SANDERSON, TERRELL COUNTY, TEXAS

OCTOBER 5, 1967

LISTEN TO LUKE

By Albert---

The citizens of Terrell County responded in a very generous way to the appeal for clothing and non-perishable food for the relief of victims of Hurricane Beulah. St. James Parish Hall was named as the collection center and everything was sorted, sized, and packed in boxes after any necessary mending was done. After the fourth day, two pick-up loads and a stock trailer load were sent into San Angelo to the Salvation Army headquarters. The workers there were high in their praise of the manner in which the supplies reached them and with no further handling they were sent directly into the flood area. Containers were placed in the businesses for cash contributions and several contributions were handed in at the collection center.

The local Red Cross Chapter is having a drive for cash contributions.

The Baptist Church is collecting articles this week and distribution will be made from Baptist Churches in the Valley.

We have a story in this week's paper about bow hunting in Terrell County being allowed this year for the first time. This should offer a real challenge to some sportsman and it will be interesting to see if a deer is bagged by an arrow. We are going to try to get in touch with William G. Wright in Midland, who is responsible for the permit, in hopes that he will let us know of his success, if any, in hunting with a bow and arrow.

From all indications, deer hunting is going to be first-class in Terrell County this year, and from all indications there will be a record number of hunters in this area to try their luck. The county got some publicity in a national sporting magazine and there have been inquiries pouring in about facilities, etc. from all over the nation. As is noted in the aforementioned story about bow hunting, some information has been put out that the deer population in Terrell County exceeds that in any other county west of the Pecos. We would bet that the counting of the deer was an interesting and time-consuming project, too!

It's about time to get out the old deer rifle and begin a few dry runs at snap shooting to moving bushes, noises, etc.

For any of our subscribers who are anticipating or are involved in a move---please give us your change of address as soon as you know it. Otherwise it costs us 10¢ a week to retrieve your copy of The Times out of the postoffice until the new address is used. And sometimes this is for two or three weeks! This cost, plus the cost of re-mailing the paper to our subscribers to try to see that they get all the copies, can run into an expense. We would appreciate your cooperation when you move.

25-Gallon Well Completed By Water District

The Terrell County Water Control and Improvement District No. 1 completed a 25 gpm well recently at the site north of Sanderson on the west side of US 285. The property was acquired at the same time the land on the east side of the road was purchased from the Lee McCue estate and there were two wells on the property at the time.

Clyde Word of Fort Stockton drilled the well. It is cased to the total depth of just over 400 feet and equipped with an electric pump.

The water board members stated that they were well pleased with the acquisition of the new well and that water from it would be put into the mains immediately.

Bow Hunting To Be Allowed Here For Deer

A letter from a Midland bow hunter Tuesday resulted in Terrell County's being opened up to deer hunting for archers.

The letters from William G. Wright, who holds a hunting lease in Terrell County, complained the county has a larger deer population than any other county West of the Pecos and ranchers and hunters had expected the deer season for archers to be opened this year for the first time.

Commission chairman Will Odom of Austin asked his staff for a briefing on the situation in Terrell County and was told the county was controlled by statute and not by the commission until this year.

But now the statute has expired.

Still, the commission seemed impressed by Wright's letter and voted to allow the bow hunting of buck deer with pronged antlers from October 14 through October 30.

A. M. Lemons, 86, Former Resident, Buried In Arizona

Word was received here this week of the death of A. M. Lemons, 86, a former resident of Terrell County, in Compton, California, where he was visiting his daughter, Mrs. Jim Ragan. Funeral services were in Tucson, Arizona, on Monday.

Mr. Lemons was a brother of the late W. H. Lemons and Mrs. W. H. Mansfield of Sanderson. He ranched in Brewster and Terrell Counties in the early 1900s.

Survivors include a son, Jack Lemons of Silver Bell, Arizona; two daughters, Mrs. Leeland Wilson of Benson, Arizona, and Mrs. Ragan; three sisters, Mrs. Laura Cochran of Tucson, Mrs. E. L. Sweeten Sr. and Mrs. Johnnie L. Black of Anthony, N. M. several grandchildren and great grandchildren, nephews, and nieces.

SP Service To Be Aired at Hearings

The Interstate Commerce Commission has scheduled a series of five hearings in late November and early December on the adequacy of passenger service on the Southern Pacific Railroad between Los Angeles and New Orleans, the Commission has advised Congressman Richard C. White.

