

Honor students at MHS are announced

Wayne Thompson
... Valedictorian

The top two graduating seniors at Morton High School were named by officials this week and selected as Valedictorian and Salutatorian of the 1969 senior class.

They are Wayne Thompson, son of Mr. and Mrs. Kenneth Thompson of 1714 Avenue G, Levelland, Valedictorian and Miss Janella Nebhut, daughter of Mr. and Mrs. Dexter Nebhut of 112 W. Grant Ave., Morton, Salutatorian.

Wayne has attended Morton public schools for seven years.

During his high school years, he participated in various sports. He played football all four years of high school. His senior year he was co-captain of his team, made All-District, and honorable mention All-South Plains. He also played basket-

ball all four years of high school. During his senior year he was a captain of his team and made All-District.

Wayne has been an active member of the band all during high school. He served as band president his junior year and was a member of the All-Region band his sophomore year.

His concern for Morton High School was shown by the active part he played in the student council his sophomore, junior, and senior years. He was elected president of that organization his senior year.

He has been a member of Future Teachers of America his junior and senior years. He has also been a member of the National Honor Society his sophomore, junior, and senior years.

During his sophomore year he was selected as class favorite. He was honored his senior year by being elected Mr. Morton High School.

Wayne will attend Texas Tech in the fall and plans to major in physical education.

Janella has attended Morton public schools for 12 years. One of her activities in high school was choir where she was an active member for 4 years, member of the trio her junior year and a student council representative her senior year.

The new Salutatorian was in Future Teachers of America her sophomore, junior and senior years. During her junior year she served as reporter and during her senior year she served as historian for the chapter.

She was an active supporter of her school as evidenced by her serving four years on the pep squad. Showing outstanding school spirit, she was a member of the girls' volleyball team her senior year.

Janella was a member of the debate team her junior and senior years. This past year the debate team on which she served placed first at district. In addition to her other honors, during her junior and senior years she was elected to the National Honor Society and in her senior year she was voted vice president of the society.

Janella plans to attend South Plains College beginning this fall and major in mathematics.

Council tables flood control plan

The Morton city council tabled for further study a plan for city flood control submitted by the Army Corps of Engineers at the regular council meeting Monday night.

Prior to tabling the plan, the council heard a detailed briefing on it by two representatives from the Dallas office of the Corps of Engineers. The plan, or plans — since it incorporates four alternative projects each of which features a different approach — is the result of a study by the engineers which has been in progress for approximately three years. The study was requested by Mayor Jack Russell shortly after taking office for the first time.

Cost of any of the four plans submitted is entirely prohibitive, according to informal conversation with city secretary Elra Oden. He contends that Morton cannot afford anything approaching the figures given.

Cost of the four alternative plans given included:

Plan A — Federal first cost \$1,348,000; Non-federal first cost, \$215,000; Total first cost \$1,563,000.

Plan B — Federal first cost \$1,209,000; Non-federal first cost \$209,000; Total first cost \$1,418,000.

Plan C — Federal first cost \$1,191,000; Non-federal first cost \$168,000; Total first cost \$1,359,000.

Plan D — Federal first cost \$456,000;

Non-federal first cost \$428,000; Total first cost \$884,000.

Figures given in all four plans represent costs over a ten year period during which protection would be given.

The plans are too detailed to be given in full, but include the construction of ditch and canal systems to divert the flood waters into lake basins where they would be no threat to the city.

Such projects would be on a federal-local cost share basis as outlined in the various plan figures above. The federal government would furnish a maximum of \$1 million to the project chosen.

In other business, R. H. Baker of Morton appeared before the council to inform the members on complaints he has received from visitors from surrounding communities concerning the treatment they have received by members of the city police department. A lively discussion ensued in which police chief Charley Ellis appeared in defense of his department.

Baker indicated that most of the complaints he had received concerned the attitude and lack of courtesy displayed by the officers in their dealings with out-of-town visitors. He emphasized that he was appearing strictly as an interested citizen and was appearing for the purpose of in-

forming the council of these complaints and to ask that the members investigate them.

No names, times or places were given concerning any of the incidents and no formal action was taken by the council on the matter. Mayor Russell informed Baker that he would talk to the police department concerning the matter and requested that in the future he bring more facts and figures when appearing on such matters.

City Secretary Oden read the council a letter from an Amarillo engineering firm that indicated that it would cost a minimum of \$165,000 to install a plant in Morton that would convert the fluoride content of the local water supply to the point where it would meet state approved water standards. No action was taken on the matter.

The payment of bills in the amount of \$4,361.95 for the month of April was approved unanimously.

County attorney James Walker reviewed the existing city ordinances with the council and made recommendations on revision of some of the old ones and the addition of several new ones. The council will study the recommendations and take action on them at a later date.

★ Cancer Society

The Cochran County Unit of the American Cancer Society will hold its regular meeting on Tuesday, May 20, at 12 noon at the Wig Wam Cafe.

This will be a general meeting and election of officers for the coming year will be held. Mrs. John L. McGee, president, will preside over the meeting. The public is invited to this meeting.

Weather still raising Cain with Morton Little League action

The Morton Little League has had a somewhat stop and go beginning, with the weather contributing the main stumbling block to a smooth schedule.

Things started off rather well with the first two games of the season being played Monday, May 5, but Tuesday the slate was cancelled due to heavy rain and was cancelled due to heavy rain and tornado and thunderstorm warnings being

in effect. The two rained-out games scheduled for Tuesday were played Friday night instead.

