LISTEN TO LUKE

With the coming of this season of the year, the economy of Sanderson is affected somewhat by the movement of exploration crews from here because of the advent of lambing season.

There is quite a lick to the economic structure of a town when from 12 to 20 families move out of the town, the same as there is a big boost when that many families move in.

There is no arguing over the necessity of the moves away during the lambing season, but there is always hope that someone will come up with a good idea to prevent the necessity of such moves.

Sanderson enjoys a peculiar economic structure in that there is no diversification of industry in the county and the income and economic structure must depend upon what we have.

It appears that politics is on the move, and candidates are donning their track shoes in a hurry. This is happening from the state level down.

When Ralph Yarborough made announcement of his intentions to run for governor of Texas, we were so floored, it took a long time to gather our political senses sufficiently to even think of what this could all be about.

He says that it's the only way to save the liberal wing of Texas Democrats — that is the reason for his running.

If that is the truth, then we would be more than glad to work for the defeat of Mr. Yarborough and the liberal wing of the Democratic Party in Texas.

We hear and read repeatedly about people who break away from the Democratic Party because of the liberal leanings of the entire party, and it is pretty easy to understand. In our opinion the Democratic Party is not big enough to contain extreme leftists and Democrats, too.

We think we know that the extreme element of the Democratic Party in Texas does not have the interest of Texas at heart when they try to gain power. It then is a personal interest.

It is the duty and privilege of all citizens to take part in politics, from running for an office on, but when it is done for rea-

Officers Report Vandalism Here

Local officers report several incidents of vandalism in recent weeks and issue a warning to all parents and children that offenders will be prosecuted if caught.

The vandalism reported includes destruction of street lights and reflectors, and windows by BB or pellet guns; destruction of red signal light on the TV tower by gun fire; the destruction of signs on the highways near Sanderson.

It was reported that several street lights and the reflectors have been shot up at considerable cost in replacement to the county. The reflectors clearly were shot with high-powered BB guns or pellet guns since the bullet penetrated the reflectors. Such a gun also either accidentally or purposely went through a window in a local residence recently. There was no damage except the broken glass pane.

The lower red signal light on the TV tower has been shot and broken, causing considerable loss in replacement cost and considerable trouble in replacing, according to Austin Nance, operator of the TV facility. He said that shooting at the lights could cause an interruption in TV service if a bullet breaks the power line or the transmission cable, both of which are on the tower.

He stated that an accidental break of the electrical power line could be hazardous to someone standing near the tower or to someone going up to the tower later, not knowing that the electric line was broken.

J. R. Coker, Texas Highway Department maintenance foreman, stated that loss to the taxpayers in broken signs on the highways represented a sizeable figure and has asked the cooperation of local officers in preventing such further loss. He said that all indications point to the willful destruction of the signs by hitting them with vehicles.

The cooperation of the public will be appreciated in preventing any further destruction of property, the officers stated.

Figures Lower For Traffic Deaths In This District

Midland — "West Texas motorists are to be congratulated for the reduction experienced in rural motor vehicle traffic deaths last year," said Capt. Ray B. Butler, commander of the sprawling 24-county Midland Highway Patrol District this week as he released the preliminary tabulation of the rural traffic accident summary for 1961.

"During 1961, 114 persons lost their lives on the highway as compared to 133 deaths in 1960. This is still far too many, but Texas as a whole had an increase in traffic deaths last year," Butler said.

Terrell County had five fatalities on the highway last year, all in one accident which occurred at Dryden in which five occupants of a car were killed.

There were 40 accidents reported in Terrell County during 1961 in which 21 persons were injured and there was a property loss of \$27,840.

Mr. and Mrs. Roger Rose Return From San Antonio

Mr. and Mrs. Roger Rose returned home Sunday from San Antonio. Mr. Rose went by train Friday and met his wife who had been visiting for two weeks in the home of Col. and Mrs. Guy Woodward who celebrated their 40th wedding anniversary Saturday. Mr. and Mrs. John Woodward of Houston, son and daughter-in-law of the couple, were among the guests.

Boys', Girls' Cagers To Tournaments This Weekend

The Sanderson High School boys' and girls' basketball teams are at tournaments in the area this weekend.

The girls are playing in a tournament in Alpine and the boys are playing in Ozona.

On Tuesday night of next week the Rankin High School boys' and girls' teams will bring their "A" strings here for games with the local teams. The first game will get under way at 6:30.

Both will be conference games.

