## LISTEN TO LUKE

By Albert:---

The picture that we are publishing this week as an "oldie" is the first of several that we have that were loaned by Carlton White and are the first ones that we have ever had showing the activity around the air base that was west of Sanderson after World War I.

We will have more history of the air base that we are going to be using as soon as we get it all, but we know and can say that the air station was built by the 464th Aero Construction Squadron which arrived in Sanderson November 3, 1919, and was engaged in the construction until July 1, 1920.

The 90th Aero Squadron arrived in Sanderson between November 26, 1919 and June 30, 1921.

There is no history of an air station located here before or after the dates mentioned in the information above.

Our thanks to Cong. Richard C. White for the above information and putting us in touch with the proper authority for some additional information about the two squadrons that were stationed here.

Please be sure and check the list of names of subscribers whose expiration date is November 1, 1971, and if your name or the name of a friend to whom you are sending the paper is included in the list, please pay the amount indicated. We sincerely want to continue sending each subscriber the paper, but postal laws govern the activity of our subscription file and we need your help and support in our efforts to get everyone's subscription expiring on June 1.

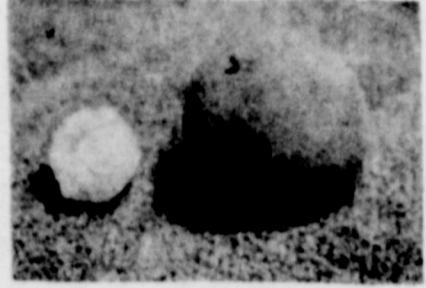

Also if you move, please let us know your new address as soon as possible, or let us know of your contemplated move so we can hold your paper until we have a new address. It will save us money and we would appreciate it.

October 10-16 is National Newspaper Week. We are glad to be a part of the national brotherhood of newspaper publishers.

We do not condone all of the activities of all newspaper men in the operation of their businesses any more than any group can be judged individually as a part of the whole. The job of "the press" has been influential in the growth of the nation and in keeping many things in the proper perspective and the printed word will always be the greatest and most efficient medium for the dissemination of information possible. A picture graphically speaks many words, but the printed word is always present and can be used to study, analyze, digest, and preserve, where the spoken word or the picture is gone and can be easily forgotten in the passage of time.

And our pages may not be as deep, as wide, or as numerous as other papers, but our columns are as wide, and we have the greatest bunch of readers of all!

And there is no other newspaper in the world that cares as much for Sanderson and Terrell County as The Times.

One of the large hailstones that fell here Saturday night was preserved by Mrs. Donald Tulk and later pictured so our readers could see the degree of size as compared with the artificial and about-lifesize peach. The size of the hailstone could be estimated as near that of a golf ball.

## Two Grid Games To Be Thursday

The Iraan junior varsity and junior high football teams will be in Sanderson Thursday afternoon for two games, the first to begin at 5:00 p. m.

The junior varsity game is expected to begin at 6:00 p. m.

The Band Boosters, who operate the concession stand at the football field during regular home games, will have the stand open for the games here on Thursdays.

This week, on both nights, the Band Boosters are featuring Frito chili pies and chili and beans at the concession stand and all fans are urged to eat with the Band Boosters.

### BONFIRE THURSDAY NIGHT

All Eagle Boosters are urged to be at Eagle Field Thursday night, immediately following the Iraan B-team and junior high games.

The bonfire will be lighted and the pep rally held with the pep squad leaders and band on hand.

All persons who have anything burnable that they would contribute to the bonfire is asked to contact Wayne Mitchell, high school principal.

3x5 Card Files at The Times

The Sanderson High School Homecoming will be Friday night at Eagle Field when the Eagles host the Brackettville Tigers in a non-conference game which will begin at 8:00 p. m.

The student body will elect a homecoming queen from the following nominees: Jackie Bob Riggs, Vangie Calzada, Belinda Marquez, and Rosalie Kerr. The girls will be escorted onto the field by their fathers and the queen announced and presented at 7:30 p. m.

The presentation of the crown will be by Miss Ana Salazar, reigning Miss SHS.

The football sweetheart, chosen by the team, will be announced at the pep rally on Friday afternoon and presented at the pre-game activities.

