## LISTEN TO LUKE

In recent weeks there have been two important events in my life.

Each one of these events requires many years of living before one can acquire them. Each one brings happiness and reward that money cannot buy.

First, my granddaughter presented me with a big fine great-grandson which I was permitted to see for the first time this past week. Now it takes a lot of time and a long period of time to become a great-grandfather, and the feeling of pride mounts and one is not ashamed to announce his age in order to claim his title.

This past week I received a Texas Press Association Golden Award in recognition of 50 years of service in journalism. This award takes a lot of time, patience, reverence, and endurance. The award is priceless to me because those 50 years have meant much to me.

I have always been proud of my profession. I have accepted the responsibility that goes with it as my duty to the people I tried to represent and serve. The pleasure of feeling you are doing a service to your community and state and nation — even in a small way — is more than proper compensation for all the sacrifices, trials, and unpleasant thoughts that some readers sometimes have had about me.

In these 50 years in printing and publishing, my lot has been to try to uphold those things which would make for a better community and to discourage detrimental moves that might be made by the people that I tried to represent. Sure, I have made mistakes, and as long as I continue in this life there will be more, but, by the grace of God, I shall try harder to merit the confidence of the people in the community I try to serve.

Truly, I am thankful for the honor that was bestowed upon me. There are many men and women in my profession who have unselfishly served and get the satisfaction of a job well done. The Texas Press Association, in making the awards, should be commended for the recognition I try to serve.

It is encouraging to note the community-wide interest in the League baseball program this year.

Last Saturday the mothers of the players had a benefit bake sale and reported that a large amount of money was raised for the purchase of uniforms and equipment to carry on the program. The entire community responded to the call for help. All the groups in town are assisting in this great movement. It has proved its worth. We are proud of Sanderson and all who have had any part in the project.

Next Monday the Pony League will play Alpine here and on July 12, two Alpine teams will be here for a doubleheader. The local teen-agers along with the league with three teams in Alpine and have had to travel for all the games thus far. Last report, the Eagles of Sanderson were in second place. Let's all go out and encourage the teen-age group and see some baseball at the same time.

## Funeral Services Here Saturday For John H. Baker

John Henry Baker died Thursday afternoon in a Fort Stockton hospital where he was taken shortly after midnight Tuesday with a cardiac condition.

Funeral services were held Saturday afternoon in the First Baptist Church with Rev. Irl Richardson, pastor, officiating, assisted by Rev. Harry D. True-love of Fort Stockton. Burial was in Cedar Grove Cemetery.

The pall bearers were John Burchett, Jimmie Harris, M. G. Northcut Jr., H. B. Louwien, Richard Turner, and Bobby Morris.

Mr. Baker, a native of Brown County, would have been 66 years of age on July 4. He was married to Mary Ware of Washington in Zephyr on December 22, 1916. They had resided in various places in Texas before coming to Terrell County where they had resided at Dryden and Sanderson for the past 20 years. Mr. Baker had carried the mail from the Dryden postoffice to Independence on Mondays and Thursdays for the past 15 years.

Besides his widow, he is survived by three sons, Reginald of Sanderson, Charles of El Paso, and Ray of Arnold, Nebraska; two daughters, Mrs. James Black of Fort Stockton; and Miss Erma Dean Baker of Sanderson; one sister, Mrs. C. E. Bailey of San Angelo; four brothers, Stanley of Zephyr, Earl of Peacock, Herschel of Crane, and Carl of Lubbock; also seven grandchildren. Mr. Baker had been a member of the Baptist Church since boyhood.

## Travel Increase To Big Bend Noted

Travel to Big Bend National Park for the first half of 1963 shows an increase of 24 per cent over the similar period last year. Total visitation to the park for the first six months of 1963 has been 53,390, compared to 42,995 last year.

Campground use of all types is nearly twice as much this year as last year. The number of visitors registered in campgrounds totals 19,724 through the end of June, compared with 10,298 for the first six months of 1962. This represents an increase in camping of over 91 per cent.

Use of other facilities in the park, including the concessioner-operated cottages and horseback riding facilities, has also increased. Substantially heavier use was noted in the month of June.

