Commissioner E. C. White Announces

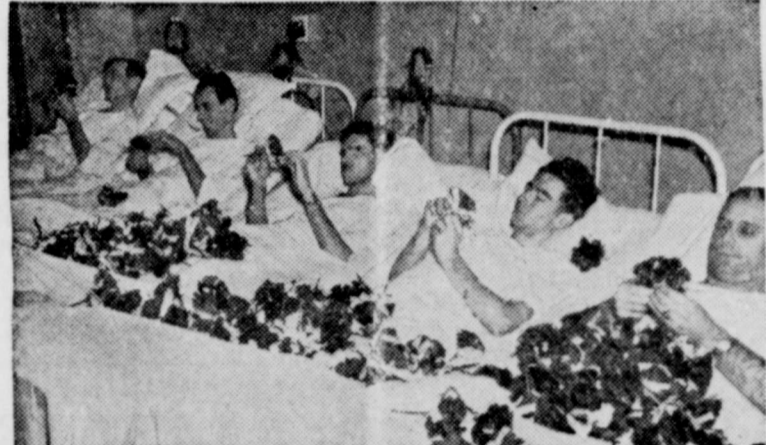

The Tribune is authorized to announce the candidacy of E. C. White for re-election as County Commissioner, Precinct No. 2.
In announcing for re-election Mr. White said, "I have tried to serve Cochran county's best interests and will continue to do my best for the county if re-elected as commissioner. Your vote and support will be appreciated."
Mr. and Mrs. Forrest Weimhold of Levelland were business visitors in Morton, Monday.
Mrs. Clyde McKee had as guests for the week-end, Mr. and Mrs. J. A. Rowell of Canyon, Tex.

Poppy Drive Initiated At Garden Club Meeting Held Tuesday, May 21

The Cochran County Garden Club met in the home of Mrs. W. W. Williamson, Tuesday evening, May 21.
Mrs. Elizabeth Greer, president, presided for a business meeting.
Mrs. Roy Hill, chairman of projects committee gave a report on the registrants for the yard beautiful contest. This contest is open to all residents of Morton and is co-sponsored by Lion's Club, Chamber of Commerce and Garden Club. There will be three cash awards and honorable mention given to the winners in the contest. Out of town judges will grade the gardens, according to specific rules, and award the prizes. Everyone is urged by the club to enter their yard in this contest. Closing date for registration is May 31.
The Garden Club members voted unanimously to sponsor the organization of a Girl Scout troop in Morton and Cochran county. A committee composed of Mmes. O. E. Stevenson, Joe Gipson and Miss Manley was appointed to contact Girl Scout leaders to secure information and details concerning the organization of a troop here.
The club passed a resolution to remember each member with an appropriate token when serious illness or death occurs in a members family.
At the conclusion of the business meeting Mrs. Ford Hawkins took charge of the program, presenting, Mrs. J. B. Knox, who gave a well prepared and instructive paper on Poppies.
Packages of Poppy seed were given to each member with the compliments of Mrs. Albert Morrow who is confined to the hospital after major surgery.
Mrs. Ford Hawkins gave a beautiful story of the Poppy, its significance and association with our war dead.
Mrs. O. E. Stevenson was presented in two readings, the poems, "Flanders Field" and "I Have a Rendezvous With Death." Mrs. Stevenson prefaced her readings with a short introductory biography of the two poets, both killed in World War I.
Mrs. Jess Carol Burns played "Taps" immediately after Mrs. Stevenson had finished her impressive reading.
The program was concluded by Mrs. H. S. Hawkins giving a re-sume of Poppy Day and its meaning to our World War veterans and their families and by club members and guests buying Poppies to initiate Poppy Day, from Mrs. Hawkins, who will present the American Legion Auxiliary with the funds derived from the sale.
Refreshments were served by Mrs. Williamson to 22 members and four guests, Mmes. Arthur Kendall, P. B. Ramby, Jess Carol Burns and Joseph Carl England.
Mrs. E. Greer will host the Garden Club meeting June 4 at 4:30 P. M. in home of Mrs. L. F. Hargrove.