The band sweetheart, elected by that organization, will be presented during the half-time show by the band.

## Local Sorority Cleans Up Park

The members of Alpha Theta Alpha Sorority recently completed the project of cleaning up Memorial Park and have on hand some play apparatus for installing in the park in the near future.

The upkeep of the park has been turned over to the new sorority in Sanderson and they have been doing various chores there, such as installing water, planning play apparatus, and the cleaning up. Other plans include the erection of a sign directing travelers to the park for picnicking or rest.

Local residents are urged to see the improvements at the park and take advantage of the facilities there.

Mrs. Lena Stavley spent a week in Crane with her daughter, Mrs. Roy Mason, who brought her home Friday.

## Eagles Stomp Balmorhea 52-6; To Host Brackettville Tigers

The Sanderson Eagles stomped the Balmorhea Bears on their home field last Friday night by a score of 52-6. Coaches Willie Myers, Tommy Hall and Norman Gladson used all of the players who had suited out in the game. The players included: Chago Flores, Juan Saenz, James Druse, Jim Cash, Kendrick Harrell, Raul Ybarra, Ronnie Stewart, Jimmy Davis, Blain Chriesman, Damon Harrison, Dennis Haynes, Robert Fisher, Nelson Cooke, Ike Billings, Roger Sanchez, Bill Mott, Steve Litton, Pat Mott, and Randy Louwien. Juan Lomas was not suited out because of an injury.

The Eagles' statistics were as far ahead of Balmorhea's as was the score, indicating the one-sidedness of the fray.

Eagles	Bears
24	first downs 5
267	yards rushing 75
104	yards passing -2
371	total yards 73
4-12	passes comp. 1-7
2	interceptions 4
1	fumbles 2
3-25	penalties-yards 7-50
1-50	punts, ave. 7-33

Sanderson's scoring was as following:

In the first quarter, Druse went over the goal line from the 1-yard stripe and also ran over the 2-point conversion.

PICTURE IDENTIFIED  
Mrs. Mabel Halsell wrote us about the picture of the two young ladies on donkeys and identified them as Nell Nance and Cassel Litton, both now deceased.

The picture was made prior to Jan. 4, 1922, the date of the death of Miss Litton and Mrs. Halsell estimates the date of the picture as 1920.

We published the picture on September 23, 1971.

In the second period Druse threw to Louwien for a 7-yard TD and to Litton for the 2-extra; Druse went over from the 3 and Bill Mott kicked the extra point; Druse threw to Flores for a 56-yard TD pass and Bill Mott ran over the 2-extra.

In the third period Druse ran over from the 14 and the extra point try failed.

In the fourth frame Druse passed to Litton for 8 yards and a score and the same combination was for 2 extra points; and Flores ran an intercepted pass back for 38 yards and a score with Bill Mott running over the 2-extra.