New SS Rate Effective January 1

On January 1 a new social security tax rate went into effect for nine out of 10 working people.

For employed people the 1961 rate was increased by 1-8 of one per cent for the employee and the same for the employer, making the 1962 rate of 3-1-8 per cent from each. For self-employed people, the new rate is 4-7 per cent, an increase of 3-16ths of one per cent. The maximum taxable earnings remain \$4,800 during the tax year in earnings, net income from self-employment, or a combination of both.

For the employed person with 52 weekly checks totalling \$4,800, about 12 cents more will be withheld from each check. His employer's tax will also be about 12 cents more a week.

A self-employed person netting as much as \$4,800 will pay, on a monthly rate, about 79 cents more a month, or by the quarter, \$2.38 more.

In line with its policy of setting a schedule of social security tax rates sufficient to meet the cost of all present and future insurance benefits, the Congress provided for the increase to finance four significant program changes effective with the 1961 amendments signed by President Kennedy late last June. These changes —

1. Enable men to apply for reduced old-age insurance benefits at 62.
2. Increase by about 10 per cent monthly benefits due 62-year-old or older widows (getting benefits on the accounts of their husbands), dependent widowers, and dependent parents.

3. Raised the minimum old-age benefit payable to a 65-year-old or older retired worker or to a sole survivor of a deceased worker from \$33 to \$40 a month, with corresponding increases for dependents and other survivors of workers due less than \$40 a month in unreduced benefits under the old law.
4. Reduced the amount of work needed to qualify for benefits, allowing many workers, dependents, and survivors who were not eligible under previous work requirement provisions to get benefits.

For further information, call or write the Odessa Social Security Office at 1428 East 8th, phone FE 2-9423.

Harkins and Harrison Attend Texaco Meeting

Jolly Harkins and Dudley Harrison, local Texaco consignee and dealer, attended the 1962 sales organization meeting in Austin last Wednesday. Approximately 350 members of the organization attended the meeting.

Mike Turner Brought Home From Stockton Hospital

Mike Turner was brought home Wednesday from a Fort Stockton hospital where he received medical treatment for several days for an intestinal infection, according to reports. His mother, Mrs. Robert A. Turner Jr. was there with him and Mrs. B. F. Martin brought them home.

Girls Beat Fabens Boys Split Pair In 2-Day Meet There

The Sanderson Roadrunners won both their games in the two-day meet in Fabens last weekend. The boys split their pair, losing the first, and winning the second.

All four games were district contests and all were played in Fabens on the two-day stand to save traveling expenses of the teams involved if played on a home-and-home basis.

For the girls' opener Friday night the Roadrunners won by a close 38-37 score. Sanderson had a 11-10 lead in the first quarter which they increased to a sizeable 25-16 lead at half-time, dropping down to 33-29 at the end of the third frame.

In the second set-to, the Roadrunners led 7-4, 8-16, 28-18 and won 33-23.

Girls who saw action during the games included Lupe Garza Jackie Carter, Paula Hanson, and Betty Jane Robbins as forwards; Marta Flores, Linda Beckett, Silvia Wood, Dorothy Whistler and Lupe Garza as guards.

In the boys' frays, Sanderson dropped the first game by a 37-33 score, leading 16-15 at half-time and trailing 23-22 at the end of the third quarter.

Players and the points scored were: Larry Harrell, 8; Bill Stavley, 6; Dee Gray, 7; Alberto Escamilla, 6; Buddie Joe Hahn, 4; Jimmy Jones, 2.

In the second game, which was won by the Eagles in overtime, both teams were tied with 39 points at the end of the game and Sanderson won by 43-41.

The players and score were: Harrell, 6; Stavley, 3; Gray, 10; Escamilla, 6; Hahn 13; Jones 5.

Californian Fined On DWI Count

A California man, traveling alone from San Antonio west, was apprehended east of town last week by Texas Highway Patrolman Carl L. Davis and was charged with driving while under the influence of alcohol. He was taken before Justice of Peace J. A. Gilbreath for examining trial where he waived the examining trial and bond was set at \$300.00. He was held in jail in lieu of bond until Thursday morning of last week when he pleaded guilty in county court to the charge. Judge R. S. Wilkinson ruled the minimum fine and sentence to jail and suspension of his driver's license for six months.

C. H. Robinson Opens Offices For Medical Practice

Charles H. Robinson, M.D. has opened his offices in the Turner Hotel Bldg. for the practice of medicine and surgery, according to an announcement made this week. Dr. Robinson returns to Sanderson after having practiced medicine in Sabinal for several months.

