SANDERSON, TEXAS, FRIDAY, SEPTEMBER 16, 1960

NUMBER 32

LISTEN TO LUKE

This week The Times has another bit of information in answer to the questions this column printed concerning the proposed swimming pool bond issue. Those questions and answers are printed for the information and consideration of the voters.

We also are printing the content of a letter sent us by one of our readers on this question.

We are glad to print these two items and will print others received, but entirely dependent upon space available.

The letter from Mrs. Jones goes along with our idea expressed long before there was a petition presented — that we would be glad to have a swimming pool and many other conveniences and facilities, but we think, like the other first things should come first.

It is a matter of opinions as to who thinks what is the most important.

The Commissioners' Court of Terrell County has long been noted for their conservatism — and one might even say they are "right" with money. But it is the money of the taxpayers that they are conserving and thus they are directly responsible for the lower tax rates that the property owners in this county enjoy. We can think of many towns and counties that have many more facilities and advantages than we do, but we can also look at their tax rate and evaluations and see why.

If you are going to dance you have to pay the piper.

There are several things that could be added to the list of advantages for young people in Sanderson that would not cost anything close to \$50,000.00. The summer just past had no Little League program and school has begun and there is not, as far as we know, any movement under way to organize a Boy Scout program.

The Girl Scout program here is under way and the ladies are doing a fine job with the little girls and the people of the town are doing a good job in their support of the effort.

Leaders are all that is needed for the boys. These programs are moral and citizenship building in boys and our experiences with the Scouting program as a father and as parent leave us with high regard for the program and its entirety. The advantages of a program to the young boy are everlasting, costs little more in time and effort, and the results are overwhelmingly good, in our opinion.

If the parents are interested, the children will be interested. We are not suggesting that a Scout Troop or a Little League program takes the place of a swimming pool, we are only suggesting some needed things, in our opinion.

We have information of the completion of a good gas production well on the Turk ranch by Shell Oil Co. And also news of the beginning of a well on the other ranch and one proposed on the Brown ranch, all in Terrell County.

There is always the calculated risk in the beginning of a hole in the ground which is intended to reach gas or oil, but the risk is being lessened every day as another well is completed. A new well for the county is on certain associated accounts by other groups and other individuals, and offers certain advantages or disadvantages in certain situations.

Larger the gas field in the northern part of the county, the more activity there will be out there and the more responsibility is passed on to the government of the county.

It is interesting to see what is going on in the county.

Continued to Page 4

The architect's drawing of the new elementary building in the north part of Sanderson, looking eastward. The wing to the left is for the fifth, fourth, and one section of the third grade, and is a double row of rooms with a hallway between; the wing to the right is for the second grade and one section of the third and consists of one row of rooms, connected only by rest rooms, with the entrances under the canopy from the outside on the south side. The section for entrance on the west side houses the all-purpose room, boiler room to the left, foyer in the center, and principal's office, teachers' lounge and work room to the right. A breezeway connects the entrance portion to the wings portion, with the girls' rest room on the north end of the hall, the boys' rest room on the west end of the hall in the left wing. A ramp in the breezeway connects the two levels of the wings, the north wing being higher. A playground area is at the east end of the building and it has been black-topped, as has the area immediately east and south of the building. Parking space is provided on the west side of the building.

Election Called For Pool Bond Issue

The Terrell County Commissioners' Court has called an election for the qualified taxpaying voters' approval or disapproval of a proposed bond issue for \$50,000.00 for the construction of a swimming pool in Terrell County.

The action was taken following the presentation of a petition of 114 signatures asking that action be taken by the court. The petition was presented to the court by J. R. Hodgkins, L. E. Muller, and Lawrence James, who in turn answered questions of the commissioners pertaining to the proposed election for approval of the bond issue.

No date was set for the election.

Plans and specifications and bids on two proposed swimming pools and necessary equipment, plus specifications for concession stand, concrete walks surrounding pool, and wire fence around entire facility were also submitted to the court for consideration.

The project recommended by the committee was the one which would cost in the neighborhood of \$32,000.00, thus leaving approximately \$18,000.00 in bonds to be sold and used if and when necessary. It was pointed out that, upon approval of the voters of the bond issue, and upon completion of the pool, the operation of the facility would be under the complete control of the Commissioners' Court.

Opinions deduced by this reporter, from the proceedings at the court Monday, are that the court was not legally bound to call the election, but morally obligated to do so in compliance with the wishes of the 114 signers of the petition. It is understood that no check is necessary to determine that each of the signers of the petition is an eligible taxpaying voter of the county.

It is further understood that the American Legion Post of Sanderson has made available a portion of its properties at the site of the Legion Hall for the county to use as a park as a consideration for a prospective site for the proposed swimming pool.

The action of the committee backing the swimming pool bond issue followed a recent survey made by the Terrell County Chamber of Commerce concerning the feasibility and possibility of fostering such a plan. The Chamber dropped the proposal after plans were submitted and prices obtained for pools ranging in cost from \$18,000.00 to \$25,000.00. That organization dropped the project from its immediate work list after one individual turned down the undertaking of the venture on a private-ownership basis, and after the board of directors of that organization felt that the idea was not feasible nor practicable at that time due to recent bonded indebtedness incurred by the taxpayers in the school bond issue and of the possible increased burden on the taxpayers of the Terrell County Water Control and Improvement District No. 1 as a result of that organization's purchasing the local water utility.

ASC Committee Named by Balloting

Ballots were tabulated Sept. 7 for the election of the 1961 Terrell ASC County Committee. The committee members who will take office October 1 are E. E. Harkins Jr., chairman; Jack Harrell, vice-chairman; Reg Monroe, regular member; Jack Deaton, first alternate; Austin Christman, second alternate.

This committee will administer locally the farm programs for the next year. Some of these programs are: agricultural conservation, wool incentive payments and marketing quotas.

