Austin -- In previous presidential nominating years, Texas Democrats have had their hands full with in-the-family fights. Who would control the Texas delegation to the national convention was often a hotter question than how the entire national convention would go. But this year the focus is wider. Many Texas Democrats hope and believe that Texas Senator Lyndon Johnson will be not only a front runner but the winner of the party presidential nomination. This makes Texas' strength in proportion to other states and the number of states going "with" Texas a matter of greatest concern. In this respect, Texas won a sugar-coated defeat at the National Executive Committee meeting. Rules were changed so that Texas now gets 61 delegate votes out of a total of 1,511 instead of 56 out of a total of 1,372 under the old formula. Five extra votes sounds good but acutal effect is to change the Texas share of the total from approximately 43 per cent to 41 per cent. GP Fires Round Texas Republicans, too, are stirring themselves for the election year ahead. Legislative committee of the

Galaxy Of Entertainment Stars To Appear At 1959 State Fair

Dallas -- Many of the brightest stars of the entertainment world will be presented by the 1959 State Fair of Texas, Oct. 9-25. And many of the big shows in which they will appear are free.

In its annual "bigtime" attraction, the State Fair Music Hall will spotlight the famous singing McGuire Sisters in a fabulous musical revue, "Star Light! Star Bright!" which also features the comedy team of Rowan and Martin.

And the incomparable Lee Capades returns to the Fair with a new cast of internationally renowned skating stars in an entirely new show hailed as the "best yet."

The Fair's 1959 "Shower of Stars," all free, will headline the following list of performers: Perez Prado, "king of the Mambo," on Monday, Oct. 12; Mitch Miller, renowned recording personality, with the Fair's Music Festival Tuesday, Oct. 13.

Red Foley, the western music favorite of millions on TV, Thursday, Oct. 15; Steve McQueen, the TV hero of "Wanted -- Dead or Alive," Friday, Oct. 16; Sam Cooke, blues and ballad singer, Monday, Oct. 19.

Herb Shriner, the Hoosier humorist, with Johnny Puleo and his Harmonica Gang, Tuesday, Oct. 20, and the bands of Woody Herman and Chris Barber in a Jazz Festival Wednesday, Oct. 21.

In addition, there will be daily free shows twice daily on the Mobil Stage by the daredevil circus aerialists, Les Kimaris, and the Ebony Brothers, and by Bobo the clown. And Hank Thompson and his Brazos Valley Boys, one of the top western music bands, will entertain daily, Oct. 10-19.

Texas Republicans will probably hear more calls to battle when GOP National Chairman Thurston B. Morton makes a seven-city swing through Texas in November. His theme is to be "Recruit for '60". No Bonds, No Boats Highway Department has seaway as well as roadway problems.

Current difficulty involves the state-operated ferry between Galveston Island and Bolivar Peninsula. Owners of submerged land crossed by the ferries obtained a court order requiring the ferry operators to have personal liability bonds against possible damage to their property. Highway Department said that neither the state nor the ferry-men were able to pay for the bonds.

It looked as if the ferries, that carry some 95,000 autos a month would have to shut down. However, the landowners bringing

suit agreed to a stay of enforcement on the court order until Sept. 28 to give time for something to work out.

Mr. and Mrs. W. W. Sudduth visited in Lubbock last week-end with their daughter, Miss Barbara Sudduth, who is a freshman at Texas Tech College.

NOW... '60 CHEVROLET TRUCKS WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!

Chevy's done the next best thing to paving every road in America! First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it—a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time. Brawnier bulldozer build! Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal. More comfortable cabs! Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort! Big in the power department! With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s. More models than ever! New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride! Anything less is an old-fashioned truck!

Mrs. W. E. Hill Leads Program For Presbyterians

The Presbyterian Women of the Church met last Monday afternoon in the Fellowship Hall after Mrs. C. C. Mitchell, president, had called the meeting to order. She gave the devotional "They Who Follow the Holy Spirit" which was written by a woman from the Belgian Congo and published in the Presbyterian Woman.

Mrs. Leola Hill led in prayer after the hymn "Pass Me Not" had been sung.

An announcement was made of the plans for Rally Day on Sunday, September 27. Mrs. E. H. Hanson, chairman of the world mission project, asked the members to give their used clothing at the church by October 16th, at which time she will send the box for world mission project.

To open the circle meeting which followed the executive meeting, Mrs. John W. Hill led the prayer, the hymn "Leadeth Me" was sung and the Lord's Prayer recited in unison. Mrs. W. E. Hill led the program titled "Victorious Suffering" based on I Peter 3:13-32. The Mizpah Benediction was recited in closing.

Week of Prayer Observed By Baptist W.M.U.

The members of the Baptist W.M.U. observed the annual Mary Hill Davis Week of Prayer for state missions when they met at the church Monday and Tuesday afternoons.

Mrs. O. D. Gray introduced the programs titled "More Like the Master" and Mrs. A. D. Brown was in charge of the meditation periods. Hymns were sung at both services and there were special periods of prayer for state mission projects for which special offerings were taken.

