LISTEN TO LUKE

By Albert: ---
 We keep reading and hearing about pollution and what needs to be done to stop it, etc., etc., etc.
 We wonder if each person would just clean up a little bit of trash and then each person see that he did not clutter anything additionally, if this wouldn't help a lot. We are talking about pollution of the earth and water - air pollution is something else! And if each one of us doesn't burn anything, wouldn't that help to prevent additional air pollution?
 We also wonder about this application of each one doing his bit to solve some of the other ills of this nation.
 For example, in politics we have a job to do and it will take an individual action to do something about it.
 What has happened to using integrity and honesty as a guideline for casting a vote? Is it better to stay within party line than to get an honest man - if that is the consideration?
 People who have been closely associated with shady deals, real scandals, questionable activities, and downright dirty incidents are running loud and clear for positions of trust, leadership, and honor in our country.
 If we are to restore honesty and integrity in government, we are going to have to eliminate those who do not have those qualities from our political scenes.
 There are those who consider "deals" as the operations acceptable of the "shrewd" business man. And when we talk about "deals" we have reference to those things that are plainly dishonest and crooked, not an honest trade-out of acceptable concessions. A person who uses his office as a personal gain or hands a plum to a friend at the cost of the taxpayer has no business getting re-elected to a political office. And if it takes a turnover after every term to keep such a man out of office, then we are for it.
 As a nation, we will get the kind of politicians that we elect!
 There is no better way to define it!

 And another ruling of "un-constitutional" might throw a kink in some things. How are the separate political parties going to finance their primaries if they cannot charge a filing fee which has been the basis of financing primaries in the past? And what happens to the money held now in the coffers of the various political parties as left-over fees from previous filings?

 We have no idea about the accuracy of this figure, but if there are 50 stray dogs in town and half of them are females, and each female has an average litter of six pups, that makes 150 more stray dogs the first time around!
 Need we say more?

Girls of Sanderson Troop 225 and one of their leaders, Mrs. Mac Turner are shown with a poster heralding the Girl Scout Cookie Sale which is coming up soon. The poster is a replica of the 1972 Scout Cookie Sale Patch designed by Cadette Troop 241 of Midland, and depicts a smiling cookie, with a bit missing, representing

ing the Girl Scout movement, the good taste of the GS cookies, and the fun girls have in their camping program which is financed by the cookie sale. The patch will be awarded to girls selling 36 boxes of cookies during the sale. Other leaders of Troop 225 are Mrs. Charles Stegall, Mrs. Jack Cosby, and Mrs. Ray Clifford.

Jim Turner Hired For County Work

Jim Turner has been employed as supervisor of work in precinct 1 by Terrell County, according to County Judge R. S. Wilkinson. He was most recently employed by Big Bend Gas Co.

According to Judge Wilkinson, Turner's salary will be paid by funds available by arrangements through the Permian Basin Regional Planning Commission and he will be responsible for all county work within the precinct.

Judge Wilkinson stated that an agreement had been made between county commissioners of precincts 1, 2, and 3 - F. M. Weigand, Austin Chriesman, and David Mitchell, that would permit the planning of work within precinct 1 for the most expeditious completion. Equipment from precincts 2 and 3 would be brought into Sanderson as needed and the assistance of the two commissioners in planning work and means of accomplishing needed improvements would be available. Turner would be working under the two commissioners as the supervisor of local work, and would work in whatever capacity possible in accomplishing the tasks needed or undertaken. Judge Wilkinson stated that, among other things, Turner would personally supervise the trash pick-up until those employees had a systematic method of pick-up and disposal of local trash; he would be responsible for the maintenance of the county vehicles, making such minor repairs as he could himself; and also be responsible for the repairs to local black-top and shoulders of local streets. These are the tasks that are immediately planned, the judge stated, but he added that there would be others.

Rev. and Mrs. R.A. Harrison left Monday for Durant, Okla., to reside. Mr. and Mrs. Monty Harkins drove the truck with their household goods to Durant. Rev. Harrison took his retirement after serving the local First Presbyterian Church as pastor for the past three years.

