## LISTEN TO LUKE

By Albert---

From the number of deer hunters that we saw going through last weekend, we would say that there is a good chance that there are more hunters than deer.

It is really a sight to behold, to stand on the streets last Friday morning was like watching an endless parade. You could almost tell when the light changed in Del Rio. The vehicles were in bunches spaced almost at the intervals of the changing of the light.

And there was as varied difference in the kinds of vehicles and the mode of the rigging as there is in the floats of a parade.

In a town such as this, there is a concentration of the hunters here on the highway through the town, such as is not visible in many cities or larger towns.

Everyone is in good spirits, or seem to be at least, for the sheer joy of the anticipation of the hunt! It is a different group of men that come back through town in two or three days, whether or not they got their deer. Then they are tired, dirty, sick of the camp food that tasted so good that first night out, or sick and tired of the walking, looking without seeing anything, or just plain sick.

There is nothing more pleasant - on the trip out - than the thought of having to pack a big old buck out of a canyon or off the side of a mountain, and the size of the buck - in thought - cannot get too big! But all of this changes as soon as the packing begins. And looking back on it the first day or two afterward brings back nothing but tortuous thoughts, but a day or two longer, and the remembrance of the size and beauty of the buck takes the place of the recollection of the work, and the hunter is then either preparing for next year or the next day's hunt prospects.

Such are the joys and sadness of the hunter!

But we've got to quit writing and get the paper out so we can go out again today!

---  
We actually saw four cars going east Friday!

---  
The Chamber of Commerce has had material ordered for the lights across Oak Street for several weeks and it looks as if the items will not be shipped or will not arrive in time for decoration this year. The shortages caused by the Viet Nam war and larger orders of such items by larger industry will get the blame for the items not being shipped.

The Chamber had planned to have the strings made up for installation about this time of the year, and it could be that they will come in within the next few days. We certainly hope so.

The old strings of lights were washed out of the Community Public Service Co. warehouse during the flood and efforts to replace them are faltering, at least for this Christmas.

---  
Any and all who had anything to do with the reception for the doctor get the thanks and appreciation of the Medical Center Committee in the paper this week---and they deserve it!

There was a good turnout for continued to back page

An idea of the traffic resulting from the beginning of deer season West of the Pecos River can be seen in the photograph above taken on Thursday afternoon - Thanksgiving Day - as the exodus of the hunters began. There were 13 vehicles in the drive at the time and other service stations and local cafes were doing a similar business.

### Large Panther Killed Last Week By Clyde Smith

What some people here report as one of the largest panthers they had ever seen, was brought in last weekend by Clyde Smith, who ranches southwest of Sanderson. He had caught the huge cat in a trap on his ranch.

The animal carcass was brought into town to prepare it to be mounted, because of its unusual size, according to reports.

The animal measured seven feet and eight inches from tip to tip.

### Alpine Fems Win Over Eaglettes

The Alpine High School girls' cage teams won over the Sanderson AEB teams there Monday night. The opener, between the B teams, ended 36-18 and the A team game ended 47-25.

Monica de Leon scored 11 points to lead Nelda Sidduth who scored 3, and Marsha Monroe and Sandra Rogers, who had two points each. Other forwards were Gina Hardgrave and Nancy Yeary.

In the A team game, Mary Pena scored 11 points, Vickie Rogers 7, Christine Downie 5, and Sherry Stavley 2; Brenda Carter and Patricia Dishman also played forward.

### Sam Harrell, 10, Accidentally Shot Thanksgiving Day

Sam Harrell, 10-year-old son of Mr. and Mrs. J. M. Harrell of Seminole, narrowly escaped serious injury Thursday when a .22-calibre bullet went across his back at about the waist and lodged just under the skin before exiting.

The hollow-point bullet entered on one side and went under the skin, missing the vertebra and did not penetrate any vital organs, according to reports.

He was playing at the Frank Harrell ranch with some of his cousins who were spending the holidays there, and the gun was accidentally discharged. He was rushed to the Pecos County Memorial Hospital where the bullet was removed and the X-rays revealed no further damage.

### Eagles Lose Two Tilts to McCamey

The Sanderson High School Eagles began their basketball season last week in Comstock by defeating them 68-25.

In their second outing, a home game Tuesday night against McCamey here, both the A and B teams lost.

In the opener, the B team lagged all the way and ended up on the short end of a 76-22 score.

Players were Eric Cooksey and James Alexander, who scored six points each, Jon Zepeda, Bill Lea, Amelio Martinez, Hector Chalambago, Walter Shoemaker.

In the A game the Eagles led at the first period 17-12 and at the half 30-24, but McCamey, using the two-platoon system, went to the front and won 75-63.

Tommy Gray led scoring with 23, Carlos Garza 12, Ernie Ayers 11, Randy Brown 9, Andrew Riess 3, Eulalio Ybarra 2, and Oscar Velligas and Remario Marquez 1 each.

Norman Gladson is coach of the B team and Clay Barrow is coaching the A team.

The picture below is a scene on Pine Street looking east from School Street and showing the results of a 12" snow that fell in 1926. The old Methodist Church can be seen in the center of the picture which is the property of Mrs. Charlie Rogers who now lives in Fort Stockton.

**Southwestern Bell announces \$6 million rate reduction for Texas Telephone customers**

**Second Voluntary Reduction For Texans in Two Years**

At a time when prices for most goods and services are continuing their upward spiral, Southwestern Bell has announced a voluntary reduction in rates that will result in annual savings of \$6 million for Texas telephone users.