He will have a suite of rooms on the northwest corner of the lower floor of the building and has facilities for consultation, examination, X-ray, and deliveries.

Mrs. Pat Harris Jr. and Mrs. Martha Flores Benavidez will be employed in the offices.

Dr. and Mrs. Robinson and two sons are residing in the Conner house at 369 W. Hackberry.

Tax Reminders For Ranchmen

Samuel Haslam, Administrative Officer of Internal Revenue Service in Del Rio, explained that the ranchers who filed an estimated return on January 15 and paid the tax due thereon, have until April 16 to file their final return and pay any balance of tax due. Otherwise, the law requires that they file their final return and pay the full amount of the tax due by February 15.

The IRS representative cautioned that this option is available to farmers and ranchers only. Tax law defines a farmer or rancher as one who earns two-thirds or more of his gross income from farming or ranching. He advised ranchers that if they filed a federal income tax return last year the necessary forms for this year will be mailed to them. For those who did not file, or for some other reason did not receive their forms in the mail, blank forms are available from any Internal Revenue officer or from post offices or banks.

Everyone who had a gross income of \$600 or more during 1961 must file an income tax return with their IRS District Director, whether or not any tax is owed. Only exception to this rule is that if you were 65 years of age or over at the end of 1961, you are not required to file a return unless your gross income was \$1,200 or more.

Needed assistance is available from Internal Revenue Service both by telephone and in the office, but taxpayers are asked to complete their own returns as far as possible before contacting IRS.

Taxpayer assistance time is every Monday from 8:15 a.m. to noon.

Deputy Sheriff Dalton Hogg Will Attend Officers' School

Deputy Sheriff Dalton Hogg will attend a school conducted by the FBI to be January 22-26 in Uvalde. State laws of arrest, search and seizure, and practical work in making arrests will be the principal topics taught.

Telephone Maintenance Man Moves Family to Sanderson

Mr. and Mrs. Charles H. Chism and three children will move here from Slaton and will reside in the Danley's rent house at 110 W. Hackberry.

Mr. Chism will be the local repair and maintenance man for Southwestern Bell Telephone. He is the first resident employee since Charles Golden was transferred to Monahan.

Den 1 Cubs Meet

Den 1 Cub Scouts had their weekly meeting in the home of their Den Mother, Mrs. L. H. Lemons. Their project was a fruit basket made from a pound coffee can and yarn or crepe paper.

Those attending were Steve Litton, Bud Harrison, Douglas Athas, and Jerry Jones.

Rutherford Pledges Vote Against Debt Ceiling Proposal

Washington, D.C. — Congressman J. T. Rutherford says he expects to vote against the anticipated proposal by President Kennedy to raise the national debt ceiling during this session of Congress.

"This position is not new to me," Congressman Rutherford said. "During the time that I have been in Congress, the Republican Administration asked for it to be increased seven times. President Eisenhower asked for it to be increased twice in one year, and on each occasion I voted against the proposal. Last year, President Kennedy made the same request and I again opposed the move, just as I expect to do again."

The Congressman said his decision "is one based on what I feel to be sound economic reasoning."

"At the present time," Congressman Rutherford said, "interest alone on the national debt costs the taxpayers some \$9 billion per year. The more the debt ceiling is increased, the more that interest charge rises."

Rutherford also stated that "approval of raising the debt ceiling gives the various Departmental officials within the Executive Branch of Government the feeling that Congress is giving them a blank check for increased spending. I do not think this attitude makes for sound economic operation."

Cong. Rutherford pointed out that he has declared himself in favor of pending legislation that would require a fixed percentage of tax revenue each year to be applied toward retiring the national debt. Rutherford has also voted to reduce each, over-all budget billions below Administration requests each year during his Congressional service, and ultimately voted for the spending of considerably less funds than Congress approved.

"In the field of defense," Rutherford said, "I will vote for the expenditure of whatever I think is needed to keep our forces the strongest in the world. But I realize that we must be strong in an economic sense, as well as in a military one."

Oscar Bendele Reports Possible Rabid Foxes

Oscar Bendele last week reported several foxes on his ranch thought to be rabid. The ranch is north of Dryden.

The foxes were seen eating scraps of food which had been put out near the house for cats. One fox attempted to attack Mr. Bendele and he got inside the house with the fox in close pursuit. A dead fox found near the house had froth on his mouth and face. Bendele reported.

Among Our Subscribers

Mrs. P. F. Robertson of El Paso is a new subscriber to The Times.

