SANDERSON, TEXAS, FRIDAY, OCTOBER 2, 1964

NUMBER 35

LISTEN TO LUKE

Well, the rains came! Sometimes they are a long time in coming, but they do get here! And, like as always, it rained on the just and unjust.

One ranchman, after having been water-bound, stuck, and soaking wet intermittently for several days, and admitting to the best rains he had ever had, was heard to remark on Monday — the first day without rain in about two weeks — "We just get one drought broken good, when we start into another one".

No rainfall has come to the county since Sunday, as this is written on Tuesday afternoon but it doesn't look like another drought has started.

The weather Tuesday looked like it might start raining any time, and we won't be surprised if it does.

We have a story in this week's paper about a proposed landing strip that will be built by the federal government in Sanderson possibly in the near future. Sanderson is one of several places where such a strip is proposed.

Other readers who saw the same story printed in other papers, surmised that this meant that Sanderson would be having airline service in the near future.

Personally we did not get that information out of the story, and it is our opinion that such a proposal is not in the offing.

But who knows?

And if they do, we will have gone on record as being wrong.

But that is one of the occupational hazards of being a newspaper writer. Some of your thoughts and opinions are put in

—Continued to Page 4

Prison Rodeo To Begin Sunday

October is Texas Prison Rodeo Month, and each Sunday of the month will find thousands of Texans converging on Huntsville to witness one of the most colorful and roughest rodeos of its kind in the world.

The main attraction in each show will be tough inmate cowboys trying to tame tougher prison-produced broncs and bulls in a host of events not usually found in other rodeos.

Each performance is opened with a prison rodeo special that is known as the "mad scramble". Ten chute gates swing simultaneously and 15,000 pounds of humped hatred — in the form of vicious Brahma bulls, catapult into the arena, a man clinging desperately to each back.

Additional events include the calf tussle — 40 calves and 80 men loose in the arena at the same time. In two-man teams, the cowboys will try to wrestle their calf across the finish line for top money. The calves will all weigh more than 400 pounds.

Another prison rodeo special called "hard money" features one enraged Brahma bull with \$50 tied to his horns by means of a nylon string. The object of the game is simple: just walk up to the bull and remove the sack from the bull's horns!

There will be several special attractions and specialty acts from the traveling rodeo circuits including trick riders, famous clowns, etc.

Net proceeds of the rodeo go into the educational and recreational fund of the Department of Corrections. The fund supports such inmate activities as education, vocational training, recreation, spiritual guidance and special dental, optical and medical services not provided by the state.

Tickets may be obtained by writing Rodeo Ticket Office, at Huntsville, enclosing check or money order. Reserved seats are \$2.40, \$3.75, and \$4.40 each, tax included.

Eagles Defeat Menard, 12-6; To Face Tough Big Lake Friday

The Sanderson Eagles surprised a lot of football prognosticators last Friday night when they took the measure of the Menard Yellowjackets 12-6 on the Sanderson gridiron. It was the first season win for the Eagles and put them one-and-one for the conference play.

During the first period Tommy Weigand ran 14 yards for the

first Eagle score and the extra point try failed. The TD drive began on the Sanderson 40-yard line.

In the second period Weigand intercepted a Menard pass and ran 75 yards untouched for the second TD. The extra-point try again failed.

Weigand went high into the air between two would-be receivers to catch the intercepted pass. Menard's six points also came in the second period on a line plunge from the 1, capping a 40-yard drive. The extra point try kick for Menard also failed.

The statistics for the game were:

Sanderson	Menard
276 yards rushing	296
9 first downs	10
3 penetrations	2
55 yards passing	24
4 of 5 passes completed	2 of 5
2 interceptions by	0

More Rain Falls Over Entire County

More rains have fallen over the county to bring the total up to "ample for the time being" on almost every ranch in Terrell County.

For 10 to 14 days rains fell almost daily on some Terrell County ranches with the last rainfall early Sunday morning.

Some ranchmen report more rainfall in that period that they had had in any one year for several years.

Canyons ran almost continually in some parts of the county and at time were impassable, particularly on the Dryden-Sheffield road.

Traffic was halted on that road almost all of last weekend.

Several ranchmen reported damage to their vehicles when they were caught in high water in trying to cross creeks to attend to their necessary work.

