SANDERSON, TEXAS, FRIDAY, SEPTEMBER 4, 1959

NUMBER 30

LISTEN TO LUKE

Well, the last echo of the first ringing of the school bells has faded out and everything is off to a good start in the local educational realms as far as we know. Many merchants of the town are fit to spend good money in a campaign to promote safe driving locally in order to protect lives and property — particularly the lives of children. We go along with them for more reasons than one and heartily endorse any and all safety campaign and activities.

A good reminder of this sort is the better for all of us than the reminder caused by a grim death of a local child.

We have had our share of accidents here and near here recently and we should all be more attentive to our obligations as drivers.

Another phase of school life begins this week — football season. This will go on for approximately 11 weeks, notwithstanding the ability of the Eagles to advance into post-season games of higher competition.

The young people, boys and girls alike, seem to have an over-supply of energy after a summer of idleness and it takes something like a football game to work all of that energy off so that they can settle down to a more calm routine.

Sander son has long been noted for sportsmanship among the football and fans, too, and this reputation should be upheld at all costs. Let's show our hospitality to our visitors and act in a way to warrant hospitality when we visit other towns.

Another thing worth noting is the damage that has been done to the facilities at the football field during the summer. This is pure vandalism and is the act of unthinking or untutored children who adults with little sense of responsibility and rights of others.

The door to the concession stand, so we are told, was broken to permit entry into an absolutely empty building.

A door was also broken into at one of the rest rooms at the football field we learned.

This year we will again probably be taking up tickets at one of the gates at the grid field and we take a certain amount of pride in being called upon to help in those ways we can to further any efforts of the school that are beneficial. We would also take pride in seeing the property protected up there and efforts toward improvement rather than destruction.

We have news this week of the probability of another gas well in Terrell County and this information should do a lot to bolster the morale of some who have been stepping on their low heels lately.

A big fancy bubble popped in the eyes of some local citizens and possibly the reason is that they blew the bubble up too big to begin with.

If one would take a look at a map showing the locations of potential producers and also note the location of dry holes and understand some of the reasons for them, then look at the locations of wells being drilled and then another glance at the country remaining open for exploration, it is an appalling thought.

There has been concentrated exploration in some parts of the county that have not yet seen a drilling rig and we feel sure that they will soon see a rig.

A good, safe, size outlook to the future of the oil and gas business in the county is a safe and sound outlook, in our opinion.

We still have the oil derrick on the masthead of Page 1 of the Times.

Mr. and Mrs. Hugh Rose spent the first of the week in San Antonio on business.

Eagles Ready For Opener Friday Night With Grandfalls

The Sanderson Eagles are to host the Grandfalls-Royalty Cow-boys on the local grid Friday night. Games time is 8:00 p.m.

Coaches Carlton Smith and Gerald Petersen stated that the boys are ready for the opening game and promise a good season of competitive football for local fans. There have been almost no pre-season injuries, the coaches say, and the boys are in good shape for the hard licks of the game.

The Eagles scrimmaged with Fort Stockton twice during the week just passed and the coaches are proud of the way the boys showed up against the stronger Fort Stockton team.

The boys on the squad include: Richard Carroll, Bob Little, Dee Gray at end; Buddy Hahn, Charles Stavley, Bobby Garza, John Wilcox, Kenneth Moses, Elton Carroll, Sam Guadarram, tackles; Bill Stavley, Armando Gutierrez, Juan Lopez, Richard Jones, Martin Salazar at guard; Bill Dunn, Silverio Villegas, center; Larry Harrell, Felix Valles, Larry Kight, Buddy Monroe, Marion Wilson, John Massie, Cruz Marquez, Susano Munoz, Juan Olivares, Manuel Flores and John Eakers in the backfield.

Coach Smith announced Wednesday that the probable offensive starting lineup would consist of Dunn at center; Bill Stavley and Gutierrez at guards; Charles Stavley and Guadarrama at tackles; Dee Gray and Bob Little at ends and Harrell, Valles, Monroe and Kight in the backfield with Eakers probably substituting in a wide range of positions, pending the condition of a turned ankle.

The Eagles will operate offensively from a single-wing formation this year again. The coaches stated that the boys were better adapted for this type of formation and they seemed to take to it with greater enthusiasm and ease than they did to the T variations.

The Eagles have long been underdogs in this neck of the football world in pre-season predictions by various sportscasters of the area and many teams have

hosted the Eagles or come to Sanderson to find a type of football team they had not realized existed here.

The Sanderson football teams and fans have proven their mettle in the football seasons over their years by their willingness to give of their best to the game regardless of the reputation of the opposition. There is little doubt that the Eagles of this year will be any different.

