LISTEN TO LUKE

Politics in one form or another, seems to occupy about nine-tenths of all the energy, effort, and strivings of so many people nowadays. And our opinion is that very little good comes from all.

Now and then we get to the tipping point and have to sound the alarm. We know and understand how and why we do about certain issues, but we don't know of any other way we have ever swayed in any direction. And this is not a sign of a true coming up, either. The only thing is that the daily papers are taking over, to a great extent, the national political arguments and we just have a little filling to do occasionally.

We feel sorry for the youngsters of today. They haven't got a chance! They are going to be the rest of their lives supporting the wants of the "aged" and if they are as "wenty" as some of the aged are now, they will just have to go on wanting. The great debate—the other night was, to us, a farce from beginning. Oh, they did a good job of showmanship. They have convinced some, too, of the merits of their party. But did they catch this throughout all of the debate—each was interested in giving something away! They need, right down the line, that need federal aid to schools, hospitalization for the aged, the improvement in the Tennessee valley, and so on down the line. Like they said, it's gotten down to a decision as to which one has the best plan for getting the most away to the most people without the cost being so high to all the people.

What does the expenditure of millions of dollars of our money mean to a man who has millions of dollars of his own? As far as it goes, what difference does it make to a man who is broke if he spends millions of our dollars? It's an age-old story—if you'll read the bill, I'll buy all kinds of things for us!

People are now looking to the government for all their wants, and the young people have to grow with the same attitude if they don't hear it all of the time. Those things which we cannot afford should not always be purchased by taxpayers. The burden should not be placed on a few for the pleasures of all.

There are some things that are absolutely necessary for the federal government to do—there are certain things that the state government has to do—and the federal government has a few responsibilities. But the individual has some responsibilities, too!

Instead of harping constantly about what each party is going to do for the masses of humanity in the United States, it would appear to us that they should be harking back to the some of the great men who founded this nation and know and understand what they said about the dangers of too much government; about the importance of liberty, about the cost of freedom; about the offices for individualism, and re-read all of that and more understand and know the things that sparked the birth of the ideology that is America, that built America and the only ideology that will keep America. Washington's farewell address intended to be a farewell address such principles as were spoken but a passing on of those principles to successive generations is this one.

Instead of anybody waving a flag at political rallies, they are passing around the cookie jar and everyone to see what's inside. They don't show the price tag on the bottom of the jar, and we will get all of the grocery list for the ingredients.

Man Jailed for Destroying Property

A 23-year-old Brewster County man was jailed here Monday night for destroying property after charges were filed alleging that violation. The case was heard before County Judge R. S. Wilkinson Tuesday morning.

The defendant pleaded guilty to the charges and received a jail sentence of 30 days.

The charges grew out of the destruction of a TV amplifier box belonging to the Sanderson Cable Co. and the destruction of the switch box adjacent to the amplifier box.

A screen door was torn off and a window broken at the local Fix-It Shop about the same time, according to local officers.

After the man was jailed on the top floor of the court house he pulled a water pipe loose from its connections, causing water to flood several offices and rooms on the second story of the court house, according to reports.

Representative Of Red Cross Visits Here

Bob Mayes of San Angelo, district field representative of the Red Cross, visited in Sanderson Wednesday. He was only recently appointed to the position he now holds and was on a tour of the district he represents.

Mr. Mayes stated that the local unit of the Red Cross had been practically inactive in recent years and he was interested in revitalizing the organization for the benefit of local citizens as well as the benefit the local organization can give to the national organization.

Efforts will be made in the near future to get a group together to hear the benefits of the Red Cross and the need for a local organization in hopes that the local unit may become functional once again.

Mr. Mayes stated that he personally and the organization he represents is interested in the re-organization of the local unit of the Red Cross and he will help in any way possible in such efforts.

Car Dealers Plan Showing Of '61 Models

Local car dealers are making plans for the showing of their '61 model this week with the Ford being the first to hit the public's eye.

