LISTEN TO LUKE

By Albert:---
The dump ground has been cleaned up, almost all of the fruit trees in town are blooming or have bloomed, the red-buds are in full bloom; we are waiting on the mesquite.

Spring is almost here!
It took a lot of money to dispose of the many animal carcasses that were strewn over the entire dump area - from the front entrance all the way back and sideways. This is an unnecessary cost to the taxpayers of the county in our way of thinking and one of the reasons why we have been so adamant about it - not counting the terrible pollution of odors and germs, the literally swarms of flies that accompanies decaying carcasses that are not properly disposed of.

There is no way - feasibly - that we know of to prevent something like that happening again except by everyone doing his part in properly disposing of his own garbage, trash, pumped-out sewage, carcasses, etc.

We would think that the proper disposition of ordinary trash and garbage would be a little simpler than some of the other things, but asking about the proper place to dump or the manner of disposition should reveal a good solution.

There are those who take their own trash and garbage out to the dump instead of letting it be picked up on routine collections - and for reasons of their own. And if they want to be in on the pick-up for \$1 a month then they should contact Frank Weigand, Precinct 1 Commissioner, and we feel sure that something could be worked out. This is not only a cheap service, but it is more orderly in the disposition of the trash, generally!

Probably with the continuation of things in their present trend, it won't be long before the burning of trash might be illegal all over the nation and there will be some strict regulations concerning the disposition of garbage and trash.

Any way you look at it, all of the trash that is dumped in this area winds up now in Lake Amistad and while the washing waters tend to clean up our area of litter, the same waters cause the same litter to be congregated within the lake and pollute the waters there to the same degree.

The local ministerial alliance is sponsoring the film "The Reckless Ones" to be shown at the local theatre soon. We have not seen the film, nor do we know anything about it but it seems from what we have heard that it will be a worthwhile \$1 and time spent for all who will see it. We hope that its message is as strong and plain as it is reported to be.

The film was made certainly some time ago - months at least - and at the time possibly there was not the same connotation to the title as there is now. But we have been reading about the restlessness of youth and this being the cause of

Pfc. Glenn Haynes

Pfc. Glenn E. Haynes was graduated from Air Transportation School in Fort Eustis, Va., on February 11 and is visiting with his parents, Mr. and Mrs. W. A. Haynes, and family while on a 15-day furlough before going to Vietnam where he will be a helicopter mechanic.

Shooting Brings Charge Against Marvin Allen

Marvin Allen was charged with assault with intent to murder with malice at proceedings on Monday afternoon before Justice of the Peace W. G. Shoemaker who set the bond at \$7,500.00. Allen remained in jail at that time in lieu of the bond.

The charge followed an incident at the Allen home on Cargile Street about 8:00 a. m. on Monday. Mrs. Allen was shot in the right side of the back with a shotgun, according to the report of officers. Mrs. Allen was in the front yard at their home when she was picked up to be taken to the hospital and according to reports from the doctors to officers and friends, the wound required the removal of a large portion of the intestinal tract and stomach and she remained in intensive care Tuesday morning with her condition reported as critical.

She was taken to a Fort Stockton hospital. Allen was arrested at his home shortly after the shooting occurred.

Approval Given Flood Control Project Work Plan At Meeting Here Tuesday

Approval of the work plan for the construction of flood control dams on the Sanderson Canyon Watershed was given at a meeting at the Terrell County courthouse Tuesday afternoon. The approval was by the various organizations of the area involved in the plans and maintenance of the project.

The sponsors of the project are the commissioners courts of Terrell, Pecos, and Brewster counties, the Big Bend Soil and Water Conservation, Trans-Pecos Soil and Water Conservation District, and the Rio Grande-Pecos River Soil and Water Conservation District.

The project was worked out under the sponsorship of the Soil Conservation Service of the Department of Agriculture, which was responsible for the complete work plan.

County Judge R. S. Wilkinson welcomed the visitors, numbering 35, to the meeting and introduced Will J. Murrah, director of the local soil conservation district, who read a resume of the project, listing the details and accomplishments.

Other representatives of the various agencies of the area and state were introduced and included the Texas Water Rights Commission, Texas Parks and Wildlife Commission, Texas Highway Department, Texas Soil and Water Conservation Board, Southern Pacific Railroad, International Boundary and Water Commission, and officials of the sponsoring organizations.

Special recognition for outstanding efforts were given to County Judge R. S. Wilkinson, Darwin Schrader, Soil Conservation Service; and to the Soil Conservation Service planning and engineering officials who have been the center of the planning and engineering of the entire project.

Following the presentation of the plan and concurrence of the sponsoring organizations in the work plan, signatures of the officers of the sponsors were obtained. Progress of the report will be to present a digest of the project's plans to the governor and his recommendations for approval, then presentation of the plan to the appropriate congressional committees for approval and allocation of the funds for construction.