The coaches and players urge the attendance of all area fans at the local games and promise their best efforts to show an aggressive attitude and competitive spirit.

Enrollment Up Over Start of School In 1958

Supt. Matt Bader stated that enrollment figures for the Sanderson schools were up over figures for the same time last year. Peak enrollment for the school year just past was about 50 more than the current enrollment, but additional registrations are expected, he said.

There are 467 students in the elementary schools and 147 students in the high school for a total of 614 students in the local system.

The enrollment by grades is as follows: 1st 71, 2nd 69, 3rd 56, 4th 60, 5th 58, 6th 63, 7th 47, 8th 43, 9th 36, 10th 51, 11th 33, 12th 27.

Night Services Begin Sunday At Methodist Church

Night services will begin again Sunday at the Methodist Church according to Dr. K. T. Melugin pastor. Time is 7:30 p.m.

Dr. Melugin announced that Communion would be served and the sermon would be concerning the significance of the Lord's Supper.

The young people of the church will have charge of the worship service with Misses Judy Denson, and Melinda Gilbreath furnishing piano and organ accompaniment and Sue Melugin leading the song service. Ushers will be Buddy Hahn and Bob Little.

The evening services will be directed to the young Christians of the church, regardless of age. Dr. Melugin stated, and members and friends of the church, regardless of age, will benefit from the night services, he concluded. Ice cream will be served after church Sunday night.

Martha Nell Smith To Nursing School

Miss Martha Nell Smith, daughter of Mr. and Mrs. Sidney Smith of Pumpville, will enter James R. Daugherty, Jr. School of Nursing in Corpus Christi on Tuesday.

Miss Smith was a spring graduate of San Marcos Academy in San Marcos which she attended for nine years. During that time she served on the student council two years, was assistant editor of the yearbook, was business manager of the school paper. She was also a member of the Cue and Curtain Club, the B'Ettes, Y.W.C.A., and pep squad. She held the office of secretary of the senior class and was elected one of the top twelve students of the school for the year.

Mrs. H. M. Beckett is employed at the Sanderson State Bank. She has been employed as a checker in the grocery section of The Kerr Mercantile Co.

State Officers To Visit Post Of Legion Monday

Donald I. Peters

G. Ward Moody

Donald I. Peters of Houston, Texas Department Commander of the American Legion, will tour the Fourth Division of the American Legion during September. The Fourth Division consists of the 16, 17, 18, 19 and 21 Congressional Districts.

Sander son will be the first stop on the tour on Monday at which time the Commander and his party will have breakfast at 7 a.m. with the officers and members of the Clarence Halley Mulkey Post.

On Monday evening the Alpine post will be host to the group at the American Legion Home in that city. Legionnaires from this area have been invited to attend the Alpine meeting. Stops will also be made in El Paso, Odessa, Seminole, Lubbock, Brownfield, Plainview, Dalhart, Sweetwater, San Angelo and Brownwood.

Accompanying Com. Peters on the trip will be Department Adjutant G. Ward Moody of Austin; Department Service Officer Fred Brookman of Lubbock and Vice-Commander Maurice Kubby of El Paso. District Commanders will join the party in their respective districts.

New Director Named At Park

Stanley Joseph, former assistant superintendent of Glacier National Park in Montana, has been appointed superintendent of the Big Bend National Park. George W. Miller, present superintendent of the park, will be transferred to assistant director of Region 3 with headquarters in Santa Fe, N.M. Region 3 comprises 45 national parks in the West and Southwest, including Big Bend Park.

The moves are a part of the promotion, transfer and retirement of 25 National Park Service officials announced by the Department of Interior last week.

Calendar of Events

Monday, Sept. 7 — Labor Day holiday Altar Society Baptist W.M.U.

Tuesday — Legion Auxiliary Masons.

Wednesday — Rotary Club.

Thursday — Lions Club, Evening Study Club, Legion.

Girl Scout Drive Funds Short of Local Needs

The drive for funds for the local Girl Scout organization is far short of the needs, according to information received Wednesday afternoon. The fund is just short of \$100.

The local committee met at the Scout House to discuss plans of the local Girl Scout organization and the financial report was heard and noted to be lacking. There are some repairs which are badly needed for the Girl Scout Hut and registration fees for the local units in the Permian Basin Council are also necessary. Also there is a need for the advancement budget for the girls during the current year and some money is needed for arts and crafts.

All local citizens who have not contributed to the fund are requested to do so as soon as possible to assure the continuation of the Girl Scout program locally.

