LISTEN TO LUKE

There is an interesting and enlightening story in this week's paper about the Girl Scout troops, their leaders, and numbers, and the ladies who are in charge of the local movement and keep it going. We think this information is worthy of note to all our readers. The project is one that cannot be condemned.

If you think that they are doing some good, how about sending a little contribution to the cause and show them you appreciate and approve their actions.

Every effort is being made to organize another home neighborhood committee here and enlarge the movement, but it has not yet been accomplished. The girls need the training and we need the trained girls.

Well, there are only a few more days left to buy a poll tax. There will be at least three elections to vote in this year, and maybe four.

The school board race is coming up in April — the first balloting with the new receipt.

There are no announced candidates as yet for the school board, and we don't even know right now which of the members' terms expire.

It is odd how many different views people have of the school. It is taken so lightly by most people that it is almost amazing. Few people, too, realize the full importance of a school unless they sit down and think about it seriously, with an appraising attitude.

To most of the students it resembles a disciplinary institution — but to a few at least it is a well-spring of knowledge, an opportunity, an obligation, a privilege.

It is the place where future college football, track, basketball stars are trained, where a boy can, if he is good enough, earn a scholarship for his athletic prowess.

It is a place where a student may apply himself and earn a band scholarship, or a twirling scholarship.

It is a place that guides the student for 12 years usually during his formative years.

It is a place where a child can be for several hours a day and several days a week for nine months to keep him busy.

It is the cause of the expenditure of a lot of money — more than any business in town save the railroad.

It is the cause of every property owner having to pay taxes.

It is the source of some arguments and dissension at some time in every town.

It is the means of some adults realizing their life's ambition in the opportunity to work with and teach young people.

It is the place where a student learns biology, or Spanish, or to type, or how to get along with other students.

It is the place where some students learn discipline and to live an ordered life, or how to escape some of the rules.

It is the source of the only worthwhile training that some students get.

It is the reason for spending a big sum of money for daily upkeep.

It is all of these things and many more to many people.

These things are not listed in alphabetical order or order of importance, or any other order. But it would be interesting to cut each one out and place them in order of their importance, and then see how each of us evaluates our school system.

We cannot help but feel that there are no particular groups to be represented, other than the groups of children in school.

Work Started On Post Office

Work started Monday morning of this week on the new post office building for Sanderson. The lot has been cleared and forms built for laying the foundation.

The building will be southwest of the present site of the post office. It will face Downie Street and occupy a part of the street now running from in front of the post office to Downie Street.

Men's Garden Club Re-Elects Officers Monday Night

H. E. Ezelle, president of the Men's Garden Club of Sanderson, was re-elected, as were the other officers, at a meeting on Monday night at the home of Marion Batson.

Other officers who were chosen include: H. W. Chamberlain, vice-president; C. G. Riggins, secretary-treasurer; L. H. Gilbreath, chaplain.

Two projects are now being worked for beautification as a community project. The first is the triangle on the point of the hill at the western edge of town on the Water District property, and the other is the small park area belonging to the Southern Pacific Railroad near the company officials' homes and adjoining the tracks near the intersection of Downie Street and Second Street.

Mr. and Mrs. Batson served coffee, ice cream, and cake after the business session.

Diabetes Survey To Be Conducted Here February 26-27

The State Health Department is planning to conduct a diabetes survey in Sanderson on February 26 and 27 for all Terrell County residents age 35 or more.

It was brought out that the incidence of diabetes is about two of every 100 persons in this age group, and that only about half of that number are known diabetes cases.

The purpose of the free survey is not only to detect unknown diabetes cases so they can contact their doctor, but to make the public more aware of the dangers of the disease and desirability of early detection.

The test consists of the taking of only a spot of blood from a finger-tip and the survey crew will be available to take all persons interested within an hour or two after their normally heaviest meal of the day — about two hours after lunch, and about two hours after dinner — so that a satisfactory test may be made.

Eagles Lose Out In Ozona Tourney

The Sanderson Eagles lost out in their third game in the invitational cage meet in Ozona last weekend.

On Thursday the Eagles lost to Mozelle 57-38. John Cates hit for 13 points and Harry Harkins had eight.

On Friday the Eagles played Merton and won 61-34 with Harkins netting 22 and Oscar Marquez 15.