Mr. and Mrs. E. F. Pierson returned home Monday night from Gruver where they had visited her mother and other relatives.

Eagles Down AA Bucks; To Play San Felipe Here

The Sanderson Eagles whipped the Class AA Alpine Bucks there last Friday night to a 14-12 tune, which, for the class difference and on their home ground, was a back-breaker for the Bucks.

Sanderson scored first in the second period when Larry Harrell went 22 yards for the TD. The two-point conversion was good.

Sanderson held the Bucks until the last quarter when Frank Bustamante culminated a long drive with a plunge over from the two. Manuel Payne later went for another TD from the 8-yard line. Neither conversion try was good, but Alpine had the four-point lead going into the final minutes of the game.

School Open House Sunday Attracts Many Local Patrons

Open house at the three new or remodeled school buildings Sunday attracted large groups of local school patrons. The buildings where the open house was held were at the new elementary school, the new shop building and the Lamar school.

Possibly the largest crowd was at the new elementary building where school board members were hosts to the visitors, and were assisted by the various classroom teachers and J. D. McDaniel, the principal.

All of the conveniences of the building were shown and work of the pupils was on display in the various rooms.

Large, well-lighted rooms and most modern furnishings, equipment and conveniences were viewed with intense interest by the visitors. The north wing has a boys' and girls' rest room and the south wing classes has rest rooms between each classroom alternating for boys and girls, for the convenience and advantages for both students and teachers.

The building also incorporates a teachers' lounge and workroom, all purpose room with built-in tables and benches, stage, folding chairs, screen and projector, large principal's office, public address system, etc., to make for a most delightful atmosphere for both learning and teaching.

The new shop building has one large work room with equipment, a teacher's office, rest room, and materials and tool room. It is well

lighted and ideally arranged for industrial arts work.

The Lamar School was renovated, inside rest rooms added and is a well-arranged facility for instruction of all first-grade pupils in the county.

At the quarterly meeting, some facts concerning recent legislation pertaining to patients in sanatoriums was brought to the group. A report was made of the recent tuberculin skin-test that was given to children starting to school for the first time in September. Forty-nine children received the test with only two reactors noted. One has recovered from tuberculosis and the other will be given further examination and X-rays.

The materials for the tests were provided by the Association with the county health officer, Dr. C. H. Robinson, and several nurses assisting in making the tests. On the second day of the test several members of the Association went with the children, transportation being provided by the school bus from the school to the physician's office.

Matt Bader Named Seal Sale Chairman

Matt Bader has been named chairman of the Christmas Seal Sale in Terrell County by the Tuberculosis and Health Association. That organization met Monday night in the court house with Mrs. M. W. Duncan, vice president, presiding.

On the second day of the test several members of the Association went with the children, transportation being provided by the school bus from the school to the physician's office.

County health officials are urging parents of small children to have them immunized against diphtheria, whooping cough and tetanus before the onset of winter. This precaution is given in order that parents may take advantage of the time left this fall to immunize the children against those diseases before the time comes when they might become so prevalent due to the colder weather.

Rummage Wanted

If you have rummage of any kind which you will contribute to a sale to be held by the Legion Auxiliary beginning Monday, October 17, we will be glad to have it. Bring it by Mrs. A. C. Garner or Mrs. P. G. Harris Jr.'s, or phone either lady if you want it picked up. Clothing of all kinds, books (paper back and funny books), anything that may be of use to someone is wanted for the sale.

Plane Crash Kills Three 35 Miles North of Here

A plane crash last Friday was the cause of the death of three residents of San Diego, California, thought to be employees of the Fed Mart Corp.

The victims of the plane crash were tentatively identified as S. K. Land, 47; Charles Turner, 38; and Cora Mae Turner, 34.

All three victims died instantly. Identification was made from personal papers found with the bodies and in the plane wreck after checks with the Civil Aeronautics Authority, and employees

of Fed Mart in El Paso and Dallas. Positive identification of the bodies by comparisons with photographs was next to impossible, according to local authorities.

The plane, a Piper Comanche, was found by ranch laborers employed by David Mitchell on the Dry Creek Ranch, owned by N. M. Mitchell. The wreckage was found about 4:30 p.m. Friday after which Mitchell was notified and local authorities were notified.

The bodies were taken from the wreckage and brought into Sanderson about 1:30 p.m. Friday and held at the James Funeral Home to await instructions from relatives of the victims.

The plane, when found, was lying directly on its top, the motor partially on top of the wreckage, the right wing folded toward the rear of the plane and the left wing intact. Two of the bodies were strapped in the seats and all three bodies were pinned beneath the wreckage in the cockpit proper.

The front seat of the plane had about two feet clearance between the seat cushions and the ground. Personal belongings were scattered within the cockpit area.

According to an itinerant schedule found in the personal effects, and verified by the officials of Fed Mart, the plane had left San Antonio Friday morning and was due in Phoenix, Arizona, that afternoon, placing the time of the accident, possibly, at near noon Friday.

CAA officials arrived at the scene of the accident Saturday to investigate possible causes of the crash of the Piper Comanche, a single-engine aircraft with retractable landing gear.

It was reported that parts of the wreckage were found about two miles from the crash, indicating that the airplane began to disintegrate in the air, possibly. Several bits of the plane were found within 300 yards of the wreckage, according to reports which also were that there was no apparent indication that the plane touched the ground before the impact at which point the plane was found.

No report is available on the official ruling of the CAA authorities and all other reports are speculative and unfounded.

The bodies were returned to San Diego, California, for burial. Terrell County Sheriff Buster Babb, Deputy Sheriff Dalton Hogg, Justice of Peace J. A. Gilbert; Lawrence James, mortician; and Joe Fuentes, his employee, Border Patrolmen H. M. Schmidt and Sam West, and David Mitchell, operator of the ranch, were at the site of the wreckage Friday night until after the removal of the bodies from the wreckage.

