SANDERSON, TEXAS, FRIDAY, NOVEMBER 3, 1961

**Highway Repair** In Terrell County Is Scheduled

The Texas Highway Commission today approved the expendi: ture of \$45,400 for Highway Safety and Betterment in Terrell County during 1962, announced District Highway Engineer Archie J. Sherrod of Odessa. He said a total of 30.2 highway

miles in the county will be involved. The work will be under the supervision of J. R. Walker, senfor resident engineer in Fort Stockton. This work is part of the 1962 State Highway Safety and Bet-

terment program just authorized by the Highway Commission. Under this program, a total of 2,433 miles of U.S. and State highways will be improved. Work will be done on 378 projects in

156 counties. Purpose of the annual program is to continue the improvement and modernization of U.S. and State highways for increased safety and convenience of travel.

The annual Safety and Betterment program is one of the prime factors responsible for a significant 26 per cent drop in the number of traffic deaths on primary highways during the last seven years, the Commission said.

Together with programs for new construction and careful maintenance, the Safety and Betterment program has helped to achieve a meaningful reduction in traffic fatalities on primary highway system", said Herbert C. Petry, chairman of the Highway Commission.

Petry termed the Safety and Betterment program as "not only desirable but essential for the safety and comfort of people who travel Texas highways in record

The program, he said will "perpetuate and protect the taxpayers' investment of well over \$2 billion in the Texas highway sys-

Highways are due for improvements such as surface widening, bridge widening and replacement, base strengthening, and

rebuilding of shoulders. District Engineer Archie J Sherrod said a total of 230.4 miles in this highway district would be involved, at a total cost of \$717,-

The following projects will

take place in this county: U.S. 90 from east city limits of Sanderson to 0.5 miles east of Dryden, approximately 19.4 miles with seal coat at an estimated cost of \$34,300.

U.S. 285 from Pecos County line to U.S.90, approximately 10.8 miles, seal coat, at approximate cost of \$11,100

Bustin Canon Has Surgery

Mr. and Mrs. Brown and their three children were all in Alpine last weekend with her father.

Benefit Dessert-Bridge Tuesday The Legion Auxiliary had a benefit dessert-bridge Tuesday afternoon in the Legion Hall to raise funds to send a girl to Girls'

State in Austin next June. Arrangements of yellow and red chrysanthemums decorated the hall.

Mrs. Clyde Higgins was hostess for the afternoon and decorated the bar with an arrangement of bronze and yellow mums and canna leaves. Tea and coffee were served from a silver seralso white cake squares with a topping of fruit and whip-

**Brewer Named** Manager For Phone Company Here

JAMES M. BREWER

James M. Brewer of Lubbock has been appointed manager for Southwestern Bell Telephone Co. in Sanderson, Fred Kester, district manager in Midland, announced. Brewer will be in chage of the company's business office operations in Alpine, Big Bend National Park, Crane, Fort Davis, Marfa, Marathon, Presidio. Sanderson and Fort Stockton.

Brewer succeed Matt Butschek who has ben transferred and appointed manager for the company in Odessa. Butschek has been manager here since March of this year.

The new manager began his telephone career in Dallas in 1950 as a cable splicer's helper. The following year he was promoted to commercial engineering assistant. He held various positions in the company'scommercial department in Dallas until 1957 when he was transferred to Lubbock as forecast engineer. In 1960 he became commercial staff assistant, the position he held until his promotion to manager

Brewer attended North Texas State College, and Texas Tech. The Brewer family will move to Fort Stockeon in the near fu-

### Trapping Club Has Annual Report

The Dryden Trapping Club reported last weekend that during the year past, the confirmed kills were 37 coyotes and seven bobcats. Ray Brotherton is the trapper for the club.

Members of the club pay 50c per section dues, payable six months in advance, and Mr. Brotherton works at trapping predators on the member ranches.

Any person in that area interested in joining the club is asked to contact F. M. Wood.

Miss Shirley Williams Joins Sul Ross Vocal Group

Miss Shirley Williams, daughter of Mrs. Mary J .Williams of Reported Locally Sanderson, has been seeleted for membership in The Modernaires, a vocal group made up of selected personnel, under the direction of Professor Glenn F. Davis, head of the Fine Arts Division of Sul Ross College. The Modernaires perform music of all styles, both in college and in out-of-town appearances. Unique staging and costuming are part of the effectiveness of this or-

ganization. Miss Williams is a freshman music major at Sul Ross.

