Vacation Bible School in Progress At First Methodist Church This Week

T/4 Elmer Akin In Caserne With Tank Troopers

The Tenth moved one step closer to its goal of becoming a National Light Tank Troop when permanent residence along the 72nd Squadron. Formerly located at Regimental Headquarters, Light Tank has moved that part of the Boblingen area recently vacated by the 47th AF Battalion.

It is expected that the move will expedite the Troop's training program by giving it an opportunity to work with other operational units and by providing main suitable for driving and entry ranges.

The Vacation Bible School is in progress at the First Methodist Church this week. Many interesting courses are being offered. Several instructors are working with the school, which is being directed by Mrs. Andrew Essary.

Tuesday, the second day of the school a total of eighty children had been enrolled. The classes were running from nine to eleven o'clock each day. A period of recreation is offered mid-way the school period each day and refreshments were being served the children.

Sunday night, June 9, 8 p. m., will be the closing of the school with a program put on by the children under the direction of their teachers and director. There will also be an exhibition of the work done during the week, and certificates will be awarded. The public is cordially invited to attend this program.

Garden Club Met Tuesday In Hawkins' Home

Cochran County Garden Club met Tuesday afternoon in the home of Mrs. Ford Hawkins with 16 members and one guest present.

Reports were given from the girl scout committee and Mrs. Joe Nicewarner, flower show chairman, reported on plans for the late summer flower show to be held in Morton.

Mrs. L. E. Huggins discussed "Plant Foods and Their Applications," as her program subject.

Flower show committees appointed were: Exhibits, Mrs. James St. Clair, chairman; Mrs. H. S. Hawkins, Cliff Davis, L. E. Huggins and Miss Lanora Jackson; Publicity, Miss Mabel Ann Manley, chairman, Mrs. Hester B. Sports, J. B. Knox, Earl Cadenhead and Carl Macon; Registration, Mrs. O. E. Stevenson, chairman, Mrs. Scott Hawkins, Andrew Essary, Travis Ferguson, and Ford Hawkins; Judging, Mrs. L. F. Hargrove, chairman, Mrs. Roy Hill, E. R. Lytle and J. T. Roy.

The girl scout committee composed of Mrs. O. E. Stevenson, Joe Gipson and Miss Manley reported completion of plans for the scout organization and announced that the leaders selected were Mrs. L. E. Huggins and Robert Lively. The club appointed Mrs. Travis Ferguson, Joe Gipson and Scott Hawkins to act as counselors for the scout troop.

Mrs. Albert Morrow was present, after an absence due to hospitalization, and thanked the club for a pot plant presented during her illness.

Mr. and Mrs. Richard S. West of Lamesa, and daughter, Mrs. H. A. Lemons and two children of Dora, N. M., were through Morton Saturday on their way home after a visit in Dora. The Wests are expecting their daughter, Mrs. B. J. Putman of Memphis, Tenn.

Scouts Return From Trip

Twenty nine Morton Boy Scouts accompanied by Zeke Sanders, Scout Master; Roy Hill, and Nath Bennett, driver of the school bus, returned from a weeks camping trip last Friday.

The group camped on the Pecos River near Carlsbad, New Mexico. The boys enjoyed swimming in the Pecos River and several received sunburned backs due to too much exposure. All agreed that Charles Patterson was the best swimmer among the group.

The scouts and sponsors went to the Carlsbad Caverns while their trip.

Boys making the trip were: Roy Deaver, Bobby Foutz, Merle Monroe, Vaughn Matthews, Charles Farmer, Corky Evans, Jimmy Anthony, Tommy Bowman, Bill Bowman, Lee Queen, Joe Ellman, Lonnie Allsup, Kenneth Ficks, Dewayne Burks, Kirby Keycey, Billy Weaver, Bunky Kergrove, Calvin Hodge, Clarence Buzzy, Glenn, Melvin Yarbough, Waydale Hill, Don Baldwin, Leon Mills, Joe Caruthers, Edward Hancock, Charles Patterson, Warren Patterson and Bub

Morton's Girl Scout Troop Organization Meeting Scheduled For Friday, June 7

All girls between the ages of eleven and 16 who are interested in becoming a member of Morton's Girl Scout Troop are invited to present for an organization meeting, Friday, June 7, in theasonic hall at four o'clock. Others of the potential group are extended a cordial invitation to be present at this setting.

The local troop will have as its leaders: Mrs. L. E. Huggins and Robert Lively. The troop will affiliate with the area, state and national organization of Girl Scouts and all participate in all activities listed in the scout manual.

Morton Girl Scouts are being sponsored by the Cochran County Garden Club.

The committee appointed by Cochran County Garden Club, at recent meeting, met last Thursday afternoon in the home of Mrs. O. E. Stevenson to complete plans for the organization of the Girl Scout troop.

Committees present were: Mrs. O. E. Stevenson, Joe Gipson, and Miss Mabel Manley. Mrs. Doyle Bacus, girl scout leader of Sudan, was present for his meeting and offered many valuable suggestions to the committee in formulating their plans.

CAN YOU REFUSE to help this Greek boy who survived the war only to face the despair of starvation? Unless food arrives immediately, he and millions like him in famine-stricken countries will starve to death. Help them by giving money or food canned in tin to the Emergency Food Collection on behalf of UNRRA.

Marvin Lee Fields of Oklahoma City is a guest of his grandparents, Mr. and Mrs. M. Markowitz.

Official U. S. Navy Photograph

SURVEYOR of the waters of Bikini Atoll will be the survey ship USS Bowditch. The Bowditch is equipped with all modern gear to completely survey the waters of the lagoon where the target fleet will be anchored. Throughout the war, survey ships operated in the forward areas, surveying the captured harbors, many times while the battle was still going on. The Bowditch will not only survey the waters previous to the test, but will check the underwater disturbances and results of the atom bomb blast.