Sheriff Babb stated that he was appreciative of the help given by the Immigration officers by the use of their radio-equipped vehicles, a car and a jeep.

Mrs. C. F. Cox to THDA Meet

Mrs. C. F. Cox left Wednesday for Brownsville to attend the annual meeting of the Texas Home Demonstration Clubs. She accompanied three other members of the Pecos County Council to the meeting.

Indian Summer Comes To This Area

Indian Summer has come to this section of Texas. Temperatures in the evenings and nights and early morning have been in the low 50s for several days.

There is a noticeable rise in temperatures after sunrise and the mid-days have been toward the hot side.

Clear skies and cool breezes have predominated the weather picture for the past two weeks.

Heavy dews are evident in the early mornings and some area ranchmen have reported early-morning fogs that have delayed work in the pastures related to shearing and shipping of sheep.

The condition of the range lands, generally speaking, are better than several previous years for this time of the year but as is always the story in West Texas: "We could use another good rain".

Wildcat Slated On Allison Ranch

The Texas Crude Oil Co. and Superior Oil Co. et al of Midland will drill the No. 1-22 Allison, a 11,700-foot Ellenburger wildcat in Terrell County, 10 miles south of Sheffield.

Location is 1,980 feet from the south and east lines of section 22, Block B2 in the CCSD&RGNG Survey.

The hole is six miles east of the Annie B. Spencer well, rated at 7,700,000 cubic feet daily production from the Strawn. It is two miles southwest of the Allison No. 1 dry hole drilled by Gulf Oil Corp.

Shell and Freeport No. 1 Turk and State has moved off rotary and installed Christmas tree. The well has been tested and, according to unofficial reports, will be produced from the Ellenburger.

Potential has not been officially revealed, but it is understood the well is a better-than-average producer for that field.

Sinclair No. 1 Poulter was last reported at 13,224 feet in sand and shale. Location is on section 21, Block 1, TCRR Survey.

Mr. and Mrs. John Huey have purchased the Royal Cleaners from Mr. and Mrs. W. W. Sudduth. They assumed management of the business Monday.

Mr. and Mrs. Huey stated that they would appreciate the patronage of all their friends and said they would do their best to give quality and promptness of service to warrant the confidence of their patrons.

Mr. and Mrs. Sudduth, who have owned the business for the past 20 years, stated that they appreciated the fine relations of their former customers during the time they operated the business and asked for their continued patronage of the business under the new ownership.

The Sudduths operate a trailer park on the west side of town.

Letters from Readers

It is the privilege of every person, who has paid his poll tax, to vote as he sees fit on any issue, whether it be for a bond to finance the building of a park and swimming pool, or for some really worthwhile project. I realize that it is quite possible that I will incur the ill will of a good many people by stating my opinion on this matter; but it is also the privilege of every person to voice his opinion.

It seems to me that for a town the size of Sanderson, we slightly overdo the business of floating bonds for things. The recent educational facilities was a very worthwhile venture, and one that I was one hundred per cent in favor of.

Today's parent tries very hard to improve his child's environment, and that is certainly a commendable trait in any parent, in most cases. In our eagerness to make a better world for our children, we often fail to maintain a sense of proportion. In the process of pursuing an objective that is good in itself, we often defeat a laudable aim by putting incidentals above essentials.

The proposed swimming pool would be a very nice thing for the young people of our town; but the question is, would it be of more importance to all concerned than adequate hospital or clinical facilities, or a dentist, optometrist, or any one of a number of things necessary to the well-being of any town or community?

As I said before, it is every one's privilege to vote as he sees fit; but to those of you who believe in "putting first things first", I suggest that you give the

matter your careful consideration before voting. While pursuing the course of better things for our children, let's keep essentials above incidentals.
— MRS. J. M. JONES

Personals

Mr. and Mrs. Harold Robitsch of San Antonio visited here last week with his cousin, Mrs. H. E. Fletcher, and his aunt, Mrs. Ida Bodkin.

Mrs. Leola Hill has returned from a visit with a daughter and family in Phoenix, Ariz., and two daughters in California. She is with her daughter, Mrs. N. M. Mitchell, and Mr. Mitchell.

Mr. and Mrs. Virgil Franks visited with friends in Fabens and El Paso for several days last week, returning home Saturday.

Mr. and Mrs. N. M. Mitchell Jr. who were en route to Stillwater Okla., after their wedding trip to California, visited here for several days last week with his parents, Mr. and Mrs. N. M. Mitchell, and other relatives, leaving Monday morning.

Jack Harrell took his mother Mrs. Frank K. Harrell, to Fort Stockton Monday for a check-up. Mr. and Mrs. C. M. Turk took his mother, Mrs. Doc Turk, to San Angelo for medical treatment last week.

Monte Duncan has returned to Austin where he attends the Texas School for the Deaf. He left a week early for workouts with the football team.

Mrs. T. M. Beckett of Alpine visited here last week with her daughter, Mrs. Aubrey Harrell and family.

Mrs. James Ward and her son, Jimmie, returned home Friday from Houston where he had surgery on his arm. Two more op-

erations on the arm and hand are planned to give him relief from the crippling effects of polio. He is in school this week.

Fay Robinson has returned to Ottine for the current term of school. Fay, the daughter of Mr. and Mrs. K. K. Robinson, attends school there and receives therapy and treatment on her left leg for the crippling effects of polio.

Guests in the home of Mr. and Mrs. Austin Nance last week end were her sister, Mrs. E. W. De Volin, and Mr. DeVolin and Mr. and Mrs. Frank Barton of Marfa.

Mrs. Zudie Hawes of Lytle is visiting here with her sister, Mrs. C. H. White. She is moving to Galveston.