B. L. Van Cleave, 80 Buried Saturday Grant Available For Sewer Study

Barney L. Van Cleave, 80, died early last Thursday morning in an Alpine hospital where he had been a patient in recent weeks following a stroke.

Funeral services were in the First Presbyterian Church Saturday afternoon with Rev. E. H. Carson, pastor of the Baptist Church, officiating. Burial was in Cedar Grove cemetery under the direction of the Geeslin Funeral Home of Alpine.

Mr. Van Cleave was born February 2, 1891, in Pearsall and had been a resident of Sanderson since 1929. He had worked for the S.P. Railroad and the Texas Highway Department prior to his retirement.

He was married to Miss Florence Barksdale in Del Rio in 1912. He was a member of the Baptist Church.

Besides his wife, he is survived by four daughters, Mrs. Zada Frazier of Sanderson, Mrs. Bill Goodwin of Dryden, Mrs. Erel Sanders of Lubbock and Mrs. Florine Anderson of Shreveport, La.; a sister, Mrs. Mary Etta Brussels, of Myrtle Point, Ore.; also 10 grandchildren and 23 great-grandchildren.

Pallbearers were Joe N. Brown, H. A. Mullings, G.W. Kyle, Jess McDonald, Dalton Hogg, and John L. Whistler. A.N. Farley was an usher.

A \$29,500 grant to the Permian Basin Regional Planning Commission of Texas has been approved by the Farmers Home Administration reports FHA Administrator James V. Smith.

The grant funds will enable the commission to prepare an initial comprehensive plan for the water and sewer service needs of a six-county area which includes the counties of Ector, Midland, Ward, Andrews, Martin and Terrell. In addition, updating and consolidation of the water/sewer facility plans for the counties of Borden, Dawson, Upton and Pecos will also take place.

Ernie W. Crawford of P.O. Box 6391, Midland, Texas 79701 is Executive Director of the Permian Basin Regional Planning Commission.

Mark Duncan Asks Support In Race For Commissioner Pct. 1

Mark Duncan authorized The Times this week to announce his candidacy for the office of Commissioner of Precinct 1 in Terrell County, subject to action by the Democratic Primary.

In seeking the office, Duncan stated that since his retirement as a druggist he had the time to devote to the duties of the office without conflict with any outside interest and that he was interested in working toward the progressive improvement of all local activities within the bounds of the office and would work toward that end, if elected, doing the job to the best of his ability.

Duncan stated that if elected to the post of commissioner of Precinct 1 he would resign as director of the Terrell County Water Control & Improvement District No. 1.

Mr. and Mrs. K.V. Beerup were in Alpine Tuesday for him to have a medical check-up.

CHILI SUPPER PLANNED

The Band Boosters are having a chili supper on Thursday, February 3, from 5:00 to 7:00 p.m. at St. James Hall. Those in the 5th grade and below will pay 75¢ and from the 6th grade up will pay \$1.25.

Proceeds from the supper will help pay expenses for the band to the festival in Sweetwater and toward a new concession stand at the football field.

588 REGISTERED TO VOTE

Monday found 588 registered voters for Terrell County, according to Mrs. A.J. Hahn, deputy tax assessor-collector. Although 1972 is to be one of the most popular years election-wise than for several years, that number of voters seems to be about average.

Registration now does not have to be on or by any certain date, but a person may not vote in election unless he has registered at least 30 days prior to the election.

Two Stolen Cars Picked Up Here

Sheriff Bill C. Cooksey stated Tuesday that two stolen cars were apprehended Monday and that the teletype assisted in speeding up the reception of information that the cars were stolen.

Texas Highway Patrolman Ben Lockhart was called about two young men in Dryden who were acting suspiciously, and a check of the car they were driving revealed that it had been stolen the previous night in San Antonio.

The other vehicle was in the possession of two young men who applied for help from the Salvation Army of Sheriff Cooksey and the check revealed the car they were driving was stolen in Minnesota.

Duane E. Smith, 64, Former Coach Here, Buried In Alpine

Duane E. Smith, 64, died at his residence in Alpine Sunday afternoon, apparently suffering a heart attack. He was a former high school principal and head coach at Sanderson.

