The near-tragedy also serves as a grim reminder that we who are old enough to drive also have the responsibility that goes with that privilege, and that responsibility is for the protection of every other person we meet, whether they are driving, walking, or whatever.

Things happened last week so that we were unable to reprint a little story and ad about the plea for funds by buy a bull for West Texas Boys' Ranch.

Monty Harkins, the Terrell County Wagon Boss for the Ranch, told us that they were in dire need of a good bull at the ranch.

Monty took it upon himself to try to raise the money from his Terrell County friends to purchase a good bull to put on the ranch.

The commissioners court of Terrell County met in regular session Monday morning in the county court room with W.W. Sudduth and David Mitchell the only two commissioners present.

Mrs. W.H. Grigsby and Mrs. A.H. Zuberbueler were before the court to request funds for the operation of the Terrell County Historical Survey Committee.

Bids were submitted and opened for the grader to be bought by the county and the low bidder was Treanor Equipment Co. of Pecos for \$25,300.00 net.

Bids were opened and read on a dump truck and Dudley Motors was the only bidder and the court approved the purchase for \$5,080.16.

It was also reported that the county had received \$11,309.60, a quarterly payment toward the revenue sharing fund from the federal government.

There was a lengthy discussion on proposed redistricting, and there was tentative agreement on a plan of redistricting that would be submitted when the other two commissioners were present.

There was also a lengthy discussion of the cost of hauling trash within the town of Sanderson and the revenue that is collected along with the water bills, indicating the necessity

of a raise in the cost of hauling off trash, according to the commissioners present. It was voted to establish a true picture of the cost of hauling the trash and report this and the revenue to the people and the projected increase so that local residents would have an explanation of the cost and hopefully be understanding and cooperate with the commissioners in their effort to keep the town clean.

The cost-revenue ration from incomplete figures available was in the 1-4 range and the necessity for an increase in revenue for this service has long been seen as a need by the court.

Other routine business matters were disposed of by the commissioners prior to their adjournment.

Mr. and Mrs. Vernon Keyes returned home Wednesday after going to Athens to visit with her brother, O.J. Beard, who remains seriously ill following a heart attack.

3 Tracksters Will Go To Regional Meet In Lubbock

Three Sanderson trackmen are going to the region meet in Lubbock this weekend with their coach, Willie Myers, for competition.

Other competitors in the district meet and their places and times included:

Shot put - Roger Sanchez 6th with 43'1"; and Cash and Mott also competed.

Discus - Mott, Sanchez 3rd with 133'11"; Robert Kline.

Broad Jump - Danny Montalvo and Floyd Watson.

Pole vault - Cash and Kline 6th, with 11'0".

100-yard dash - Kendrick Harrell.

220-yard dash - Harrell.

440-yard dash - Ja Chriesman, Montalvo.

880-yard run - Bobby Spence.

330-yard intermediate hurdles - Kline 4th with 43.3, Watson.

High hurdles - Watson.

440-yard relay - Sanderson 5th with 46.9, Montalvo, Harrell, Chriesman, and Mott.

Mile relay - Sanderson 4th with 3:40.0, Watson, Chriesman, Montalvo, and Marquez.

Sanderson finished 4th in the meet with 53 points and trailed Rankin, Iraan, and Marfa, according to Coach Myers.

The picture below is of a kid camp, a practice that has been almost entirely abandoned.

W.A. Cochran had a "controlled kidding", as did most other goat ranchers in this area.

No date was given for the picture, but the kidding boxes, the goats, the scenery, all were pretty much like the other kid camps.

Mrs. E.E. Harkins Jr. loaned us the picture.

Monty Harkins, the Terrell County Wagon Boss for the Ranch, told us that they were in dire need of a good bull at the ranch. They have a nice-sized herd of heifers! Monty and his dad, Sid Harkins, loaned the ranch a bull to get through this breeding season, and it is -- I'm using Monty's words -- not as good as bull as they would like to put down there, but -- he said it -- it was the best we had.