In their third game, the Eagles lost to Christoval 30-56 with Marquez the only one hitting in the double figures, 11. Sanderson trailed only two points at the half.

Other players who made the trip and saw action were Jack Bogusch, Rudy Arredondo, Butch Jones, Tommy Weigand, Wally Welch, Paul Guadarrama, and David Hardgrave.

The boys will have a long series of out-of-town games, going to Rankin, Iraan, Big Lake, and Ozona in their next five games.

Claude Collins
West Texas Boys' Ranch Prexy

Claude Collins of San Angelo was installed as the 8th president of West Texas Boys Ranch, succeeding Roy A. Minear of Midland, on January 18, at the ranch. Following the installation meeting a banquet honoring Mr. Collins and Mr. Minear was in the River Club in San Angelo.

Collins, a rancher and business man, active in civic affairs, accepted the leadership of one of the most outstanding Boys' Ranches in the country. The ranch, organized in 1947, has grown from a one boy institution to its present capacity of 65 boys in residence and 16 boys in placement away from the ranch.

Youth Sunday To Be Observed At Presbyterian Church

Sunday, January 26, is youth Sunday in the Presbyterian Church and the members of the senior high class in the local church will be in charge of the worship service Sunday morning, according to an announcement by Miss Ada Lee Riggs, chairman of publicity.

Miss Susan Couch will be the leader for the worship service and will be assisted by Steve Harkins and Travis Harkins. Suzanne Downie will be the organist and the youth choir will sing. Bringing the message will be Eloise Farley, Carla Dunn, and Harry Harkins.

Mike Wood, Haley Haynes, Wally Welch and Buster McSparran will serve as ushers.

Other members of the class are Beverly Farley, Roy Deaton Jr., Kay Hatchel, John Whistler, Keith and Leliee Mitchell, and Travis Williams. Mrs. W. H. Savage is the teacher of the class.

Rankin Boys Win, Eaglettes Victors Tuesday Night

The Sanderson High School Eaglettes won their district game against the Rankin fens Tuesday night by 38-26. Pixie Mansfield scored 22 points for the girls to lead in that department, with Linda Babb scoring nine, and Pam Stavley, seven.

Other players who saw action were Suzanne Downie, Jody Tronson, Carla Dunn, Susan Couch, Arebella Lopez, Irma Galvan, Bonnie Fisher, Eloise Farley.

The Eaglettes won their first district game against Ozona last week by a 46-42 score.

The Eagles lost their game by 57-34 after a slow start of 20-5 in the first quarter. Oscar Marquez had 12 points to his credit in the losing cause.

Sanderson is 0-2 in district play and Rankin is 2-0.

Girl Scouts Number Eighty-Seven In Local Troops

There are approximately 87 girls in the local Girl Scout program, according to Mrs. Herbert Brown, who was recently elected Neighborhood chairman, the governing body for the local movement. Besides the large number of girls, there are 14 women who are working in various capacities with the girls.

Mrs. W. H. Dishman is secretary-treasurer of the neighborhood committee; Mrs. J. A. Gilbreath is troop organizer and troop consultant; Mrs. Jack Turner, public relations chairman; and the troop leaders are: Mrs. Eddie Hanson and Mrs. A. J. Riess, Mrs. T. J. Stewart, and Mrs. Irvin Robbins are leaders of two troops of Brownies; number 25; Mrs. H. M. Petty, Mrs. Ray Clifford, Mrs. Cliff Wilson, leaders of a troop of 30 juniors; Mrs. Dudley Harrison, and Mrs. Don Stringer and Mrs. Woody Richards, leaders of a troop of 15 cadettes, and Mrs. Gilbreath, who is advisor to a troop of 11 seniors.

Mrs. Stringer and Mrs. Richards are newly-acquired leaders.

Mrs. Brown stated that the Girl Scouts' drive for funds for local operating costs was short of the amount needed and urged all local citizens who wished to contribute to the fund, who had not contributed already, to please send a check or cash to her or to Mrs. Dishman, the treasurer.