Junior Baseball Team Defeated

Morton's American Legion team was defeated by Lubbock Legion team, Sunday, June 2 on their diamond south of town. Score was 27 to 7. The juniors were also defeated by the re-treads 6 to 8.

The Morton boys will enter the baseball tournament in Lubbock beginning Friday, June 7 and continuing thru June 10.

Attended Young Peoples Assembly At McMurry

Attending the Young Peoples Assembly at McMurry College last week from Morton Methodist Church were Loyd Willis and Leota Hood, among approximately four hundred other delegates from the Northwest Texas Conference. These young people reported a profitable, and pleasant time at the Assembly. Sunday morning they will give a brief report on the Assembly before the congregation which assisted the local Youth Organization in sending them.

CABLE CONDUIT COMPLETED

The telephone linemen now working in Morton have completed the underground cable conduit from the alley by the post office to the court house.

Mr. M. A. Bennett took Mrs. Reba Waddell to Phoenix, Arizona where she will visit with her husband, Sgt. Bob Waddell, who is stationed at the airfield near Phoenix.

Wesleyan Guild Northwest District Meet

The Northwest District Wesleyan Service Guild met in Lubbock at St. John Methodist Church on June first and second.

Registration started at six o'clock Saturday.

The Sunday morning session began at 8:30 with Mrs. Ruth Willis of Morton giving the devotional. Mrs. Kirk, wife of Methodist Pastor of Slaton conducted the workshop hour from 10 until 11 a. m.

The entire Guild attended 11 o'clock services at St. John Methodist Church.

Luncheon was served the members at Drum's Barbecue Inn.

The afternoon session began at 1:40 with organ selections by Mrs. Ashlock of Lamesa.

After the Guild song, Mrs. Hogan, Levelland, district Guild secretary explained the different offices to the group, and called for conference reports.

The election of officers was made with Mrs. P. B. Ramby of Morton, Ashlock, Lamesa, and Miss Schneider, 1st Church Lubbock, as judges.

The installation of officers followed, with Mrs. Hillman as installing officer.

Mrs. J. D. Hawthorne of Morton was elected vice-chairman of this district, and Miss Allene Curry of Levelland as publicity chairman.

Scout Council To Meet June 6th

Dr. Marshall Harvey of Lubbock, chairman, of Southwest Plains Girl Scout area council has called a meeting for 8 p. m. Thursday night, June 6, in the Hilton Hotel. Dr. Harvey is expecting representatives from every Girl Scout Organization to meet with the board. Local Scout leaders are: Mmes: L. E. Huggins and Robert Lively.

Whiteface Child Is Moved Home

Speedy recovery was marked up last week for the county's first encephalitis case in several years. Year-old James Wesley Bills, son of Mr. and Mrs. J. E. Bills of Whiteface, was moved home from Phillips-Dupre, Levelland, last Tuesday.

The child's illness was diagnosed at the hospital five days earlier as acute encephalitis. He was brought to the hospital Friday, May 24.

Sheriff's Department

Several truckloads of Mexicans who had been living in the northeast section of Morton have gone to Nebraska to help work in the sugar beet crop. Money was sent here to help defray their expenses.

Sheriff Mac W. Hancock took a patient to the eleemosynary institution in Big Springs on June 3 and on June 4 the Sheriff picked up an A.W.O.L. Marine and returned him to United States Marine officers in Lubbock.

SEISMOGRAPH CREWS

Two Seismograph crews located northeast of Morton have been working the eastern portion of Cochran county thoroughly in an effort to locate new oil deposits.

Miss Arlene Bennett has enrolled at A. C. C. in Abilene for the summer session. Arlene is the daughter of Mr. and Mrs. M. A. Bennett.

Mr. M. Markowitz is attending market in Dallas this week.

OES Installation Ceremonies Attended By Large Number At Methodist Church

A capacity crowd attended installation ceremonies at Methodist Church Friday night, for new officers of Morton's chapter of the Order of Eastern Star. Mr. Jack Bullard was installed as worthy patron and Mrs. Lem Chesher as worthy matron.

Mr. and Mrs. C. A. Moore retiring worthy matron and patron were presented pins by the chapter.

Other officers installed at the special service included Zona Woods, associate matron; Wilbur Woods, associate patron; Era Willis, secretary; Leona Bowers, treasurer; Iva Willis, conductress; Lela O'Pry, chaplain; Wilma Morrison, marshal; Lois St. Clair, organist; Mildred Macon, Adah; Winnie Jordan, Ruth; Dorothea Weeks, Esther; Marian Porter, Martha; Geneva Essary, Electa; Mattie Ramby, Warden; Alvin O'Pry, Sentinel.

"Weaving A Dream" was the title given the program presented by Mrs. Chesher as associate matron.

In response and honoring Mrs. Chesher, Mrs. C. A. Moore gave the program "Harbor Lights." Each installing officer was giving

Radio Recording Weather Balloon Found By Treva Jo Thompson Monday

Abby Marie Silvers Weds Childhood Sweetheart

In a quiet but impressive ceremony, Abby Marie Silvers, attractive daughter of Mr. and Mrs. C. H. Silvers, Morton, was married to her childhood sweetheart, Pfc. Don Hofman, son of Mr. and Mrs. W. C. Hofman, Dora, New Mexico, Sunday, June 2, at four o'clock in the Baptist Church of Dora with Rev. Gaston Green officiating.

Abby Marie, former student at E. N. M. C., Portales, N. M., was dressed for her wedding in an all white ensemble with large picture hat, and shoulder corsage of pink rose buds.

The couple was attended by Miss Lavelle Chapman, Dora, former roommate of the bride, and Mr. Arlin Perkins, Bluff, N. M. Miss Chapman was dressed in blue and wore a pink corsage.

Parents of both bride and groom were the only guests at the wedding.

Following the ceremony, the parents of the groom were hosts to a bridal supper for the wedding party.

After a honeymoon at Cloudcroft, N. M., the couple will be at home near Camp Campbell, Kentucky, where the groom is stationed with the Army Air Forces. The Silvers formerly lived in Dora.

