RHS Nabs Two More Regional Awards

After nabbing the regional title in football when they put down the state's No. 1 ranked team, Red Devil athletes at RHS picked up two more regional trophies last week when they won the golf championship and the track meet at Lubbock. It was the second in a row regional title for the golfers and the third in a row for the track team.

(See "Portrait of a Winner" on inside pages for golf results)

In the track meet, Rankin outclassed a good field with 66 points to 44 for second-place Memphis who marked a 44-point

team total. In winning the regional crown, the Maroon and White qualified four individuals and a fine mile relay team for the state finals that will be held in Austin next week.

Jimmy Mathews will be entered in two individual events as he tests the state's best in the long jump—he had a 23.3½ mark at Lubbock—and in the 120 high hurdles where he ran a nifty 14.6.

Greg Copeland will return again to state in his specialty, the 880. His time was 1:59.3. Brother Curtis Copeland earned a shot at the state crown when he high jumped 6-2, 2nd in regional.

For the mile relay team, running in the verlaating West Texas wind, it was one of their best efforts of the year at 3:24.6. Mile relayers are G. Copeland, Mathews, Ernest Black and Brad Winn.

Rankin High Girls Track Team Takes Good Record to Regional

Rankin High Schools Girl Track team will take one of their largest contingents since the program was started some four years ago to regional competition in Level-land Friday and Saturday. They are rated as having an even or better chance of advancing at least some competitors on to the state finals.

Rankin reached the Regionals by qualifying both sprint relay teams and several individuals. Results of the District meet show the Girls 1st in the 440 relay at 51.8 with the team composed of Cathy Johnson, Cheryl Bearden, Teresa Plagens and Sherry Page.

Their 880 relay team was also 1st in a time of 1:49.8 with the same four runners.

In individual events, D'Ann Garlington was 1st in the 880 yard run with a 2:39.5. Page took a 3rd in the event. Johnson was 1st in the broad jump at 16'7";

in the triple jump, 2nd at 33'9" (and qualified for regional); and 1st in the 60 yard dash at 7.8.

Liz Smith ran a 4th in the 80-yard hurdles while the RHS mile relay team did a 4:37.4 for 4th. It was composed of Dena Reams, Melissa Caffey, Plagen, and P. Sobotik. Bearden also posted a 4th in the 100 yard dash. Reams marked a 4th in the 440 dash and Caffy ran 5th.

Rankin High's 1974 Girls Track team has broken five school records and tied one for the season. One of these records was in the 440 relay, set in '72 by Audrey McFadden, Sherry Page, Debbie Winters and Cindy Braden at 52 seconds flat. This year's unit dropped the mark to 51.8.

Also in 1972 Dianne Absher, McFadden, Cathy Johnson and Page marked a 1:55.5 in the 880 and the '74 runners lowered this (Continued to Page 11)

First Baptist Church Schedules Religious Film for Sunday

Rankin First Baptist Church has scheduled on 8 p.m. showing on Sunday, April 28 of the movie, "The Rapture." "We at the First Baptist Church cordially invite you to attend at the viewing of this inspirational opportunity," Rev. J. C. Tankersley, pastor, said today.

David Wilkerson is producer of the film and he has already given the country the best seller and production of "The Cross and the Switchblade." At a time when a number of films are appearing on the return of Christ, "The Rapture" gives an imaginative port-

royal of how a television network might possibly handle this spectacular catching away of millions of Saints with the chaos that would be the result.

"The Rapture", in a very graphic way, reveals the folly of not being ready for the return of Christ whenever it occurs.

HOW CLOSE ARE WE —

Just really how close are we to that state of affairs when we may as well drop all pretense of being a free and Democratic society and start calling ourselves what we are—a socialized state? I don't think I've ever been much of one to push the panic button—in fact, I have gone so far as to admit that Communism would give the appearance of working successfully in some countries; China, for instance.

Call that soft-headedness if you like. I call it facing the facts. I don't like Communism nor socialism—if there's a difference—but I also don't like for the wind to blow when I try to play golf or go fishing; but it does more often than not.

But what of the original question: just how far are we from that date when government, in whatever form and under what-

Yet, what are the signs that are before us? People in the bu-

Are we slowly going to regu- late ourselves into socialism— or have we already done so?

You could go on and on in this vein; but to what point? Few are there who seem to really care much one way or another; at least not until it's too late and they find that they are personally face

Portrait of a Winner . . .

As had been expected, Rankin showed the boys at the Regional Golf Meet, held in Lubbock last Wednesday and Thursday, how to go about defending a state title. You simply shoot better than all other Regional qualifiers. And the Red Devils of Coach Dwayne Turner did just that—despite adverse weather and a “bug” that hit members of the team.

Winning with a comfortable 14 shot margin, the RHS shot makers now advance to the state finals which will be held in Austin the first week-end in May. There they will be facing three other Regional champion teams.