Other dealers' showings will follow immediately.

New '61 model Ford cars and trucks are on display at the Ferguson Motor Co. and W. J. Ferguson, manager, invites all local citizens to come by and see the features on the new line of products produced by the Ford Motor Co.

E. J. Hanson, owner of the McKnight Motor Co. will have the 1961 Chevrolets and Buicks on display next week and he has the '61 model Chevrolet trucks showing now.

New Buicks and Pontiacs are slated for showing also in the immediate future. Hanson is also the Buick dealer and F. M. Weigand is the Pontiac dealer.

Each of the local dealers will also have their companies' versions of the "compact" cars to show in the near future.

All of the dealers stated that their new model cars had many new features never before seen on cars and requested the public to come by and see the new models of vehicles they will display.

Readers are asked to watch the columns of this paper advertising the new car showings and illustrations noting the new features.

Rep. Rutherford To Tour District

Rep. J. T. Rutherford

Just arrived from Washington and the recent adjournment of Congress, U.S. Representative J. T. Rutherford has started his annual round of appearances and visitations in his 19-county district.

It has become traditional for Rutherford to streak through his district at a hectic pace in order to talk with as many people as possible during the adjournment period. With some 4,000 square miles, which he calls "a healthy chunk of real estate" and about 567,000 people in his district, the Congressman has to keep on the go.

Rutherford visited several of his counties, along with his wife and their children, during a two-week West Texas sojourn while Congress was in temporary recess several weeks ago. Now he will pick up the pace again, although this time will be more limited than usual due to the late final adjournment.

Although he will be on the move with a heavy schedule of appointments and appearances before many groups, Rutherford will maintain offices in El Paso and Odessa through which he may be contacted and which he will use as a base of operations from which to serve the people he represents.

The Congressman said he felt the recent "bob-tailed session of Congress had about it a tone of moderation, in spite of predictions by the pundits that it would be a radical Congress in this election year."

Rutherford expects to spend the major portion of the adjournment period in West Texas, although he is committed at some time during the fall to his annual two-week active duty tour with the U.S. Marines.

Ranch H-D Club To Meet Tuesday Morning

The Ranch Home Demonstration Club will meet Tuesday morning at 10:30 in the Legion Hall with Mrs. H. B. Louwien and Mrs. Clarence Chandler as co-hostesses. Members are requested to bring school-girl lunches.

Daffodil Council On Cycling Hike

The Daffodil Council of Girl Scouts, Troop 6, went on a bicycle trip Saturday morning to the roadside park east of town. The troop leader, Mrs. B. L. Hunt, accompanied the Scouts on the trip. At noon they ate hamburgers and cold drinks with thanks going to Mr. Hunt for bringing out the food.

Ruel Adams, District Deputy Grand Master of the Grand Lodge of Texas, AF&AM, and James Clark, junior warden of the local lodge, were in Del Rio Monday night when John T. Bean, of El Paso, grand master of Texas AF&AM bodies, was in that city for an official visit to the Masonic Lodge there.

Mr. and Mrs. A. J. Searcy of Menard returned home Sunday after visiting with their son, E. R. Searcy, and family.

Girl Scout Funds Are Sought Here

The annual drive for funds for the local Girl Scout work was launched last week by the Sanderson Neighborhood Association.

Mrs. Carlos Dunn is chairman of the Neighborhood Service team; Mrs. J. A. Gilbreath is troop consultant; Mrs. Lawrence Jones, troop organizer; Mrs. W. H. Dishman, secretary-treasurer. There are 11 volunteer leaders.

To date \$174 has been contributed to the drive.

Anyone wishing to make a contribution to the Girl Scout work is asked to hand it to one of the members of the service team or mail the check to Box 371, Sanderson. With a limited mailing list, everyone did not receive a letter pertaining to the drive.

Walk To Be Built On U.S. 90 Bridge

J. R. Coker, local highway department maintenance foreman stated this week that that organization will soon build a walk on the outside of the present abutment on the bridge on U.S. 90 in the east end of Sanderson.

