LISTEN TO LUKE

By Albert---

With the start of the basketball season, we thought it approp to ascertain a fact and pass the facts on to whomever it may concern for their information.

Basketball coaches state that it is against the rules of basketball for fans to harass a person while he is at the "free-throw" line and that a team may be fouled for this action by fans.

It was also added that in many towns this rule is not observed by the home fans and the example, therefore, is for all fans to intimidate the free-throwing player in an effort to get him or her to "maybe miss" their shot. But it is still against the rules.

It was also stated that most referees, in their efforts to be fair, do not like to penalize a team for something that the team has no control over and is not involved with in any way, so they do not enforce this rule of the game.

The coaches added, though, that respect for the rules of the game, and politeness maybe would be good reasons for fans to observe quietness during the free-throws.

Like when you don't talk while someone is putting -- that's golf talk!

All of life is full of all kinds of little and big rules and laws and age, youth, games and work do not have automatic exemption from the necessity for the observance of these rules and laws if we have any order and system to our activities.

At least that's the way we look at it!

Football season has been ended as of this writing and Sanderson sport fans can now come in out of the cold!

There is no disgrace in defeat, if the loser is not ashamed of his efforts! Every player on every team cannot be put up to his highest potential at any given time, and there are times when the best team loses, and times when the best team wins! (Oops, to be on the good side of the proper English critics -- "better" is the comparative and should have been used!)

Some friends asked about our being absent for the final game as PA-system announcer: we had 1-night out-of-town company. Thanks to Jack Cosby, the fans were informed of the goings-ons anyway. The indispensibility of a man in some things seldom is, and in most things just isn't!

The chore of counting absentee ballots is growing increasingly more difficult and costly over the state. Time was when there were few absentee ballots to count and those who were delegated to

Some members of the Sanderson Culture Club and students in the junior high school are in the picture with a truck full of trash collected by the students during the recent clean-up campaign. The students got varying numbers of points for collecting different items. The 6th grade won the contest with 2,238 points, the

5th grade had 2,055 points, and the 7th grade had 340 points. The sponsoring club promised a party to the class winning the contest.

The party was after school Monday. Cold drinks and cookies were served after a period of games and contests for which prizes were given.

THANKSGIVING, 1972

All of us can be proud of and thankful for our remarkable heritage, our many blessings, and our hopeful future.

With hindsight we can quibble about some of the actions of our forefathers, but we should be forever grateful that they fought for freedom and won, that they sought and achieved a government responsible to the public will, and that they developed a competitive economic system under which our people have grown and prospered.

George Washington's call for "humble thanks" in his first Presidential Thanksgiving Proclamation asked his countrymen to pray for forgiveness of "our national and other transgressions," for performance of their duties "properly and punctually," and for a "government of wise, just and constitutional law, discreetly and faithfully executed and obeyed."

The Father of our Country urged his people to pray for other nations "to bless them with good governments, peace, and concord; to promote the knowledge and practice of true religion and virtue, and the increase of science among them and us; and generally, to grant unto all mankind such a degree of temporal prosperity as He alone knows to be best."

Field Goal Beats Wink 3-0 There; Grid Season Ends For Sanderson

The Sanderson Eagles won their final game of the foot-

ball season by a 3-0 score over the Wink Wildcats there Friday night of last week. The field goal was in the third period by Bill Mott.

The defensive effort of the Eagles was manifested in the zero score of Wink. They held the Wildcats in 1st-and-goal-to-go situations.

Sanderson's offense was destroyed in fumbles and there were several turn-overs by the Eagles which contributed to the lack of touchdown-making ability.

Statistics on the game were unavailable.

W.A. Cochran, grandfather of Mrs. E.E. Harkins Jr., is shown "doing the wash" in 1918 on probably what was then a very fancy washing machine. The lower portion of the unit held coals to keep the water and the crank-turner hot and the mechanical hook-up indicates that there was a dasher action to agitate the items being washed. Mrs. Harkins loaned us the picture.

this job could get it over with in a hurry. Some places reported up to 36 hours spent in counting absentee ballots this year; and those who are doing this cannot leave until it is finished, according to law.

There is going to have to be some considerations for some changes in the entire process of absentee voting if this increase in number continues.

