NUMBER 2

Jaycees, Lions to Elect Officers

Jaycee Election Monday Noon Lions Voting Set For Wednesday

Twenty candidate names have been submitted to the Morton Lions club for their election of 1954 Officers this week with eighteen submitted for the officers to be elected also this week by the Junior Chamber of Commerce.

The Lions, in orderly fashion, named two men for each position and the election at their regular Wednesday luncheon will determine which of the two men are to serve. No man was nominated in more than one race.

The Jaycees, in their usual unorthodox manner, nominated two men for each position except president, four for the president post and then added a host of nominations from the floor lining up what should prove an interesting, if not confusing election.

Lloyd Hiner and Truman Doss are the candidates for the presidency of the Lions Club, succeeding Arlee Barnard. Other candidates are, for first vice-president, T. J. Simpson and J. C. Stripling; for second vice-president, Don Allsup and tip Windom; for third vice-president, Charles Jones and Clyde Weekes; for secretary, Roy Gentry and Floyd Smith; for treasurer, A. E. (Zeke) Sanders and Carl Ray; for tall-twister, Fred Morrison and Eddie Irwin; and for Honorary, Jesse Brookshire and Curtis Carroll. Only Roy Gentry is up for re-election.

The Jaycees have no less than six men in the president's race. J. E. (Tubby) Holloman, Babe Van, Bill Glassford, Wayne Walthall, Harold Drennan and Ed Howell are candidates.

Those who survive the first election will be re-run as candidates for first vice-president in true Jaycee unusual style.

Merle Ensor, Hub Cadenhead and Marvin Doss are candidates for second vice-president. Eddie Irwin, Jack Loran and Dexter Nebhut are secretarial candidates. Merle Ensor, Smiley Monroe, Andy Behrends and Irwin are candidates for treasurer.

Glassford, Charles Jones and Hoy Marcum are chaplain candidates. Tom Rowden, Holloman, Merlin Roberts, Teener Hancock, Monroe and Irwin are candidates for directorship. T. K. Williamson is the lone candidate for state director and T. J. Simpson, retiring president, will automatically be a director. Of course, as soon as any candidates are elected to an office, in the single office balloting, his name will automatically be stricken from the candidacy for any other office.

Jaycees will hold their election at noon tomorrow (Monday) in the Activities Building dining room.

COCHRANE CHAMPION CHOSEN — Patsy Webb, Bledsoe, fifth from left, was winner of the Cochrane County Spelling Bee Saturday and Richard Houston, Whiteface, standing next to her, was second place winner. The contestants who represented their schools in the county Bee are pictured with Judge Fred Stockdale, county Spelling Bee director, who was holding one of the prizes given by Morton Chamber of Commerce and Junior Chamber of Commerce and which Judge Stockdale presented to the first, second and third winners. Students pictured, from left to right, are Elsie Hammonds, Morton; June Kennedy (rear), Bledsoe; Exa Ray Ainsworth (in front of June), Bledsoe, third place contestant; Jimmie Embry, Morton; Patsy, the champion; Gloria Medley, Whiteface; Richard, the alternate; Dale Hall, Whiteface, and Billy Woods, Morton.

H. Thompson Is Elected Commander Of Howard Martin VFW Post, 5074

The VFW Post No. 5074, Morton, Texas, have elected officers to serve for 1954. The officers elected and post to be occupied are given below:

Homer E. Thompson, Commander; John C. Baker, vice-commander and Leroy P. Barnett, vice-commander.

REV. LEWIS CASS

JAKE SIMPSON

Rev. Lewis Cass will open a week long revival meeting at the First Baptist Church of Morton, today (Sunday, April 4). Jake Simpson will lead the singing. Services will be daily at 10 a.m. and 7 p.m.

Morton's Jean Henry Has Part In Eastern New Mexico Production

A Morton High School graduate, Jean Henry, vaudelectorian of her class last year, will be among the cast of the Silver Paek Theatrical Company at Eastern New Mexico University, April 22 and 23 when they present Marc Connelly's Pulitzer prize winning play, "The Green Pastures."

The play will be the company's spring on the campus production. Miss Henry will play the part of "the slender angel" in the production.

The play is an interpretation of certain Biblical stories as seen through the eyes of Negroes in the deep South. "Green Pastures" was first presented on Broadway in 1930 and received the Pulitzer prize for that year. The play ran for over 600 performances in New York and, after closing, was on the road for three years more.

Connelly took his cue for the script from Roark Bradford's collection of stories titled "Of Man Adam an' His Chillun."

The Silver Paek production is directed by Dr. Bill Skillman, assistant professor in drama and speech. The cast, complete with the exception of a few minor roles, is as follows:

Marjorie Parker, Ima, Myrtle; Cathy Martin, Artesia, first girl; Sandra Holmgren, Charlton, Iowa, second girl; Panzy Burton, Melrose, a cook; Jewel Hill, Carlsbad, stout angel; Jean Henry, Morton, Texas, slender angel; Jean Seith, Artesia, first woman; Gerry Earhart, Seagraves, Texas, second woman; Jerry Fuqua, Roswell, third woman.

Arvilla Tucker, Hobbs, first cleaner; Pat Dow, Alamogordo, second cleaner; Carlene Kilgore, Carlsbad, Zipporah; Pat Dunsing, Hammond, Ind., Eve; Dolores Johnson, Belen, Zeba; Patsy Cobble, Artesia, Mrs. Noah; Martin Mogford, Midland, Tex., de-

clubs through sponsorship by interested individuals.