Play got underway May 8 with a hard fought game between the Cards and the Colt 45's with the Colts coming out on the long end of the score by a count of 12-9. Highlight of the game was the first home run of the season hit by Dave Silhan of the Cards.

In the nightcap May 5, the Giants showed surprising strength by jolting the Cubs by a score of 15-7.

Thursday, May 8, saw the Giants nip the Pirates by a score of 6-4 in a hotly contested battle that was even more close than the score indicates. Irratic fielding by the Pirates proved their undoing as the Giants took advantage of their misuses to put across their winning runs.

The nightcap on Thursday featured a hard-hitting, slick-fielding Six team that snowed under the Cards with a 13 run barrage in the third inning to put the game out of reach. The Cards had a one run lead going into the third but the gap was just too much to overcome after the disaster struck in the home half of the inning.

In an exciting make up game on Friday night, May 9, the Colt 45's came from behind to beat the Cubs 6-5. The Cubs scored first in the 2nd inning to make it 1-0 after two innings. The Cubs scored 2 more runs in the top half of the 3rd inning, and the Colt's came back to score one in the 3rd to make it 3-1 after 3 innings.

The Cubs scored 2 more in the top of the 4th inning to make it 5-1, but the Colts came back on a 2 run homerun over the right field fence by Johnny Reeves to make it 5-3 still in favor of the Cubs. In the 5th, the Colt's brought on their ace reliever Chuck Dupler, who struck out 5 Cubs in two innings and held the Cubs scoreless, while the Colt's scored 1 run in the 5th, and 2 more in the sixth inning to take the victory — 6-5.

Pattonpitched 4 innings, Dupler 2 innings while Lanny Tyson caught for the Colt 45's.

Rev. Bob Evans

Evans will address Morton High School Baccalaureate service

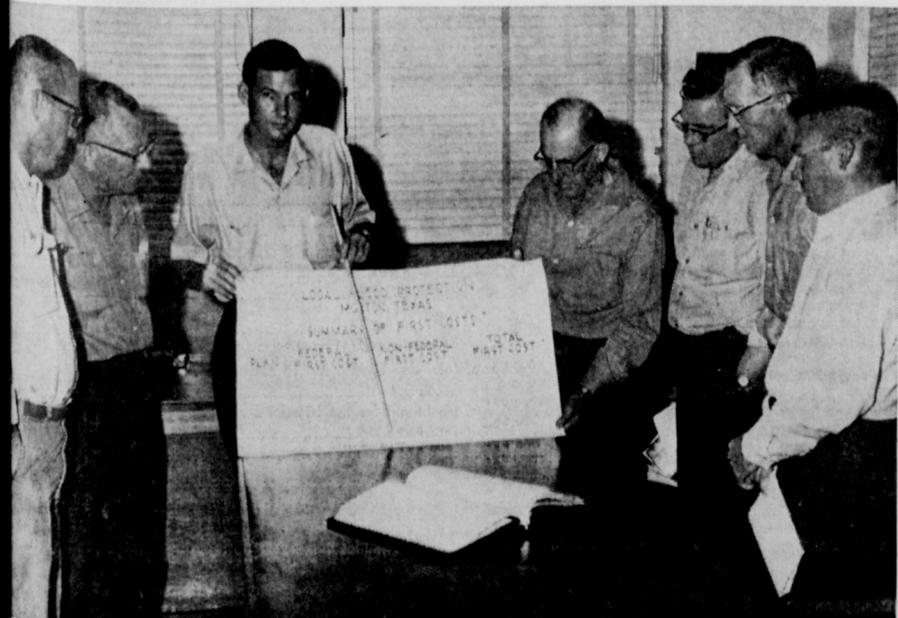

The Morton High School Baccalaureate service will be held at 7:30 p.m. Sunday, May 18, 1969 in the County Auditorium. The Baccalaureate address to be given by the Reverend Bob Evans of the First Missionary Baptist Church.

Reverend Evans was raised and received his public education in Bryson, Texas. He continued his education at Bedford Junior College and Jackson Baptist College. He is married to the former Miss Patsy Accorn of Jack-

son, Texas. Mr. and Mrs. Evans have three children: Patsy, a high school sophomore; a seventh grader; and Doug, a fifth grader.

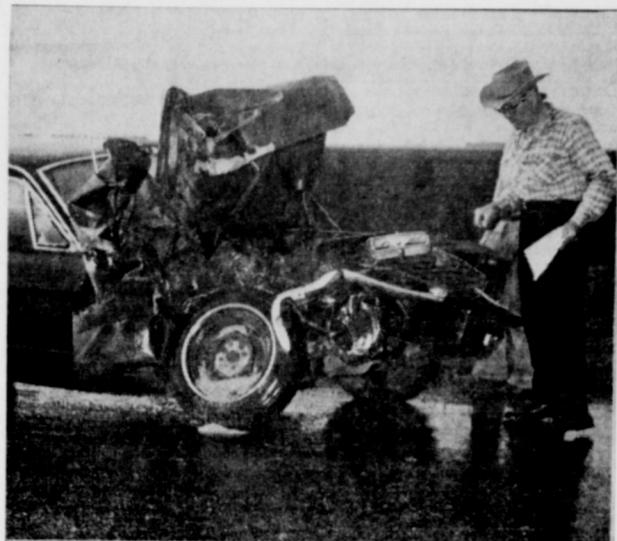

Earl Polvado will provide the music for the service. The Invocation will be given by Reverend Rex Mauldin, pastor of the First United Methodist Church. The Benediction will be given

MORTON CITY FATHERS are shown above studying a chart depicting one of their biggest problem children — flooding during periods of heavy rains like that recently experienced here. The chart of costs is the results of a three-year study made by the Corps of Engineers and submitted

to the city council at its meeting Monday night. Inspecting the project chart, left to right, are Wiley Hodge, councilman; Elra Oden, city secretary; Jack Russell, mayor; Walter L. Taylor, councilman; Donnie Simpson, councilman; Earl Stowe, councilman and Herman Bedwell, councilman.