Lions Entertain Morton Schools' Honor Students

The Lion's club entertained twelve honor students from Morton school at their weekly luncheon held Wednesday noon.
At last weeks meeting the Lions contributed \$25.00 to the stock show committee to be used in the awards.
Lions announce a ladies night program will be held Tuesday night, May 28, in the Methodist church. This will be a formal affair and all members expecting to bring guests are asked to notify the secretary.
At a business meeting the members of the Lion's Club voted to give all war bonds and stamps held by club to the American Legion building fund. This amount totals \$1,379.20 and was originally earmarked to be used in a memorial for Cochran County service men.

The coming of peace has brought no release from suffering for many of the men who won the victory. Thousands are still in the military hospitals and other thousands, discharged from the service, are in the veterans hospitals, side by side with veterans of the first World War. Making memorial poppies for the American Legion Auxiliary is a happy occupation for disabled veterans of both wars.
In the photograph above, five young veterans are making poppies in their beds, a typical scene in many veterans hospitals. It was taken in the hospital at Jefferson Barracks, Missouri.

If Polio Strikes

What can we do to prevent infantile paralysis?
The answer is: Practically nothing.
Very little is known about the disease. We know the cause—a virus—but not the cure. We know that it is communicable, that many persons may harbour the virus without presenting any clinical symptoms of the disease.
Certain precautions, however, are recommended by the National Foundation for Infantile Paralysis.
If polio strikes, the Foundation urges, continue with normal activities. Schools, theatres and other places of congregation can remain open at the discretion of the health authorities, but unnecessary mingling with crowds should be avoided.
Extreme fatigue, sudden and prolonged chilling make the individual an easier victim. Swimming in polluted waters and removal of tonsils during epidemics should be avoided. Flies and other insects should be kept away from food. Sanitation is a "must."
The first symptom of poliomyelitis may be some minor discomfort: headache, unexplained fever, a cold, even an upset stomach. If any of these appear, a physician should be called immediately. Expert medical care may prevent crippling deformities.
Above all, the Foundation adds don't worry about expense. Foundation chapters are pledged to see that no victim of infantile paralysis goes without care and treatment for lack of funds, regardless of age, race, creed or color.
When a case appears, be sure that the nearest Foundation is notified.

Morton Baseball Club Wins Another Victory Over Levelland Club 19 to 3

The Morton American Legion Team again turned back the Levelland American Legion Team Sunday, May 19, by the score of 19 to 3.

Saturday Will Be Poppy Day In Morton

Saturday will be Poppy Day in Morton and in thousands of other cities and towns throughout the United States.
Millions of Americans will pay tribute to the nation's war dead by wearing memorial poppies.
Millions will make contributions to aid war's living victims, and disabled veterans, and the families of the dead and disabled.
Preparations for the observance of Poppy Day here have been completed under the leadership of Mrs. C. C. Nettles, Poppy Chairman of Post 374, Unit of the American Legion Auxiliary. Volunteers from the Auxiliary will be on the streets early Saturday morning with baskets of poppies which they will offer to be worn in honor of the dead of both world wars. They will continue to distribute the little red flowers throughout the day, endeavoring to give everyone in the city an opportunity to wear a poppy in memory of those who gave their lives for America.
No price will be asked for the poppies, but contributions will be solicited for the welfare and rehabilitation funds of the Legion and Auxiliary. All money received will be used for the benefit of disabled veterans and families of veterans. It will be expanded largely to aid needy veterans and families in Morton and Cochran County during the coming year.
The local poppy workers will be part of an army of more than 100,000 volunteers which will distribute poppies in the United States Saturday. All will donate their services for the day without pay. The only paid workers in the poppy program are the disabled veterans who make the flowers. The poppies to be distributed here Saturday have been made by disabled veterans of both wars at Legion, Texas.