Four Morton youth attended the event last summer.

ARKANSAS VACATION

Mr. and Mrs. John Baker and daughter, Johanna, are planning to leave Morton Sunday for Little Rock, Ark., where they will visit with relatives this week. Baker is associated with Cobb's Department Store.

REVIVAL GOING

A revival meeting is in progress at the Monument Lake Methodist Church.

Winners Named In Baby Photo Contest at Cobbs

Winners in the photo contest recently held at Cobb's Department Store were announced last week.

First place went to "Junior" Coats, son of Mr. and Mrs. Jim Coats of Star Route 2, Morton.

Second place was taken by "Butch" Davis, son of Mr. and Mrs. Roy Davis of Star Route 2, Morton.

Third place winner was "Dale" Green, son of Mr. and Mrs. Ray Green of Star Route 1, Morton.

FIRST MISSIONARY BAPTISTS Announce Plans For New Church Construction

Plans to construct a new auditorium of the First Missionary Baptist Church of Morton are in the not too distant future it was announced this week following a church conference last Wednesday night.

Rev. Curtis Carroll said that "definite decision to build a new church was arrived at but no details were worked out other than to name a Board of Trustees on the Building."

In all likelihood the new structure will be built around the present building which will be used for Sunday School rooms. It will probably seat around 450 persons. As soon as plans have been submitted from the architect, the church conference will act on the approval. No plans for the cost have been considered yet.

Five Will Go To Boy's State

Five Morton High School juniors, leaders in their class, will attend Boy's State this summer as guests of local organizations and interested citizens through cooperation with the Legion's annual project.

Roy Johnson will represent the Legion at the week long function held in Austin each summer. Donnie Waller was selected to represent the Morton Lions and Connie Carter will go as representative of the Morton Chamber of Commerce. Gerald Ramsey and Lyndell Burleson will go as representatives of the local

Lions Appoint 9-Man Committee On Scout Work

The Morton Lions have appointed a nine-man Committee to work in conjunction with their sponsorship of Boy Scout Troop 101. The appointments came at the regular Lions weekly meeting, Wednesday, upon the recommendation of Dr. Dan Brown, Scoutmaster and Lion.

Named to the committee as Lions and Lions representatives were: Fred Stockdale, Gene Benham, Homer Thompson, J. O. Harris, J. D. Hawthorne, Darwin Stringer, J. E. (Tubby) Holloman, W. L. Faust, Jr., and Eddie Irwin. Each of the men had a particular phase of the work to promote and attend to.

Six guests attended the meeting including three County Commissioners and Lion R. L. Evans of Hereford, hosting a fellow Lion, Harold Close, for District 2-TI Governor. Other visiting Lions were Henry Holmes of Lubbock, Downtown Lions and Clyde Carson Jr. of Lovington, N. M.

The Club voted to shelve the plan for band scholarships to Eastern New Mexico University summer band camp until this week for further study. They also voted to send one boy to Boy's State and the name was drawn

ON KANSAS VISIT

Mr. and Mrs. Roy Rogers and son visited in Kansas over the week-end. Mr. Rogers' mother returned home with them for a visit.

Fat Stock Show Set April 24th

On March 25, 1954, all four Fat Stock Show committee representatives met in the county agent's office.

Several factors concerning the show were discussed and approved.

One, the show date tentatively set for April 17, was moved up to April 24, because Easter fell on April 18.

Two, each exhibitor will be responsible for securing and bringing the bedding material for his animals. None will be provided at the grounds this year. Guess the drought hit everybody alike this year. Thanks to J. W. McDermott furnishing the sudan straw last year.

Three, H. J. Walker and R. K. McCoy, both FFA advisors of Cochrane County, will be responsible for preparing the order of sale for all animals in the show. It will be mimeographed in ample quantities for the sales event to supply each exhibitor and prospective buyers a copy and others interested. It will be mimeographed after the placing of the animals and before the sale begins.

Four, all calves to be re-sold will be sold individually.

Five, there will be no payment made on animals sold the day of the show. The checks will be mailed out on Tuesday to the exhibitors following the sale on Saturday. Each exhibitor will know how much his check will

Call Meeting On Softball Next Thursday

The first called meeting of the season to plan the 1954 Morton Softball League will be held next Thursday night, April 8 at the District Courtroom. Any teams planning to enter the league are asked to have a representative present at the meeting and to be prepared to vote on a set of league rules plus a commissioner's setup.

Every effort will be made, after the first meeting to contact who ever might be interested to get at least 6 or 8 teams in the league. However, in the interest of getting the league rolling, preliminary plans plus some of the league rules may be drawn up at the initial meeting.

The first game of the season, already announced, will pit a pickup team against the Bula league entry at Bula Field, next Saturday afternoon at 2 p.m.

MONDAY IS \$ DAY IN MORTON

Arrangement Committee: H. J. Walker, Chairman; G. C. Keith; Gage Knox; Pete Lindsey, C. B. Betts, Allen Reynolds, and Joe Beseda. Livestock Committee: R. K. McCoy, chairman; Hume Russell, Roy Hill, Lloyd Miller, Son McKay, Laland Ceifers, Roy Brown, D. E. Beaham, Ken Coffman and Pete Todd. Finance Committee: J. R. Kuykendall, chairman; Roy Allsup, Neal Rose, W. W. Williamson, Orville Tilger, Earl Crum, Omar Sims, E. L. Polvado, Karl Griffith, F. O. Masten, Courtney Sanders, Jack Rice and L. B. Childs.