The El Paso Congressman had earlier requested the Commission to investigate the problem after numerous complaints from his District that the railroad had discontinued both Pullman and diner service, that cars were dirty, and that the railroad seemed to be deliberately discouraging passenger service. Formal complaints were submitted by the State Railroad Commissions of California, Arizona, New Mexico, Texas, and Louisiana, and formal hearings on these complaints are now scheduled.

The El Paso hearing is scheduled at 9:30 A. M., December 1, at room 512 United States Court House, to hear cross-examination of witnesses for the State Corporation Commission of New Mexico and persons in support thereof, as the hearing examiner may direct.

The hearings begin November 27 in New Orleans. Others are scheduled for November 29 in Houston, December 4 in Tucson, and December 6 in Los Angeles.

Meanwhile, Congressman White is receiving complaints from his El Paso constituents over the planned cancellation of the last remaining passenger train to the northeast---the Golden State Limited between El Paso and Chicago. These complaints, too, are being referred to the Interstate Commerce Commission.

Rankin Whips Eagles In District Opener, Eldorado Is Site of Friday Night's Game

The Rankin Red Devils were guests of the Sanderson Eagles Friday night of last week and won the district play opener by a 34-0 score. Sanderson was not able to put together a serious threat.

During the first period Rankin put seven points on the scoreboard when Larry Funderburg scored from the 23-yard line and Bill Bearden kicked the extra point. The Eagles worked

between their own 22 and the Rankin 43 offensively.

In the first series of downs of the second period, Mike Turner went over from the two and the extra point was added by Bearden on a placement kick.

The Eagle offensive efforts were restricted to their own end on the field.

The half-time score was 14-0 in favor of the visitors.

During the half-time, bands from both of the schools presented a show for the entertainment of the fans.

In the third period, Rankin put 14 more points on the scoreboard, the first made by Booker Dixon on a run from the six-yard-line, the second by Turner from the five-stripe and Bearden added one point after each with a kick.

Sanderson's game in the third period was limited to an advance to the Rankin 48.

Early in the final frame, J. B. Wilborn went over from the two-yard mark and Bearden failed to convert the point-after.

Sanderson got to the Rankin 42-yard line in the final frame.

Sanderson will go to Eldorado Friday night and will host Menard October 13. Game time is 8:00 p. m.

Air Academy Honors Bogusch

Cadet Roy J. Bogusch, son of Mrs. R. M. Bogusch of Alpine, Texas, is one of more than 800 cadets who have started their junior year at the U. S. Air Force Academy.

As he began his third year at the academy, Cadet Bogusch was named to the superintendent's list in recognition of his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver wreath and star designating the honor.

The cadet will serve during the fall term as an element sergeant with the rank of cadet technical sergeant. He was selected for the position because of his demonstrated leadership abilities and effectiveness ratings.