Renewals have come from Eg Monroe, James Word, Walter Kessler, S. D. Harrison, Mrs. Alice Turner, M. F. Chavez, and Mrs. Paul Dunagan, all of Sanderson; J. E. Felts of Fort Stockton; Mrs. Dorothy Cunningham Sheffield; Fount Corder, Uvalde; Frank Stavley, Lordsburg, N.M.

New Home for Corbetts

Work has begun on the construction of a house for Mr. and Mrs. Thomas Corbett with O. T. Sudduth as contractor. The house is located on Ave. C in a new addition in the east part of town. It will be built of cut rock and will contain three bedrooms.

Mrs. Clyde Carter was brought home Monday from a Fort Stockton hospital where she had major surgery and is recuperating satisfactorily.

Freeze Causes Damage Here And in Country

The hard freezes of the week past caused considerable damage to water pipes both in the country and in town.

Stock on some of the ranches were completely without water for three or four days in some cases, according to reports from ranchmen, due to the freeze and broken lines following the thaw.

There was also some little difficulty in obtaining pipe fittings for repairs, since the freeze was so wide-spread.

Locally, there was some damage reported caused from water pipes in partitions breaking from the freeze, and causing considerable damage to walls and floors.

The water in the kitchen at the Methodist Church froze and water ran into the basement after the thaw, damaging the walls and ceiling of the basement.

The low reported locally was six degrees, although the temperature was much lower in some close-by areas of the county, particularly to the north and northwest, and temperatures on some ranches in Brewster County to the west were below zero.

Temperatures began to raise Saturday although they have dipped into the freezing zone at night.

The sun failed to shine on Tuesday or Wednesday of last week, but we have had sunshine every day since.

School Census Nears Completion

Census of the Terrell County school children got under way recently, according to Supt. Matt Bader, who said that all children who will be six years of age on or before September 1, 1962, and who are not 18 before that same date should be counted in the census.

Clyde Griffith is the census enumerator.

Supt. Bader emphasized that the census taking must be completed by January 31 and that the assistance of all school patrons in helping to enumerate every eligible boy and girl in the school district will be greatly appreciated.

Anyone knowing of a child who has been missed on the census is requested to contact Mr. Griffith or Superintendent Bader.

Local Officers Attend Conference

Sheriff Bill C. Cooksey, Deputy Sheriff Dalton Hogg and Game Conservationist Cliff Wilson attended a law enforcement conference in Del Rio Saturday of last week. The conference was of federal, state, county, city and military officers of this area.

General crime topics, new statutes, and information for county and state officers were discussed as were problems pertaining to the traffic of narcotics.

The group has decided to hold future meeting of similar topics and the next one will be in Sanderson at a date to be decided upon in February.

Vernon Thompson Injured

Vernon Thompson received a broken elbow in an accident here Monday morning. The pick-up truck driven by his father, Gene Thompson, collided with an automobile driven by Rodolfo Arredondo at the corner of Fifth St. and Richard St. Vernon was thrown from the pickup.

He was taken to Odessa to an orthopedic surgeon for treatment.

Mr. and Mrs. H. E. Fletcher were business visitors in Fort Stockton Monday.

Substantial progress has been made by the Legislators toward enactment of Gov. Price Daniel's program.

Lawmakers seeking re-election this spring are diligently at work. They want to be home by the filing deadline — Feb. 5.

Loans — House of Representatives sent a much-amended loan regulatory bill to the Senate. Bill would set up tight supervision over those who lend in amounts less than \$1,500. Exceptions are banks, credit unions, savings and loan associations, and various kinds of cooperative credit groups.

Those exempt from the regulatory law would be limited to 10 per cent interest per year. All loans over \$1,500 would likewise be held to 10 per cent.

House bill allows a 3 per cent per month charge on loans under \$100; 2 1-2 per cent on the part of the loan from \$100 to \$200; 2 per cent on \$200 to \$500; and 10 per cent on the part of the loan between \$500 and \$1,500.

When interest allowed on a loan over \$20 is less than \$4, the lender can charge \$4 in lieu of interest.

Rural Roads — Senate passed the proposal by Sen. Neveille Colson of Navasota to cut the spending on farm-to-market road construction — improvement by \$17,500,000 a year. This amount will be used for construction of

secondary and primary highways. A House rural bloc on the Agriculture Committee favored a smaller reduction. They preferred a ten year graduated cut — to reach the goal set by Gov. Daniel, Texas Farm Bureau, the County Judge and Commissioners Association and the Texas Good Roads Association.