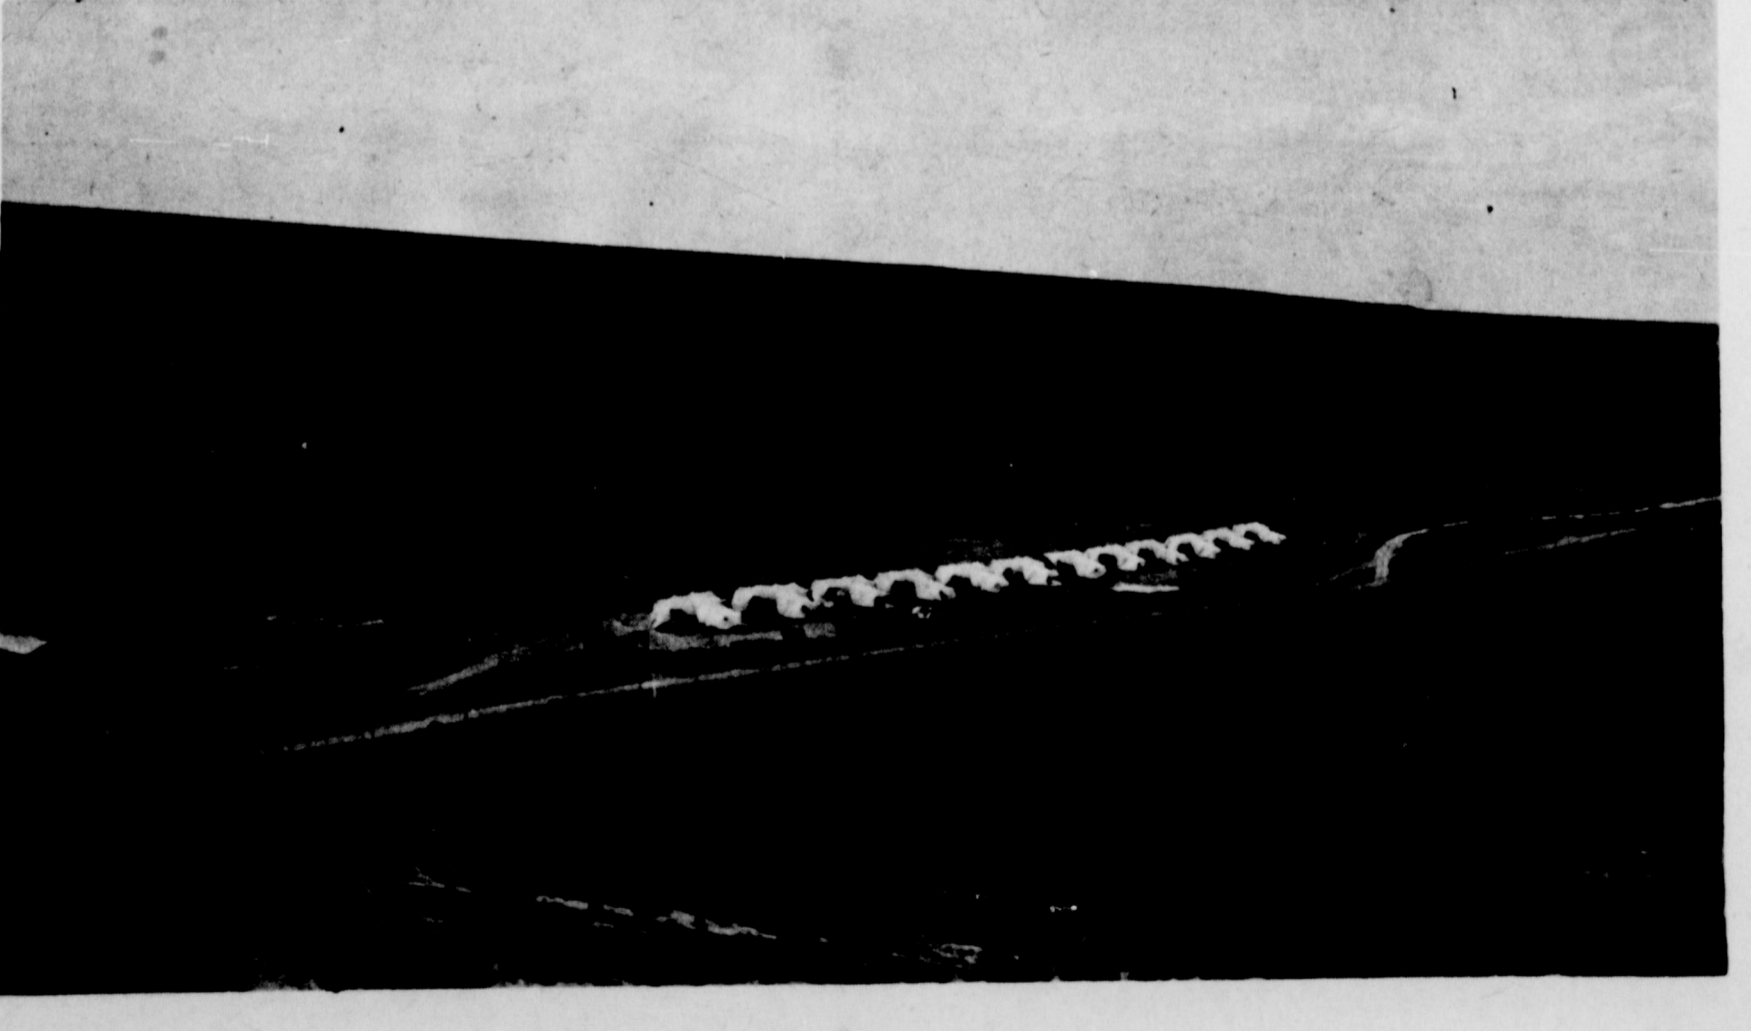

Balmorhea's lone score came following an intercepted pass which gave them the ball on Sanderson's 5-yard line and the Bears were able to push across the goal line on the third play following.