Mrs. Austin Chriesman and boys have moved to the Monte Goode home for the school term.

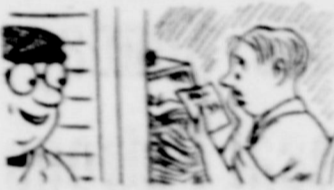

W. M. Druse, who has been undergoing medical treatment in a Fort Stockton hospital for two weeks, was put under oxygen Tuesday when examinations revealed no relief from a coronary ailment. Mrs. Druse is staying in Fort Stockton.

Vic Littleton was a business visitor in Del Rio Monday.

Fitchey Magill of Vanderpool arrived Friday to assist his mother, Mrs. Winnie Magill, in Moving to San Antonio Saturday. Mrs. Claudia Seibold, elementary teacher, is residing in Mrs. Magill's home.

Gene Hodgkins' dance classes will start Saturday, Sept. 13, at the Legion Hall. Ballroom dancing, jitter-bug and cha-cha. Third grade through sixth grade at 5 p. m., teen-agers, seventh grade up, 6 p. m. Classes every Saturday from now until Jan. 14, \$10 for course. Register in classes in acrobatic, tap, and ballet dancing for 3-year-olds and up, Saturday at 4:00 p. m. Mrs. Gene Hodgkins, phone DI 5-2267. adv

The Old Timer

"A great many people have gotten into debt by trying to keep up with others who are really broke."

Mrs. Gene Litton Is Bridge Hostess

Mrs. Gene Litton was hostess for the Tuesday Bridge Club this week. The guests included Mmes. Willie Banner, Herbert Brown, Austin Chriesman, J. A. Gilbreath, Mary Lou Kellar, James Kerr, Jack Riggs, W. E. Stavley, Will J. Murrah, Roger Rose, Lon Slaughter, and S. H. Underwood. Mrs. Stavley held high score and Mrs. Murrah was second high with both holding the slam prizes. The hostess served lemon chiffon pie, tea, and coffee.

Hobby Club Installs Officers at Langtry

The Hobby Club met in the Langtry School Wednesday for the regular monthly session with twelve members present.

The auditorium was beautifully decorated with hand-made flowers. The stage held arrangements of dogwood and pink roses. A blue vase of magnolias graced the piano and the speaker's table was centered with a hand-made white swan vase holding an arrangement of white rosebuds and carnations and the service table was laid in green with two pheasants holding flowers. Crystal and silver service added to the beautiful setting.

Mrs. R. A. Gatlin was present for the installation of the new officers and was presented to the club by the outgoing president, Mrs. Newman Billings.

Mrs. Sidney Smith was installed as president for the coming year and Miss Claudelle Smith as vice-president.

After the installation ceremonies, games were played by the members and their guests.

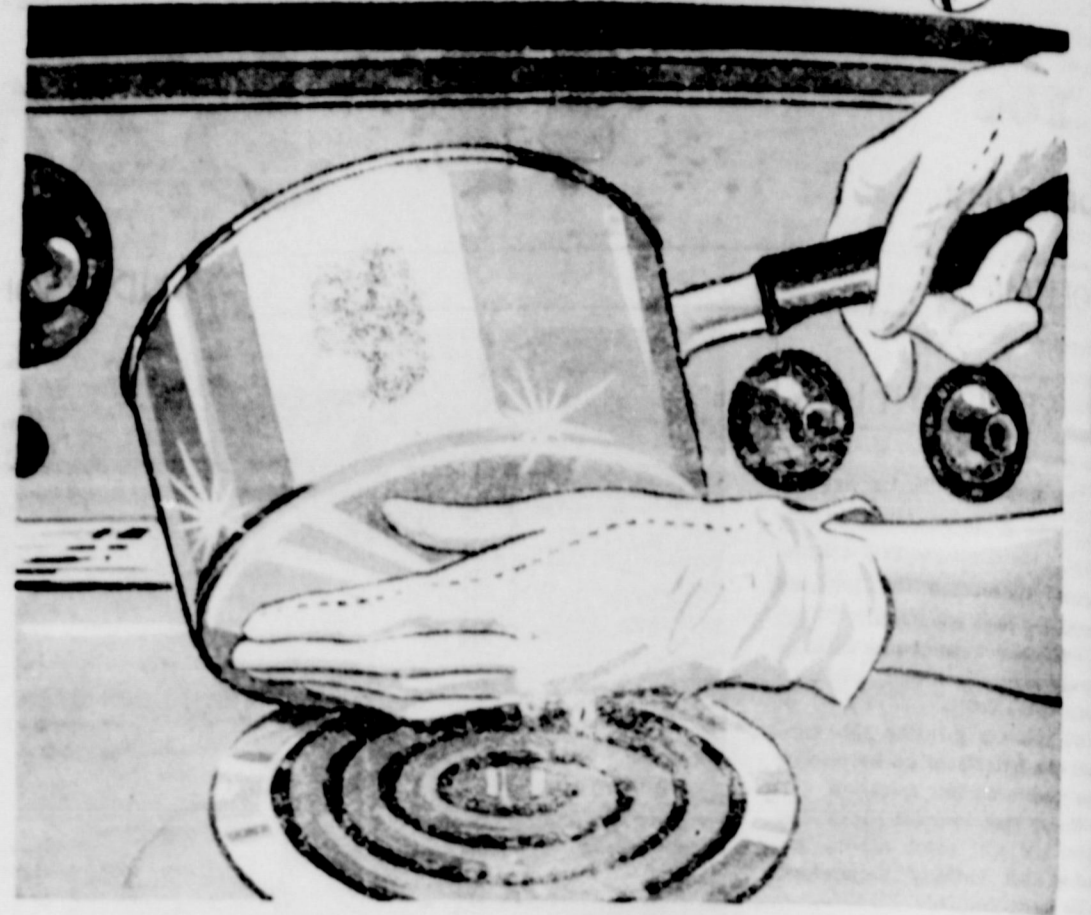

Hostesses for the occasion were Mrs. Gatlin and Mrs. C. F. Cox of Sanderson and Miss Martha Smith.