Boy Scouts To Take Week Long Trip

Morton Boy Scouts Troop 47 will leave Monday for a week long trip, including a visit to Carlsbad Caverns.
Scout Master Zeke Sanders will accompany the troop. Nath Crockett will drive the school bus for the boys.

Prominent Cochran County Farmer Succumbs From Heart Ailment

Mr. Henry Clay Griffith, 66, prominent farmer who had lived in Cochran county nine years died at 10:30 p. m., May 17, of a heart ailment in Payne Shotwell hospital, Littlefield.
Henry Clay Griffith was born January 7, 1880, near Stephenville in Erath county. He spent most of his life in Texas and the last twenty years in Terry and Cochran counties.
He was married to Emmer L. Walker in DeCATUR, Texas, December 27, 1900.
He had been a member of the primitive Baptist Church for 16 years.
He is survived by his wife, the following children and 10 grandchildren: R. H. Griffith, Phoenix, Ariz.; E. C. Griffith, Idalou, Tex.; H. D. Griffith, Hot Springs, N. M.; J. K. and Ray Griffith, Morton; Mrs. W. A. Mawhiney and Mrs. W. R. Lowrie, Kansas City, Mo.; Mrs. G. V. Blumh, Fresno, Calif.; Mrs. J. E. Clumppitt, Austin, Tex.; Two children, Benjamin and Ethel died in infancy. Another son, C. D. Griffith, was buried in the Morton cemetery March 3, 1943.
He is also survived by three brothers: B. A. Griffith, Plainview; O. T. Griffith, Grants Pass, Oregon; A. B. Griffith, Burnet, Tex.; and 2 sisters: Mrs. Maggie Perkins, Alvord, Tex.; Mrs. Kate King, Sayre, Oklahoma.
Funeral services were held in the Rock Baptist Church Sunday, May 19 at 4 p. m. with Elder P. J. Ausmus conducting. Pallbearers were: Truman Doss, Roy Allsup, Charlie Jordan, Harley Ward, Gordon De Ment, Dave Singleton, Carl Ray and Leo Hawkins.
Interment in Morton Cemetery with Singleton Funeral Home in charge.
May 15 to June 15 Set Aside For Safety Month
National Police Safety check campaign started May 15 and will continue through June 15.
According to state and national statistics more fatal accidents occur in cars and trucks on the highways than in battle.
Most of these accidents are blamed on mechanical failures, faulty brakes, steering apparatus and lights.
Highway patrolmen, town and city police will check cars at random during this safety campaign in an effort to lessen the number of highway accidents.
Practically all automobile repair shops are stocking up on parts necessary for the repair of brakes and other mechanical faults found in this periodic check up.
This National Campaign is simply a friendly service offered by all law enforcing officers in an attempt to safe guard lives and public welfare.
Mrs. J. A. Vernon and family had as guests last Sunday, Mrs. Vernon's cousins, Mr. and Mrs. McCurry and family of Littlefield. Mrs. Covert accompanied the McCurry's to Morton.