The green growth of brush and weeds has been noticed on hills along all roads in the county and it is hoped that there will be a good recovery of brush and weed coverage to afford some fall grazing for livestock.

All week heavy clouds have prevailed and a threat of rain was evidenced on several occasions.

The amounts of rainfall varied widely over the county and any figures from one particular area would not be parallel to figures from another area.

Mrs. Kenneth Andrews of El Paso is visiting here with her parents, Mr. and Mrs. Herbert Brown, and family. She returned her sister, Barbara Brown, and Elizabeth Turner who had spent the weekend with the Andrews.

W. D. O'Bryant Jr., the paternal grandfather, went to San Angelo Thursday afternoon to meet his wife who arrived by bus after she had been visiting in San Antonio for a week and they returned to Sanderson Saturday evening.

Mrs. Mary Lou Kellar is the paternal great-grandmother and Mr. and Mrs. Tom Parisher of Ozona, former residents, the maternal grandparents of the new arrival.

To Mr. and Mrs. Sammy Van Jeffers of Tyler was born their first child, a son, on September 17. His birth weight was seven and one-half pounds and he was named William Raymond.

Mr. and Mrs. Bill Goodwin are the paternal grandparents and Mr. and Mrs. B. L. Van Cleave are the paternal great-grandparents.

Mrs. C. L. Surratt has returned home from Alpine where she had visited with her son, H. L. Surratt, and family while she recuperated from a fractured upper arm. The cast has been removed from her arm and she is recovering satisfactorily.

New Arrivals

To Mr. and Mrs. William Doyle O'Bryant of Ozona was born a son, their first child, in a San Angelo hospital Thursday morning at 7:30. His birth weight was eight pounds and three ounces and he was named William Dugan.

Mrs. Lizzie Billings and daughter, Miss Eva Billings, returned home Friday from Fort Stockton where they had visited with Mrs. Billings' daughter, Mrs. Hollis Haley, and family. Mr. and Mrs. Haley and daughter, Vicki, brought them home and remained for a weekend visit.

Calendar of Events

- Sunday — World-wide communion Sunday, VFW meeting
- Monday — Baptist W. M. U., Eagle Boosters
- Tuesday — Ranch HD Club's Fun Festival
- Wednesday — Rotary Club, Wednesday Club
- Thursday — Lions Club, Kiwanis Club, Bonhomie Club, Duplicate Club, Legion meeting

Natural Gas Boosts Economy 3.3 Million In Terrell County

A \$3.3 million a year ingredient in the prosperity of Terrell County is the production of natural gas, the Texas Mid-Continent Oil & Gas Association says in its current survey of economic factors stemming from petroleum operations here.

Using just-published U.S. Bureau of Mints figures as a base, the Association has projected what petroleum activities mean in this county. In 1962 Terrell County was producing more than 27 billion cubic feet of natural gas, valued at \$3.3 million.

Terrell County ranks 132nd in the state as total value of oil and gas production.

"Demand for Texas crude oil picked up enough last year to give us an increase of about 3 per cent over 1962 on a state-wide basis. This slightly improving trend seems to be holding this year as more autos are put on the road and nationwide business conditions accelerate," said James L. Sewell, president of the Association. "It will be several months, however, before we know to what extent individual counties are participating in the current market."

The dispersion of oil dollars through Terrell County business channels and the healthy effect given property values by petroleum industry activity are indicated by several figures published by the Association.

It is estimated that royalty payments to Terrell County land owners who are fortunate enough to have producing wells on their property create a "crop" worth about \$411,000 annually. These and other farmers and ranchers who have leased acreage for exploration receive additional rental and bonus payments, but sufficient current data is not available for measuring the amount.

Oil and gas operators invested an estimated \$890,000 in Terrell County last year in the search for new fields and in the development of zones where production has been found. The Oil and Gas Journal reports that 6 wells were drilled in the county in 1963, resulting in 3 gas wells and 3 dry holes.

Drilling operations included 3 wildcat wells in which operators hunted oil in new territory or at new depths. About \$445,000 of the drilling expenditures was lost to dry holes, the Association estimated. Approximately \$438,000 was spent to conduct seismic exploration mapping underground formations which might contain oil.

Petroleum industry payrolls contribute about \$266,000 a year to the county, according to Texas Employment Commission records. They show about 55 persons directly employed in oil and gas operations.