Five units are expected to be in operation this year and funds for a continuation of the program are absolutely necessary, the local committee and treasurer stated.

Hot Weather During Week Past, One Light Shower

Only a light shower fell locally following a severe electrical storm about 5 a.m. Monday. Reports from other sections of this area indicate from 1/2 inch of rain to zero.

In the extreme eastern part of the county 60-inch of rain was reported, but it was said that the rains were not widespread.

One of the most brilliant displays of lightning was seen by people all over this section of the state.

Several bolts of lightning came close to the ground near Sanderson and television reception was interrupted because of the effects of the lightning.

Unusually hot weather has prevailed since Sunday with little or no relief from clouds. The nights have also been exceptionally hot and still.

J. D. Ramsey Promoted To Division Supt.

Last Thursday, J. D. Ramsey of Ennis was named superintendent of the Texas and New Orleans Railroad's Dallas and Austin division with headquarters in Ennis and Austin.

He succeeds F. E. Hoefler who retired Aug. 31. Ramsey had been assistant superintendent of the railroad's San Antonio division.

The Ramseys are former Sanderson residents when he was trainmaster here. They will continue to make their home in Ennis.

Former Girl Scouts Entertained — Mr. and Mrs. J. A. Gilbreath and Melinda were hosts Monday evening at their home to the girls who were former Girl Scouts of Mrs. Gilbreath's troop. Mrs. Herbert Brown, her assistant leader, was present also.

Other guests were: Joan Wood, Susan Harkins, Diane Brown, Kay Williams, Sharon Wooten, Linda Maples, Kathleen Robbins, Sue Vaughn Haines, Gwen Carter, Darlene McDonald, Mary Duncan, Vicki Littleton, and Barbara and Elaine Brown.

Grilled hamburgers, iced tea, potato chips and watermelon were served after which movies of some activities of the girls as Scouts and Brownies were shown.

Gas Strike Indicated At Allison Wildcat

Robert Carle Named Principal Of Marfa High School

Robert Carle

Robert Carle of Fort Stockton principal of the Butz Elementary School in that city for two years, has moved with his family to Marfa where he will serve as the principal of the high school in that city. He was principal of the elementary school here before moving to Fort Stockton.

Baptist Church Revival Closes Sunday Night

A week of special services at the First Baptist Church will close with the evening service on Sunday.

Services have been held daily at 7 a.m. and 7:30 p.m. with Rev. Carlos Greber of Tallahassee, Fla., doing the preaching. A native of Latvia, he was reared in Brazil and has been showing colored slides of his Brazilian mission after each evening service.

D. L. Duke and W. J. Morris have been directing the song services.

A cordial welcome has been extended by the members and pastor, Rev. I. L. Lardson, to everyone in the community to attend any or all of the remaining services.

Hotel Cafe To Re-Open Soon

Mr. and Mrs. W. B. Smauley are renovating, remodeling and redecorating the Hotel Cafe and will open it as soon as the work is complete, they say.

They stated that a completely new interior would greet the public when they finish the work and they hope that the appearance will be attractive to local patrons and travelers.

Mrs. Smauley has had considerable experience in cafe work and management and plans to operate the business.

Mr. and Mrs. H. P. Boyd Attend Friend's Funeral

Mr. and Mrs. H. P. Boyd attended funeral services in Marfa Sunday afternoon for Mrs. P. A. Jackson, who had been a frequent visitor in the Boyd home. Mr. Boyd was one of the pallbearers.

Mrs. Jackson had been in failing health for several months and died in her sleep Friday night. She is survived by a daughter and two grandsons.

Mrs. Roger Rose spent the week-end in Brownwood with her mother, Mrs. Estep, who celebrated her 80th birthday. Mrs. Estep is with her daughter, Mrs. A. Z. Sutton, of San Saba whose husband is hospitalized in Brownwood.

A Pennsylvania gas discovery was indicated in Terrell County with the flowing of gas at the daily rate of 299,000 cubic feet according to information received this week. There was a recovery of 390 feet of heavily gas-cut mud with a trace of distillate on a drillstem test.

The discovery was at the Gulf Oil Corp. No. 1 Allison on section 17 in Block B-2 of the CCSD&RG NG survey. The project is eight miles southwest of Sheffield and about 17 miles due north of the Magnolia No. 1 Brown-Bassett Gas Field opened.

The test was between 8,330-9,059 feet and the tool was left open for four hours. Gas surfaced in 15 minutes and flowed at the above gauge. Flowing pressure was 630-685 pounds; 30-minute shut-in pressure was 3,135 pounds.

A core cut between 9,059-81 feet recovered 20 feet of cherty lime and no shows.