All facilities in Big Bend National Park are open every day of the year. Roads, trails, campgrounds, water, and sanitation systems are available for use by visitors. Cottages, restaurant, store, automobile service stations, saddle horses, and related services are furnished by concessioners authorized to operate in the park.

Scenic, scientific, and historic viewpoints are accessible by road. Trails are used by both hikers and horseback riders in the Chisos Mountains and elsewhere in the park.

## Former Resident Visits Here

Mr. and Mrs. Angel Coronado Jr. and their five teen-age daughters visited here last Saturday with Mr. and Mrs. Tony Calzada, and family.

Mr. Coronado was born and reared in Sanderson, the family moving to San Antonio in 1933. This is the first time he has visited here in 33 years. He is a cousin of Mrs. Calzada.

The Coronados, who are on vacation, had been camping in the Big Bend Park for four days and are camping in Garner Park this week.

# INDEPENDENCE DAY

The idea of government of the people, by the people, for the people was new to the world on July 4th, 1776. By the nation then born, this idea has since been tried, tested and proved the best hope for all mankind.

Proudly we salute the founding fathers on this, the 187th birthday of our country. Firmly we are resolved that our heritage of freedom, dating back to that day, shall forever be maintained.

## Celebration Well Attended Here

Large crowds were in attendance at all of the events of the annual Fourth of July celebration sponsored by the Clarence Hallie Mulkey Post of the American Legion in Sanderson.

A parade through the business district to the Legion hall was the first event.

At noon, although a light mist of rain was falling, approximately 700 were fed at the barbecue dinner served on the outdoor tables at the hall.

L. R. Hall, post chaplain, made a brief address outlining the purpose of the celebration of the 4th of July.

The rodeo events at the arena west of town in the afternoon were sponsored by the Sanderson Rodeo Club.

In the ribbon roping, Gary Askins, Frank Galvan, E. P. Burkhead, and Amy Harper placed in that order.

Bill James, Charles Stegall, Pinky Carruthers and Robert Pruett were the top four winners in the wild cow milking.

Bareback bronc riding — Robert Pruett, Lefty Garcia, Al Word.

Two-calf average — Bubba Mathers, Paul Galvan, Herman Chandler, Pinky Carruthers.

Barrel race — Amy Harper, Alta Fay Mathers, Sally Harper.

Steer riding — Joe Harper, Jimmy Harper, Bob Allen Graham.

## Harold Haynes Burned in Explosion in Van Horn

Harold Haynes suffered painful burns and shock in an explosion at Van Horn last week but is recuperating satisfactorily, according to word received this week by his mother, Mrs. Sadie Haynes Newman.

During a fire in a barn behind the courthouse, a 1,000-gallon tank of gas exploded burning five firemen who were near the fire and were sprayed by the flaming gas. The explosion knocked Haynes to the ground as he was only about 20 feet from the tank. Besides burns on his back, he has burns behind an ear, on his neck and both arms above the elbow. His clothing did not catch fire.

## Tamale Sale Saturday

The ladies of El Buen Pastor Methodist Church will have a tamale sale at the parsonage next to the church beginning at 2:30 p.m. Saturday. Tamales will sell for 65c per dozen.

Mr. and Mrs. Frank Hord and three daughters left Friday for their home in Houston after visiting here with her parents, Mr. and Mrs. G. E. Babb, enroute from Marfa where they had visited with his parents, Mr. and Mrs. H. L. Hord.

## Treloar Home Progressing

Work is progressing on the brick-veneer house which R. D. Treloar is building at 305 N. Persimmon. Additions have been made to the house at that location and it will have five rooms and bath. The Treloars, who are now residing in a trailer house, plan to occupy the new house.

Mr. and Mrs. H. E. Ezelle returned home Tuesday after attending the annual meeting of Lions International at Miami, Fla., and visiting her mother and other relatives in Dallas en route home. He is president of the local Lions Club.

Mr. and Mrs. L. D. Booker Jr. and children of Paducah are visiting their parents, Mr. and Mrs. D. L. Duke.

Miss Vannah Jo Nance of Dallas is visiting here with her parents, Mr. and Mrs. Austin Nance. Mrs. Maggie Carmack has returned from Lubbock where she visited for almost a month with relatives.