The state government's financial interest in Terrell County operations is measured by the \$230,000 a year which the operators and royalty owners provide the state government in taxes. These payments are in addition to those paid to local units of government and schools as property taxes. Oil and gas property taxes are reflected in local support of many Texas school districts. For example, 55.9 per cent of the local taxes for the Terrell County Independent School District comes from oil and gas operations.

Construction Is Finished On US 90 East Of Dryden

Construction of about 15 miles of US 90 east of Dryden has been completed, according to information received last week-end and only clean-up work is being done on the road at the present time.

The reconstruction of this stretch of road brings the condition of US 90 to Del Rio up to first-class condition and traffic is expected to improve as the result of the completion.

The letting of the contract for work on US 285 on Big Hill is expected in November and work will begin immediately on that project, it is thought.

Deferrment Now Would Aid In Grass Recovery

Large portions of the Rio Grande - Pecos River Soil Conservation District have received good rains during the past two weeks. The average frost date being November 10, there is still time for grass to make some recovery from the past dry summer.

Range deferrment from now until after frost would greatly hasten the recovery of grasses in a deferred pasture.

The first leaves that a grass plant puts up after a rain in warm weather are produced in the roots. If these leaves are allowed to continue growth they will in time start to manufacture their own food and, after seeding replenish the food reserves in the roots for next year's growth. However, if the first leaves are clipped off by grazing, more stored food from the roots is necessary to start growth again.

Continued clipping kills the grass by starvation.

A pasture deferred from now until frost would also provide a feed reserve for winter and start growth earlier in the spring.

Remember, it takes grass to grow grass.

Gene Upshaw Talks To Rotary Club On Juvenile Cases

Gene Upshaw, county juvenile and probation officer for Pecos County, was in Sanderson Wednesday to talk to the Sanderson Rotary Club about his work.

Mr. Upshaw not only outlined his duties to the group, but told details of his work with juvenile boys and girls in Pecos County and also listed some of the things they were trying to accomplish.

The visitor's program proved very interesting and enlightening to the group.

Funeral Services For Jess Davis Held In Snyder

Funeral services were held in Snyder last Tuesday for Jesse B. Davis, 64, who died at the McKnight State Hospital where he had been a patient for a month. Interment was in that city.

He and his brother, Oscar Davis, formerly resided on the Carpenter place north of Dryden, moving to Snyder about two years ago.

He is survived by his mother, Mrs. Ruthie Davis of Snyder; three brothers, Fred and Oscar Davis of Snyder, and Pete Davis of Douglas, Ariz.; two sisters, Mrs. Carrie Lines and Mrs. Clint Head of Snyder.

Junior Class Plans Bake Sale

The Junior Class of the Sanderson High School is having a bake sale at the Community Public Service Co. office on Saturday, October 10. Cakes, pies, cream puffs, and all kinds of sweets will be on sale, beginning at 9:00 o'clock and continuing until everything is sold.

Anyone wanting a cake or pie on special order is requested to contact Mrs. J. D. McDaniel, class sponsor, or any member of the class.

Vermont Visitors Enjoy Football Game Friday Night

Mr. and Mrs. W. A. Wyde of Stamford, Vermont, and Mr. and Mrs. Clark Bowen of Weston, Vermont, were in Sanderson last Friday night and went out to see the football game between Sanderson and Menard.

The visitors sat on the north side of the field and enjoyed "rooting" for the Eagles. "It was one of the most pleasant evenings we have spent on our trip," they said after the game.

V.F.W. To Meet Sunday

The Sanderson V.F.W. Chapter will have its regular meeting Sunday at 10:30 a.m. in the V.F.W. Hall.

Susano Munoz, commander, has urged all members to be present.

Hallowe'en Carnival Plans Will Include Many Features

Plans are being formulated for a full evening of entertainment on Hallowe'en, October 31, in Sanderson — a Saturday night.

The Sanderson High School football team has an open date on that weekend and it is hoped that there will be full cooperation from the citizens to make a success of the evening.

The plans now include a parade of children in costume at 4:30. The parade will begin at Eagle Lumber Co. and go down Oak St. to Second St. and then to the high school where it will break up.

Mrs. J. R. Hodgkins is in charge of plans for the parade.

Immediately after the parade, the Eagle Boosters Club will begin serving barbecue supper at the high school. Prices will be \$1 for all junior high school students and older, and 50c for all students younger.