Monty took it upon himself to try to raise the money from his Terrell County friends to purchase a good bull to put on the ranch. It is for this reason that we should all watch the details -- the fact that the bull will come from Terrell County contributions -- mainly means that we have to pay attention to what we think we can give. The commissioners court of Terrell County met in regular session Monday morning in the county court room with W.W. Sudduth and David Mitchell the only two commissioners present, along with County Judge R.S. Wilkinson and Clerk Ruel Adams.

Mrs. W.H. Grigsby and Mrs. A.H. Zuberbueller were before the court to request funds for the operation of the Terrell County Historical Survey Committee, and after the presentation of their proposal by Mrs. Grigsby, the court authorized allocating \$300 for funds for the needs of the group, which is an authorized expenditure, according to the court. The group hopes to get state grants and awards for their activities to finance future projects and operation.

Bids were submitted and opened for the grader to be bought by the county and the low bidder was Treanor Equipment Co. of Pecos for \$25,300.00 net, including a trade-in. The court approved the purchase.

rell County bull going a long way, and we believe that everyone who is interested in the boys at the ranch will want to give something toward the purchase of that animal. In asking for donations for the bull, the giving is not restricted to ranch people, and others would do well to be enlisted in supporting the ranch. It is a means of giving something to a boy that might make a man of him. At least they're trying!

This nation has long been a people proud of their heritage, their honesty, their word, their proclamations, etc., etc., etc. But we have also long been a nation of talking out of both sides of our mouths. Our Indian antecedents noted this fact in our Scotch-Irish antecedents and called them "forked tongue" on account of this characteristic.

For example: "We hold these truths to be self-evident: that all men are created equal..." and it took us almost 200 years to begin to put into practice what we preached on paper loudly and clearly, what we were sworn, kinda indirectly, to uphold as soldiers, sailors, marines, etc., and what some underprivileged people have been calling us "forked tongue" over for the past 200 years. We just seem to like to keep people under subjugation of some sort or another, and them to be dependent upon us, and treat us a certain way, and I suppose that it's so that we can in some way try to feel superior to some people to satisfy some sort of a warped ego image that we have that tells us that there is bound to be somebody that we are better than.

We would personally like to think that the last treaty has already been made with the Indians, the blacks, the all-other-races or people that will ever be made!

We would personally like to think that we don't continue to divide people: wrinkle-skinned, gray hairs, wrinkle-skin gray hair, wrinkle-skin not gray hairs, etc., etc.

We, personally, are trying very hard to think of all of us as people.

That's all those boys at West Texas Boys' Ranch are, and that is all we are!

foster-mother; his brothers, Clyde Word of Fort Stockton, Claude Word of Andrews; a sister, Mrs. Gladys Reid of Lamesa; and foster-brothers Eddie Leatherwood of Pecos and Woody Leatherwood.

He was a member of the Baptist Church.

Funeral services were held at 10:00 a.m. Wednesday at the First Baptist Church by Rev. Paul Tatum, pastor, and interment was in Cedar Grove Cemetery with Fort Stockton Funeral Home in charge of the arrangements.

Pallbearers were O.D. Gray, Kurt Cathy of Del Rio, J.A. Gilbreath, Gene Thompson, Aubry Harrell, and Weldon Cox.

Mr. and Mrs. Bert Bell were in El Paso for several days last week for him to have a medical check-up.

High Winds, Freeze Do Much Damage

High winds hit Saturday night and caused considerable damage over town and there was even more anxiety by many local residents about what might happen or was happening during the wind-storm that hit shortly after midnight.

The sign at the Western Hills Motel was virtually destroyed by the high winds and crews began working Sunday afternoon in repairing the sign. A sign at Kerr's was destroyed by the high winds. Electric service was interrupted in parts of town by broken utility lines and there was considerable damage to fruit trees in the destruction of small fruit by being blown from the limbs.

The fruit that was not ruined by the winds was probably ruined by the freeze which hit Sunday night. Some local residents reported a below-30 temperature and there was ice Monday morning locally.

Mrs. Ernest Harkins went to Odessa Thursday to take her mother, Mrs. Carl Cochran of Fort Stockton, for a medical check-up.

Gene Thompson, right, Sanderson District Manager for Community Public Service Company, was honored for long service by fellow employees at a recent awards dinner in Pecos. Western Division Manager W.H. "Woody" Ivy presented Thompson with a gold wrist watch in recognition of his 25 years with the power firm.

