LISTEN TO LUKE

Well, as far as we are concerned, it's spring! Of course, the weather man may have some different ideas that will be revealed later, but it's a safe bet that there are many others who feel the same as we do.

One might think that we write these words after seeing our first crop of shorts — and that would be absolutely right. But the shorts worn by a bow-legged, sun-bleached, hairy-legged, sun-bleached man way beyond the age for a neat appearance in things.

One also might think that this is about to write about the weather. And nothing could be further from the truth! We wish that we could have released ourselves from even mentioning the subject, but we were overwhelmed and overpowered by an irresistible force to do words about spring were thought about by the feeling in the air, the notice of such a profusion of flowers locally, by the coming of Easter, and by the fact we are being called upon by our wife to do some work out in the yard.

It will all be glad when the start is let for local seal-coating and proposed improvements to be made to streets here. The work will offer many advantages to local citizens, especially to the property owners.

There are lots of reasons why property owners are not doing the work done adjacent to their property and we are by no means offering any condemnation to any of them. But we wish it were possible for all property owners to have the work done along all of the present streets.

There is a matter of drainage in many cases, others are going to the expense because of the fact that an up-hill job — for reasons of the work — is not having the work done and then there are others who simply do not have the money to do it.

People should remember that there are many reasons why a property owner might not have this improvement made and do not be too hasty in their condemnation or insinuating remarks.

The school board election has been held and there are no new members on the board — the incumbents won by a sizeable margin.

There is one case — as far as we are concerned — that whoever it was that it were not for the fact that would be involved, would like to see everyone get to serve in such a capacity in order to be on the losing end of some of the criticisms, and sometimes light condemnation for their actions.

We always favored a seven-member board even though our members were misconstrued. But reasons for favoring the seven-member board were to spread the responsibility over a wider area, to give the load of so many and giving more people an opportunity to assume some of the responsibility, but for clearer better decisions, but simply distribute the load more.

Finally, one could go too far in any direction. We would not have a 15-man board for the reason that is too large a number to come to a clean-cut decision with any consideration.

Over the many years past, in joint efforts as newspapermen to know something of the workings of our various phases of government on the local level, we have observed that the public servant is to a great degree servitude to the public.

Notices Going Out To Delinquents On School Tax List

Notices are being prepared for mailing to all persons delinquent on real and personal property taxes to the Terrell County Independent School District, according to A. H. Zuberbueller, tax assessor-collector for the district.

The notices show the property, the amount of the tax, penalty, and interest at the time of the mailing. Mr. Zuberbueller stated. Persons who wait until the month after receiving the notice before mailing their checks for the taxes, will have an additional penalty and interest to pay, he said.

It was stated that since the school district was only two years old and had had the power to tax only that long, that the list of delinquent taxpayers was surprising. Tax payers are urged to get in their tax payments as soon as possible to avoid additional penalty and interest on their delinquent taxes.

County Board Remains Same After Election

The Terrell County School Board remains the same following elections held in precincts 2 and 4 last Saturday. The incumbents re-elected for a 2-year term are Jack Riggs in precinct 2 and C. M. Turk in precinct 4.

There were no candidates announced for election in either precinct and the men were named on a write-in vote.

The returns will be canvassed at the next meeting of the commissioners court.

The returns in the two precincts are as follows:

Jack Riggs, 8; F. J. Barrett, 1; Jim Powers, 1; George Adams, 1, in precinct 2; in precinct 4, Turk got all four votes cast for this post.

PERSONALS . . .

Mr. and Mrs. Doyle Harkins and family and his mother, Mrs. E. E. Harkins Sr., all of Austin visited here during the holidays with E. E. Harkins Jr., Sid Harkins, and Jolly Harkins and their families.

H. A. Mullings and Walter Thorn were business visitors in Pecos Monday and Mr. Thorn brought his grandson, Bobby Lowther, of Fort Stockton to Sanderson for a visit.

Mr. and Mrs. Fred Willard of Houston were week-end visitors in the home of her parents, Mr. and Mrs. E. F. Pierson.

Mr. and Mrs. Gene Chandler and children returned home to Odessa Tuesday after visiting with his parents, Mr. and Mrs. Clarence Chandler, and her parents, Mr. and Mrs. Ruel Clark, and family.

