Cochran County Farm-Home Agents Stress Food Saving and Production

Emergency food program, as outlined by national leaders, now holds number one position among problems related to county agents throughout the nation. Cochran county agents have been instructed to devote large portions of their working time to the strategic world food shortage, the Cochran county home demonstration agent, said Friday.

"The world food crisis is of paramount importance to each individual in Hockley county," the agent pointed out.

Total world production of all food is five per cent below prewar, and the total amount of food available per person is 12 per cent below prewar. Although the United States is now well above prewar production, the agent pointed to Europe, North Africa and Asia, where food production has dropped as much as 25 per cent.

"It is highly essential to stretch and conserve existing food supplies so as to permit greater immediate sharing with starving people abroad. It is likewise essential to meet 1946 farm production goals and to produce abundantly in home gardens, for there is urgent need for all the food that can be produced this year," Secretary of Agriculture Clinton P. Anderson declared.

Suggestions made by the USDA and passed on by Miss Eaton as personal aids to help relieve the food shortage for each county citizen were as follows:

Eat two-fifths less bread in the next four months and one-fifth less fat.

Use potatoes, oatmeal, buckwheat cakes instead of bread. Use other abundant foods.

Keep bread fresh. If it becomes hard, use it for toast, puddings, croquettes, etc.

In preparing and cooking foods, save outer loaves and peelings—save nutrients and flavors.

Make a good eating grade daily. Take on your plate just what you need. Eat it all. Waste none.

Can, dry, freeze, cure, store a good supply of food.

Keep unprofitable birds culled, out of poultry flocks, eat, can, freeze or market them.

Utilize tender green crops as a source of feed for chickens and turkeys to save feed.

For livestock and poultry use feeders that will prevent waste.

Feed and market livestock and poultry according to the feed supplies you have available.

Don't over finish, meat animals.

Market grass fat as many head of livestock as possible.

Finish and market hogs at lighter weights.

Maintain milk production without wasting feed.

Grow good grazing crops, hay and silage crops and grain feed for a year-round supply.

Be one of a million Texans to grow a year-round garden of adequate size to meet family needs.

Take good care of orchards to insure good fruit.

Fight garden, orchard, livestock and poultry insects, parasites, diseases.

Fertilize, cultivate, manage the soil to insure good yields of high quality products.

The Edgars moved from Levelland to Whiteface. They invite community people to pay them a visit and get acquainted while looking over their stock.

Hospital Drive For Membership Now In Progress

The Board of Directors of the Cochran County Cooperative Hospital is elated over the fact that at this time 287 have responded to the membership drive in Cochran County. With this splendid response the Board is going forward with its plans to hold meetings in the hospital trade territory.

At the request of local farmers, meetings have been scheduled in Lingo, New Mexico, April 2; Pettit, Texas, April 3; Pep, Texas, April 4; County Line Church, April 5; Enochs, April 8; and Causey, New Mexico, April 9.

Although memberships will be accepted at any time from now until the hospital is opened, the Board of Directors request that those who plan to become members of the Cochran County Cooperative Hospital do so during this membership drive.

J. L. Winder In Race For County Judge's Office

In his announcement as candidate for county judge, J. L. Winder says: "I served as your county judge when the county was a financial corpse and during my term of office I brought the finances up to a respectable basis.

Now the valuations have increased to where the county is financially alive, therefore I would like to serve you again.

I have been in the county for twenty-two years and anyone wishing to know of my ability and character may ask any old settler. My records as a county official are open to inspection.

I have been solicited by a number of friends to make this race and I intend to depend on my new and old friends for success. My platform is: to do the right thing by Cochran County and its institutions, if I don't hold office six weeks; if elected."

School Trustees To Be Elected

The election for trustees of Morton Independent School District will be held Saturday, April 6 in the new High School Building. Three places are to be filled. Nine names are on the ballot.

Every voter is urged to vote.

Those on the ballot are: B. R. Deaver, George Igo, Raymond Ross, Tom McAlister, Gilbert Eubanks, James St. Clair, Brad Stovall, Floyd Grimsley, Tom Morgan, and L. B. Bass.

RESIGNS

Bob Scott, who has been connected with the mechanical department of the Tribune for the past several years, has resigned.

Mrs. H. S. Hawkins visited her daughter, Mrs. W. W. Wright in Lamesa last week-end.

South Plains Army Air Field To Hold Open House For Visitors

South Plains Army Air Field will hold open house for visitors Saturday April 6 from 11:00 a. m. until 5:00 p. m.

In observance of Army Day, an annual national event, the gates will be open to all comers and several items of army equipment will be on display. Tentative plans have been arranged for a full day of entertainment in connection with a recruiting drive for the Regular Army.

First event of importance will be a parade which will form at 11:00 a. m. in front of the city hall on Texas Avenue. The procession will pass through the business section and will go west on Broadway as far as College Avenue.

A police escort will head the parade which includes 20 units. Among the units will be military vehicles and aircraft. Major Walter F. Smith of the Texas State Guard is in charge of arrangements for the parade.

Following the parade the vehicles will proceed to SPAAF where several exhibits of interest will be displayed. Army planes including the following: C-54, C-46, B-17, B-25 and AT-6's will be on the line and subject to personal inspection by all visitors.

There will also be a display of aircraft engines, rescue and flying equipment and several types of army motor vehicles. Of interest also, will be an exhibit of radar equipment and the Norden bomb sight.

In connection with the army exhibit there will also be a display of 1946 model aircraft used by the Civil Air Patrol and a demonstration by the Texas State Guard.

For the benefit of visitors who desire refreshments several hot dog and cold drink stands will be set up throughout the area.

There will be no difficulty in securing transportation to and from the air field. Commercial transportation will leave from the military bus station next to the Lubbock Hotel every hour on the half hour and will run between the hours of 11:30 a. m. until 4:30 p. m. Army Officials have also arranged a parking area for all civilian vehicles.

Several booths will be set up to promote interest in the Regular Army Representatives from the army recruiting office will be on hand and will give information to anyone desiring to ask questions.

Guides will conduct visitors through all the exhibits and will explain operation of major displays.

Friday night the boys of Levelland high school will come to Morton for a series of boxing matches.

The two schools will get together again this coming Friday night, April 5, at the high school gymnasium. This event promises to be a highly interesting affair, as the Morton lads are out to win this tournament from Levelland.

Chamber of Commerce Meeting Dates Now On 4th Monday Nights

At their regular meeting last Thursday night the Morton Chamber of Commerce decided to change their meeting date to the 4th Monday night in each month, this was done in consideration of other organizations meeting regularly on Thursday night.

The Chamber of Commerce, through extensive correspondence with Congressman George Mahon, got action on the proposed sale of Government owned land in the Lehman district, to returned servicemen, this bill has been passed by the house and it is expected the Senate will concur with the action of the House.

C. of C. officials and members have been keenly interested in helping the Maple community secure telephone service appointing Glenn Thompson as chairman of a committee to investigate the possibilities of such a service. Mr. Thompson gave this report: "The telephone officials contacted tell us it is impossible at this time to install a complete rural telephone service to Maple, but it is possible that a toll system may be established, thereby giving Maple telephone contact with Morton."

Because of increasing interest in farm problems it was suggested that more farmers should be invited and encouraged to attend these meetings.

No date has been decided upon for the Annual Chamber of Commerce Banquet, but one will be given and announcement made at a later date.

Levelland Boys Invade Morton Friday Night

Friday night the boys of Levelland high school will come to Morton for a series of boxing matches.

The two schools will get together again this coming Friday night, April 5, at the high school gymnasium. This event promises to be a highly interesting affair, as the Morton lads are out to win this tournament from Levelland.

Sundown Band Festival To Feature Panama Musician, Guest Conductor

Major ED CHENETTE

H. P. Arnold Is Elected Mayor

In the City Election held Tuesday, April 2, H. P. Arnold carried the election for Mayor with a majority of votes, 62. While F. F. Roberts, a write in, was runner up with 19 votes, Tom Morgan incumbent received 9 write in votes and Scott Hawkins one vote.

For City Commissioners: T. L. McAlister, 82 votes and Louis Smith, 80 votes. These two had announced as candidates and although there were eight write ins McAlister and Smith swept the election.