Sales Committee: J. W. McDermott, chairman; Jake Wylie, H. S. Hawkins, James St. Clair, Alton Ainsworth, C. A. Moore, Francis Shifflett, M. W. Ellington, Pat

Brothers Explain Procedure In Raising Potatoes In West Tex.

In response to several requests as to the procedure in potato planting spurred on by the recent information that a trio of brothers with 14 years of experience in potato farming have planted 90 acres of potatoes here, the Tribune publishes the following story about the operation.

Fred Barrett, Jr., one of the three brothers from Hereford who rented the 90 acre tract of land from Earl Crum and Max Bowers, says the main idea is "to get an early crop and better market price on the spuds." He says their trend is to move farther south until they can get the earliest possible potato crop.

Potato planting is expensive, Barrett, and the facts in this story will prove what he means. However, with years of experience in Idaho, before moving their operation to Hereford about 14 years ago, and then to Muleshoe a few years ago, these brothers have a pretty good idea they'll make out or they would not be planting potatoes here.

The tract of land being planted (now complete) is located just on the edge of the city limits of Morton, on the west side of Highway 214. It won't be very long until interested spectators will be able to see the first signs of the growing spuds.

Fred Jr. Dick and Stanley Barrett are the brothers in on the operation.

For the benefit of the average resident or farmer who knows little about the potato market and the farming process, Barrett's remarks should prove enlightening.

Why did they lease land around Morton? For several reasons. First of all, the price on potatoes depends, as does any crop, on the condition of the market. If the market is flooded, the price goes down and the

price goes up. The price on potatoes depends, as does any crop, on the condition of the market. If the market is flooded, the price goes down and the

Rev. Nolan Summers, shown above will bring the message each morning at 10 a.m. and each evening at 8 p.m., beginning April 9th, at the First Missionary Baptist Church. Special 7:30 p.m. prayer services will also be conducted. The meeting ends April 18.

NEW MEXICO VISITORS

Mr. and Mrs. Dale Pond and children of Eunice, N. M., spent the weekend with their parents, Mr. and Mrs. J. W. Pond.

Nineteen Scouts Of Troop 101 Get Promoted At Recent Court of Honor

Nineteen Troop 101 Scouts received promotions in rank at a troop Court of Honor held Monday night in the Cochrane County Auditorium.

Six were promoted to "Life" rank; two were presented "Star" rating; one became a "first class Scout," five were named "Second Class" and five were promoted to "Tenderfoot" rating.

Homer Thompson acted as the master of ceremonies at the function, largest of its kind seen here in many years. In addition to the presentation of the ratings, 94 merit badges were also awarded.

Gene Benham handed out the tenderfoot ratings to the following: Dewayne Miller, Larry Darland, Herschell Hancock, Donald Chesher and Jimmy Taylor.

Second Class awards, made by Elva Oden, went to: Bobby Faulkner, Lee Oden, Tommy Morrison, Eugene Tarleton and Gary Willingham.

Dr. Dan Brown, troop Scoutmaster presented Tony Stringer the only First Class rating.

Darwin Stringer promoted Truman Harris and Ronald Lindsey to Star Scouts.

Judge Fred Stockdale announced Dalton Oden, Greg Zielinski, Tommy Hawkins, Lee Benham, Davy Mitchell and Jerry Hanson as Life Scouts.

Also included on the week's program was the showing of the International Boy Scout Jamboree film taken last summer at California. Bill Strlan, Lubbock, District Commissioner showed the film Tuesday night, a 1 1/2 hour movie. The showing was well attended by Scouts, parents and Scouters.

Only 45 Per Cent of County's Autos Have Undergone Safety Inspection

A total of 1048 automobiles have been cleared through five local dealers and garages for their 1954 auto safety sticker it was announced last week by L. N. Wilhite, inspector from the Lubbock office.

Wilhite reminded local motorists that just about 15 days remain to have cars inspected by the April 15 deadline. The only check available is through local inspection stations. "Naturally," the inspection station representative advised, "we can't have a very accurate check because in some places the people may be going out of town to have their cars checked. We can only go by the number that have been inspected as compared with the number of auto registrations." He roughly estimated the comparison as 45 per cent. Lamb county has a percentage of about 48 per cent already inspected.

In a report issued last fall Wilhite had advised that changes in the inspection law last year have reduced the number of ne-

cessary points to be inspected to just the bare minimum for safe winter driving. The brakes, horn, lights and wipers are being checked.

The average cost among all cars is \$1.77 per car for the necessary adjustments with more than 50 per cent found needing some slight adjustment.

Wilhite also had some other pertinent information to extend. The law requiring the inspection calls for a \$1 to \$200 fine for failure to comply. Orders have been issued. Wilhite said, to pick up drivers of all cars that did not have a sticker after April 15.

A check of the local inspection stations reveals the following totals:

Allsup Chevrolet, 686; Mills Motor, Co., 281; (former owner Willard Cox, 501; Hawkins Oldsmobile, 156; Miller Motor Co., 52; and Ed Howell Motor Co., 43. Those figures are through last week.