Tourism — Large crowds turned out for the Senate and House committee meeting on these bills: (1) to appropriate \$300,000 for advertising for tourists; (2) for expansion of the juvenile parole system; (3) and for repairs to the San Jacinto Monument.

Opposition came largely from advertising people who felt the Highway Department isn't the proper supervisor for an advertising program.

wide race. The former Nacogdoches County Attorney was appointed Secretary of State in 1955. He now practices law in Austin.

Wagoner Carr of Lubbock, two-term Speaker of the House of Representatives, already has announced as a candidate. Although Carr lost the 1960 race to Will Wilson, he polled a half-million votes.

The Lubbock lawyer says his platform has one basic plank, "strengthening our legal framework where needed and more vigorous enforcement of the laws once enacted."

Les Procter of Austin, who resigned his office as District Attorney, is expected to make a strong bid for the Attorney General's job.

Procter won prominence as prosecuting attorney during the veterans land scandals.

Rep. Tom James of Dallas, the fourth announced candidate for Attorney General, is busy with legislative duties.

'Tourists' Ready to Travel Formation of the Texas Tourist Council became official at a luncheon here which honored state representatives. Council used appropriation of \$300,000 for cut-of-state advertising.

Speaker James A. Turman told the 500 luncheon guests that the old joke "it is easier to pick a tourist than a bale of cotton" is about to go stale. He said Texas must let the rest of the nation know what it has to offer.

Texas Called Book Desert

University of Texas Chancellor Dr. Harry Ransom told members of the Texas Commission on Higher Education that the State of Texas is laboring under the label of the "book desert of the United States."

Dr. Ransom made the statement in support of a plea from Dr. F.

My Neighbors

Know what this is?

You probably think it's a light bulb. But this one is burned out, like some around your house perhaps. So it isn't a light bulb—it's just a socket filler. Next time you shop, pick up enough right-sized bulbs to replace the burned-out bulbs that are robbing you of light. And buy a few extras for spares. You'll be surprised how much more cheerful and pleasant your home will be with improved lighting.

Royal Service Program Led By Mrs. Lee Berry

The Baptist W.M.U. met Monday evening in the home of Mrs. A. D. Brown. A short business session preceded the Royal Service program titled "Caring Not For the Ways of Men," which was led by Mrs. Lee Berry.

She read several Bible passages before giving the devotional and Mrs. C. O. Cash led the opening prayer. Assisting in presenting the program were Mmes. Guy Wilemon, H. G. Cates, Irl Richardson, O. D. Gray, Jerry Fortune, and H. G. Cole. Mrs. Gray led the dismissal prayer.

Mrs. Brown served cherry-nut cake, topped with whipped cream, with salted nuts, mints tea, and coffee during the social hour.

Also present were Mmes. R. G. Crump, Orba Court, T. O. Moore, H. T. Looney, J. H. Lochausen of Newport Beach, Calif., and Larry Heinatz of San Angelo.

Mrs. Jack Riggs Is Bridge-Luncheon Hostess Wednesday

Mrs. Jack Riggs was hostess to a bridge-luncheon Wednesday afternoon at her home.

In the bridge games, Mrs. J. A. Gilbreath won high score prize; Mrs. Herbert Brown was second high; Mrs. F. J. Barrett and Mrs. W. W. Sudduth won the slam prizes.

Others present were Mmes. Edward Kerr, E. J. Hanson, Tol Murrab, S. L. Stumberg, R. S. Wilkinson, F. M. Wood, G. E. Babb, and C. H. Robinson.

Mrs. Riggs served cookies, candy, coffee, and cold drinks during the afternoon.

Brownie Troop 3 Has Outing

Brownie Scouts of Troop 3 had an outing Monday afternoon on a climb to the top of the mountain just west of town. They had a picnic meal on the mountain and afterward played games and jumped the rope.

The Scouts making the hike were Connie Anderson, Jackie Bob Riggs, Karen Wilson, Barbara Turner, Catherine Howard Rosalie Kerr, and Maurine Riess.

The Scout leaders, Mrs. Don Anderson and Mrs. A. J. Riess, accompanied the Scouts.

Eddie McDougal of San Antonio is visiting here with his sister, Mrs. T. L. Leader, and assisting in the operation of their brother's business, Ellis McDougal, who was in an Alpine hospital, is slightly improved and was brought home Wednesday night.