Operator was reported to be drilling ahead to a scheduled depth of 11,700 feet.

The location is also the fourth section in a southeasterly direction from the Shell and Humboldt No. 1 Smith.

Drilling News -

Gulf No. 1-A McCue was last reported drilling at 14,473 feet in lime. Location is on section 9 Block R-22.

Gulf No. 1 Allison is at 9,225 feet in lime and shale. Location is on section 17, Block B-2.

Deer Season Set For Area

The deer season has been set for the Trans-Pecos area, according to information received this week.

The season will be for eight days — Dec. 1-8 — and one buck deer will be allowed west of the Pecos River.

Some counties will have special seasons for hunting does.

Last year's season permitted the killing of two white tail or one black tail and one white tail buck, but this year's law has been changed to allow only one buck deer, regardless of species. Hunting licenses are available now for hunting all game animals and birds in Texas during the year ending August 31, 1960.

Few reports of successful dove hunters have come in and there is a noted and reported scarcity of the winged target in this immediate area, although reports are that in the farming area in counties north of Terrell, the doves are most plentiful.

Labor Day Is Slated Holiday For Businesses

Monday, September 7, which is Labor Day, will be one of the regularly holidays scheduled by the Sanderson Retail Merchants Assn., according to Mrs. Jettie P. Peavy, secretary.

While every business in town will not observe the holiday, local residents are reminded to check their shopping needs in view of the holiday closing by many of the businesses.

The holiday will also be observed by the postoffice and bank but will not be observed by the schools.

L. E. Muller made a business trip to San Antonio Monday and took Mr. and Mrs. C. E. Clymer, who will have physical check-ups

New Arrivals

A son, their third child, was here Sunday, August 30, to Mr. and Mrs. William Paul Lamar. His birth weight was eight pounds and 11 ounces and he was named Loren Duane.

Austin — During the next few weeks young Texans by the thousands will troop back to their classrooms.

Many will be entering a brand new world. There'll be some 250,000 first graders, some 28,000 college freshmen. In cities and hamlets across the state, children will take their last swim in the city pools. Parents will re-set their alarm clocks and re-figure their budgets.

Parents of the incoming college freshmen — most of whom got their own schooling at rock-bottom depression prices — face what most will regard as an appallingly expensive future. Average cost for a Texas college student is \$1,100 a year — not including a car, clothes, dates. In the larger cities it may run \$1,500 a year.

For four years the average is about \$5,000. But hardly another investment can be expected to return such handsome dividends. Statistically, the college graduate can expect to earn \$100,000 more in his lifetime than

U.S. OIL

Indispensable in our way of life... vital to our national defense

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

OIL'S FIRST CENTURY
-BORN IN FREEDOM
WORKING FOR PROGRESS

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

State Capitol

(Continued from page two)

Employment will jump as many of the non-graduate.

Aside from the students and parents and teachers who are affected, "back to school" has a wider impact on the economy of the jobless are absorbed into the operations of the dormitories, boarding houses, lunchroom etc. Retail stores look to the brisk sales since Easter in the annual re-outfitting that ranges from blue jeans to book satchels and from crayons to calicos.

Real estate, customarily, also has a flurry as families try to get located before school starts.

Why Go Back?

Why go back to school when you can stay out and earn some money?

Texas Board of Pardons and Paroles has some sobering answers. Its annual report shows that of 1,186 prison inmates released during the past year, only 119 had completed high school. Only six were college graduates.

Percentage is about the same for those still in prison. Overall the Board feels that people who complete their educations and are therefore able to get useful better-paying jobs are much less likely to run afoul of the law.

All But Three

Gov. Price Daniel signed the huge new state appropriations bill, but he exercised his constitutional prerogative to scratch out some items.

Daniel vetoed appropriations for (1) a \$216,000 home for old folks; (2) a \$200,000 tourist advertising program by the State Highway Department; and (3) a \$1,033,500 for interim legislative expenses.

He vetoed the old folks home, said the governor, because "the hospital board does not have responsibility for seniles and . . .

state policy should be to get these unfortunate people into private rest homes near their families rather than making them permanent patients of the state hospital system."

As to tourist advertising, the governor said that the Highway Department already is spending twice this much from other funds and the appropriation would reduce activities.

Daniel said he saw no need for the interim legislative expense money inasmuch as \$339,000 had been appropriated in a separate bill for future legislative expenses.

Legislative leaders replied that perhaps the state isn't supposed to be responsible for housing the aged, but the fact is it has some on its hands. They're now housed in the 50-year-old Confederate home in Austin. It has been labeled a fire trap.