There were 92 votes cast in the election Tuesday with the following write ins for City Commissioners: L. E. Huggins 1, James St. Clair 2, P. B. Ramby 8, L. F. Hargrove 1, Scott Hawkins 1, Alton C. Burelson 1, Felix Roberts 1, Tom Morgan 1.

New Minister For Morton Arrives

Reverend Arthur Kendall arrived in Morton Wednesday to assume the duties of minister at the First Methodist Church. He comes from Amarillo where he had been associated the past five weeks with the new organization of Trinity Methodist Church.

Mr. Kendall completed his terminal leave on March 10, after serving 38 months as chaplain with 15th Air Corps, six of which were spent in foreign service.

Previous to his entrance into service Mr. Kendall was Pastor of First Methodist Church in Stanton, Texas. He studied for the ministry at Southern Methodist University, Dallas, and has a B. A. degree from McMurry College, Abilene.

Mr. Kendall is married and has a ten year old daughter, Barbara Jo. Mrs. Kendall is the former Lida Martin, daughter of the late Mr. W. W. Martin and Mrs. W. W. Martin of Abilene, who were pioneers of Abilene and West Texas.

While in the army Captain Kendall was sent to Harvard University for a special course of study.

VFW Auxiliary Elect Officers At Courthouse Meet

The Veteran of Foreign Wars Auxiliary held their regular meeting Thursday night in the Court House with eleven members present. Officers for the year were elected and appointed as follows:

President: Fay Glaser; Senior Vice President: Minnie Childs; Junior Vice President and Reporter: Bertha Walden; Chaplain: Mildred Allsup; Conductress: Beatrice Pharr; Patriotic Instructor: Reba Waddell; Guard: Jamesie Coffman; Secretary: Mozelle Reynolds; Treasurer: Nellie Merle Passmore; Trustees: Willie Rose, Cleo Brooks and Eva Tubbs; Color Bearers: Connie Coffman, Jeanne Lively, Lela Mae Houghton and Ruth Burns.

Steaming coffee and tasty donuts were enjoyed by all the members along with the VFW's at the Crockett Cafe.

All wives, mothers, and sisters of overseas veterans are eligible and are cordially invited to join. We feel sure you will enjoy it. Be present Thursday night at 8 o'clock p. m. April 11, 1946 on the third floor of the Court House.

WATER WELL CONTRACT LET

The City Commission has let a contract to C. B. Williams to build a new water well and storage tank of 115,000 gallons capacity, this will bring the total water storage at all times for Morton up to 165,000 gallons.

Major Ed Chenette of Pampa, widely-known band director composer and arranger, will be guest conductor at the Sundown Band festival on April 18. School bands from Whiteface, Levelland, Morton, Brownfield, Plains and Sundown will take part in the festival.

Sundown bandsters and their director, J. E. Shortt, will be hosts to the visiting musicians. Members of the Band Booster group and the Sundown Lions club will furnish entertainment for the players.

Marching of the bands will be in parade, and in the evening each band will march on the football field. Individual performances will be presented by each of the six bands, and a mass concert will be directed by Major Chenette.

No contest prizes will be awarded, nor will ratings be given to bands in the event. Director Shortt said Major Chenette will offer criticism and constructive suggestions, which should result in worthwhile experience for the participating bands, he added.

Since 1923, the Pampa musician has served as judge for national and state bands.

Major Chenette has directed bands for fairs, amusement resorts and chataquas. He also conducted the 211th battalion band with the Canadian Expeditionary forces, in addition to his work with high school and college bands.

His American college degree has been augmented by a diploma from the Societe Academique in Paris, France. A member of the American Bandmaster association and an honorary member of the American Federation of Musicians, Chenette is listed in Who's Who in America.

Wesleyan Guild In Annual Meet

The Wesleyan Guild met Monday night at 8 p. m. in the recreation room of the First Methodist church for one of their annual "special programs."

Hostess for this delightful affair were: Mmes. P. B. Ramby, Raymond Ross, and J. D. Hawthorne.

Refreshments were served from a lace covered table, beautifully decorated with pink Himomayo Azaleas and blue candles in crystal holders, with Mrs. John L. McGee pouring.

Following the tea Mrs. Ramby presided, the minutes of last meeting were read, business dispensed with and the program initiated with Mmes. Charley Cravey and Charles Jordan, singing the "Guild Song" accompanied at the piano by Mrs. Ruth Willis.

After the Responsive Reading led by Mmes. Jordan and Cravey, Mrs. Ramby introduced Mrs. Hume Russell in a book review that provided the highlight of the program.

Mrs. Russell gave a delightful interpretation of James Street's, serious, modern novel "The Gauntlet," which deals with the trials and tribulations of an ardent young preacher and his vivacious wife as they meet the demands of the congregation in a small church in a Missouri town.

James Street, well known and popular writer, is the author of two other best sellers: "Tap Roots" and "Oh, Promised Land." Mrs. Russell understood her subject well and presented a carefully prepared review that was thoroughly enjoyed by all the members present.

Lions Hold First Nightly Meeting

The Lions Club held their first nightly meeting on the new schedule last Thursday evening at seven p. m.

In the absence of the two members who were to have presented the program, P. B. Ramby took charge and directed a musical quiz and selected the team leaders of the Red Cross Drive; W. W. Williamson and Roy Hickman to head the two groups of contestants in musical stunts, with Lion Williamson's team winning 7 to 3.

The meeting was well attended and the extemporaneous program was quite a success.

War Vet's Cafe To Have New Name

E. R. Baker has completed extensive remodeling on the old Baker Cafe and will announce the new name as soon as he decides which one suits him best, out of the answers he received in response to his offer of a free "meal ticket" to the winner.

E. R. is a former Staff Sergeant in the Air Corps, having served with the 3rd air depot group for four years and 9 months. He trained in San Antonio and was sent from there to India, where he was stationed for 34 months. Mrs. Baker is the former Colleen Morgan, daughter of Mayor and Mrs. Tom Morgan.

PLANS FOR GOLF COURSE AND COUNTRY CLUB BEING FORMED

As plans go forward for a Golf course and eventual Country Club, 4 1/2 miles east of town on 54 acres of land recently purchased, a dream has become a reality for W. W. Williamson, president of The First State Bank of Morton.

About six months ago at a Chamber of Commerce meeting, members were asked to offer suggestions for civic improvements in keeping with Morton's progress. At this time Mr. Williamson suggested the building of a golf course.

At the February meeting of the C. of C. a committee composed of: W. W. Williamson, P. B. Ram-

by and Willard Cox was appointed to investigate the possibilities of a golf course for Morton.

The committee of civic minded men got busy and have sold 35 memberships in the proposed golf club at \$100.00 a share, they have purchased 54 acres of unimproved land four and one half miles east of Morton where they plan to erect a windmill and an elevated tank, build two concrete Tennis Courts and a nine hole golf course, with two grass greens near the windmill, the other seven will be oiled, as will the fairways.

The proposed plan is to go forward with the outdoor recreational facilities, with the erection of a Country Club House to be planned later as materials become available.

At present the membership will be limited to forty families, there are still five shares in the Country Club available.

All members are urgently requested to meet at the golf course site this Thursday afternoon at 6 p. m. and a meeting of the members has been called for 8 p. m. Thursday, April 4, at the court house to elect officers and draw up a constitution and by-laws.

War Vet Buys Interest In Gas Service Station

W. K. Smart, who received his discharge from the Navy at San Pedro, California, has bought a partnership in the Phillips 66 Service station, east of the square on Levelland highway.

Smart is married to the former Geraldine Nettles, daughter of Mr. and Mrs. C. C. Nettles, and they have twin sons, age 11 1/2 months; Howard Warren and Kenneth Wesley.

Mr. Smart was in the Navy 19 1/2 months, ten of which were spent overseas on the L. S. T. He was in the Okinawa campaign and has the Philippine Liberation, Asiatic-Pacific (with one battle star) and American Theatre ribbons, also the Victory Medal.

Smart assumed active management of the station last week and invites you to drive in for expert and courteous car service.

Welcome Home, Bill

Bill Garrett, a popular and well-known Morton boy arrived home this week from Treasure Island, California, with his discharge from the United States Navy. Bill served two years in the Navy as seaman, first-class.