New Arrivals

A daughter, their third child, was born in a Fort Stockton hospital Friday, Sept. 2, to Mr. and Mrs. John Powell of that city. Her birth weight was six pounds and two ounces and she was named Jerriann.

To Mr. and Mrs. Douglas Duncan of Odessa was born a son, their third child, on Saturday September 10. He weighed ten pounds. Mrs. D. L. Duncan is the paternal grandmother.

Get off the scrub team!

Electricity is your better way to cook . . . because it's CLEAN

Utensils stay bright and shiny . . . curtains stay color-fresh . . . walls and woodwork keep their new look longer when you cook the modern electric way. Your kitchen stays clean because electric heat is as clean as electric light. There's no flame to make soot . . . no byproducts of combustion to soil your kitchen. And that means a big saving in cleaning time and effort for you. See your local electric range dealer soon. Cook better . . . live better . . . electrically!

McKNIGHT MOTOR CO. SANDERSON, TEXAS

P.T.A. Has First Meeting of Year; New Prexy Named

The first meeting of the Sanderson Parent-Teacher Association for the current school term was last Thursday evening in the high school auditorium with Mrs. Jack Turner presiding. The invocation was given by Rev. John W. Byrd.

During the business meeting an explanation of the additional cost for the new concession building at the football field was made and the bills were ordered paid. After a discussion, it was voted to alternate the hours of meeting again this year.

The following chairmen of the standing committees were named: hospitality, Mrs. Herbert Brown; publications, Mrs. L. W. Welch; goals, Mrs. Billy C. Hibbert; safety and health, Mrs. S. D. Harrison; art and music, Mrs. L. D. Booker Jr.; high school service, Mrs. Jess Fisher; reading and library, Mrs. E. E. Farley; school advisor, Matt F. Bader; room representatives, Mrs. H. G. Cates.

Two new officers were elected: Mrs. B. L. Hunt was elected president after Mrs. Van Young, president-elect, had moved to San Antonio. To fill the vacancy created in the office of secretary held by Mrs. Hunt, Mrs. T. J. Stewart was elected secretary and both were installed.

The attendance prize went to Mrs. W. E. Grigsby's room.

The members of the faculty were introduced by Supt. Bader. A social hour was held in the band hall to afford an opportunity for the patrons and faculty to become better acquainted. Individual cake squares and punch were served from a table covered in a white linen cloth and centered with an arrangement of various colored zinnias.

B. of R. T. Auxiliary Meets

The B. of R. T. Auxiliary met Monday afternoon in the Masonic Bldg. in regular monthly business session.

After adjournment the group went to the home of Mrs. W. F. Frazor where pie and coffee were served.

Those present were Meses. Irvin Robbins, Dick Sullivan, F. G. Grigsby, H. E. Ezelle, Ed Robbins, Frazor, Gene Litton, C. H. Savley, and A. C. Garner.

Barron-Lopez Betrothal Told

Miss Eleanor Barron

The engagement of Miss Eleanor Barron of San Antonio and Sgt. Guadalupe Lopez has been announced by her parents, Mr. and Mrs. Frank Barron of San Antonio. Sgt. Lopez is the son of Mr. and Mrs. Frank Lopez of Sanderson.

The wedding will be in San Antonio Saturday, October 8.

Farewell Party For Mrs. Magill

Saturday evening in the Legion Hall, a farewell party was given for Mrs. Winnie Magill who has moved to San Antonio.

Hosts were Messrs. and Meses. W. H. Dishman, Monte Goode, H. M. Schmidt, E. R. Searcy, J. R. Hodgkins, and F. M. Wood.

The group sang old and popular songs and danced for entertainment. After refreshments had been served at a late hour, breakfast was served at a local cafe.

Also present were Fitchey Magill of Vanderpool, Mr. and Mrs. C. G. Riggins, Mr. and Mrs. B. C. Hibbert, Mr. and Mrs. P. G. Harris Jr., and Mrs. A. J. Hahn.

Teachers To Be Honored At Joint Club Meeting

On Monday at 7:00 in the Legion Hall, there will be a joint meeting of the members of the Rotary and Lions Clubs to honor the teachers in the Sanderson schools. The families of the club members will also be invited guests.

Legion, Auxiliary To Install Officers At Joint Meeting

The Legion Auxiliary met on Tuesday evening in the Legion Hall in regular monthly business session with Mrs. W. H. Dishman presiding.

With the resignation of both the president and vice president-elect, on account of moving from Sanderson, Mrs. P. G. Harris Jr. was elected president and Mrs. Monte Goode vice president. The officers of the Legion and Auxiliary will be installed in a joint meeting in the Legion Hall Wednesday evening, Sept. 21, at 7:00 o'clock. Pete Turner of Midland, newly-elected commander of the Department of Texas, will be the installing officer.

Plans were made for a rummage sale to begin Monday, Oct. 17. Chairs for the hall will be purchased with the funds raised by the sale with Mrs. A. C. Garner in charge.

There was a committee of Legionnaires present to assist in making plans for the joint installation and the supper which will precede it.

Mrs. M. W. Duncan Is Hostess Thursday For Duplicate Bridge

Mrs. M. W. Duncan was hostess to the Duplicate Bridge Club last week, entertaining in her home Thursday afternoon. The guests included Meses. M. F. Bader, W. J. Murrain, Carlton Smith, H. E. Ezelle, J. O. Little, C. H. Robinson, and S. H. Underwood.