Legislative expense money was to be used to put a new carpet in the House, refinish desks and provide offices for House members. Rep. Bill Healy of Paducah said he felt it was "unprecedented for the executive branch to tell the legislative branch how to finance itself."

Dividing It Up

Now that all state agencies know how much money they'll

have for the next two years, governing boards have been busy deciding how to make the most of it.

State Hospital Board — with an appropriation that jumped 8.9 per cent to \$83,142,340, plans to spend \$4,500,000 for new buildings. This will include a 300-bed unit at the Denton State Hospital, a new recreation building and warehouse at the Austin State Hospital and numerous road building and renovation projects.

Texas Youth Council — with a kitty that jumped from \$7,767,441 for the 1958-59 period to \$10,112,450 for the new bi-ennium, plans to add both dormitories and personnel to the two correctional institutions, Gatesville School for Boys and Gainesville School for Girls. Some new construction and personnel also are planned for the homes for orphaned children.

Texas A&M Board of Regents — has allotted a substantial portion of the \$1,969,666 increase in its \$4,174,865 appropriation for salary increases on a merit basis. All in all, some 10 branches and services are a part of the A&M system. New student apartment buildings on the main campus are in the offing.

Vet Land Program Slows
 Texas Veterans Land Program

will have to be stoppered down to a trickle from now until after November, 1960.

State is running low on money for this program. It has authority to sell bonds to raise more money. But with the interest rate on the bonds limited by the law to 3 percent nobody wants to buy the bonds. In the general election in 1960, the voters may, if they choose, raise the interest rate the state can pay to 3 1/2 per cent and make possible the sale of more bonds.

Of course, if the state has to pay more interest on its bonds, it will have to go up on the interest charges — probably to 4 per cent.

Under the plan, the state buys land and re-sells it to the veterans on a long-term low-interest contract. It's the only "bonus" to Texas veterans. But it has resulted in the purchase by veterans of 1,997,404 acres of Texas land at an average price of \$69.39 per acre.

Suit over Hay Seen

In the midst of plentiful rain State Agriculture Commissioner John C. White has a problem arising from the 1953 drought-relief program.

White says the U.S. Department of Agriculture plans to sue Texas for some \$162,670 which the USDA claims it overpaid for shipping hay to Texas farmers and ranchers.

White says the federal government agreed to pay 50 per cent of the cost of shipping the hay. About that time the railroads and truck lines reduced their rates 50 per cent for the drought relief feed shipments. White felt that this would mean that the federal government would then pick up the remaining 50 per cent of the tab. But USDA charges it should have paid only 50 per cent of the reduced rate.

Ranch Club Meets Tuesday At Gatlin Ranch

The Ranch Home Demonstration Club met Tuesday at 10:30 a.m. in the ranch home of Mrs. R. A. Gatlin with Mrs. Clarence Chandler as co-hostess.

Mrs. C. F. Cox, president, called the meeting to order and the Song of Peace and club prayer were given. Mrs. N. M. Mitchell gave the educational talk on "Emphasis on the Constitution".

The nominating committee reported their nominations as follows: president, Mrs. A. C. Garner; vice-president, Mrs. N. M. Mitchell; secretary, Mrs. R. A. Gatlin; reporter, Mrs. E. F. Pierson; parliamentarian, Mrs. John W. Byrd; council delegates, Mrs. Cox and Mrs. H. E. Ezelle.

Miss Watson reported on the 4-H Club girl Ola Mae Vanderhorst of Bakersfield winning for the district. Mrs. Gatlin gave the council delegate's report.

At noon a Mexican casserole was served with beans, cabbage, bell peppers and pineapple salad and iced tea. The cake served was made by Mrs. E. H. Jessup.

A recreation period was conducted by Mrs. A. C. Garner after lunch.

Miss Watson gave a talk and demonstration on food buying and lower cost meal preparation by using wise selections. She stressed vitamins in the preparation of foods.

Miss Watson assisted the group in planning for participation in exhibits at the stock show to be in Fort Stockton on October 8-10. Members present were: Mmes. John W. Byrd, Jack Hardgrave, E. F. Pierson, C. F. Cox, A. J. Bess, J. Garner, A. C. Garner, K. T. Melugin, E. H. Jessup, John Carothers, N. M. Mitchell, and the hostesses. Visitors were Miss Watson and Miss Eva Carruthers and Mmes. John W. Carruthers Jr. and Leola Hill.

John W. Carruthers Jr. and Leola Hill.