Three were injured . . .

HIGHWAY PATROLMAN T. A. Rowland of Morton inspects the damage to an automobile involved in a car-pickup collision approximately three miles east of town on Highway 116 at 6:15 p.m. Tuesday. Three persons were injured in the crash, two of whom were reported in satisfactory condition Wednesday morning and a third who was treated and released. Woody F. Combs, driver of the pickup, received head cuts and bruises; David Northwang, Santa Fe, N. M., driver of the pictured Mustang, reportedly received shoulder and lower chest injuries and Vicente Ortega, pickup passenger, complained of hip and leg injuries.

Three men injured in collision of car, pickup east of Morton

Two men injured in a car-pickup crash approximately three miles east of Morton on Highway 116 late Tuesday were reported in satisfactory condition at Coch-

ran Memorial Hospital Wednesday. A third man, also believed to be lightly injured, was treated and released.

Remaining in the hospital and suffering head cuts and bruises was Woodie Combs, 49, of Morton. Recovering from what is believed to be shoulder and lower chest injuries is David Paul Northwang, 19, of Santa Fe, N. M. The third man, Vicente Ortega of Morton who was a passenger in the pickup driven by Combs, was treated by doctors at the hospital for hip and leg pains and released at his own request.

The three were injured when a 1965 Ford Mustang, driven by Northwang, overtook Combs 1962 Ford pickup and slammed into it from the rear, according to DPS investigating officer T. A. Rowland. Combs had reportedly slowed his truck in order to make a right turn on FM-2195 when the Mustang, after leaving skid marks of 60 feet, struck his vehicle in the left rear area with its own right front section.

Northwang's automobile sustained an estimated \$500 in damage and the pickup approximately \$130, Rowland said.

Mrs. Mary Harbin

New county extension agent announced here

Mrs. Mary Harbin has been named to serve as the new home demonstration agent for Cochran County.

She will assume the position on June 1, according to a joint announcement by Cochran County Judge J. A. Love and Mrs. Aubrey W. Russell of Lubbock, Extension District 2 home demonstration agent.

Mrs. Harbin replaces Mrs. Jennie Borland who resigned August 31, 1968. She will be receiving training with the Lubbock County Extension staff until June 1.

The new agent is a native of Floydada and a graduate of Texas Tech with a B. S. degree in home economics education. She was on the Dean's Honor List and was a member of the Texas Home Economics Association and the College Chapter of American Home Economics Association.

Mrs. Harbin was active in both 4-H Club and FHA work in Floyd County during her youth.

She is the daughter of Mr. and Mrs. Leslie Nixon, Sr., of Floydada and is married to Mark Harbin of Levelland.

Mrs. Harbin will work closely with County Agricultural Agent Roy L. McClung Jr. in conducting adult and 4-H educational programs in Cochran County.

Bookmobile to conduct summer reading club

The High Plains Library Bookmobile is ready to start the "Childrens Summer Reading Club" again. Any child who reads 12 or more books during the summer months, from June 1 through August 22, will receive a Texas State Library Reading Certificate. Those reading more than 12 books will receive an award ribbon.

★ Free immunization

A free immunization clinic for all residents of Cochran county will be held for the second time in recent weeks in the basement room of the courthouse Saturday.

The clinic, sponsored by the Emlea Smith Junior Study Club and open from 10:30 a.m. to 5 p.m. Saturday, will provide smallpox, diphtheria, tetanus, whooping cough, polio and measles shots to all those desiring them. Serums to be used are donated by the Texas State Department of Health. In a similar clinic held here April 12, approximately 300 people received the free immunization.

I guess next week will be last week to write, so I'll try to think up something good. Until then — keep it cool!

Weather

from page one

David Ramby pitching and Tommy McIntock catching went all the way for the Cubs.

In the other make up game played Friday night, May 9, the Colts once again came out on top with a narrow 6-5 victory over the Cubs. The Cubs started strong with one run in the second and two in the third to lead at that point by 3-1. Both teams scored two in the fourth but then the Colts scratched out the win by scoring one in the fifth and two in the sixth to clinch the victory.

In the opener on Monday, May 12, the Colts wrapped up their fourth straight win with no losses by downing the Giants with a score of 12-7. The Colts scored three in the second, one in the fourth, five in the fifth and three in the sixth to put the game out of reach of the Giants who had fought back well with five runs in the third inning and two in the fifth but just weren't quite able to make up the difference.

The Cards took Monday's nightcap with an 8-4 win over the hapless Pirates who are yet to win a game. The Pirates jumped off to a one run lead in the first inning only to see it go down the drain in a big second inning that saw the Cards push across seven runs. The Pirates rallied in the third to outscore the Cards 3-1 in the third inning but it was not enough as neither team scored in the fourth when the game was called due to the time limit.

Tuesday's games were cancelled due to the same type of weather that fouled up the schedule the first few days.

Ice cream supper

There will be an appreciation Ice Cream Supper for the teachers of the Three Way Independent School district on Saturday, May 17.

The supper will begin at 8:30 p.m. and will be held in the school's cafeteria. Everyone is invited to attend the supper and anyone who wishes to may bring ice cream or a cake.

Morton High School Choir to present "The Magic of Music"

The Morton High School Choir will present their annual musical program this Friday, May 16 at 8 p.m. at the County Activity Building. It is entitled "The Magic of Music."