A balloon with radio recording equipment and bright red parachute burst and landed on the Glen Thompson farm northwest of Morton, Monday about 10:30 a. m.

The falling parachute was seen by Treva Jo, the six year old daughter of Mr. and Mrs. Glen Thompson, who reported its presence to her parents.

The balloon was sent up by the United States Weather Bureau Station at Clovis, New Mexico. It usually is carried up to a height of 12 miles.

While in the air the instrument acted as a radio broadcaster of the temperature, pressure and moisture of the air through which it passed.

The balloon burst, and came slowly down on the parachute, to land on the Thompson farm where it was picked up and mailed by Thompson, at the local postoffice; according to attached instructions from the weather bureau.

FARM TO MARKET HIGHWAY

Bids will be received for a contract to construct a Farm to Market highway from Neely Ward to Maple on June 25. This highway is approximately 6½ miles long and will give Maple an all weather road to highway 290.

Mrs. Doyle Bacus and family of Sudan visited with the Hume Russells last Thursday. Mrs. Bacus is a niece of Mr. Russell.

Legion Plans Burials For World War II Veterans Dead Returned To Home Soil

The bodies of nearly a quarter of a million servicemen and women killed in World War II will be returned to the United States for burial with military honors in their home soil, Mancel Talcott, chairman of the American Legion grave registration program, estimated Sunday.

This estimate is 80 per cent of those buried abroad. Talcott said. National Legion headquarters in Indianapolis will become nerve center for the project. The Legion's 14,640 posts will provide honor guards when the bodies arrive at their final destinations. Talcott has evolved a system whereby every body will be received by a guard of honor. He said Legion headquarters would receive information on the time each body will arrive in this country, the route of its journey to its home city and the arrival time. This information will be forwarded to next of kin and to the nearest Legion post. The post will co-operate with the family and will, if the family prefers, provide a chaplain, pallbearers, a firing squad and a drum and bugle corps for the burial. After bodies arrive they will be sent home in Pullmans—not freight or flat cars—and will have escorts.

Talcott said 241,000 bodies were buried in 356 established U. S. military cemeteries overseas and 18,558 in isolated places.

The government will return only bodies requested. Latest reports show more than 19,000 Army Navy, Marine and Coast Guard personnel still listed as missing. A total of 328,000 men and women died in World War II.

After World War I the bodies of 46,000 of 78,000 men buried overseas were returned on request.

Talcott said the government has estimated cost of the project at \$195,000,000 to \$215,000,000, which would make an average cost of more than \$700 for the return of a body. The government is providing 250,000 identical, hermetically-sealed caskets for the evacuation.

Wheat Is Scarce Commodity

The once plentiful product wheat is now a scarce commodity. It is having to be stretched to feed all of the people of the world. Everybody is being asked to save flour and other wheat products.

There has been much said about sugar and meat stretchers during the war. Now our minds turn to "flour stretchers". There is of course our old stand by, corn meal, which can be made into a variety of breads and muffins. Some of these breads are made with yeast and are very delicious.

Oatmeal can also be used in breads to help stretch the precious wheat flour and at the same time give added nourishment. The oat is very rich in iron and vitamins. Here is a recipe for oatmeal "Hurry-Ups" that is a very delicious substitute for wheat bread:

1 cup sifted flour; 3 teaspoons baking powder; 3 tablespoons of shortening; ¼ teaspoon of salt; 1½ cup oatmeal; 1 cup milk.

Sift flour, salt and baking powder together. Add oatmeal. Cut the shortening in. Stir in the milk. Drop by teaspoonful on a well greased baking sheet. Bake 1½ dozen medium size. (May need more flour and salt). Bake at 450 degrees for 15 minutes.

Recipes for many other types including yeast and quick breads can be obtained from the county home demonstration agent's office.

RETURNS FROM HOSPITAL

Sonny Hudson returned home Saturday from the Littlefield hospital where he was treated for serious head injuries received when he fell off a horse.

RECITAL

Mrs. L. L. Price will present her piano pupils in recital Monday evening, June 10, at the school auditorium. The program will begin promptly at 8:30 o'clock.

CONGRATULATIONS TO—

Lt. and Mrs. R. N. Chadderton, upon the birth of a son, Wednesday, May 29.

Mr. and Mrs. T. A. Thomas, twin boys, May 21, Named Jerry Gale and Gerry Dale.

Mr. and Mrs. F. E. Mapes. A girl weighing 6½ pounds. Named Eva.

Mr. and Mrs. Charlie Lavender. A boy weighing 8 pounds.

Some Timely Advice To Vacationists As Issued By State Health Officer Cox

AUSTIN—Some timely advice to vacationists concerning the proper precautions to be used in water sports during summer months was released from the State Health Department today by Dr. Geo. W. Cox, State Health Officer.

It was pointed out that in view of prevailing travel difficulties, vacation pleasures are apt to be limited to excursions and picnics at nearby lakes, rivers, and ponds of unfamiliar depths and currents, and without the usual lifeguard supervision associated with bathing beaches and commercial swimming pools.

"Swimming and water sports are beneficial to good health provided one's physical condition justifies this type of exercise," Dr. Cox asserted; "nevertheless, they possess dangerous possibilities if the rules of safety, through carelessness or thoughtlessness, are disregarded."

The State Health Officer outlined the following simple rules for bathing and swimming in safety: when swimming, be alert and careful of unknown depths and currents; at least one hour

should elapse after a meal before entering the water; upon the first indication of fatigue, come ashore and call it a day; if you become chilled, leave the water immediately; do not enter the water when overheated; learn to float, this is most important; never attempt to rock a boat in a spirit of fun; never swim in water that may be polluted. Swimming close to or even a few miles below sewage outlets is inviting the possibility of acquiring disease.