Smith was born August 17, 1907, in Bellflower, Ill. He was a varsity basketball team member at Texas Christian University in Fort Worth and graduated from that institution in 1931.

Smith came to Sanderson in 1931 as a teacher and head coach. He was named high school principal in 1935 and served as both coach and principal until 1940, resigning the former at that time when he was replaced by "Bodie" Hunter as coach. He moved to Alpine in 1942. He also organized the Boy Scout troop here and served as Scoutmaster during all of his stay in Sanderson.

He was associated with a men's clothing store in Alpine; was a member of the Methodist Church; and active in little league baseball there for many years. He was a veteran of World War II.

He is survived by his wife, Mrs. Edith Caldwell Smith; a son, Maj. Duane Noble Smith, of Fort Leavenworth, Kans., and four grandchildren.

Funeral services were Wednesday in Alpine under the direction of the Geeslin Funeral Home.

Ab Gholson, 90, Dies In Evant

Funeral services were in Evant last Wednesday afternoon for Albert Frank (Ab) Gholson, 90, and burial was in that city.

Mr. Gholson served with the Texas Rangers and with the U.S. Customs service for 40 years before retiring, serving on the border between Sanderson and Del Rio.

He was married in 1905 to Miss Orlene Wynne who preceded him in death three years ago. Two sons, Edwin and James Gholson, died several years ago. Mrs. John Prude of Del Rio and Fort Davis, a daughter, is the only survivor besides nieces and nephews.

Mrs. Maria Martinez is in an Alpine hospital for medical treatment.

Mr. and Mrs. Evin Grigsby, long-time friends, attended the funeral services.

TO FUNERAL IN DEL RIO

Mr. and Mrs. Augustin Maldonado and daughter attended the funeral of her grandfather, Macario S. Cardenas, 76, in Del Rio last Thursday afternoon. He was a former resident of Del Rio, but had resided in San Antonio for the past 14 years.

Mr. and Mrs. Maldonado also visited her parents, Mr. and Mrs. Toribio Vasquez, in Del Rio.

Don't lose your voice!

When the person on the other end of your telephone line can't hear you, there isn't much point in talking. If the fault is ours, we want to know about it. But before you speak to us, try speaking up to the other

party. If you're holding the handset below your chin, he won't hear much. But if you talk directly into the mouthpiece, your voice comes through loud and clear. Though it's only a small tip, it doesn't leave you speechless.

Dreams of Adventure
Subject of Program
Of Culture Club

The members of the Sanderson Culture Club met in the home of Mrs. N.M. Mitchell Jr., last Thursday afternoon for a guest tea. Co-hostesses were Mrs. R.A. Gatlin and Mrs. C.B. Card.

Mrs. Card, president, read a poem "A New Leaf" to open the meeting and then had each member to introduce her guest

The program topic was "Fire side Dreams of Adventure" and each member gave a short resume of some place she would like to visit and her reasons for wanting to visit there, what she would expect to see, etc., and showed pictures of her "dream place". Several guests also told of the place she would have in her "dream adventure".

Many interesting articles from "far-away" places were exhibited.

Members had brought food for the "tasting tea", many of the dishes being from recipes from overseas places. Punch and coffee were also served from the tea table which had a centerpiece of amber-colored carnations and silver and amber crystal were used for the appointments and serving.

Other members present were Mmes. E.H. Jessup, R.A. Harrison, W.H. Savage, A.D. Brown, L.H. Gilbreath, G.K. Mitchell, E.E. Farley, C.F. Cox, and N.M. Mitchell.

Guests were Mmes. W.H. Grigsby, W.D. O'Rourke, Larry DeVasto, Herbert Brown, J.A. Gilbreath, Joe Blatchford, Irvin Robbins, F.D. Fisher, Ray Clifford, and John L. Whistler Jr.

Favors were clothes brushes of nylon net made by Mrs. Gatlin and books of recipes, many for foreign foods.

Presbyterian W.O.C.
Meet on Monday

Prayer by Mrs. N.M. Mitchell and the singing of the hymn "This is My Father's World" opened the meeting of the Presbyterian Women of the Church Monday afternoon with Mrs. G.K. Mitchell presiding and reading the poem "I Am Your Church" by Ralph Nordlund. The meeting was in the fellowship hall of the church.