The Eagles will host the Brackettville Tigers Friday night with game time at 8:00.

### MITCHELL BOYS AWARDED

Malone Mitchell III and Scotty Mitchell, sons of Mr. and Mrs. Malone Mitchell Jr., were recipients of awards in the swine category at the annual 4-H Awards Banquet in Fort Stockton last Saturday night. They had exhibited swine at the shows in Fort Stockton and San Antonio.

A picture we prize and are happy to print was furnished by Carlton White and shows the landing strip and canvas hangars for the airplanes at the Sanderson Air Base about 1920. The buildings and barracks are south of the hangars and the site of the installation is near the Texas Highway Department maintenance area on US 285. The old highway is pictured as the farthest to the east with access roads turning off to the left, going north.

## Local Motel Sale Effective Oct. 1

Announcement was made this week by Mr. and Mrs. Ervin Grigsby of the sale of the Desert Air Motel to Mr. and Mrs. Charles Stavley.

The Grigsbys have owned and operated the motel since it was built several years ago. It is located on US 90 west of town and north of the highway.

Mr. and Mrs. Stavley recently moved to Sanderson from Balmorea where he was a teacher in the school system. They are in the process of remodeling the office complex and living quarters at the motel to accommodate the family which includes two sons.

Mr. Grigsby, who has been the recorder of weather statistics in Sanderson since 1941 will continue to perform that duty and the equipment is located at the motel.

## MRS. ZANE McDONALD'S BURIED LAST FRIDAY

Funeral services were in Fort Stockton Friday afternoon for Earl J. Richardson, 51, of that city, father of Mrs. Zane McDonald. He had died Wednesday in the V. A. Hospital in Dallas, the victim of cancer.

A veteran of World War II, he had moved to Colorado three years ago.

He is survived by his wife, Mrs. Mae Bee Daigle Richardson, of Lake Charles, La.; a son, Jack A. Richardson, of Kermit, who with Mrs. McDonald were at his bedside when death came. Other survivors are his parents, Mr. and Mrs. E. W. Richardson, of Fort Stockton; three brothers, three sisters, and two grandchildren.

Attending the funeral services from Sanderson were Mr. and Mrs. Zane McDonald, Mr. and Mrs. Jess McDonald, Mr. and Mrs. James McDonald, Mr. and Mrs. W. R. McDonald, and Roland McDonald.

## JORDAN'S MOTHER DIES

Funeral services were in the First United Methodist Church in San Angelo last Thursday afternoon for Mrs. T. Wayne Jordan, mother of Wayne Jordan of Sanderson. She died on Tuesday morning in a hospital in that city.

She was born March 6, 1896, in Lufkin and married T. Wayne Jordan in that city in 1915. She had been a resident of San Angelo for 47 years.

Besides the son, she is survived by her husband, two daughters, three sisters, and a brother.

Mrs. A. C. Garner was in Alpine Wednesday for a medical check-up.

Mrs. Bertha Mansfield returned home last week after visiting in Victoria with her daughter, Mrs. Jeff Flowers, and family.

## More Rain Falls During Past Days

About two inches of rain fell during the past several days in Sanderson and a large damaging hail fell on Friday night.

The rain began falling about 8:00 p. m. Saturday night and the large hailstones damaged cars, pickups, trailers, etc., at the roping arena north of town, and did some damage to mobile homes and shrubs and trees over town, with some possible roof damage.

Ropers from over this area had just begun the final series of events at the Sanderson Rodeo Club's arena on US 285 when the hail hit. The animals and people had some lumps as a result of being hit by the hailstones. The roping events were postponed due to the high water in the arena after the rainfall.

Two and 2/10ths inches of rainfall were reported at the Charles Stegall ranch in 45 minutes.