"Excursions, picnics, and swimming parties contribute much to a healthy, happy, normal life, which is always desirable," Dr. Cox said. "It is by no means advisable to eliminate these excursions from our summer program, but it is important that they prove beneficial and not disastrous."

Lockheed P-80 To Be Featured At Air Show June 23

South Plains residents will have the opportunity to get a close-up view of the Army Air Forces jet-propelled Lockheed P-80 "Shooting Star" June 23 at the Lubbock National Aeronautics Association air show which will be held at the Lubbock Municipal Airport commencing at 10:00 a. m.

Major Victor G. Modena, assistant recruiting officer at Goodfellow Field, San Angelo, has assured NAA officials that at least two of the 9-mile a minute P-80's will be at the field for the show. Other air force planes which will go through maneuvers during the show are an A-26, B-25, P-47, AT-6, and AT-7. There is a possibility that these models will be supplemented by others.

In addition to the Army Air Forces show, the program will feature a display of new models of private aircraft and a model airplane show, the later event carrying a \$25.00 cash prize.

The Army flying exhibition is scheduled for 2:00 p. m.

The girl who marries into a wealthy family has one advantage. Her husband will probably never tell her that she can't cook like mother did—because chances are his mother was never a cook.

Mt. McKinley is in south central Alaska.

Sidelights From Washington

By George Mahon

My mail from our District indicates widespread approval of the quick action of the House of Representatives in passing legislation to stop the paralyzing railroad strike. Within two hours after the President addressed the joint session of Congress we had passed the bill requested by him.

The railroad unions are made up of the very highest type of American citizens. They did a great job during the war. The union organizations were 18 to 2 against the strike. It was principally the stubbornness of one man, Mr. A. F. Whitney, that produced the disastrous situation. A country that cannot protect itself against utter chaos is in a bad shape. I am convinced that the quick action of the House gave hope and encouragement to a great majority of the American people.

The American people have been kicked around by such tyrants as John L. Lewis until their patience is threadbare. People generally do not have time and opportunity to read the Congressional Record and they cannot understand why more effective action was not taken against racketeers in industry and labor months ago.

The fact is that before the war, during the war, and since the war, the House of Representatives passed legislation to meet the situation but the legislation has usually died in the Senate. However, the Senate has now passed the Case Bill which was approved months ago by the House, and the bill has gone to the White House.

Those of us who voted for the bill to stop Mr. Whitney's paralyzing railroad strike have been threatened by Mr. Whitney, and he has also insulted the American people. In commenting on those of us who voted for the bill, Mr. Whitney, according to the Associated Press, said:

"My Board of Directors already has authorized me to spend \$2,500,000 to defeat the members of

Entered at the Post Office at Morton, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

Congress who have voted for the shackling labor legislation Mr. Truman has proposed. We mean to defeat every member of Congress who voted for that bill."

The C. I. O. continues to breathe out threats against those who have advocated and are advocating remedial legislation. What we desperately need in America today is government in the public interest—not government by pressure groups who threaten legislators and insult the intelligence and patriotism of the people. Minority groups are entitled to be heard in America and they are entitled to a fair deal and every legitimate right, but they are not entitled to run rough-shod over the majority.

There is no perfect answer to all the problems which beset our Country. But one thing is sure—this Nation cannot safely go forward without the adoption of a more clear-cut and workable Labor-Industry policy—a policy which will safeguard the best interests of the American people.

A Local Lady Spit Up Acid Liquids For Hours After Eating

For hours after every meal, a local lady used to spit up a strong, acidulous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had stomach bloat, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her. No gas, bloat or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Cochran County.

BIOLOGY COURSES AT DENTON

DENTON—Farmers, ranchers businessmen and professional men of Texas will join North Texas State College students in field biology courses for one week during the coming summer session at NTSC in an effort to see conservation on the ground, according to Dr. B. B. Harris, dean at NTSC and head of the biology department.

Six afternoon periods will be set aside to make field trips to various farms and ranches around Denton during the week.

Nowadays it isn't a question of whether or not the train is on time. It is just a matter of whether or not it is going in the right direction.

No one will ever make a married man believe that women are a dime a dozen.

Karl E. Wallace New Chief Of Priorities And Special Services Division Of WAA

Hamilton Morton, regional director of the War Assets Administration Fort Worth, has announced the appointment of Karl E. Wallace as Chief of the priorities and special services division for the Fort Worth region of WAA.

A Veteran of both world wars, Wallace will be in charge of development and coordinating and effective program for the disposal of surplus materials to federal agencies, state and local governments, veterans and special program purchasers.

"It is an interesting and big job," he said upon taking over his duties, "and one of my first steps will be to inaugurate a program of help to the veterans."

Wallace said that he planned to go out into the field himself, and hold meetings to acquaint all prospective purchasers, especially veterans, with the policies and proceedings of the WAA, about which there has been, he said, a great deal of confusion. In addition, he planned to send field crews out for the purpose of certifying veterans, instead of having them come long distance to Fort Worth in order to be certified for purchase of surplus.

He brings to his new position a wealth of experience in organizing and planning. Among other things, he organized and set up the works program of the WPA in Brownwood, Texas, region in 1935 and became district director of the WPA in Fort Worth in 1937 when the Brownwood and Fort Worth offices were combined. He also organized the Coleman, Texas, Chamber of Commerce, and

was its president. During World War II, as a colonel, he organized an advanced infantry training center in France and was its commanding officer for one year. He has been post commander of two American Legion posts, the Jack Laughlin Post in Coleman in 1928 and the business and professional men's post in Fort Worth in 1939.

In the interim between the two wars, he was at various times a cotton gin operator, rancher and automobile dealer in Bangs and Coleman, Texas, of which state he is a native, having been born in Santa Anna. He attended Howard Payne College, Brownwood, and Texas A and M College.

Returning to active duty in the army in 1940, his first assignment was as executive officer of the 142nd infantry regiment, of which he was later placed in command, prior to his overseas assignment. He was placed on inactive duty, April 11, 1946.