Bridge-Luncheon In Canon Home For Wednesday Club

Mrs. Bustin Canon was hostess for the meeting of the Wednesday Bridge Club in her home last week.

Zinnias and other summer flowers decorated the party rooms where luncheon was served to 12 members and guests at 1 o'clock, also three luncheon guests: Mmes. A. D. Brown, Gene Richardson and Weldon Cox.

In the card games which followed, Mrs. E. J. Hanson was high and Mrs. Herbert Brown was second high.

Also present were Mmes. J. T. Williams, James Kerr, Jack Riggs, John Reininger, S. L. Stumberg, R. S. Wilkinson, Austin Nance, Edward Kerr and O. T. Sudduth.

All members, adult leaders and prospective members are urged to attend this meeting when Mr. Siegmund of Fort Stockton will be present.

Lions Host Teachers At Feed Thursday

The Sanderson Lions Club members were hosts at a picnic last Thursday night honoring the members of the local faculty.

Families of the Lions and faculty members were invited guests.

After the supper of barbecued chicken, beans, potato salad cake and iced tea, Lion President Carlton Smith gave a welcome speech for the teachers and they were introduced by Supt. Matt Bader.

There were about 100 present at the affair which was on the courthouse lawn.

Informal conversation furnished diversion for those present.

B. of R.T. Auxiliary Meets

The Auxiliary to the Brotherhood of Railroad Trainmen met on Monday afternoon of last week in the home of Mrs. Irvin Robbins with five other members present including Mmes. A. C. Garner, H. E. Ezelle, Ed Robbins, Dick Sullivan and F. G. Grigsby.

Mrs. Robbins served pie and coffee after adjournment.

Carmen Castillo, Pres Escamilla Engagement Told

Mr and Mrs. Pedro Castillo announce the engagement of their daughter, Maria Carmen, to Pres Escamilla, son of Mr. and Mrs. Alejandro Escamilla.

Young Escamilla holds the rank of Specialist Fourth-Class in the U.S. Army and recently returned home after a tour of duty in Korea.

Both of the young people are graduates of the Sanderson High School and have lived in Sanderson almost all their lives.

No definite date has been set for the wedding.

Mrs. A. J. Hahn, Jr., '51 Club Hostess

Mrs. A. J. Hahn, Jr., entertained the '51 Bridge Club Wednesday afternoon, decorating the living room with yellow roses and pink regina coronas.

High score prize went to Mrs. H. E. Fletcher, second high to Mrs. Vic Littleton with Mrs. J. A. Gilbreath and Mrs. E. J. Hanson holding the slam prizes.

Also present were Mmes. M. F. Bader, Winnie Magill, Herbert Brown, M. W. Duncan, O. T. Sudduth, J. O. Little, Carlton Smith and A. J. Riess.

Mrs. George Adams Feted at Shower

Mrs. George Adams of Dryden, a recent bride, was named honoree for a miscellaneous shower Monday afternoon in the home of Mrs. Var Young. Assisting hostesses were Mrs. Alice Ross of Dryden and Mrs. Henry Mansfield.

After the honoree had opened the gifts, they were displayed on the table which was covered in a white hand-crocheted cloth and centered with an arrangement of white mums.

Cake squares, coffee, tea, mints and salted nuts were served.

Mrs. H. E. Fletcher Hostess Thursday For Bridge Club

The Thursday Bridge Club and additional guests were entertained in the home of Mrs. H. E. Fletcher last week.

Those present were Mmes. M. W. Duncan, G. E. Babb, Vic Littleton, Roger Rose, John Reininger, Mary Lou Kellar, Austin Nance, S. H. Underwood, J. A. Gilbreath, M. F. Bader, C. H. Stavley and Virgil Franks.

Mrs. Rose held high score Mrs. Nance was second high and both also held the slam prizes Mrs. Bader was low.

The hostess served cherry tarts and coffee.

Bonhomie Club Has Weiner Roast

The members of the Bonhomie Club invited their husbands and several guests to a weiner roast Monday evening at the home of Mr. and Mrs. H. P. Boyd.

The big change is to an **ELECTRIC** range

...because it's **COOLER**

Electric range owners will tell you that electric cooking is by far the coolest way to cook. Electric range surface units transfer heat to utensil bottoms by direct contact, so little or no heat escapes up the sides to raise kitchen temperatures. And because the flameless electric oven requires no oxygen to operate, there is no constant rush of hot air through the oven and into your kitchen. Right now is the time to change to a cool cooking electric range. See your local electric appliance dealer soon.

Why we built two cars for 1960... as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. ■ One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. ■ The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. ■ We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two kinds of cars? Because America itself has been going through some big changes in the past few years. Our cities have been straining at their seams. Traffic is jam-packed. Parking space is at a premium.

And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage.

In short, America's automobile needs have become so complex that no one kind of car can satisfy them completely. That is why we at Chevrolet, keeping tab on these trends, have had a revolutionary compact car in the planning stages for more than nine years.

Thus, when we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create only a sawed-off version of a conventional car.

That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new feeling of sumptuousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrift, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made.