Mrs. Jack Turner, in her role as public relations chairman, made the following statement:

"Speaking for the Girl Scouts of Sanderson and myself, I would like to say 'thank you' to those of you who have contributed so generously to the Girl Scout movement this year. Your contributions are deeply and sincerely appreciated. However, since we have not reached our necessary goal, we feel that there are those who have put our letters aside; not intentionally, but forgetfully. We simply ask you to consider our needs and pledge your support with what you feel you are able to give.

"Our girls are learning to take a place in their community. Some day they will be homemakers, mothers, teachers, nurses, or business women. Whatever their profession, they will keep with them the principles of Girl Scouting. These girls are learning self-reliance, confidence, determination, and the wonderful joy that is derived from serving, giving, and being needed.

"I have reached the end of my term as your Neighborhood Chairman and Mrs. Herbert Brown has been elected to assume this responsibility. I know that all of you will give her the same support and cooperation you have given me these past three years. As I pass this responsibility on to her, I do it with a deep sense of gratitude and humility. Truly, I have received more from my association with the Girl Scouts than I have given.

"My sincere thanks to all of you who have helped in our many accomplishments; and to the troop leaders, without whom my task would have failed."

School's Second Semester Begun

Monday marked the beginning of the second semester of the current school year. The first and only scheduled holidays for this semester are the Easter holidays.

Jack Crossman assumed his duties as band director, replacing Harry Gipson, whose resignation became effective at mid-term. Mr. Crossman is a graduate of North Texas State University, Denton. He and his wife and their three-year-old son are residing in the Murray Hill rent house vacated by Mr. and Mrs. H. G. Robinson.

Girls' Cage Meet To Be This Weekend

A girls' basketball tournament will be played in Sanderson Friday and Saturday of this week. The participating teams will be Alpine, Marathon, Comstock and Sanderson.

The olympic-type tournament will get under way at 6:30 Friday night with Comstock playing Marathon. At 8:00 o'clock Sanderson will play Alpine.

Games Saturday will be at 12:30 and 1:45 in the afternoon and at 7:00 and 8:30 Saturday night.

New Policy For Classifying Men Under Draft Laws

Texas draft boards have received official instructions to begin classifying males immediately after they register at age 18. Col. Morris S. Schwartz, state Selective Service director, said this week.

The program will begin with the young men registering in January 1964 and those who register thereafter, Col. Schwartz said.

Under the past policy, most men have been classified initially somewhere between the ages of 18½ and 20, the state draft director said.

These older men who have not been classified initially will have their classification speeded up until this group is complete, Col. Schwartz said.

The decision to begin classifying 18-year-olds immediately is the result of President Johnson's action of January 5, announcing that he was directing the Director of Selective Service and the Secretary of Defense to examine all newly registered men who are out of school and otherwise available for service.

Col. Schwartz emphasized that no 18-year-olds would be sent for armed forces pre-induction examination currently except volunteers and delinquents.

"We anticipate receiving instructions to send 18-year-olds for these examinations if they are not in school and are not married," Col. Schwartz said, "but we have been directed to do nothing until further instructions are issued."

He said people "should not conclude that the 18-year-olds examined are going into the Army immediately. Under present regulations and demands for military manpower, the acceptable 18-year-old could not be drafted," he said.

"In the end, the man who is going to be affected, apparently, is the 18-year-old man who cannot pass the pre-induction examination," Col. Schwartz said. "He, apparently, will be offered the advantage of some kind of job training or remedy for his defects, if possible, but we have no information on that at this time."

The state draft director said that, in his opinion, it is going to become even more important that draft boards are advised when a young man becomes a college student.

"Otherwise, in the near future," he said, "the young man may be called out of class by his local board to take an examination because the board didn't know he was in school."

Colleges which report registration of all draft-age males as students would not have their students disturbed under such a program, Col. Schwartz said.

Mr. and Mrs. D. R. Frazor and children returned home Sunday afternoon to San Antonio after visiting here over the week-end with his mother, Mrs. W. F. Frazor, and with her grandmother, Mrs. Mary Lou Kellar, and her uncle and aunt, Mr. and Mrs. W. D. O'Bryen.

Dallas Youths Nabbed After Car Is Stolen

Two 17-year-old Dallas youths were apprehended north of Marathon Monday morning by Sheriff Bill C. Cooksey after a car had been reported stolen in Dryden earlier that morning.