Coker stated he gained approval of that project at a meeting of the maintenance foremen of this district.

The present walk-way, according to Coker, is a hazard to pedestrians walking across the bridge, and the new walk-way when completed, will afford the protection of pedestrians by the present bridge rail and will be wide enough to permit ample room for walking.

New Arrivals

The daughter and second child born here Wednesday, September 21, to Mr. and Mrs. Lewis James of Dryden was named Nancy Lori. Her birth weight was seven pounds and 14 ounces. Mrs. Noel James of Dryden is the paternal grandmother and Mr. and Mrs. Lee Eggleston, of O'Brien, former residents, are the maternal grandparents.

Injured Players To Be Out Of Football This Season

Buddy Joe Hahn and Bobby Littleton, who were injured in a car wreck near Langtry two weeks ago, were brought home Saturday. Bobby, who was hospitalized in Del Rio with head injuries, nor Buddy Joe, who was hospitalized in Alpine with a broken arm and injured back have been able to attend school this week. Four other local boys were in the wreck in which was involved the Ira Moses vehicle driven by Kenneth Moses, and another car.

Peavy Building To Be Completed By Next Week

Mrs. C. P. Peavy announced this week that the new building for the Peavy Insurance Agency on Oak St. would be ready for occupancy next week, according to information relayed to her by the contractors.

She did not announce a moving date but stated that it would probably be near October 15 before the move was completed.

The insurance agency will occupy most of the building, but office space is available for another individual.

Workmen were busy this week completing interior painting and preparing to finish the floors.

Former Resident Killed by Electricity

Mr. and Mrs. T. L. Hawkins and children attended funeral services in Pecos Monday for his sister-in-law, Mrs. Sam Hawkins who with her husband had resided here until about two months ago. The men were employed on the highway construction project west of town.

Mr. and Mrs. Hawkins, who reside near Pecos, were putting up a TV antenna at their home Saturday night about 9:00 o'clock and she was killed instantly when the antenna came in contact with a high voltage wire. Mr. Hawkins was badly burned and is here in the home of his brother.

Mrs. Hawkins, 19, was a bride of less than nine months.

Barbara Freeman Honored On Fifth Birthday

Mrs. A. T. Freeman invited a few neighborhood friends to a birthday party for her daughter Barbara Gay, Thursday afternoon of last week. It was the little girl's fifth birthday.

Ice cream, chocolate cake, and pink lemonade were served for refreshments and the favors were musical horns.

The guests were Jimmie Davis, Kim and Kay Bell and Nancy Maples.

G. W. Seamonds Breaks Leg

G. W. Seamonds, a T&NO brakeman working out of San Antonio, received a broken leg Sunday night while walking back to his room from church. He tripped on a curb on Oak Street. He was taken to a San Antonio hospital Tuesday in a Lawrence Janes Co. ambulance.

Attention Dryden Ranchers:

In case you are wondering who killed the big coyote hanging on the cattle guard east of Dryden at John Harrison's turn-off, I was the one. My wife and I were returning home from Del Rio Monday night when I saw the coyote and, knowing the destruction of these animals, I used the only method at hand to kill it — having no gun, I gave him a merry chase and ran over him with my car.

have a fairly easy time of gar-nishing their winning streak.

The local squad will be with-out the services of Buddy Joe Hahn and Bobby Littleton the rest of the season. Buddy Joe was a line stalwart and sparker with Bobby doing errand duty on the offense and defense at end.

The Eagles coasted through last week with an off night in the schedule and will meet Brackettville with two weeks of practice behind them.

All local fans are urged to be out at the football field Friday night.

Nat'l Honor Society Has First Meeting Of School Year

Nine new members were elected to membership in the National Honor Society of the Sanderson High School last week. They are: Shirley Williams, Margarita Fuentes, Ruthie Allen, Dee Gray, Hector Lopez, Buddy Joe Hahn, Jimmy Jones, Kenneth Moses, and Terry Hodgkins.