Mr. and Mrs. Jack Laughlin are on vacation, spending this week at home and planning to join relatives for a week of fishing at Port Aransas next week. Mrs. R. A. Turner Jr. is working in her place at the Big Bend Gas Co.

## Teen-Age Ball To Be Seen Here Monday Friday

Sanderson baseball fans will be able to see the local teen-age baseball team, the Eagles, play the Alpine Tigers Monday evening at 7:30. The Tigers are in first place with the Eagles in second.

On Friday night of next week, the Alpine Braves will play the Eagles at 7:30, followed by a game between the Yanks and the Eagles in a twin bill. The games next week will all be played here.

Sanderson is in the same league with the three Alpine teams, and all of the games so far this season have been played in Alpine.

In the game Monday night between the Eagles and the Braves, Sanderson won 6-4, with Steve Cerda pitching for the win. Steve Turner drove in the winning run in extra-inning play.

Three Sanderson boys have been selected on a league all-star team to play in Alpine with Pecos on July 15. They are Charlie Garza, third base and pitcher; Frank Garcia, short stop and pitcher; and Tommy Weigand, short stop and pitcher.

The local managers and coaches have asked The Times to express their thanks for the boys to all who have helped to make their games away from home possible, and to those who have contributed in any way to the success of the team, particularly the Sanderson Rotary Club that contributed \$100 to purchase the uniforms.

## Carlos Dunn Resigns As Store Manager

Carlos Dunn has resigned as manager of the C. G. Morrison Co. store in Sanderson. He has not announced his plans for the future.

Ray Morrison of Alpine is in Sanderson to manage the store for an indefinite period.

## Sales Tax Removed From Newspaper Subscriptions

Subscribers to The Sanderson Times, as well as other Texas newspapers, are relieved of paying the two per cent sales tax on their subscriptions after a new sales tax ruling went into effect July 1.

The new exemption on subscriptions which was declared effective by State Comptroller Robert S. Calvert, is an administrative ruling. It holds that a subscription, monthly or yearly, is a cumulation of individual sales. Since each copy is sold for less than 25c, the entire bill is exempt.

## Mrs. T. A. Short Dies in Springdale, Ark.

Mrs. Myrtle Lester Short, 78, a long-time resident of Sanderson and lately residing in Springdale, Ark., died Sunday, May 12, according to word received here this week.

Mrs. Short was born January 18, 1885, in Texas and was a member of the Church of Christ.

Surviving are her husband, T. A. Short of Springdale; three sons, George, Warrenton, Mo.; James W., Springdale; and Billy Joe of Fayetteville; one daughter, Mrs. C. V. Grisham of Breckenridge, Texas; seven grandchildren and two great-grandchildren.

## Rummage Sales To Continue

The rummage sales held by the Legion Auxiliary in the Brown Building will continue for three more weeks. The hours of the sale are from 2:00 to 5:00 p.m. on Fridays and 9:00 to 11:00 a.m. on Saturdays. New merchandise is coming in every week.

Mr. and Mrs. J. T. Herring of Midland are visiting here for a few days with their parents and friends.

## Mrs. J. H. Stout Dies Friday In Fort Stockton

Funeral services were held in the Sanderson Church of Christ Sunday afternoon for Mrs. Alvia Adeline Stout, 88, who died in a Fort Stockton hospital Friday after a brief illness, although she had been in failing health in recent years. W. L. LaFleur, minister, officiated at the rites and burial was in Cedar Grove Cemetery.

Pall bearers were Bob Allen, Jack Harrell, Jack Hardgrave, Don Allen, Jim Harris, and Chisler Mathews.

Mrs. Stout was born in Gatesville on December 23, 1874. She was married to James Henry Stout in Mason on December 21, 1890. They had resided in Sanderson since 1916 and, after Mr. Stout's death in 1959, she had made her home most of the time with her daughter, Mrs. Ollie Stidham, in Fort Stockton.

She is also survived by another daughter, Mrs. Dellar Taylor of Bowie, and a son, Ollie Stout, of Sanderson, also 23 grandchildren.