May 20 marked the second anniversary of our Mother's death. Our deepest sympathy goes to the bereaved families of Mr. H. C. Griffith, Mr. E. F. Dolle and Mr. H. B. Forehand.
Schools all over the county have closed, teachers and youngsters are now busy making their plans for the summer.
Our Gal Friday is off all this week, taking the Senior trip Monday thru Thursday and resting from same the remainder of the week.
We are losing two of our boys: Bob Graham our pressman, plans to spend the summer in Rudosa and our stereotyper, R. D. Baker, is moving with his family to Tulla, Texas. We have enjoyed working with these boys and wish for them a pleasant summer holiday.
Teeny Weed is taking R. D.'s place and we are well pleased with the way Teeny is taking "hold".
Our colorful neighbor and legal advisor, Loyd Kennedy came to our rescue last week by writing the Lion's Club news. D. E. Benham usually does the news for the Lion's Club but had been absent at the previous meeting. Mr. Benham and many others have certainly been a great help to us in gathering news and writing stories. While many persons give credit to the editor, in all fairness we have to admit that we ask for and receive lots of help.
Mr. H. B. Bedwell's implement building is coming right along and is really a fine one, likewise the already completed Hargrove building.
Mr. Calvin Key reports finding water at 140 feet for the irrigation well he drilled on his farm east of town. We heard that Mr. K was afraid he'd hit oil.
We never saw any one busier than Mac W. Hancock was last week helping put on the stock show. Mac takes a keen interest in the FFA and 4-H clubs and never misses an opportunity to lend the boys and girls a hand. While resting from a trip to Lubbock where he made auction arrangements for the livestock sale he told us a little about Cochran county. "There are 700 producing oil wells in Cochran county and several more are now being drilled and the tax evaluation of the county is 18 million dollars"—when—bet the Indians are sorry.
Last week we had a short but pleasant visit with Mrs. R. C. Strickland in her very livable home. She has the prettiest red and white checked curtains and bedroom accessories in her guest room. One can tell by looking at Mrs. S that she has the decorators touch. This is a secret but we think Mrs. Strickland likes any color as long as it is red.
The unloading of additional printing equipment for the Tribune attracted quite a crowd Saturday morning. L. L. Price happened along and made some mighty kind remarks about the Tribune that we thoroughly appreciate. Now if we could uncover some more good printers to aid the ones we already have we could give you folks a real paper.
There is the cutest little girl about 8 or 9 who comes in occasionally, we don't know her name (she must have printer's ink running in her veins) but not long ago she asked what our pride and joy (Bill Garrett) was doing, and when we told her he was setting type to make the reading matter for the paper she said, "Oh, no he isn't, he's making money." We were nonplussed temporarily, but after thinking it over decided she was probably right in a round about way.
It's not all hard to write a column. All you have to do is procure a typewriter and some paper and then sit down and write the things as they occur to you. It is not the writing, but the occurring, that is hard.

TRAIL DUST

By
DOUGLAS MEADOR

Slave of many obsessions, my spirit rattles its chains from the aching thought that the larger the home, the more time is spent away from it.

Tradition perishes in fires of its own kindling. A saddle-maker has now abused the trust of his craft by producing a saddle of plastic, which he probably truthfully claims to be superior to leather. He will, of course, think of making chaps of the new material to match his boots and spurs. A more durable, and perhaps beautiful, flower can be made of paper; man can be and still deny his soul. Thus another ember becomes ash in the fading fire of a nation's most colorful era. It is better that the wild, free spirits of old cowboys be spared the pain. The music of creaking saddle leather and the smell of salty leather in the sweatbands of their hats will seek no substitutes in paradise. Any rider knows that his horse is under his saddle without looking through transparent plastic.

Broom of light sweeping the lonely plains, the airplane beam pulled night's black sheets from distance with a circling, un-resting hand. A remote windmill was like a timid lady seeking her gown, then quickly hidden again in the darkness. Grazing cattle continued with their heads buried in the pursuit of tender grass, as the tongue of light licked their hides. The revolving blaze reflected on the little windows of an unpainted house, and for an instant they were massive diamonds left on the bureau of a careless king. Somewhere beyond the border of vision it is probable the jeweled eyes of coyotes watched the twirling lantern with the uncertainty of a soul advancing step at a time into eternity.

Unseen strength of the wind was pushing the speeding passenger train in its wake. Smoke from the engine hid half of it from view, like a dark woman with her hair brown over her face.

The man who knows where he is going is half way to his destination.

Darting out from the shore of darkness into the yellow river of light, a confused jack rabbit set four paws flat and skidded on the gravel to a few inches of the wheel's path. Frozen with fear, the animal was motionless for an instant as if debating the advantages of life and eternity while standing in one and looking at the other.