Local officers related the following story:

"Employees of the fencing crew working near Dryden reported their car stolen Monday morning. A call was placed to Pecos to alert all officers to the north and west. Investigation revealed that the stolen car had not been filled up with gas locally, and it was said to have a very small amount of gas.

"The car was abandoned just east of S. L. Stumberg's ranch house and the boys hitch-hiked to Marathon and turned north toward Fort Stockton and were apprehended on that road.

"It was later learned that they had abandoned another car east of Dryden after they had a flat and found that the spare had a knot on it. They caught a ride into Dryden and found the car which they subsequently abandoned west of Sanderson.

"One of the boys is out on bond on another charge of car theft," Highway Patrolman Malcom Bolinger stated.

The boys were held in the Terrell County jail and picked up by Dallas officers this week.

The boys admitted stealing a car in Dallas which was abandoned east of Dryden, the officers stated.

Funeral Services Last Thursday For B. C. Farley

Funeral services were held in the Church of Christ last Thursday afternoon for Beverly C. Farley, 91, who died Tuesday evening after several years of failing health. Wilfer L. LaFleur, minister, officiated and burial was in Cedar Grove Cemetery with the Lawrence James Funeral Home of Ozona in charge of arrangements.

Pallbearers were R. S. Wilkinson, W. J. Vaughn, Ervin Griggsby, J. T. Quigg, Harvey Rogers and Jimmy Merritt.

Among out-of-town relatives and friends attending the funeral services were: Mr. and Mrs. Joe Farley, Burbank, Calif.; Mr. and Mrs. C. A. Brotherton and Mr. and Mrs. J. T. Quigg and sons, Raymond and John, Del Rio; Mrs. Inez Nutter and son, Nathan Nutter, and Johnnie Beavers, Big Lake; Mr. and Mrs. Van Farley, Odessa; Lathan Nutter, Cap Rock, N.M.; Mr. and Mrs. Clifford Nutter and children; Midland; Frand Farley and Mrs. Arthur Schwantner, Brackettville; Mrs. Elsie Coleman, La Pryor; Mr. and Mrs. Bill Taylor, Charlie Rogers, Fort Stockton; Mrs. Ola Burdwell, Mrs. J. M. Reagan, John Watts, and Mr. and Mrs. John Keys Finnegan, Del Rio; Mrs. Lawrence James and Milby Winn, Ozona; Mrs. N. W. Moses and sons, John and Neal, San Antonio; Sterling Kinkler, Pleasanton; Mrs. Angie Winn and daughters Beula and Johnny, Mr. and Mrs. Jimmy Merritt and daughter, Lillie Jean, and Ray Brotherton, Dryden.

W. L. LaFleur Preaches Last Sermon at Local Church

Wilfer L. LaFleur, minister of the local Church of Christ, left Monday for Houston after serving here for almost a year. He and his wife and two daughters came here from Louisiana. In Houston he will be employed by an insurance agency but will also continue to preach, although not on a full-time basis.

The local congregation served a covered-dish dinner at the church Sunday to honor the LaFleurs.

Ambulance Service Plans Explained

The operation of the ambulance, purchase of which was recently authorized by the Commissioners' Court, is explained by the committee named to work out details of the purchase and operation.

Troy Druse, chairman of the committee, explained that Joe Fuentes had been employed as a full-time operator of the vehicle and he may be reached at DI 5-2957. He will also be responsible for the maintenance of the vehicle.

It was explained that at some time, due to some unforeseen circumstance, that Fuentes may not be available, and in such case people are advised to call Sheriff Bill C. Cooksey for ambulance service.

The committee has established the rate of 50c per mile — a one-way charge — for the use of the ambulance, the rate that has been in effect under private ownership, payable to Terrell County.

Mr. Druse stated that all of the details of operation of the vehicle had not been worked out yet, and that the committee would try to go slowly in its decisions to try to attain a satisfactory arrangement for the operation.

Dividing District For Cage Play Starts Next Year

Basketball Coach Don Stringer this week stated that there would be a new method of basketball play for the next two years within the present district.

The district will be divided into two zones, according to Stringer, with Sanderson in the same zone with Big Lake, Iraan, Rankin, and Ozona. The eastern zone will be comprised of the other teams in the district. Each zone will play a double round and then the two winners will meet for a one-game championship match for district honors.