After playing 14 boards, high score was won by Mrs. Smith and Mrs. Underwood was second high. The hostess served 7-Up float and cake.

Culture Club To Meet Tonight

The members of the Sanderson Culture Club and their husbands will meet tonight (Thursday) at the ranch home of Mr. and Mrs. H. A. Smith. The meeting is at 7:30 p.m.

Tamale Sale Saturday

El Buen Pastor Methodist Church is having a tamale sale Saturday, beginning at 2:30 p.m. at the parsonage next door south of the church. The patronage of the public will be appreciated.

Surprise Shower For Mrs. Janes Saturday Evening

Mrs. Lawrence Janes was honored at a surprise layette shower Saturday evening in the Legion Hall. Hostesses were Meses. O. T. Sudduth, L. W. Welch, J. R. Hodgkins, M. H. Goode III, and E. R. Searcy.

After the honoree had opened her gifts and passed them among the guests, informal conversation furnished diversion.

Refreshments of lime sherbet and cake were served from the table decorated in flower streamers extending from an umbrella and a large baby doll seated on a blanket. Seasonal flowers furnished further decorations. There were about 40 guests.

Mrs. Herman Couch Is Hostess To Presbyterian Ladies

Circle I of the Presbyterian Women of the Church met Monday afternoon in the home of Mrs. Herman Couch with Mrs. J. W. Byrd presiding in the absence of the chairman, Mrs. E. F. Pierson.

Mrs. J. D. Nichols led the opening prayer after the hymn "What A Friend" had been sung. For her worship theme, Mrs. Byrd used a portion of the Lord's Prayer.

A short business meeting was held at which plans were made for the change of the date of the annual picnic from September 23 to Wednesday, September 28.

Mrs. Sid Harkins led the program titled "Christ, the Unifying Center — Of a True Picture of God" based on John 1:1-18. Group discussion followed.

Sherbet, cake, iced tea, and coffee were served.

Also present were Meses. C. C. Mitchell, R. A. Gatlin, E. E. Farley, J. L. Smith, and W. H. Savage.

Hall-Graham Troth Announced

Mr. and Mrs. Lee Roy Hall of Sanderson are announcing the engagement of their daughter, Miss Harriett Hall, to Michael David Graham, son of Mrs. George Adams of Dryden. The couple will be married Saturday October 15, in Grace Methodist Church of El Paso.

Miss Hall is a graduate of Ysleta High School. She was a member of the Varsity Choir and Art Club, a member of the Kiowa Tri-Hi Y and Who's Who in Art.

She attended Texas Western College, majoring in art, and was a member of the Texas Western Choir.

Mr. Graham was graduated from the Sanderson High School. He was a member of F.F.A., and was the Future Homemakers beau. He was freshman and senior favorite and was on the staff of the school paper, The Claw.

Mr. Graham was captain of the football team and received the most valuable player award, and was on the all-district team. He also had awards in basketball and track.

He is employed by the T&NO Railroad.

Mr. and Mrs. L. R. Grigsby of McCamey brought his mother Mrs. Lee Grigsby, who had been visiting them for several days to her home Sunday.

Skipper Harris Has Birthday Party

Tuesday was Skipper Harris' sixth birthday and his mother, Mrs. P. G. Harris Jr., entertained with a party at her home.

Games were played in the backyard where weiners were roasted and served with cold drinks and ice cream.

Those present were Dane and

Lea Elrod, Dusty and Debbie Druse, Damon Harrison, Stephen Litton, Randy, Ronda and Peggy Louwien, Chucky Hill, Howard and Patricia Dishman, Johnny Bell, Bobby Martin, Donnie Schmidt, Linda Shoemaker, Glenda Rae Searcy, and Tanna Clark.

happening and how one seemingly insignificant thing can lead to another thing.

We are learning more and more daily that no man is an island. No man stands very high on his own merits, nor has any man gone very far on his merits alone. Sometimes we need to take a good look at ourselves and note our dependence upon everything about us.

LBJ in his New Mexico speeches, declared that he doubted that Nixon, if elected to the Presidency, could get along with the Democratic Congress for 48 hours. That seems to this column to be a threat on the part of the now Senator. In other words, what he is saying is that the Democratic Congress will not work with the President.

You know, there's a possibility Johnson won't be around Washington to know about it.

57 Club To Meet Friday Night

Members and prospective members of the 57 Club are invited to a party at the Legion Hall Friday night after the football game. Each person is reminded to bring 50c for the annual dues. The administrative council met Sunday afternoon at 6:00 o'clock at the Legion Hall and elected the following officers: Buddie Joe Hahn, chairman; Linda Morris, vice-chairman; Terry Jean Hodgkins, secretary; treasurer; Diane Brown, reporter.

TSTA Executive Committee Meet
The executive committee of the Terrell County unit of TSTA met Sept. 7 and organized a general program for the year. General policies, passing on bills to be paid, and a committee of appointments were approved.

Among Our Subscribers
New subscribers to The Times include W. F. Turner of Lubbock; Charles Stavley of Alpine; Mrs. Mary J. Williams of Sanderson; Peggie Cooke of Austin; Mrs. Garland Sprout of Dryden; Albert E. Monroe of San Marcos; Elton Carroll, San Angelo.

Renewals have come from T. L. Boyles of Vidalia, La.; M. A. Bunn of Tyler; B. E. Wilson of Del Rio; R. S. Alvarado of Dixon, Calif.; J. O. Little, Joe Salazar, P. G. Harris Jr., J. M. Hayre, Carlton Smith, Mrs. D. L. Duncan, Claudio Villegas, and Rev. Irl Richardson, all of Sanderson.

Bonhomie Club Celebrates Hostess' Birthday
The birthday of the hostess was celebrated when the Bonhomie Club met Wednesday afternoon in the home of Mrs. J. W. Carruthers, Jr.