Phone Your News To The Times

Glynn Chandler, Carlene Werneking Married Monday

Miss Carlene Werneking and Glynn Chandler were united in marriage in the Church of Christ in Fort Stockton Monday afternoon with John McClish, minister, officiating and using the single-ring ceremony.

The bride wore a grey shantung suit and hat with matching bag and shoes and her shoulder corsage was of white orchids.

Miss Peggie Cooke and W. J. Vaughn attended the couple.

After a short wedding trip, the couple will be at home on the Chandler ranch.

The bride is the daughter of Mr. and Mrs. Carl Werneking. She has recently returned to Sanderson after attending the Pasadena Playhouse in Pasadena, Calif., for two years, also studying under a private coach for several months. She is a '56 graduate of the Sanderson High School.

Mr. Chandler, son of Mr. and Mrs. Clarence Chandler, graduated from the Sanderson High School in 1953 and received his degree from A&M College in '57. He was commissioned a second lieutenant and served six months at Fort Sill, Okla., later being placed in the Army Reserve.

Called Meeting For Study Club

Mrs. Carlton Smith, president of the Evening Study Club, called a meeting of the club members in her home Friday evening to make plans for the year's programs. "Vacation Spots" was chosen as the theme for the programs.

Those present were Mmes. Novis McElroy, Newt Harper, J. R. Hodgkins, A. J. Riess, M. F. Bader, Roy Deaton, W. H. Gold wire. The hostess served coffee, tea and cookies.

Office supplies at The Times.

Wednesday Club Has First Meeting In Brown Home

The Wednesday Bridge Club had their first meeting of the current year at the home of Mrs. Herbert Brown. Luncheon was served at 1 o'clock to the members and guests. Floral arrangements were summer flowers from Mrs. Brown's garden.

Luncheon guests were Mmes. A. D. Brown, Gene Richardson, Jack Turner, Reg Monroe.

Other guests included Mmes. Bustin Canon, James Kerr, John Reininger, W. W. Sudduth, W. R. Lumberg, John T. Williams, F. M. Wood Jr., Jack Riggs, J. A. Gilbreath, Austin Nance, Worth Evans of Fort Davis.

Mrs. Riggs won high and Mrs. Wood was second high and the two ladies also won slam prizes.

T.S.T.A. Honors New Teachers

The members of the Terrell County Teachers Association entertained with a continental breakfast at 8 o'clock Monday morning in the home making department of the Sanderson High School to honor the new members of the faculty.

Mrs. M. F. Bader presided at the coffee service and Mrs. Clarence Jessup, past president of the organization, served the orange juice.

Other guests were A. H. Zuberbuehler, school tax assessor and collector, Mrs. Novis McElroy school secretary, Mrs. Bader and the seven members of the school board: Herbert Brown, Dudley Harrison, Jack Hargrave, F. M. Wood, Jr., J. T. Williams, W. G. Downie and H. G. Cates.

Romo-Florez Troth Is Told

Mr. and Mrs. Feliciano S. Romo of Lubbock, formerly of Sanderson, are announcing the engagement of their daughter, Gregoria Joy, to Jesus R. Florez, son of Mr. and Mrs. Valentin Florez of Lubbock.

No date has been set for the wedding.

O.E.S. Picnic Honors Masons

To observe the birthday of the founder of the Order of Eastern Star, Rob Morris, the members of the local chapter invited their families and Masons and their families to a picnic Saturday evening.

A large crowd attended the picnic which was on the courthouse lawn.

Mrs. Ben Causey and Joe were Sunday visitors in Odessa with her parents, Mr. and Mrs. J. E. Healy.

Mr. and Mrs. Sam Harrell have returned home from El Paso where he received medical treatment for a week.

Mrs. Hollis Haley and daughter, Vicki, of Sheffield and her

daughter, Mrs. Sandra Beaver, of Kermit were week-end visitors here with Mrs. Haley's mother Mrs. Lizzie Billings, and her sister, Miss Eva Billings.

Mr. and Mrs. Virgil Musick and daughters, Anita and Linda returned to their home in Abilene Monday after a week-end visit here with her brother-in-law and sister, Mr. and Mrs. M. W. Duncan.

Guests in the home of Mr. and Mrs. W. V. Munson for two days last week were his brother-in-law and sister, Mr. and Mrs. John Wehmyer, and children, Ted and Ann.

Miss Gloria Gutierrez went to Odessa Monday to enroll in a beauty technician's school. She is the daughter of Mr. and Mrs. Matias Gutierrez.

Miss Vannah Jo Nance went to Midland Tuesday on business.

Guests on the Bendele ranch this week are her mother's brother, Howard Grant, and her two sisters, Mrs. Virginia Haller and Mrs. Ethel Blaine, all of Devine.