The total number of auto registrations in Cochran County is 2,900, Wilhite said.

LETTERS TO THE EDITOR

Dear Editor,
The Three Way P.T.A. president,

Mrs. Cass Stegall, players of the home talent play and Three Way people in general this week offered their thanks to Ray's Hardware and Furniture for supplying the furniture at the play's

showing and to all who supported the play held in Morton last week. The group also offered regrets to the churches of Morton that were having revival services that

the play was offered on a night the revival was in session. Due to the fact that the auditorium was booked three weeks in advance and the only open date was given them three weeks early, the Three Way group did not know it was a date conflicting with revival meetings until plans had already been completed.

Sincerely,
Mrs. Cass Stegall

IT'S GONNA BE A...
SUPER-DUPER

\$ \$

Day

Apr. 5

in MORTON

Washington Represented

By LYNDON B. JOHNSON

Decisive Month: Where do we go from here? Economists expect April to be the crucial month that may give us the answer to that question. Unemployment is still rising (now about four million); inventories are up—sales down; factory production and freight loadings are still skidding. If there is going to be an upturn, seasoned observers think it will come in April.

Information: All during my Dad's lifetime he drilled into me that a man's judgment is no better than his information. My work each day involves the seeing of 30 or 40 of the eight million people living in Texas and working with my 95 colleagues in the Senate. I spent the last five months of 1963 traveling all over Texas, but when Congress is in session I must be on the job in Washington. I want my information about Texas and Texans to be accurate—so that my judgment will be sound. Your letters, containing suggestions and advice and setting forth your views on issues help me greatly.

Five Years: Just over five years ago I entered the U.S. Senate. During these years I have earnestly tried to serve all the people of Texas—all the time—Texans in organizations and Texans as individuals—Texans who supported me and those who did not. Being human, I have made mistakes. But I have done my best to be a good Senator. I have no higher ambition than to give the people of Texas the kind of representation they deserve.

In The Senate: My resolution to establish March 7 of every year as Friendship Day passed the Senate three hours after its introduction. This is the resolution urged by the General Federation of Women's Clubs, the Texas Federation of Women's Clubs, and the National Society of Arts and Letters.

I have written Chairman Aiken of the Senate Agricultural Committee to urge hearings on my bill for upper watershed flood control and soil conservation. A similar bill has passed the House. The Senate approved my amendment to the Mexican Labor Appropriations adding \$64,000 to provide for a Labor Reception Center.

Senator Saltonstall, Chairman, Senate Armed Services Committee, has appointed me to a subcommittee to investigate the need

Dear Editor:

... the letters start. Then from all over the free world come such comments as those from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most reading for straight-thinking people..."
"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor..."
"The Monitor gives me ideas for my work..."
"I truly enjoy its company..."

POTATO PROCEDURE . . .

(Continued from Page One)

Still another reason for planting potato acreage around Cochran County is the difference in average freeze, about five days later than Muleshoe.

The potatoes being planted are mainly grown in Nebraska and also for planting here and they are hand cut. All that is necessary is that the portion of the potato planted contain some potato meat and an eye. They are planted about 10-12 inches under the surface under the present conditions, though Fred said they could be planted deeper or shallower, depending on the sub-soil moisture. The land was thoroughly watered before the planting.

The planter estimated it used 12 sacks of cut prepared potatoes per acre in the planting of about 12,000 pounds for 90-100 acre tract being planted. He said an average cost would be about \$100 per acre to set the potatoes and harvest them.

The sandstorms last weekend not only in that the prevented planters from finishing their work, but they were too frequent, after the potatoes have been set, they could stunt the crop. So far, they've had lit-tle sandy and windy weather but they are only in their third year of planting and Muleshoe where the wind damage occurred last year. Perhaps this country will prove so rich in potatoes that quality potato raising will be difficult or almost impossible.

Barrett will begin to water his crops from the 5th-10th of April, after the plant has appeared above the surface to a height of two or three inches. He'll water every two or three days trying to keep an even moisture. He'll begin harvest and the 15th of June.

The crops can be harvested with a mechanical picker, a new invention that was used by the growers for the first time last year. However, they'll probably use quite a few Latin American workers also, hand harvesting, though work, the farmer said, is to what they'll follow up on.

Barrett said they weren't sure. It would probably be maize but could be lettuce, said lettuce is generally a follow-up crop for land on which potatoes have been grown. The two-row plant-should handle about 20 acres a day, but, of course, usual mechanical difficulties this down considerably.

Another factor in the planting has been the cold nights and mornings. If the parts of potatoes being planted are frozen or frozen, they will be dam-

aged and should not be planted.

At the present time the Barretts have about 500 acres of land under potato cultivation at Muleshoe and a great many acres at their headquarters at Hereford. They maintain a processing plant for the potatoes at Muleshoe and several at Hereford.

There are a great many advantages to the area itself through produce raising. The harvesting and processing required hires plenty of laborers and leaves a sizable amount of money in the county where the crops are grown. Consequently, it helps support the town. That goes for potatoes and lettuce.

There are many other problems in potato raising. The crop is easily spoiled and damaged. Must be moved immediately after harvesting. Could prove disastrous if it took more than two or three hours to get the potatoes from the field to the processing plant where they are cooled down to 40 degree temperature.