The Eagle Boosters also plan

Electric Co-op To Have Meeting In Brackettville

Saturday, October 10, will mark the 19th annual membership meeting of the Rio Grande Electric Cooperative, Inc., in Brackettville. The meeting is scheduled to be at the Fort Clark Guest Ranch with registration beginning at 9:30 a.m. and the business meeting beginning at 10.

The business meeting will be followed by the barbecue.

President Lloyd L. Davis of the Cooperative will preside over the meeting which will consist of reports from the officers and a report by General Manager Jay Seefeld, covering the operations of the past year.

Four directors will be elected to replace directors whose terms expire this year. Directors with terms expiring include Lloyd L. Davis and Tommy Seargeant of Brackettville, W. T. Kirk of Crystal City, and Ed C. Daniel of Comstock.

Additional members named as candidates are Leonard Frerich of Brackettville, James Rose and Otto Strube of Uvalde, Malcolm Maegen Jr., Jack Harris and W. W. Langley, Crystal City, and Bit Terry of Del Rio.

C of C Will Relay News of Hunting Leases Available

Ranchmen of this area who will have hunting privileges for lease during the coming deer season are asked to turn their names in to J. A. Gilbreath, secretary of the Chamber of Commerce if they want help in filling up their available hunts.

The Chamber of Commerce receives many letters from hunters wanting a place to hunt, and names and addresses will be turned over to the ranchmen so that they may make contact with the hunters for arrangements of the hunt so there will be no misunderstandings.

Sanderson Eyed For New Airport

According to information received last weekend, Sanderson is among several towns in West Texas that were recommended Thursday of last week by the Federal Aviation Agency for construction of new landing facilities and improvements. The entire project would cost \$1.2 billion over the next two years.

There are no further details of proposed construction available.

The West Texas cities and areas include Sanderson, Big Bend, National Park, Crane, Dell City, Devine, Johnson City, Roby-Rotan, Rocksprings, and Seminole.

Amateur Rodeo Slated for Weekend

The Sanderson Rodeo Club is sponsoring an amateur rodeo here on Saturday and Sunday at the arena north of town.

Beginning at 1:00 p.m. each day there will be bareback bronc riding, a two-steer average, bull riding for 13 to 15-year-olds, and junior and senior barrel racing and jackpots to follow.

A barbecue and dance will be Saturday at the Sanderson Drive Inn and a 30-30 Winchester will be given away Sunday afternoon at the arena.

Office Supplies At The Times

HIGH PROMISE—LOW RETURN

NO PIE IN THIS SKY

Over the years the federal government has used a sure-fire method to win approval for expenditures of taxpayers' funds on special projects. It issues a glowing prospectus of the number of jobs that will be created. Unfortunately, no one ever appears to bother to find out if the promise is ultimately fulfilled.

The construction of a memorial in Jefferson, Mo., to commemorate the Louisiana Purchase is a strong case in point. It was first proposed by President Franklin D. Roosevelt in 1933. He assured the Congress that it would provide work for at least 5,000 persons. It got a favorable response, naturally, since the nation was depression-ridden. First estimates placed the cost at around \$25 million—a fantastic sum in those days—and three years later a grant of \$22.5 million was made to the Public Works Administration.

However, a long series of legal complications arose over acquisition of the land. These and disputes over the selection of a design caused such long delays that actual construction of the 630-foot high, stainless steel memorial was not started until 1961. It is expected to be completed late this year and the final cost will hit \$32 million.

Now comes the payoff—or the lack thereof. Instead of creating 5,000 jobs the project has given work TO ONLY 100 MEN.

It would be well if Congress kept this case history in mind in considering requests for funds for anti-poverty projects.

Personels . . .

Mrs. Roy Eaton had major surgery in an Odessa hospital on Wednesday. Her husband and her mother, Mrs. Manuel Garcia, are with her.

Rev. and Mrs. Miller Stroup, Mr. and Mrs. C. F. Cox, Bill C. Cooksey, and Mrs. H. C. Goldwire attended a district meeting of the members of the education and evangelism commissions of the Methodist Church in Alpine last Thursday evening.

Bud Roberts, who had been hospitalized in Fort Stockton for medical treatment and then visited with his brother while he recuperated, accompanied them to Sanderson. He is a brother of Mrs. J. W. Carruthers Sr. Mr. and Mrs. W. E. Lea Jr. were business visitors in El Paso last week.