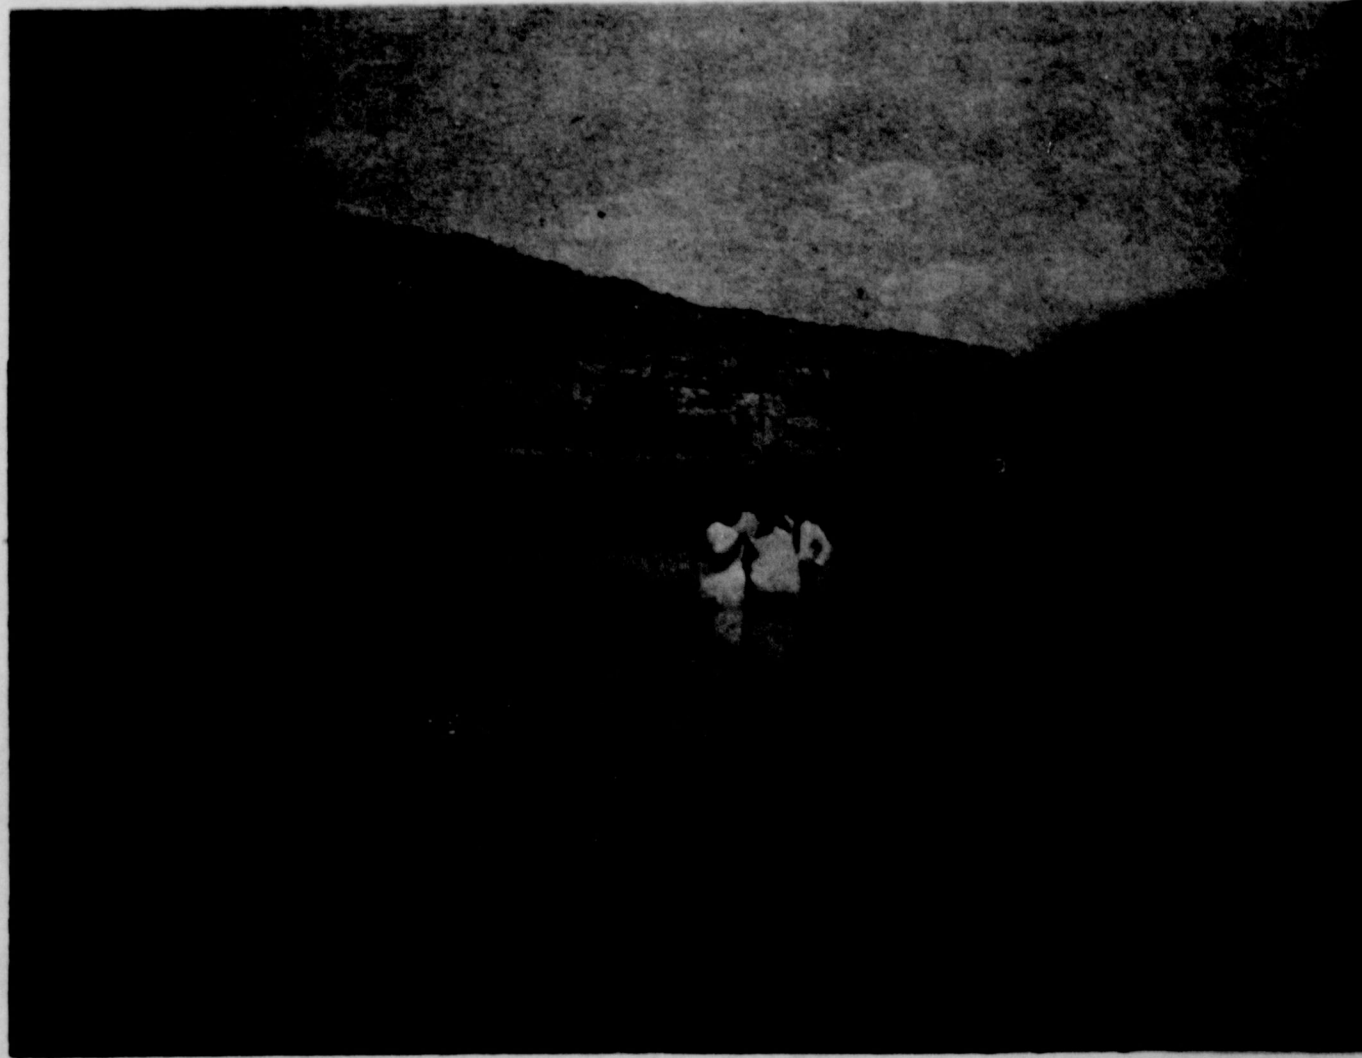

During the past summer, Cadet Bogusch participated in jumpmaster training and jumpmaster instructor training, and is now an Air Force certified jumpmaster.

He will be commissioned a second lieutenant and awarded a BS degree upon his graduation from the academy.

Cadet Bogusch is a 1965 graduate of Sanderson, Texas, High School.

In the picture below a baptism is about to take place in a tank east of Sanderson. The practice of this rite was common at the site since there were no baptistries in any of the local churches. The photograph is a companion to the one published two weeks ago showing the locomotive on the tracks a mile east of town at the tank. The mountain in the background is the one that had the SHS on it. The date of the picture is 1912, according to Harold Robitsch of San Antonio, a former resident, who sent us the photo. The shadow is the locomotive from which the picture was taken.

Officers Installed For Honor Society

Last Monday evening the five officers of the National Honor Society of the Sanderson High School were installed during a meeting in the home of Steve Allen.

Using the candle-lighting service, Coach Carroll Lee Eggleston, a former member of the local NHS chapter, installed Steve as president; Sharon Hill, vice-president; Dawn Harrell, secretary; Amelia Escamilla, treasurer; Julia Garcia, reporter.

Also attending the service were Jack Cosby, sponsor, Mrs. W. H. Savage, a former NHS sponsor; Mrs. E. E. Farley, Mrs. Carroll Eggleston and Mrs. Don Allen. Refreshments of ice cream and cookies were served after the induction service.

16 New Members In Local FHA

The Future Homemakers of America inducted 16 members at their yearly induction ceremony last week.

New members inducted were: Ermelinda Flores, Eunice Garcia, Fay Lira, Rhonda Louwien, Donna Rogers, Margarita Hernandez, Gloria Villarreal, Annie Adams, Barbara Brown, Estela Calzada, Mitzi Cash, Elizabeth Clifford, Rosa Olivards, Donna Petty, Ana Salazar, and Marilyn Sanchez.