Those present were Mesdames Ray Caldwell, O. J. Cresswell, F. G. Grigsby, Marion Batson, A. B. Gates, J. Garner, H. P. Boyd, and Pinky Carruthers, a guest. The hostess served pineapple-marshmallow ring, apple sauce cake, cold drinks, coffee and iced tea.

L. D. Booker Jr. To Move
L. D. (Pete) Booker Jr. is being transferred to Paducah and will report there about October 1. Mr. Booker is work-unit conservationist in the local office and will be area conservationist serving Cottle and Hardeman Counties with the new promotion. His successor has not yet been named.

Correction
In last week's Times it was stated that John Massie had been employed in San Angelo for the summer. It should have said Wyoming. John, valetictorian of the May graduating class of Sanderson High School, is attending the University of Texas on his scholarship.

PERSONALS . . .

Mr. and Mrs. M. W. Duncan left Tuesday night for him to receive medical treatment for a few days in San Angelo. Mrs. Ann Markle of Marfa is the pharmacist in the drug store in his absence.

Mrs. Irl Richardson, who underwent surgery on her ankle in a Houston hospital two weeks ago was dismissed from the hospital Tuesday and went to Galveston where she will spend two weeks with her daughter, Miss June Richardson. She is recovering satisfactorily.

Mrs. L. M. Wooten went to Del Rio Tuesday for dental work. Mr. and Mrs. Clarence Bell of Van Horn spent Monday night here with his sisters, Mrs. John Green and Mrs. F. G. Grigsby, and their families.

Mr. and Mrs. Floyd Finley of Fort Stockton were week end visitors with her sister, Mrs. N. M. Mitchell, and family.

Mr. and Mrs. James Carolina went to El Paso Wednesday to

Questions, Answers On Park-Pool Slated Bond Vote

Ed. Note: The following is a paper handed The Times by J. R. Hodgkins to answer questions asked last week under Listen to Luke. Other questions and answers following are his.

Q. Would the bond issue call for construction of a pool, dimensions, specifications, and price as recommended by the group?

A. No. The recommendations followed by the group on the project are what they believe to be adequate and reasonably priced. The County Commissioners, or a committee appointed by them, may get other bids or make other changes as they see fit.

Q. Is there a possibility the pool might be constructed and no one available, willing or able to lease it?

A. The pool does not have to be run on a lease basis. This was mentioned as one possible way of operation. The County Commissioners will have control of the operation and they may supervise it themselves or have a committee appointed or elected to operate or supervise the operation of the pool, the same as the water district is operated by a

meet their son, Jimmy Caroline who is being discharged from the U.S. Army.

Mmes. H. M. Schmidt, B. C. Hibbert, Sam West, and R. A. Turner Jr., were in Marfa last Tuesday evening to attend a party honoring Mrs. Robert Gardner who is moving to Tucson, Ariz., with her husband who is in the Immigration Service.

Mr. and Mrs. Roy Chandler who ranch in the Independence Creek area, have been staying in the home of his brother, Clarence Chandler, while he received medical treatment for the effects of a black widow spider bite at the ranch last Thursday. He is recuperating satisfactorily.

Mrs. H. C. Goldwire visited in Big Lake for several days last week with her sisters, Mrs. Buck Dorsey and Mrs. W. H. Scholer and their families.

Mr. and Mrs. H. E. Fletcher were in Odessa Monday for her to have her foot X-rayed. Mrs. L. H. Gilbreath accompanied them to visit with her brother, C. N. Word, and family.

Mr. and Mrs. Charlie Rogers and her mother, Mrs. J. H. Fletcher, of Fort Stockton were Labor Day week end visitors with relatives here.

Mr. and Mrs. W. D. O'Bryant were in Fort Stockton Thursday for medical check-ups and dental work.

G. C. Eggleston, who spent the summer here with his brother Phillip Eggleston, has returned to the home of his parents, Mr. and Mrs. Lee Eggleston of O'Brien, where he will be a junior in the high school there.

Mr. and Mrs. L. C. Trigg left Friday on their vacation, planning to visit points in West Texas and East Texas and in Del Rio.

Marion Wilson, son of Mr. and Mrs. Grady Wilson, is employed by a pipeline company in Lebanon, Penna.

Mr. and Mrs. C. C. Mitchell visited in Ozona with Mr. and Mrs. G. K. Mitchell and family Friday.

Mrs. Virgil Ogle of Wink visited here last week with her mother, Mrs. J. W. Carruthers, who was ill but is improved. Mrs. Carruthers and her daughter, Eva, accompanied Mrs. Ogle home Tuesday.

Mrs. Vic Littleton suffered a painful sprain of her ankle in a fall at her home last week.

Maurice Riess, daughter of Mr. and Mrs. A. J. Riess, fractured both bones in her leg last week when she tripped and fell while playing. She will be out of school all of this week.

Mr. and Mrs. F. G. Grigsby returned home Saturday from their vacation trip to Los Angeles, Calif., and also a visit with relatives and friends in El Paso.

O. J. CRESSWELL

Phone DI 5-2943 Sanderson

Mrs. Lewis Hill's Mother Dies

Mrs. C. F. Bruggmann of Victoria, mother of Mrs. Lewis Hill, died at her home in that city Sunday at 2 a.m. Mrs. Hill had gone by plane from Pecos Friday to visit her parents and other relatives there. Mr. Hill left for Victoria after receiving word of his mother-in-law's death.

Mrs. Bruggmann was ill only a few weeks, her death being attributed to cancer of the liver. Besides her husband and daughter, she is survived by five other children.

The Hills returned home Tuesday.

board of directors. There have been inquiries of this committee by persons interested in operating the pool and we feel sure there will be others.