Culture Club Has Guest Day Thursday Program is Fashions

The members of the Sanderson Culture Club observed "guest day" at their monthly meeting last Thursday afternoon in the home of Mrs. W. H. Savage with 30 members and guests attending.

Mrs. H.E. Ezelle presented a very interesting program on fashions worn by Texas club women over the years. Using patterns, pictures, and dolls dressed in clothing of the past hundred years to preface her remarks concerning both the materials and styles of that era, she captivated the interest of the ladies. Several dresses, coats and hats of yester-years belonging to club members were exhibited and later examined by the group to add further interest.

The meeting opened with the singing of "The Eyes of Texas" and a devotional poem "I'm Thankful" by Delphia Cline Freeman, read by Mrs. C.B. Card.

During the business meeting, a report was given of the recent clean-up campaign and the winners in the contests, plans being made for the party Monday afternoon for the pupils of the sixth grade who collected the most litter. Mrs. Savage was chairman of the clean-up drive. Members were reminded of the contribution to be made to the Ministerial Alliance Relief Fund at the December meeting. Mrs. McKenzie and Mrs. Ezelle reported on the recent board meeting of the Western

District, TFWC, in El Paso which they attended.

The guests were introduced and Mrs. E.E. Farley, president, introduced Mrs. A.N. Farley, president of Alpha Theta Alpha, acclaiming the work being done by the young women of the sorority.

The decor in the diningroom emphasized the Thanksgiving theme with a large cornucopia overflowing with ears of Indian corn, nuts, fruits, and vegetables arranged on the buffet; a silver epergne filled with gold chrysanthemums was on the sideboard and flanked by gold candles. An arrangement of similar mums centered the table covered in an ecru cutwork linen cloth.

Mrs. T.W. McKenzie served the sandwich loaf and Mrs. Farley was at the silver tea and coffee service. Tiny individual pumpkin pies, mints, mixed nuts, carrot pickles, olives, and other relishes were on the table.

Those attending were Mmes R.A. Gatlin, A.D. Brown, G. K. Mitchell, L.H. Gilbreath, E.E. Farley, N.M. Mitchell Jr., C.B. Card, C.F. Cox, H.E. Ezelle, Mary Cox, A.J. Pagitt, A.H. Zuberbueler, T.W. McKenzie, N.M. Mitchell, E.E. Harkins Jr., Larry Choate, Monty Harkins, Barton Massey, Herbert Brown, C.P. Peavy, C. C. Mitchell, Clyde Higgins, J.A. Gilbreath, W.W. Suduth, E.F. Pierson, Leola Hill, Richard White, and A.N. Farley.

Mrs. Bendele showed the birthday cards she had received to the ladies as they visited informally. Candy, mixed nuts, cold drinks, and coffee were available during the party.

Those present were Mmes. F.G. Grigsby, W.D. O'Bryant, S.C. Harrell, Harvey Rogers, B.F. Dawson, H.P. Boyd, and Bendele; also two guests, Mrs. L.R.Hall and Mrs. Gene Black.

'Key '73' Theme Is Stressed By Local Churches

The program calendar adopted by "Key 73" Central Committee focuses on Christian holidays, beginning on the first Sunday of Advent, December 3 and running through December of 1973.

The calendar is printed on page five of The Times.

What is "Key 73"? It is simply the call to evangelism; the call to local congregations of this continent to mobilize for spiritual battle! A call to witness! A call to the man in the pew to arise and let his faith be known! "Key 73" hopes to reach every man, woman and child on the continent of North America with the gospel of Christ in 1973. "CALLING OUR CONTINENT TO CHRIST" is the theme and the text is Hebrews 13:8- "Jesus Christ is the same yesterday and today, yes and forever". Prayer is the key to "Key 73". Christians will be encouraged to pray for one another and others, believing that man can be successful in any venture he undertakes only as he seeks God's will, counsel and guidance.

Mrs. Mary Alice Townsend, president, read a letter from Jim Hawkins of Fort Stockton, who had attended the last meeting of the Terrell County Chapter, stating that he had made a news item on the Fort Stockton radio station of the fact that this chapter had achieved its goal and more for 11 consecutive years.

Mrs. Jettie Peavy, treasurer, reported that \$68.50 had been received in memorials since the last meeting.

The bake sale to be at Dudley's on Friday, November 24, was discussed at length. Mr. Freeman promised to send a large banner to be used at the sale location.