Mr. and Mrs. R. G. Crump have moved from the Anderson garage apartment to Mrs. Eleanor Cooper's rent house on East Kerr Street.

Larry Heinatz of San Angelo brought his wife and children to Sanderson last weekend to visit with her parents, Mr. and Mrs. T. O. Moore, and Buddy for a week.

Guests in the home of Mrs. T. L. Leader last week were her brother, Wallace McDougal, with his wife and his wife's sister Mrs. Mae Walker, all of Austin.

J. F. Tronson returned home Tuesday from San Antonio and reported his wife to be making satisfactory improvement from major surgery in that city Saturday.

Mr. and Mrs. R. R. Clark returned home Monday night from Houston where she had a medical check-up. She will be off from her work the remainder of this month.

Attending the funeral services of A. A. Jenschke in San Antonio last Thursday morning were his brother-in-law and sister-in-law Mr. and Mrs. W. D. O'Bryant and Mr. and Mrs. W. F. Frazer.

Mrs. Mary Lou Kellar, who went to San Antonio to be with her daughter, Mrs. A. A. Jenschke, before Mr. Jenschke's death last Tuesday, has remained for a longer visit.

Mr. and Mrs. W. R. Stumberg went to San Antonio Thursday for him to have a medical check-up.

Dr. and Mrs. John W. Pate and boys visited friends here last Sunday evening.

Mr. and Mrs. S. L. Stumberg have returned from a trip to Las

Vegas, Nev., and to California where they visited his son-in-law and daughter, Mr. and Mrs. Frank Lee.

Mr. and Mrs. John T. Williams will return home the last of the week from a visit with relatives in California.

Mrs. R. B. Dyer is in Grace Lutheran Sanitarium in San Antonio for medical treatment. Mr. Dyer returned home Sunday.

Mrs. Isidoro Calzada is recovering satisfactorily from major surgery in a Fort Stockton hospital. She was brought home last week.

Returning home last week from a Fort Stockton hospital where they had major surgery were Mrs. Reyes Gonzales, Mrs. Juan Carrasco, and Mrs. Adolfo Garcia. All are convalescing satisfactorily.

Mr. and Mrs. H. P. Boyd returned Monday afternoon from a visit with his brother, Chester Boyd, and Mrs. Boyd in El

Paso and for a trip to Cloudcroft, N.M. They spent Sunday at a new ski lodge near Ruidosa, reporting seeing much snow and ice and temperatures down to 20 degrees below zero at Sierra Blanca, N.M., where they spent the night.

Mrs. Bob Allen is employed at the Sanderson State Bank, replacing Mrs. P. G. Harris Jr.

Mr. and Mrs. R. A. Gatlin were business visitors in Del Rio the first of the week.

Good Neighbor Review of Ft. Stockton

FORT STOCKTON IMPLEMENT CO. EXPANDS

Fort Stockton Implement Company, 319 East Dickinson, is now remodeling and enlarging its facilities — primarily to accommodate its new service department for all makes of industrial engines, which will, of course, entail a large parts depot in order to furnish the fastest possible repairs on all makes of engines. Additional space is also required, however, for their line of John Deere farm equipment in which their business has increased considerably within the last few years.

Mr. Duncan attributes this increase in business to the popularity of the John Deere line which has withstood the test of the most rugged service for years and gives the farmer the maximum service per dollar investment.

There is no doubt, however, that a considerable portion of the increased business is due to public confidence in Fort Stockton Implement Company, whose long years of experience in recommending exactly the right machine for the job, whose reputation for square dealing and whose policy of standing behind every purchase has persuaded so many farmers of this area to place their business with a firm on which they can depend.

You are cordially invited to visit them and inspect the latest models in farm machinery on your next visit to Fort Stockton or phone ED 5-2551 for information.

THE PECOS COUNTY STATE BANK

The Pecos County State Bank in Fort Stockton has long been recognized as one of the outstanding banks by folks in our area. Through their untiring efforts this section has continued to progress through the years.

They offer to the farmer and the public in general every convenience of a large city bank plus the understanding and personal interest in each customer to cope with your particular problems.

A great amount of praise is due to the officers and directors of the Pecos County State Bank for their foresight and judgment. Through their outstanding service they have contributed materially to the strength of our area's economic structure.

The Pecos County State Bank located at 500 N. Main in Fort Stockton has encouraged each and every family to secure their future with a sound, intelligent savings plan. Every account is insured up to \$10,000.00 by the Federal Deposit Insurance Corporation — and the Pecos County State Bank is now paying the legal maximum interest rate of four per cent.