The program begins with a magician played by Mark Mauldin who acts as moderator for the show. The different moods of music are depicted by different sets and types of music.

The Morton High School girls sextet plays an important role in the program. The members are Rheda Brown, Vivian McDaniel, Deborah Miller, Donna Williams, Peggy Thomas, and Ruthie Smith. Others who will sing special songs are Shelby Race, Ronnie Reeder, Paul Blanton, Byron Willis, Tommy Debusk, Danny Williams, Janella Nebhut, and Jeanie Mc-Minn.

As a special surprise there will be a group of Soul Sisters to do an interpretation of Soul Music. In this group are Rhonda Robinson, Evelyn Holland, Earlene Newman, Gloria Dancer, Mary Ann Holland, Linda Barnes, Dorothy Patton, and Linda Thompson.

Becky Greene is presenting her classes of ballet students in a dance to the music "Talk to the Animals"; students from Mrs. Stockdale's School will also have a part in this.

A jazz dance will be presented by Becky Greene who has been studying dancing for several years.

Another group of girls composed of Nan Ray, Jane Hollaway, Dee Ann Ramsey, Nancy Courtney, Debra Cooper, and Rita Kay Bedwell will sing a special number. Accompanist is Karen Rozell and assisting her will be Rheda Brown, Peggy Thomas, Jeanna Thomas, and Karen Willis.

The director of the choir is Mrs. Rex Mauldin.

The public is cordially invited to attend. Price will be \$1.25 for adult tickets and 75 cents for students.

All the friends and relatives of Miss Donna Williams, daughter of Rev. and Mrs. Cecil Williams, and Tommy DeBusk, son of Mr. and Mrs. R. L. DeBusk, are invited to attend their wedding Sunday, May 25 at 3 p.m. in the Eastside Church of Christ.

A reception will follow the ceremony in the Fellowship Hall of the Church.

Garage sale

The Cochran County Saddle Club will be holding a Garage Sale this Saturday, May 17, behind the Farm Bureau office here.

The sale will begin at 9 a.m. and will continue until 5 p.m.

Super-modern styles

Lacy open weaves and thick nubby textures are both popular in cotton knits. Knitted fashions in heavy but soft cotton yarns are showing up with a "knit-by-hand" look. Some patterns include open diamond dots running between broad ribs, and twists of thick cotton worked through fragile-looking backgrounds.

Make use of space

If you're lucky enough to have an empty corner for sewing supplies, here's how you can make more use of the space. Drape lengths of fabric over extension rods, braced against either wall. Fabrics in colorful cotton prints can be used to curtain off corner shelves.

Early cotton growers threw the valuable cottonseed away after the cotton was ginned.

STATE Capital NEWS

By VERN SANFORD

AUSTIN, Tex. — When will the special session be? That's the big question around the state capitol.

Legislative leaders defied Gov. Preston Smith by deciding to pass a one-year budget bill instead of the customary two-year plan. Reason given was to delay new taxation.

House Speaker Gus Mutscher announced the decision after two weeks of maneuvering and unsuccessful efforts to sell Governor Smith on the idea. Lt. Gov. Ben Barnes, who had instigated the single-year budget tactic, of course concurred. Smith has stated about as plainly as he can that he considers the Legislature obliged to pass a biennial budget and balancing revenue measures this week.

His implied threat of vetoing a one-year bill, however, went unheeded.

MANY LEGISLATORS, who have strong misgivings about the course charted by their leaders, are convinced Smith will call them back into session this summer to finish the budget-tax job, if they don't get the job done now.

The conflict could be long and bitter. Barnes and Mutscher want Smith to wait until after the 1970 elections to call a special session on appropriations and taxation for 1971.

House-Senate conferees on the budget went to work this week to trim earlier 1970 spending recommendations by some \$69 million in order that teachers can get a pay raise without a tax bill.

Mutscher is convinced this can be done while preserving a "sound, progressive" budget for the first year of the biennium. "Needless to say," observed House appropriations Committee Chairman Rep. W. S. Heatly of Paducah, "a lot of people are not going to get what they had hoped for."

weeks left in the regular legislative session, tempers are warming and floor action is steadily increasing.

Governor Smith's desk rapidly is being covered with bills, and he is signing them at the rate of two dozen or more a day.

Among measures sent to Smith last week were a bilingual education act, permitting instruction in a language other than English on a local option basis; an obscenity control measure; and an act creating a new Commission on Law Enforcement Officer Standards and Education.

House voted to license and regulate bail bondsmen, to set up a professional teachers qualifications commission, add 25 cents to auto inspection fees and add exhaust systems to items checked annually. Also to open juvenile court proceedings to the press when a minor previously classed as a delinquent is charged with a felony; replace the disturbing-the-peace law invalidated by the U.S. Supreme Court; recodify Texas education laws and provide a five-year prison term for selling narcotics to minors.

SENATE APPROVED state aid to cities and counties for cleaning and maintaining public beaches, new regulation of standards for the dental profession, a constitutional amendment to provide for a uniform method of assessing rural lands based on this yield, new qualifications for health and accident insurance agents, 22 additional district courts, and stiff punishment for false reports to police.

State Affairs Committee approved bills authorizing new medical schools in Houston, Lubbock and Austin, new nursing schools at El Paso and San Antonio, a University of Texas at Dallas and a dental school at a site to be determined by the UT board of regents.

EDUCATION GROUP FORMED — Texas Council for Higher Education in its first meeting threw its weight behind legislation to expand higher education, including state aid to private colleges and universities.