## 'Homemaking' Course Explained

By Mrs. J. D. McDaniel

Students enrolled in Homemaking I are generally 14 years of age and are in a period of rapid physical growth. The classwork for this group of students is designed to assist them in acquiring information and understanding of personal growth and development as it relates to their role in the family and in other groups. Students may acquire attitudes and skills necessary to develop an ability to evaluate, participate acceptably in the group, and assist in some responsibilities in the home, with adult guidance. Learning experiences are provided to meet student needs and interests in light of their maturity and past experience in relation to family housing, foods, clothing, relationships, health, care of the sick, and child care.

The course in family housing is planned to include study in arrangement, use and care of personal space or room in the home; space and equipment for recreation at home; care of home and surroundings; safety practices in and around the home. Selection of personal clothes appropriate for various occasions; natural fibers and man-made fibers in easily handled fabrics; laundering and storage of personal clothes; grooming and posture; safe and time-saving work habits related to clothing construction and laundering are the basic problems taught in clothing.

In foods, the Homemaking I pupil will learn about food for growth and development; safe work habits in the kitchen; planning, preparation, and service of simple, nutritious family meals; simple refreshments; eating habits; and making mealtime pleasant.

The Homemaking I girl will endeavor to develop an understanding of self; relationships with family members and friends; enjoyment of family and friends; personal expenditures in relation to needs of other family members. Problems in health, home care of the sick, and first aid will go along the lines of personal health and cleanliness; care of minor injuries; simple jobs in home care of the sick. Child care will include how children play; how to guide play, how to care for and get along with children, selection of toys, music.

Mr. and Mrs. Irvin Robbiss and Susi left Monday on their vacation trip to Alexander, Ill., to visit her parents and other relatives for about 10 days.

Texas Press Association

Creation of many new lakes in Texas has resulted in a money problem for the State Highway Commission.

Commission Chairman Herb Petry Jr. of Carrizo Springs expounded on the situation when a Nacogdoches delegation headed by Carl Monk and County Judge F. L. Harris came to Austin to ask for a farm-to-market road from Nacogdoches to McGee Bend Reservoir, now 59 per cent complete.

Petry said cities and lakes are draining heavily on state road funds. He pointed out that the State Highway Department worked up a plan for access roads to McGee Bend in 1959. That work has been proceeding in cooperation with the surrounding counties. But there was no new Nacogdoches County road in the plan.

State Highway Engineer D. C. Greer stated that the farm-to-market road law specifically authorizes use of that money for building roads to recreation areas. Petry said some people call these fish-to-market roads. Padre's Deed

Lawyers have drawn up the deed by which state-owned land in Laguna Madre will be transferred to the United States. This land is to become a part of the Padre Island National Seashore. But deed can't be signed by the School Land Board until the law authorizing the transfer takes effect on Aug. 23.

**Vacation**

Gov. John Connally and his family took off for the family ranch at Floresville for a brief vacation. So far his vacation has been interrupted twice for speeches in Austin and Dallas.

Connally also took along a pile of work to do. He has many appointments to state boards, commissions and courts to make. He gathered up a file of letters containing recommendations. These will help him decide whom to name to the two new Courts of Civil Appeals (at Corpus Christi and Tyler), to the new Parks and Wildlife Commission, and to many other state boards.

He also obtained an opinion from Atty. Gen. Waggoner Carr, saying that the six new justices he will name need not live in the districts at the time of their appointments. Only requirement is that they move into the district before they take oath of office.

**Red Register**

Attorney General Carr is taking steps to force Texas' only known Communist to register. But he has not decided where to bring suit.

A 1951 law requires any communist remaining in Texas as long as five days to register with the Department of Public Safety. No one has ever registered.

Two weeks ago, U. S. Atty. Gen. Robert Kennedy notified the man, a resident of San Antonio, to register within 20 days under a Federal registration law, or face prosecution.

Carr picked up the ball and decided to try to make him register under the unused state law, too.

**Liquor Fines**

People still keep violating the liquor laws.

Liquor administrator Coke Stevenson Jr. reports that his agents filed 743 cases last month. There were 738 convictions, with 28 jail terms, for violations.

Fines came to \$46,172 during the month.

The Lubbock district, mainly dry, was as usual the location of the largest number of cases among the 18 enforcement districts.

**Insurance Up**

Recommendations for higher auto insurance rates have been made to the State Board of Insurance, by insurance companies, and the Board's own staff.

Losses under current rates prompt a general statewide increase averaging 8.6 per cent. But there are variations.