After being in a Fort Stockton hospital for several days for a medical check-up, Ervin Grigsby was brought home last Friday.

Encumbents, Bell Named To Board

Voting in the school board trustee race Saturday in Terrell County was heavier than usual, though less than one-fourth of the voting potential of the county expressed their concern in the choice of the school trustees.

Herbert Brown and E.E. Westbrook, incumbents, were re-elected, and Gilbert Bell, an announced write-in candidate, won over Mrs. J.M. Davis, who was on the ballot with Brown and Westbrook.

The tally of votes as reported to The Times in the absentee box and the four precinct boxes is shown below.

The terms of the elected school board members are for three years.

	A	1	2	3	4	Total
Brown	30	104	20	11	6	171
Westbrook	30	106	19	11	7	173
Bell	18	78	21	11	1	129
Davis	11	69	5	4	5	94

In other write-in votes, Ruth Robbins got 3, Louise Causey 3, Chago Flores 1, Rouchelle Bell 1.

The votes were canvassed on Monday night at the regular meeting of the school board.

W.O.C. Circles Meet This Week

Circle I of the Presbyterian Women of the Church met on Monday afternoon in the fellowship hall with 12 members present.

After the singing of the hymn "Blessed Assurance", Mrs. N.M. Mitchell, chairman, read a poem on the crucifixion of Christ from the book "Bible in Pocket, Gun in Hand" and then a short clipping on the resurrection from "Decision" magazine.

Mrs. H.A. Couch gave the Bible lesson on "The Servant's Teacher", based on John 13:1-20 and stressing our being a servant of our Servant Lord.

A circle of prayer and the Mizpah Benediction closed the meeting.

Mrs. W.H. Grigsby, hostess, served peach torte, tea, and coffee during the social hour.

Also present were Mmes. E. E. Farley, David Mitchell, E. F. Pierson, G.K. Mitchell, W. H. Savage, C.C. Mitchell, A. H. Zuberbuehler, J.D. Nichols, and Sid Harkins.

Circle II met in the home of Mrs. J.A. Gilbreath Tuesday morning. Mrs. Dudley Harrison was the moderator for the same study topic as Circle I.

Following the study, the hostess served coffee, tea, cherry coffee cake, lemon cake to Mmes. Jolly Harkins, Charles Stegall, N.M. Mitchell Jr., A. C. Garner, Pinky Carruthers, David Marx, Joe N. Brown, Eddie Hanson, John Whistler III, Edward Kerr, and Harrison.

Thursday Bridge Club

A luncheon was served at 1:00 o'clock to the members of the Thursday Bridge Club and several guests by Mrs. Mark Duncan last week. Mrs. Robert Hunn was a luncheon guest.

A small bouquet of spring flowers decorated the quartet tables for the luncheon featuring a rice and meat casserole, stuffed celery, a congealed salad, strawberry shortcake, coffee, and tea.

Nuts, candy, and assorted beverages were available during the card games when high score prize went to Mrs. Austin Nance; second high to Mrs. James Caroline; slam to Mrs. Fern Carmichael and Mrs. Tol Murrah, who also had low.

Other guests were Mmes. W. H. Goldwire, Worth Odom, Jack Riggs, Weldon Cox, Jim Kerr, S.H. Underwood, W. D. O'Bryant, and Diane Andrews.

W.U. Auxiliary Meets on Monday

The regular meeting of the Auxiliary to the United Transportation Union was Monday afternoon in the Masonic Hall.

After the business session, the members went to the home of Mrs. R.R. McDonald where chocolate cake, cherry crunch, tea, and coffee were served. Mrs. Zane McDonald and Mrs. Reid McClellan were co-hostesses.

Also present were Mmes. Tommy Couch, Donald Tulk, J.M. Davis, Charles Hornsby, Joe Rouse, Ronnie Minnica, Marvin Morris, Gil Martinez, and A.C. Garner.

Mr. and Mrs. W.H. Savage were business visitors in San Angelo Friday.