Blue ribbon 160-member group endorsed additional colleges "where warranted" and contracting for services of independent institutions. Although members differed

Clean sweep for blind . . .

SUPER SALESMEN of the Morton Lions Club are shown as they prepared to launch their annual broom sale for the benefit of the blind on the citizenry of Morton last Wednesday. They were quite successful, too, as they compiled gross sales of \$1,678.24 and a net of \$429.23. Eager Lions cover-

ed the town like a blanket, both downtown and in the residential sections, selling all types of household cleaning items. Receipts will be donated to the blind in the state who made the articles that were sold. James Walker was chairman of the highly successful sale.

over tuition increases, they passed a resolution calling on the legislature to determine an "equitable division of financial support between the state and those individuals directly benefitting from higher education." Former Congressman Lloyd Bentzen Jr. of Houston heads the council.

COURTS SPEAK — Merchants have a right to believe that a person presenting a credit card is the lawful owner. So held the Texas Supreme Court in a case involving a Lubbock man's disclaimer of a \$1,335 bill to Sears Roebuck as the result of stolen card.

Brady radio station had the right to refuse an advertisement for the movie "The Graduate," says the Third Court of Civil Appeals.

Same court ordered a trial on suit to keep Railroad Commission from enforcing 1962 shipping rates for steel pipe and wrought iron.

Overturning lower courts, the State Supreme Court ordered a new trial in a Potter County suit charging a doctor with medical negligence.

High court said residential deed restrictions do not prohibit duplexes in an area.

Supreme Court will hear arguments June 4 on whether sales by an El Paso firm to two men in Mexico were exempt from state sales taxes as international wholesale transactions.

DRAFT CALL DOWN AGAIN — June draft call for Texas is 1,366, down from 1,453 in May. Col. Morris S. Schwartz, State Selective Service director, has announced.

Figure is the state's share of 25,900-man national quota.

A total of 8,202 will be forwarded for armed forces pre-induction physical and mental examinations next month in preparation for future calls, Schwartz said. Total for May was 8,234. June call-up is the lowest since January when 1,363 were on state.

APPOINTMENTS — Governor Smith withdrew nomination of Dr. Emerson Emory of Dallas to State Board of Mental Health and Mental Retardation because Emory is committed to accept a state salaried job as a physician.

Martin Holter, formerly of Lockhart, has been appointed director of accounting for the Liquor Control Board, succeeding Kenneth W. Cook who was promoted to assistant administrator of LCB.

Smith reappointed Robert Leon of Austin to the board of trustees of the Teacher Retirement System. Members also selected Nat Williams of Lubbock and Willard Houser of Austin to the same board.

Morris Harrell of Dallas is new president-elect of State Bar of Texas and Jim Greenwood of Houston is junior bar president-elect.

Dallas Mayor Erik Jonsson has taken over as Texas Municipal League president.

SAFE TRAFFIC PLANS ASKED — Texas Highway Commission has invited 13 cities to join in a cooperative effort to plan urban traffic operations for increasing capacity and safety of streets and

Whiteface Garden Club holds meeting in Home Ec Room

The Whiteface Garden Club met in the Homemaking Department at the High School Monday evening, May 5.

Mrs. Woody Splawn was program chairman for a study on "Chrysanthemums, the Fall Beauties." After Mrs. Splawn had given a brief history and background of the development of the modern Chrysanthemum, Mrs. G. C. Keith demonstrated some of the methods of propagating and planting the flower for better blooms and stronger plants. Mrs. R. K. McCoy discussed care and fertilization and Mrs. R. H. Teen displayed and explained a chart on the classification of forms and types.

The business session was highlighted by the welcoming of three new members, Mrs. Vincent Logan, Mrs. J. W. Smith, and Mrs. L. C. Shelton.

Plans for a pilgrimage to the big Greenhouse at Cloudcroft, N.M. June 16 were

completed.

After a brief visiting time, the hostess served delicious pumpkin bread topped with cream cheese frosting, tea and coffee to the old and new club members, Mesdames R. D. Hensley, Sr., R. K. McCoy, R. H. Teen, D. L. Burris, Jerry Marks, Woody Splawn, Charles Worley, S. J. Bills, Ed Jennings, F. O. Hemphill, G. C. Keith, and the hostess, Mrs. J. L. Schooler.

The annual plant exchange took place after the meeting; many plants will now provide other members with varied foliage and flowers for their arrangements.

Next meeting is to be June 2, with Mrs. D. L. Burris, hostess.

The subject will be "Design Principles" with various club members presenting an arrangement to demonstrate a design principle as given in "The Handbook for Flower Shows."

1936 Study Club holds meet in H. B. King home May 7

The 1936 Study Club met Wednesday, May 7, in the home of Mrs. H. B. King.

Mrs. Lloys Miller, retiring president, installed Mrs. John Crowder as the new president for the new year. Also installed were: first vice-president, Mrs. Gage Knox second vice-president, Mrs. C. H. Silvers; secretary-treasurer, Mrs. Cy Fields; corresponding secretary, Mrs. Joe Nicewarmer; parliamentarian, Mrs. W. C. Benham, historian, Mrs. Glenn Thompson; and reporter, Mrs. M. C. Ledbetter.

Mrs. Neal Rose gave a review of the history of the club activities during the past year and Mrs. Crowder appointed committees for the coming year.

The club voted to contribute \$25.00 toward the furnishings for the Hospital for Mentally Retarded Children to be opened this month in Lubbock.

Reports were given of the organizational meeting for a Community Action Committee in Morton and discussion was held concerning the resolutions to come before the State Meeting of Texas Federation of Women's Clubs.