Miss Peggie Cooke of the University of Texas was a holiday visitor with her parents, Mr. and Mrs. Greene Cooke, and family.

Mr. and Mrs. Kip Gatlin left Sunday for Lubbock after visiting here for several days with his parents, Mr. and Mrs. R. A. Gatlin.

Mr. and Mrs. Jack Riggs and daughters went to Del Rio last weekend to visit with relatives.

Mr. and Mrs. Carlton Smith and children visited with her parents in San Juan during the holidays.

Miss Judy Denson, student in the Shannon Hospital School of Nursing, was a week-end visitor here, returning to San Angelo Monday. She is the daughter of Mr. and Mrs. J. H. Denson.

Mr. and Mrs. Ray Caldwell, her daughter, Mrs. Gene Thompson and her granddaughter, Raylene Thompson, left Tuesday on a vacation trip, going first to Houston to visit with another daughter, Mrs. Ed Boykin, and family.

Incumbents Named To School Board

The three incumbents of the Terrell County Independent School District Board of Trustees were re-elected in balloting in Terrell County last Saturday. There were 209 votes cast in the county in this race.

The tabulation of votes received by each of the five candidates follows, plus the listing of the write-in votes cast in precinct 2:

	1	2	3	4	Tot.
Cates	154	13	5	6	178
Harrison	104	14	8	6	142
Wood	121	12	7	6	146
Litton	84	1	3	0	88
Harris	73	1	7	0	81
Jim Powers	1				1
George Adams	1				1
Rufus Ross	1				1
Edward Kerr	1				1

There were 181 votes cast in precinct 1, 15 in precinct 2, 8 in precinct 3, and 6 in precinct 4.

At a meeting of the school board Tuesday night, the returns were canvassed and Herbert Cates, S. D. Harrison, F. M. Wood Jr. were declared the duly-elected board members, each having received more votes than Gene Litton and P. G. Harris Jr.

Tower-Blakley In Runoff

John Tower leads in Terrell County

William Blakley also in run-off

John Tower led the other candidates for the U.S. Senate post in balloting in Terrell County by a sizeable margin, with William Blakley in second-place spot in

this county, according to unofficial returns.

The tabulation of all votes as reported by the election judges of precincts are:

Blakley	1	2	3	4
Gonzalez	50	13	0	5
Maverick	38	3	0	
Tower	70	18	12	
Will Wilson	20	7	0	
Jim Wright	7	0	0	
Payne	2	0	0	
Smith	4	0	0	
Hugh Wilson	1	0	0	

Brown Re-Named School Board Head

At the meeting of the school board Tuesday night, Herbert Brown was re-elected president of the Terrell County Independent School District Board of Trustees by other members of the board. John T. Williams was re-elected vice-president; and S. D. Harrison was re-elected secretary of the group.

Following the canvassing of the returns of the election last Saturday and the election of officers other routine business matters were disposed of prior to adjournment.

The date for the run-off election will be in June.

Tuesday's vote was considered exceptionally light since there are some 750 eligible voters in the county.

Frequent Visitor Here

Miss Dorothy Ann Lawson, the 17-year-old daughter of Mr. and Mrs. Hugh Lawson of Stanton, received a badly-fractured arm in an accident at her home last Thursday. While she was in a closet in her home, a loaded 22-calibre rifle fell, causing it to discharge, and the bullet struck her in the arm. When she underwent surgery Friday, the bone was found to be splintered and further surgery and bone grafts will be necessary, according to reports.

Miss Lawson is a niece of Mrs. George Turner and has been a frequent visitor here.

Miss Mary Lamberson in P.C.

Miss Mary Lynn Lamberson, niece of Mr. and Mrs. C. H. Stavley, will appear in George Bernard Shaw's play "Saint Joan", scheduled for performance at Sul Ross College April 24-28 at 8:15 p.m. in the Little Theatre.

Miss Lamberson is a freshman elementary education major at the college.

R. V. Spears Recuperating

Word has been received from R. V. Spears, a former resident who had recent surgery in a Houston hospital, that he is recuperating satisfactorily from abdominal surgery. He is reported to have had pneumonia following the surgery, but is expected to return to his home in San Antonio this week.

Lions "Candy" Day

The proceeds of the sale will go toward rebuilding the local softball field and reactivating the sport, according to Jack C. Turner, president of the local club. John Huey is chairman of the sale.