The report was made that the White Cross quota had been received and accepted.

Mrs. R.A. Gatlin announced that the tentative date of the third Monday in March as the date for the intensified Bible study.

Mrs. Charles Stegall was the moderator for the program on "Chrismons", describing and exhibiting some made last fall by the women of the church. Appropriate Bible passages relating to the meaning of the Chrismons were read by Mmes. Jolly Harkins, W.H. Savage, Gatlin, and N.M. Mitchell. Mrs. E.E. Farley led the closing prayer.

Also present were Mmes. W. H. Grigsby, David Mitchell, J.A. Gilbreath, N.M. Mitchell Jr., E. E. Harkins Jr., E. F. Pierson, E.H. Jessup, A.H. Zuberbueler, and F.D. Fisher.

Tips that can save you money on heating your home

1 Have your heating equipment serviced annually. Preventive maintenance on blowers,

fans, belts and bearings and replacement of filters can increase

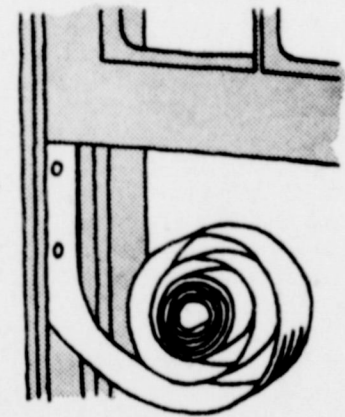

the efficiency of your heating system and save the cost of major repair bills later.

2 Use lower thermostat settings at night and when you're away from home.

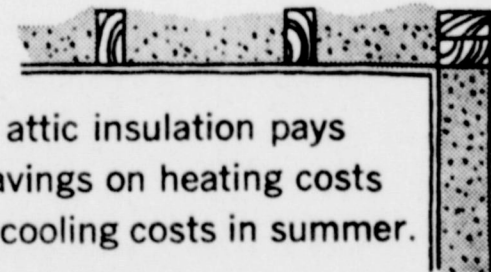

The U. S. Government advises that you can save 3/4% on heating costs for each degree you lower the thermostat for a period of 8 hours at night.

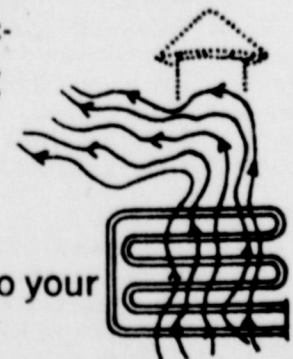

3 Weatherstrip doors and windows to keep out any cold air. Caulk cracks. Keep drapes closed, especially at night. Insulated-back drapes help prevent heat loss.

4 Wall and attic insulation pays for itself in savings on heating costs in winter and cooling costs in summer.

5 Clean, flameless electric heating is 100% efficient since no heat is wasted up a chimney or flue. Electric furnaces have heating elements that turn on in sequence for exact heat control... and the temperature stays closer to your thermostat setting.

Soil Information Aids Decisions For Ranchmen

The shortest distance between two points is a straight line, but this may not be the cheapest route.

Soils information can help you make an intelligent decision on the best route for a planned pipeline, road, or underground cable. A soils map can be used to determine areas where the bedrock is shallow, soils may be corrosive to steel or concrete, hard caliche will be encountered, soils contain gravel, cobbles, and large stones, and other soil characteristics which may influence a project. This soils information can be obtained from the Soil Conservation Service office in Sanderson.

Soils information furnished by the Soil Conservation Service has been used for many years by farmers and ranchers. It has assisted them in making decisions regarding land use and treatment needed to conserve their soil. Soils data available has not been as widely used in other enterprises, and this is unfortunate according to Herb Senne. He states that soils map is a valuable planning tool in both urban and rural areas. It can be interpreted to determine those areas that are good sites for homes, roads, parks, commercial areas, septic tank filter fields, sanitary landfills, ponds, and shallow excavations such as underground utility lines (pipelines, sewers, cables, etc.), cemeteries, basements and open ditches. It will also point out soil limitations you can expect to encounter on a site when other factors determine the location of a project. This will assist you to plan into your job the necessary features to overcome a soil limitation in advance.