The Tribune takes great pleasure in announcing that Bill has returned to the Tribune force as a member of the mechanical department, and his many friends invited to call in and see him.

Bill is the son of Mr. and Mrs. J. Garrett, long-time residents of this city.

Levelland Morton Scrappers Fight To Even Draw

It was even-stephen Friday night in the Levelland high school gym when the final bell was sounded as Levelland finally received an even break with the more experienced Morton thinly-clad ring artists, each school getting eight decisions and three draws.

The Levelland ring performers will invade Morton Friday night at 8 o'clock for a return engagement.

In addition to the nineteen scheduled fights, there were two exhibition fights one between John Bomar Stacy, son of Mr. and Mrs. M. J. Stacy and Jerry Wayne Stacy, son of Mr. and Mrs. J. G. Stacy, which was called a draw at the end of the one-minute rounds, and it was the show opener.

The two boys are only five years of age.

Dewitt Brown, Lobo lineman, who weighs about 240, and Junior Rawlins fought to a three-round draw in the final fistic encounter of the evening. Rawlins weight is also about 240.

Buddy Hanna of Morton, after measuring Jack McMillan in the

first round and the second round was even, but came in the third round to get the decision. They are in the 80-90-pound division.

Morton's Odell Baker edged out Hal Pugh, a rugged little fighter in the third round. John Dickson won the first fight of the evening for Levelland, taking Doyle Hammonds in all three rounds easily.

In another closely-contested fight Bruce Willis of Morton lost the three-round decision to Delmar Hightower in the final round. They are 70-80-pounders.

Gene Ferrell, in a slugging duel with Jack Taylor of Morton got credit for josing his contest in the final round.

In the 110-120-pounders, and after an even contest in first two rounds Rex Maxwell came back in the final round to win over Jack Hodnett of Morton.

The three judges called the fight between Billy McDaniel of Morton and Johnny Green a draw. The skirmish was on even terms all the way.

Jimmy Winder of the Morton

Winders was given the decision over Bob Johnson in a slugging duel in the final round.

Jimmy, son of Mr. and Mrs. C. F. Winder, pioneer Morton residents.

Even though Vernon Joe Wright was credited with a clean knock-out in the second round in his fight with Harvey Hammonds of Morton, it was a draw.

George Smith of Morton bowed to Langford Sneed in their three minutes of fisticuffing.

In the hardest-hitting contest of the night, Doyle Kennedy, slashed his way to a clean cut victory over Joe Ed Sullivan of Morton. With only three weeks of training and not in the best of fighting condition, Kennedy carried the fight throughout the contest.

Bill Deaver of Morton took the three-round decision from Benny Fry.

In a middle weight fight between Robert Carter and Bill McAlister of Morton, the latter received the decision after fighting on even terms in the first two rounds. They fought in the clinches most of the way.

Kenneth Willis of Morton kept jabbing Bill Ferrell in the face through the contest to win the fight by a wide margin.

Bryon (Jug) Warren mixed punches thick and fast in his contest with Jack Sherley of Morton and carried his fight easily all the way to the final gong.

Harold Phelan fought Burj Deaver of Morton to a draw.

Bobby Blundell and Earl Cadenhead of Morton slugged their way to the final gong at the end of the third round, with the former having the lead when the judges decision was read. They are middleweights.

Teeny Weed of Morton, in a closely-contested match, won over Larry Roberts, in the 90-100-weight division.

In the 120-130-pound weight division, Bobby Foutz, nephew of Roy Foutz, minister of the Austin Street Church of Christ, lost a slugging duel to Gyn Petty. The Petty-Foutz match was one of the top matches of the evening.

Hockley, Cochran Hold High Ratings In Oil Production

Hockley county ranked in eighth position among oil producing counties in West Texas for 1945, while Cochran county's production of crude oil was 12th from the top figure.

Only seven counties topped Hockley's 14,353,116-barrel production total last year. The barrel report for Cochran county was 8,524,618.

Figures on the oil production scale originally came from the oil and gas division of the Texas Railroad commission but they were reprinted in the March issue of West Texas today. West Texas chamber of commerce publication.

Number one for Westex oil production was Ector county, of which Odessa is the county seat. The production figures for Ector—29,865,350 barrels—more than doubled the Hockley county report.

Also above production of oil in Hockley last year were the following: Yoakum county, 17,376,719 barrels; Pecos county, 17,149,772 barrels; Gaines county, 15,426,753 barrels; Andrews county, 14,989,431 barrels; Gray county, 14,975,570 barrels; Crane county, 14,637,078 barrels.

Other county oil producing areas ranking above Cochran in the records were Winkler with 14,287,040 barrels, Wichita county's 12,320,205 barrels and Hutchinson county with 10,852,834 barrels of crude oil.

Successful Revival Closes At Whiteface

Rev. E. F. Coje, an evangelist from Fort Worth and pastor of the Amesia First Baptist church for nearly sixteen years, closed a meeting at the First Baptist church in Whiteface Sunday night, Rev. C. J. Coffman, pastor announced.

Through the Friday night services the church had received five professions of faith and three by letter.

Vast Amount Of Food Is Shipped Overseas by US

About 3,813,000 tons of U. S. food supplies have been designated for shipment to fight starvation in liberated and occupied countries for the current quarter.

This amount is out of a total of 5,347,000 tons estimated available for all exports, including the United Kingdom, U. S. territories and others, according to E. A. McBryde of Amarillo, district director of PMA.

Wheat, flour and other grains generally considered most vital in war devastated areas, comprise about 71 per cent of the maximum estimates for these countries.

During the current three-month period, about 33 1-2 million tons of U. S. food supplies are estimated to be available for all purposes. Of this amount U. S. civilians will receive 26,675,000 tons, he said.

Bulletins Ready For Distribution

New spring gardening bulletins have been issued by the Texas Extension service. Colorful covers—actual color photographs—enhance interest of the illustrated booklets that are now being distributed out of the office of the county home demonstration agent.

Written and edited by J. F. Rosborough and C. R. Heaton, extension horticulturists, the bulletins cover gardening in its entirety. Useful information beginning with planning of the garden and going through table use of the vegetables.

Littlefield Votes For \$190,000 Bond Issue

By a thirty to one majority, the City of Littlefield was authorized Friday to issue \$190,000 in revenue bonds for water works and sewer systems extensions and improvements.

The unofficial county was 274 for and nine against the proposal. Arthur Jones, presiding judge reported. Assisting in holding the election, ordered by mayor A. C. Chesher, were R. W. Badger, judge; Mrs. Arthur Jones and Mrs. J. H. Barnett clerks.

It isn't *WHEN* you change, it's *WHAT* you change to!

Probably you are already thinking about that regular spring oil change for your car. It's important. But equally important—is the kind of oil you change to!

For unless you change to a rugged, protective oil that'll stand up under the hot, hard driving conditions of the months ahead, we say—you're just wasting your money.

Make your spring change-over with an oil you can be sure about—Phillips 66 Motor Oil! It has been proved by 66,000,000,000 miles of all kinds of driving . . . by hundreds of thousands of pleased drivers.

Get set for Summer—with Phillips 66!

Morton Veterans Enrolled At Tech.

LUBBOCK, March 30. (Spl.)—Of the more than one thousand veterans enrolled in Texas Technological College this semester, the following three are from Morton:

Jess Carroll Burns, son of Mr. and Mrs. Jess Burns, freshman engineering major; Roy Tarver Jr., son of Mr. and Mrs. R. T. Tarver, freshman physical education major; and Edward P. Ward, son of Mr. and Mrs. J. R. Ward, freshman engineering major.

Other veterans enrolled in Tech from Cochran county include: Robert Gandy Jr., son of Mr. and Mrs. Bob Gandy, freshman animal husbandry major from Bledsoe; and Noel L. Cooksey, son of Winnie Cooksey of Whiteface,

freshman electrical engineering major.

College Station, March 30 — The summer of 1946 will see resumption of the educational conferences regularly held at the Agricultural and Mechanical College of Texas, Dean T.D. Brooks of the School of Arts and Sciences announced. The three conferences, the Texas School Administration Conference, the annual meeting of the Association of County Superintendents and Rural School Supervisors, and the Conference of Junior College Executives, will be held simultaneously, June 18, 19, and 20. The program will feature a number of joint sessions, including the annual banquet session.