He is the father of six children, three daughters and three sons, two of whom served in World War II. A son-in-law also served. His eldest son, Karl E., Jr., 23, a Captain of Infantry, was wounded twice in the European Theatre. Bruce, 21, a tail gunner in the eighth air force, was also wounded. Both sons are now attending Texas A and M College.

Tech Auditorium Named In Honor

LUBBOCK—The auditorium in the Agriculture building at Texas Technological College has been named the Aggie Memorial auditorium in memory of Texas Tech agriculture students who were killed in World War II, according to Dean W. L. Stangel. Services dedicating the auditorium will be held next fall.

A petition, drawn up by members of the Aggie club asking that the auditorium be made a memorial to the 41 ex-students already known killed in World War II, was presented to Tech's board of directors who approved the memorial auditorium at its last meeting.

Funds were voted by the club to erect a bronze tablet commemorating the auditorium.

The housing situation is getting terrific. A couple can't even live with the parents nowadays, because the parents are living with their folks.

For Lieutenant Governor

ALLAN SHIVERS
of Jefferson County

The father of two children, he left the Senate to volunteer in World War II, served overseas and now asks promotion to the office of Lieutenant Governor, for which he is qualified, based on service and experience. Address Allan Shivers, Fort Arthur, Texas.

350 Stinson At-19 Monoplanes Will Go On Sale

More than 350 surplus Stinson At-19 cabin monoplanes, former lend-lease aircraft which have been returned by the British, will be offered for sale beginning June 3, Hamilton Morton, War Assets Administration director, Fort Worth, announced Monday.

The planes are located at Chambers Field, Naval Air Station, Norfolk, Va. They are priced at \$1,500, \$2,000 and \$2,500 each, depending on condition, cash only, with no discounts.

On June 3, sales will be made to federal agencies for their own use. Veterans of World War II may use their priority from June 4 through June 18. June 19 has been set aside for RFC purchases for resale to small business, June 20 for state and local governments and subdivisions and June 21 for eligible non-profit institutions. Beginning June 22, the sale will be open to the general public.

Inquiries regarding aircraft disposal may be made at WAA regional office, 2001 McKinney Ave., Dallas.

Q. Can an honorably discharged member of the Women's Army Corps obtain hospital treatment in a Veterans Administration hospital?

A. Yes, former female members of the armed forces are entitled to the same treatment as male war veterans.

Q. Does National Service Life Insurance contain any restrictive provisions respecting military service, occupation, or travel which might limit the protection under the insurance retained after discharged from service?

A. No.

Q. Under what conditions may National Service Life Insurance premiums be waived by the government on account of total disability?

A. All National Service Life insurance policies contain a provision for the waiver of payment of premiums, upon application by the insured, during the continuous total disability of the insured which continues or has continued for 6 or more consecutive months, provided such disability commenced subsequent to the date of his application for insurance, while the insurance was in force under premium-paying conditions and prior to the insured's sixtieth birthday.

Q. How does a noncitizen veteran apply for naturalization?

A. If the veteran has been honorably discharged, he may apply at the nearest office of the Immigration and Naturalization Service or at the nearest post office for complete information.

Q. What are the requirements for a pension payable to World War II veterans for service-connected disabilities?

A. Pension may be paid for disability incurred in, or aggravated by, active service in World War II, in line of duty, according to the degree of disability shown. Pension is not payable if the disability is the result of the veteran's own willful misconduct. The veteran must have a discharge under conditions other than dishonorable.

After listening to some married couples argue, we are inclined to believe that they should have been married by the Secretary of War instead of the Justice of Peace.

New Dormitories For Texas Tech

LUBBOCK—Construction of four new dormitories at Texas Tech has been started and is moving along rapidly. Ground was broken two weeks ago and the first steel is on hand.

The T. C. Bateson Construction company began first on the joining units for women, shifting earth moving equipment to the site of the two units for men immediately after major excavation on the first units was completed.

The contractor has been asked to complete the housing units, to care for 1420 persons, by the

Tribune, Morton, Cochran County Texas, Thursday, June 6, 1945

fall of 1947 and has announced he will do so if not delayed by lack of materials. The recent rail-road strike delayed the initial steel shipment several days.

The dormitories, when completed, will double campus living quarters, giving men and women four units each. Joint kitchens will serve the two new dormitories for women and the two for men. Each double room assigned students will have an outside exposure, while lounges and recreation rooms will be included in the buildings.

The new dormitories for women will be located just south of

the present units and near the president's home. The new building for men will be directly north of existing housing units.

When a man gives his wife a fur coat it is either to keep her warm or to keep her quiet.

Kelly-Miller Rites Held May 24th

Mr. and Mrs. S. C. Kelly of Morton are announcing the marriage of their daughter, Ramona, to Mr. Curtis Miller, son of Mr. and Mrs. R. C. Miller of De Leon, Texas.

The ceremony was performed Friday night, May 24, at 8:00 p. m. in the home of Rev. C. W. Short in De Leon, Texas.

The bride wore a red and white embroidered dress with white accessories and a shoulder corsage of white gardenias.

The couple was accompanied by the bride's brother, S. C. Kelly Jr., Marie Emma Bassett of De Leon and the groom's mother and sister.

The groom has served with the armed forces for the past four years, having served three years overseas.

Immediately after the ceremony the couple left on their honeymoon for Glenn Rose, Tex.

The couple will make their home in De Leon.

SWING OF THE SOUTHWEST FARM MARKETS

Prices were higher for cotton, lambs and cattle, steady for grain and hogs, and slightly weaker for vegetables and poultry and eggs last week, reported USDA's Production and Marketing Administration today.

Prices for spot cotton advanced about \$1.75 per bale during the past week, but market activity decreased but to scarcity of offerings. Demand continued good for most of the better grades. Trading in the lower grades increased as this was the principal source of supply. Inquires for new crop cotton increased and some substantial sales were reported. Sales in the 10 spot markets totaled 66,800 bales for the past week compared with 82,600 bales the previous week and 124,500 bales a year ago.