In a meeting with Principal A. J. Riess and Mrs. W. H. Savage, club sponsor, last Thursday, the following officers were elected: president, Bill Dunn; vice president, Melinda Gilbreath; secretary, Linda Morris; reporter, Susan Harkins; sponsor and treasurer, Mrs. Savage.

Three probationers to the Society were also named: Johnny Benevides, Barbara Cates, and Margaret Massie.

Run-Away Boys Picked Up Here

Terrell County Sheriff Buster Babb reported that three boys who had run away from home in Central Texas had been picked up here and turned over to the father of one of the boys who came after them. They were driving the car of the parents of one of the boys, Babb reported, and had taken it without permission.

The boys were reportedly working for Wayne Edging on the ranch south of Sanderson and were in the barn at the ranch when Babb went for them.

Beta Iota Has First Meeting Of Current Year

The Beta Iota Chapter of Delta Kappa Gamma had the first meeting of the current year at Koker-ton Lodge in Alpine Saturday. The new officers were installed and included Mrs. E. E. Austin — Texas needs a law to regulate the sale of pistols so that irresponsible persons can neither sell nor buy them, says Atty. Gen. Will Wilson.

Wilson told Texas' prosecuting attorneys at an Austin meeting that murders in Texas were up by 10 per cent last year. "One way to prevent these killings," he said, "is to keep pistols out of the hands of irresponsible persons."

Wilson recently held unconstitutional an old law requiring licensing of pistol dealers because of the way it was written, but said that he believed there should be such a law.

A lot of money spent on catching and punishing law breakers might be saved, the attorney general suggested, if more were spent on prevention of crime.

Texas District and County Attorneys Association presented Wilson a life membership plaque during their meeting here in recognition of his "leadership in law enforcement."

Highway Patrol Openings
Applications to fill 120 openings in the State Highway Patrol will be taken by the Department of Public Safety through Oct. 1.

Applicants must be high school graduates or the equivalent and must pass a field service examination to be given in 16 different Texas towns. After acceptance, the prospective patrolmen will receive 16 weeks training at the Law Enforcement Academy in Austin. Application forms may be obtained from any DPS field office or by writing DPS Headquarters, P. O. Box 4087, Austin. Driver Ed Plan Told
Driver education in Texas Pub-

lic schools might be financed on a cooperative state-local plan similar to that used for the pre-school program for non-English speaking children.

This proposal was discussed in a recent speech by Brad H. Smith who is director of the Governor's Highway Safety Commission Driver education tied in with the public school system is one of the goals numerous safety groups have pushed toward for some time.

Smith noted that a local school system may secure state funds for teaching non-English speaking pre-schoolers if it puts up some local funds also.

Smith noted that a special study committee of the State Board of Education had reported favorably on the idea of driver education and recommended a cooperative local-state effort.

Polio Down, Hepatitis Up
Good news in the polio field, but a growing problem in infectious hepatitis is reported by the State Health Department.

For the first half of the year polio cases were down to 27, compared to 101 for the same period last year. But 1,191 cases of infectious hepatitis were reported, compared to a five-year average of 566.

Control of hepatitis is complicated by the fact that (1) the virus has never been isolated, (2) exactly how it spreads from person to person is not known, and (3) specific treatment is not available.

Isolation of the patient and extremely careful sanitation measures for those who come in contact with him are usually recommended.

Auto Insurance Rates Discussed
Proposals for changing Texas' auto insurance rates have caused new discussions on the subject by the State Insurance Board, insurance companies, and those who opposed the law in the first place.

Most of the several hundred insurance men present at the

Texas Insurance Board hearings said they favor the merit rating plan. However, many stated that they felt that some changes were definitely needed.

One group, the Texas Association of Mutual Insurance Agents, headed by James K. Ruble of San Antonio, reported that while they originally opposed the plan, they now favor it.