Cancer Cure Best Among Women, Experts State

Odds favor women so far as lives saved from cancer are concerned. The death rate from cancer for every 100,000 women in the United States is 136.2, while it is 156.4 for every 100,000 men.

The two most common sites for cancer among women are the breast and uterus, an authority stated.

Breast cancer now takes the lives of some 22,460 women each year, or 26.6 for each 100,000 population. This is the top cancer-killer among women. Second is uterine cancer, which kills some 14,900 women each year, or 17.0 for each 100,000 population, the report stated.

Women, in cooperation with doctors, are helping to reduce this figure, according to medical authorities, because both cancer of the breast and uterus are in readily accessible sites, and it is possible to diagnose and treat them in their early, most curable stage.

It was disclosed that there is available a remarkable cancer detection procedure for the uterine cancer which is called the Pap smear. This is a simple technique that permits detection of early cancer before it causes symptoms. This cell examination, if universally applied, would virtually eliminate cervical cancer as a cause of death, it was pointed out. This is the reason that the American Cancer Society has fostered a nationwide program urging every woman to go to her doctor for this life-saving test.

It was stated that about 55 per cent of all women in the United States who develop uterine cancer are being saved, and there are now some 175,000 women living who have been saved from uterine cancer.

The authority also stated that breast cancer is also under attack by modern techniques of early diagnosis and treatment. More and more women are being saved each year and thousands of women have responded to the Society's program of breast self examination for possible lumps or changes in the breast. The Society has also appealed to all women to have an annual health checkup.

Since 1936, the cancer death rate in women has been decreasing while the death rate in men from cancer has been going up," the report stated. "Today, the odds favor women who have proved the annual checkup pays off in saving lives. Men might change the odds if they, too, will have health examinations."

Juan Ramirez' Funeral Rites Held Saturday

Funeral services were held Saturday afternoon in St. James Catholic Church for Juan Ramirez, Sr., who died in a Fore Stockton hospital early Friday morning. The Janes Funeral Home was in charge of arrangements and burial was made in Santa Rita Cemetery.

Ramirez was born in San Antonio on August 19, 1905. He had resided here since 1920 and had been employed on a section gang of the T&NO most of his adult life. He was seriously injured while on duty over two years ago and had to take his retirement on account of ill health in August of last year.

He had been hospitalized for twelve days.

He was married to Miss Teresa Torres in Sanderson in 1929.

Besides his widow, he is survived by two sons, Juan Ramirez Jr. of Pecos, Isaac Ramirez of Andrews; a daughter, Mrs. D. A. Allison of Pecos; also six grandchildren.

County Lamb Crop Below Last Year

The lamb crop on ranches of Terrell County is slightly below last year's average, according to information relayed by several ranchmen who were contacted.

It was a consensus that the average over the county would be in the low 90's where last year's average was 100 per cent or better, the ranchmen stated.

Almost all ranchmen of the area have completed their marking and many have sheared or are planning shearing as soon as shearing crews are available.

Condition of the range is said to be good at the present time, but all stock men agree that a good rain is needed soon to keep the growth of weeds and grass coming along to carry the stock through the summer.

Former Resident Dies

Funeral services were held in Brackettville Monday afternoon for Johnny Miller of El Paso, who was a former employee in the meat department of the Kerr Mercantile Co. Mr. Miller had been in ill health for some time and his death was not entirely unexpected Thursday morning.

Following funeral services in El Paso, the body was shipped to Del Rio and taken to Brackettville for interment.

Miller was a graduate of the Brackettville High School and at the time of his death he was an executive of the Safeway Stores in El Paso.

Besides his widow, he is survived by a daughter, two grandsons, and three sisters and three brothers.

SCS Technicians To Study Atomic Fallout If Necessary

Technicians of the Soil Conservation Service assisting the Rio Grande-Pecos River Soil Conservation District received training in radiological monitoring in Fort Stockton. It will be the responsibility of the SCS technicians to monitor radioactive fallout in this area in the event of an atomic attack on the United States. Sanderson was picked as one of approximately 3,000 fixed radiological monitoring stations across the country.

Austin-Texas Senate now has a tax bill—one designed to wipe out about half the deficit that is expected to be about \$63,000,000 when the new fiscal year starts September 1.