Fragrance of laughing leaves, like children freshly-washed and smelling of soap, rises from the narrow forest. Once barren, the landscape bears a dreamy enchantment since the trees reared their slender fingers skyward. Birds are singing in the swaying branches that filter sunlight across a plowed field. Sheltering the world from ugliness and the soil from abuse, the trees whisper to the heavens. They are the living dream of a man whose love for mankind remained after he is gone to conceive sublime dreams in Valhalla. His monument is more enduring than cold stone; it is a part of men's hearts.

Blood runs from the fresh brand on the young calf's flank and there is a crimson stain across the snow-white face from the wound left by an iron spoon that gouged out the small horns. Two wide and innocent eyes stare at swinging sagebrush, teased by the wind. The huddled form shakes with pain; two deltas of dust-caked tears have dried in their course. The smoke of a branding fire was vanished and the irons are cold.

There are no doors to yesterday; the river does not flow back to its source.

Love gives more than it expects to receive or perishes from its own miserliness.

There is a sermon in the church bell's ringing on a tranquil Sabbath morning.

One good thing can be said for automobiles. They made mortgages respectable.

BOWEL CLEANING POWER OF INNER- AID MEDICINE

One man recently took INNER-AID three days and said afterward that he never would have believed his body contained so much filthy substance. He says his stomach, intestines, bowels and whole system were so thoroughly cleansed that his constant headaches came to an end, several pimply skin eruptions on his face dried up overnight, and even the rheumatic pains in his knee disappeared. At present he is an altogether different man,

feeling fine in every way. INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Cochran County.

State Health Officer Urges Strict Sanitation Rules Be Enforced

AUSTIN—Dr. Geo. W. Cox, State Health Officer, has issued the following statements and suggestions concerning the control and prevention of poliomyelitis which is now occurring in certain sections of the State. Until recently it was generally believed that this infection is transmitted by means of discharges from the respiratory tract. It is now believed that poliomyelitis may be another of the several gastrointestinal infections. Therefore, control measures must include clean-up campaigns and improvements in sanitation.

Strict sanitary measures must be observed in all communities. Sincere efforts should be made to eliminate the house-fly and destroy its breeding places. All mosquitoes and mosquito breeding places must be eliminated at once. Every effort should be made to institute approved garbage collection systems immediately. Safe water supplies must be assured. Where adequate municipal sewage disposal systems are not in operation, it is vitally important to promote and maintain sanitary septic tanks and outdoor privies.

All swimming pools should, under rigid supervision, maintain those standards approved by the Texas State Department of Health. This necessarily includes maintenance of proper chlorine level. Where such standards are not maintained, those pools should be closed immediately. All raw foods and vegetables should be washed thoroughly before use and protected from flies, filth and insects. All eating and food handling establishments should adhere strictly to the State Law concerning the sterilization of dishes and utensils. Those restaurants with insufficient personnel to maintain approved sanitation should close one or two hours a day so that employees can assist in maintaining cleanliness and high sanitary standards. Every effort should be made to

secure approved milk. Rats and mice should be eliminated. Maintain in the home the same sanitary standards that are necessary in community life. Particular attention should be paid to personal hygiene. Excreta from cases and contacts should be handled and disinfected with the same scrupulous care as in typhoid fever or bacillary dysentery.

Over-exertion in children should be avoided. Children should not visit homes where there is illness. Polio cases should be quarantined for 14 days and adults who work in food establishments should be particularly instructed in personal hygiene. It is advisable to reduce to a minimum all human contacts, especially in children during an outbreak of this disease. It is not advocated that schools, churches, and theaters be closed.

Early symptoms of infantile paralysis are headache, fever, vomiting, drowsiness, followed by stiffness in the neck and back. When suspicious symptoms appear, a physician should be called immediately.