Leary-Naley Wedding Rites on Friday

The Tom Leary ranch home south of Marathon was the setting for the marriage of Miss Vicky Lynn Haley and James Patrick Leary Friday evening at 7:00 o'clock. Only close friends and relatives attended the wedding.

The bride is the daughter of Mr. and Mrs. Hollis Haley of Marathon, former Sanderson residents, and the granddaughter of Mrs. Lizzie Billings.

Mr. and Mrs. Tom Leary of Marathon are the parents of the bridegroom.

Rev. James Madrid officiated at the double-ring ceremony for the exchange of wedding vows. The couple stood before the fireplace in the living room which was banked with large baskets of white gladiolus and rose and blue carnations with tall branched candelabra holding white tapers on either side.

Given in marriage by her father, the bride wore a white street-length dress and blue accessories. She carried a nosegay of blue carnations and white roses.

Mrs. Gene Armstrong of Jal, N.M., sister of the bride, was the matron of honor and only attendant. She wore a blue dress and carried a nosegay of blue carnations.

Candlelighters were Michael Leary of El Paso, brother of the bridegroom, and Bill Shaw of Sanderson.

John H. Mather of Marathon served as best man.

Following the wedding, a champagne supper was served in the Leary home. Members of the house party were Miss Cheryl Haynes, Miss Joyce Cavness, Mrs. Wood Hofacket, and Mrs. Louie Granger.

After a wedding trip, the

Historical Group Organized Here

Seven members appointed by the commissioners court for the Terrell County Historical Survey Committee are: Mrs. W.H. Grigsby, chairman; Mrs. A.H. Zuberbueller, Mrs. E.E. Harkins, Mrs. Jack Deaton, Carlton White, Mrs. C.P. Peavy, and Mrs. Pres Escamilla.

An organizational and orientation meeting was held Wednesday, April 4, at the home of the chairman with County Judge R.S. Wilkinson. Officers selected were: Mrs. Peavy, vice chairman; Mrs. Zuberbueller, secretary-treasurer; Mrs. Harkins, reporter. Sub-committee chairmen appointed were: Mrs. Zuberbueller, preservation; Mrs. Deaton, markers; Mrs. Peavy, appreciation; and Mr. White, budget and finance.

Much enthusiasm was shown by the group and a tentative plan of work was reviewed. Six regular meetings were scheduled for the year's work, in addition to meetings of the sub-committees. The regular meetings are to be the second Monday of each month at 7:30 p.m. at the courthouse and will be open to the public.

The Terrell County Historical Survey Committee is a sub-division of the Texas State Historical Survey Committee and the Texas Historical Foundation. Eighteen members appointed by the governor comprise the state committee. Terrell County is in District 11, which includes Terrell, Pecos, Crane, Ector, Winkler, Ward, Loving, Brewster, Reeves, Culberson, Hudspeth, Presidio, Jeff Davis, and El Paso counties.

The local membership is to work through the county judge and commissioners court and with cooperating organizations. The committee shall endeavor to establish an active historical program in the county and be concerned with the actual job of preserving, restoring, and recording the tangible evidence of history. It shall also survey, research, and update landmarks to be marked. There is at the present time a moratorium on marker application due to the increase in the number of applications submitted. This will give the Terrell County committee some time to do research and have it ready for marker application when the moratorium is lifted. It shall also conduct history appreciation programs, and work with neighboring counties sponsoring inter-county visitation programs to exchange ideas, and work on joint projects.

Financing for the TCHSC will be dependent upon the county, as appropriated by the commissioners court, and no fund-raising is contemplated, according to the officers. However, any contribution or memorials will be appreciated and will further the work of the committee.

Anyone having anything of historical significance to give or to lend for copying to the committee's archives, is asked to contact Mrs. Grigsby. Such articles will be kept in fire-proof storage, carefully handled, and used only under the supervision of the committee.

The officers ask that all residents remember that "your trash may be TSHCS's treasure".

The program of work of the committee will be printed in The Times as it is available.

Mr. and Mrs. Jerry Wenmohs and Lance had a week's vacation last week at Sam Rayburn Lake where they fished and visited friends.

ALL OF US CAN BAT CLEAN-UP!