A soil scientist classifies the different kinds of soils and records their boundaries on an aerial photograph. He goes over the land and digs numerous holes to examine the different layers of soil. The vegetation and other features of the landscape are studied. He describes the soil and gives it a separate symbol which is used to identify each different soil. This description contains information about the structure, texture, slope, natural drainage, depth of different layers and other physical characteristics. This description along with field experience of SCS personnel can give estimates of percolation rates, bearing strength, shrink-swell characteristics, grain size, water-holding capacity, compaction characteristics and many others. With this information desirable and undesirable features of a soil can be determined and its limitations recognized for a given use.

A soils map does not eliminate the need for sampling and testing at the site of specific projects involving heavy loads and where excavations are deeper than six feet. It also may include small areas of different soils which could not be separated on an aerial photo. These areas could be very significant to the project. Even in these situations, however, the soil map is useful in planning more detailed field investigations and for indicating the kinds of problems that may be expected, states Senne.

A soils map can serve the user as a blueprint of the land. It will help him make wise choices in the use of the land.

Grand, Petit Jurors Called For Feb. 6-7

Cards have been put in the mail advising 20 people that they are summoned for duty on the Terrell County Grand Jury for the 63rd District Court and will meet at the court house at 10 a.m. on February 7. Sheriff Bill C. Cooksey is responsible for notifying the grand jury of their summons.

At the same time, 60 people were mailed cards notifying them of petit jury duty on February 8, also at 10:00 a.m.

It has been pointed out that there are no occupational exemptions from jury duty and the only legal and automatic exemptions are those who are over 65 years of age and those who have children under 10 years of age.

Any person who qualifies for an exemption under these provisions is asked to contact the judge and notify him of their exemption.

Questionnaires were mailed with the petit jury notices for each person to fill out and return to the sheriff's office.

Persons who were mailed the notices are advised to be on hand at the appointed time or they will be in violation of the law if they do not have permission from the judge to miss the summons.

The jury wheel method of selecting the panel is new and there will be some mistakes in the selection of prospective jurors, but these mistakes will be corrected only if the information is given to the proper authority.

Mr. and Mrs. Herman Couch are visiting in San Angelo with his mother, Mrs. Myrtle Green, who is ill.

Mr. and Mrs. Floyd McNair attended funeral services in Brady Saturday, January 15, for his brother, Lewis McNair, who died in a nursing home in that city following a heart attack.

METHODISTS PLAN LUNCH

There will be a 5th-Sunday dinner at the First United Methodist Church Sunday after the morning worship service, according to an announcement by the pastor, Rev. M.A. Walker. All members and friends of the church are invited to bring a covered-dish and attend.

Rev. Walker also announced that the churches of the Clovis District of the Methodist are being divided between the Albuquerque, El Paso, and Carlsbad Districts, now leaving only three districts in the New Mexico Conference. The Sanderson-Dryden charge will be in the El Paso district along with Marathon, Fort Davis, Alpine, Marfa, Fort Stockton, and Balmorhea, which were formerly in the Carlsbad District.

O.E.S. CALLED MEETING TO BE JANUARY 31

Mrs. A.J. Pagitt, worthy matron of the Sanderson Chapter of the Order of Eastern Star, announced that there would be a called meeting of that organization on Monday, January 31, at 7:30 p.m. in the Masonic Hall.

The purpose of the meeting will be to receive Mrs. Gene Falkenbury, district deputy grand matron of District 2, Section 9, of Fort Stockton, who is making her official visit.

There will be a salad supper at the hall at 6:00 p.m. for all O.E.S. members and their families.

Mr. and Mrs. E.F. Pierson were in Fort Stockton Thursday for him to have a medical check-up.

Mrs. W.H. Dishman was in an Alpine hospital for several days last week for medical treatment. Her daughter, Mrs. Bob Henderson and son of Del Rio were here while she was in the hospital.