Local Teachers Attend TSTA Workshop in Marfa

Mrs. E. E. Farley, Mrs. W. J. Morris, and Mrs. Mary Riggs attended the District 6 Workshop of teachers and administrators in Marfa last Saturday. Mrs. Morris is president of the local TSTA unit and Mrs. Riggs is secretary.

Sectional discussions were held after the keynote speech by W. R. Carmichael, State TSTA vice-president, and a talk by Burton Johnson, District 6 president.

The possibility of obtaining a raise of \$45 for teachers in 1965 received the approval of those present.

F. A. Weigand and son, Tommy, visited in San Antonio last weekend with Mrs. Weigand who is hospitalized there and reported her condition to be improved. Attending a TSTA workshop in Marfa Saturday were Meses Mary Riggs, W. J. Morris, and E. E. Farley.

Mrs. Linda Everett and son and daughter, Herman and Gaye, who have been residing in Fort Stockton, are here with her parents, Mr. and Mrs. Buster Maples.

WHAT'S IT ALL ABOUT?

Democratic Clubs, Conservative Clubs, and Study Groups are being formed in many communities. What is it all about? "The issue of World Government is the issue of the era and it must not be ignored by responsible persons".

Twenty-seven pages are devoted to Internationalism in the book "None Dare Call It Treason". It should be carefully read by those earnestly seeking information on the confusion of our times. Chapter 9 on Mental Health is frightening. One could wish that the author had used one paragraph to describe the vicious lobotomy operation mentioned on page 159. Read and be informed !!!

This book can be obtained for 75c at the Conservatives for Goldwater Headquarters.

LOOK UP before you LIFT UP!

When installing a TV antenna, make sure it will safely clear overhead electric lines

When putting up or taking down a TV antenna, keep it well away from power lines. Be careful also to avoid running guy wires or lead-in wires over or close to electric lines. If a mast, guy wire or lead-in wire comes in contact with an electric line while you're holding it, a serious accident could result. Play safe by following the above precautions.

New Study Topic For W.S.C.S. Begun Monday at Meeting

To inaugurate the programs for the year titled "Summoned to a New Age", Mrs. W. J. Murrah led the program on "A New Purpose for a New Age" when the Methodist Woman's Society of Christian Service met in Fellowship Hall Monday afternoon.

Mrs. H. E. Ezelle read the scripture passage and Mrs. Murrah led in prayer after the hymn "O For a Thousand Tongues To Sing".

After Miss Eva Billings had introduced the program, Mrs. J. O. Little discussed the purpose of the organization and Mrs. L. H. Gilbreath outlined its function. The members read "The New Purpose" in unison and in closing "A Call to New Commitment".

During the business session the resignation of the treasurer, Mrs. Roger Rose, was accepted.

Mrs. H. E. Ezelle was elected to fill her unexpired term. Mrs. Little presented the asking of the supply department for work in the Far East and a contribution of \$5.00 was voted. The recommendations of the finance committee were accepted and included the selling of cook books and notes, and the catering of the annual Christmas luncheon for the Ranch Home Demonstration Club. Mrs. Rose reported \$224.00 made in the recent hat sale.

Three new members were welcomed into the society, Mmes. Tom McClellan, Chester Smith and Darwin Schrader.

Mrs. L. G. Hinkle was hostess and during the social hour served sandwiches, apple tarts topped with cheese, potato chips, salted nuts, and coffee.

Also present were Mmes. H. M. Petty, Clyde Higgins, Irvin Robbins, C. F. Cox, W. T. Ataway, H. C. Goldwire, M. W. Duncan, and Miller Stroup.

Mr and Mrs. J. A. Gilbreath went to Lubbock Thursday of last week to return their grand-

Local Ladies Attend Meeting Of HD Council

Mmes E. H. Jessup, C. T. Wrinkle, and D. L. Duncan attended the meeting of the Pecos County Council of Home Demonstration Clubs in Fort Stockton Tuesday.

New officers elected include Mrs. M. P. McBee of Iraan, chairman; Mrs. Sam Cox, Imperial, vice-chairman; Mrs. H. E. Ezelle, secretary-treasurer; Mrs. L. M. Bryan, Iraan, reporter; Mrs. Joe Esparza, Imperial, parliamentarian.

Mrs. N. M. Mitchell is the outgoing chairman of the council.