But State Senator Grady Hazelwood of Amarillo, who fought the proposal from its inception, still considers the plan a "monstrosity" when it places such a penalty on a man for going 22 miles an hour in a 20-mile zone.

Hazelwood favors strengthening the penalties against persons convicted of hit-and-run driving, drunken driving, and assault with a motor vehicle.

"As it is," says Hazelwood, "we are just rewarding a bunch of uncaught drivers."

Penn Jackson, chairman of the Board, says that it is uncertain when the Board will decide on new rates.

Oscar Bendele visited in Carta Valley last week with his daughter, Mrs. Walter Carruthers, and family.

Herbert Brown went to Eagle Pass Monday on business.

Rummage Wanted

If you have rummage of any kind which you will contribute to a sale to be held by the Legion Auxiliary beginning Monday, October 17, we will be glad to have it. Bring it by to Mrs. A. C. Garner's or Mrs. P. G. Harris Jr.'s, or The Times or phone either lady if you want it picked up. Clothing of all kinds, books (paper back and funny books), anything that may be of use to someone is wanted for the sale.

Personals . . .

David Clay of Alpine is attending an electronics school in San Antonio. He is a son of Mr. and Mrs. A. W. Clay, former residents.

Mrs. James Word took her son, Jimmy, to Houston to have the cast removed from his arm Monday and for a check-up. Rev. Irl Richardson accompanied them on the trip to visit with his wife who was in Houston for a medical check-up following surgery on her ankle. They returned home Tuesday night.

Eddie Hanson and Joe Chandler left Wednesday morning on an elk hunting trip to Colorado.

Guests in the home of Mr. and Mrs. Hal Black last week were his mother, Mrs. P. H. Black, and their son, Bob Black, with his wife and two sons, all of Fort Stockton; also his sister, Mrs. Pauline Burke, with her son and daughter-in-law, Mr. and Mrs. Charlie Shaw, and children, all of Hobbs, N.M.

Mrs. B. F. Dawson returned home Sunday night from a visit with relatives in El Paso where she had medical treatment. She also visited with relatives in Las Cruces, N.M.

Mrs. W. J. Ferguson was taken to a Fort Stockton hospital Monday for medical treatment.

Mr. and Mrs. R. V. Spears were here last week end to visit with friends and attend to business matters.

Rev. R. A. English, pastor of the Methodist Church at Iraan, is reported to be improving after being hospitalized in Rankin and then moved to Harris Memorial Hospital in Fort Worth. He is a former pastor here. Rev. C. A. Brickley, a retired Methodist minister residing in Iraan, is in charge of the work there at present.

Mr. and Mrs. J. W. Carruthers Jr. were in Del Rio several days last week while he served on the federal jury.

Mr. and Mrs. S. J. Burchett went to San Angelo Saturday to take his sister, Mrs. A. A. McDougal, who had been visiting here, to go by bus to her home in Dalhart.

Mr. and Mrs. F. A. Hanson are vacationing in San Antonio and on the Texas coast.

Mr. and Mrs. Bill Knight of Del Rio were week end guests with her parents, Mr. and Mrs. A. T. Freeman, and family.

C. E. Clymer was in a Fort Stockton hospital last week for several days for medical treatment. He was brought home Monday.

Mrs. E. W. McSparran is visiting on the ranch with her brother and sister-in-law, Mr. and Mrs. M. H. Goode Jr.

Mr. and Mrs. O. T. Sudduth and Nelda Kay visited with relatives in San Antonio last week end.

Mr. and Mrs. Bob Cooke and daughter of Littleton, Colo., are visiting here with his parents, Mr. and Mrs. Greene Cooke.

Mrs. Alice Pierson of Denver Colo., has been visiting here with her brother and sister-in-law, Mr. and Mrs. E. F. Pierson, and with her sister, Mrs. Bina Miller, in Marthon.

