## LISTEN TO LUKE

By Albert ---  
The message of Christmas is "Peace on earth, good will toward men", or in another translation: "Peace on earth among men of good will". Both of these messages of hope express our resolution for the new year.

It will be our effort to work for peace on earth by trying to have peace with our fellow man and to promote a spirit of good will among men of good will.

This we plan to do, the Lord willing, in Sanderson!  
Sanderson is our home and there is no other town like it because of this fact. We came to Sanderson of our own choosing and we remain here due to the same reason. There is no place that we are indebted to as much as we are to Sanderson.

There is no business place out of Sanderson that supports Sanderson as much as it does its own home town, and none of them support Sanderson as much as do local businesses.

There is no business out of Terrell County that pays taxes in Terrell County, and people who work in Terrell County are paid wages by companies that are in Terrell County.

How can we say that Terrell County is not important to us, and those of us who have any dependence upon Sanderson as a business community, social community, religious community, or residence community must say that Sanderson is important to us.

And in keeping with our new year's resolution, how can we say that we have any concern for our fellow man if we are not concerned about all phases of that man's life?

Let us all seriously consider treating all of our neighbors as we would like to be treated by them and boost Sanderson as it has never before been boosted by so many of its residents! We believe it will make a difference in all of our lives!

We thought it odd, indeed, that Christmas of 1969 our front page carried the stories of the deaths of three of our citizens, Mrs. Jack McDonald, Bernie Kerr, and Mrs. Mary Lou Keller; and this year's Christmas edition carried the stories of the deaths of two citizens, Santiago Zepeda and Francisco Lopez.

While we mourn the passing of friends, we also regret that their passing comes at a time when others around us are trying to express a certain joy in keeping with the season. But we, at the same time, are very grateful that there have been no tragedies at this season for several years.

The death of so many people during the holidays as a result of accidents is an appalling fact that should demand the attention and action of every citizen of this nation.

This and many more things that have been going on are to be our concern in many writings during the year ahead!

Christmas decorations in the ranch home of Mrs. W. G. Downie, featuring a Mexican theme in the colors of lime green, fuschia, and purple, provided an attractive setting for the tea and gift shower given Saturday afternoon for Miss Beverly Farley, the bride-elect of Larry Choate of California.

The silver tea and coffee service was at one end of the table and at the opposite end was the silver punch bowl filled with cranberry punch in which floated a frozen fruit ring. Canapes, sandwiches, assorted cookies, salted and spiced pecan halves, and other "goodies" were in silver bowls.
