THE SANDERSON TIMES

VOLUME 64, NUMBER 49

SANDERSON, TERRELL COUNTY, TEXAS 79848

NOVEMBER 28, 1974

It Depends on How You Look At It!

For some reason or another, the full impact of the front page picture of Ernest Miller and "Black Jack" didn't hit until we saw the picture in print Thursday morning. It seems that some things are just gone forever!

Is that a sign of old age, or is it a truth?

We know, because we have heard some of the tales of donkey experiences of boys that grew up in Sanderson, that some of the experiences were similar to ones shared by us in our youthful years.

In the 10-13-year-old days, when we were living in Big Lake, we had ponies, horses, and calves to ride, but for some reason or other, no one had a donkey! It was difficult in the early 30s to keep a pony or horse fat enough to be ridden much - living in town and having to "stake out" the mount every day in some vacant lot where he could find some grazing. We raked up many tow-sacks full of mesquite beans to feed our mounts and had to be careful to not let them eat too many beans for some reason or another that we have long since forgotten. One family nearby had an old grey horse that was so poor that the rider was forced - for his own comfort - to use at least three tow-sacks for padding, and the rider could finally persuade him into a trot with enough kicking, clicking, and switching. But the sharpness of his backbone always made you sorry you had thus persuaded him. There were very few saddles for the "town" horses or ponies.

Then in the 13-16-year-old days, when we were in Marfa, we don't remember any "town" horses. Donkeys were the mode there. Very few of the boys owned donkeys, it was cheaper to rent them. You could buy one for a quarter or rent one for 50¢ a week, and on the "ride as you rent" program, you took the donkey back to the owner every night for him to feed. There was one "remuda" owner that kept his donkeys rented out quite regularly.

Certainly, one could range farther and faster on a pony or horse, but there was always the competition of who had the fastest, the smartest, the prettiest, or "somethingest" horse, and that competition ceased when everyone was riding a donkey. Even the best of those was not much to brag about in our circle of donkey-riders. "Patience" was the name of every donkey in our bunch - when we were feeling most sympathetic, but we did have some other names for them, too! The "rich kids" who were able to rent a donkey for 50¢ and also get another 15¢ for a box of .22-snorts, would be able to shoot while on the donkey, carry

PILGRIM'S PROGRESS JUST BEGINNING

THANKSGIVING DAY, 1974

This Thanksgiving we can be grateful for the strength of our institutions, public and private, which have achieved so much in a few centuries and which have put a bright future for coming centuries within our grasp.

Wars, we pray, are behind us; the geographical frontiers have disappeared. Now we are searching for solutions to economic difficulties which are troublesome, but certainly not insurmountable.

It is very much in the tradition of the Pilgrims that our nation has been built on the principles of individual liberty and competitive enterprise. Our leaders, including the Administration, the new Congress, businessmen, and heads of labor unions, should be giving thanks for the wisdom of our forefathers which preserved these principles and gave us a sound basis for planning the future. Today's problems, while serious, can be solved without resorting to war or economic catastrophe.

For this we can give thanks sincerely and without reservation.

Eaglettes Begin Cage Season

The Sanderson Eaglette basketball girls opened the season Tuesday night of last week in Comstock and won the A-team game 45-30. The team is coached by Jack Cosby.

Elaine Brown scored 18 points to lead the offense, with Bryanann Stavley and JoAnn Hagelgans each scoring 12 points. Gay TenEyck had 2 points, and Alice Montalvo 1. Tammy Moses is the other forward and all six saw some action. The guards were Yolanda Rodriguez, Vonda Wallace, Linda Hagelgans, Janet Harrell, Cynthia Allison, and Patti Hope.

The Eaglettes went to Balmorhea Thursday night and lost 23-28. Bryananne led the scoring with 8, JoAnn had 7, Elaine 6, Gaye 2. Guards in the game were Vonda, Linda, and Janet. The widest margin between the two teams was at the end of the first period with Sanderson leading 8-4.

In the Comstock game, Sanderson miscues gave the opponents 17 free-throws, and

Eagles Close Grid Season Last Friday With Bi-District Loss To Bronte 32-0

The Sanderson Eagles lost their first post-season football game to the Bronte Longhorns by a score of 32-0. The district title for the Eagle was their first since 1952, and came in their first year in Class B football, their classification at the time of their former title. The game was played in Ozona before a large crowd of fans from the competing teams.

Injuries to the Eagles' starter halfback Carlos Munoz, early in the first period seriously hampered the offensive cause of the Sanderson team. Munoz had a hurt shoulder from the game with Dell City last week and a re-injury Friday night kept him side-lined during almost all of the bi-district title. Munoz also usually worked in the backfield on defense. Ken dall Billings, starter back, also was out of the game for some time with injuries.

