg                         | 1/4 teaspoon cinnamon          |
| 1/2 cup milk                  |                                |
| 1/4 cup melted margarine      |                                |
- Sift together into mixing bowl the flour, baking powder, salt and 1/2 cup sugar. Beat egg and add milk. Pour into flour mixture. Add melted and cooled margarine. Stir to blend well, then beat 50 strokes. Drain blueberries in sieve and run

Then rinse the fruit by holding the strainer under the cold water faucet and letting a gentle cold stream of water run over them for a minute.

For a delicately pink frosting with which to decorate the cake and to add even more flavor, mix a tablespoon of the juice and three or four drops of lemon juice with a cup of powdered sugar. If blueberry juice alone is used, the frosting will be gray-blue, but the lemon juice turns it to dainty pink.

## Mrs. G. R. Harmon Hostess to '51 Club

Mrs. G. R. Harmon entertained the '51 Bridge Club in her home Wednesday afternoon of last week with two tables of players.

Mrs. Vic Littleton was winner of the high score prize. Mrs. O. T. Sudduth was second high and Mrs. A. J. Hahn was low.

Also present were Meses. M. F. Bader, H. E. Fletcher, J. O. Little, E. J. Hanson, and Carlton Smith.

The hostess served strawberry chiffon pie with tea and coffee for refreshments.

## Methodist W.S.C.S. To Have Supper On February 28

The Methodist W.S.C.S. is sponsoring a spaghetti supper in Fellowship Hall Friday evening, February 28th.

Serving will begin at 5:30 p. m. at 7:30 there will be a program, including a film on Japan, which will last about one hour.

Everyone in the community is invited to attend the supper and remain for the program.

Office Supplies at The Times.

## Birthday Party For Ada Lee Riggs

Mrs. Jack Riggs honored her daughter, Ada Lee, with a party Friday afternoon, the occasion being her twelfth birthday.

Varied games furnished diversion for the party which closed with bingo being played in the living room.

The heart-shaped birthday cake, decorated in the Valentine motif, was served with punch and ice cream. Marbles and bubble gum were given as favors.

Those present were Donna Hill, Bonnie Fisher, Linda Nell Babb, Elaine Stanley, Linda Massie, Paulette Robinson, Jon Stavley, Buddy Moore, Bobby Hatchel, David Hardgrave, Russell Masters, Charles Fletcher, and Mike Wood.

## Miss Ruth Klassen To Wed April 7

Rev. and Mrs. John Klassen of El Paso have announced the approaching marriage of their daughter, Miss Amie Ruth Klassen, and Frank L. Biggs, Jr.

The wedding will be on Monday, April 7, in the First Methodist Church in El Paso, with the pastor, Rev. Klassen, officiating.

The prospective bridegroom, the son of Mr. and Mrs. F. L. Biggs of Pataskala, Ohio, is employed by the Modern Iron Works in El Paso.

Miss Klassen, a graduate of the Marfa High School, has attended Southern Methodist University. The Klassens formerly lived in Sanderson when he was minister of the First Methodist Church here.

Carroll Womack, Jr., returned to his home in Carlsbad, N. M., last week after accompanying his wife to Sanderson for a visit in the home of her parents, Mr. and Mrs. Gene Thorn. Mrs. Womack remained for a longer visit.

Mr. and Mrs. C. B. Odell have moved from Mrs. Shelton's garage apartment to the Underwood rent house at 414 School Street.

Mr. and Mrs. Carl Cochran of Fort Stockton were week-end visitors here in the home of their daughter, Mrs. E. E. Harkins, Jr., and family.

### Listen to Luke

(Continued from Page 1)

schools that are strong in virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public School Week, March 1 through 7. The local schools will hold open house; accept their hospitality, and you will enjoy the experience.

Citizens are being asked to study and think of the proposed plan for a water district here.

The move was started with the hope of obtaining FHA guarantees for home building loans — if those are available — here. This town certainly needs some means of getting a building program under way. There may be other means, but let's give this plan some study and see if it is practical.

We feel that the growth of Sanderson should be beginning, and the beginning will be when good, solid, citizens begin a program of building here.

New homes in a town do very little damage. There are those who are wanting new homes, so, if it does not take any skin off our nose, let's see what can be done.

It won't take any skin off of our nose to find out.

Mrs. Ruby Kiteley and her son, Robert Kiteley, were Del Rio visitors Sunday.

To Mr. and Mrs. Woody Ivy of Pecos, former residents, was born their third child and son on Friday, February 7. His birth weight was seven pounds and six ounces and he was named John Ray.

A son, their fifth child, was born here Monday afternoon to Mr. and Mrs. Juan J. Morino. His birth weight was eight pounds and four ounces.