Q. Who would operate the facility if no one was willing or able to lease it?

A. The County Commissioners or a board appointed by them, or elected by the people. We believe there will always be several people interested in extra jobs during the summer who will qualify to operate a swimming pool.

Q. Is the \$10 per \$100 valuation tax minimum for retirement of proposed bonds to be on real and personal property in addition to the present \$77 per \$100 valuation, or a new and special tax on a new and possibly different valuation set up?

A. In the event it becomes necessary to pay for the park and swimming pool from tax funds it may be budgeted from the \$77 valuation now in effect, or, if the county commissioners feel we need more tax money in order to meet our obligations they can levy an additional \$10 tax. The valuation will be the same as set up for the county. If the county valuation stays the same as it is this year, the park and swimming pool valuation will stay the same. On this basis a piece of property now worth \$10,000.00 is valued on the tax rolls at \$1,000.00, or approximately at \$10 per \$100.00 of evaluation this would cost the taxpayer \$1.00 per year.

Q. Can and will the pool be segregated?

A. Any property or facility that is paid for with tax money or operated by a county government or owned by a county government, such as a park and swimming pool, cannot be segregated now or at any time.

Q. Will the local American Legion post derive any benefits from this project if the county commissioners decide to accept their offer of the land?

A. The only benefits the American Legion post will derive will be the increased benefits to the town that will be derived by everyone in town. There will be no profits or gain for the post.

The American Legion will have no say in the operation of the park nor receive any remuneration from the pool. The land on which the park is located will be owned by the county and all benefits and profits will go to the county. There may be an increased valuation on the land the American Legion is retaining for its own use but that is the only way they will get any benefits more than any other organization in town.

The Sanderson Times has offered to print any information on the park or swimming pool project that will help people to decide on this project so if there are any questions that you have

concerning this we will be glad to submit them to the newspaper and answer them to the best of our ability. An offer of this kind of course depends on space available in the paper. So, if you send us a question and do not see the answer the following week, do not think we have ignored your question. In all likelihood it will be answered in a later edition of the paper. The group working on this project welcomes your questions and will try to answer every one of them. Address your questions to P.O. Box 35, Park and Swimming Pool Project, Sanderson, Texas.

Mrs. Cooke's Brother Dies
Funeral services were held in Camp Wood Monday for Thomas Carl Hutcherson, 54, who died at his home there Saturday afternoon after a long illness. Survivors include his wife and three brothers, all of Camp Wood, and a sister, Mrs. Greene Cooke, of Sanderson.
Mr. and Mrs. Cooke, their son, Marshall Cooke, and their daughter, Mrs. S. D. Harrison, attended the funeral services.

Stated meeting of Chapter No. 136, Tuesday, 8 p. m. Nelberta Goode, W. M.

TELEPHONE TALK
by C. R. "Rusty" Lummas, Manager

WHAT WOULD YOU HAVE DONE?
Picture yourself in this situation: You're driving on a long trip with your family. You're in a hurry. A storm is brewing, black clouds move in fast. Dust and approaching nightfall obscure your vision. Suddenly, you see red lights of a small, private plane, desperately circling, searching for a place to land. What would you do?

This was the situation facing T. O. Gravitt, a supervisor for Southwestern Bell, according to a story I heard the other day. Gravitt, a Naval Reservist with 17 years flying experience, understood the plight of the pilot.

Luckily, Gravitt was driving through the small town where he grew up and he knew there was an emergency landing field near the town.

There were no lights on the landing strip, so Gravitt rounded up other motorists who were watching and led them to the field. He had them park around the edge so their headlights would guide the pilot to the field.

Helped by the lights, the pilot set his plane down just as the storm hit.

Needless to say, there is one airplane pilot alive today who is thankful that telephone man Gravitt saw his problem and knew what to do about it.

BACK TO SCHOOL — DRIVE CAREFULLY
For a time each fall, these phrases are probably the most noticed and carefully followed instructions in Sanderson.

"Back to school — drive carefully" is such a sensible thought that it's a pity to limit its use to a few weeks each fall. For the small-fry, "Back to School" is a months-long activity; for grown-ups, when is there a time NOT to "drive carefully"?

Call by number, it's twice as fast.
SOUTHWESTERN BELL TELEPHONE COMPANY

TEXAS LAWYERS
Charles Goodnight, Empire Builder
"Live and let live... except cattle thieves!"
Back in the stalwart seventies cattle herds and cattle thieves were the fastest growing crops in Texas. Then Charles Goodnight declared war on the latter and, with some like-minded friends, organized the Panhandle Stockmen's Association. Those of the bandit brotherhood who didn't hit the trail out were soon decently interred, one by one.
Goodnight was always a cattleman and only incidentally a lawyer, but he served Texas well. Born in Illinois, 1836, his 21st birthday found him in Palo Pinto County, a Texas Ranger and Indian Scout, and starting his first herd. By 1865 he had more cows than he could sell thereabouts, so he and a friend, Oliver Loving, drove them to New Mexico. The route they marked became the well-worn Goodnight-Loving Trail. By 1877 he and a partner, John G. Adair, established the JA Ranch and in time ran a hundred thousand cows on a million Panhandle acres. There they introduced Hereford bulls and developed one of the nation's finest herds. He also developed the cattalo, breeding buffalo to Polled Angus cattle. After 93 colorful, active years Charles Goodnight died in 1929.
The good citizen and the lawyer have always possessed the courage and good judgment to uphold justice and keep the peace. We need that now — to keep our good life and liberty. When an industry provides employment and enjoyment for so many, it "belongs" in Texas. "Beer Belongs." The United States Brewers Foundation is constantly at work, with brewers, wholesalers and retailers, to assure the sale of beer and ale under pleasant, orderly and law-abiding conditions.
Texas Division, UNITED STATES BREWERS FOUNDATION, AUSTIN, TEXAS 206 VFW Building