### Calendar of Events

Monday - Methodist W.S.C.S mission study, beginning of Na tional Education Week

Tuesday - Ranch Club, Eagle Booster Club. F.T.A. induction service, Band Boosters Wednesday - '51 Club, Rotary

Thursday - Achievement Day for the Duplicate Bridge Club's Tea, Lions Club, Legion meeting, Duplicate Bridge Club

## **Plans Working For Rural Phones** In This Area

Two telephone companies are working on plans to supply telephone service to most ranches of the county, according to representatives of the two compan-

Neville Haynes, co-owner of the Big Bend Telephone Co. of Alpine, was in Sanderson this week and had been making some preliminary surveys on the possibility of installing telephones to all ranches now being serviced by the Rio Grande Electric Co-op. He stated that he expected to complete his surveys soon and hoped that the plans could be completed shortly to go ahead with the beginning of the construction.

Last week, Matt Butschek, the former manager of the Southwestern Bell Telephone Co. stated that complete plans and information concerning the number of people who could be served by phones feasibly had been mailed in to the area offices for their information and consideration. He said these plans included the running of a line north from Dryden to the Independence Creek country, and another line northeast out of Sanderson along RM 2400 to near Sheffield. Branch lines off of the two trunks, it was hoped, would make telephone service available to all but the southern part of the county.

Ranchmen who now have telephones and those without phone service probably will be contacted soon by one or both companies and the details of the plans cost, etc., will be explained.

### Students To Collect 'Clothes Bundles' For World's Needy

During the week of November 5-11 the students of the local schools will gather good, used clothing for children and adults in underprivileged areas of the United States, and for victims of war and disaster in overseas countries. The clothing collection is a joint project of "Save the Children" Federation, leading U. S. educators, and more than six million school children.

Supt. Matt Bader said: "We are urging parents, friends, and neighbors of our students to cooperate in this campaign to get good used clothing out of storage areas and into use by boys and girls, men and women, who otherwise this winter will suffer intensely from the cold. Lowheeled shoes and overshoes are badly needed."

Clothing may be brought or sent to school in bags or cartons

# Quiet Hallowe'en

An exceptionally quiet night on Hallowe'en was reported by Sheriff Bill C .Cooksey and Deputy Dalton Hogg. Cooksey said that he had gone to the boys at a school assembly and appealed for cooperation during the holiday night and asked that their actions not be destructive and not include vandalism.

Windows downtown had their usual soap markings on them and the customary writing of new-found obscenity by some of the pranksters

Both the officers were up all night due to disturbances other than by Hallowe'en pranksters.

Frankie Turner. Texas Tech sophomore spent the week-end here with his percets, Mr. and Mrs. George Turnet Accompany ing him to Sanderson were two other Tech students, Joan Wood daughter of Mr. and Mrs. F. M. Wood, and Bill Dunn, son of Mr. and Mrs. Carlos Dune.

# Sanderson Over Van Horn 7-0; To Meet Fabens Here Friday

The Sanderson Eagles barely eked out a win over their Van Horn cousins last Friday night there when they came out on the top side of a 7-0 score. The San derson team went to the air and got their lone score on a 14-yard pass from Larry Harrell to Johnny Benavides in the second per-

Jimmy Jones kicked the extra point for the Sanderson team. Sanderson had one called back in the last period because of a ho'ding infraction.

## **Drilling News -**

Hunt-Herbert No. 1 Spencer was last reported drilling below 8,005 in lime and shale. Location is on section 16, Block 1 in the TCRR Survey.

Shell No. 1 Noelke is drilling below 9,814 feet, according to the latest information received. Location is on section 2, Block A2 in the TCRR Survey.

Roden 1 Hicks has completed testing and is reported to be waiting on potential. Location is on section 16. Block 161

### **Gas Plant News**

Mrs. Sandy Smith, Debbie and Casey of Tatum, N.M., visited a few days last week with Mr. and Mrs. Charlie Smith.