Dr. Paul W. Quillan will deliver several addresses to the County Superintendents group and will be the speaker at a banquet attended by the entire group. President Doak Campbell of Florida State College for Women, longtime executive secretary of the National Association of Junior Colleges, will be consultant to the junior college conference, and will speak once to the combined group.

The Texas School Administration Conference will emphasize problems of effective provision of educational opportunity for veterans, including the accrediting of high school credits allowed on army service. The Veterans Administration's plans for county vocational schools for veterans will come in for careful study.

A challenging question that will receive consideration is how to unify the efforts of diverse professional groups in the interest of the over-all program of higher education.

Whiteface Seniors To Present Play

Whiteface Senior's will present a comedy, "The Improper Henry Proper" in the school auditorium, Friday April 5, at 8 p. m.

Cast as follows:
Henry proper, Wade Taylor; Billie Vandercuff (an heiress), Frankie Robbins; Mrs. Vandercuff (Billie's Mother), Mary Lou Bowden; Sid Heird (a young married man), Carelton Bizzell; Dora (Sids wife), Irma Rae Beaver; Bonnie (Dora's sister), Wilma Jean Copeland; Prince Gregor Olivera (Billie's fiance), Ray McCoy; Mr. Quertz (hotel manager), S. J. Bills; California (colored maid), Alice Knox; Bertha (page girl), Marilyn Plunkett; Mr. Killcudy (Justice of peace), Milford Pfichard.

This new play, just released for amateur production by Samuel French of New York, has a remarkable record of success, according to Mrs. W. N. Selby, play director.

The Seniors extended a cordial invitation to the public to see his laugh provoking play. Admission will be 15 c and 20c and 35c.

Short Course In Poultry At A & M

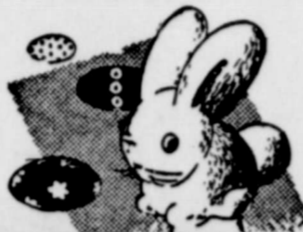

College Station, March 30 — A three-week poultry short course will be held at Texas A. & M. College June 24 to July 12, it was announced by E. D. Parnell of the poultry husbandry department. Two weeks will be devoted to chickens, the last week to turkeys. The course has been planned to train flock selecting and pullorum testing agents, both chickens and turkeys, and to serve as a refresher or training program for hatcherymen, poultry breeders, or others interested in chicken or turkey raising. College credit may be earned by those attending for the full three weeks.

A license may be earned for doing official work with chickens by attending either the first or second week. During the third week official turkey training work will be done. Both written and practical field examinations will be given. A registration fee of \$10 will be charged for either two of three weeks attendance. The one week fee will be \$5. Meals and lodging will be available on the campus or nearby.

A special visitors day is being planned for Wednesday, July 10, and a number of outside speakers will appear on the program. Registration should be made as early as possible, Mr. Parnell announced. Advance enrollment

CARS MUST DISPLAY 1946 LICENSE TAGS

Sheriff Mac W. Hancock announces that a warning has been issued by the highway department concerning the display of the new license tags by owners and operators of motor vehicles. Just the mere purchase of a license tag is not all that is required. The new 1946 license plate must be properly mounted on the car or truck before it can be legally operated.

REGIONAL ROUND-UP

By Pat Flynn

MONAHANS voted last week on a \$300,000 school bond issue.

WINK voters decided that a Winkler hospital of \$375,000 cost should be erected last week. Ten beds of the unit will be located in Wink; 40 beds in Kermit.

SNYDER had a warehouse fire last week causing \$85,000 in damages.

ARTESIA, N. M., city council has approved its \$150,000 water and sewer bonds and petitions have been circulated among local tax payers for \$271,000 in school bonds.

CHEYENNE, OKLA., held a re-election on water system bonds March 15 after its last election last fall was proven not to be valid.

MEMPHIS officials declared a recent petition to vote on a recall for beer was illegal. Those in favor of beer say another petition will be presented.

CARLSBAD, N. M., through its Eddy County News, accused airlines of making it a step-child and asked for new and better service last week in a front page review of flying conditions.

HOLLIS, OKLA., proposes to raise \$10,000 to erect a War Dead Memorial.

STERLING CITY last week voted dry 294 to 118.

SPEARMAN announces construction of a 56,000 bushel concrete storage elevator, a 57 inch rain to aid future grain crops and a record

one-day contribution drive by editor Bill Miller for the Panhandle Historical Museum at Canyon.

PLAINVIEW has secured an engineering firm to survey its future sewer and water expansion needs.

HAPPY is constructing a new Legion Home, 40 feet by 80 feet.

TAHOKA'S Flying Farmers held a field day last week, including a barbecue, out-of-town speakers, and a gathering of all the flying men in the area. It was a terrific success.

AARON A. FISCHER, who recently returned as publisher of the Woods County Enterprise and Wynoka News after four years in the army, was elected president of The Selected Weeklies of Oklahoma at the first post-war meeting in El Reno this month. Membership of that organization is extended only to those weekly papers which are outstanding and which maintain the highest standards in news coverage, advertising and circulation. Fischer served with the ETO and made the invasion with the First Army.

Other officers of The Selected Weeklies organization include E. G. Smith, The Journal, Elk City; Everett Purcell, Enid Events, Enid; Herbert Pate, The Record, Madill; Clarence Forst, Star-Review, Hobart; and G. T. Newby, The Journal, Woodward.

THE SANTA ROSA Exposition and Rodeo will be held in Vernon May 29 June 2 at the newest plant in the state which Paul Waggoner is spending several hundred thousand dollars to improve. Recently 70 directors from Oklahoma and Texas gathered at the Santa Rosa ranch and laid plans for the initial show. Of the 70 men invited to serve as directors, 70 accepted, setting an all-time record in such transactions.

TEXAS A AND M Extension specialist, Miss Edith Lawrence, advises enriched 80 per cent flour, to be on grocery shelves soon, has the same vitamin content as white flour but is higher in protein value-energy.

PRELIMINARY surveys indicate that the migratory grasshopper infestation this spring should be relatively light in the Great Plains area but not so rosy for "the crop hopper section" along principal rivers, Cameron Siddall and Paul Gregg entomologists for Texas A and M have announced.

LITTLEFIELD voted March 29 on a \$190,000 city water expansion program.

TUSCOLA combined civic clubs with its young business men last week at a luncheon to discuss incorporating the city, named committees and announced an expansion program of huge magnitude.

COCK SPRINGS is well on its way toward organizing a chamber of commerce and expanding the natural resources offered in that sector of Texas.

BORCOE announces a drive to raise \$10,000 for a new Legion Hut.

TAFOKA voted March 9 on an \$80,000 road bond issue in which several changes in road-routing were paramount issues.

ALBANY points out the Cook Field, 20 years old, has brought 25 million dollars to that area and front pages the story in last week's issue of The Albany News.

LAVERNE, OKLA., voted its \$75,000 sewer expansion program in a special bond issue election last week.

SONORA'S city manager, Thomas B. Thorp, resigned March 15 to become associated with an air transport company in Los Angeles. No successor has been named by Sonora officials.

BEAVER, OKLA., property owners voiced opinion last week, 100 strong, they wanted a paving program and street improvement.

TUSCOLA has found a way to sell all excise properties. They hold a "White Elephant" sale monthly.

DENVER CITY devoted its front page "Pivoting Around" to listing new business improvements. It took an entire column to do so.

SANTA ROSA announces 1,550 voters may participate in its April 2 election.

KERMIT let a contract last week for construction of a new City Hall. It also voted March 16 on a new hospital bond issue involving more than \$375,000.

ON THE OTHER hand, Paducah reports little interest is being shown in its city election for April 2.

PORTALES, N. M., reports 50 peanut growers met there this week to discuss crop plans for the current year. Many hope peanut oil will be on the market before the year end—a cooking oil which may be used many times over without danger of odor or burning, something housewives are praying for.

McCAMEY'S City Council has requested 175 apartments to house

Tribune, Morton, Cochran County Texas, Thursday, April 4, 1946

returning veterans under terms of the Lanham Act.