TAYLOR'S CAFE

This cafe located at 500 W. Dickinson Blvd in Fort Stockton is one of the finest and most popular eating places in this section. They have gained a name that has spread over a large area as a place where both the local and traveling public can well satisfy their demands in good eating.

The menu consists of many inviting and tempting dishes. Lunches and dinners are offered to please the most particular.

It is indeed a pleasure to find such an up-to-date restaurant as this. It is unsurpassed by any eating place in the way of appointments and accommodations.

When Mr. Taylor went into business it was with the idea that a modern cafe would be appreciated by the public. This idea was accepted by reason of their ever-increasing patronage.

Everyone will find this a pleasant place to visit while in town shopping for the day.

COMMUNITY PUBLIC SERVICE COMPANY

In this particular field of endeavor there is no organization more worthy of extended mention in this review. Under the direction of men thoroughly conversant with every feature of electrification, they furnish an abundant and dependable source of power to the people of this community. They have contributed much by furnishing low-cost power to local and rural areas.

They are continually striving to find new methods of helping you in your everyday needs. Because of their progress they have become a most important asset to this community.

throughout the community. They specialize in sales and service on all General Electric major electrical appliances. Telephone ED 6-3732 for information on any G. E. Appliances. Readers are invited to stop in and look over their display and equipment. They have a complete selection of appliances and accessories as they are your franchised General Electric dealers.

Nothing is spared to see that every customer becomes a permanent friend. We strongly recommend them to all our readers for their many services.

LEWIS SHOE STORE

helping you to select shoes with the best and most attractive fit. Satisfaction is a must in buying shoes — and the policy of this store is satisfaction guaranteed in foot comfort and correction service. You will like the shoe values you find here. The stock includes shoes and oxfords for men and boys and also the latest styles for women and girls, all of superior quality. Lewis Shoe Store carries the nationally advertised Velvet Step and Vitality shoes for women and City Club and Westboro for men.

In this Good Neighbor Review we take great pleasure in recommending this enterprising store to our readers.

BOB'S BOOT SHOP

Bob's Boot Shop located at 105 S. Main in Fort Stockton features the finest in material and workmanship for hand made boots of any design. When this firm provides you with boots they are guaranteed to fit. They also carry Nocona and Texas boots.

The workmanship and quality of all the leather goods of this firm are best. They know their customers want the best that can be obtained and they stock a complete line from which to choose.

Leather goods are becoming more popular every year. Their beauty and durability set them in a class by themselves. Inferior grades of leather are quickly detected by the owner of this establishment and nothing but the best is stocked here. You can buy with confidence at Bob's Boot Shop in Fort Stockton. They repair boots, shoes, saddles, harness and all leather goods. Also reloading equipment and gun repairs. New and used guns.

CALL THE CULLIGAN MAN!

Everybody wants soft water. Why don't you phone ED 6-3682 today and let the Culligan Man stop by and analyze your water? There is no charge for the analysis — and after he has made it he can tell you just how little it would cost to give you real soft water. If you need filtration, purification or removal of iron taste or odor he can take care of that also.

Culligan has been the leader in water-softening equipment for years. Culligan soft water will be delighted to have you stop at their new modern establishment located at 400 Railroad Ave. in Fort Stockton for any information. But you still don't have to do anything except pick up the phone and call ED 6-3682 and say "Hey Culligan Men, come tell me how little soft water will cost."

In this Good Neighbor Review of Fort Stockton we highly recommend the Culligan Man to all our readers.

STOCKTON PHARMACY

Stockton Pharmacy is located at 101 N. Main, Fort Stockton. Phone ED 6-3346.

The brightest spot in any street is the drugstore. If we stopped to think how much it means in our daily life, we would appreciate it more.

This store is in its 51st year of operation, and has been under the present owner-management of Mr. and Mrs. Joe Henson for 21 years.

They are specialists in filling prescriptions; all work being done by a graduate pharmacist. They carry a complete stock of drugs, sundries and toilet articles, the best in cosmetics and shaving accessories — in fact this store has one of the most complete stocks in this section. You are also assured of the best prices together with the most courteous attention.

All this excellent service is the reason for the success of the Stockton Pharmacy.

RADIATOR-MAGNETO SERVICE SHOP

The Radiator Magneto Shop located at 1012 East Dickinson, Fort Stockton can be depended on to give you first class radiator service. They are specialists in this line and have the equipment and experience to repair your radiator so it will stay in good condition.