Field House Project Needs Final Boost According To Druse

Troy Druse, chairman of the Eagle Boosters' field house project, stated Tuesday that the goal of \$4,500.00 is in sight if those who have not contributed would help out just a little. He stated that with a week of concerted effort and cooperation of just a few people, the project could be completed and the building started.

"Generally, the response to the project has been real good, and we are very grateful for the contributions already received toward the field house," Druse stated. "But there are some who have been waiting to see if the project is an earnest effort of the boosters before they make a contribution. Now is the time for them to send in their contribution or hand it to one of the boosters. The project can be a reality with just a little help," he concluded.

The Eagle Boosters began the field house project shortly after the beginning of this school year and pledged to have all of the funds and material prior to the beginning of construction on the facility which will have shower and dressing rooms for visiting and local track and football teams and office space for the coaches.

SHS Netsters Play In Midland

SHS Track Team Wins 4th Place At Iraan Meet

The Sanderson High School track team, coached by Willie Meyers, participated in the relays in Iraan last week and placed fourth in a field of 12. The Eagles were behind Rankin, Coahoma, and Iraan.

Places won by the team, according to Coach Meyers included:

5th in the sprint relay - 47.5 Leslie Hall, Danny Galvan, Randy Louwien, and Bill Littleton.

5th in the 120-yard high hurdles - 17.5 - Brad Harrison.

5th in the 100-yard dash - 10.9 - Littleton.

Manuel Olivas was 2nd in the 440-yard dash - 52.2 - and Emilio Martinez was 5th - 54.2.

In the 220-yard dash, Olivas was 2nd with 23.1 and Littleton was 6th with 25.1.

The team of Ronnie Stewart, Hector Chalambaga, Emilio Martinez, and Olivas ran 2nd in the mile relay with a time of 3.34.

Blain Chriesman was 1st in the discus.

From the collection of pictures loaned us by Bill Stavley of Del Rio is this one showing one of the early models of the Model T Ford with brass radiator, carbide lights, collapsible top for touring, etc. The people were not identified, but our guess is that the two on the left are the parents of the donor of the picture. We also thought the intricate woodwork across the front of the porch of the building was interesting.

FHAers Go To Meet In Odessa

Twenty-two members of the local chapter of the Future Homemakers of America attended the Area II meeting in Odessa Saturday.

The theme of the meeting was "Happiness Is Understanding". One of the outstanding numbers on the program was the talk on "Homemakers or Home Wreckers" by E. D. Wenger, executive director of Family Service in El Paso.

In the afternoon there was a fashion show of paper garments including bathing suits, sports clothes, formals, etc., which was very interesting. Garments that had won awards in area and state "Make It With Wool" and 4H sewing contests were modelled. There was also talent skits by three schools represented at the meet.

Making the trip on the bus were the two FHA mothers, Mrs. Ray Clifford and Mrs. Alberto Calzada; the sponsor, Mrs. Wandah Alexander; 22 girls: Peggy Cox, Margarita Hernandez, Rosie Lopez, Catarina Lopez, Patty Picaso, Connie Brooks, Gloria Villarreal, Yolanda Carrillo, Juanita Castro, Beth Clifford, Millie Castro, Bertha Salazar, Glenda Shoemaker, Mary Castro, Berta Zepeda, Juanita Ybarra, Posing Sanchez, Estella Calzada, Adalina Casillas, Anna Salazar, Petra Sanchez, and Patty Wilkinson. The girls expressed their appreciation to Lawrence Barber who drove the bus.

Maurine Riess To Go To State As Flute Soloist

Four high school band members went to Midland Saturday to play in the University Interscholastic League solo and ensemble contests.

Maurine Riess, a 1969 contestant on the state level, will again play in state contests after winning a first place on a flute solo.

Tom Allen, who played in the state meet last year, had a second place Saturday with his drum solo in Class I.

The flute trio composed of Maurine, Gina Hardgrave, and Sheryl Stewart, also won a second place.

The saxophone quartet, Clelia Silvas, Emma Silvas, Fay Muller, and Mary Rodriguez, were unable to go as Fay was ill all week.

Accompanying the students to Midland were Mrs. A. J. Riess, Mrs. Don Allen, and Mrs. Darwin Schrader, band director.

Cub Scouts Get Awards At Banquet

The annual Blue and Gold Banquet for the Cub Scouts was given last Tuesday evening in the Legion Hall. The families of all of the Scouts were invited guests and about 75 attended.

The tables, covered in white cloths, had streamers of blue and gold down the center and three blue tapers were arranged in a gold-painted piece of driftwood on each table. Scout emblems, napkins and holders emphasized the color scheme. There was a floral arrangement in blue and gold on the head table and several Scouts made of styrofoam added a further decorative note.

Clever projects completed by the Scouts were displayed on tables and there was a "peep-show" on the mantel.

Rev. Ed Carson gave the invocation for the dinner. Goats provided by N. M. Mitchell Jr., were barbecued by David Cook and John Finley and the mothers furnished beans, potato salads, relishes, cakes, iced tea, and coffee.