Mr. and Mrs Bill Hall and children visited relatives in Sid Brooks and Cecil Smith

were business visitors in Comstock one day last week. Mr. and Mrs. Frank Felts

spent Friday night in Van Horn and attended the football game in Alpine Saturday night. Mrs. Richard Sowders and

Mrs. James Cooper spent a few days last week in Junction visiting Miss Joan Sowders. Bruce and Shanna Beth Nor-

red are visiting this week with their grandparents in Snyder. Mike Patterson was admitted to the hospital in Iraan Tuesday

Mr. and Mrs. George Featherston were in Ozona one day last week to have dental work done.

afternoon.

Mr. and Mrs. Howard Ketch um, J. H. and Hugh, visited relptives in San Saba over the

Mr. and Mrs. Bob Norred and Mr. and Mrs. Frank Felts attended a square dance in Iraan on Tuesday night.

### **CPS Wins Again** In Safety Contest

Community Public Service Company has again won first place in the public utilities Division of the National Safety Council's annual fleet safety contest, it was announced at the National Safety Congress in Chicago on October 19.

This is the seventh time that Community has won such a firstplace award since the National Safety Council began its fleet award program 15 years ago, says James Caroline, CPS manager here. In addition, the power comany has won two second-place awards and one third place award during the 15-year period.

Community's fleet, which is comprised of 277 vehicles, operated 4,013,000 miles during the 12-month contest period with only eight chargeable accidents. This is a rate of .19 accidents per 100,000 vehicle miles. Average rate for the utilities reporting in the group is 1.30.

Community Public Service carries on an intensive year-round safety education program for employees, not only for vehicle operation, but also in personal and line safety techniques.

NUMBER 39

only once during the game. Sanderson led in first downs by 16-6; yards rushing 215 to 49; yards passing 72 to 63; and completed five of nine passes to five of 13 for Van Horn

plagued with fumbles through-

out the game and lost the ball

twice on passes. They punted

Friday night of this week the Eagles will host the Fabens Wildcats in another district tilt

Fabens had a poor district record and with all things being up to par Sanderson should have an easy time with the visitors.

The game will get started at 7:30 p.m. and all fans are urged to be on hand at game time.

## **Cold Front Misses Terrell County Area**

The cold front which gripped most of the state Tuesday morn ing completely missed Terrell County and temperatures have ranged in the low 80s at the peak of the temperature reading. The nights have also been warm com

Clouds prevailed since Monday night when a heavy for blanketed this area. The cloud covering has become more dense in the late afternoon with high humidity but no rainfall has been reported in the county this

### Greene Cookes Sell **Grocery Store To** Jock C. Turners

In a transaction that was completed on Monday of this week Mr. and Mrs. Greene Cooke sold their grocery and market to Mr. and Mrs. Jack C. Turner. The business will be operated as Cooke's Food Market

Mr. and Mrs. Cooke have been in business here for 30 years. first operating a market and grocery store in the Brown Building next door to the fire house and later building the place where they have been located for the past 20 years.

The Cookes came here from Ozona.

Mr. Turner will operate as a cash and carry grocery and market and said that he hopes by such operation to be able to sell grocery and market items at a cheaper cost to the people in this trade territory.

Mr. and Mrs. Cooke stated that they appreciated the splendid associations they have enjoyed during the years they have been in business here and hope that Mr Turner could enjoy the same advantages and privileges.

Mr. Cooke stated that he was neither retired nor unemployed that he would be working for an indefinite time doing Mrs. Cooke's bidding at their new home. He said that the flower beds, lawn, and other outside improvements already planned and scheduled would take up his time until she was able to find other things for him to do.

Mr. Turner stated that he would appreciate the patronage of all his friends and other citizens of the county he had not yet met and would try to give good service and offer good quality groceries, meat, and produce items at attractive prices.

New Hours for Winter Mass

New hours have been announced for winter masses at James Catholic Church. hours of the Sunday mass are 8:00 o'clock and 9:30; for week days. mass will be at 7:15 a.m.

Mrs. G. R. Petersen and Mrs. K. H. Stutes were business visit ors in Fort Stockton Tuesday.

### Mrs. R. S. Wilkinson In Hostess For Wednesday Bridge

Mrs. R. S. Wilkinson used chrysanthemums to decorate the living room in her home when she entertained the Wednesday Bridge Club this week with a bridge-luncheon.

In the card games Mrs. Tol Murrah and Mrs. Jack Riggs haid slam prizes, Mrs. F. M. Wood was second high and Mrs. Mary Lou Kellar was high.

Others present were Mmes. S 1. Stumberg, Jim Kerr, Herbert Brown, Will J. Murrah, Matt F. Bader, John T. Williams, and E. J. Hanson.