The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a six-passenger compact car, with a really remarkable performance... a car designed specifically to American standards of comfort, to American traffic needs.

The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But to be placed in the rear, the engine had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and air cooled; it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it is only three cylinders long... and that leaves a lot more room for passengers.

Another weight saving: like modern airplanes, the Corvair has no frame; the body-shell supplies it great structural strength... it's a welded unit that is virtually rattle-free.

The ride is fantastic. But to get it we had to design independent suspension at every wheel; conventional springing would give a compact car a choppy ride. Right now we'll make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully.

Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice.

If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's... take them out for a drive. It may be that the only logical choice for your family between two cars like this is—both. They make a perfect pair.

Continued from Page 1-gritty creek water coffee made in a rusty gallon bucket - and think it is good.

An American will work hard on a farm so he can move into town where he can make more money so he can move back to the farm.

When an American is in his office he talks about baseball, football or fishing - when he is out at the games or on the creek bank, he talks about business.

He is the only fellow in the world who will pay 50 cents to park his car while he eats a 25 cent sandwich.

An American likes to cuss his government but gets fighting mad when a foreigner does it.

We're the country that has more food to eat than any other country in the world and more diets to keep us from eating it. We're the most ambitious people on earth, and we run from morning until night trying to keep our earning power up with our yearning power.

We're supposed to be the most civilized, Christian nation on earth but still can't deliver payrolls without an armored car.

In America we have more experts on marriage than in any other country in the world - and more divorcees.

But we're still pretty nice folks. Calling a person a "real" American is the best compliment we can pay him. Most of the world is itching for what we have - but they'll never have it until they start saratchng for it the way we did.

ployed. It found work for 1,035,301 persons. More than 18 per cent of the placements were persons over 45, and 26,437 were handicapped persons.

Texas' job placement total for the handicapped is the second largest figure for any state in the nation, and it has had above average success in placing older workers. Only 16 percent of the job seekers were over 45, but 18 per cent of those placed were in this bracket.

He Made Comeback Bob Wilcox, a meter reader who suffered a 33,000-volt electric shock and now holds a job with the Community Public Service Co. in Clifton, is "Texas Handicapped Persons of the Year."

Wilcox was honored in Austin at the annual meeting of the Texas Governor's Committee on Employment of the Handicapped. Also cited were Lone Star Plastics Co., Inc. of Fort Worth and Southwestern Industrial Electronics Co. of Houston for their help in the hire-the-handicapped program.

On With the Show Texas' highway building program can keep moving ahead said State Highway Engineer De Witt Greer, since federal enactment of a one-cent hike in the gasoline tax promises more funds.

Greer said the expected funds would enable Texas to move at about 75 percent its present speed. This will be most helpful, he said, "to keep us on an even keel."

Meanwhile the Highway Department went about its mammoth business. Low bids totaling

\$18,045,080 were tabulated by the Department on road and bridge-building projects put up for bids this month.

Big Year for TEC Texas Employment Commission paid out a record high of \$68,956,333 in unemployment benefits in the fiscal year just ended.

But TEC also reported a record year finding jobs for the unemployed. An Austin district court has upheld the constitutionality of a law which authorizes the Board of Insurance to decide whether insurance company management is competent, fit and worthy of public trust.

Mr. and Mrs. Carl Jordan of Dallas, formerly associated with the Gr-at United Life Insurance Co., brought the suit to test the 1955 law.

Since constitutionality of a law is involved, the case may be appealed directly to the State Supreme Court. Gas Tax Test Ahead Another court test is ahead after natural gas pipeline companies make their first payments under the new severance beneficiary tax passed by the Legislature.

TELEPHONE TALK by Richard Turner, Manager It seems that many of you folks in Sanderson do not know that you can pay your telephone bills there in Sanderson without having to mail them in to Alpine - and you save 1c postage, too. The Sanderson Times and J. A. Gilbreath are the Business Office and Pay Agent in Sanderson and you can pay your bills there. They have been our Pay Agent since the Sanderson system was converted to dial in December of 1958.

PICK THE ROOM - THEN THE COLOR The other day, I was reading over a study made by the telephone company which showed that the kitchen and bedroom were the most popular locations for extension telephones. It doesn't surprise me because a good number of our customers here in Sanderson have ordered telephones for those particular rooms in their homes. But perhaps you'd like additional phones in other rooms - a workshop, maybe, or the family room. All you have to do is pick a room where you want an extension, and then call the business office. We'll be happy to help you select the color that fits the room and within a few days you'll have a color extension to brighten your home and help you get more out of life.

THE OLD "COLLEGE TRY" In the coming months, Saturday afternoons on college campuses will mean lively football games with teams giving it the old "college try." But Sunday afternoon - minus the excitement of the weekend touchdown - can be lonely for sons or daughters away at college. There's an easy remedy for this, however, just ask them to give you the old "college try" at remembering to call you every other Saturday. Who knows? They may even surprise you some Sunday by calling for the call themselves with the dollar or two they've saved from a chance or an extra job they've picked up at college. Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY
