The public is reminded that reserved parking lanes for cars at the football field are being sold this week at the school superintendent's office for \$1.00 per car for each game or for \$5.00 for the season. This is in addition to the general admission charge for each person. All tickets are be-

#### Service-Connected Disabilities for Some

To Be Raised A new law providing additional compensation to veterans with severe service-connected disabilities who have more than three children has been signed by Pres-

ident Eisenhower. The prior law did not authorize payment for more than three

children. The additional compensation will range from \$12 monthly for each child after the first three where the veteran's service-connected disability is evaluated at 100 per cent down to \$6.00 monthly where the veteran's disability is evaluated at 50 per cent. Between the two extremes proportionate amounts will be payable

for percentages of disability. Where disability was due to peacetime service, the rates would be eighty per cent of the amount

payable for wartime disabaility. Up until now, a veteran with a service-connected disability of 50 per cent or greater could get additional compensation payments for a wife, dependent parents and a child, up to a total of three children. The new law, PL 86-499, adds the above payments for ad-

ditional children. Veterans with less than 50 per cent of rated disability receive no additional compensation for

wife, parents or children. The term "children" includes all sons and daughters, real or legally adopted, under age 18-and unmarried. Children who become incapable of self-support through mental or physical causes before reaching the age of 18 will stiff be considered children under provisions of this law until they marry, J. Norman Lodge, manager of the VA regional office in San Antonio, Texas, said.

Last week the potential revenue from taxes to the county was erroneously reported. The figure should have been \$53,934.53. We moved the decimal in setting the type and caused a \$500,000.00 er-

Wilson has check the law book and ascertained from the Texas Game and Fish Commission that the following rules will govern deer hunters west of the Pecos

River this year: The season will run Dec. 1-8 both days inclusive. There will be a bag limit of two deer and will permit not more than one blacktail buck. Two whitetail bucks, or one whitetail and one

blacktail may be killed. The law also permits the shooting of bucks with one hardened antler protruding through the skin, or as is commonly referred to as a spike deer.

Antlerless deer or doe deer shooting will be by special permits only, according to Wilson who stated that he was relatively certain that no such permits would be issued locally.

This, the only change from the law of last year, will be the legal killing of spike buck deer in the legal combination for bag limit. Dove season, which opened on

September 1, now permits the daily bag limit of 15 doves and a possession limit of 30 doves. This is the mourning dove variety. Special hunting days and dove, few, if any, of which are in this area.

Wilson stated that there was little prospect for successful dove shooting in this area, due to recent rains which permit the birds to water at outlying places

in the pastures. It has also been noted that dove are still nesting.

great-grandchildren.

A new concept in artificial limbs for below-knee amputees has been conditionally approved by the Veterans Administration after three years of testing and

improvement. The new light-weight prosthesis was developed under sponsorship of the VA with the cooperation of the artificial limb industry, William Harrell, chief of prosthesis in the San Antonio VA regional office said.

It presents a radical change in both fitting and manufacture, as compared with most below-knee artificial limbs, he added. The thigh corset and steel knee joints, previously considered nec-

essary for support, are eliminated, as the amputee regains reliance upon his own knee control. The limb is suspended by a small leather cuff or hand buckled just above the knee. The prosthesis may be made almost entirely of a plastic known as polyester-laminate, easily fabricated

in the desired density and strength. It provides the amputee with normal unrestricted knee action. more precise fitting, and weighs

as much as two pounds lighter than the typical prosthesis. Mr. Harrell cautioned that prescription of the limb will remain on a limited selective basis until the techniques have been further proved. VA clinics must refer all requests for such legs to the director of the prosthetic and sensory aid service in Washington

In a candlelight ceremony Saturday evening in the First Baptist Church, Miss Diana Duke and Frank Sitley Steelman were united in marriage. Rev. Irl Richardson, pastor, directed the exchange of vows using the doublering ceremony.

A color scheme of emerald and white was noted in the decorations. Sumac boughs outlined the arch at the altar and also decorated the lattice arranged to each side in front. A large wicker planter filled with gladiolus, asters, carnations, mums, fern, and caladium leaves with trailing vines of white regina corona vine and ivy, flanked by white candelabra and white tapers, was in the background of the altar space. Hurricane lights provided illumination for the entrance to the church, decorated in rubber plants growing in white urns.

GOD'S WAY OF SAVING SINNERS

1. It is not Man's Work for God, but God's Work for Man. It is the simple truth that it is not possible for you to be saved BY WHAT you DO for God. Good deeds can never purchase pardon. "NOT BY WORKS of rightesousness which we have done, but according to HIS MERCY He saved us." (Titus 3:5) 'ALL our righteousnesses are AS filthy rags." (Isaiah 64:6) "NOT OF WORKS, lest any man should boast." (Eph. 2:9) "To him THAT WORKS NOT" (Rom. 4:4-5) "Saved us NOT AC-CORDING to OUR WORKS" (2 Tim. 1:9) (Rom. 3:28).