After the opening activities, each officer placed a red rose in the rose bush as they gave the purpose of their specific office in order for the new members to know their duties. Red and white ribbons were pinned on the new members to show their acceptance.

The song leader and pianist led the group in songs. Refreshments of cherry punch and red velvet cake with white icing were served.

Clyde Griffith visited with his wife in San Angelo twice last week. She has complications which are causing her much pain as she continues to recuperate from a fractured hip.

Miss SHS To Be Named This Year

For the first time in Sanderson High School the student body will elect a Miss SHS.

In the preliminary election the four top candidates were Sharon Hill, Emelia Escamilla, Viola Fisher and Sandra Rogers. The results of the final election last Thursday will not be revealed until the first Miss SHS is announced at the half-time at the game with Menard here on Friday, October 13.

The qualifications for Miss SHS were that she must be passing three academic subjects, have good leadership, service, and character.

After about a 17 year period of not having band and football sweethearts, the football sweetheart was elected Friday, with the candidates having the same qualifications as for Miss SHS, and she will be presented at the same time as Miss SHS. The band sweetheart will be elected in December and will be presented at the Christmas band concert.

SHS Eagle Band Names Officers

Eric Cooksey will head the Eagle Band for the 1967-68 term after election of officers Friday evening.

Other officers elected were Dawn Harrell, secretary-treasurer and reporter; Viola Fisher, librarian; Susie McSparran, assistant librarian; and George Fuentes, band captain. Jackie Deaton was appointed manager by the band director, Kirke McKenzie.

F. G. HARDINS' DAUGHTER DIES IN MANLIUS, N. Y.

Mr. and Mrs. F. G. Hardin received word Monday afternoon of the death of their daughter, Mrs. Kenneth Joyce, in Manlius, N. Y. She became ill last December, a victim of cancer, and Mrs. Hardin went to Manlius to stay with her for several months. The Hardins went to El Paso Monday to stay with their grandchildren while their mother, Mrs. John Boyd, went to Manlius to be with her sister's family.

Mrs. Joyce and children lived here about a year while her husband was overseas.

Personals . . .

Mr. and Mrs. C. T. Wrinkle have returned home from their vacation visit in San Francisco with their daughter, Mrs. Frank Harper, and family and in Los Angeles with Mr. and Mrs. Ver-nard Sides.

Mr. and Mrs. W. H. Savage were in San Angelo Friday for medical check-ups.

Mrs. H. C. Goldwire has returned from San Angelo where she had a medical check-up and from Christoval and Ozona where she visited sisters and their families.

Miss Lellee Mitchell, freshman at Trinity University, San

Antonio, has been elected secretary of the Susanna Dormitory of the McFarlane Unit.

Rosa Yanez, daughter of Rev. and Mrs. Moises Yanez, fractured her forearm in a fall at school last Thursday.

Rev. Moises Yanez, pastor of El Buen Pastor Methodist Church, will be the preacher at revival services in Floydada from October 2 to 5. On October 6, he will attend a construction workshop in San Antonio.

Ray Clifford is in the SP hospital in Houston for a medical check-up.

A3C and Mrs. Gene Townsend left Monday for Alexandria, La., to visit his parents, Mr. and Mrs. Kenneth Epperson. They had been visiting here with her parents, Mr. and Mrs. Harvey

Rogers, and family since leaving Pope AFB, N. C. Airman Townsend will be leaving for Thailand October 20.

L. H. Lemons is in an Alpine hospital for medical treatment.

GIVE YOUR CHILD A GOOD STUDY LAMP

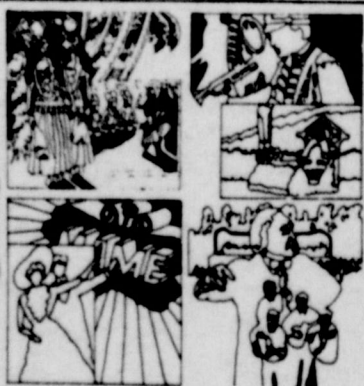

The school years are critical ones for your child's eyesight. Homework is hard work for young eyes. Improper light can lead to eyestrain, hindering concentration and productive study. To make sure your child's study area is properly lighted, see that the light source is shaded from the eyes and that the light is distributed evenly over the work surface. A good table lamp with a 150-watt bulb and diffusing bowl should do the job, providing the lamp is of the correct height and properly positioned. Remember, it's up to you to help protect your child's eyesight until he has the vision to do it for himself.