This method of play was adopted at a meeting of the district representatives in Ozona last week and is an effort to cut down travel time and expense.

Weldon Cox Named To Board Of Water District

The board of directors of the Terrell County Water Control & Improvement District No. 1 met Tuesday night to canvass the ballots of the recent election and attend to other business matters.

The resignation of Don Anderson, who moved from the district, was acknowledged and the board appointed Weldon Cox to fill the unexpired term of Mr. Anderson. Cox accepted the office with the promise to serve the district to the best of his ability as a director.

Kiwanis Club Honors Prexy

Last Thursday evening, Wilfer LaFleur, president of the Kiwanis Club of Sanderson, which was recently organized, was honored at the regular meeting of the club, since he was moving to Houston.

About 40, including members and guests, attended the meeting which was preceded by supper served in the dining room at the Oasis Restaurant.

Mr. LaFleur installed W. J. Vaughn, vice-president, as president of the club. W. R. Balkum was elevated to first vice-president, leaving the office of second vice-president open until the next meeting.

Lem Railsback was in charge of the program.

By Vern Sanford
Texas Press Association

In upholding the conviction and eight-year prison sentence assessed Billie Sol Estes, the Court of Criminal Appeals announced conclusions of importance to news media, as well as to attorneys and those facing felony trial.

Estes' attorney had complained of television coverage of the trial and contended that widespread newspaper stories on the case kept jurors from being open minded.

Wrote Judge W. A. Morrison: "The wheels of justice must not stop merely because an accused is of such prominence that he and his alleged misdeeds have been publicized throughout the state . . . It is apparent that nothing beneficial to appellant (Es-

tes) could be accomplished by changing venue countless times."

As to controlled TV coverage Judge Morrison wrote:

"Under the facts certified, we fail to perceive any injury to the appellant as a result of the telecasting of the proceedings . . .

Of the many cases coming to this court, we know of no case where the accused received better or more efficient representation than appellant in the present case."

Same court declared "constitutional" the Sunday "blue law", passed by the 57th Legislature. Court's ruling was in the case of a Houston auto salesman charged with violation of the Sabbath sales statute.

Under the 1961 law, a retail merchant may observe either Saturday or Sunday as the Sabbath, but cannot make sales on both.

Ruling is considered a setback for Spartan discount stores that is appealing a San Antonio court order curtailing its weekend sales in several Texas cities.

Texas Supreme Court threw out the effort of East Texas oilmen to have 35 civil penalty suits resulting from slant hole oil investigations tried in their

home counties rather than Austin.

Insurance Policies Debated

Texas Insurance Commission has under advisement divergent testimony on whether general home owner package policy rates should be trimmed and coastal area rates should be raised.

Mutual insurance company spokesmen opposed both proposals.

Fire, extended coverage and casualty risk home policies totaled \$43,000,000 in business in Texas in 1962. Losses due to Hurricane Carla in 1961 caused a shrinkage in the number of companies offering coverage in the Galveston area.

Texas Insurance Advisory Association suggested \$250 deductible for the coastal area.

College Programs Studied
A plan for coordinated development of graduate facilities at both public and private colleges in the Dallas-Fort Worth area is being studied by the Commission on Higher Education.

Chairman Rex Baker of the special committee suggested concentration on engineering graduate programs at Arlington College, drawing on teaching talent from Texas A&M.

Commission approved degree programs for the new Angelo State College, San Angelo, and Pan American College, Edinburg. These two colleges join the state system in 1965.

Draft Quota Is Down To 517

The state draft quota for February calls for 517 men, compared to 812 for January. Col. Morris S. Schwartz, state Selective Service director, said this week.

The state quota of 517 for February is the Texas share of a national call for 12,000 men, all for the Army.

The February quota will be filled mostly with men who are volunteers under 26 years of age and nonvolunteers ages 19 through 25. Most of them will be 22 years old.

No man who draft board file reflects that he is maintaining a bonafide family relationship with a wife or a child or children will be selected in response to this call.

At the meeting of the local board on January 9, H. C. Hernandez of Alpine was presented a certificate of appreciation from the late President Kennedy.