Others attending the meeting were: Mesdames, D. E. Benham, Maurice Lewallen, W. W. Smith, James St. Clair, Joe Gipson, B. H. Tucker, Bill Savers, Mike Barrett, and L. F. Hargrove.

A social hour will commence at 8 p.m. at the Home of Post No. 32, followed by a dance at 9 p.m.

On Sunday morning the Memorial Service will be at 9 a.m.

The business session for The American Legion will be called to order at 9:45 a.m. by Henry Hill, department vice commander. Committee reports will be heard

from the following chairmen: Grant Hanna, Boys State; Cliff Roberts, Baseball; Eunice Grayson, Oratorical; Austin White, Credentials; Bill Brady, Rules; Ernie James, Constitution and By-Laws and Bill Lipham, Resolutions.

A Department Vice Commander will be elected for the ensuing year and delegates and alternates to the National Convention to be held in Atlanta, Georgia in August will be elected.

IRS gives instructions for summer workers

Within a few weeks thousands of young Texans will trade their classroom chores for a three month turn in the world of work, the Internal Revenue Service points out. Perhaps in our affluent society the students are earning money for those extras or for money to buy that car.

Contrary to the practice followed by quite a few employers, students or any employees who work for a short period are subject to the same withholding, social security and other employment taxes for both the employee and the employer, that apply to regular employees. Even if you are only going to work a short time, you must take your employer your social security number and fill out a Form W-4.

Don't forget to get your W-2 on the job at the end of the summer, or by January 31. Taxes withheld during the summer spend quite well during the spring term of school.

However there is one little chore — you must file a tax return for the government to know that you are due a refund of part or all of your tax withheld during the summer.

Protects mattress

Quilted cotton pads will protect your mattress and insure its long life. Choose an all-cotton mattress pad with quilting stitches that are closely spaced. Cotton pads are highly absorbent, a must for keeping a mattress fresh. And the closer the quilting pattern in a pad, the more durable it will be.

The same cotton cloth can be finished to appear as chintz, gingham, moire, denim, matelasse, or pique.

Sandra Courtney receives state FHA degree

Three Morton FHA members attend State Convention

During the past week, three members of the Morton High School Future Homemakers of America traveled to a State Convention in Dallas. Mrs. Murray Crone, club advisor, sponsored the girls, Helen Christian, Sandra Courtney, and Sherri Cadenhead, on the trip.

The group boarded a chartered bus at 8 a.m. Thursday, May 1, and arrived in Dallas at 3:30 p.m. where they registered at the Sheraton-Dallas Hotel.

A welcome was given to everyone at the convention by John R. Guemple. In his welcome he pointed out that it doesn't matter how you do things — do it with personal commitment.

The highlight of the first day's activities was the main speaker for the assembly, Miss Marilyn Van Derbur, Miss America from Colorado. Her speech was entitled "Goals and Dreams" in which she stated that it is not luck or genius but work, desire, and discipline that counts.

Miss Sandra Courtney, Morton FHA President, received her State Degree at the meeting. A State Degree is the highest honor a FHA member can receive. She

Morton FHA holds meeting in foods lab

The Morton Chapter of the Future Homemakers of America met Wednesday, May 7, in the Foods Lab of the Homemaking Department of the high school.

The meeting was held during the lunch break so everyone brought their lunch.

The purpose of the meet was to tell about the recent trip to Dallas to the State Convention attended by Mrs. Murray Crone, club advisor; Sandra Courtney, FHA president; Sherri Cadenhead, and Helen Christian.

Each of those attending told of one part of the stay in Dallas. After the meeting Sherri Cadenhead led a relaxer before the next class began.

Chemicals better, cheaper as weed fighter, specialists say

The favorable moisture conditions indicate excellent prospects for a good cotton crop in nearly all of Texas, reports Extension cotton specialists at Texas A&M University. But they added, this also means there will be grass and weeds to control.

In the past, much of the weed control done by the farmers was by hoeing. But now, due in part to the scarcity of hoe hands, but mostly because it is easier, cheaper, quicker, and better than by hand, chemicals are quickly proving themselves. For every dollar invested in herbicides correctly applied, the grower saves several more dollars in reduced production costs.

There are nine weed control chemicals recommended for use as premerges in cotton. All of these can be applied in a band at the time of planting with equipment mounted on the tractor with the planter. Or, they can be band or broadcast applied as a separate operation immediately after planting.

Two of the chemicals, Planavin and

Treflan, can be applied broadcast in the spring, just before planting, but they must be soil incorporated. They can be sprayed on the beds and incorporated with a row disc, do-all, or roto-tiller.

Incorporation should be shallow. It is very important to know where the incorporated herbicide is and to place the seed at the bottom edge of the zone of incorporation.

There are a number of herbicides available. Therefore, it will be well to study all the materials and learn as much as possible about their use, pointed out the specialist. Each grower can work out a system suited to his land and equipment.

Further information is contained in B-1029, "Suggestions for Weed Control with Chemicals," available from the local county agent. The specialists emphasized the importance of reading and following label instructions to prevent accidents.

Local students join SPC honor society

Two Morton students were among new members recently initiated into an honor society for academics at South Plains College. They are Elliott Benefield and Donna Hofman.

The 1968-69 Phi Theta Kappa initiation was held at South Plains College Thursday night, May 8, in Texan Hall annex. Thirty-one members were initiated into the National Honor Society for Junior College students. This is the highest academic honor that can be bestowed on a Junior College student, who is required to carry a minimum of 15 hours and have a 3.25 grade point average.