Tight supplies of grain and feed continued to bring ceiling prices. Little movement of new crop oats and wheat was reported.

Last week saw slightly weaker prices for eggs and poultry at most southwest terminals compared to closing prices of the previous week. Demand was slow to fair. Heavy rains tended to

First Baptist Church News

W. E. Lovelace attended the Pastor's and Laymen's Conference in Ft. Worth, June third to fifth.

Monday night, June third, the deacons of First Baptist Church held their regular meeting. Those recommended by the board and ordained as reasons were: Travis Ferguson, Earl Outlaw, Floyd Grimsley, J. B. Lilljhi, Eima Seaney and J. T. Shaw.

The Juniors of First Baptist Church are making attendance posters. Those absent are given a red star and those present receive a gold star.

On Sunday, May 26, the Jolly Pals Class won the coveted Efficiency banner.

Elsie Mae Ray, who had an appendectomy in a Brownfield hospital is doing nicely.

Mrs. J. W. Baker, who has been ill for some time, is very low.

had returned.

Time is a sea of solvent which consumes all that falls into it. The mountain and a lover's promise perish like snowflakes that lay for an instant beneath the sun.

NRich windows of diamonds and soft gold arrest many a hurried step on the city's weird street. When soulless rain spills through the night's leaky roof and fears walk in pairs past the shadows and sounds, jeweled windows seem brighter. They become cold flames that attract grounded moths; lanterns to light the faces of dreamers. Few of us that pause appear to possess the amounts on price tickets. We will be great spenders once our ships ever anchor in the harbor of tomorrows.

Apparently no one has forseen the complication which may arise from the practice of West Texas counties paying bounty on the ears of coyotes. Some day an attractive young girl is certain to ask of money is paid for the ears of any kind of a wolf.

"Home Sweet Home" is a nice motto if you have some place to hang it.

How can we know the wealth of youth without having lived it? A child has no method to evaluate the worth of a coin until after it is spent.

We'll buy your wheat at top prices. See us before you sell—Hawkin's Tractor Company. 16

John Deere Dealer

log receipts at country points. Current receipt eggs brought 39 cents a dozen, Fort Worth; 31 cents, Dallas and Denver; and 32 cents, New Orleans. Heavy hens sold at 23 cents a pound, Dallas; 23 to 24 cents, Fort Worth; 25 to 26 cents, Denver; and 28 to 31 cents, New Orleans. Most markets quoted fryers at 30 to 33 cents.

The rail strike and heavy rains hindered vegetable shipments last week. South Texas tomatoes were slightly stronger early in the week but declined Friday. Six boxes of U. S. No. 1, six by six and larger sizes sold mostly at \$2.25 to \$2.35. Fair demand kept South Texas corn about steady, but offerings were too small Friday to test values. North Texas onions were slightly stronger near the end of the week. U. S. Commercial and U. S. No. 1 Yellow Bermudas were quoted mostly around \$2.25 to \$2.50 per 50-pound sack. Louisiana sweet potatoes were about gone. Watermelons began moving with Texas Black Diamond or Florida Cannon Ball at \$5.50 to \$6 per hundred pounds for 30-pound melons.

Livestock receipts were light last week because of the rail strike and the holiday Thursday. Most southwest markets reported active cattle trading at steady to stronger prices. Houston quoted medium steers and yearlings at \$13 to \$14.50 per hundred pounds and medium cows at \$10.75 to \$12.25. Medium cows brought \$10.75 to \$12, San Antonio. Fort Worth moved medium beef steers and yearlings at \$14 to \$15.50 and common and medium cows at \$9 to \$12. Medium and good yearling steers and heifers ranged from \$13.50 to \$16, Oklahoma City. Bulk medium and good slaughter steers and yearlings realized \$14 to \$16 at Wichita. Denver quoted common and medium cows at \$10.50 to \$12.75.

TRAIL DUST

A new school of thought advocating the necessity of a poor memory is refreshing. Its principals deserve consideration since there is a smooth-mouth fact that more trivial than important incidents occupy our time. More useless than worthy words are uttered; more wretched than happy hours claim parts of our lives. Without remembering we are able to meet each instant with a wholesome aspect. There is no excess burden left in the attics of our souls.

Hangling between the leafless limbs of perished years, the once gossamer web of ambition now sags with the dust of many failures; the weight of secret tears.

My cowboy acquaintance who rolls a tamale-shaped cigarette without licking the paper, has an opinion that the men who look at their watches with the greatest frequency are not going anywhere.

Wind like a tumbling wall pushed the cottonwoods from their places in the moving car lights and yellow leaves laced the darkness. Blinded and afraid, the small bird was unable to escape the impact with eternity. In a fleeting instant I knew that one of God's numbered sparrows

Cull Poultry Now Is Expert's Advice

The present ceiling prices on wheat, corn, and other grains and protein concentrates means that heavy culling must be done in farm and commercial flocks if poultrymen hope to stay in the black on egg production, according to Roy Hickman, county agent.

"It takes around 11 pounds of feed to produce a dozen of eggs from a hen that is laying at the rate of 80 eggs per year," Hickman said. A 200-egg hen will lay a dozen eggs on 5 pounds of feed.

The poultry specialist estimated that 3½ million Texas hens, or about one out of seven in the average flock was costing her owner money instead of bringing it in.

While culling boarders from the flock is always good business it is especially necessary now because of the feed situation, he said. Many low producing hens in poultry flocks are eating feed at the rate of four to five pounds per month, so two birds culled out now will save a sack of feed in the next year.

The feed so saved can go to relieve the feed and food shortage elsewhere, or two young birds can be raised up to production on what one would eat in the meanwhile.

MAPLE NEWS

Miss Dean Miller of Needmore is visiting her cousin, Pauline Watson.

Calvin Davis has returned from the Navy. We want to welcome him home.