With the fluctuating market, another problem is very rugged. Often when the potatoes are shipped to Chicago or another midwest market, the price has changed, they aren't wanted, must be re-loaded to another market and can even be damaged by improper care by the railroad handling the shipping.

"What's a fair price. Well, sir, Fred figures a \$2.00 price would only enable them to break even. If they can get the produce to market at a \$3.00 per 100 price, they'll get a pretty good profit. So much depends upon getting the local potatoes marketed before the Idaho and Montana farms "unload."

Barrett figures the local 90 acres have an excellent chance of producing well. He's protected on all sides by controlled land which should greatly minimize wind and sand damage. He also, like many other area farmers, is expecting a shaking loose from the three-year drought that has plagued this county.

"But," he summed up the operation, "any produce raising is a tremendous gamble. We have so many things to contend with. It usually doesn't sound like such a rosy picture to the average cotton farmer. A few plunge in and handle their own complete potato raising and marketing problem, but for most of the little boys it's necessary to have their potatoes processed through a larger concern. Only rarely are potatoes bought in the field. Usually they must be harvested and delivered before they are bought and paid for. Though they are federally examined before shipping and after shipment, usually there is a high percentage of loss through shipment, which the man who raises the

spuds must pay for.

If experience means anything, and every farmer knows it does, the local project will more than likely prove successful. But whether it is or not, in the next 90 days, local farmers and anyone else who is interested can learn a lot about potato farming, just by keeping an eye on the 90 acres of land, just north of Morton, on the Muleshoe highway.

We could be embarking on an era that will change the entire agricultural structure of this county. The cash cotton crop, a good payer in the good years, could give way to diversified farming which will bring fair pay, every year.

Mrs. Thomas Hostess To Homemakers Club

A demonstration on textile painting occupied an entire day in the Enoch Community March 26, at the home of Mrs. T. A. Thomas.

The ladies began work during the morning hours and stopped briefly at noon to eat a covered dish luncheon brought by the various ladies attending. Late in the afternoon another "break" was taken while homemade ice cream and cake were served.

Mrs. R. D. Jones of Brownfield brought the paints and patterns and assisted members of the Homemaker's Club in completing designs on various articles during the day. A late count in the afternoon showed designs completed on 17 towels, one pair of pillowslips, and seven cuptowels. Several of the ladies plan to do more of the project work later.

A variety of hostess gifts were presented to Mrs. Thomas and the club gave a special gift to the demonstrator. Those present included Mesdames J. S. Boyd-stun, Zed Robertson, G. L. Gibson, M. J. Gibson, Wayne Aikey, Bobby Newman, L. J. Jones, L. J. Jones, Sr., C. W. Vanlandingham, W. A. Pool, L. G. Harris, W. R. Adams, A. P. Fred, W. S. Ingram, A. D. Hallford, Emma Al-guan and the hostess.

Mrs. Aikey brought her home economics classes to view the proceedings at various times during the day. The students attending included Juanel Williams, Brenda McCall, Carolyn Jo Young, Carolyn Sue McCall, Myr-lene Nichols, Glenda Tidwell, Sharron Holt, Mary Mansel, Joy Dane, Gracie Altman, Mary Ann Harris, Zelma Harris, Juanita Pearson, Barbara Bogard, Wanda Bayless, Lillian Stroud, Susie Jones, Sandra Skinner, Paula Neel, Janell Seagler, Betty Hall-ford, Sandra Spence, June Hicks, Doris Stroud, Jean Dane, Jane Arnold and Laruth Lynn.

The next meeting date for the club will be April 8 at the home of Mrs. W. A. Pool.

Seen' . . . Readin' and Believin'

There was a man who lived by the side of the road. He sold hot dogs.

He had bad eyesight, so he read no newspapers, watched no TV.

He was fairly deaf, so he didn't listen to the radio.

But he sold good hot dogs. He rented signs along the highway telling people how good they were. He stood by the side of the road, crying out, "Buy a hot dog, mister." He placed an ad in the newspaper.

People bought. He increased his hot dog and bun orders. He got a bigger stove. Business was so good that he called his son home from college to help him out.

One day the son said: "Father, haven't you been listening to Senator So-and-So on the radio? He says we are in a recession."

The father reasoned: "Well, my boy's been to college, he reads the papers, he listens to the radio, and he ought to know."

So the father decided he couldn't afford to rent the roadside signs, he cut down on his orders, he took the ads out of the newspaper, and his sales dropped off very fast indeed.

Later he said to his boy: "You're right, son. There just isn't any business at all. That Senator you heard certainly was helpful."

Morton Tribune

\$5.8 MILLION CONSTRUCTION PLANNED FOR TCU

PORT WORTH. — A 10-year building program, including the establishment of a law school and Phi Beta Kappa chapter, expenditure of \$5,800,000 for construction and remodeling of buildings, and the addition of 20,000,000 in endowment or its equivalent, was outlined to the trustees of Texas Christian University at their spring meeting at the campus March 12.

In making his annual report, President M. E. Sadler also announced the retirement of two veteran staff members, the promotion of five others and recommended the awarding of four honorary degrees.

The board elected three new members, re-elected six and named eight others to be honorary members.

In discussing the building program, Dr. Sadler listed the following: Library, \$1,000,000; School of Business Building, \$1,000,000; fieldhouse, \$1,500,000; new dormitories, \$1,000,000; remodeling the administration building Jarvis, Clark and building dormitories and Brite Hall house the School of Education a total cost of \$1,300,000.