Heavy hail and rain was reported to the west of Sanderson and Sanderson Canyon ran on Saturday night, but the water was contained within the creek bed.

Heavy winds moved some rather large items in town, including the trash receptacle at the rear of the C. G. Morrison Co. store, a trailer parked by Jolly Harkins' barn, and much debris and trash.

There was more slow-falling rain here Sunday afternoon and Sunday night with very little run-off.

Heavy clouds continued on Monday and there was some more moisture received in intermittent showers Monday.

Light showers continued all day Monday and Monday night with drizzle and mist continuing intermittently with more light showers on Tuesday morning at this writing.

Sanderson Canyon has not flowed since Saturday night.

## ATTEND P SCHOOL

## Tom Parsons, 101, Former Resident, Dies In Christoval

Tom E. Parsons, 101, a resident of Christoval, died Friday in Schleicher Hospital in Eldorado.

Parsons was born June 1, 1870, in Texas and was reared along the Texas-Mexico border. He moved to Terrell County in 1911 and ranched south of Sanderson for many years prior to his retirement in the 1940s. He was deputy sheriff in Terrell County for two years - 1921-22.

Parsons moved to Christoval in about 1945 where he has lived since that time. He recently entered the Schleicher County Medical Center Nursing Home and celebrated his 100th birthday there last year.

Funeral services were Monday in Christoval and the Masonic Lodge was in charge of graveside services.

Mrs. Earl Stirman of Midland is the only known survivor.

Mr. Parsons was a member of the Sanderson Masonic Lodge and was the recipient of a 50-year membership pen recently.

## George Baker To Go To Seminar On Animal Waste

State Representative George Baker of Fort Stockton has been named by Texas House Speaker Gus F. Mutscher as a delegate to a national symposium on animal waste management September 28-30 in Warrenton, Va.

The symposium is co-sponsored by the Council of State Governments, the United States Department of Agriculture, the Environmental Protection Agency, and the National Association of State Universities and Land Grant Colleges.

"The symposium," said Baker, "will concern itself with the problems livestock and poultry producers are facing with the advent of new laws and regulations relating to animal waste abatement."

In addition to Baker, Mutscher also named Rep. Steve Burgess of Nacogdoches and Rep. Bill Clayton of Springlake as conference delegates.

Baker served as vice-chairman of the Engrossed and Enrolled Bills Committee during the 62nd session in 1971. In 1969 he was a member of the House Committee on Agriculture for the 61st session.

*F.H.A. Chapter  
Heard Sheriff Cooksey*

The Sanderson Future Homemakers of America Chapter met Monday at 7:00 p. m. in the Homemaking Cottage. Glenda Shoemaker, president, called the meeting to order. A devotional was given by Juanita Ybarra after Glenna Couch, secretary, had called the roll.

Mary Castro, program chairman, introduced the guest speaker, Sheriff Bill Cooksey, whose subject was "To Dare Is To Care". He gave several thoughts on the subject concerning woman's lib, how much our nation has improved in the past 150 years, and a humorous story about Little Red Riding Hood.

A business meeting followed and the chapter voted to sell vanilla extract as a money-making project.

Plans were made for "Daddy Date" night on October 25. Glenna Couch was elected F.H.A. "girl of the month" for outstanding service in the organization.

The meeting was adjourned and refreshments were hostesses Grace Castro, Adelina Cassillas, Catarina Lopez, and Tanna Clark.

Barbara Turner is the reporter.

*Bonhomie Club*

The birthdays of three members, Mmes. F. G. Grigsby, T. W. McKenzie, and H. P. Boyd, were observed when the Bonhomie Club was entertained last Wednesday afternoon in the home of Mrs. Carlton White. They received many beautiful cards which they passed around for display.

Cold drinks, candy, nuts, and coffee were available after the guests had arrived and during the party.

Apple pie topped with whipped cream was served for refreshments.

Also present were Mmes. J. W. Carruthers Jr., B. F. Dawson, Ray Caldwell, O. J. Cresswell, Alfred Bendele, S. C. Harrell, and W. D. O'Bryant.

## Public Notices Grew As County Grew

Reader's Digest, some years ago, reprinted this announcement from a country newspaper:

Anyone found near my chicken house at night will be found there next morning.