SLATON'S American Legion Post announces intentions to erect a new RALLS peace officers have arrested.

ED McVICKER, soil conservation chief at Mangum, is aiding farmers to rebuild their slowly eroding soil. Farm are being surveyed all over the county and terraces are being laid off free of charge as practically every farmer in the county avails himself of this offer.

JAMES MECASKEY POST, Veterans of Foreign Wars, has been organized in Panhandle with a

roster of 75 charter members planned by the officials.

FARWELL has launched a program for more street lights, sponsored by its chamber of commerce.

J. A. GREENE is the new Field Executive of the Northern New Mexico Boy Scout Council at Clayton, coming here from San Antonio—The Clayton, N. M., chamber of commerce will hold its annual meeting April 9.

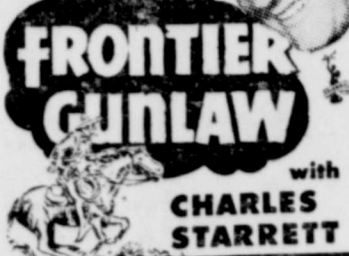

WAYNOKA, Okla., plans an Achievement Day the latter part of April or the first week in May, with a barbecue of premium-winning calf a major attraction.

Help Get More Soaps, BRING IN USED FATS!

THIS country is short of industrial fats, mighty short.

The supply is so low that the government must decide how much fat can be released to make soap; how much for other peacetime goods. The shortage would be even worse without the wonderful help American housewives are giving by turning in used fats.

Keep saving to tide us over this emergency. It will help you get more soaps and other products you want so much.

GRAY, UNCLE SAM. IF SAVING USED FATS HELPS MAKE MORE SOAPS COUNT ME IN!

BRING USED FATS TO ME JUST AS SOON AS YOU HAVE A CANFUL.

LOTS MORE FAT SCRAPS TO MELT DOWN, NOW. JIMINY, HOW THE SALVAGE CAN FILLS UP THESE DAYS!

**Improved Service
By Railroad Line**

Chicago, Ill., March 21. — Roy B. White, President, Baltimore on Ohio Railroad, and Fred G. Gurley, President of the Santa Fe Railway System, announced today that the B & O will join the Santa Fe in the establishment of transcontinental railway passenger service between Washington, D. C. and Los Angeles, California, beginning operation on March 31.

Effective that day the B & O will inaugurate through bedroom-roomette sleeping car service daily between Washington and Chicago on its all-Pullman Capitol Limited, connecting with the Santa Fe Chief between Chicago and Los Angeles.

**RECENT
DICHARGES**

S1/c Alvin Edd Garrett was discharged at Shoemaker, Calif., on March 17, 1946. He entered in the Navy on March 16, 1944. He wears the American Area and the Victory Ribbon.

Staff Sgt. Cecil L. Evans was discharged at Ft. Bliss, Texas, on March 27, 1946. He has served in the Army since February 5, 1945. He wears the Asiatic Pacific Theatre Ribbon, the Good Conduct Medal and the Victory Medal.

Pvt. Bruce Dayton Strickland was discharged at San Diego, California on March 16, 1946. He has served in the Army since October, 1945. He wears the Good Conduct Medal.

**WALTER W. LITTLE ENROLLED
AT HARDIN SIMMONS**

Walter W. Lytle Jr. who recently received his discharge from the Marine Corps has enrolled at Hardin Simmons University, Abilene, Tex., for a three months course in preparation for college entrance.

Walter was in the Marines four years, serving in the South Pacific, on Tarawa, Guadalcanal, and was wounded in battle at Slapan.

ATTEND FUNERAL

Mr. and Mrs. Bill Taylor, Mr. and Mrs. A. P. Taylor and Mr. and Mrs. Roy D. Greer attended the funeral of Mrs. Larkin Taylor in Slaton, Texas, Tuesday afternoon.

The deceased, who died Sunday, after a long illness was a sister-in-law of Bill and A. P. Taylor.

LOCALS

Dot Ann Hargrove, who attends school in Portales, New Mexico, spent last week-end with her parents, Mr. and Mrs. S. F. Hargrove.

Mr. and Mrs. W. L. Bialock were guests of their daughter, Mrs. Iris Holloway, Maple, Texas, last Sunday and attended the Singing convention.

Miss Rena Waller who has been ill for sometime is able to receive visitors and the following have called the past few days: Mrs. Arch Huddleston and Mmes. W. L. Freeland and O. S. Taylor of Lehman.

Mr. and Mrs. J. D. Hawthorne took their two sons, Sharon and Max, to St. Mary's Hospital in Lubbock last week, where both boys had their tonsils removed.

Miss Laura Sue Waller, Mr. and Mrs. Glenn Black visited Sunday in Hereford with Mrs. Black's brother, Edgar Lemons and spent the visiting hour at Canyon Hospital with Mrs. Walter Lemons, Mrs. J. M. Waller returned with them after being with her daughter for three weeks.

Preliminary surveys indicate that the migratory grasshopper infestation this spring should be relatively light in the Great Plains area but not so rosy for "the crop hopper section" along principal rivers, Cameron Siddall and Poul Gregg, entomologists for Texas A & M have announced.

Simple Arithmetic — With the civilian price-front weaker than the labor wage-front, wages mount, prices soar, and John Q. Public foots the bill.

CONGRATULATIONS TO:

5:30 p. m. Buffet Supper served in Dining Hall.

7:00 p. m. - 8:30 p. m. Recreation in Matador Hall, Ann Hestline Y. W. A. of Wayland Hostess.

ENCOURAGEMENT AND BUSINESS APPRECIATED

With this issue we start our second month as publishers of the Tribune. We are grateful to all for your kind words of encouragement and your business.

We made mistakes in March, and probably will continue making more mistakes in the months to come, but we are striving to give you a good weekly newspaper that Morton can be proud of. We again solicit your help in turning in the news to us, and especially your parties, visits, your returning service men and other news of local interest.

This is your paper and we want to fill it with news of your town and affairs.

Mr. and Mrs. Vincent Viaille and son of Levelland, Texas, visited her sister, Mrs. Amel A. Glaser of Morton, Sunday.

**V. F. W. Elects
New Officers**

Gayle Bishop has been elected commander of the Veterans of Foreign Wars post organized here last November. Joe Bennett is senior vice commander; Guy Reed, junior vice commander; J. C. Reynolds, quartermaster, and Wood Stevenson, surgeon. All are veterans of World War II. W. A. Wood and Earl Cadenhead, World War I veterans, are trustees.

**Old Age Club
Have Meeting**

The old age assistance club met Tuesday March 26 at 3:30 p. m. in the court house, due to unfavorable weather the attendance was small.

The group enjoyed the presence of three visitors and L. L. Price spoke to the group on the importance of the organization and its purpose.

All are urged to be present for the next meeting to be held in Court House at 3:30 p. m. Tuesday April 9.

**School Trustee
Election April 6**

The Tuesday midnight deadline for filing for candidate for board of the Cochran county independent school district passed out with additional names filed, it was announced by County Judge R.C. Strickland last Thursday.

The School trustee election will be held Saturday, April 6.

There will be one county trustee at large, one precinct 1, trustee.

One precinct 2, trustee.

For Morton Independent School district three trustees will be elected.

Whiteface and Bledsoe Independent School district will elect two trustees, each.

Common school district will have one trustee for each district.

All voters have the privilege of writing in the name of their choice.

If whiskey is the enemy of civilization, my how some men must love their enemies!

Health Hints

This article is presented by the Cochran county Tuberculosis Association in the interest of better health.

Tremendous strides have been made in the conquest of tuberculosis in the twentieth century, yet the disease is still one of the greatest public health problems in this country, killing approximately 55,000 persons a year.

Prior to the latter part of the nineteenth century so little was known about tuberculosis that doctors could offer little hope of recovery to its victims. Then in 1882 Robert Koch discovered the tubercle bacillus and proved that it was the sole cause of the disease.

So it became known that tuberculosis is caused by a germ, and germs are catching. This means that people with tuberculosis transmit the disease to other people.

Koch's discovery was an invaluable contribution to knowledge about this baffling disease. Medical science, however, was still faced with many problems connected with it. Advanced tuberculosis was easily recognized by the experienced doctor, but tuberculosis is difficult to cure in its advanced stages. The

doctor wanted to learn to find it in its early stage.