IN FREEDOM'S NAME

Ed. Note: The following is published at regular rates and paid for by Mrs. Monte Goode.

Patriot: One who loves his country and actively supports its authority and interests.

Communist: One who strives to destroy individual freedom in order to achieve a classless society.

In this column communists and pro-communists will be referred to as "The Mistaken."

We need to take certain steps in the U.S. today to strengthen us in resistance to the efforts of

the Mistaken to destroy freedom. Congressman Francis E. Walter, Chairman of the Committee on Un-American Activities of the House of Representatives, has a definite program for helping to meet the threat posed by subversive elements in this country. He offers six specific proposals.

(1) To protect the sanctity of confidential files, including those of the FBI, which the Supreme Court opened to communists and other criminals.

(2) To eliminate the state sedition laws which the Supreme Court voided in another decision.

(3) To take away citizenship right from Americans accepting employment from Communist governments.

(4) To halt the issuing of passports to those who might travel abroad to engage in subversive activities against the U.S.

(5) To establish an office in the Customs Bureau to control Communist propaganda shipped by the ton into the U.S.

(6) To make it a misdemeanor for any person to misbehave as so many of the Mistaken have done before Congressional committees.

A few months ago, an FBI operative who for something like eight years was on the "inside" among the higher-ups of this conspiracy, made the following statement before the Committee on Un-American Activities:

"Based on my experiences, I am sure that the communist conspiracy, by and large today, is much stronger than it has ever been. The party has strengthened itself everytime that it weeds out weaklings, those that they suspect, those who do not accept the party discipline, and as such, it becomes stronger." Those chilling words came from a man who knew what he was talking about — a man who had come to know approximately four hundred members of the Communist par-

ty in the U.S. and who, in his advice for the FBI, had been a participant in their inner councils. America needs, and needs immediately, the protection that would be offered by the kind program proposed by Congressman Walter. Information about that program and the need for it should be widely spread by patriotic Americans.

An Announcement by HENRY FORD II Of Importance To Every Buyer Of a 1961 Automobile . . .

The Warranty of All 1961 Ford Motor Company Cars Is Being Extended to 12,000 Miles or One Full Year

The 1961 line of all Ford Motor Company passenger cars will bring to the American market the finest automobiles ever produced by this company.

Every Ford, Falcon, Thunderbird, Mercury, Comet and Lincoln-Continental has been styled, designed, engineered and manufactured with three primary goals in mind: (1) finest quality; (2) greatest durability; (3) most reliable operation.

So confident are we of the success of our efforts to achieve these goals that the written warranty on all 1961 models has been extended to 12,000 miles or one full year, whichever comes first.

No other American automobile carries a warranty like this.

The previous Ford warranty, traditional in the industry, was for 4,000 miles or three months.

We urge every prospective purchaser of a 1961 car to visit his Ford Motor Company dealer and learn all about the dealer's new 12,000-mile or one-full-year warranty.

Henry Ford II

PRESIDENT FORD MOTOR COMPANY

- SEPTEMBER 29: The new Ford line. Sixteen all-new, full-size models with the classic Ford look, ranging from the value-leader Fairlanes to six new trend-setting Galaxies.
- OCTOBER 6: The 1961 Falcons and Comets. America's most successful compact car combination from America.
- OCTOBER 6: The new Mercury line, with completely new styling and wider range of models.
- NOVEMBER 3: Lincoln-Continental for 1961, America's completely new, distinctive luxury car.
- NOVEMBER 10: Thunderbird. Unmistakably new for 1961, yet unmistakably Thunderbird.

THE ELECTRIC CO-OP PROVIDES

PARTNERSHIP POWER FOR PROGRESS

When the Electric Cooperatives of Texas were first organized, their members agreed to serve anyone in their rural area who needed electricity.

The members borrowed money at interest to build their own electric systems and they are paying back principle and interest, often ahead of schedule.

This broad plan of area coverage has revolutionized rural life. Twenty five years have passed since this covenant was made and the pledge is still unbroken.