2. It is not a New Leaf, but a New Life. God's salvation is deeper than mere reformation. It's an absolutely New Nature. (John 3: 3-7) It's not washing of the hands; it's the Gift of a New Heart. (Acts 16:14) (2 Cor. 5:17) "A New Creation" "Partakers of the Divine Nature" (2 Peter 1:4) (Eph. 2:3) (I John 5:12)

3. It is not Churchianity, But Christianity. The N.T. Church is a divinely appointed institution, founded by Jesus Christ while on earth, but salvation is NOT BY the church. To mistake church privileges and duties for the Door to eternal life is a serious heresy. Many a person has been saved IN church but NOT BY the church or its ordinances. It's Christ and Christ ALONE that can save us. "Neither is there salvation IN ANY OTHER: For there is NONE OTHER NAME under heaven given among men. WHEREBY we must be saved" (Acts 4:12) You must have a PERSONAL, INDIVIDUAL ACTUAL TRANSACTION with the risen Son of God. (Eph. 5:23; Heb. 7:25)

4. It is not BY WATER, but BY CHRIST'S BLOOD, Baptism in water is a divinely given ordinance to mark the Christian's inseparable UNION with Christ in His death and resurrection. It can never BE A MEANS of salvation. No soul can BE CLEANSED by water. SIN can only BE CLEANSED by Christ's BLOOD. (Heb. 9:22) "IN WHOM we have REDEMPTION, through HIS BLOOD, the forgiveness of sins." (Eph. 1:7) "You were not redeemed with CORRUPTABLE THINGS, such as silver and gold . . . but WITH the PRECIOUS BLOOD of Christ." (I Peter 1:18-19) Every Christian OUGHT to be baptisted, but not UNTIL he has been GENUINELY CONVERTED by faith in Christ. Baptism is A TESTIMONY to the believer's own heart, to the church and to the world that his FAITH and TRUST are IN the FINISHED WORK of Christ on the Cross. Baptism is A SYMBOL, A PICTURE STORY, A FIGURE of THAT CHANGE which has ALREADY taken place in the Christian's life. "WHAT hinders me to be baptised? If thou BELIEVEST WITH ALL THINE HEART, thou MAYEST" (Acts 8:36-37) "Can any forbid that these should not be baptized SEEING that they have RE-CEIVED the Holy Spirit the SAME AS WE?" (Acts 10:43-47).

5. It is not FEELING, but FACT. Saved on the simple basis of taking God at His Word. God OFFERS to sinners ALL the BEN-EFITS of His INCOMPARABLE SALVATION on the ONE CONDITION that we BELIEVE IN His Son AS a PERSONAL Savior. (John 3:16; Rom. 3:24; Gal. 2:20) "AS MANY as RECEIV-ED Him, to them GAVE He POWER TO BECOME the sons of God, even TO THEM that BELIEVE ON His Name." (John 1:12).

6. It is NOT TRYING, but TRUSTING IN Jesus Christ. One does not BECOME a Christian BY TRYING. We are saved BY TRUSTING IN Jesus Christ as a PERSONAL Savior. If salvation were BY TRYING no one ever would be saved. "The GIFT of God IS ETERNAL LIFE through Jesus Christ, our Lord." (Rom. 6:23) "According to HIS MERCY He saved us" (Titus 3:5) "For BY GRACE are you saved THRUGH FAITH . . . not of WORKS." (Eph. 2:8-9) "WHO His own self BARE OUR SINS IN His own body on the tree, that WE, being dead to sins, should LIVE unto righteousness." (I Peter 2:24) "Repentance toward God, and FAITH IN our Lord Jesus Christ." (Acts 20:21) "He that BELIEVES ON the Son of God HAS everlasting life." (John

7. It is not Head Knowledge, but Heart Belief. You don't believe IN Christ like you believe IN Julius Casear or George Washington. There are THREE ELEMENTS in SAVING FAITH: 1. Knowledge of Christ. 2. Confidence in Christ. 3. Comimttal to Christ. The first two are sometimes MISTAKEN for saving faith. TO BELIEVE IN or ON Jesus Christ means to RECEIVE Christ by faith, reach out and take Him as Savior; to TRUST Jesus Christ with our past, present and future destiny; to ACCEPT Jesus Christ as God's Sin Offering for our sins; to TURN from following your own will and way to following Christ's Will for your life; to RELY, to DEPEND upon Jesus Christ for every need. TO BELIEVE ON the Lord Jesus Christ means to THROW your entire weight upon Him. To have Him as your very own. "I KNOW IN WHOM I have BELIEVED and I am PERSUADED that HE IS ABLE TO KEEP THAT which I HAVE COMMITTED UNTO Him against THAT DAY" (2 Tim. 1:12)

Do you WANT to be saved from your sins according to God's Way of saving sinners? May we HELP YOU to BECOME a Bible Christian?