Mr. Cook introduced the guest speaker, "Skipper" Brown of McCamey who is district Scout director.

Mrs. Billy McDonald gave the

following awards to the Scouts: bobcat badge, Aubby Black and Scott McDonald; wolf badge, Sandy Silvas, Malone Mitchell III, and Dean Cook. Those boys and James Finley also received gold arrow points. Webelos receiving service stars were Rocky McDonald, Roland Valles, and Andy Falcon. Certificates of appreciation were given to Den Chiefs Carlos Munoz and John Finley Jr.

John Finley is the Den Master and the Den Mothers are Mrs. Billy McDonald assisted by Mrs. N. M. Mitchell Jr., and Mrs. John Finley assisted by Mrs. Beverly Gooding.

Mrs. Austin Nance and her cousin, Mrs. Minter Parker, of Del Rio went to Odessa Monday for Mrs. Parker to see an ophthalmologist and they spent Monday night in Midland with Mrs. Nance's son-in-law and daughter, Mr. and Mrs. David Kleinbeck.

Rocky McDonald, son of Mr. and Mrs. Billy McDonald, had two stitches in a wound in his arm Saturday, the result of his going through a barbed wire fence.

Mrs. T. O. Moore and Mrs. T. O. Moore Jr. were in Pecos Monday on business.

Mrs. James Caroline returned

home Sunday from El Paso where she had been to visit her son, Jimmy Caroline Jr., and had medical attention.

Mr. and Mrs. Haley Haynes of Canyon were weekend visitors with his parents, Mr. and Mrs. W. A. Haynes, and her mother, Mrs. E. E. Farley.

Miss Rosie Calzada, daughter of Mr. and Mrs. Alberto Calzada, has completed her business course in an Odessa business school and plans to be employed there.

Mrs. Sid Wood, who has been living in New Mexico recently with her parents, has returned to Sanderson and is planning to go to Germany in the near future for a visit with her son-in-law and daughter, S/Sgt. and Mrs. Cecil Dean, and baby.

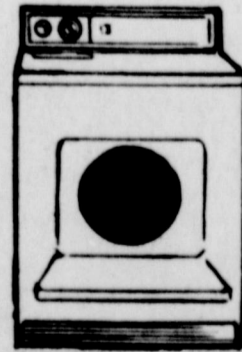

Mrs. J. R. Coker and Mrs. B. F. Martin were business visitors in Del Rio Friday.

some of the trouble over the nation. We don't doubt it either, but we wonder if we as a nation of individuals could but realize that restlessness is the result of no responsibility, no regimentation, no restrictions, and the lack of a lot of other things.

Maybe with the showing of the film and all of us realizing some responsibilities that are now and have always been ours, we can help find a cure for the restlessness among our youth. But all of us have to realize the cure for restlessness is not the duty of just one person.

Frankly, we have always wondered how any of the young people in Sanderson have had time to be restless - if they are! So many of them are involved in so many things at school, then they have involvements at home, in our churches, and so many things around. There always seems to be enough for them to do if they want to stay busy, and any expression of restlessness could be remedied soon.

Visitors in the home of Mr. and Mrs. Ray Caldwell are her sister-in-law, Mrs. Lillie Ferguson, of Weatherford, and her niece, Mrs. Leo McFarland, and husband of Fort Worth.

Eulalio Rios, who underwent surgery twice in an Odessa hospital, was taken to the home of his son, Pascual Rios, and family in Monahans Saturday and has returned home to recuperate further.

NOTICE AFFORDING OPPORTUNITY FOR PUBLIC HEARING CORRIDOR (LOCATION) AND DESIGN (COMBINED HEARING)

The Texas Highway Department is planning the construction of Ranch to Market Road 3166 from Farm to Market Road 4217 (State Highway 349) 28 miles north of Dryden to approximately 3.3 miles east.

The proposed project is for the reconstruction of an existing county road to provide for a two lane highway. Approximately 120 feet of right of way will be required to provide for current design requirements established by the Texas Highway Department.

Maps and other drawings showing the proposed location and geometric design and any other information about the proposed project are on file and available for inspection and copying at the Resident Engineer's office at W. 5th St. Box 949, McCamey, Texas. Also, the drawings showing the proposed geometric design have been placed on file with Terrell County.

Information about the State's Relocation Assistance Program, the benefits and services for displacees and the relocation assistance office as well as information about the tentative schedules for acquisition of right of way and construction can be obtained at the District Engineer's office at P. O. Box 3589, East U. S. Highway 80, Odessa, Texas 79760.

Any interested citizen may request that a public hearing be held covering the social, economic and environmental effects of the proposed location and design for this highway project by delivering a written request to the Resident Engineer's office on or before April 10, 1970.

In the event such a request is received, a public hearing will be scheduled and adequate notice will be publicized about the date and location of the hearing. 8-2tc