Today the member-owners of the 77 electric cooperatives serving Texas can point with pride to efficient, dependable electric systems providing PARTNERSHIP POWER FOR PROGRESS.

Miss Stumberg is the granddaughter of Steve L. Stumberg, Terrell and Brewster County rancher.

Mr. and Mrs. O. J. Hagelgans Jr. and children have moved to the Trevino rent house vacated by Mrs. Sylvan Walker and Miss Bessie Moore.

Heritage Tea Marks Birthday Of Methodist W.S.C.S.

The Methodist Womens Society of Christian Service met Monday afternoon in Fellowship Hall, celebrating the 20th anniversary of the organization with a heritage tea.

During the business meeting the group approved the recommendations of the finance committee to have a bake sale in November and to purchase an electric refrigerator for the church kitchen. New yearbooks were given out.

Mrs. L. G. Hinkle was in charge of the program which opened with a piano prelude by Mrs. Irvin Robbins and the singing of the hymn, "Faith of Our Fathers." Mrs. Hinkle made a brief comment on the theme of the year's programs, "The Word — In Our Midst." Pictures and posters on the bulletin board emphasized the theme.

Mrs. Clyde Higgins told of the early days of the Woman's Missionary Society before 1940 and exhibited mementoes of the period. Mrs. A. B. Gates, the first president of the Womens Society of Christian Service, told of the organizational meetings and first years of the society with Mrs. H. C. Goldwire, secretary, reading the minutes of the two organizational meetings. Mrs. W. T. Ataway and Mrs. H. E. Ezelle recalled money-making projects of the society and listed the ways in which funds were expended with Mrs. H. M. Petty, treasurer giving a report of the current year's finances and budget. Mrs. M. W. Duncanson reported on the membership of the past 20 years and Miss Eva Billings reported on the missionary education program.

Two plates with photos of the church in 1940 and 1960 decorated the worship table. A baby doll represented 1940 and Miss 1960 was a debutante. "The Methodist Church is her father and the Womens Society of Christian Service is her mother," said Mrs. Hinkle, who also interspersed the numbers on the program with clever remarks about Miss Debutante, her present and future life, her accomplishments and needs.

Mrs. L. H. Gilbreath gave the offertory prayer before the birthday offering was taken.

Mrs. Virgil Franks and Mrs. Bustin Canon shared hostess duties.

The tea table, laid in white linen, was centered with a large replica of the W.S.C.S. emblem, flanked by a styrofoam birthday cake with 20 lighted blue candles. The birthday cake, served by Mrs. Petty, was iced in white and decorated in blue and gold flowers with "20" in the center. Mrs. Hinkle presided at the silver tea and coffee service. Salted pecans and mints were also on the table. A miniature W.S.C.S. emblem was on the napkins.

Pictures were made before the meeting adjourned as several of the charter members of the society were present and a number of guests.

Those present were Mmes. C. H. White, A. B. Gates, W. T. Ataway, John Neal, Landon Rose, Clyde Higgins, L. G. Hinkle, H. E. Ezelle, L. H. Gilbreath, H. C. Goldwire, M. W. Duncanson, Ida Bodkin, F. E. Curry, W. F. Frazier, Irvin Robbins, T. J. Stewart, J. C. Green, J. A. Gilbreath, C. M. Vater, Mary J. Williams, Jack McDaniel, Will J. Murrain, B. L. Hunt, Marion Batson, S. H. Underwood, and Miss Eva Billings.

Bride-Elect Feted At Shower Here

Mrs. W. E. Hill honored Miss Harriett Hall with a miscellaneous shower in her home Wednesday morning.

A pink parasol and pink carnations in a casserole decorated the table where the gifts were arranged and later opened by the honoree and passed around for display.

In a contest where the guests tore a Christmas tree out of paper, the prize went to Mrs. L. G. Hinkle and Mrs. Irvin Robbins received the prize in a contest involving a list of household furnishings. The prizes were presented to the honoree.