3-Way school is finally out. Everyone seems to be glad.

The 3-Way 8th grade students graduated Tuesday night. There were 26 to graduate. One girl wasn't there. We wish them good luck in High School.

The 3-Way seniors graduated Wednesday night. They were: Rozelle Sowder, Bobbie Ollen, Bobby Clappitt, Ruth Warton, Marybeth Toombs, La Nora Mueller, Beverly Smith, John Gunter, and Dane Blanchard. Claude Rumsey was also to graduate but wasn't there. The seniors left on their trip Friday afternoon. We wish them happiness in the future.

Mr. and Mrs. Elbert Belley of near Neelyward had a chicken fry, Thursday night. Those present were: Mrs. John Tyson, daughter and son, Mrs. George Tyson and family, Mr. and Mrs. E. B. Richardson and daughter, Mrs. H. C. Penny and family, Mr. and Mrs. John Williford and family, Mr. and Mrs. H. W. Garvin and family, Laqueta Kelley, all of Maple. Everyone enjoyed the food and had a swell time. Also Mrs. Aleda Mae Wright and

daughter were there.

The farmers are all wanting it to rain so they won't have another crop failure. Maybe it will rain soon, here's hoping.

Mrs. J. H. Bomar and Uldene of Lubbock were visiting relatives and friends of Maple Friday.

Mr. and Mrs. H. W. Garvin were in Muleshoe on business Wednesday.

Reporter—Bonnie Garvin.

War Assets Administration Will Hold Representative Meeting In Denver

North Texas Educational Institutions have been invited to send representatives to a meeting with war assets administration officials in Denver on June 10 and 11. Hamilton Morton, WAA Regional Director, Fort Worth, said Saturday. The representatives will receive first hand information on how to obtain surplus aeronautical property for school use.

In addition to Texas, schools in Colorado, Utah, Wyoming, Arizona, Oklahoma, California, Kansas, Nebraska, North and South Dakota have been invited to send representatives. While original invitations were sent only to those schools which had shown interest in the program, all schools in these states are invited. The meeting will be held in the Denver high school gymnasium.

Morton said that the school officials will be given complete information on the aeronautical disposal program and will see a display of typical samples of material that is available to them. The officials will place orders on the spot for the equipment.

The Denver meeting, he added, is part of a nationwide program to assist eligible educational institutions in obtaining surplus

aircraft and aeronautical equipment of all kinds for classroom use. Similar meetings which have been held in other sections of the country have resulted in the disposal of large amounts of this material to schools.

RECEIVES PROCESSING FOR RETURN TO CIVILIAN LIFE

Batangas, Luzon, P. I.—Pfc. Donald P. Grusendorf, son of Mrs. O. H. Grusendorf of Morton, after more than 24 months of service in the armed forces has received processing for his return to civilian life and is now enroute home.

Grusendorf has been overseas ten months and was last stationed at Sub-Base R, on Luzon, 80 miles south of Manila with the 733rd Engineer Depot Company.

CEREMONY AT VERNON INDEFINITELY POSTPONED

LUBBOCK—Plans of Texas Technological College to confer an honorary degree of doctor of laws to United States Attorney General Tom Clark at a ceremony in Vernon May 30 were indefinitely postponed when Clark was forced to cancel his scheduled trip to Texas.

MARITAL NUGGETS

Love is blind . . . marriage is the eye-specialist.

A divorce was granted a husband from a sympathetic court in Virginia when a man testified that his wife had used his prize butterfly specimens to trim her spring bonnet.

REGIONAL ROUND-UP

By Pat Flynn

DUMAS and Moore County have authorized an architect to present plans for its proposed Memorial Hospital and will advertise for bids soon.

HEREFORD'S recent hail storm caused an estimated loss of \$1,000,000 to local wheat growers. The new canning plant officials have asked losers to replant in vegetables.

JACK C. CRIGG, of Tullia, represents West Texas at the atomic bomb test on Bikini Atoll as an electrical technician.

BROWNFIELD is laying new water mains this week to complete its city expansion program.

CANYON, will vote June 1 on a \$100,000 water and sewer bond issue.

RUMOR has it that Amarillo will take over Palo Duro Park soon based upon an issue of revenue bonds, the only type available which will keep the park open, and a type of bonds available only to a municipality.

QUANAH officers were subject to a hoax last week. A farmer looking through an old deserted barn told questioners he saw the Texarkana killer enter the shed and he was looking for him. The bystanders spread the rumor and officers of the entire area were put to unlimited trouble.

McLEAN'S Baptist Church had a fire of unknown origin last week, causing several thousands of dollars damage.

PORTALES, N. M., has 276 names of farmers growing peanuts this year, according to the latest survey of that state.

A MEMPHIS horse ran into a car last week. The negro boy rider suffered a fractured leg, the woman car driver received slight abrasions, and the horse died. The car side was smashed.

PANHANDLE officers have arrested two men charged with robbing three Carson County farm homes last week.

CARLSBAD, N. M., voters approved a \$695,000 school bond election last week five to one.

LAMESA officers, arresting four boys, claim to have broken up an auto-stealing gang which had taken nine cars.

FARWELL, TEX., will have a new motion picture theatre, to be managed by Tahoka's Mrs. Roy Adams.

WINTERS, reporting a grasshopper invasion, now offers poison to kill the insects.

PLAINS LIONS are sponsoring a new theatre for their city.

ELIDA, N. M., has organized a Lions Club.

PADUCAH has organized a Boys Club for youngsters six to 16 years of age.

MR. AND MRS. DWIGHT G. AXTELL, Dimmitt, who recently deeded their 1419 acre farm to Boys Ranch, hope to have sufficient materials to start barn and house construction by summer.

DENVER CITY'S Odd Fellows celebrated their first anniversary last week. This city's Lions were chartered last week at a gala celebration.