There are two reasons why it is important to find tuberculosis in its early stages. One is for the protection of the individual and the other is for the protection of society. The cure of the individual often rests upon finding the disease before extensive damage has been done to the lungs. And the control of the disease depends upon finding the unknown cases which are threatening the health of other persons in the community.

Another nineteenth century discovery opened the door to early diagnosis. This was the X-ray, discovered in 1895 by Wilhelm Conrad Roentgen, German physicist. This remarkable ray, which has the power to penetrate opaque matter, has become the chief diagnostic weapon in the fight against tuberculosis. By means of the X-ray, doctors can see the lung and study pictures made of it.

Progress made in the development of X-ray machinery in the past 25 years has placed this diagnostic aid at the disposal of everyone. Today X-ray equipment is included in every modern hospital. Many physicians have X-ray machines in their private offices. In addition, mobile X-ray units are operated by the U. S. Public Health Service, state health department and voluntary health associations in a vast nation-wide campaign to find unknown cases of tuberculosis.

Every adult should have a chest X-ray at least once a year. It is the only way to be sure he hasn't the disease and that he isn't communicating it to someone else.

Playing safe with the heart will be discussed in the next article.

TN Conference Plans Being Made

College Station, March 30 — The 1946 Texas Nutrition Conference will be held at Texas A. & M. College April 8 and 9, it was announced here today.

Guest speakers will include Dr. L. C. Norris, professor of nutrition of Cornell University; Dr. Paul H. Phillips, professor of biochemistry, University of Wisconsin; and Angus Tressidder, Joseph A. Seagram & Sons, Louisville, Ky.

The Texas Nutrition Conference is being held for manufacturers of livestock and poultry feeds and for any others interested in the latest advance in the science of feeding.

Presiding at the various sessions of the two-day meeting will be college staff members including Dr. R. D. Turk of the School of Veterinary Medicine; Dr. P. B. Pearson, Texas Agricultural Experiment Station; S. A. Moore, poultry husbandman of the Texas Extension Service; and Dr. I. W. Rupel, head of the A. & M. College department of husbandry.

Dr. Norris is an outstanding authority on poultry nutrition and a recipient of the borden award of the Poultry Science Association for research on necessary levels of riboflavin and manganese in poultry rations; and prevention of perosis and new vitamin factors required for poultry.

Dr. Phillips, also a borden award recipient, received his recognition for research in dairy husbandry, American Dairy Science Association; has conducted research in nutrition of dairy cattle studying flourine in mineral supplement and its effect on bone and tooth development; ascorbic acid in treatment of sterility; inter-relationships of vitamin A, carotene, ascorbic acid and factors of the B-complex in the nutrition of the young calf. Dr. Phillips also developed the first egg yolk buffer diluent for sperm preservation, now used in artificial breeding work on a large scale.

Mr. Tressidder is an authority on nutritive values of distillery byproducts, and will speak on that subject during the nutrition conference sessions.

The complete program for the two-day meeting will be completed soon, and reservations for those who wish to attend the conference should be addressed to Dr. Rupel of the A. & M. Dairy Husbandry department.

Next we will hear that the congressmen who are supporting the unions have claimed that exemption in their income tax.

Plains Dairy Show Meet April 18-19

PLAINVIEW, TEXAS, March 30 — Plans are rapidly shaping up for the nineteenth annual Panhandle Plains Dairy Show scheduled here April 13 - 19, inclusive. The largest entry list in the history of the show is forecast by C. B. Martin, general superintendent.

Judges have been designated, superintendents of the various departments selected, all activities dated, and arrangements made for the round of entertainment during the almost one week of the show.

Preliminary tests in the production contest at 6 p. m. Saturday, April 13, will launch the program. From that hour until the Milking Shorthorn auction at 1 o'clock Friday afternoon. Some of the finest dairy cattle in the country will be on exhibit and day and night calendars of activities will unfold events of general public interest.

Prize money for this year's show, totals \$3,035, the largest amount in the history of the exposition. A tent has been rented to take care of overflow of entries. Last year the approximately 500 animals on display could not all be placed in the barns.

Sunday's program calls for production contest. Future Farmers of America and 4-H Club boys will start judging cattle at 8:30 Monday morning to open that day's program. N. C. Fine, Lubbock, is superintendent of the FFA and 4-H judging contest which is being held this year for the first time in three years, the event having been suspended because of shortages of entrants during war time.

Club boys' cattle will be judged Monday afternoon starting at 1 o'clock. The pageant at the city auditorium and the annual Dairy Show queen's ball following are the main features of the Monday night program. Mrs. Joyce yeed of Lockney is directing the pageant which is under sponsorship of the Chamber of Commerce Auxiliary. It will be a musical show with princesses from neighboring towns and Plainview organizations making their appearance.

Judging of Holstein-Friesians beginning at 8 a. m. Tuesday will get the day's program underway. I. Walker Rupel of the dairy husbandry department of Texas A. & M. will judge that department of the show along with those of the Guernsey and Jersey divisions. Judging of Guernseys and Jersey bulls will occupy the arena during the afternoon.

The annual dairymen's banquet is scheduled Tuesday night at 8 o'clock.

Wednesday is designated as official Jersey day and judging of cows and groups in that department will continue throughout the morning. The Jersey is scheduled at 1:30 that afternoon. The Jersey auction, the second to be held in connection with the Dairy Show, is sponsored by the Plains Jersey Cattle Club of which M. C. Brandon, president of the Dairy Show, is Secretary; approximately 40 head have been listed for the sale.

The Texas Aggis annual roundup will be held Wednesday night at 6 o'clock at the agricultural building. Leon Ranson, Levelland, is president of the Central Plains A & M Club which is arranged for the program.

At 8 o'clock Wednesday night the bathing beauty revue will be held on the stage of the Granada theatre. Entries from Plainview clubs, business firms and other organizations with representatives from Plains towns will compete for cash prizes.

Milking Shorthorns will be judged Thursday starting at 8 a. m. with Carl Tyner, Tipton, Indiana, scoring the entries. Judging of Milking Shorthorns will continue through the afternoon and that night at 4:30 the annual Shorthorn breeders banquet will be held.

Last of the Milking Shorthorns will be judged Friday morning. The auction in the afternoon will draw the curtain on what shown officials predict will be the biggest and best attended Panhandle Plains Dairy Show ever held.

T. J. Tidwell Shows will be on the midway with a larger and better show than they have had heretofore.

MID-WAY H. D. CLUB

Mrs. J. D. Thomas was hostess to the Mid-way H. D. Club Thursday, March 28.

The Program, a very interesting one was "Know Texas" with Mrs. Harve Andrews giving the always fascinating, "Legend of Texas Blue Bonnets" and Mrs. Gage Knox "Texas Under six flags."

Members present: Mmes. H. G. Andrews, R. E. Thomas, T. L. Anglin, Gage Knox, L. B. Kelso,

L. M. Baldwin, and hostess Mrs. J. D. Thomas.

Next club meeting, April 11, with Mrs. R. E. Thomas as hostess. Reporter

This is

"BE-KIND-TO-COMBINES" WEEK!

YES SIR! Here at McCormick-Deering headquarters we've decided it's high time somebody started doing something for the combines in this community. They did a big job this year and we want to make sure they will be in shape for the next harvest. So we're ready to give yours whatever it needs—anything from a simple adjustment to the works!

