Pecos Boy, 7, Drowns Saturday On Chandler Ranch

Keith Adois Petty, 7, of Pecos, accidentally drowned last Saturday afternoon in the Pecos River on the Roy Chandler ranch. He was the son of Mr. and Mrs. E. A. Petty of Pecos.

Following a brief inquest, J. A. Gilbreath, Justice of Peace, ruled accidental death by drowning. Sheriff Bill C. Cooksey was also called to the scene for investigation.

Two Petty families of Pecos had gone to the river Thursday for a weekend of fishing, planning to stay until Sunday. The boy was playing in shallow water when last seen and was found about 30 minutes later by his father near where he was last seen wading. It was presumed that the child fell and was knocked unconscious or dazed long enough to drown. The accident occurred near 3:00 o'clock in the afternoon.

Lawrence James Funeral Home of Ozona took the body to Pecos from the Chandler ranch.

Rain Thursday Is Scattered

Rain fell in scattered parts of Terrell County last Thursday afternoon and night and early on Friday morning.

About two-tenths of an inch was gauged locally while up to four and one-half inches of rain was reported between Sanderson and Dryden.

There was some rain in the Dryden area, and up to two inches was reported from some ranches there.

Three and one-half inches of rain reportedly fell between here and Fort Stockton on some ranches in Pecos County, and heavy rains were also reported just over the line in Pecos and Brewster Counties to the west.

All of the ranchmen reporting rain stated that it didn't come a day too soon and was sorely needed to give additional growth to the lambs which are due for delivery soon.

Water was reported running in Sanderson Canyon west of town, but sank into the gravel just west of Sanderson.

The two-tenths of an inch that fell locally was hardly enough to wash the dust off the streets.

State Capitol NEWS

By Vern Sanford Texas Press Association

Gov. John Connally's future plans are the talk of the capital. On his decision hinges the political future of many Democratic candidates for numerous federal and state offices.

No one in his party wants to run against the popular Democratic party leader and top vote-getter, but there is talk of his possible retirement. This would change the complexion of many races in 1966.

Connally has indicated that he will make his plans known before the General Election in November. This in order that other state political figures whose moves depend on his, can set their own sails.

In the latter category are Lt. Gov. Preston Smith and Atty. Gen. Waggoner Carr. Both want to run for governor.

A race by Smith and Carr for the higher office naturally would place their own jobs up for grabs — and plenty of candidates would file for these posts.

Connally says that neither the four-year term amendment, which will be voted on November 2, nor the possibility of a federal appointment will play a part in his decision whether or not to retire.

Other speculation is that he may run for the US Senate next year against the incumbent, Republican Senator John Tower.

There also is talk that, regardless of Connally's decision, US Senator Ralph Yarborough may enter the Governor's race next year. He could do this without relinquishing his present post.

So goes the talk in the state capital where speculation always runs high.

Not So Bad

Dr. James Schless, director of the state's TB hospital system, isn't claiming perfection. But he doesn't think the number of per-

sons leaving the hospital against medical advice is alarming.

"We don't bat a thousand," said Schless, "but a layman looking at the figures could easily get the wrong impression."

Figures he referred to reveal that out of the 2,914 persons who left the state's TB hospitals last year, 601 left without medical advice.

Dr. Schless says most of those 601 were non-contagious. They were cured and they are not a menace to public health. But they left before receiving the 18-24 months of treatment necessary to give them a 98-per-cent chance of never having TB again.

Those who leave before getting past the contagious stage usually are returned quickly by health authorities. After going "over the hill", such patients usually are quarantined.

Interstate Highway

Plans for development of a section of Interstate Highway 10 west of Fort Stockton in Pecos County have been approved by the Texas Highway Commission. Area extends from 5.9 miles west of Fort Stockton to 7 miles east on the present US 67.

Sales Up

June retail sales in Texas were up 2 per cent over May, reports the University of Texas' Bureau of Business Research.

Ordinarily, June sales are down an average of 6 per cent from May. Bureau's only explanation for the rise was the fact that June was the state's first month of consistently sunny, pleasant shopping weather.

Texas Tourism Gets New Boost

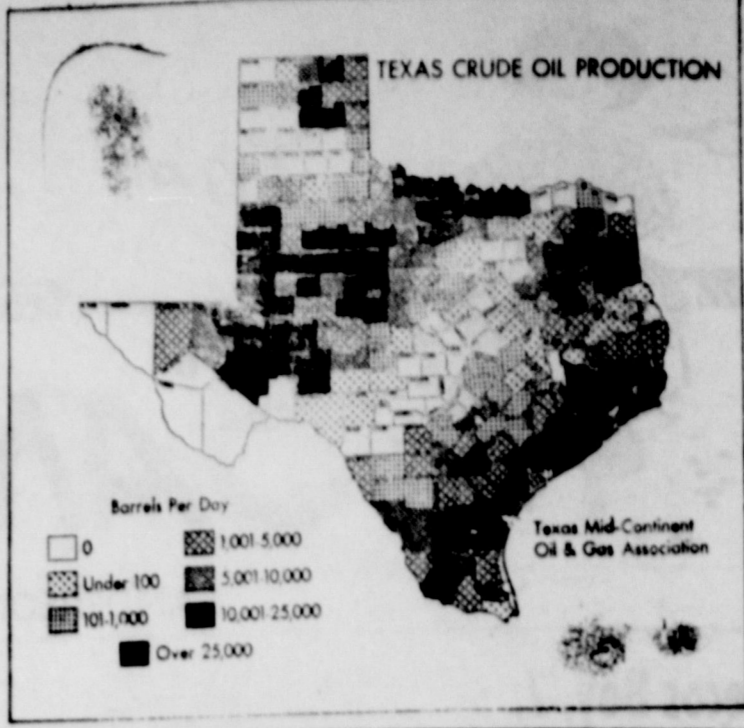

A Texas movie entitled "Texas — Land of Contrasts" soon will be available for showings before civic groups throughout Texas and the nation.

It is a professional job produced entirely within the Texas Highway Department, except for the guest commentator. Its estimated value is \$70,000. But the department self-produced it for \$9,300.

The 28-minute production was filmed by Hal Stegman. Script was written by Keith Elliott, Dave Smith, Austin public relations executive, is commentator.

More than 100 copies of the color film are being made by the Department.

In discussing the film, Herb

Petry, chairman of the Highway Commission, said. "This is Texas as it really is — a Fun-tier state — offering recreational attractions to suit every taste. It features our forests, mountains, plains, seashore, caverns, lakes, and many cultural attractions."

Said Tom Taylor, director of the Travel and Information Division, "Texas is so large that to depict its many wondrous attractions in a single 30-minute film is virtually impossible. This, therefore, is the first of a series designed to make Texas better known to both residents and outsiders as a recreational center."

First to sign up for a showing was the Texas Press Association TPA scheduled the film for its 15th annual advertising convention in Galveston on September 11. Bob Warner, former newspaperman now a Highway Department information officer, will handle the Galveston presentation.

Visitors Get Break

Free parking for tourists who wish to visit the state capitol has proved a boom.

Perennial parking problem around the capitol for years has

kept many visitors away. But no more.

Where the Old Walton Building once stood, directly in front of the capitol grounds at 11th and Congress, the state has provided plenty of parking space exclusively for tourists. Two hours of free parking are furnished on a supervised lot.

Result is a noticeable increase in the number of in-state as well as out-of-state visitors.

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions here by established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership.

(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine, but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing or report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giving

of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.