Revenue-raising measures must be passed by the House before they can be considered by the Senate, and the upper chamber has waited with polite impatience for the House to send it something to work on.

Passed 85-to-60 by the House was the so-called "loophole bill" by Rep. Charles Ballman of Borger.

It is a sort of catchall bill that (1) plugs up some leaks in the revenue bill passed last session, taxing central air conditioners, juke boxes, etc., (2) provides for a transfer of one per cent of the permanent school fund to the available school fund, (3) sets up a two-factor formula for corporate franchise taxes and (4) levies a state gift tax of one-half the federal gift tax.

Caption of the Ballman bill is broad enough that a variety of other money-raising plans could be added to it should legislators be able to agree to them.

Meanwhile, the House Revenue and Taxation Committee still has a lot of other tax bills in the mill. Three sales tax bills

were sent to subcommittee, as well as a hotly debated proposal to levy a 10 per cent tax on trading stamps.

A trading company spokesman said there is only a three per cent profit on the operation and that a ten per cent tax would put them out of business.

On the other hand, stamps were attacked as "counterfeit money" and an unnecessary burden on both merchant and consumer.

Strike Three
 Texas Supreme Court made short work of a 1950-passed tax law that many lawmakers had hoped would be a potent future revenue raiser.

Without issuing an opinion, the high court agreed with the trial court and civil appeals court that the severance beneficiary tax on gas is unconstitutional.

Although three state courts have turned thumbs down on the gas tax, the last chapter remains to be written by the U. S. Supreme Court. As passed in 1950, the gas tax was low (1 1/2 per cent of market value), but supporters had indicated that if the law survived its court battles, the rate would be raised to bring in more money.

Ladies Score in House
 House has passed and sent to the Senate a proposed constitutional amendment that would automatically erase all statutes that treat women differently from men.

Rep. Ben Atwell's very brief amendment states that "equality under the law shall not be denied or abridged because of sex." It passed the House 135-to-10.

Senators have misgivings about causing such sweeping changes

in the law. Some 44 statutes would be affected.

Loan Fight Shapes Up

House members are coming to grips with one of the session's touchiest issues — regulation of small loan companies.

House Committee on Banks and Banking reported to the floor a bill authored by Rep. Criss Cole of Houston. It is being subjected to widespread criticism, but Cole, long-time veteran of the loan regulation effort, declared that no bill was going to satisfy all the interested factions.

Cole's bill sets up a sliding scale that would allow interest rates of just under 40 per cent on loans of \$100 and dropping gradually to about 11 per cent on a \$3,000 loan. It also allows for "reasonable insurance charges," at rates set by the State Board of Insurance.

Abner McCall of Waco, spokesman of a statewide committee for sound loan laws, said the interest rates were too high and that the limit on credit insurance charges should be clearly defined.

Breweries (Pro and Con)
 Legal restrictions on breweries and the desirability of having breweries at all came up for spirited discussion before the Senate State Affairs Committee.

Rep. Don Kennard of Fort Worth is author of the House-passed bill that would give brewers of ale the privilege, as beer makers, to continue their operations in a territory after it is voted dry. It would also increase from one year to three years the time allowed a brewery to begin production after it got its license.

A large out-of-state manufacturer of ale is planning to build a \$20,000,000 plant in Tarrant County. Any change would, of course, affect the whole state.

Supporters of the bill emphasized the new jobs and payroll it would create. Opponents, mostly ministers and church leaders, declared it would contribute to the problems of alcoholism.

Phone Rates Studied
 House State Affairs Committee is studying a bill by Rep. Dan Struve of Campbellton that would place regulation of telephone service, within the state's borders, in the hands of the Texas Railroad Commission.

Representative Struve says Texas is one of two states that does not have this sort of regula-

Mr. and Mrs. Bustin Canon returned home last week from a visit with his sister, Mrs. George J. Bailey, and her sister, Mrs. G. E. Poulter, and their husbands in San Angelo and in Ozona with Mrs. Canon's brother, Lindsey Hicks, and family.

Mr. and Mrs. W. P. Pendleton and children, Barry and Julie, left Tuesday for their home in El Paso after visiting here for several days with her parents, Mr. and Mrs. S. C. Harrell, and her grandmother, Mrs. John Neal.

Week-end guests in the home of Mr. and Mrs. T. O. Moore were

tion and that other states have lower rates.