VERNON officers arrested a

Base Operators To Meet In Lubbock

Fixed Base Operators of the Lubbock district will meet June 12 at the Lubbock Hotel in Lubbock to form an organization which will look after the orderly development of aeronautics in Texas. All operators, airport managers and factory representatives are urged to attend.

A. W. Meadows, director of the Texas Aeronautics Commission, will be in Lubbock June 11 to handle any late minute arrangements.

WHERE A LITTLE IS A LOT

Hard work is no stranger to the farmer. He knows that what you get out of a job is based generally upon what you put into it. Most farmers, knowing the amount of effort it takes to have a successful farm, buy insurance against rain, hail or tornado damage to their buildings and their crops.

But the farmer, like the city resident, cannot protect himself or his family by any known means against a disease, infantile paralysis, which again is on the march in the United States.

However, while no means of prevention or cure of polio have been discovered, much can be done in the way of treatment, the National Foundation for Infantile Paralysis points out.

Treatment of infantile paralysis is expensive. Should someone in your family be stricken, the cost of prolonged treatment might sweep away your life savings were it not for the fact millions of farmers and city dwellers voluntarily support the annual March of Dimes—sole source of National Foundation funds.

Through such contributions multiple services await whenever polio may strike in any county of the nation, for National Foundation chapters stand ready to aid infantile paralysis victims regardless of age, race, creed or color.

There is no insurance against polio; but there is assurance that no infantile paralysis victim need go without aid because of lack of funds.

That indeed proves a little can mean a lot.

woman last week charged with stealing narcotics from a local physician's car. Officers also arrested a 17-year-old boy charged with forgery.

CANADIAN voters will hear plans this month for a new hospital plant valued at \$175,000. The city also has purchased new water pipes to insure ample supply for the summer.

CROSBYTON awaits plans and specifications before starting its \$50,000 water and sewer extensions.

FLOYDADA'S Foundation Day and Pioneer Celebration, May 28, brought out a record attendance for both parade and other high-light events.

A CYCLONE, near Colorado City, last week killed a woman on a nearby ranch.

LUBBOCK voters went to the polls Saturday to decide the \$1,850,000 issue for municipal improvements.

RISE STAR has appointed Roy Rutledge to supervise construction of its Cooperative Hospital, expected to be under construction this month.

LAND equal to four 100-acre farms was washed down Deep Creek, near Snyder, last week during a flash flood.

LOUIS BESSEMER has resigned as secretary-manager of the Clovis, N. M., chamber of commerce and received a front-page tribute from The New Mexico Press for his outstanding achievements while in office.

POST, TEX., has raised a \$6,000 chamber of commerce budget but has been unable to employ a secretary-manager to date.

LITTLEFIELD drivers will find new signal lights on the main streets this week to "slow down traffic."

SWEETWATER voters decide their school problems this week at the polls on a \$260,000 bond issue.

LEVELLAND, is considering an entirely new streets lighting program.

LITTLEFIELD has organized a Junior Chamber of Commerce and is accepting bids in the amount of \$275,000 for the construction of a City Light Plant.

DALHART stages the 10th annual XIT Reunion this year on June 22-24, stepping up the dates from hot August days.

Wallace Theatre Programs For The Week

For Friday and Saturday we offer something new in westerns, thrills excitement, not one horse is rustled or no stage coach robbery. It is Tex Ritter and Dave O'Brien in a racket of freeing desperadoes from jail, killing them and returning their bodies to collect the rewards on their heads, in this respect, the plot smacks of modern gangdom yet there is plenty of rip-roaring western action with hard riding fights and gun-play, sweet music and plenty of comedy.

Saturday Prevue when Dorothy Lamour crosses the border for a terrific whirl in the billion dollar, post war play ground of the Americas. It's rumba-time and rhythm-time and romance-time as Dorothy sets the pace for the gay, glamorous and glittering senioritas and make it lovely with new hit tunes, new dances, new gowns and new love, you'll thrill with Dottie's new boy friend in "Masquerade In Mexico."

Sunday and Monday, we offer the years most talked about "movie", featuring lovely little Miss Margaret O'Brien, Edward G. Robinson and Jackie "Butch" Jenkins. See Thrills Like These . . .

The lovely city school teacher fight against her love for the handsome small-town editor. The spectacular electrical storm which threatens to wipe out an entire community by fire. The terrified children swept toward death by swirling, raging flood waters. The daring rescue in the nick of time as the rapids hurl them towards the falls and sudden death. See these thrills in the deeply sentimental and mov-

ing story of a Wisconsin farm family, it's—"Our Vines Have Tender Grapes."

Tuesday for one day only, matinee and night at regular prices. The show larger than a circus—"Danny Boy" the feature attraction. Of all the problems attached to returned veterans of this war, that of the readjustment to civilian life of the hard-biting K-9's, soldier dogs who saw service in the South Pacific, is perhaps one of the most dramatic, as is proved by "Danny Boy" Marine hero of the K-9 Corps, that devil dog Jap killer. There's always fascination in the story of a boy and his dog, that's the kind of a story you'll see in "Danny Boy" showing Tuesday only. This time the story isn't about just any dog, it's about a dog who's a War hero—a fighting Marine who is brought home to his young master to begin life anew as a civilian. You will laugh, thrill and cry with "Danny Boy"—Tuesday only also Edgar Kennedy twenty minute comedy. "Mother-In-Law's Day"—Chapter number one of the finest serial of today—"King of the Forest Rangers", Chapter by chapter—minute by minute—it will thrill you—chill you with unforgettable adventure as courageous Rangers protect our forests against a gang of ruthless racketeers. 12 spine chilling chapters.

Wednesday and Thursday the millions of readers of Ben Ames Williams powerful novel, "Leave Her to Heaven" can see his dramatic characters come to life on our screen. "Leave Her to Heaven" comes to you in glorious Technicolor. Don't miss this great picture, it will challenge your imagination, thrill you with its beauty and stir you with its dramatic power. Starring Gene Tierney, Cornel Wilde.