The clubs of the Pecos County Council of Home Demonstration Clubs will meet here with the Ranch Home Demonstration Club Tuesday morning for a "Fun Festival". The meeting will be at the Legion Hall at 10:30 a. m. A Mexican luncheon will be served at noon.

Presbyterian Ladies Meet Monday In Jolly Harkins Home

The general meeting of the Presbyterian Women of the Church was in the home of Mrs. Jolly Harkins Monday afternoon.

Mrs. E. H. Jessup opened the meeting with prayer and read John 15: 13, 14 and 15 for the devotional thought. Plans were completed for the Church Extension book review on October 11, the meeting to begin at 2:00 p.m.

Mrs. J. L. Whistler was leader of the program on "Prayer and Worship". In closing, the Lord's Prayer was recited in unison.

Also present were Mmes. Ed die Hanson, Sid Harkins, J. D. Nichols, W. H. Savage, Cliff C. Wilson, E. F. Pierson, and Pinky Carruthers.

Cake and coffee were served during the social hour.

Office Supplies at The Times.

'Racial Issues' Is Subject For W.M.U. Study

The Baptist W.M.U. met Monday evening in the home of Mrs. O. D. Gray. Mrs. T. O. Moore presided during a short business session when it was decided to change the time of meetings to 9:30 on Mondays. Mrs. J. C. Hancock made a plea for helpers with the work with the GAs.

Mrs. Hancock led the program on "Racial Issues" and a round-table discussion followed.

Mrs. Gray served cherry pie topped with whipped cream, salted nuts, tea, and coffee during the fellowship hour.

Also present were Mmes. A. D. Brown, George Proctor, Jim Turner, and H. G. Cates.

Baptist W.M.U. Has Week of Prayer

The Baptist W.M.U. observed the annual Week of Prayer for State Missions last week.

At meetings in the homes of Mmes. O. D. Gray, H. G. Cates, and A. D. Brown on four mornings, the programs on the general theme "Lord, Make Me Aware" were led by Mmes. H. L. Richardson, T. O. Moore, George Proctor, and J. C. Hancock. Rev. Hancock gave the program Wednesday evening in the meeting at the church and after a film strip had been shown.

The special offering for state missions, honoring Mary Hill Davis, was made Friday.

Mrs. D. L. Duke spent several days in Houston last week with her daughter, Mrs. Frank Steelman, and family. She accompanied Mrs. Steelman and daughter, Susan, to Sanderson for her to visit for several weeks while Mr. Steelman is on a business trip to Fort Worth. They came by Mason to visit Mrs. Duke's daughter, Mrs. L. D. Booker Jr., and family who were victims of the flood in that city the first of the week.

Mrs. A. C. Garner Is Hostess For Bridge Thursday

Mrs. A. C. Garner was hostess last Thursday afternoon to the Duplicate Bridge Club which met in her home.

Mrs. H. E. Ezelle held high score, eleven and one-half points, and Mrs. James Caroline had second high, eight and one-half points.

Also present were Mmes. H. L. Richardson, Mary Lou Keller, J. A. Mansfield, Perry Martin, and M. W. Duncan.

The hostess served oatmeal cake with tea and coffee.

"Some people don't believe they are having a good time unless they're doing something they can't afford."

Proper Study Light

To do a job right, you need the proper equipment. For home study, the right equipment is a good table lamp equipped with a 150-watt bulb or its equivalent. The lamp should be tall enough to spread light evenly over the work area and properly shaded to conceal the light bulb from the eyes. A diffusing bowl or white diffusing bulb is recommended to prevent glare. Check your children's study light now. Better light means a better student.

Card of Thanks
I appreciated more than words can express the cards, flowers, visits, and letters that come from friends, classmates, and teachers while I was in the hospital and after I came home.
Barney Maples.

Card of Thanks
Thanks kind friends for the thoughtful consideration given me while I was recuperating in Alpine from my broken arm. Your cards, letters, flowers, and visits meant more to me than I can express.
Mrs. C. L. Surratt and family.

Card of Thanks
Lou and I wish to say "thanks" a million times to each of you who have helped so much during my recent illness. The cards, visits, and words of encouragement have meant more than you know.
Eddie Louwien.

C. O. Cash, M. E. Hope, T. J. Stewart, and H. M. Petty are among railroad employees who went to El Paso recently for a road job.