Other witnesses testified that a long distance call within Texas borders costs more than one of the same distance that crosses the state line.

Pre-Paid Funerals Debated
 Funeral directors and cemetery operators clashed before both House and Senate committee over a bill to restrict pre-paid funeral arrangements.

Funeral directors declared that their only desire was to protect the public by requiring that money paid in advance for funeral expenses be put in a trust fund.

Cemetery and mortuary operators retorted that the funeral directors wanted to discourage pre-paying of funeral expenses. They contended that families who make funeral arrangements at the time of bereavement, spend more money than if arrangements are made in advance.

Short Snorts

A test vote in the Senate indicated that Sen. Dorsey Harde- man's proposal to abolish the Court of Criminal Appeals and transfer its duties to the State Supreme Court, is short of enough support for passage. . . . Sen. A. R. Schwartz of Galveston says he will introduce a bill to allow nurses registered in other states to practice in Texas, thus to help alleviate the shortage of registered nurses.

their daughter, Mrs. Larry Heintz, with her husband and two sons of San Marcos and Mr. Moore's brother-in-law and sister, Mr. and Mrs. Louis Trlica with Sharon and Mike and their daughter-in-law, Mrs. T. W. Trlica, all of Dallas.

Mrs. C. H. White returned home Sunday from a visit with her daughter, Mrs. Jeff Pugh, and family in Abilene and with her son, Minton White, and family in San Angelo. The Whites and their son, Jimmie, brought her home.

Bruce McElroy, who attends Southwest Texas State College in San Marcos, was a holiday visitor here with relatives and with Eddie Hanson.

Sunday visitors in the home of Mrs. J. R. Blackwelder were Mr. and Mrs. Dick Hill of Sonora, Mrs. J. L. Blackwelder and children of Fort Stockton and Mrs. Weldon Blackwelder and son of Fort Stockton who also visited with her mother, Mrs. W. R. Turner.

Richard Carroll, Sul Ross freshman, spent the Easter holidays in Arlington with a classmate, Joe Carney. Elton Carroll, who attends San Angelo College, went to Wichita Falls to visit with his classmate, David Todd. The Carroll boys are sons of Mr. and Mrs. N. M. Carroll.

Miss Kay Williams, Trinity University student, spent the Easter holidays here with her parents, Mr. and Mrs. J. T. Williams, and family. Miss Yvonne Fricke and Miss Melissa Ash, also of Trinity University, accompanied her to Sanderson.

Guests in the home of Mr. and Mrs. Willie Banner last week were her brother and sister-in-law, Mr. and Mrs. Mann Thomas of Manteca, Calif., and her

brother-in-law and sister, Mr. and Mrs. W. J. Smith, of Hondo.

Weekend guests in the home of Mr. and Mrs. M. W. Duncan were her brother-in-law and sister, Mr. and Mrs. Johnny Johnson and son, Victor, of Lubbock; her brother-in-law and sister, Mr. and Mrs. Virgil Musick and daughter, Anita, of Abilene; her niece, Miss Linda Musick, and Lloyd Kefauver of El Paso.

Bill C. Cooksey is attending a school for Texas Highway Patrol officers in Midland this week.

Mr. and Mrs. Bill Williamson of Silverton brought her parents, Mr. and Mrs. Robert Rhea, of that city, to Sanderson to spend Sunday with their daughter, Mrs. Sid Wood, and family. Other visitors in the Wood home for the weekend were her sister, Mrs. Gene Swatt, and baby of Eunice, N.M., and her brother-in-law and sister, Mr. and Mrs. C. L. Smith, and children of Alpine.

Mrs. Bill Hance was in a Fort Stockton hospital for several days last week for medical treatment.

Mr. and Mrs. J. M. Harrell and children returned to Seminole Monday after visiting here for several days with his mother, Mrs. F. K. Harrell, and with other relatives.

Charlie Gregory who has been hospitalized in Alpine for three weeks for the treatment of a heart ailment is reported to not be resting well since Monday.

Weekend guests in the home of Mrs. C. L. Surratt were her daughter-in-law, Mrs. H. L. Surratt, with her children, Pamela and Clint, and Miss Stephanie Hickock of Marfa.