The Presidential citation was awarded for his service as co-chairman and secretary on the draft board serving Brewster Presidio, Jeff Davis, and Terrell counties. He has served for 15 years, performing his duties without monetary compensation. He also received an emblem for his 15 years' service to the U.S. Government.

In other news, the local board has called 20 men from Terrell for physical examination in January. Two men have been called to report for induction. The local board quota for February 15 men for physical examination and 2 for induction.

The local board would like to remind young men their obligation to register in five days after reaching the 18th birthday.

Chevrolet's new low-cost quality delivery truck!

This introduces you to Chevy-Van—our new economy delivery truck.

It has a low price tag, over 40 sq. ft. of completely usable flat floor 7½ ft. long, the engine up front, and a lot of quality features which make it a better buy. The body and frame-floor are welded together. The truck is strong, rigid, stable. Doors are double-wall construction.

Chevy-Van has unusual resistance to rust and corrosion. Especially vulnerable areas such as front stepwells are galvanized. Sealers are used at all critical joints inside

and out. Certain sections are treated with high-zinc-content primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit.

The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical. If you need more power, Chevy-Van offers a 120-hp six at extra cost. Side doors and rear windows also cost extra.

Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

Following a wedding trip to New Mexico, the couple is now residing in McCamey.

The wedding was in the Immanuel Baptist Church of Odesa on Tuesday, December 31.

Culture Club Has Study Of 'Buddhism'

The Sanderson Culture Club met in the home of Mrs. W. H. Savage Friday afternoon, the meeting having been postponed from Thursday. Mrs. H. E. Gatlin was co-hostess.

In the absence of the president, Mrs. Paul Hatem, vice-president, presided. The meeting opened with the reading of the Club Collect and the singing of the National Anthem. A decision on several matters which were presented during the business meeting will be made at the February meeting. Plans for the observance of Texas Day will be completed by the committee and announced later.

Mrs. Savage presented several articles from the General Federation News and read "Why Not Be An Ambassador Anyway" by Francis Plimpton.

Mrs. J. D. McDaniel read interesting excerpts from several letters from Mrs. A. D. Gamblin who with her husband, is teaching at a copper company school in Ilo, Peru, South America. The Gamblins are former teachers here.

Mrs. H. E. Ezelle was director of the program on "Buddhism" and was assisted by Mrs. Hatem and Mrs. E. H. Jessup.

During the social hour, refreshments were served from a cutwork natural linen-covered table centered with an Oriental arrangement of long-leaf pine and chrysanthemums in a mahogany hibachi combined with driftwood. Mrs. Jessup served chicken a la king in patty shells from a chafing dish and Mrs. Hatem presided at the silver tea and coffee service. Date-nut cup cakes, candied orange peel, salted nuts, and a fresh pineapple-cherry fruit bowl were also on the table.

Other members present were Meses. A. D. Brown, C. F. Cox, L. G. Hinkle, H. C. Goldwire, W. F. Frazor, Mary Cox, H. L. Richardson, R. A. Gatlin, S. D. Harrison; also three guests, Mrs. A. H. Zuberbueller, Mrs. Woody Richards, and Mrs. W. W. Sudduth.

ONE WAY

...to better study — better grades:
PROPER LIGHT

Homework is more effective when it's done at a regular time and place, and with proper lighting to reduce eyestrain and fatigue. Good lighting also makes study time more productive and helps keep young minds alert. Check now to be sure your children have proper study lighting, consisting of: a good table lamp with diffusing bowl to soften glare; at least 150 watts of light; a shade wide enough to spread light over the entire work surface. Better light means better sight — better study.

Listen To Luke

Continued from Page 1—
that there are no personalities to be considered beyond the personalities of the students that are to be molded; that there is no activity in school more important than academics.
Sound mature thinking that can be useful in budgeting a known amount of money according to the best interests of the schools and the ability to know and understand the source of that money and to adjust the means to the ways and ways to the means, are good qualifications for a school board member.
We don't expect that there will be any candidate for the school board that will meet all of these qualifications to perfection, but we would hope that they will try — if they are elected.

Some people say parents are best qualified to run the school — they are most interested. It is also said that the personal interest causes some to be biased.
Some say a board member should not have kids in school because he can then act without outside pressures. And it is also said that the pressures are only the result of interest.
It can be the reason for some solemn thinking.