### Tacky Party For Gas Plant Residents On Tuesday Night

The gaily decorated recreation hall at the El Paso camp was the scene of a festive tacky party on Tuesday night when most of the employees, their wives and guests gathered to enjoy an evening of games and visiting. Movies were also made during the games.

Refreshments of assorted cookies, marshmallows, candy, lemonade, and coffee were enjoyed

Hostesses for the occasion were Mmes. Cecil Smith, James Cooper, George Featherston, A J. Patterson, Richardson, Richard Sowders, Bob Wright, and Francis Knight.

### Mike Cooper Has Party On 12th Birthday

Mrs. James Cooper honored her son, Mike, with a birthday party on Wednesday, October 25, to celebrate his 12th birthday. Several games were played and the highlight of the entertainment was an old-fashioned

"taffy pull" Refreshments of German's chocolate cake and punch were served to Hugh Ketchum, Ronald Benningfield. Billy Smith. Mike Patterson, Leland and Lynn Knight, and the honoree.

Assisting Mrs. Cooper during the evening were her daughter Beverly, and Mrs. Cy Banner.

### C. Y. F. Group Has Hallowe'en Party Tuesday Night

The Legion Hall was beautifully decorated in the Hallowe'en motif Tuesday evening when the members of the Christian Youth Fellowship had a masquerade party. Black and orange crepe paper streamers were draped across the hall with cut-outs of black cats and pumpkins on the wall. A spotlight played on a huge spider web which was constructed from the florr to the ceiling across the arch in the middle of the room.

A scavenger hunt was made in the early hours of the party with prizes going to Larry Harrell Paula Hanson, Bethy Clark, Barbara Cates, and Ruthie Allen, the group collecting the most items.

Mexican food and doughnuts were then served and the remainder of the evening was spent in bobbing for apples and going through the "room of hor-

## THE SANDERSON TIMES

Entered at Post Office in Sanderson, Texas, July 28, 1908, as second class mailing matter, under Act of Congress March 8, 1879 Published Every Thursday at Sanderson, Terrell County, Texas

L. H. and J. A. GILBREATH, Publishers - Editors

Subscription Rates: (To Be Paid in Advance) 1 Year in Terrell and Adjoining Counties \$2.50; Elsewhere \$3.00 6 Months in Terrell and Adjoining Counties \$1.50; Elsewhere \$1.75

AUSTIN - City officials in Texas got a warning from Chief Engineer John Vandertulip of the State Board of Engineers. He said Texas had better get moving on its water projects.

Vandertulip's staff has just completed a water study outlining ways in which Texas cities and industries could meet their water needs for 1980. Half of the 14 reservoirs now under construction in Texas will be too small to supply their service

It is going to take \$1,000,000,-000 to build the reservoirs.

O. J. CRESSWELL CONTRACTOR

Phone DI 5-2943 Sanderson

treatment plants and distribution systems to provide water the Texas of 1980 will need. It will also take planning and working -starting now- to get the 45 new reservoirs proposed by the Board of Water Engineers' plans built and full of wa

Plan is endorsed in most details by the U.S. Study Commis-

Sales Tax Modification

ter by or before 1980.

State Comptroller Robert S Calvert thinks it's time to change the oil tax plan just adopted by the Legislature.

Constitution allocates the new sales tax on motor oil to the State Highway fund for road building. Consequently the corner service station man must keep books on this tax separately from sales taxes he collects for the State's general fund.

Calvert plans to suggest to the Legislature that this oil tax be levied at the jobber level, same as gasoline sales taxes. This will simplify bookkeeping and collecting.

Speaker James A. Thurman agreed that there are inequities in the new sales tax which the Legislature should correct.

First to talk openly about paying the tax under protest were the vending machine people. They can't collect sales tax on items selling for less than 25 cents, but they must pay sales tax on their gross sales.

Texas Merchandise Vending

Association plans to ask for a court ruling.

Last Go-Round

Sale of \$25,000,000 in bonds for the Veterans Land Board completes the borrowing by the State government for that program. Voters authorized \$200.-000,000 to finance purchases of farm and ranches for the veter-

In the last year, about \$37,500,-000 has been invested in land since the program was revived after an increase in the authorized interest rate.