Mr. and Mrs. W. G. Riley of Hondo were here last week to visit with his mother, Mrs. Elma Riley, and his brother-in-law and sister, Mr. and Mrs. Alfred Bendele, and return their son, Grant who had visited here for several weeks.

Mr. and Mrs. Don Anderson and children made a business trip to San Antonio last week and visited with relatives in Knippa and Uvalde en route home.

Mr. and Mrs. J. T. Williams attended the Wool Fiesta events in San Angelo last week.

Ramsey Melugin, who has been employed at Iraan, has returned home for a few weeks before going back to A&M College for his sophomore year.

Mrs. Gene Richardson returned home Saturday afternoon after having been hospitalized in a Fort Stockton hospital for several days last week.

Mr. and Mrs. G. A. Hibbert of Rock Island, Illinois, arrived on Monday for a visit with their son Billy C. Hibbert, and family. Their granddaughter, Stephanie Hibbert, who had been visiting

FRIDAY, SEPTEMBER 4, 1959

THE SANDERSON TIMES

will, them for several weeks, accompanied them home.

Mr. and Mrs. C. C. Mitchell visited in San Antonio last week with his mother, Mrs. Mary E. Mitchell.

J. B. Fruett was taken by ambulance to an Alpine hospital on Wednesday for medical examination and treatment after he became ill while here with his daughter, Mrs. C. P. Peavy.

Nelda Kay Sudduth has been undergoing medical treatment in a San Angelo hospital for a week. Mr. Sudduth, who had been with her and Mrs. Sudduth returned home Tuesday night.

Mrs. H. C. Goldwire, who has been receiving treatment in a San Angelo hospital for a rheumatic condition, has shown little improvement but has gone to Christoval to the home of her sister, Mrs. G. J. McBee.

Guests of Mrs. Chester Smith and Don Smith last week were her niece, Mrs. James Stewart with their son, James Jr., of Las Vegas, Nevada, and nephew and niece, Gary Fowler, of Los Angeles, Calif., and Mary Zoe Ed-

mondson of Las Vegas, Nevada. They had been visiting with the Stewart's daughter and family in Mexico City.

Visitors in Odessa Saturday were Mrs. Harvey Rogers and

children, her mother, Mrs. Morton Barnett, of Marfa and her grandmother, Mrs. C. G. Carmack of Marfa. Mrs. Carmack will visit with relatives there for several months.

your electric co-op turned night into day
 HOME OWNED. HOME OPERATED. TAX PAYING

The poles are set, the lines are strung, bright lights have replaced the kerosene lamp, and the Electric Cooperatives have literally turned night into day in the rural areas.

But the electrical loads first delivered to the rural community by the Electric Cooperatives are increasing by the day. An improved community and more and varied uses for electric power mean more lines . . . and greater service facilities. So the job ahead of the Electric Cooperatives of Texas is a big one. That is why the cooperatives must not be deprived of the areas they served first . . . must not be driven out of the areas they helped to develop. All they ask is that they be given equal rights where they now serve.

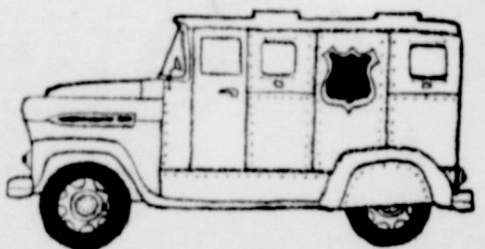

Rio Grande Electric Cooperative, Inc.

Enroll Your Child In THE MUSICAL KINDERGARTEN
 under the supervision of **Mary Nell Hinkle**
Fall Semester Begins Wed. Sept. 9

IF YOU LIKE MONEY, YOU'LL LIKE BUYING A CHEVY NOW!

IT'S BEST-BUY SEASON ON NEW CHEVROLETS RIGHT NOW . . . AND YOU'LL NEVER DO BETTER BY YOUR DOLLARS Stop by your Chevrolet dealer's and see the season's most wonderful money's worth. Better make it soon!

IF YOU LIKE GETTING YOUR MONEY'S WORTH, YOU'LL LIKE CHEVY'S 7 BIG BESTS!

BEST BRAKES . . . STOP ON A DIME AND GIVE YOU MORE STOPS PER DOLLAR They're bigger too. With 'em, Chevy out-stopped all competitors in its field in a NASCAR* conducted test of repeated stops from highway speeds.