ACTION NEEDED

If we are really serious about the business of Keeping America Beautiful, what we need are more problem-solvers—and fewer finger-pointers. It's easy to recommend the use of someone else's incinerator, sewage plant or compost heap—just as long as we sweep the real ecology problem under the rug.

Volunteer newspaper collection, glass depots and reclamation centers all contribute, but really don't solve anything. They simply ease the problem.

We must get back to basics. If we are to Keep America Beautiful, we have got to start at the beginning—in our own backyards!

The only way to get rid of the community eyesores is through concerted action and follow-through, with down-to-earth solutions for the handling of garbage, refuse, etc., on a sound and permanent basis.

We may have to go beyond our own community limits and combine our efforts on a country or even a state-wide basis. If we recognize that waste will always be a part of living, and that any solutions which are not permanent merely boost the final ante, then we will be well on our way to Keeping America Beautiful.

Minton White, Former Resident, Honored Recently

Minton L. White, retiring principal of Central High School, became the third San Angelo educator to be honored with the Outstanding Educator Award, which was presented to him by Phi Delta Kappa fraternity Wednesday.

Phi Delta Kappa, professional fraternity for men in education, presents this award annually to commend persons who have distinguished themselves in the advancement of education.

The award was presented to him by The Concho Valley Texas Chapter in San Angelo Wednesday.

White has been in the teaching profession for 40 years, serving for the past 20 years as SACHS principal. He will retire in June and George Faulkner, presently assistant principal and registrar, will become principal.

White supervises a student body of over 2,500, with four assistant principals and over 150 teachers and other personnel on a campus of more than 40 acres.

He is a member of the Board of City Development, where he serves on the Sports and Education committees, the input-output committee of West Texas Boys Ranch, and a member of the finance committee of St. Luke United Methodist Church.

During his tenure as principal, nearly 12,000 students have graduated from SACHS, and more than \$8 million in scholarships have been awarded to SACHS students.

Himself a member of Phi Del

ta Kappa, he also has a lifetime membership in the Texas Congress of Parent-Teachers Associations, is a member of the Classroom Teachers Association, Texas State Teachers Association, and numerous other school organizations.

Mr. White, son of the late Mr. and Mrs. C.H. White, is a graduate of the Sanderson High School. He is a brother of Carlton White.

Four local residents were called to serve on jury duty for U.S. District Court in Del Rio last week. W.H. Dishman, Jess McDonald, G.E. Babb, and Mrs. Pat Mott. Mr. Dishman and Mrs. Mott were accepted and were there several days. Mrs. A.T. Freeman accompanied Mrs. Mott to Del Rio and visited with relatives.

Mr. and Mrs. Ernest Harkins went to Iraan Friday for the track events of the Sanderson participants and then to Eldorado to see the competition of the team coached by their son, Travis Harkins, of Sonora.

Medical Costs Can Altar Medicare Aid

Rising medical costs have caused an increase in the deductible amount in the supplementary medical insurance or Part B of Medicare according to H.P. Thomas Manager of the social security office in Odessa.

"The new deductible amount which must be paid by the insured person is the first \$60 of doctor bills incurred by the insured person during a calendar year," said Thomas.

January 1, 1973, is the effective date of the increase in the deductible amount. "Although January 1, 1973, is the effective date of increase, the 'carryover' provision of the law concerning medical expenses is still in effect," Thomas pointed out.

The "carryover" provision of the law states that any part of the first \$60 of covered medical expenses in 1972 that were incurred on or after October 1, 1972, can be carried over or credited toward the 1973 deductible of \$60.

Medical expenses covered under the supplementary medical insurance program or Part B of Medicare have risen considerably since the Medicare program began in July of 1956. "This is the first increase in the Part B deductible since in program began," Thomas said.

It was also pointed out that from the beginning of the medicare program it was intended that insured persons would pay a reasonable portion of their medical insurance costs.

Thomas concluded by saying this information, concerning the increase in Medicare's Part B deductible, should prove helpful to all insured persons under Medicare when they receive explanations of their Part B medical benefits.

Rodeo Club Plans Summer Events

The Sanderson Rodeo Club plans six events for the summer in Sanderson at the organization's local arena on US 285.