Included in the reduction are both Long Distance rates (effective January 1, 1967) and a series of miscellaneous telephone charges, (effective December 1, 1966).

**Lower Rates on Long Distance Calls Between Cities in Texas**

Reductions in intrastate (calls within Texas) Long Distance rates become effective January 1, 1967.

With the reduction, most station-to-station calls over 56 miles in distance will have lower rates, varying from 5 to 15 cents for three minutes, depending on the distance. Reductions are even greater for calls over three minutes.

In addition, all intrastate station-to-station calls which are made after 8 p.m. and all-day Sunday will get the lowest night rate—a maximum charge of 80 cents, plus tax, for three minutes. At present only station-to-station calls which are prepaid (charged to the number placing the call) and credit card calls get this low rate.

This is the 10th reduction in Long Distance rates for Texas telephone users since the end of World War II.

**One-Time Color Charge, Other Rates Reduced on December 1**

Texans will also enjoy savings on other telephone services, effective December 1, 1966.

These include the one-time charge for telephones in color (from \$7.50 to \$5). This is also the second reduction in the color charge in the past two years.

The original color charge was reduced from \$10 to \$7.50 on April 1, 1965.

And a new Residence Service Charge will benefit most residence customers who will be arranging for new service and additional service requiring installation. At present, there is a Service Connection Charge on each item of equipment installed. The new flat-rate, one-time Residence Service Charge will enable residence customers to have two or more telephones installed for the price of one.

There will also be a reduction in the monthly rate for amplifier telephones (presently ranging from \$1.25 to \$2). The new charge will be \$1. Amplifier telephones are primarily used by persons with hearing impediments and at noisy locations.

**Customer Cooperation Helps Reduce Long Distance Rates**

Technological developments continue to play an important part in keeping the cost of telephone service at a reasonable level. But much of the credit for making possible the reductions in Long Distance rates goes to Texas telephone users.

Without the cooperation of our customers in placing their calls by number, using Area Codes, and the taking advantage of Direct Distance Dialing where it is available, it would not have been possible to achieve the operating economies that have made possible these reductions.

We know of no better way, in passing these savings directly back to you, to say "thank you."

MRS. RICHARD HILD JR.  
... nee Miss Susan Couch

Miss Susan Patricia Couch became the bride of A2C Richard J. Hild, Jr. in a double-ring ceremony by candlelight Thursday evening in the First Presbyterian Church with the pastor, Rev. Bob Moon, officiating.

The bride is the daughter of Mr. and Mrs. Herman Couch and the bridegroom is the son of Mr. and Mrs. Richard J. Hild, Sr., Quincy, Ill., who were here for the wedding.

A large arrangement of white mums, magnolia leaves, and white gladiolus atop a tall white pedestal was in the center of the altar space. On either side were seven-branched wrought-iron candelabra entwined with ivy and holding white tapers. In the foreground were brass candelabra and smaller floral arrangements flanking the brass cross. All of the floral decorations for the wedding were brought from Longview by the bride's aunt, Mrs. W. Grant Richardson, and arranged by her.

Mrs. R. S. Wilkinson, organist, played a medley of nuptial music and also the traditional wedding marches.

Given in marriage by her father, the bride wore a floor-length gown of peau de soie in Empire style, featuring a scooped neck, long petal-pointed sleeves fastened with tiny buttons and an A-line skirt. Her tiered veil of French illusion cascaded from a halo of stephanotis over the chapel-length train of her gown. She carried an orchid surrounded by stephanotis atop a white Bible.

Miss Terri Hild, sister of the bridegroom, was the maid of honor. She wore a short jacket of white lace over her emerald green gown and her headpiece was a green veil attached to a green velvet bow. Her flowers were bronze mums.

Ceri Lynn Hild, sister of the bridegroom, was the flower girl and her costume was similar to that of the maid of honor.

A2C Chester Kellar of Kelly AFB, San Antonio, was the best man.

Ushers were A2C John Alexander and A3C Edgar Shanger.

The candles were lighted by

Tommy Couch, brother of the bride, and Keith Johnson of Alpine, cousin of the bride.

The reception was held in the Fellowship Hall. The guests registered in the bride's book where Miss Barbara Shoemaker presided.

Silver appointments were on the bride's table where the all-white beautifully decorated cake was served with punch. The cloth of net over satin was caught in swags with white mums and the same flowers were combined with greenery and gladiolus to emphasize the bride's colors of emerald green and white and form the centerpiece.

The bridegroom's table, covered in a green linen cloth, had a centerpiece of bronze and yellow mums. Copper appointments were used in serving the bridegroom's cake and coffee.

When the couple left on their wedding trip, the bride was wearing an ensemble of plaid and tangerine wool and the orchid from her bridal bouquet. They will reside in San Antonio where the bridegroom is stationed at Kelly AFB and the bride is employed by a pharmaceutical company. Airman Hild will go to Germany in January.

Twenty-four guests, including the members of the wedding party and out-of-town guests, attended the rehearsal dinner Wednesday evening in the dining room of the Oasis Restaurant, with Mr. and Mrs. Hild, the bridegroom's parents, as hosts. The centerpiece was of yellow and bronze chrysanthemums, holly and ivy. The bridal pair presented gifts to their attendants.