Farmers and ranchers, who have chalked up a good non-accident record, will get substantial cuts. They will range from 20 to 30 per cent, in various parts of the state.

City drivers will face higher rates for their public liability insurance. Statistics show that where there are more cars there are more accidents.

State is divided into 26 rating territories. Drivers living in safer areas will pay less for their insurance.

Board will announce its decision soon, and new rates will take effect on August 1.

**Sewer Aid**

State Health Department has compiled a list of 37 cities awaiting word that Congress has appropriated money to continue the federal-aid program for construction of sewage treatment facilities.

These cities have applied for \$4,067,626 worth of grants to help them build \$15,980,384 worth of projects.

Expected Texas allocation is about \$3,200,000. So some will have to do without federal aid — or wait for next year.

**Ethics**

Three representatives who piloted a tough code of ethics bill

YOU CAN HELP MAKE THIS COME TRUE

through the House of Representatives still are trying.

Reps. James E. Nugent of Kerrville, Robert C. Eckhardt of Houston and Travis Peeler of Corpus Christi presently are seeking help from the Attorney General in drafting a new version for the next session of the Legislature. Later on they hope to talk with Governor Connally about it.

Their bill zoomed through the House. But it was killed in the Senate.

It would prohibit state officials and legislators from having extensive business holdings in areas they regulate — or legislate.

**Swedes Celebrate**

Some 1,300 Texans of Swedish descent gathered in Austin to observe the 125th anniversary of the arrival of the first Swede in Texas. He was S. M. Swenson, who became quite a power in Texas affairs, and then brought hundreds of other Swedish immigrants to Texas.

Swenson family still operates a large ranch in Throckmorton and Jones Counties.

**Sales Up**

Retail sales in Texas improved a bit in May, after a slump in April. May sales were 4 per cent above April and 1 per cent above May, 1962.

**Congressman ED FOREMAN Reports**

Boston Financial Manipulators: Ponzi and JFK

There is a foreboding and strikingly similar approach to the financial maneuverings of JFK's funny-money brain trust and the notorious Charles Ponzi of the 1920s. Their methods of operation and their fiscal philosophies run parallel enough to cast a pall on the economic future of our country if the present day "miracle workers" remain in power.

Ponzi was a daring and audacious swindler. He worked on the age-old desire of mankind to get something for nothing. He started a "firm", Securities Exchange Company, in Boston. His newspaper ads read: "I have a new investment system which guarantees 50 per cent profit on your money every 45 days."

People came running. Savings accounts were drawn out. Stocks and real estate were sold by those rushing into Ponzi's great plan to make men rich without lifting a finger. His system was simple: He just paid the first investors with new money being funneled in by newer investors. His operations were cloaked in great secrecy, made necessary, he glibly explained, because competitors were attempting to steal his system. He said he was dealing in "postal reply coupons."

As the money rolled in, he began to spend huge sums. He bought a mansion, five Boston banks, and a yacht. However, a little more than a year later, his bubble burst. He was in jail. He died a pauper.

He thought that by paying interest he could keep going for a

Mr. and Mrs. Wendell Hill of Balmorhea were visitors in the home of his parents, Mr. and Mrs. Joe Hill, last week. Mr. Hill's mother, Mrs. J. E. Hill Sr., of Fort Stockton, came to Sanderson with them.

Joe Hill was a business visitor in San Antonio for several days last week.

R. A. Turner Jr. took his son, Larry, to El Paso Thursday to get new contact glasses.

Mr. and Mrs. Bill Lancaster and daughter have moved from the Pat Harris home to the Sudduth rent house formerly occupied by Mr. and Mrs. Jeff Chatman.

Mr. and Mrs. A. M. Henson and children returned home last week from their vacation. He went fishing for a week on the Rio Grande and then his wife and children joined him for a week at Indian Hot Springs.

lifetime. By piling new debts on top, but keeping the old debt's annual "carrying charge" paid up, no one would complain. He made the interest rate too high. He could have kept going for years had he been able to space payment periods annually at a lower rate.