Among the overall needs, he said, 1,000 additional scholar-

ships, 15 distinguished professorships, salary increase for strategic leaders and additional maintenance and operation costs.

"To meet these needs, we must secure an additional \$20,000,000 in endowment or its equivalent at the earliest possible time," Dr. Sadler said. He outlined several programs designed to reach this goal.

He recommended a "small but truly good School of Law as early as possible. We do not have to compete with established schools of the state, but in a metropolitan area such as ours, there is a definite service which we can render through a good law. It will not be difficult to establish as soon as we have an adequate library building."

TCU already has a law library of several thousand books which are now stored.

Establishment of a Phi Beta Kappa chapter will also depend on expansion of the library facilities, Sadler pointed out. However, he said TCU expected to secure such a chapter "reasonably soon."

In the matter of personnel, the university president announced the retirements as of September of S. W. Hutton, registrar, and

Mrs. Artemesia B. Bryson, associate professor of English. Hutton has been a staff member since 1929 and Mrs. Bryson since 1924.

He said that Calvin Cumbie, who has been serving as admissions officer and assistant registrar, would be appointed registrar.

Promoted were Dr. Robert W. Funk to assistant professor of religion; Dr. George F. Fowler to associate professor of religion; John W. Erickson to associate professor of art; Dr. Comer Clay to professor of government; Dr. L. M. Cecil to professor of English.

Permanent tenure was given to Dr. Walter Volbach, professor of speech-drama; Dr. Ralph R. Guenther, professor of flute and theory; John L. Wortham, associate professor of economics; Dr. Karl E. Snyder, associate professor of English; Charles W. Proctor, assistant professor of government.

Consideration of a new dean to head the School of Business is far advanced, Dr. Sadler told the board. He indicated that one of the leading businessmen in the country heads the list of prospective candidates and that further conferences have been arranged. He said several well qualified men were being considered. The post has been vacant since the resignation of Dr. Ellis M. Sowell in February.

The board approved the awarding of honorary degrees to Rev.

Sloan Gentry of Longview, Rev. Lawrence Bash of Austin, Dr. W. T. White of Dallas and Dillon Anderson, Houston. They will be awarded at spring commencement or convocation next fall.

Gentry and Bash will receive the D.D. degrees; White and Anderson the LL.D. Gentry is minister of First Christian Church at Longview and Bash is pastor of University Christian Church at Austin. White is superintendent of schools in Dallas and long recognized as one of the State's leading educators. Anderson is a prominent attorney and businessman and is director and board member of many companies and civic organizations.

New members named to the board are Theodore P. Beasley, president of the Republic National Life Insurance Co. of Dallas; Sterling Clark Holloway, president of Continental Life Insurance Co. of Fort Worth and W. Oliver Harrison, pastor of First Christian Church, Corpus Christi. Holloway is the grandson of Randolph Clark, one of the founders of TCU.

Re-elected to the board were L. D. Anderson and Granville Walker of Fort Worth; Bonner Frizzell of Palestine; Ferdinand Moore of Sherman; Clyde Tomlinson of Hillsboro and Elmer Henson of Houston.

Named to honorary membership after many years of service were Harry Knowles, Sherman; L. N. D. Wells, Dallas; I. W. Keys,

Ed Winton, Stanley Thompson and Mrs. Sadie Beekham of Fort Worth.

Dr. Sadler recommended and the board approved the immediate election of a temporary court for the basketball team. Without seats the structure will be used simply for workouts and will in no way affect plans for a permanent fieldhouse.

Portales, N. M. — The first annual Industrial Arts Fair, sponsored by the Eastern New Mexico University Industrial Arts club, will be Wednesday through Saturday, April 7-10.

Open on a competitive basis to all New Mexico public school students enrolled in industrial arts, fair entries will be accepted at the ENMU industrial arts building from Friday, April 2 to the deadline — 6 p.m. Tuesday, April 6.

Exhibits will be on display in the Student Union Building ballroom. It was pointed out that even should work start on the permanent building in the next few months, the court team would have no place to practice for at least two seasons. The old TCU gym burned in December and the team had to travel several miles to workouts in a city high school fieldhouse during the season just passed.

In summing up, Dr. Sadler expressed satisfaction over the complete loyalty and patriotism of faculty and staff. In giving his basis for that statement he

told the board: "You would be 100 per cent correct at any time to state categorically that we do not have any Communists or near-Communists on our staff. Our people believe in and work toward the maintenance and enrichment of our American way of life."

room during the entire fair and will be judged on Friday, April 9. First, second and third prize ribbons will be awarded in each of eight divisions or sub-divisions.

The four divisions into which the entries will be grouped are woodworking, general metals, mechanical drawing, and arts and crafts. The arts and crafts division will be subdivided into leather work, plastics, art metal, ceramics, and miscellaneous crafts.

In addition to the ribbons, a \$100 ENMU scholarship will be presented as the outstanding project award. Winners will be encouraged to enter an industrial arts awards program sponsored by the Ford Motor Company this summer at Greenfield Village, Dearborn, Mich.

The fair advisory committee is Thomas A. Smith, Clovis junior high school; Emmett Clayton and Dwight Watkins, Portales junior high school; W. R. Forkner, Hobbs high school and Amso Stokes, Ranchvale public school. Dr. A. A. Bettina, assistant professor in industrial arts at ENMU, is chairman of the committee. Representing the ENMU Industrial Arts club is Benny Taylor, Roswell.