That was a public notice. Since the beginning of time, men have found it necessary to communicate to others, information of importance to all.

When America was young, life was simple. People, of necessity, lived close together. When one man had a message for several others, he usually knew where to find them. If the message must cover a wider area, the town crier was employed to inform one and all. The system was adequate.

But then America began to grow. People moved out over a wider and wider area. The spreading of vital information became more difficult. For a time the accepted means was the posting of notices in public places. If the persons concerned happened to pass the proper place, and the notice was still hanging, and they happened to read it, objective was accomplished.

But America grew more—and more—beyond its founders' wildest dreams. Problems having to do with land ownership, debts, estates, purchases, elections, improvements, began to arise, as America became big business.

Then was born the "Public Notice." As they always have, when needs regarding the public welfare have arisen, the newspapers of the country took on an added chore.

Today's newspaper is the chief medium for Public Notices of all kinds. Those notices are there for your information and protection and your guidance. They contain news—of your friends and neighbors, of public affairs that affect you as an individual and as a member of your community. They have grown out of a necessity for one man to inform others of his intentions. They are printed in the newspaper so that

### NOTICE OF CANCELLATION OF LIVESTOCK BRANDS AND MARKS

All brands and marks on Texas livestock must be rerecorded with the County Clerks after August 30, 1971, according to a new law passed during the last session of the Texas Legislature. Producers will be given a six-month period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first-come" basis.

The law further states that all such brands and marks must be rerecorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it must be so recorded and each additional location for the brand on the animal shall constitute a separate recording of that brand.

There is no limit to the number of brands and/or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and re-recording of livestock brands are met. Minors may have marks or brands separate from that of their father or guardian, which must be recorded or re-recorded as provided by the new law.

The County Clerk of each county shall have this act published in some newspaper of general circulation in the county for a period of 30 days. The act shall be published on the effective date, August 30, 1971, and thereafter for 30 days.

It is the obligation of the County Clerk to assure that no more than one brand of a kind be recorded on the same location of the animal in each county. Therefore, no two people in a county may record the same brand in the same location. It is also the responsibility of the County Clerk to make certain that in recording any brand for a person, that the part of the animal on which the brand is to be placed be designated.

### Wish I'd Said THAT

The term 'underprivileged' is either heard or read several times everywhere and it obviously used to make the population feel terrible ashamed of themselves for making an honest living and not sharing it with the other half who are already so busy sponging off their neighbors they don't have the time to seek employment.—E. ### Grass Effective In Ecology

Grass is one of the most effective pollution control and air conditioning devices that nature has to offer.

"One acre of grass releases about 2,400 gallons of water on a summer day through evaporation and transpiration," according to Herb Senne, head of the U. S. Department of Agriculture Soil Conservation Service office in Sanderson.

"This much evaporation equals the cooling effect of a 70-ton air conditioner," Senne continued. "And grass is ideal for erosion control, beautification, and animal forage."

Senne said grasses vary widely within individual species. There may be dozens of strains of side-oats grama, for example, growing within an area of only a few counties. These variations are caused by differences in climate, soils, elevation, and other factors.

SCS conducts a constant search for superior strains of grasses and other plants, Senne said.

"What we're looking for are strains of grasses that will help solve some specific environmental problems," Senne explained. "In Texas, we need

grasses that will thrive on several drouthy soils; cool season plants that will extend the grazing season; and plants that will provide forage for livestock while also providing better food and cover for more kinds of wildlife."

Senne added that conservationists also need salt tolerant grasses that will grow on a wide variety of problem sites, forbs and woody plants useful to wildlife and livestock that can be planted in range seeding mixtures, and water-tolerant plants that will curb wave action on earthen dams.

To help coordinate the search for better plants, SCS operates 20 plant materials centers in the United States. One is located in Texas at Knox City. Scientists at these centers grow and evaluate plants from all over the world to help find strains that will solve specific problems.

The most recent grass selected and put into use by SCS plant materials work in Texas is Selection 75 Kleingrass. Released in 1968, the plant is a leafy, highly palatable grass that is now being grown widely in Central Texas. It is used mostly in tame pastures where high rates of fertilizer are used.