The charlatans of today, the Hellers, the pseudo-Keynesians, and Big Spenders of the present Administration that surround Kennedy, are using much the same system. They are paying \$10,000,000,000 annual interest on the debt piled up by Roosevelt and Truman and have added \$27-billion of their own. They are the Governmental Ponzis of today. The next generation is going to have to unravel their fiscal folly and pay for these extravagant spending programs designed to buy votes and perpetuate political power.

They called it swindling in the 1920s. Today, the left-leaning New Frontier scholars call the \$320-billion national debt a "floating balance" and the annual deficits are labeled "minus adjustments". But their formula is the same. Boston, it appears, turned out another master monetary manipulator and the American taxpayer of today and tomorrow will have to pay the bill.

**Lions Elect International President**

Aubrey D. Green of York, Alabama, was elected President of Lions International at the Association's 46th annual convention June 19-22 at Miami Beach, Lions International, with 672,000 members in 121 countries, is the world's largest service club organization.

Lions International is best known for its many youth programs, community service projects, sight conservation activities and aid to the blind. Last year Lions Clubs around the globe completed more than 350,000 individual community service projects.

**What Is the Bill of Rights?**

The supreme law of the United States is written out in the Constitution.

The first ten amendments are known as The Bill of Rights.

1. People have the right to SAY and WRITE what they wish, to meet together peaceably and the right to COMPLAIN to the government. Congress cannot set up an official religion or keep people from worshipping as they wish.
2. States have the right to arm and drill their own citizens in a state militia.
3. In peacetime, people cannot be forced to take soldiers into their homes.
4. An official cannot search a person or his home or seize his property without a warrant. A warrant (a paper signed by a judge) can be issued only if it is necessary to catch a criminal or prevent a crime.
5. No person can be put on trial unless a grand jury has decided there is enough evidence for a trial. No person can be tried twice for the same crime. No person can be forced to give testimony against himself. No person can be executed, imprisoned, or fined except after a fair trial. Private property cannot be seized for public use unless the owner is paid a fair price.
6. A person accused of a crime must be tried quickly, the trial must be public, he has a right to have a jury hear his case, he must be told of what he is accused.
7. In a law suit, for more than \$20, a person can demand a jury trial.
8. An accused person has the right to put up bail.
9. The rights listed here are not the only rights that people have.
10. The powers not given to the federal government or forbidden to the states, belong to the states or the people. If you own property, here is a Bill of Rights drawn up by the National Association of Real Estate Boards:
  1. The right of privacy.
  2. The right to choose his own friends.
  3. The right to occupy and dispose of property without governmental interference.
  4. The right to maintain what, in his opinion, are congenial surroundings for tenants.
  5. The right to determine the acceptability and desirability of any prospective buyer or tenant.

**The Joe Penas Are Residing In San Angelo**

Mr. and Mrs. Maury (Joe) Penas are residing in San Angelo following their marriage here on Wednesday, June 12.

The bride, Miss Edelmira Flores, is the daughter of Mr. and Mrs. Sabas Flores and the bridegroom is the son of Mr. and Mrs. Luis Pena.

The wedding at 10:00 o'clock this morning was in the living room at the home of the bride, where pink and white roses were used for decorations. Judge R. S. Wilkinson officiated at the wedding ceremony with Rev. B. Castilla, pastor of El Buen Pastor Church assisting.

The bride, given in marriage to her uncle, Santiago Flores, wore a beige shantung street dress with matching accessories, a shoulder corsage of white carnations and a single strand of pearls.

Mr. and Mrs. Teodora Garcia attended the couple. Mrs. Garcia wore a pink dress and white accessories.

A reception followed in the home of Mr. and Mrs. Luis Pena. Chocolate punch and cookies were served, also a three-tiered cake decorated in pink and white.

The bride is a May graduate of the Sanderson High School. Mr. Pena entered military service while a senior in high school in 1955 and served four years with the U.S. Army, receiving a discharge last year.

**New Bridge Club Organized**

Mrs. J. A. Mansfield entertained with a dessert-bridge last Wednesday afternoon at the Oasis Restaurant.

Chocolate ice box pie and cold drinks were served.

The group organized a summer bridge club to meet every Wednesday afternoon. They voted to name the club the Summer Duplicate Club.

Those present were: Mmes. A. Garner, Gentry Holmes, Gene Simpson, Malcolm Boinger, Hal Hatem, Eddie Hanson, Anne May, and the hostess, Mrs. Mansfield.