Judging the woodworking division will be Everett Coyan, Portales; Althe Ribble, Portales; Dr. Floyd D. Golden, president of ENMU; and Dan Griggs, Clovis.

Albert Meador, vocational instructor, Portales; Arthur C. Evans, Jr., industrial arts instructor at ENMU; Wilbur Wallace, Portales; and Lester Hitchens, supervisor of industrial arts and vocational education, Albuquerque, will judge the general metals.

In the mechanical drawing group the judges will be John M. Strait, instructor in engineering at ENMU; W. H. Watson, Highland university; and Shaeffer and Merrill, architects.

Judges for the arts and crafts division are Peter Wetzler, assistant professor in arts and crafts at ENMU; Mrs. Grady Beard, Portales; Mrs. Millie Harburg, graduate assistant at ENMU; and Mrs. Albert Matlock, Ranchvale.

sponsor R. M. Crawford, enjoyed a wicker roast at Monument Lake Monday evening.

All Day Quilting Nets Two Quilts For Seniors Benefit

A group of Enochs and Bula mothers met March 29th in the home of Mrs. A. D. Hallford for an all-day quilting session.

The ladies were served a covered dish luncheon at noon and Mrs. Roy George treated the group to cokes during the afternoon.

Two quilts were completed. Money derived from the sale of the quilts will be used to assist the Senior Class in financing their trip to Miami in May after graduation.

One quilt top was donated by Mrs. Lloyd Pollard, another was donated by Mrs. M. J. McDaniels. A third top was cut out earlier by Mrs. Pollard and partially assembled by the ladies during the session. It is to be quilted in the near future for the same purpose.

Ladies taking part in the quilting were Mesdames Jim Claunch, C. C. Smith, John Hubbard, Marvin Drake, C. W. Vanlandingham, Jack Austin, Cecil Jones, Lloyd Pollard, Joe Speck, Roy George, T. A. Thomas, A. D. Hallford, Arliss Autry and W. A. Pool.

Three Way News

By Mrs. Frank Griffith

CONGRATULATIONS
Congratulations to Bonnie Batteas who won the Bailey County Spelling Bee. Bonnie is an 8th grade pupil at Three Way and is the daughter of Mr. and Mrs. E. T. Batteas of Goodland.

Jane Millar, also of Three Way School was 3rd place winner in the spelling bee at Mueshoe. She is the daughter of Mr. and Mrs. Guy Millar of Maple. This is the 3rd year for Three Way to have the Champion speller of Bailey County. In 1953 Jannell Sedgwick won and in 1952 Shirley Williams was the winner.

Betty Williams was out of school several days last week due to a cold.

Mr. and Mrs. Frank Griffith and Mrs. Bailey visited the F. P. Perrins of Morton Friday.

REEVES GUESTS
Guests in the Leon Reeves home Sunday were their daughters Mr. and Mrs. Bill Davis, Mr. and Mrs. Sid Conner of Lubbock and a son, Mr. and Mrs. James Reeves and children of Arch, N. M. Mr. and Mrs. Doyal Fowler and children of Maple also visited the Reeves.

Meivin Ridgley attended the funeral of his grandmother last week.

ENTERTAIN SENIORS
The Junior Class of Three Way entertained the Seniors with the annual Junior-Senior banquet last Saturday evening at the Cal Boykin Hotel in Portales. Members of the faculty were also guests.

Mr. and Mrs. Frank Perrin and children of Morton spent Sunday visiting the Griffiths.

Mr. and Mrs. Louis Jordan and girls visited relatives at Tahoka over the week-end.

Rev. and Mrs. Roy Cunningham and Mrs. C. T. Coffman of Lamesa visited the Clyde Coffmans the past week.

Mrs. Theford of Rogers, New Mexico, recently spent several days visiting her son and family, the Ted Thefords.

STRIKES WELL
Cecil Cole reports an 8-inch irrigation well has been developed on his farm south east of Stegall.

AT WIENER ROAST
The Sophomore Class and their

PLAY IS APRIL 15

The seniors are rehearsing their play "Taming the Brat." They will present it April 15. Miss Louise Carter is directing the play.

PLOW UP WHEAT
The continued dry weather and winds have caused farmers to plow up many acres of wheat in the past few days.

Honored Recently
On 6th Birthday
Juda Wemken recently celebrated her sixth birthday in the home of her parents, Mr. and Mrs. Lloyd Wemken.
Games were played and a refreshment plate was served.
Those attending were Barbara, Bobby, Nancy, and Chrysti Sanders, Barbara Kennedy and Shirley and Ed Marks.

Morton Tribune

edlines..