Veterans' Questions & Answers

Q. May a wife, widow, child, or other dependent of a veteran be granted hospital care by the Veterans Administration?

A. No. The person must have served in the armed forces.

Q. If a veteran dies after discharge from service, may a burial allowance be awarded by the Veterans Administration?

A. When a veteran of any war, discharged or released from active service under conditions other than dishonorable, a veteran of any war in receipt of compensation or pension, or a veteran of other than wartime service discharged for disability incurred in line of duty or in receipt of pension for service-connected disability dies after discharge, the Veterans Administration may pay for burial and funeral expenses and transportation of the body to the place of burial, a sum not exceeding \$100.

Q. What veterans are entitled to special privileges under the homestead laws of the United States?

A. Any veteran who served not less than 90 days, and who was honorably discharged and makes a homestead entry, is entitled to have the term of his service in the armed forces, not exceeding 2 years, deducted from the 3 years' residence required under the homestead laws. Further information may be secured from the General Land Office, Department of Interior, Washington, D. C.

Q. May a veteran who has no service-connected disability be entitled to a pension?

A. A veteran may be paid a pension for a non-service-connected disease or injury only if the disability resulting therefrom is rated as permanent and total, and providing such condition is not due to the veteran's own willful misconduct. The veteran must have more than 90 days active military service terminated by a discharge under conditions other than dishonorable.

Claims Examiner To Be In Morton Friday, May 31

Senior Claims Examiner, Mr. H. W. Richardson, will be here Friday, May 31, at 9:30. He will accept unemployment compensation claims and veterans' readjustment allowance applications at the Courthouse.

The Servicemen's Readjustment Allowances are payable to veterans who qualify under the G. I. Bill of Rights either as unemployed or self-employed earning less than \$100 a month.

Mr. Richardson said that both the Texas Unemployment law and the G. I. Bill provide that refusal of suitable employment disqualifies the claimant or veteran. Other disqualifications under both laws are for discharge for misconduct and leaving employment voluntarily without good cause, he said.

**Seek Record In
VFW 1946 Sale Of
Buddy Poppies**

Sixteen million V.F.W. Buddy Poppies will be worn by an equal number of persons on Memorial Day if the goal of the Veterans of Foreign Wars of the United States is achieved through its 25th annual nationwide distribution during the last week of May. That will mean America hasn't forgotten her war dead and the cause for which they made the supreme sacrifice. It will mean, too, that at least more than a sixth of the nation's population will join the V.F.W. in raising funds for welfare of the rehabilitation work among those veterans who returned—disabled—from the various conflicts for peace. The 16 million goal set for the nationwide Buddy Poppy sale is a stiff one, Commander Gayle Bishop of Post No. 5674 here in Morton, pointed out. But equally stiff is the task the Veterans of Foreign Wars has undertaken in providing relief and assistance to needy and disabled former servicemen.

"World War II has greatly added to the needs for funds for that work," declared Bishop, "and the Buddy Poppy sale is the means by which the money is raised. The 1946 campaign to be held here-May 25 must not fail."

Discussing how the sale proceeds are used, the commander emphasized that the entire contribution is devoted to the care and welfare of former servicemen and their dependent families as well as men still in the nation's armed forces and their dependents.

In addition, the National Ser-

vice Bureau of the V.F.W. in Washington, D. C., is maintained with the help of the Buddy Poppy proceeds, Commander Bishop said. This bureau ministers to all servicemen, regardless of whether they are members of the V.F.W. The service is absolutely free, and the field includes insurance claims, pensions and compensation allowances, hospitalization, burial claims and many other forms of legal advice.

The National V.F.W. Service Bureau is staffed by medical and legal experts and, in conjunction with it, each of the 6,000 local V.F.W. Posts maintains Service Officers who supervise relief activities locally throughout the year.