A number of active field plantings have been made in

recent years in the Rio Grande-Pecos River SWCD. Plantings were made to further test several species of grass to determine their adaptability in and around the Sanderson area.

Producers who are helping SCS with these tests currently, according to Senne, are: Bob Allen, A&A Ranch, Sid Harkins, Felix Harrison, and the Texas Highway Department.

### Ministers Have Re-Organization

The Sanderson Ministerial Alliance met September 24 at El Buen Pastor Methodist Church. New officers elected to serve for the coming year were: Rev. John Pearce, president; Rev. M. A. Walker, vice-president; Rev. E. H. Carson, secretary.

Since the only money handled by the Alliance is the community fund for the purpose of giving aid to needy persons or stranded transients, the alliance felt it would be very helpful to have a layman act as the treasurer and named J. A. Gilbreath to that post.

Plans were also completed for the Community Thanksgiving service which will be on November 23 at 7:00 p. m. at El Buen Pastor Methodist Church. The speaker will be Rev. Carson and a community choir will bring special music.

A lay committee was also named to help with the planning of the program for the evening and the preparation of the music, with one member from each church. The committee is as follows: St. James Catholic Church, Mrs. J. M. Davis; El Buen Pastor Methodist Church, Mrs. Cruz Marquez; First Methodist Church, Mrs. R. R. McDonald; First Baptist Church, Mrs. B. L. Melton; First Presbyterian Church, Mrs. J. A. Gilbreath.

Mr. and Mrs. John Burchett made a business trip to San Angelo Thursday.

Mrs. Gene Black went to Odessa Thursday to have her eyes checked. Mrs. E. H. Carson accompanied her on the trip.

Mrs. Burt Williams returned her mother, Mrs. Rose Terbay, who had been visiting here, to Austin Sunday. Mrs. W. D. O'Bryant accompanied her on the trip and visited her aunt, Mrs. Althea Scott.

### Jr. N.H.S. Has Induction Service

The Junior National Honor Society held its first induction Wednesday morning in the junior high school library. The JNHS received its charter last year.

Bryanann Stavley, president, gave the welcoming speech and acted as master of ceremonies. Bobby Hunn, vice-president, gave the aims and purposes of the organization and a history of the local chapter.

Others on the program were Paul Hinkle, Virginia Rivera, Patti Hope, Joanna James, and Bill Walton, each one explaining the four qualifications for becoming a member of the organization - scholarship, character, leadership, citizenship, and service.

Eighth graders inducted were Kendall Billings, Johnny Carson, Paula Kilpatrick, and Debbie Tulk.

Seventh graders were Marla Bell, Johnny Couch, Margarita Escudero, Randy Massey, Clay Mitchell, Melba Rivera, Conn Sumrall, and Travis Watson.

Mrs. Bill O'Rourke and Jack Cosby are the sponsors of the Junior National Honor Society.

A reception for parents and members was held immediately after the induction service.

Mrs. G. W. Kyle was brought home last week, two weeks after having major surgery, and is recuperating satisfactorily.

Mr. and Mrs. J. A. Gilbreath were in Fort Stockton Friday of last week to visit his father, who is in a nursing home there.

Mrs. Helen Dickson of San Antonio has been a guest of her cousins, Mmes. Carlton White, Grace Wheeler, and J. C. Halbert.

Bobby Martin, freshman student at Sul Ross State University, was a weekend visitor with his grandparents, Mr. and Mrs. Ben Martin.

### Emergency Squad Sponsors Film

Gary Mobley from the State Health Department Traffic Safety and Civil Defense Division, of Midland, showed a film "Before the Emergency" Wednesday evening of last week at the court house.

Plans are being formulated to set up a unified organization for all emergencies with the emergency squad working with the sheriff's department. The meetings will be held every first Sunday of the month to keep up with first aid procedures. The squad members will wear uniforms, assist ambulance drivers, and take part in any emergency operation.

A discussion on the possibilities of bussing patients to out-of-town doctors twice a week was held and it is being investigated.

It was pointed out that the key to the success of any operation is organization and the emergency squad is going to try to set up a plan where everyone in town will have an assigned duty in an emergency, so that operations can function with a minimum of confusion.