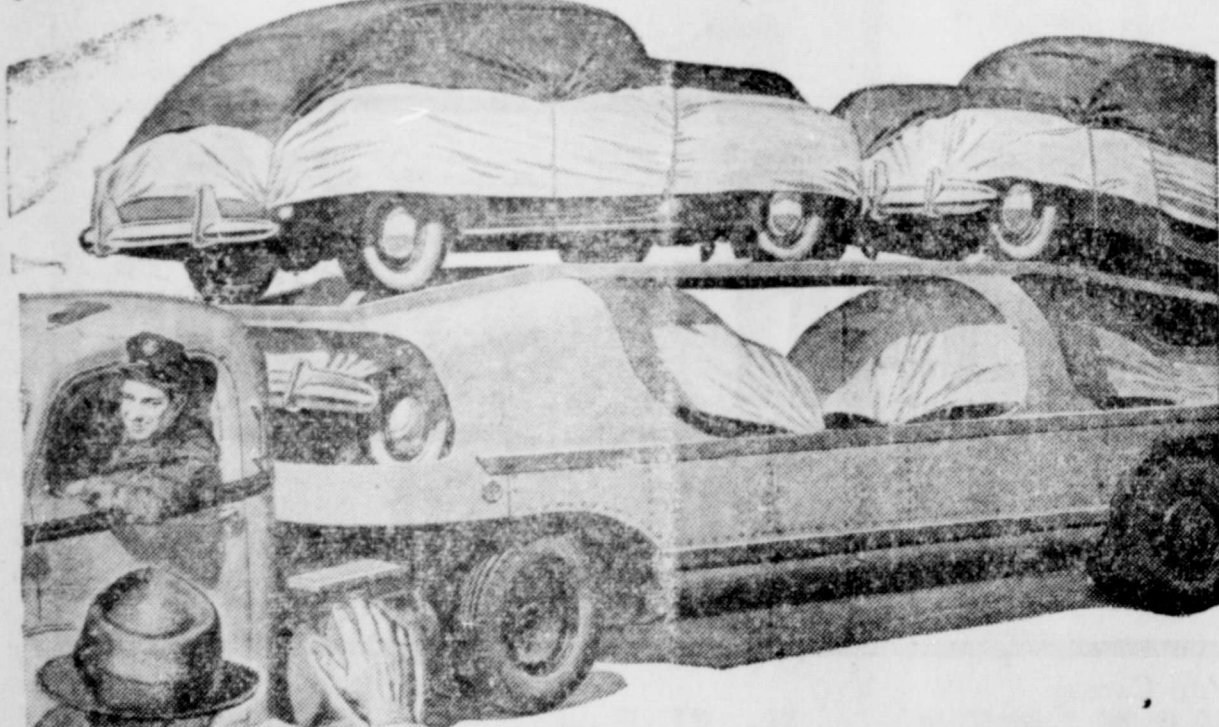

The same thing goes for your tractor and every implement and tool on the place. We are specialists in farm equipment repairs. That's our business. When you bring a ma-

chine in here it's treated right. We don't wonder how to fix it—we know, and on this knowledge we stake our good reputation as a McCormick-Deering dealer.

Make this a "be-kind-to-equipment" week on your farm. Check your machines. List the parts you need. Order them now. Tell us what repairs should be made and let us schedule your work so that it will be ready on time. We guarantee good service, genuine IHC parts and the best deal you can make on new equipment.

BE WISE · BE AN Early Bird · ORDER NOW

"OIL-PLATED engines . . . they'd better have!"

The "haulaways" are abroad in the land! Your new car is on order—or in your mind. And now here is why any car of yours should have an OIL-PLATED engine . . .

OIL-PLATING will shield your engine's insides. It saves fine-finished surfaces from lots of wear. And that's how to raise resistance against carbon, gum, and sludge.

An OIL-PLATED engine is yours for the asking. Simply insist on filling with Conoco Nth motor oil. Conoco Nth brings its added OIL-PLATING substance. This acts magnet-like . . . joins lubricant durably to metal, so as to form protective OIL-PLATING! The process is the same in any engine. Though yours may not be new, this is an extra good time to OIL-PLATE it. For it needs a Spring oil change and simply by getting Conoco Nth you'll get oil that OIL-PLATES—at a few cents' extra cost! Sidelights From Washington

By George Mahon

The new Veterans Administration Regional Office for West Texas with headquarters at Lubbock will mean much to West Texas veterans and their families. When General Omar Bradley, head of the Veterans Administration, announced last year that Texas veterans would be served by four regional offices, located at Houston, San Antonio, Waco and Dallas, I complained to him that West Texas veterans were being completely left out of the picture. I joined with the American Legion, the VFW and West Texans generally in the campaign for a West Texas Regional Office for West Texas veterans—an office similar to the ones located at Dallas, Waco, San Antonio and Houston.

It is now assured that within 60 days such an office for West Texas, with headquarters at Lubbock, will be a going concern.

General Bradley's idea is to render service to the veteran at a point not too far removed from his home. Those of us who handle Veterans Administration appropriations are supporting this plan.

The West Texas Regional Office should not be confused with sub offices and contact offices which the VA has established or will establish at a number of West Texas points to complete the service to veterans and cooperate with the County Service Officers now serving in most West Texas Counties.

The Amarillo area which has previously been served by the VA office in Muskogee, Oklahoma, will hereafter be served by the West Texas office at Lubbock. The El Paso area is slated to be taken from the jurisdiction of the office at Albuquerque, New Mexico. The plan is that all of Texas is to be under the overall supervision of the Branch Office at Dallas.

Now that the Veterans Administration has completed plans for Texas, my hope is that the service to veterans and their families may rapidly improve. The complications and difficulties are tremendous. General Bradley told our Committee on Appropriations a short time ago that he receives in the Washington office an average of 125,000 pieces of mail per day; that over the week-end in one instance, in excess of 300,000 pieces of mail were received here. Such a situation creates a bottle-neck in the central office in Washington and makes imperative the success of the program of decentralization to the Branch and Regional Offices.

When the wife poured the soup on the pork chops that caught fire, we decided then and there that she was eligible for one of those bureaucratic jobs in Washington.

Cottonseed Oil Production Is Less

Dallas, Texas — One-hundred and thirty-five million pounds reduction in cottonseed oil production during the first seven months of this season, compared with a year ago, is one reason that the President's famine relief committee had to urge Americans to reduce fats and oils consumption by 20 per cent, A. L. Ward, Educational Director, National Cottonseed Products Association, points out.

"Cottonseed oil production figures released by the Bureau of Census, following the appeal for reduced fats consumption, clearly showed the critical need for increased cotton production in 1946 to supply cottonseed oil as well as cottonseed feed products to produce meat and animal fats," Ward said.

Cotton is a leading source of vegetable oil, ranking with lard and butter as a cooking and food fat, but reduced cotton acreage and production in 1945 curtailed supplies of both cottonseed oil and cottonseed feed products.

"For most Cotton Belt farms, cotton is the only source, or most dependable source, of vegetable oil and protein concentrate feed, and these farms can make their greatest contribution to the world-wide food and feed need by producing more cotton in 1946," he emphasized.

"Planted on good land, as the hub of a balanced farming and livestock program, and produced with the higher yields per acre that can be achieved by following the 7-point program of the U. S. Department of Agriculture and State Extension Service, cotton can do more in 1946 to relieve the food and feed situation than any other one crop Southern farmers can grow," Ward added.

Cornet Features Texas Oil Town

Oiltown, USA — that's Tomball, Texas— Typical of the United States, typical of its people, its towns, its resources, and its riches is the oil town of Tomball, Texas—subject of a 19-page picture story in April CORONET. Outstanding photographer Esther Bublely spent many weeks in Tomball recording its life and business. The best of her 600 brilliant pictures appear in Coronet.

The familiar scenes of the picture story are striking candid shots of every-day "Oiltown." There is Main Street, the companionable group around the post office, the school children. And most significant of all is the steel skeleton of the oil derrick, silhouetted against the Texas night sky.

Tomball is typical of Texas and America because it is a vital, pulsing part of a nation. The photographs in Coronet from a document that records what statistics and maps do not reveal—it is the living story of a living American town.

ribune, Morton, Cochran County, Texas, Thursday, April 4, 1946

Housewives Are Advised Against Oil Substitutes

Many ingenious housewives have been trying to solve the fat shortage by substituting mineral oil for cooking oils and shortening. They can no longer find at the grocery store, blissfully unaware that such a practice is condemned by medical authorities. Instead of supplying needed fat, mineral oil actually robs the body of essential food elements and its prolonged use may cause such harmful effects as "mineral oil poisoning."

Because of the widespread use of mineral oil in foods, a special study was made on the problem by the Council on Foods and Nutrition of the American Medical Association. As a result they issued a warning against its use which concluded:

"It has been shown that the ingestion of liquid petrolatum (mineral oil) is capable of interfering seriously with the absorption of carotene, vitamin D, calcium and phosphorus, and vitamin K. The effects of its prolonged use have not been thoroughly investigated, but there is sufficient evidence of possible harmful effects to justify the conclusion that its indiscriminate use in foods or in cooking is not in the interest of good nutrition, and any such use should be under careful supervision of a physician."