The Bronte line was able to work effectively in preventing Quarterback Marvin Davis from executing passing plays effectively, reflected in the number of incompletes and intercepted passes.

Sanderson's defensive effort held the Bronte team to six points during the first half, and contained their strong offensive effort in the third period to seven points, but ran out of reserve strength during the final period when Bronte scored 19 points.

The statistics were heavily in

favor of the Bronte Longhorns, even though there was a more even game on the field from the standpoint of the spectator. Sanderson turned the ball over seven times on punts, lost one fumble, and had three passes intercepted. Bronte punted three times, lost one fumble, and had only one pass intercepted.

The Eagle pass defense was perfect in holding Bronte to no pass completions of six efforts. Sanderson completed only two of nine passes, but wound up with a minus figure in that department.

Bronte led first downs 16-6; yards rushing 312-56. They also led in penalties - six for 40 yards. Sanderson's penalties were two for 30 yards.

The home to the right, looking past the ladder, was the John Trotter home, later a store owned by the Block Y ranch, a J.M. Bassett enterprise. The home was occupied by Mr. and Mrs. Raymond Farley in later years and was the post office at Dryden before that facility was moved to its present location. Ernest Miller sent us the picture.

jackrabbits if they killed one, ride backwards, sideways, or however they wanted to on the donkey - an accomplishment not always possible on ponies or horses.

We know that much company with the "run of the mill" donkey didn't do much to make a person feel more kind to dumb animals, but there were some benefits to donkey company: it helped us to be able to tolerate and even admire people whose stubbornness and slowness of pace sometimes seems to equal or surpass that of the donkey, and yet, they, too, are often possessed with extreme patience that's demonstrated by putting up with us!

And maybe in some other inspired moment, we may tell of the experiences - or some of them - that come to donkey riders!

We feel that we would have missed something had we not known the stubbornness and patience of a donkey, but maybe even with donkeys it depends on how you look at it!

Cage Tournev Set For Dec. 5-7 Here

Sanderson High School will host a basketball tournament December 5, 6, and 7 for boys' and girls' teams of this area. There will be eight teams in each division participating in the tournament.

The girls' teams will be Ozona, Rankin, Marathon, Comstock, Grandfalls, Ozona B, and Sanderson AGB.

Boys' teams will be Fabens, Grandfalls, Wink, Comstock, Ozona B, Fort Davis, and Sanderson AGB.

The first game will begin at 10:30 a.m. Thursday and the final game is scheduled for 8:00 p.m. Saturday.

Mr. and Mrs. Worth Odom, former residents of Terrell County, now residing in San Angelo, visited with friends Thursday of last week. Mr. Odom, who had heart surgery several months ago, stated that he was feeling much better and is gaining strength steadily.

Benny Rubio Buried Last Wednesday

Requiem mass was said at 2:00 p.m. Wednesday of last week at St. James Catholic Church in Sanderson for Trinidad Rubio Jr., who was murdered in San Antonio the morning of November 18. Rev. Nicolas Femenia of San Antonio, a former priest of St. James' Church, was in charge of the services and he was assisted by Rev. John Pierce, the local priest. Burial in Santa Rita Cemetery followed with arrangements made by Don's Funeral Chapels of Del Rio.

Pallbearers were Andrew Marquez Jr., of Del Rio, Billy Garza, Pepe Flores, and Mario Hernandez, all of San Antonio, Joe Esquibel of Odessa, and Robert Maldonado of Monahans.

Survivors include his wife, Mrs. Yolanda Calzada Rubio, two sons, Javier and Rene, and

a daughter, Sheryl; a brother, Rolando Vianes, and a sister, Rhonda Vianes, both of Monahans; and another sister, Mrs. Silvia Fuentes, of Alamogordo N.M.; his mother, Delfina M. Vianes, and his step-father, Sylvestre Vianes, both of Monahans; his grandparents, Mr. and Mrs. Jose Maldonado, who reared him.

A 22-year-old San Antonio man, Jesse Martinez Lira, was charged with murder in the knifing death of Rubio, a milkman who was attacked while making his deliveries Monday in that city. Lira was placed in the Bexar County jail and that night he hanged himself in his cell, according to information from San Antonio.

"Benny" Rubio, 30, died of multiple stab wounds to the throat and chest.