Mrs. B. F. Martin and her nieces, Miss Sandra Weber, visited Sonora Friday and Saturday with friends. Miss Eva Billings accompanied them to Sheffield to visit with her sister, Mrs. Hollis Hall and family.

Mr. and Mrs. W. D. O'Bryen and her mother, Mrs. Mary L. Kellar, visited in Ozona last Saturday and Sunday with O'Bryen's son and daughter-in-law, Mr. and Mrs. William D. O'Bryen.

Mrs. Walter Carruthers and daughter of Carta Valley visited here last week with her parents, Mr. and Mrs. J. W. Carruthers, Jr., and other relatives and with her father, Oscar Be dele of Dryden.

Where will you find a handsomer hardtop than this Impala Sport Sedan!

MORE PEOPLE ARE BUYING CHEVROLETS THAN ANY OTHER MAKE!

When one car outsells all the rest the way this new Chevrolet is doing—there's got to be a reason. And we can think of some pretty good ones. The clean-etched looks of the new Body by Fisher, for example. The eager brand of "git" that's under the hood. The easy way it handles. Plus the added advantage of extra-cost options like triple-turbine Turboglide.

But to sample all these reasons together, you have to get a Chevrolet out on the road. And there's where that Jet-smooth ride takes over with its own gentle kind of

AND JUST ONE JET-SMOOTH RIDE WILL SHOW YOU WHY!

persuasion. If you weren't absolutely sure, you'd imagine you were riding in a far costlier car.

No wonder people are buying more Chevrolets than any other make! Chevrolets have more of what it takes to please people!

*Official R. L. Polk & Co. registration figures show full-sized Chevrolets outsold the second-choice make by a record-breaking margin in 1960—and Chevrolets continue to set the pace for the industry this year!

Listen To Luke -

Continued from Page 1 - fired distasteful, why do those that have the job want to keep it? And that's a good question! But there's a certain amount of vanity involved, and there's a certain amount of obligation involved, and there's a certain amount of self-satisfaction involved in doing what you think is absolutely best for the majority concerned.

We say that in order to say this - sometimes let's pass out a few bouquets to our public servants instead of so much condemnation. And no matter who happens to be trying to run our schools, and other local agencies and things, consider for a while the decisions that must be theirs and the responsibility that must be theirs before you are too quick to condemn.

If the vote in the U.S. Senate indicates anything at all, it indicates that the people of Texas were vitally interested in getting a Senator with conservative habits and political outlook into that august body. Could it be that the majority of voters of Texas are already sorry for their liberal vote in the presidential election? There were more votes cast for avowed Kennedy "noseblower" Jim Wright than we thought there would be, but the rest of the race went right along with the predictions of most of the "authorities".

Terrell County showed its approval of the conservative wing of whatever party in giving the two conservative candidates a decisive margin of votes. If the indication of the votes was dissatisfaction, we only wish that voters had stopped to think prior to the presidential election that this was for a four-year term and not a weekend affair they were sanctioning.

Contractors Notice of County Seal Coat Construction

Sealed proposals addressed to the County Judge and Commissioners Court of Terrell County for construction of approximately 8 miles (Approx. 115,000 s.y.) of asphalt Seal Coat in Sanderson, Terrell County, Texas will be received in the Commissioners Court Room in the County Courthouse, Sanderson, Texas, until 10:00 A.M., April 10th, 1961, and then publicly opened and read.

Family enjoys convenient living, more privacy with extension phones

By DON DAVIS, Telephone News Writer

"A phone in our bedroom is really convenient, because it's nice and quiet there, and I have complete privacy," says Jay Brandstetter, who spends a lot of time arranging club, civic activities by phone.

"My wall phone," says Mrs. Brandstetter, "is the handiest thing when I'm working in the kitchen. Bonnie Jay likes it, too, because it is low enough for her to reach easily."

Like many families nowadays, Jay and Lucille Brandstetter and their two daughters, Sharon and Bonnie Jay, are really on the go.

No doubt that's why they're quick to take advantage of today's modern conveniences—such as colorful extension telephones—that help them get more things done. The Brandstetters, for instance, have three phones in their seven-room house.

"I just don't see how we'd manage without extension phones," Mrs. Brandstetter says.

Why don't you enjoy the timesaving convenience, the privacy and the security of extension telephones? Just call the telephone business office or ask any telephone serviceman. Cost is low.