On Wednesday, the first day of the Regional Meet, Rankin golf-

ers jumped out to a 10 stroke cushion and more or less coasted on in for the win on Thursday. However, also as had been expected, a good Iraan team made a run at them on the last day and the Brave's Ross Wortham captured medalist honors with a 78-70-148 which earned him a trip to the state finals although he will only be eligible to contest for the state medalist title—and he must get by several good Rankin shot makers before he can lay claim to that trophy. Rankin's Gary Varnadore is the state defending medalist and; although hampered somewhat by a wrist injury dur-

ing the basketball season, is still capable of putting together good rounds. Another challenger will be Terry Lester from the Rankin stick men. He was 2nd in Regional for medalist with an 80-71-151.

Other Rankin scores saw Varnadore with a steady 78-76-154, Russell Wimberley with 77-81-158, Clarke Turner at 82-79-161, and Tommy Gray at 86-79-165. Although only the best four scores are used in determining the team total, Rankin showed their strong play in the fact that they could have used any combination of the

Congressman Fisher (right) and the only man he's endorsed in 32 years. Nelson Wolff.

"Nelson Wolff is a man of character and principle. Conservative minded with an urban-rural outlook. I plan to vote for him."

Congressman O.C. Fisher

"Nelson Wolff would make a good Congressman."

But then he should. For the past four years, Nelson Wolff has been in Austin working for his constituents. Learning what the legislative process is all about. Learning how to get things done. How to write a bill, get it through committee and passed. He's an experienced and effective legislator. Congress needs this kind of experience. So do the people of the 21st Congressional District.

"He knows the district."

Nelson Wolff was raised and educated in the 21st District. He works in the district, a citizen-legislator. As a cattle rancher, he knows the needs of the agricultural industry and the necessity to develop these areas. As the owner, along with his father and two younger brothers, of a lumber business. Nelson Wolff knows the city, too. He has an urban-rural outlook.

"He knows how to get things done."

For the first time in 32 years, Congressman O. C. Fisher is endorsing someone for public office. Nelson Wolff. Because Nelson Wolff knows how to get things done. And now, more than ever, we need men with experience and know-how. Congress is no place for a beginner.

Nelson Wolff for Congress

Know-how/where we need it most, when we need it most.

Judge Moore Looks to Second Primary

Judge Allen Moore today predicted he will sweep into the runoff in the 21st District congressional race because he is "the candidate who can identify with the people rather than with big spending, big politics, and big inflation."

"This is one of those races where money seems to be no object," Moore said.

"But I don't believe the people of West Texas and San Antonio are going to put their place in Congress on the block for the highest bidder."

Moore, who lives in Rankin, has been county judge of Upton County for 12 years, and, previously,

served as county auditor. He has waged an intensive person-to-person campaign across the sprawling district, visiting every county and all major communities.

"The people are concerned about money—the handling of their money and the need to get big money out of politics," Moore said.

"They want to get the selection of public officials back in their hands."

Moore said he has been "warmly received" at every stop on his campaign circuit.

"The businessmen, the working man, the housewife, the teacher, the person with a fixed retirement income, and the young people getting a start are all deeply concerned," Moore added.

The judge spent this week campaigning in the Hill Country. He visited Rocksprings, Leakey, Bandera, Camp Wood, Boerne, and Comfort.

Pecan Spraying Time Is At Hand

By Dub Day
County Extension Agent

Now is the time to start your spray program on pecan trees — when the leaves are about one-third grown, which is now.

The following mixture of spray should be applied to pecan trees until it runs off of the leaves.

2 tablespoons of zinc sulfate per gallon of water.

1 tablespoon of Uran or some form of nitrogen

This should be repeated in 10 to 14 days with a second spray.

There seems to be a good set of pecans this year and a little care and water should make for a good crop this fall.

If you have any questions, feel free to call me at my office.

BROWDER LACY

Phillips Employee Gets Cash For Idea

R. R. Browder, left, was recently awarded \$215 for his suggestion recommending an improv-

Under Phillips Petroleum Company's Suggestion Plan, which was started in 1938, employees have proposed and been rewarded for thousands of new ideas for reducing costs and improving processes, equipment and safety throughout the Company's widespread operations.

Bo and his wife, Polly, reside in the Phillips Benedum Camp northeast of Rankin.

TO MY UPTON COUNTY NEIGHBORS

Considering the length of time you have known me, both on a personal basis and as one of your elected officials, I do not feel it necessary to expound to any great extent on my qualifications to be your Representative in Washington from the 21st District.

I think all of you know my deep conviction that we **must** have sound, responsible and responsive policies in our national government and that I will do my best, if elected, to see that such policies and programs are implemented and carried out.

This is my pledge to you and to all the people of the District.

On this basis, I sincerely ask for your support and influence, and especially for your vote on May 4th.

Saturday Services

Held Here For Mrs. Sara Stephenson

Graveside services were held at 3 p.m. Saturday in Rankin Cemetery for Mrs. Sara R. Stephenson, a pioneer of Rankin. She had been in poor health for some time and died April 17 in a Midland Hospital.

Born in Coke County in 1893, she was 81 years old. She and her husband moved to Rankin as one of the town's first residents, arriving here prior to the coming of the railroad.

Mr. Stephenson, who died in 1951, had ranched, worked for the county and as a janitor at First State Bank.

She is survived by a son, Billy Stephenson, recently moved to Iraan, a daughter, Mrs. C. T. Vardy of Kirkland, New Mexico, and two sisters, one being Mrs. Frank Robbins, also a long-time Rankin area resident.