"Well," you may say, "I don't cook with mineral oil. I only use it as a laxative." No matter how you take mineral oil, as a laxative or in food, it is a sufficiently slick thief to steal away some important vitamins and minerals your body needs. Dr. Norman Jolloffe in Nutrition Notes, December, 1944, says, "This absorption of the vitamins by the mineral oil may take

place even while the vegetables or fruit may be eaten at dinner and the mineral oil taken at bed time." He further says that use of mineral oil in foods may have serious nutritional consequences.

Some of these serious consequences are discussed by still another authority, Dr. James W. Morgan, in the October 18, 1941 Journal of the American Medical Association. Among the harmful effects of continued use of mineral oil, he cites what he terms, "mineral oil poisoning" and describes the condition as being characterized by loss of appetite, indigestion, flatulence, fatigue, nervousness, loss of weight and other symptoms. Most patients show rapid improvement after discontinuing use of the oil.

The pregnant woman who uses mineral oil may be increasing the dangers of childbirth due to the lower body supply of vitamin K. Vitamin K is essential for the proper clotting of the blood and is particularly important in preventing hemorrhage of the newborn.

Do not use mineral oil in baking, frying or making salad dressings or take it as a laxative except under specific instructions from your physician.

MARRIAGE UNITES TWO PROMINENT FAMILIES

Miss Deanie Martin, daughter of Mr. and Mrs. J. H. Martin, became the bride of Mr. Tom Arnn Jr., son of Mr. and Mrs. Tom Arnn Sr., Saturday night, March 30, at 8:00 p. m. at the First Baptist Church in a candle lighted ceremony performed by Rev. W. E. Lovelace.

The traditional wedding music was played by Miss Rose Marie Roberts and Mrs. M. C. Ledbetter sang, "Till The End Of Time."

J. C. Reynolds was best man and Mrs. Lola Faye McCulloch was matron of honor. The brides father, Mr. J. H. Martin, gave the bride away. Dub Grantham and Dorothy Tarver were ushers.

The bride wore a beige suit with white accessories and a shoulder corsage of gardenias.

Guests attending the wedding were: The brides parents, Mr. and Mrs. J. H. Martin, and two sisters, Mildred and Mary Francis Martin and one brother, James Lester Martin, the grooms parents, Mr. and Mrs. Tom Arnn Sr., Mr. and Mrs. Alton Burleson, Mr. and Mrs. Willie McCulloch, Mr. and Mrs. Hume Russell, Mr. and Mrs. P. B. Ramby, Mrs. William Johnson, Mr. M. C. Ledbetter, Mrs. J. C. Reynolds, Joe Bill Gipson, Kenneth Nettles, and Grace Ann Hawkins. Out of town guests were: Mrs. Seals Stephens of Sudan, Texas.

The bride graduated from Morton High School and attended Tech and Hardin Simmons.

The groom attended Morton High School but joined the Navy during his senior year.

The couple left immediately after the ceremony for a trip to New Mexico.

Mr. and Mrs. W. J. Presley and children spent last week-end in San Angelo, as guests of Mrs. Presley's brother, Mr. Bill Burnett, formerly of Morton. Mrs. Oma Burnett, mother of Bill, returned to Morton with the Presleys.

Army Air Vet To Run For Office

Kearns, Utah
27 March, 1946

DEAR FRIENDS:

A few lines through the paper to let you know that according to schedule of the Army Air Forces, I will be discharged on or about the 7th, of May, 1946, and at such time I plan on announcing for County and District Clerk, of Cochran County, Texas, and making my formal announcement.

Thanking you in advance for any consideration you might show me, and hoping to be back home one more time on or about May 8th, 1946.

Cpl. Thomas W. (Joe) Pierce
ASN 38697863, Sq. T-10 PP
AAF ORD, Kerns, Utah.

Veterans Officer In Morton April 5

Mr. George Sessium of Lubbock, Contact Representative of the Veterans Administration will be in Morton from nine to twelve Friday, April 5. He will be at the County Service office on the third floor in the court house. Any veteran who has a problem that he desires to discuss with Mr. Sessium should contact the county service officer.

Mr. Sessium will be here every other Friday until further notice.

FIRST METHODIST CHURCH

Members of the First Methodist Church announce that regular service's at the usual hours will be held this Sunday and urge all members to be present to greet and welcome the new pastor, Arthur Kendall of Amarillo, a recent Chaplain in the service of the Government.

Monday the ladies of the First Methodist Church met at the parsonage and gave the entire house a thorough cleaning in preparation for the new minister and his family. The house has recently been redecorated throughout, and the outside is now in the process of being stuccoed.

JUNIOR CLASS BUSY ON COMEDY PLAY

The Junior Class is really busy getting all the difficulties ironed out of their play entitled "Lindy Lou." It is a comedy in three acts, to be presented on April 12, and it promises a full evening of entertainment.

- Goodland News -

Mr. and Mrs. Alton Ryan of Childress, Mr. and Mrs. Forrest Creamer of Paducah visited over the week-end with their parents, Mr. and Mrs. B. H. Creamer.

Mr. and Mrs. Ben Crites of Morton visited in the home of Mr. and Mrs. Troy Wilkinson, Saturday night.

Mr. and Mrs. Morris Grant and Mr. and Mrs. Clifford Myers and family visited Sunday afternoon with Mr. and Mrs. Coy Wooten.

Mr. and Mrs. A. L. Birchfield of Lubbock, Mr. and Mrs. C. B. Terrell and family of Levelland visited with Mr. and Mrs. J. C. Hamlin Sunday.

A birthday dinner was given Sunday in honor of J. H. Fowler at the home of his daughter, Mrs. Leon Reeves. Those present were: Mr. and Mrs. Troy Wilkinson and family, Mrs. Ben Crites and family of Morton, B. H. Reeves and family of Lubbock, Mrs. J. R. Barnett of Wilson, and the hostess, Mr. and Mrs. Leon Reeves.

Mr. and Mrs. Donald Tucker had as their guests Monday, her parents and sister, Mr. and Mrs. S. B. McCutcheon and Mrs. Jim Pharr and girls all of Brownfield.

Sidewalk Permits Are Necessary

In order to comply with City planning and zoning laws it is necessary that permits be secured from city office before sidewalks are constructed.

During the war some of the city ordinances were relaxed but from a standpoint of health and sanitation the ordinances must be enforced, particularly those requiring that live stock, especially hogs be kept out of the city limits.

Friends ...

Your Dodge car (or truck or Plymouth car) has undoubtedly served you well during the war years and it may be that you are planning to replace it with a new one when that is again possible, and we will be very pleased to discuss that situation with you when you are ready.

The facts are, however, that the volume of new cars (or trucks) which are available now or which seem possible for the next several months will be so small in comparison to the demand that many of our customers will not be able to get their new car (or truck) as promptly as they desire. For this reason it may be necessary for you to continue to drive your present car (or truck) for quite a while longer, and it is our desire to aid you in maintaining the maximum in safety, comfort and economy in your present car (or truck) which prompts this letter.

Fortunately, there are some "tell tale" signs to indicate conditions which may cause delay, inconvenience and which, if corrected in time, may save considerable expense. We suggest you check the operation of your car (or truck) against the following questions—and if you must answer one or more of them "Yes"—we suggest that you drive to our Service Department and consult with one of us, we will be glad to explain that condition in detail and counsel with you as to the proper steps to take

Yes
OR
No

1. Is your car (or truck) using too much gas?
2. Is your car (or truck) difficult to start on cold or wet mornings?
3. Does your engine overheat?
4. Is the engine action sluggish?
5. Do you notice excessive knock or "ping" on acceleration?
6. Is your engine noisy when warm?
7. Does your engine use too much oil?
8. Do your brakes hold evenly and securely?
9. Does your clutch engage smoothly and quietly?
10. Does your car (or truck) steer well?
11. Are your tires wearing evenly?
12. Does your car (or truck) ride smoothly or does it register every rough spot with a jar?

We Are At Your Service!