Mr. and Mrs. A. O. Niccolis are the parents of a son, their third child, born here Wednesday, February 19. The baby was named Paul Dee and weight nine pounds and eight ounces at birth.

Mr. and Mrs. Clyde Higgins are the maternal grandparents.

### AN OPEN LETTER TO CITIZENS OF SANDERSON

Good churches, good schools, and a good water system are among the essential elements that lead to the successful growth of a community. This letter is directed toward the improvement of our water facilities.

At present, our community is being served with water from a system that was installed a good many years ago. Under present conditions, we cannot obtain FHA loans nor can we expect to attract new industries or business because we can only grow in direct proportion to the adequacy of our water supply and facilities.

Because of our local housing shortage, several businesses have failed to come to Sanderson in the past year. This can be corrected by forming a Water District and thus meeting FHA requirements. For the future of our community, we must insure that we have a first class water system to protect public health and to insure safe public drinking water in the quantity and of the quality that our community demands. As our water system improves, new areas are made available for growth, expansion and development, and new people, businesses and industries will be attracted to our community.

A Water Control and Improvement District can be created under the laws of this State. An election is necessary to confirm the organization of such a District and another election is necessary to authorize the issuance of the necessary bonds to finance the water system.

The District could purchase the existing water system and in time enlarge and improve it, if the growth of the town warrants it. The purchase price of the existing system and plans for new construction must be approved by the State Board of Water Engineers and all proceedings must be approved by the Attorney General of Texas, according to findings, so the public is fully protected.

There are many advantages of a public water system over a privately owned system. The District is administered by a Board of Directors who are elected by the voters of the community. The water rates are determined by the Board of Directors. So-called profits are passed on to the water customers in reduced water rates. The water system of such a District can be financed by the issuance of bonds that are paid off over a period of years from the net revenues of the system. The District has the power to levy a tax, if necessary, but even if such a tax is necessary, all that need be raised by taxation is the difference between the debt requirements and the net revenues. Even then, this amount is spread on an ad valorem basis over the entire Water District. It is anticipated that no tax at all will be necessary, but if such is necessary, it should be very small.

Ozona, Texas, is a good example for us to look at. This community is served by a Water District. It has a fine water system financed by tax and revenue bonds but the water revenues are sufficient to pay the bill and it is not necessary to levy any tax.

A Committee has been formed to see what can be done to improve our community's water situation and this committee will attempt to ascertain the desires of the citizens of Sanderson in connection with the forming of a Water District to accomplish the purposes we have set out herein.

Respectfully yours, D. E. Anderson, John R. Hodgkins, Laurence Jones, L. H. Gilbreath.

Mrs. J. J. Rogers of Harper is visiting here with her daughters, Mrs. W. E. Lea, Jr., and Mrs. Roy Deaton.

FOR SALE — One Super M Farmall No. 22371, wide front end, 3 pt. hitch, 1953 Model with disc attachments. One Miller 3-ton trailer, dual 750x16 tires, single action with ball hitch, side angle 14 ft. chassis. Two inch oak platform 8x14 ft., tilting type with lock. Can be seen at Gulf Station, Sanderson, Tex. All bids must be received by Mar. 10th, 1958, at Peavy Insurance Agency. Soil Conservation reserves rights to reject all bids.

### Station Burglarized Wednesday Night

The Sanderson Gulf Station was burglarized Wednesday night, according to the operator, Clarence Chandler. Entrance to the station was made through a window in the rest room and the glass broken in the rest room door to gain admittance into the station proper, according to Chandler.

The only thing missing, according to the owner, was some candy and cold drinks.

### School Week Set For March 3-7

The week March 3-7 has been proclaimed Texas Public Schools Week this year. The proclamation was issued by Gov. Price Daniel, setting the special week aside, and resolutions were passed by the Texas House of Representatives and Senate, naming the special week.

A committee meeting was held at the local school to outline a program of activities for the week and the following plan was adopted:

All students in the grades will write letters to their parents inviting them to visit school during the week. In the high school building, English teachers will have their students draw names to select the person to whom they will write.

All rooms in the elementary buildings will register guests when they come to their rooms. The student council will register and act as guides to the visitors in the high school building.

Students in the upper grades of the elementary buildings will make posters to put in store windows and advertise the special week.

Rooms in the grade school will have samples of work on display for visitors. All teachers are expected to carry on their classes as usual so that visitors may see the school in action on a normal basis.

All parents and school patrons are urged to visit at least one of the local schools one time during the special week.