Led by Gayla Olson, the group marched into the hall with lighted candles as Harley Bulls played the processional. Phi Theta Kappa President David Cook, Vice-President Dennis Humphreys and Secretary Mary Sinnacher officiated at the initiation.

Following the initiation, The Tetteses sang three numbers and Joe Amis, South Plains College librarian, addressed the group. Mr. Bulls sang the Phi Theta Kappa song.

A reception for family and friends of the members followed the service with Phi Theta Kappians as hosts.

Styles going back

New styles in men's cotton shirts show the wide-reaching effect of the Thirties on the fashion world. Shirts have bigger collars and are worn with wider ties. Moreover, the outlook calls for lots of color. In both cotton dress shirts and sports styles, designers are featuring blue, pink, yellow, spruce green, and reds from melon to mulberry.

Maderra explains services through OEO

Approximately sixty people assembled in the Eastside Elementary Building May 1 to hear Howard Maderra from Levelland explain the services available through the Office of Economic Opportunity.

He told the group that the Levelland Community Action organization was incorporated in July of 1966 after they had made a survey of existing needs for services.

Every community has different problems and needs and no agency can possibly solve a program without the full cooperation of those who will be benefitted.

The group made several suggestions regarding services they felt were needed: a child care center, and youth activities and adult education that would include reading, writing, arithmetic, and short courses in cooking and sewing.

The following steering committee was elected to study needs and report at a meeting May 20 in the County Court House. Those selected were: Mrs. Bessie Green, Mrs. Louise Cobb, Mrs. Lucille Wynn, Mrs. Katherine Joyce, Mrs. Frank Grade, Fernando Rames, Mrs. Patricia Trejo, Santos Gonzales, Father David Greka, Mrs. Humphrey Barker, Mrs. W. G. Freeland, and Mrs. Joe Seagler. Only two rural crashes in county for April

The Texas Highway Patrol investigated two accidents on rural highways in Cochran County during the month of April, according to Sergeant H. E. Pirtle, Highway Patrol Supervisor of this area.

These crashes resulted in one person injured and an estimated property damage of \$250.

The rural traffic accident summary for this county during the first four months of 1969 shows a total of 11 accidents resulting in no persons killed, ten persons injured, and an estimated property damage of \$38,543.

School will soon be out. This will be the signal for summer vacations to begin with hundreds of thousands of people heading for the open highways.

To help insure a safe vacation and summer driving, the sergeant suggests that you have the following items on your car safety checked:

1. Check the tires for worn and cut spots.
2. Check the steering and wheel alignment.
3. Check all lights and mirrors.
4. Check springs and shock absorbers.

And as a final reminder the driver should be prepared for "defensive driving."

Dena Smith feted with tea in Gray home

Miss Dena Smith, daughter of Mr. and Mrs. V. C. Smith and bride-elect of Robert Taylor, was feted with a Gift Tea in the home of Mrs. Connie Gray on Saturday, May 10.

The bride's chosen colors of yellow and white were displayed in all the party rooms with various flower arrangements.

The serving table was covered with a white lace cloth and centered with a tiered bridal arrangement. Crystal and silver were used in serving.

Many friends called during the tea and were registered at the bride's book by Mrs. Fred Weaver.

Mrs. Glen McDaniel, Mrs. Joe Seagler, Mrs. Bill Cooper, Mrs. C. R. Elliott, and Mrs. Ted Whillock alternated at the serving table.

Hostesses for the tea were: Mesdames Joe Seagler, Fred Weaver, Ted Whillock, Lovell Jackson, Glen McDaniel, L. B. Childs, Bill Cooper, C. R. Elliott, Mrs. Hardy Rhyne, and Mrs. Connie Gray.

Morton's Sgt. Darland now on duty in Japan

Staff Sergeant Larry D. Darland, son of Mr. and Mrs. O. R. Darland, Rt. 2, Morton, Tex., has arrived for duty at Yokota AB, Japan.

Sergeant Darland, a munitions specialist in a unit of the Pacific Air Forces, previously served at Korat Royal Thai AFB, Thailand.

He is a graduate of Morton High School and is married to the former Marquita L. Smith.

Teaching trails end . . .

TWENTY THREE YEARS of teaching, 21 of them in Morton schools, came to an end for Mrs. F. G. Kennedy, Seventh grade math teacher, in retirement ceremonies held at the Morton schools cafeteria Tuesday. Junior High Principal Jim Middleton is shown presenting Mrs. Kennedy a school bell with which to remind herself of her teaching days in her retirement years. The presentation was made before a large group of teachers and well wishers who gathered to honor her and say farewell.

Rheda Brown, Karen Rozell to present piano recital

Two graduating seniors will be presented in recital Sunday afternoon May 18th at 3 p.m. in the First United Methodist Church by their teacher Mrs. Norma McCarty.

They are Rheda Brown and Karen Rozell. Both young ladies have attended Morton School all of their school years, and have been active in church and civic affairs, using their musical abilities whenever and wherever needed.

The students have completed the required work as set forth by the Applied Music Program in the State of Texas, both theory and playing program through 12th grade.

Miss Brown, daughter of Mr. and Mrs. Ira Brown, will play selections by Bach,

Beethoven, Chopin, Gershwin and the 1st Movement of Scaramouche by Milhaud written for two pianos.

Miss Rozell, daughter of Mr. and Mrs. Daniel Rozell, will play selections from Bach, Beethoven, Chopin, Copland, and The Lord's Prayer arranged for two pianos by Malotte.

Miss Peggy Thomas will be second piano accompanists for both ensembles, and also for a vocal number by Miss Brown.