April 21 is the first event planned, and they will follow on May 19, June 16, July 3 & 4, August 19. The events on April 21, July 3 & 4 are at 2:00 p.m. and the others will begin at 6:00 p.m.

On July 3 there will be team roping, and July 4 calf roping and kid events. On each of the other dates there will be a full slate of activities: 2-steer average, 2-calf average, Ribbon Roping, Breakaway ropings for 15 and under boys, Flag races and Barrel races.

The club is going to give gold and silver trophy buckles for the best season average in calf roping ribbon roping, breakaway roping and two for the steer roping. An all-around buckle will be given to the top money winner in two or more events, and there will be buckles given in all age groups barrel races and flag races.

The sponsoring club has stated that a contestant must enter 4 of the 5 ropings to qualify for any of the buckles.

PEACE JUSTICE SHOEMAKER COMPLETES SEMINAR

Peace Justice W.G. Shoemaker of Terrell County has successfully completed an advanced twenty hour In-Service Justice of the Peace Training course. The seminar was held in Midland from March 13-16.

Lamar University, College of Technical Arts has been contracted by the Texas Justice of the Peace and Constables Association to execute the Justice of the Peace In-Service Training Program.

Funds have been made available for this program through a grant from the Texas Criminal Justice Council and under the authorization of the federal Omnibus Crime Control Bill and Safe Streets Act.

The advanced training course is designed to improve the skills of those judges who have held the office of Justice of the Peace for more than one year.

The theme of National Library Week is "Get Ahead-Read".

Mrs. Ira Moses and her nephew, Paul Murr, returned home Saturday night from New Orleans, La., where they had been with Mr. Murr's father, Aldie Murr, of Junction who had major surgery and his condition is reported to remain serious. Mrs. Walter Thorn has remained in New Orleans with her sister, Mrs. Murr.

Region Office Set Up For SP Patrons

The Southern Pacific Transportation Company plans to establish a regional agency service center at San Antonio in keeping with its policy of furnishing the most modern and economic service possible to its patrons.

The service center concept is possible because of the Southern Pacific microwave communications system - the largest privately-owned in the U.S. - and because of the \$22-million TOPS (Total Operations Processing System) information network that has revolutionized the industry.

Under the proposed plan, information necessary for the conduct of business with Southern Pacific can be obtained through one free telephone call to the San Antonio agency from points now served in the area by Southern Pacific. The San Antonio office will be staffed around the clock with employees familiar with all aspects of Southern Pacific procedures, and their customers' needs.

Applications will be made to the Texas Railroad Commission to bring the functions of the surrounding agencies into San Antonio. Agency functions at Kenedy, Schulenburg, Del Rio, Luling, Seguin, Hon-do, and Marathon will be transferred to the new regional agency service center at San Antonio. A seasonal agency will be in Uvalde to handle perishable traffic.

The applications anticipate no change in present train schedules, or in train service.

Thoughts

From The Living Bible
One day as the crowds were gathering, he went up the hillside with his disciples and sat down and taught them there. "Humble men are very fortunate!" he told them, "for the Kingdom of Heaven is given to them. Those who mourn are fortunate! for they shall be comforted. The meek and lowly are fortunate! for the whole wide world belongs to them. "Happy are those who long to be just and good, for they shall be completely satisfied. Happy are the kind and merciful, for they shall be shown mercy."
Matthew 5:1-6

Postal Week' Dates Apr. 29 - May 5

Postmaster J.R. Hodgkins announced plans today for "Postal Week" to be celebrated here April 29 through May 5.

On April 30, the Sanderson Post Office will highlight this observance with activities that dramatize the important roles performed by postal people as they move the mails.

Postmaster General E. T. Klassen said the Postal Week observances are "an appropriate occasion for recognition of the vital responsibilities assigned to the mail service and a valid time to take stock of the changes which must be jointly met by postal people and by the millions of citizens throughout America who depend upon the mail as an essential part of their personal and business lives."

As part of the observance, the Sanderson Post Office will join with the nation's 31,000 other post offices in issuing 10 special stamps honoring postal employees.

The Sanderson Post Office will mark the occasion with special First-Day-Of-Issue observances, simultaneous with similar ceremonies to be held in Washington by Postmaster General E.T. Klassen.