Mrs. H. G. Cates took her mother, Mrs. J. L. Lawson, to Fort Stockton Monday for her to go by bus to her home in Detroit. She had been visiting here for several days.

Listen To Luke —
Continued from Page 1 —

black and white for all to see and criticize or praise. Few people, proportionately, are willing to go to the same lengths in setting down their opinions and thoughts for public scrutiny.
And our mistakes because of the mechanics of printings are the brunt of many a joke, but we still have our readers.
We will laugh about them with you or without you, but just keep reading.

Politics are going into the final phase, and a lot of people are doing a lot more running around than they should be doing. It's prevalent in both parties. There is no one-sided argument about that.

Our President, our Senators, our Representatives, our Governor, are all making jaunts here and there to some other ball-wick to sing the praises of some candidate, and particularly for the presidential and vice-presidential candidates.

Are we a nation that is wooed by words and personalities? Will the seeing of a man, or the shaking of his hand change a vote? May any of us believe all that is told us in the name of politics?

There is a record of each man in the race for our two top offices. Each of these records on each of these men reveals his character, his philosophies, his integrity, his past voting record, everything that one needs to know to determine a choice. If we disregard all of that, or any part of it, then we are not voting on a man's record, but for his smile, or for his pretty hair, or something else.

This, in our opinion, is the reason that we believe that there will be no votes changed between now and election time.

The Billie Sol Estes case, the Bobby Baker case, will not be an issue in this election. And neither will some other alleged actions on the part of the candidates.

We were reminded this week, again, that those who do the loudest yelling about other people are among the most guilty of not supporting hometown merchants.

DPS Officers Will Meet Here Thursday

Department of Public Safety officers from the Pecos and Fort Stockton district will meet in Sanderson Thursday of next week at 10:00 a. m. Capt. Ray B. Butler of Midland, Lt. Jerry Miller of El Paso, and Sgt. Randall Howie and Leon Roberts of Pecos and Fort Stockton, and 22 patrolmen, will be at the meeting.

After lunch the group will have competitive shooting with local officers included and the winning team will receive a trophy.

The shoot will be at the pistol range just west of town at the old rock crusher site.

Personals . . .

Mrs. Herbert Brown, Mrs. J. A. Gilbreath, and Mrs. H. M. Petty attended a Girl Scout training session in Alpine Tuesday.

Kelley E. Scott Jr., with his wife and son visited here last weekend with Mr. and Mrs. Irvin Robbins, and family. They were en route to their home in Yorkville, Ill., after visiting in Las Vegas, N.M., with his parents, Rev. and Mrs. Kelley Scott, and family, former residents.

Mr. and Mrs. J. C. Hutchins have moved to the house on Wilson Street vacated by the Escalle family.

Slide into the spacious new Ford interiors. Insert the twin-edge ignition key (works either side up). Fire up Ford's livelier and thrifter new engines... (either Six or V-8's). Feel the smoothest ride of any cars in their class (or possibly any class). Listen to the Quiet Ones.

Test-Drive a Solid, Silent '65 Ford...with your ears!

Quiet is the measure of car quality. So take a test drive and listen... to the uncanny quiet of all 17 new Fords. Compare their smooth, hushed ride, their quality feeling against any other cars... at any price. You'll know immediately—these new Fords are the Quiet Ones.
2 new Ford Galaxie 500/XL's—the sportiest Fords. Bucket seats, floor shift, 289-cu. in. V-8 standard. Spacious all-vinyl interiors. Deep-pile carpeting, extra trunk space.
2 new Ford Galaxie 500 LTD's—most luxurious Fords ever.

Elegant paneled interiors, rich quilted upholstery, cuppled nylon carpeting, rear center arm rests, Silent-Flo ventilation, standard on 4-door models, changes air with windows closed.
4 new Ford Galaxie 500's—with new 240-cu. in. "Big Six" engine for better mileage, more punch, V-8 smoothness. Strongest, quietest body frame ever built for a Ford.
4 new Ford Customs and Custom 500's—same solid construction, easy handling, smooth ride, front and rear arm rests, roominess and clean look all '65 Fords share. "Big Six" is standard.
5 new Ford Wagons—including Country Squires and Country Sedans with new dual facing rear seats, ideal for families up to 10. See all the new models from Ford at your Ford Dealer's soon!