L. H. Page of Carthage, member of the Veterans Land Board. estimated that veterans will pay enough extra interes; that the state will have made \$100,000,000 profit on this program by 2005. That is when the last loan is supposed to be paid off.

More Study

Governor Price Daniel asked the Legislative Council to bring its 1958 study on loans and interest rates up to date.

Governor Daniel now seems likely to call the Legislature back into session in January. He wants up-to-date facts on the subject of regulation of interest rates and lenders. Regular session just could not reach agree-

He will ask also for passage of a bill extending the new escheat enforcement procedures to unclaimed bank accounts in banks and savings institutions.

Speaker James A. Thurman appointed a special House comof escheat laws. Reps. Franklin Spears, San Antonio; Ted Springer, Amarillo: Richard S. Slack. Pecos; Paul Haring, Goliad; and Reed Quilliam, Lubbock, are its members.

Governor Appoints Gov. Price Daniel assigned Dr. James A. Turman (no kin to Speaker Turman), Texas Youth Council director, and Rep. Don Kennard of Fort Worth to attend the National Governors' Conference on Delinquency and Youth Crime in Denver, Colorado.

They'll come back armed with arguments on why Texas needs

BROKEN BOTTLES: "TRIPLE THREAT" ON OUR HIGHWAYS A triple threat on the football field is fine, but a triple threat on the highway spells trouble. Broken bottles are the "triple threat" of our highways. They are accident hazards to traffic; they injure people who step on them; they start costly and dangerous roadside as fires. The dangers of the triple threat increase during the football season. The Texas Highway Department asks Texas travelers to dispose of bottles in proper containers. Help keep the "triple threat" on the gridiron—not on the highway.

juvenile parole officers in more than just the five biggest counties. That's extent of present pro-

gram. Governor Daniel is asking the Legislature to expand the fiveman juvenile parole set-up it created this year. Kennard has sponsored juvenile parole legislation.

First Runner

Sen. Preston Smith of Lubbock became the first candidate for lieutenant governor in the Democratic primary next May 5.

Smith, who served three terms in the House of Representatives and five years in the Senate, ran third in the 1950 lieutenant governor's race. That was the year Ben Ramsey won the run-off and started the first of his six terms in the office.

Senator Smith, 49, is a theater

Highway Speedup

### Washday proceeds right on schedule with a flameless Electric Dryer

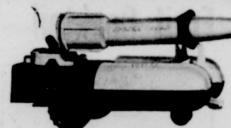

Let the rain fall . . . the wind blow . . . the temperature drop. With a wonderful electric dryer you can dry your clothes in perfect indoor comfort . . . automatically. Ignoring the weather, you just load your dryer, set the controls and then relax while your clothes dry fluffy-soft and fresh in clean flameless electric heat. No more postponed washdays . . . no more lugging heavy wet wash to the line in chilling winter winds. And even

your daintiest fabrics dry safely in gentle precision-controlled electric heat. See your electric appliance dealer soon.

JAMES CAROLINE

The ENCO Energy Rocket with coupon from your neighbor in a HUMBLE uniform

This Humble exclusive is a fascinating toy. So safe and easy to use, a small fry of six can run it. So much fun, even Dads will monopolize it.

Its principal parts are of Escon. Humble's tough new plastic. It's battery powered, easy to assemble, (and the car is securely held together by screws). Simply start it, place on track and after a turn or two, throw the switch. The car zips down the side-track into a plastic bumper and wh-o-o-o-sh! The rocket zooms toward the ceiling (but doesn't hit it).

Ask for a coupon at the Humble sign in your neighborhood today. Mail with \$2.95° (cash, money order or check) to address on coupon.

Without coupon-You can buy the Enco Energy Rocket without a coupon for \$5.95. Mail cash, money order or check with name and address to Rocket, Humble Oil & Refining Company, P. O. Box 1244, Houston 1, Texas.

### Nov. 5-11 Named **Education Week** For United States

According to Supt. Matt Bader. November 5-11 has been designated as American Education Week over the United States. He said that the Terrell County Schools will observe the week by encouraging parents and other citizens to visit the schools during the week.

He explained that this observance will not supercede or interfere with the Texas Public Schools Week, usually held in March every year.

"Your Schools: Time for a Progress Report" will be the main theme for the special week this year. More than 30,000,000 adults over the U.S. are expected to visit their public schools during this 41st observance. Bader stated that this was the first local observance of American Education Week.