By Eddie Irwin

MORTON'S SCOUTING program is really moving along well after a period where it looked like a bump road might lie ahead.

with ...
DR. DAN BROWN, Elra Oden and many other capable leaders, plus a brand new set of Lions representatives appointed by the Scout leaders themselves; the boys have a real full program ahead.

last Monday ...
THEY HAD ONE of the largest Courts of Honor ever held here. In it, no less than 19 Scouts received promotion awards not to mention whatever merit badges may have been handed out. The top six awards were "Life" awards to Lee Benham, Dalton Ogen, Greg Zielinski, Tommy Hawkins, Jerry Hanson and Davy Mitchell presented by County Judge Fred Stockdale.

and that ...
ISN'T ALL. ON Wednesday night the first session of the new Scout troop being sponsored by the First Baptist Church under the Scout mastership of Harold Drennan, was held.

with two ...
TROOPS IN town, plus a host of Explorer Scouts, we'll have competition in more than one manner throughout the summer.

in fact ...
THE BOYS ARE so industrious they now have a bus all their own. The reconvered school bus is reportedly "ready for the road" according to Doc Brown. It would have been used last weekend but at the last minute they remembered one small detail. They had no license plates.

softball ...
TALK IS really in the air now and we might as well buckle down and get the thing started, or at least complete the preliminary plans.

as far ...
AS WE KNOW, four teams are definitely considering entry in the league with a possible fifth in Morton. Bula was the first to announce plans to go after the Morton League title for the 1954 season.

it wasn't ...
JUST A LOT of hot air either. Friday, Norman Warren, from out Bula way was in town matching a pre-season game. In his car he had the grey suits, matching red caps and socks which will serve as uniforms for the Bula softball team. The merchants at Bula kicked in to buy the baseball suits.

they're ...
REALLY Nifties with red and blue piping down the front and around the edge of the short sleeves. Norman matched a game with a pick-up team for next Saturday afternoon at 2 p.m.

it will ...
BE PLAYED on the Bula Field. As usual, there will be no admission but Norman adds, "please don't bring your own soft drinks. Our merchants would like to sell a bottle of pop or two."

from all ...
INDICATIONS, the Bula boys will be wearing their new uniforms. Anyone wanting to play for the pickup team should leave word at the Tribune office.

then ...
WHILE A REPRESENTATIVE from the Enochs team was in Dunham's Jewelry Store getting the engraving completed on last year's league championship trophy they won in a playoff with Oldsmobile, the player announced that Enochs will again enter the league, even though their pitcher, Johnny Vandeventer has moved away during the winter.

we didn't ...
EXPECT THE league to get rolling without a Hawkins Oldsmobile entry and Doc Long, the other day, admitted he'd been contacting players. Maple is also reported interested and has had

a meeting or two.
as for ...
WEST SIDE, we don't know. If they enter this year it'll probably be under only one sponsor and a different name. Phillips will not have a team, a spokesman said.

if someone ...
WOULD CONTACT Kenneth Baker, now teaching at Whiteface, we'll have a dandy team entered from there. Baker was one of the league's top players in the past few years and he'd be a natural bet to get a good team out of Whiteface to enter the league. Ought to be plenty of talent to choose from, down that way.

some have ...
INDICATED it'd be a good idea to get the league organized, open exhibition play by April 15, then start the official league play on about May 1st. At least it would give the various teams a little time to get their workouts under their belts.

and we ...
MUSTN'T forget the Little Leaguers. If you're called upon to help that worthy project, do all you can. It's a wonderful recreation provided for our 8-12 year olds.

both the ...
LIONS AND THE JAYCEES clear the decks for a new year of activity within a very few

weeks. They each elect their new slate of officers at their meetings this week. Jaycees were reminding all members and prospective members that they'll start eating a luncheon meal on Mondays at the County Activities Building dining room. That begins tomorrow, Dollar Day.

it has been ...
A BUSY CLUB year, for both of these groups and all the many clubs around Morton. But one of the things that has made it most pleasant is the complete cooperation between clubs that has prevailed.

by pooling ...
THEIR STRENGTH and pulling together, all of the clubs have

made the Rodeo and the Christmas program two of the biggest and most important events of the year. And it hasn't been any big strain on any one club either.

they also ...
HAVE TAKEN to heart the fame of the Legion Color Guard and the Sheriff Posse to the extent that several other clubs have been responsible for the Posse's and the Color Guards appearances at other events.

it's cooperation ...
LIKE THIS THAT makes a city worth living in, come drought or any other misfortune.

we were talking ...
TO T. J. Simpson, the theatre manager, the other day and we

promised to explain some of the reasoning behind the theatre's plea to Congress to remove some of the 20 per cent amusement tax that has put many of the nation's theatres on the rocks.

before we ...
COULD GET THE story in print, relief came via a Congressional action which cut the tax on tickets of 50 cents and under. Quite naturally, we asked, will the tax cut be passed on to the customer by a reduction in cost of tickets. He didn't know, for sure, but reasoned that it probably would not, this year.

fact is ...
WHEN THE theatrical producers began to lobby for some sort

of relief measure, they honestly said that if and when the tax were rejected, they (the theatre men) in most instances, would have to keep the price the same for at least a year to recoup losses.

it's easy ...
TO SEE THAT the amusement tax, plus the advent of TV, took a huge share of theatre profit in the past five years.

Ern Polvado ...
HAD A REAL surprise in store for him the other day as he parked his brand new, fire-engine red, Mercury near the square and stopped in at a business house. An hour or so later he returned, climbed in the shiny

new red car, turned on the key and started to drive away.

but somehow ...
SOMETHING WAS different. In fact, several things looked different. In fact, he wasn't in his shiny red Mercury at all but in a shiny red Chevrolet which had been parked where he left the Mercury. His car was gone.

Ern just ...
DROVE OFF THE substitute car and was still driving it several hours later as he awaited his prankster friend (he thought he could place the man) to return the Mercury. His final comment, ("This just makes me appreciate my car all the more.")