A. Cochran Purchases Red Horse Service Station From L. F. Hargrove

A. Cochran bought the Red Horse Service Station from L. F. Hargrove, the deal was consummated on May 1, with Cochran, a well known Cochran county man, taking active charge at the time the sale was completed. Cochran in his interview with Tribune reporter stated, "I continue to give as good or better service than Hargrove, and want to solicit the continued patronage of the old customers and to get new customers to come in and get acquainted."

Hargrove, who has owned and operated Red Horse Service Station in Morton since 1934, will continue as wholesale dealer of Phillips products.

Hargrove has recently completed the Hargrove building 1 1/2 blocks south of the square. This building is of finest construction and one of the most modern in town.

One half of the Hargrove building is occupied by the Modern Store.

Hargrove will handle Allis-Chalmers implements. Goodrich and accessory line. AC parts will maintain a shop and service department.

The shop is located in back of building and occupies 20 feet floor space, while the day and parts department occupy the front section of 20 feet.

Both Hargrove and Cochran are confident the new deal will mean better service to the public and to both their old and new customers to come in and see them any needed service.

A message to VETERANS

OF WORLD WAR II

FACTS ON YOUR RIGHTS IN BUYING SURPLUS PROPERTY

To improve veterans' priorities in the purchase of war surpluses, Congress has amended the Surplus Property Act. So that you as a veteran may have the facts direct, the War Assets Administration is taking this means to address you.

WAR ASSETS ADMINISTRATION WASHINGTON 25, D. C.

May 3, 1946

TO ALL VETERANS OF WORLD WAR II:

As a veteran you are anxious to get all the benefits you can from war surplus. It is our desire to give you every possible preference, under the law, in purchasing the items you want.

By amendment to the Surplus Property Act of 1944, the War Assets Administrator has been authorized to reserve certain items for exclusive sale to you. They are listed below, but in fairness, we must tell you that quantities are not large, the demand is tremendous and you may not always be able to buy exactly what you want. Every veteran, however, will have the satisfaction of knowing that all items placed on the reserve or "set-aside" list are going to veterans like himself.

Subject to availability, you may purchase these items for your personal use, as well as for your business, professional, or agricultural enterprise. You may be sure that only World War II veterans will be entitled to purchase them.

The amended Act contains a second provision that further improves your buying position for your business, professional or agricultural enterprise. For items not included in this list, only Federal agencies buying for their own use may purchase ahead of you. This gives you, for business use, an advantage over State and local governments, tax-supported institutions, certified non-veteran small business enterprises and all other potential buyers except Federal agencies. For a specified period after the Federal agencies have had an opportunity to purchase surplus, all available items which do not appear on the reserve list will be available to you to purchase for your own business.

Under the amended Act you still must be certified to purchase war surplus, as thousands have done since the original Act was passed. The certification procedure has now been simplified, as explained at the right.

The War Assets Administration will make every effort to see to it that you receive the benefits Congress intends you to have. Your patience and cooperation will aid in the difficult task we face in trying to satisfy the needs of every veteran who wants to buy surplus property.

THE ADMINISTRATOR

What is set aside for you

The property listed at right is reserved for exclusive sale to veterans of World War II. These are the items in greatest demand by veterans. Large quantities are not available. You may have to wait some time before purchases can be made. So many veterans may already be ahead of you that you may not be able to make your purchase. But you may be sure that only veterans will have the opportunity to buy "set-aside" items.

 needed it. Lemons came to bat six times, made one out, four scores, one of which was a home run, one triple, two doubles. It seemed that Gerald was out to make up for the absence of three of the main players. Gerald Lemons is the most improved batter on the club. Bill Ed McDaniels, small but dangerous little short stop, put out some beautiful playing as well as batting. He went to bat six times with four hits, two outs and three scores.
 The American Legion wishes to thank those who so graciously furnish transportation for the boys to the out of town games.
 The club lost to Sundown 9-7 in Sundown on Sunday, May 12.