Police reports said that Rubio had gone to a house to ask for an order. While he was standing on the porch, a stranger who had been leaning against a nearby telephone pole, walked up to them and after pulling a knife, attacked Rubio. The fight, which started on the porch, continued into the house and out the kitchen door where Rubio threw garbage cans at Lira trying to defend himself while being attacked. The struggle continued for half a block down the street and back, the reports said. Lira lost the knife in the struggle and Rubio tried to make his way back to the milk truck, but collapsed be-

fore reaching it. Lira ran back into the house and after getting a butcher knife, continued to stab Rubio, who lay unconscious.

Lira was arrested at the scene.

Rubio's body was taken to Don's Funeral Chapels in Del Rio and brought to Sanderson Tuesday night, November 19, where it lay in state at 208 East Pine until services the next day at the church.

WEBELOS MEET MONDAY

The local Webelo Scout troop met Monday at the Scout House. Most of the meeting time was used in "tent care" instructions and wet weather use.

Chris Hagelstein is the leader.

FORMER RESIDENT DIES

Mrs. Beverly Franklin Montgomery, 62, of El Paso died in that city on Monday, November 18. Graveside services and burial in Ft. Bliss National Cemetery with military honors were last Friday.

Mrs. Montgomery was the daughter of the late Mr. and Mrs. Pancho Franklin former Sanderson residents when he was a S.P. conductor. She had resided in El Paso for 35 years. Besides her husband, she is survived by a son and two daughters and a brother, Roger Franklin of El Paso.

Visitors with Mrs. W.J. Ferguson Jr. and her mother, Mrs. Burk Rose, Friday were Mrs. Ferguson's daughter, Mrs. Tom Smith of Del Rio, and her daughter, Mrs. Guy Harrell, and son, Troy, of San Antonio.

Charter Members of Culture Club honored
Mrs. W.H. Savage Mrs. A.D. Brown

In observation of "Federalization Day" the Culture Club had a guest tea Thursday afternoon in the Legion Hall. The club, organized in 1927, has been federated for almost 40 years.

The only two living charter members of the club, Mrs. A. D. Brown and Mrs. W.H. Savage, were honored.

During a brief business meeting, reports were made on the recent bloodmobile visit when there were 27 donors and also of the outstanding program on alcoholism in the high school auditorium last Tuesday afternoon which was given by Shelby Parnell, alcoholism outreach coordinator of the Big Spring hospital.

Leaflets concerning the Equal Rights Amendment were distributed by Mrs. Graham Childress and letters will be sent to senators asking their support in the rescinding of the amendment.

The devotional on the Thanksgiving theme by Mrs. E.E. Harkins Jr. opened the meeting. "America, the Beautiful" was sung by the audience. Mrs. C.B. Card presented the honored guests and a corsage of peppermint carnations was pinned on Mrs. Savage by Mrs. N.M. Mitchell Jr. and on Mrs. Brown by her daughter, Mrs. E.J. Foley, of Alpine.

The history of the club was presented in a very unique way, an original two-act skit, written by Mrs. E.E. Farley and Mrs. David Marx, who depicted Mrs. Brown and Mrs. Savage, with the scene in Mrs. Brown's living room as a committee met to review their progress in writing a history of the club for the Texas Historical Survey Committee. Several past members and past presidents in the audience were telephoned by the committee to provide bits of historical information.

Refreshments were served from a table laid in a cutwork cloth and centered with an arrangement of fruit, nuts, and flowers in a huge piece of beautiful driftwood. Finger sandwiches, canapes, olives, pickles, apple and pumpkin tarts, and nuts, were served with Mrs. W.W. Sudduth presiding at the silver tea and coffee service.

On the committee planning the tea were Mmes. Childress, G.K. Mitchell, H.E. Ezelle, Mary Cox, and Farley.

Other members attending were Mmes. C.F. Cox, N.M. Mitchell, Monty Harkins, L.H. Gilbreath, and J.N. Brown.

The guests included Mmes. D.L. Duke, Ervin Grigsby, J.C. Halbert, Mark Duncan, T.H. Earle, E.F. Pierson, Herbert Brown, W.H. Grigsby, R.A.

♠ Tuesday Bridge Club

The Tuesday Bridge Club was entertained in the home of Mrs. J.A. Gilbreath last week.

High score in the card games was held by Mrs. James Caroline, who shared slam with Mrs. Carlton White and Mrs. W.A. Banner was second high.

Also present were Mmes. R. S. Wilkinson, James Kerr, Jack Riggs, Weldon Cox, David Marx, Diane Andrews, F.J. Barrett, Tol Murrah, and Austin Nance.

Fruit salad, cake, tea, and coffee were served for refreshments.