Ten new Postal People stamps will be placed on sale here in conjunction with the local observance.

Local activities planned for Postal People Day and Postal Week include:

The attractive new stamps--the first such comprehensive set specifically honoring postal people--will be on sale at the Post Office. This stamp is issued to honor two-thirds of a million postal people across the nation, including the five Sanderson employees.

Customers attending the "Postal Day Observance" at the local post office April 30 will be given an attractive free souvenir envelope. The souvenir envelopes, to be available in a limited quantity, on a "first come" basis at the post office April 30, will be imprinted "cached."

In addition, the Postmaster said a quantity of cached envelopes will be prepared in advance bearing all 10 Postal People stamps. These "first day covers" as they are known to collectors, will be postmarked by hand with the local post office postmark and will be sold for only the actual charge for the ten stamps, or .80¢, as long as they last.

"As the Postmaster General said in his message, we need the informed understanding, cooperation and support of every citizen. I think we have this to an exceptional degree in Sanderson, and part of the purpose of Postal Week will be to show our appreciation," Postmaster Hodgkins said.

Tax Exempt Vet Benefits Are Told

The Veterans Administration offered helpful tips to recipients of veterans benefits preparing to file federal income tax returns.

A.A. Hunter, Houston VA Regional Office Director, noted that veterans benefits, in general, are exempt from taxation, and need not be reported as income.

An exception is interest on government life insurance dividends left on deposit or credit with VA. Such interest is considered income, Mr. Hunter explained, and therefore should be reported as income.

Dividends and proceeds from G.I. insurance policies are not subject to federal income taxes, but proceeds must be included for federal estate tax purposes.

Officials said other major tax exempt benefits include compensation and pension, G.I. Bill and other educational assistance, subsistence payments to vocational rehabilitation trainees, and grants to severely disabled veterans eligible for homes and cars.

Railroads Promote Highway Safety

The Railroad Transportation Section of the Texas Safety Association and the Women's Transportation Club of Houston are working together to promote a campaign for the safer operation of school buses.

Representatives of the TSA Section of the Women's Transportation Club of Houston presented the Texas Education Agency with enough stickers for every school bus in Texas, at ceremonies in Austin. The stickers, which remind school bus drivers that it is Texas law to stop at all railroad crossings while carrying school children, were accepted by Richard M. Cummins, Director of School Transportation for the Texas Education Agency. TEA is handling distribution of the safety reminders to the school systems of Texas.

The stickers were produced by the Railroad Transportation Section of the Texas Safety Association. All the railroads operating in Texas are represented in the TSA group.

Perry F. Satterwhite, TSA Vice-President for Industry, was on hand for the presentation. Mr. Satterwhite, a former S.P. trainmaster here, is Superintendent of Safety for the Southern Pacific and Cotton Belt Railroads. He stated that the stickers were a part of a continuing campaign on the part of the railroads and railroad workers to reduce the number of grade crossings accidents.

"The recent school bus tragedies have made us even more aware of the great loss we all suffer when a school bus is involved in an accident," Satterwhite said, "and it is our aim through this effort to significantly reduce the number of accidents at grade crossing sites."

"We hope that these stickers will remind school bus drivers to come to a full stop at crossings and to look up and down the track before proceeding safely," Satterwhite added.

Medicare Terms Are Changed

Medicare patients will now be expected to pay the first \$72, instead of \$68, of inpatient hospital charges. This amount applies to hospital stays of from one to 60 days, that began January 1, 1973, or later, according to H.P. Thomas, Social Security District Manager in Odessa.

"This increase of \$4.00 was due to the rising cost of medical care" stated Thomas.

Medicare patients will also be responsible for a coinsurance amount of \$18 per day for the 61st through the 90th day of inpatient hospital care received during a benefit period. Thomas explained that a benefit period begins "the first day a Medicare patient receives covered inpatient hospital services and ends after the patient has been out of a hospital or extended care facility for 60 consecutive days.

He added that each Medicare patient is entitled to 60 lifetime reserve days which can be used after the first 90 days of hospital care. The patient is now responsible for a coinsurance amount of \$36 per day, when using these lifetime reserve days. The 21st through the 100th day of each stay in an extended care facility has a coinsurance amount of \$9 which is to be paid by the patient. This deductible was formerly \$8.50 per day.