The burning of gasoline creates a terrific heat in the car and tractor motor. That heat must be dissipated in order that the motor can operate efficiently. The cooling system must be kept clean if we are to expect the maximum cooling effects of the radiator. Don't be satisfied with inefficient operation of your motor because your radiator does not cool properly. Take it to Joe Schelegel, 1012 East Dickinson, Fort Stockton and have them clean and flush it properly. They are experts in repairing and recoring radiators of any make and any sign.

Make An Apple Pie With New Pastry

In time for the apple pie season or for your favorite one crust, two crust or deep dish pies (tarts and turnovers, too) is a brand new pastry recipe as easy as 1-2-3 to make. It is made with corn oil and unsifted kitchen-tested flour. The pastry is rolled between sheets of waxed paper, which eliminates the cleaning of a floured board or table. The marvel of the new pastry is the unusual shortness and flakiness of the crust.

1-2-3 PIE CRUST — (Two Crust 8 or 9-inch)
1 1/4 cups unsifted kitchen-tested flour
1 teaspoon salt
1/2 cup corn oil
3 tablespoons cold water

Heat oven to 425° F. (hot). To measure flour, dip dry nested measuring cups into flour; level off with straight-edged spatula. Mix flour and salt in mixing bowl. Blend in corn oil thoroughly with fork. Sprinkle all of water over mixture; mix well with fork. Press dough firmly into ball with hands. If too dry, mix in 1 to 2 tablespoons more oil.

Divide dough about in half. Use larger part for bottom crust. Flatten slightly and immediately roll into 12-inch circle between two pieces of waxed paper. Wipe table with damp cloth to prevent paper from slipping. Peel off top paper; place in pan, paper-side-up. Peel off paper and fit pastry loosely into pan. Fill as desired, trim if necessary.

Roll remaining dough in similar manner for top crust. Cut slits and place over filling. Trim 1/4 inch beyond rim of pan; fold under. Seal and flute edges. Bake fresh apple pie 50 to 60 minutes; bake other pies 35 to 40 minutes.

sions other than that of personal sacrificial service, then in our opinion it is in the wrong attitude.

But it is the desire of some to turn things over to the extreme liberal element — put the outs in and the ins out, distribute the wealth; put the cookie jar down on the bottom shelf.

The greatest advantage we have over lots of people is the fact that at our age, a socialistic form of government in the county, state and nation cannot concern us for as long a time as it will younger people. But we do not intend to turn it over to them — they are going to have to fight for it. And we are going to continue to oppose it.

Politics, locally, is becoming an interesting thing, too. It was the custom, some time ago, for people to get together on a business deal and have their heads close and their voices low. But

cast-holder politicians started talking like that and now business men make their talk loud and clear so that none will think there are political conspiracies being hatched.

Small-town politics has a way of turning friend against friend and neighbor against neighbor, and if it wasn't for that, it could and would be much easier to tolerate such opposition.

Strife never was to our liking and we think that the majority of the people of America and Terrell County are of the same opinion. Neither can we go along with agitators in any cause.

"Behold, how good and pleasant it is for men to dwell together in unity."

It is late, but may we take this method of thanking those who mailed Christmas cards and other greetings to The Times families. With the illness and the death in the family it was impossible to acknowledge all of them but nothing about Christmas

gives us as much joy as the greeting cards which we receive. We failed to get all of ours out this year, but we hope everyone understands.

1962 MERCURY MONTEREY

The best-looking buy for the big-car man

Delivers the extra room, luxury, and power you want—at a price you'll like!

There's a wonderful feeling about owning a Mercury Monterey. It's Mercury's most luxurious car—the very top of the line.

Yet the Monterey is still within the popular price range. No other car near its price makes driving so enjoyable in so many ways.

THERE'S EXTRA ROOM for long legs and big families—a spaciousness that helps take the

tension out of traffic, makes long trips less tiring. More trunk space, too—30.7 cu. ft. big.

THERE'S A SMOOTHER, QUIETER RIDE. Cushion-Link Suspension absorbs bumps you still feel in other cars. And the Monterey uses more soundproofing—260 square feet of it.

FINER ENGINE CHOICE. You can have exactly the power and economy combination

you wish. Just specify the Economy "6", 292 V-8, 352 V-8, or 390 V-8.

MORE MONEY-SAVERS. The Monterey has 9 service-saving features—needs routine attention only twice a year . . . or at 6,000- to 30,000-mile intervals.

See your Mercury dealer soon for a demonstration. Sample that wonderful Monterey feeling.