RANCH CLUB'S PARTY PLANS ARE CHANGED

The plans for the annual Christmas party for the Ranch Home Demonstration Club have been changed. The party will be in the home of the president, Mrs. H.E. Ezelle, Tuesday beginning at 10:30 a. m. She will provide turkey and dressing for the dinner and the members are requested to bring covered dishes. They will also bring a gift and a "white elephant" gift.

Historical Group Hear Talk on 'Insulators' Nov. 18

The Terrell County Historical Survey Committee met for the final meeting of the year in the library building Monday evening last week.

Mrs. W.H. Grigsby called the meeting to order, and Mrs. L.G. Hinkle introduced the speaker for the evening, Mrs. Vernon Keyes, who spoke on "Insulators". She was assisted by Mrs. H.G. Cates and they displayed a large number of insulators, ranging from the very old and rare, to the newest insulator. Mrs. Clyde Higgins also showed some insulators from her collection. Mrs. Keyes stated that before 1844, insulators were blocks of wood and felt and later inverted cups of glass were used. In 1851, the "rams' horn" insulator was patented, and one of this type was shown. The earliest glass insulators were "cemented" and not threaded as the first glass-threaded insulator was patented by Caubert in 1865. An example of this type was shown and was marked "California Electric Works, Nov. 13, 1883-Feb. 12, 1884." Mrs. Keyes showed cable, power, telephone, mine, and house insulators, as well as insulators from Alaska, Japan, and Switzerland. Included also were blue, green, lavender, and white milk glass insulators, as well as brown ceramic and one called "adobe", which is used in West Texas, Arizona, and Mexico.

During the business meeting a financial report was given showing the expenditures for 1973 and 1974 years, and a budget for 1975 was approved. Both of these will be presented to the Terrell County Commissioners' Court for their information and approval.

Mrs. U.C. Keyes Is W.M.U. Hostess

The Baptist W.M.U. met last Tuesday morning in the home of Mrs. V.E. Keyes for the Royal Service program. In the absence of the president, Mrs. H. H. Pipes, Mrs. Keyes, vice-president, was in charge and led the opening prayer.

Mrs. H.G. Cates read Mark 7:1-13 and the names of the missionaries on the birthday calendar.

Mrs. F.H. Prano presented the program on "Student Ministries in Columbia".

During the social hour, refreshments of finger sandwiches on a variety of breads, olives, pineapple-cocoanut cake, candy, tea, and coffee were served. The decorations were in the Thanksgiving motif.

Also present were Mmes. A. N. Farley, G.H. Carter, A.D. Brown, R.F. Kuethe, O.D. Gray, and Paul Tatum.

The W.M.U. is observing Lottie Moon Week of Prayer this week.

Fort Stockton visitors Friday were Mmes. Weldon Cox, C.L. Surratt, Hattie Young, L.H. Gilbreath, Ben Martin, K.H. Stutes, J.D. Stutes.

Mr. and Mrs. Elmer Knodler, of Springfield, Or., were visitors this week with their niece, Mr. and Mrs. F.D. Fisher, and family.

Mrs. Roland Vicknair of Marro, La., arrived Tuesday for a visit with her son-in-law and daughter, Mr. and Mrs. Ruby Bramlett.

Mrs. Seth Davenport of Uvalde and her mother, Mrs. J.D. Nichols, were overnight visitors Saturday with Mrs. Jim Kerr.

AUSTIN—Legislative Budget Board heard warnings that spending demands and cost of school finance formula revision are fast eating up an anticipated \$1.4 billion surplus.

Lt. Gov. Bill Hobby said talk of tax cuts is "premature" until the board completes its spending recommendations next month.

LBB aides echoed earlier words of caution that spending all the fat surplus in sight would mean a record tax bill of \$1.5 billion in 1977.

They also calculated that state government agencies already have requested more than \$1.7 billion in increased general revenue appropriations for the coming fiscal period. That is 80.3 per cent over the current level—and \$300 million more than the anticipated surplus at the end of the next biennium.

Cost of overhauling the school finance formula—priority goal of the 1975 Legislature—was estimated at from \$570 million to \$873 million during 1976-77.

LBB figured it has recommended \$362 million in general revenue increases for the agencies. More agencies will have their appropriations requests reviewed and acted on December 9.

The Mental Health and Mental Retardation Department would receive under Board recommendations \$68.4 million in general revenue—an increase of \$227.3 million, but far short of the \$913.6 million requested.

Recommendations of the budget board will go to the legislature when it convenes next January to write the 1976-77 appropriations act and perform other biennial lawmaking assignments.

WIDE OPEN ALLOWABLE—For the 33rd consecutive month, the Railroad Commission ordered a 100 per cent statewide oil allowable in December.