Tommy Gray, son of Mr. and Mrs. O. D. Gray, has his right arm in a cast after fracturing it in a fall from a car. The fracture is above the wrist.

**Mr. and Mrs. J. M. Willson of Floydada were honored last week for their interest in the 400 children who live at the Methodist Home in Waco. Mr. and Mrs. Willson were presented to a gathering of Texas Methodist leaders at a luncheon climaxing the nationally known "Willson Lectures on Child Care" held annually at the Methodist Home in Waco. The lectures are endorsed by Mr. and Mrs. Willson.**

**Baptist W.M.U. Meets Last Week In O. D. Gray Home**

The Baptist W.M.U. met in the home of Mrs. O. D. Gray Monday evening of last week for the regular business meeting and Royal Service program. Mrs. R. A. Turner read the minutes and the treasurer's report of the previous meeting in the absence of the secretary, Mrs. T. O. Moore.

Mrs. James Word presented the program "Co-Laborers for the Truth". Each member was given a "Quiz Sheet" and the answers were reviewed at the close of the meeting. Helping with the program were Mmes. O. D. Gray, H. G. Cates, R. A. Turner, H. W. Cole, and Orba Court. Mrs. A. D. Brown led the closing prayer for the four missionary couples serving in Liberia.

Mrs. Gray and her co-hostess served pineapple - upside-down cake and punch, to the above members and two guests, Miss Roberta Cole and Hal Cole.

Mrs. J. R. Blackwelder and Sharon Ann came home Saturday from Midland, bringing her granddaughter, Katherine Blackwelder, of Fort Stockton and attending to business matters for a few days before Mrs. Blackwelder returned to Dallas to be with her sister, Mrs. Watson Ross, who has been critically ill for a month following a cerebral hemorrhage.

**Duplicate Club Meets In Home Of Mrs. Perry Martin**

The Duplicate Bridge Club was entertained in the home of Mrs. Perry Martin last week with seven members present, including Mmes. Jeanne May, J. A. Mansfield, James Caroline, H. L. Richardson, M. W. Duncan, A. C. Garner, and S. H. Underwood.

Mrs. May had high score, nine points, and Mrs. Duncan eight points.

Gingerbread, dips, tea, and coffee were served for refreshments.

**Shower Fetes Recent Bride**

Mrs. Jim Wilborn, a recent bride, was honored with a miscellaneous shower Friday afternoon in the home of Mrs. D. L. Duncan. Assisting hostesses were Mmes. M. E. Hope, Jeanne May, W. E. Hill, Jack Hayre, and J. D. McDaniel.

A pink and white color scheme was noted with an arrangement of sweet peas in the chalice colors on the coffee table in the living room and on the table where the guests registered in the bride's book.

The shower gifts were displayed in the bedroom. Mrs. Hayre served the pink punch and Miss Mary Duncan served white cake squares. Mints and sandwiches were also on the tea table which was covered in a white linen cloth with Chinese embroidery and cutwork.

LIQUOR WINE BEER

One of a series of reports by this newspaper and the Print Advertising Association on the advantages of print media.

**Don't you read before you buy?**

Most people do. They count on advertising in print to give them the information they want on products that interest them—information on features... designs... and prices, for example.

People not only read about products and services, they show ads to their family and friends; they clip coupons for information and samples; they tear out ads to take along when they go shopping.

When you add it all up, print advertising—the kind you read in the pages of this newspaper—makes sense.

And because it measures up to the buying habits of most consumers, print makes sales.

Most people read—and then buy. Don't you?

RED CHERRY SPARKLER!

For that Fourth of July celebration in the back yard, this Red Cherry "Flag" Dessert will match the fireworks! It's a great last-minute time-saver, too... make it early in the day; decorate at serving time.

Let this bright and delicious dessert top off grilled hot dog rolls, made simply by inserting a pre-cooked frankfurter, and a strip of cheese in a long roll... then wrap firmly in bacon and hold with toothpicks. Broil over a slow fire until well browned. These go well with a big green salad, and dill pickles.