Mrs. Kenneth Andrews and two children, Toni and Jerry, of El Paso visited her parents, Mr. and Mrs. Herbert Brown, and family last weekend.

Mr. and Mrs. Willie Banner will return home Saturday by train from Houston where she had major surgery three weeks ago. She has been at the home of her grandson, Buddy Monroe, there for a week to further recuperate before coming home.

Mrs. Maria Martinez is in an Alpine hospital for treatment of a cardiac condition, according to reports.

Mrs. Bernice Peace of San Antonio brought her mother, Mrs. J. D. Nichols, home on Monday. Mrs. Nichols had been in a Uvalde hospital for over two weeks for medical treatment.

### PURELY LOCAL

Mr. and Mrs. Howard Stavley have bought the John Neal home and will move the house to their property on US 90 where their orchard is located.

Mr. and Mrs. Worth Odom were recent visitors in Houston with their granddaughter, Mrs. Steve Burnham, and husband and made several trips to places of interest as well as attending a baseball and a football game in the Astrodome. Mrs. Roger Rose accompanied them on the trip and visited with her daughter, Mrs. Don Barber, and family in Houston and in Richmond with Mr. and Mrs. Joe Little, former residents.

Mr. and Mrs. K. H. Stutes returned home Saturday from a visit with their son, Kenneth Stutes, and family in El Paso, seeing their new granddaughter, Kristen Marie, for the first time.

Mrs. B. L. VanCleave has been in a Fort Stockton hospital for two weeks for medical treatment. Her daughter, Mrs. Ethel Sanders, of Lubbock left for her home Sunday from Fort Stockton.

Mr. and Mrs. John Clark were admitted to an Alpine hospital last week for treatment. Mrs. Ed Robbins and her daughter-in-law, Mrs. John Ed Robbins, of El Paso, visited her parents last Saturday.

Weekend visitors here were Mrs. George Barnes and four children of Austin. She is a granddaughter of Mr. and Mrs. B. L. VanCleave.

Mrs. Zada Frazier returned home Sunday from Corpus Christi where she had been to oversee repairs on her motel there which was damaged by the hurricane.

Mrs. Melinda Edwards and children, Shaun and Shannan, visited her parents, Mr. and Mrs. J. A. Gilbreath, last weekend. They returned to their home in Odessa Sunday.

Mrs. J. H. Harrellson of Deming, N. M., is visiting her daughter, Mrs. David O'Keefe, and family.

Mrs. Sam Draper of Del Rio returned home last Thursday after visiting for several days with her sister, Mrs. Tol Murrah, and family.

Mr. and Mrs. Tommy Arthur of Cleveland were weekend visitors with her parents, Mr. and Mrs. J. A. Mansfield, and family.

Mr. and Mrs. John Sandifer and baby returned home last week from a vacation trip to San Antonio and Dallas where they visited his parents and other relatives for two weeks.

Mr. and Mrs. E. F. Pierson were in Fort Stockton Thursday for medical attention.

Mrs. Irvin Robbins took her daughter, Susi, to Fort Stockton Saturday to be fitted for contact glasses. They met her other daughter, Mrs. Jim Neal, and family of Rankin there. The Neals were in Fort Stockton to attend the funeral services for Mrs. Byron Johnston of that city.

Mr. and Mrs. Bryan O'Banion were in Fort Stockton Sunday to visit their son, Bill O'Banion, and family and also visited with Mrs. Frank Harrell and Mrs. B. L. VanCleave, both of whom are hospitalized in that city.

Mrs. L. C. Hinkle took her mother, Mrs. Clyde Higgins, to Odessa Thursday for a post-surgical check-up by an ophthalmologist.

Mrs. R. S. Wilkinson and Mrs. D. L. Duke returned home Sunday from San Antonio. Mrs. Wilkinson reported that her brother-in-law, M. P. Lester, of Carrizo Springs, who had undergone gall bladder surgery in San Antonio had returned home and is recuperating satisfactorily. Mrs. Duke had spent a month with her son, David Duke Jr., and family. She saw her grandson, Philip Duke, 13, who is in the 8th grade at Alamo Heights Junior High School, installed as student council president last week.