In a letter that is being sent out to all school parents, Mr. Bader said: "In addition to school visitation, two adult meetings are scheduled. On Monday night. November 6, at 7:30, parents with children in the first through the fifth grades are asked to come to the new elementary building where the director of guidance and counseling will show and explain a 30-minute film strip entitled 'A Briefing for Parents. Your Child's Intelligence'. This film strip explains what intelligence is, ideas tested, whether IQ scores change, and other important information. After the showing of the film strip, the meeting will be open for group discussion. Following the meeting, teachers will retire to their respective classrooms so that parents may meet and visit with

"On Thursday night, November 9, at 7:30, a similar meeting will be in the high school auditorium for parents of students in the junior high and high school.

"We sincerely hope that all parents will visit their schools during the week and take part in the adult meeting so that they can get a first-hand report of their schools."

Farewell Party Given For Mrs. E. R. Searcy

Ms. E. R. Searcy, who is moving to El Paso, was honored at a party Saturday evening in the home of Mrs. H. M. Petty. Assisting hostesses were Mmes. R. A. Turner Jr., Dalton Hogg, and Virgil Franks.

Gifts were presented to the honoree. Refreshments of apple sauce cake topped with whipped cream and a cherry was served with coffee.

Also present were Mmes. W W. Sudduth, Jack Laughlin, and John Huey.

### **Public Warned** Of Winter Hazards

Austin-Each winter brings its toll of deaths and serious accidents from carbon monoxide, a potential killer gas loosed into every home when fire is used for cooking or to dutl the chill edge of weather.

State Health Department records show that for each of the past four years the lethal mixture has killed an average of 28 Texans in mishaps at home, in automobiles, and industrial plants and public buildings.

So insidious is the gas that by the time the victim is aware that he is being poisoned, he may be only a few seconds away from unconsciousness when he will be unable to help himself.

Health and safety officials at all levels unanimously urge that extreme precautions be taken to safeguard against carbon monoxide, particularly during winter months when windows are closed in homes and automobiles.

Says Dr. J. E. Peavy, Texas commissioner of health: "Prevention is the key word when dealing with carbon monoxide."

The burning of any fuel containing carbon can produce carbon monoxide if there isn't enough air for the fuel to burn completely. This is true of solid fuels such as coal and coke and wood. It is true of liquid fuels such as oil, gasoline and kerosene. It is true of gaseous fuels such as natural, butane or pre-

Basic precautions everyone should take to minimize dangers of accidental carbon monoxide poisoning should include a thor-

ough inspection of gas-burning appliances in homes, office and industrial buildings. The inspection should be made by a spec-

ialist in gas-burning equipment. Safety experts consider it to be a fundamental rule that a car should never be started in a closed garage, since lethal quantities of carbon monoxide can be built up in two or three minutes when a car is "warmed up." Too ample quantities of fresh air should always be provided inside the car whenever the car is running. Exhaust systems of cars should be checked for holes or leaky fittings prior to the winter driving season.

You can't see, taste or smell carbon monoxide, so don't depend on those human senses to give you a warning. (A weekly feature of the Public Health Education Division, Texas State Department of Health.)

Miss Diane Brown, student at Trinity University in San Antonio, spent last weekend with her parents, Mr. and Mrs. Herbert I't wn.

### Listen To Luke -Continued from Page 1-

Our president didn't listen to what Ted Dealy told him at the Washington breakfast the other day and we doubt he will listen to us at this before supper writing in Sanderson. But that's the way we feel.

We have gotten several letters from several people over the country interested in deer hunting facilities in this area and the ranchmen of the county are taking advantage of the opportunity to pick up al ittle extra cash. The hunting business in a big

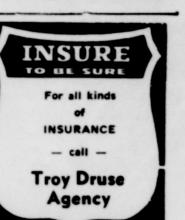

business and is growing, it seems Every effort should be made by those interested in the income from hunters, both directly and indirectly, to do what is necessary to get more business or keep what they have as a result of that

With the information we have that two telephone companies are now trying to get telephone facilities to non-subscribers in the county, it tooks as though this is a good chance for lots of people to get a telephone.

We think that this would be advantageous for the people in the country and also for the peo-

The phones are needed both in the country and in town. We hope that the plans of one or the other goes through so that this much-needed service will be made available for the convenience and urgency of all concern-

Office supplies at The Times.