Major purchasers of crude oil wanted slightly more than four million barrels a day produced. This is a slight decrease, of 28,912 barrels, from November.

Most purchasers asked for the same amount. One asked a substantial increase, and another decreased its nomination to buy slightly.

LIQUOR BOARD HEAD QUILTS—O. N. "Newt" Humphreys resigned under fire as administrator of the Alcoholic Beverage Commission.

Hired in 1968 in a general cleanup move, Humphrey said he was quitting because a second member of the three-man ABC had asked him to step aside.

R. L. Thornton Jr. of Dallas had been after Humphrey's scalp since last May. Joe Burkett of Kerrville last week came over to Thornton's point of view, at least in part.

Humphrey shocked a House Liquor Regulation Sub-Committee by announcing his move at a meeting of the group immediately after a brief closed-door ABC meeting. He indicated he was caught in a cross-fire between Thornton and Burkett over whether or not to fire some of his employees.

COURTS SPEAK—The Supreme Court took under advisement lengthy arguments over whether the Railroad Commission has power to apportion natural gas among areas in accord with supplies and needs.

A Lower Colorado River Authority \$11 million contract suit against Coastal States Gas Producing Company has been transferred from Brenham to Bryan.

The Court of Criminal Appeals reversed a life sentence ordered for a Harris County man convicted of slaying three, and ordered a new trial.

Another sentence—35 years for sale of heroin—was reversed by the same court on grounds of hearsay notations on the evidence submission envelope.

AG OPINIONS—A county mental health and mental retardation authority must post notice of meetings on a public bulletin board in the courthouse under the open meetings law.

In other recent opinions, Hill concluded:

- When no fees are set by the legislature, district clerks can charge a reasonable fee for their services.

- There is no necessary legal incompatibility between the dual employment of independent school district tax assessor-collector and city commissioner, although such a conflict is conceivable depending on facts in each case. (Hill declined to pass definite judgment).

- A prison inmate on emergency reprieve is subject to Department of Correction rules and regulations and custody precautions.

- The Texas Air Control Board, while it has power to establish standards of performance for new stationary sources which have a practical possibility of emitting air contaminants, does not have authority to require permits for construction and operation of indirect sources of contaminants. Neither does it

have authority to enforce federal regulations, although it can adopt and enforce its own, and monitor pollution activities.

- El Paso County can legally use a portion of its federal revenue sharing funds to contract with El Paso Hospital District for mental health and retardation services, public health units and clinics.

- A public employee can be reimbursed for expenses within his designated headquarters while using a public conveyance.

NEW SCHOOL FINANCE PLAN BACKED—The House sub-committee on public school financing endorsed the "weighted-pupil" concept of distributing school aid funds.

The proposal would provide money on the basis of individual student needs within districts.

The panel also approved determining state finance assistance in proportion to full market value of property in each school district.

It made no recommendation on what salaries teachers should be paid.

Portions of six different plans for school finance revision were reviewed and borrowed from.

APPOINTMENTS—Judge T. Gilbert Sharpe of Brownsville has been named by Texas Water Rights Commission to act as conservator for Duval County Conservation and Reclamation District.

Dr. Robert A. Montgomery and John R. Guemple will be new assistant deputy state commissioners of education. Charles Nix, Dr. Severo Gomez and Dr. J. B. Morgan are associate commissioners. Dr. L. Harlan Ford will be deputy commissioner for educational program and personnel development and Alton Bowen deputy commissioner for administrative services.

Rain Last Saturday, Heavy Frost Monday

About 1/2-inch of rain fell on Saturday night early, and heavy frost Monday morning let local residents know that winter was here, even if unofficially.

The shower seemed to come from the northwest and lasted for several hours in the light-falling precipitation. Rainfall was reported to the north of Sanderson, but no recorded amounts were given.

Ervin Grigsby, keeper of official records for the U.S. Weather Bureau, stated that the thermometer was down to just below 28 degrees Monday morning. A heavy frost was on the countryside.

FILM SUNDAY EVENING AT BAPTIST CHURCH

Sunday evening at 6:30, there will be a film shown at the First Baptist Church. The story of Christ's earthly ministry will be revealed in a 63-minute moving picture featuring Johnny Cash and June Carter.

Everyone is invited to see the film.

A note received from the Tom Carruths - she was Janell Littleton - reflects pride for the football team of which their son, Richard, is a member, and for their son, who is a half-back for the China Spring Cougars. The Carruths reside in Waco and the Cougars have a 9-1 record this year going into the bi-district play-off against Aledo last Friday in Cleburne. Carruth was an end last year.