An arrangement of yellow marigolds was the highlight of the serving table where yellow pottery was used for serving coffee, cream puffs, cinnamon rolls, orange-date and banana-nut cake.

The guests included Mrs. George Adams, mother of the bridegroom-elect, David Graham and Mrs. L. R. Hall, mother of the bride-elect; also Mmes. Leo Adams, H. P. Boyd, D. R. Elrod, Ben Causey, Irvin Robbins, James Word, O. D. Gray, Don Allen, F. E. Curry, J. A. Gilbreath, M. T. Hope, G. C. Wilson, T. J. Stewart, W. G. Shoemaker, and L. G. Hinkle.

Officers Installed At Meeting Of Presbyterian Ladies

The Presbyterian Women of the Church had their general monthly meeting Monday afternoon in Fellowship Hall. Mrs. J. W. Byrd led the opening prayer. After the members had read John 15:1-17 responsively and sung the hymn "Jesus Calls Us", Mrs. Byrd led in prayer.

Mrs. J. D. Nichols read the year's history of the organization. Announcement was made that a double quota of gauze bandages would be made for missionary work in Africa. A training school for officers will be conducted here by Mrs. Hilton of Fort Stockton, district president, on Thursday, October 13, from 10:00 a.m. to 2:00 p.m. The Presbytery will meet in the Presbyterian Church in Midland October 11 and 12.

Mrs. Roy Deaton was in charge of the program on "Love the Lord with all of Your Mind", which was a study of Deuteronomy.

Rev. John W. Byrd, pastor, installed the following officers: Mrs. Byrd, president; Mrs. Sid

Harkins, vice president; Mrs. N. M. Mitchell, secretary; Mrs. C. C. Mitchell, treasurer; Mrs. J. D. Nichols, historian; also the following chairmen: Mrs. R. A. Gatlin, spiritual growth; education Mrs. W. G. Downie; stewardship, Mrs. F. M. Wood; church extension, Mrs. E. E. Farley; world missions, Mrs. W. E. Hill; annuities and relief, Mrs. J. L. Whistler; general field agent, Mrs. L. W. Welch. Mrs. E. F. Pierson will be leader for Circle I and Mrs.

Whistler for Circle II. Mrs. Gatlin will be moderator for the Bible study.

The singing of the hymn "A Charge To Keep I Have" and the Mizpah benediction closed the meeting.

Those present were Mmes. Roy Deaton, John W. Byrd, E. E. Farley, R. A. Gatlin, Sid Harkins, W. E. Hill, C. C. Mitchell, J. D. Nichols, E. F. Pierson, W. H. Savage, N. M. Mitchell, J. L. Smith, and J. L. Whistler.

HERE! '61 CHEVY TRUCKS

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

WORTH MORE BECAUSE THEY WORK MORE!

Listen To Luke — Continued from Page 1—
We don't expect a revival of Americanism to begin in Sanderson and the little that we do try to uphold those principles will not go very far if we alone are trying. But we could start to try ourselves. We could do what we could do about it and hope that others in other places are doing the same.
We've made up our minds to vote for the lesser of two evils nationally. We've said our piece, we've displayed our colors, and we'll try to act according to our beliefs along this line.

Announcing the 1961 Ford...
Beautifully proportioned to the
CLASSIC FORD LOOK

An honor to be proud of, this is the medal presented by the international fashion authority, Centre for L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!
It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. It cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.
It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.
Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.
Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.
This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF
LUBRICATES ITSELF. You'll normally go 30,000 miles without a chassis lubrication.
CLEANS ITS OWN OIL. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.
ADJUSTS ITS OWN BRAKES. New Truck Size brakes adjust themselves automatically.
GUARDS ITS OWN MUFFLER. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.
PROTECTS ITS OWN BODY. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.
TAKES CARE OF ITS OWN FINISH. New Diamond Lustre Finish never needs wax.