Steer Roping To Benefit WTBR

The Sanderson Rodeo Club will sponsor a steer roping on Saturday afternoon, January 29, to benefit the West Texas Boys' Ranch.

All of the proceeds of the roping will go to the Boys Ranch, according to officials of the local sponsors.

There will be a 3-steer average with entrance fee of \$24.

All ropers and spectator fans are urged to support the project and help the Boys' Ranch.

The roping will be at the club's arena north of town.

Tuesday Bridge Club

The Tuesday Bridge Club met in the home of Mrs. Will J. Murrah this week for a desert-bridge. Cream puffs, tea, and coffee were served to the guests upon their arrival.

In the card games, Mrs. Gilbert Bell held high score and slam and Mrs. J.A. Gilbreath was second high and shared the slam prize.

Other guests included Mmes. Tol Murrah, Weldon Cox, W. D. O'Bryant, Willie Banner, Roger Rose, and S.H. Underwood.

LEO ADAMSES SURPRISED ON 35th ANNIVERSARY

On Wednesday evenings the families of the Baptist Church at Sheffield meet in the homes of the members for prayer meeting. Last week as a complete surprise to Mr. and Mrs. Leo Adams on their thirty-fifth wedding anniversary, the hosts, Mr. and Mrs. Jamie Glasscock, provided the turkey and dressing and requested the others attending to bring covered dishes for a supper. There were 39 present.

There was a social hour after the prayer service and a hanging lamp and a set of dishes were presented to Mr. and Mrs. Adams.

AOA Sorority

The Alpha Theta Alpha Sorority met at the home of Mrs. Burt Williams on January 18. Those present were Mmes. Donald Tulk, Zane McDonald, Burt Williams, Jimmy Davis, A.N. Farley, Bill McDonald, Bill O'Rourke, and Bob Siemer.

The members reviewed their new charter received from the international office. Refreshments of Dutch apple pie, dip and chips, and salted snacks were served with coffee and tea after the meeting.

NEWS FROM FORMER RESIDENTS IN COLORADO

Mrs. Noel Stirman of Denver, Colo., sent news concerning her family to The Times and we are sharing it with her friends as the Stirmans are former residents. She was the former Cecilia Goode and with Mr. Stirman was reared and educated here.

Mr. Stirman has had 16 years with the Chevron Oil Co. and is now administrative supervisor in the marketing department. She works for a pipeline company.

Their oldest son, Ed, has been in the U.S. Navy for a year after a year at UTEP, El Paso, and is in San Francisco where he is attached to the carrier USS Ranger, which is in dry dock for a major overhaul.

Jack, a June graduate of Ranum High School, is a freshman at the University of Colorado in Boulder.

Bob, the youngest son, is a junior in the Ranum High School.

The Stirmans extended a cordial invitation to anyone from Sanderson who is in Denver or that area to come and see them and their telephone number is now 427-6092.

BOYD CLAYTON DIES

Funeral services were in Ozona Thursday afternoon for Boyd C. Clayton, 71, who died early Wednesday morning in a San Angelo hospital after a long illness.

He was a native of Ozona but had lived in Pecos County several years before returning to Crockett County where he ranched with his brother, Warren Clayton. They acquired holdings in Terrell County in 1941.

He is survived by his wife, the former Vivian Baggett of Ozona; a son, Mike Clayton of Ozona, a brother and a sister and three granddaughters.

CHARLES G. ROE, 56, SP CONDUCTOR, DIES

Services for Charles G. Roe, 56, were Wednesday in Del Rio and burial in that city. He was stricken with a heart attack near Lake Amistad while on a west-bound run and was taken off the train at Comstock and taken to Del Rio and hospitalized. He was a conductor on the railroad and a member of the UTA.

Del Rio chairman of the UTU local and Val Verde Democratic County Chairman.

He is survived by a wife, two sons, a daughter, three grandchildren, a brother and a sister.

Mr. and Mrs. Tommy Werneck and children of El Paso were weekend visitors here with his mother, Mrs. Pat Harris Jr., and family.

Mrs. Pat Harris Jr., was in an Alpine hospital for four days last week for medical treatment and for several days the cafe was open for only one shift. She is well on the road to recovery, according to reports.