Red Cherry Flag Mold

- 1 package (3 oz.) cherry, black cherry, or mixed fruit-flavor gelatin
1 cup boiling water
1 cup cold water
1/4 teaspoon almond extract
8 ladyfingers, (slit)
1/4 cup chopped maraschino cherries
Sweetened whipped cream
1/3 cup flaked coconut (optional)
12 additional maraschino cherries

Dissolve gelatin in boiling water. Add cold water and almond extract. Pour 3/4 cup of mixture into 9-inch pie pan. Chill until slightly thickened. Line sides of pan with ladyfingers. Chill until set but not firm.

Chill remaining gelatin until slightly thickened. Place bowl in ice and water and whip gelatin until fluffy and thick. Fold in cherries. Pour over gelatin in pan. Chill until firm. Unmold. Spread with sweetened whipped cream leaving a flag shape open in center. Sprinkle with coconut if desired. Decorate with additional cherries. Makes 6 servings.

Homes Abound with Potential Poisons, AMA Official Warns

Children, supposedly "safe at home," are poisoning themselves at the rate of nearly 1,500 a day. "When you consider that more than a quarter million home-used products on the market contain toxins, it is not difficult to understand why more than 500 children die each year from self-administered poisons," said F. J. L. Blasingame, M.D., executive vice-president of the American Medical Association.

Children are naturally curious, especially the very young ones. They are prone to stick into their mouths anything they can get in their hands. It doesn't even have to taste good or look pretty.

Most accidental poisonings occur in children under five. Two-year-olds are the most poison prone, with one-year-olds close behind. At this stage in life their curiosity is at its height and their sense of fear not yet developed, Dr. Blasingame explained.

Medicine, especially aspirin, heads the list of items children seem to like to sample, accounting for nearly half of all accidental poisonings. In fact, too much of virtually any medicine can produce serious consequences.

Among the supposed non-edibles that frequently find their way into children's stomachs are cleaning and polishing agents, detergents, shoe polish, cosmetics, waxes, insecticides, paint, turpentine, chalk, bleaches, plant foods, plaster, perfume and decorations.

Medicines account for nearly half of all accidental poisoning in United States each year. Discard unused medicine and keep rest out of children's reach.

A primary cause of such accidents, says Dr. Blasingame, is storing poisonous substances in food containers or soft drink bottles. A toddler just naturally assumes that a soft drink bottle contains a treat. He'll drink whatever he finds in it. "The facts are clear," he warned. "Between 65 and 70 per cent of all poisonings take place because an item was accessible to a child."

"If we're going to live in modern homes with modern conveniences and modern medicines, we have to develop some up-to-date standards that will make home safe for our children."

- Keep potential poisons out of reach and tightly sealed.
Never transfer toxic materials into household utensils.
Don't leave your child alone in a room in which you're working with poisons.
Give medicines only in a lighted room.
If your child might have taken a poisonous substance, call your doctor for instructions at once. Don't wait to see what happens.

'Homemaking' Is Explained by Teacher

Mrs. J. D. McDaniel

Vocational Homemaking Education for high school students is designed to prepare individuals for the occupation of making a home. This instruction is for both boys and girls. Instruction assists students in solving immediate home and family living problems as well as problems encountered when establishing their own homes.

The homemaking department and the homes of the students are the two laboratories in which instruction takes place. It is not possible, nor practical, for the homemaking student to get as much experience as he or she needs in the homemaking skills at school. Therefore, each semester each student is required to develop a six-week's home experience program in the student's own home, supervised by the homemaking teacher. Home experiences are related to class work and show progression in learning from year to year.

Additional learning experiences in painting and carrying out activities related to homemaking are provided through the Future Homemakers of America, an organization composed of students enrolled in homemaking. The programs of work and projects increase the opportunities for development of leadership and intelligent participation in family and community life.

It takes the regular class work the home experiences, and the FHA organization to make a well-rounded program. It is required that each student participate actively in each phase of the program.

Many years ago only cooking and sewing were taught in homemaking class. However, everyone knows that the homemaker has many other problems connected with home and family living. The modern homemaking education has the responsibility of adapting each homemaking course to the varying home and family life conditions and the needs of the individual, basing the instruction

on maturity levels, interests and purposes of the individual students enrolled. The program endeavors to make provisions for meeting the needs of the academically gifted pupils and those with special abilities and talents.