Ushers for the recital will be Misses Jeana Thomas and Lanita Combs. Awards earned by the seniors will be presented at the close of the recital. The public is cordially invited to attend.

REFLECTIONS UPON RETURNING FROM THE FUNERAL OF AN EARLY KINSMAN

Which will I remember the longest — the jewels and pillowcases he purchased for me on special occasions, or the tons and tons of fresh tomatoes, zuc-

chini, okra, etc. etc., he grew with his own hands and gave to me just to be giving?

WHY HAVE I spent so many frustrated hours grieving over the plaster on the living room ceiling that's flanking off because I can't afford to redecorate the whole room "stylishly" and won't touch it until I can?

What was I so everlastingly busy with that I didn't take more time to go by his garden and brag on his dahlias "big as a dinner plate" and give him the opportunity to present me with one of his gorgeous roses?

WHY HAVE I let people thousands of miles away in a place called the "Fashion Center of the World" make me miserable because all of my shoes are pointed toed and high heeled and they have now decreed that they should be square toed and low heeled?

Wouldn't I like myself a lot better right now if I had purchased something inexpensive and given him everytime I purchased a gift I really couldn't afford but felt duty bound to give to someone I didn't particularly care for one way or the other anyhow?

I WISH I HAD back all the time I've wasted fretting over the cracked linoleum in the kitchen.

I just wonder how many of these large cottonwoods I love so much that surround my home would be here today if it hadn't been for his watering, staking and pruning when they were just saplings and I neglected them?

WHO REALLY CARES that all the rockers on the screened porch look like something out of Tobacco Road except me?

Why didn't I freeze him more homemade ice cream? . . . he loved it so and it takes so little time compared to the hours he spent carefully gathering the eggs for me.

Ultimately, will it really matter that the living room sofa is rump sprung and the carpeting worn?

I can't even remember now what world shaking affair was taking place when the cantata he sang in was presented, but I'll never forget the fact that I didn't go hear him sing in the cantata after he had especially invited me to please come.

So what does it matter that Spanish furniture is now chic just as I got a houseful of Early Something or Other?

WHEN MY VERY favorite dog was run over by that big truck, everyone sympathized, but he was the one that got the carcass off the highway, buried it and said nothing about the zinnias he planted over it.

Why do I eat my heart out because I don't have central air conditioning even though the cooler in the window keeps the house comfortable?

How did he always sense when I had a hard time mowing the grass because the blades were dull? — I never asked him to sharpen them, but he always did at just the right time.

INSTEAD OF LONGING for a closetful of stylish clothes, why can't I be grateful for wash and wear and remember the day long ironings I used to have every week?

I hope all of my now grown children will remember the many, many times he baby sat with them so I could get away for a few hours.

WHY DO I PERMIT Detroit to make me feel inferior with their flashy new models as long as what I'm driving still starts, goes, and stops?

If I had a dime for every time he

Mrs. Deryl Bennett expresses her thanks

Mrs. Deryl Bennett, Cancer Crusade Chairman, wishes to thank each one who has helped to make the 1969 Cancer Crusade a success.

Mrs. Bennett reported that more than \$1600.00 has been raised during the April Crusade and this was made possible by the willingness of many who spent their time as well as the generosity of local people in their contribution.

Mrs. Bennett also pointed out that if anyone was missed during the crusade they could contact her and memorials can be made to the American Cancer Society through Faye Fincher at the First State Bank.

Mrs. Russell McKenzie (nee Sohnia Morris)

Morris-McKenzie joined in double-ring wedding rites

Miss Sohnia Morris became the bride of Russell McKenzie in a double-ring ceremony at 7:30 p.m., Saturday, May 10 at College Avenue Baptist Church, Lubbock. The Rev. Robert Moore officiated.

Parents of the bride are Mr. and Mrs. Charles Morris, 1411 East Kent, Lubbock. The bridegroom is the son of Mr. and Mrs. Gordon McKenzie of Gravette, Arkansas.

The Brides' father presented her in marriage. She wore a street-length dress of white shantung under a coat of chantilly lace and carried a white orchid surrounded by white carnations atop a white Bible.

Miss Vickie Guillot of Dallas was maid of honor. She wore a street-length dress of turquoise brocade and carried a cluster of white carnations. Ronnie Overby of Lubbock served as best man.

Guests were seated by Corkey Long of Goodland and Dewayne Morris of Post. Cynthia Long of Goodland was in charge of the guest book.

Wedding music was presented by Mrs. Mary Beth Nichaus of Lubbock.

Following the ceremony Mr. and Mrs. McKenzie greeted guests at a reception at the church.

Out-of-town guests included Mrs. Gordon McKenzie, Gravette, Arkansas, mother of the bridegroom, Mrs. Lewis Parnell of Dallas, Mr. and Mrs. C. B. Hightower of Goodland, and Mr. and Mrs. L. C. Morris of Levelland.

The couple will travel to Dallas for their wedding trip.

The bride is a graduate of Lubbock High and Draughts Business College, and attended Texas Tech and is employed with Southwestern Bell Telephone Co.

The bridegroom attended Decatur High, Decatur, Arkansas and is employed with

IT'S BEEN A LONG YEAR

Just a little longer... and homework, and exams will be over and then VACATION TIME. It is so good to have something to look forward to... swimming, fishing, ball, all of those wonderful activities.

Yes, it is good to have something to look forward to. I look forward each week to an opportunity to worship with others in the House of the Lord. I look forward to the hymns of praise, to the time of Bible study, and to the message brought by God's servant. Why don't you join me this week at church and participate in these joyful moments.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