BEST STYLE . . . BEAUTY THAT DOESN'T DEMAND A BIG BANK ROLL The experts at POPULAR SCIENCE magazine looked them all over

and said that ". . . in its price class, Chevy establishes a new high in daring styling." Chevy's leadership in sales for '59 says a lot for its looks too!

BEST RIDE . . . CARRIES YOU AS CAREFULLY AS IT PAMPERS YOUR DOLLARS "The smoothest, most quiet, softest riding car in its price class." That's the way MOTOR TREND magazine describes Chevrolet's cream-smooth ride. It's way more fun to sample than to read about though. Get out in a Chevy and see what Full Coil springs do.

BEST ENGINE . . . YOU COULD SPEND JARFULS OF JACK AND NOT GET A V8 LIKE CHEVY'S Talking about our standard as well as Corvette V8's, SPORTS CARS ILLUSTRATED says, "Indeed, this device is

surely the most wonderfully responsive engine available today at any price."

BEST ROOM . . . NO CRAMPED QUARTERS Let's take the official figures filed with the Automobile Manufacturers Association. They show Chevrolet's front seat hip room up to 5.9 inches wider than in comparable cars. Count on real comfort.

BEST TRADE-IN . . . YOU GET MORE DOLLARS BACK FOR YOUR CHEVY Last year, for example, Chevrolet used car prices averaged up to \$128 higher than comparable models of other makes. Just check the NADA* Guide Book.

BEST ECONOMY . . . SOCK AWAY YOUR CHEVY SAVINGS As sure as two Chevys Sixes won their class in this year's Mobilgas Economy Run, getting the best mileage of any full-size car!

Sure... I'm glad you called

AWKWARD TIME FOR THE PHONE TO RING, we'll agree. But there's absolutely no sense having to run downstairs to answer.  Highway 90 SANDERSON, TEXAS

Milton Messimer, Jr., Has Orthopedic Surgery

Milton Messimer, Jr., underwent orthopedic surgery last week in a Fort Stockton hospital where he has been receiving treatment after sustaining serious injuries in a two-car accident east of town several weeks ago. He is the grandson of Mrs. Roy Barksdale of Dryden.

It is understood that the driver of the other car involved in the accident has been taken to Houston for treatment of a badly mangled leg. His wife and son who received only minor injuries, were dismissed from the Fort Stockton hospital.

James W. Smith Gets Degree

James W. Smith, son of Mr. and Mrs. Sidney Smith of Pumpville, received his Bachelor of Science Degree in geology from the University of Texas Aug. 20. Mr. Smith, a 1949 graduate of Del Rio High School, attended

Sul Ross College in Alpine. After completing a tour of duty in the U.S. Navy, he married Miss Shirley LaHay of Vancouver, B. C., Canada, and resided here for several months. They have two sons and are now residing in Del Rio.

Pat Meeks Enters Nursing School

Mr. and Mrs. N. W. Carroll received word recently that Pat Meeks had been accepted as a student at the Shaanon School of Nursing in San Angelo.

Miss Meeks was a May graduate of the Sanderson High School and attended school here for several years while making her home with Mr. and Mrs. Carroll and family.

Mr. and Mrs. O. H. McAdams of Round Rock, former residents who have been visiting with their daughter, Mrs. Frank Clay Warren, and Mr. Warren, visited here with friends Tuesday.

THANKS AND HELP!

The members of the Legion Auxiliary have appreciated the generous response of local residents to the call for clothing to help a needy family consisting of a mother and ten children, deserted by the husband and father.

More clothing is needed for all of the children except the 12 year-old girl, especially for four school-age boys, 6, 7, 9 and 10. The ages of the other children are 2 months, 1, 2, 4, 5. There is a box at The Times office and any outgrown or discarded clothing that may be contributed will be appreciated. The Child Welfare Committee

Outing For Birthday Party

Mr. and Mrs. Harvey Rogers took a group of children on an outing Saturday evening to celebrate the tenth birthday of their daughter Vickie Lynn. Mrs. E. E. Farley accompanied the group. They roasted weiners to serve with other items including the birthday cake and punch.

Those present were Mike Robbins, Eddie Wallace, Linda Lou Wein, Kay Hatchell, Beverly Farley, Clement Ann Earwood, Nikki Northcut, Laura Lee Allen, Patricia Dishman, Vickie and Sandra and Condie Rogers.

Personals . . .

Mr. and Mrs. Bob Peacock and children spent the week-end in Midland after taking her sister Miss Lana Arnold, who had spent the summer here, to go by plane from that city to Pueblo, Colo., where she will visit her brother before returning to her home in New Canaan, Conn. She plans to attend Kathrine Gibbs Secretarial School in New York City.