Details concerning these and other recent changes in Medicare can be obtained from your social security office.

Mrs. Gregoria Lopez is visiting here until after Easter with her daughter, Mrs. Raul Flores, and family and with other relatives. She will return to San Antonio and make her home with her son, Jose Lopez, and wife.

Selective Service Changes Noted

The reorganization of the Selective Service System announced by Col. Melvin N. Glantz, State Director of Selective Service for Texas, will have an effect on the local draft boards in West Texas.

The number of local board offices in Texas will be reduced from 107 to 53 by the end of 1973. In West Texas there will be 10 offices where previously there were 16. Prior to the present reorganization, the local board in Eastland was moved to Abilene and the local board in Van Horn was moved to Pecos. Under the present reorganization, the local boards in Anson and Coleman will also be moved to Abilene. Other local board moves in West Texas will be Jayton to Sweetwater, Lamesa to Big Spring, McCamey to Midland, and the boards in Brady and Sonora to San Angelo. Selective Service System Area Offices in West Texas will be located in El Paso, Alpine, Pecos, Del Rio, Odessa, Midland, Big Spring, San Angelo, Sweetwater and Abilene. All of the moves will be completed by the end of the year.

The local draft boards in West Texas will continue to function as they have previously with each serving the same counties. Under the standby draft situation, local boards will probably meet quarterly rather than monthly. Board meetings will continue to be conducted in the same town where the board has previously met. On occasion, the board members may be called to special meetings at the office sites.

Announcing the reorganization throughout Texas, Col. Glantz stressed that the local boards themselves will not move, only the employees and records.

There will be a reduction in force of Selective Service employees throughout Texas from the present 342 employees to 193 full time and 27 part time employees. The reduction in force will affect the area offices in West Texas whether or not a move is part of the reorganization.

Col. Glantz reminded the young men of Texas of their obligation under Federal law to register with Selective Service within 30 days before or 30 days after their 18th birthday and any young man who is late in registering is urged to do so immediately to avoid the penalty of Federal law for failure to register. Selective Service maintains registrars in each county in West Texas allowing young men to register without having to go to one of the local board offices.

Any questions about Selective Service requirements should be directed to one of the employees at a local board office.

Col. Glantz told newsmen that there are no plans to draft any young men this year. Glantz noted that the Selective Service would continue to function in a standby basis with fewer people working in fewer offices throughout the entire nation. The agency is being kept "alive" in a standby status to meet any national emergency that may require a military mobilization. If the all-volunteer military concept being attempted by President Nixon does not maintain the necessary strength set by Congress, the Selective Service System may again be required to begin drafting young men.

If you're a knowledgeable homemaker on a budget, you're having a tough time these days balancing protein intake with dollar outgo. Trying to replace high-priced meats with lower-cost alternatives that provide needed protein can be a real challenge.

This past winter the price of loin steaks and chops of beef, pork, lamb and veal soared to new highs. Even the less expensive hamburger, beef liver, chicken and turkey were not exactly cheap, although they were classed as best buys by the U.S. Department of Agriculture.

When you need to replace meats with alternates you can use more eggs, dry beans, peas, peanut butter and cheese. They provide protein, B-vitamins and minerals, but you have to serve larger amounts to provide protein equal to that of meat.

For example, a 3-ounce serving of cooked lean meat, fish or fowl will provide at least 20 grams of protein. That is about one-third the recommended allowance for a 20-year old man. Equivalents are at least a cup of cooked or canned dry beans, a can of bean soup, 4 1/2 tablespoons of peanut butter, 3 ounces of American process cheese, or three eggs.

Larger amounts of some meats and meat products also are required to provide 20 grams of protein. It takes 10 slices of bacon, 1/2 pound of sausage, 3 1/2 franks, and six 1-ounce slices of bologna to provide this amount.

There may be times when the quantity of bacon or bologna that provides the 20 grams costs more than the amount of beef rib roast or round steak needed to equal the same amount of protein. So, you see, some foods may not be the protein bargain they may seem, although ordinary servings may be less expensive.