### Richard Carroll Places 7th in Final Calf Scramble

Richard Carroll of Sanderson was a seventh place winner in the calf scramble held during the final rodeo performance at the San Antonio Stock Show. He won \$10 as prize money.

### PERSONALS

E. J. Pearce has been working out the bulletin on Section 35, San Antonio, for the past two weeks. The Longfellow section where he was employed, was one of the 13 sections on the T&NO abolished on February 7. His mother, Mrs. E. S. Rolan, of San Antonio, came out Saturday to assist the Pearce in moving.

Mr. and Mrs. A. A. Shelton returned home Friday from a visit with relatives in Corpus Christi and Houston.

Mr. and Mrs. F. L. King of Lafayette, Calif., are visiting here with her sister, Mrs. H. A. Smith, and Mr. Smith.

Major and Mrs. Ray deBusk and boys have moved from Tynedale AFB, Florida, to Mt. Holly, N.J., where the major was transferred.

Herbert Ueckert, Mrs. Sue B. Moseley, and Mrs. E. E. Farley attended the Texas Library Association District 2 annual meet in Odessa on February 8.

Gary Harrell, Eddie Hanson and Kenneth Shurley, Sul Ross students, spent the week-end here with relatives and friends.

Hollis Haley of Carlsbad, N.M., who had been on a business trip to San Antonio, came by Friday for his wife and daughter who had been visiting here with her mother, Mrs. Lizzie Billings, and other relatives.

Mrs. E. P. Estep, who had been visiting with her daughter in Oregon, arrived Monday for a visit with her daughter, Mrs. Roger Rose, and family.

Mr. and Mrs. J. W. Carruthers, Jr., spent two days in Del Rio last week to attend to business matters.

### 'Noah's Ark' Coming Here March 4

'Noah's Ark', which will be at the Princess Theatre on Tuesday, March 4, is a miracle of the accomplishment that resulted from the most challenging assignment ever put before the film world.

The film is based on the Biblical story of the facts and reasons leading up to the flood and of the survival of the few chosen ones.

One of the great Biblical epics of our time, comparable in vastness to 'The Ten Commandments', and other similar stories, the movie is planned to be educational, inspirational and entertaining.

Carlton White, local movie house manager, promises patrons a worthwhile movie in the story of 'Noah's Ark'.

### Walter Thorn Has Further Surgery on Leg

Walter Thorn underwent surgery in an El Paso hospital ten days ago for the amputation of his leg above the knee. His condition is reported to be satisfactory.

Mr. Thorn's leg was injured in an accident at Valentine several months ago when a pistol he was handling was accidentally discharged, according to reports. He has undergone orthopedic surgery three times as efforts have been made to preserve as much of the limb as possible.

Mrs. Thorn is in El Paso with her husband.

### Mrs. John Reinger's Aunt Dies in El Paso Thursday

Mr. and Mrs. John Reinger returned home Tuesday from Marfa where they attended the funeral services Sunday afternoon for her aunt, Mrs. Winnie B. Kilpatrick, who died in El Paso Thursday. Mrs. Kilpatrick had made her home with her son, Hugh Kilpatrick, in El Paso for the past seven years. She was a long-time resident of Marfa.

Mrs. Kilpatrick was a sister of Mrs. R. R. Ellison, Mrs. Reinger's mother.

### Attend Wedding in Ozona Last Saturday

Mrs. H. C. Goldwire attended the wedding of her nephew, Richard Chelso Kirby, Jr., and Miss Shirley Ann Kost in Ozona Saturday. Mr. Kirby is the son of Mr. and Mrs. R. C. Kirby of Christoval, and is county auditor for Crockett County.

Mrs. Goldwire accompanied relatives from Big Lake to Ozona and is visiting in Big Lake and San Angelo this week.

Mr. and Mrs. Col Coates, an uncle and aunt of the bride, also attended the wedding.

### Local Relatives To Funeral

Mr. and Mrs. Jack Laughlin attended funeral services in Valentine Monday afternoon for her uncle, George W. Newton, 81, long-time Jeff Davis County resident. He died Saturday in an El Paso hospital.

A native of Burnet County, Mr. Newton came to Jeff Davis County in 1898 to go into the ranching business.

Mr. and Mrs. F. G. Grigsby also attended the funeral services for her brother-in-law.

### ADDITIONAL INFORMATION

Additional information which should have been used in the story carried by The Times last week about the selection of Miss Diana Duke as the outstanding citizen of the Sanderson High School is available this week.

The nation-wide project is annually sponsored by the Daughters of the American Revolution. The Fort Stockton chapter sponsored the project in the local school.

The names of three girls were presented by the members of the senior class for the honor and the final selection from those three rested with the members of the faculty.
