

# Indians to host high-ranking Sudan Friday

The Sudan Hornets, ranked high in state-wide class A polls, invade Indian Stadium Friday night as the Tribe opens a four-game home stand.

The Hornets, undefeated, untied, and unscored upon in impressive victories over Sundown and Amherst, are hoping to advance again to the state playoffs. Last year, Sudan stopped Ralls and Gruver in bi-district and regional play before falling to Sonora who then went on to win the state crown.

Sudan boasts its own set of "Goldust

twins," namely Larry Hanna and Jerry Bellar. If one can't do the job, the other generally can. Bellar was stopped by Sundown, but Hanna rolled up 117 yards and three touchdowns. Hanna scored two more against Amherst as the Hornets picked up 388 yards offensively in romping to the 39-0 win.

Both Hanna and Bellar display quickness and good broken field running and are hard to bring down once they get into open territory.

Tackle Harvey Willeby, a 210-pounder,

gives the Hornets the extra beef they need to make holes for Hanna and Bellar. Also, guards Pat Minyard and Steve Edwards are offensive standouts. Linebackers Randy Pierce and David Weaver have helped keep the Hornets scoreless this season.

Indian coach Ted Whillock expressed mild disappointment in his team's performance, but he pointed out how the Chiefs had stacked the interior of the line with 200 pound men, thus causing the Indians to have to give away nearly 50

pounds per man.

"Not having Harvey to help us out on defense really hurt," reported Whillock. Harvey, used sparingly on offense, picked up 63 yards in 15 carries despite an ankle injury.

Whillock expressed confidence in his Indians as they prepared to host the speedy Hornets. Harvey is expected to be back at full strength this week. Defensive tackle M. C. Collins, a 190-pound junior, also joined workouts this week after a

# Council overhauls City Code

Re construction of the entire City Code was the main order of business at the regular meeting of the Morton City Council Monday night.

In an extra lengthy session the council held a hearing on personnel matters and then delved into the matter of reading and amending the long list of city ordinances. The process was a lengthy one, with the council session finally breaking up near midnight.

"The old City Code is so scattered and the ordinances so out of date that we can't even find some of them when we want them," City Secretary Elra Oden told the Tribune. "There isn't much use for an ordinance giving specifications for a horse hitching post in front of a residence any more," he added and said that revision, updating and consolidation is long overdue.

Fifteen of the revised and amended ordinances appear on inside pages of the Tribune in today's edition. The adopting ordinance, which will put the new code into effect officially, was read in public hearing for the first time at Monday night's meeting and will be read two more times at the following successive meetings, Oden said.

In other business, Leon Kessler, Morton Area Chamber of Commerce manager and Mrs. Kate Hargrove, secretary to the chamber board of directors, appeared before the council for the purpose of presenting a chamber survey for the councilmen's consideration.

Kessler expressed concern over the fact that Morton has lost an estimated 100 of its population over the past year and stated that the survey being carried on by the chamber is for the purpose of improving business and community conditions in an effort to stop this population drain. The survey stipulates causes and problem areas and solicits answers and solutions to these problems.

The council received the survey for further study and will make a reply at a later date.

Kessler also informed the council that Lt. Governor Ben Barnes has agreed to introduce Gov. Preston Smith as the main speaker at the Owens Brothers Custom Feeding Co., open house which is scheduled for October 30. The Governor had

CAR SHOW CROWD...

PROBABLY THE LARGEST crowd of people to have gathered in Morton in recent years turned out for the 1970 auto show presented by the three car dealers in Morton last Wednesday night. People by the hundreds visited Little League Park to view the new Oldsmobiles, Chevrolets and Fords put on display there by local auto dealers who com-

bined their efforts in a fine display of cooperation in exhibiting their new vehicles and giving the Morton and Cochran county public a sneak preview of all the new models, a show that turned out to be most popular. The above scene was photographed midway in the show which began at 8 p.m. and concluded at 11 p.m. and attracted throngs of happy car gazers.

# Indians bow to Chiefs, 10-0, in Friday night gridiron action

The Chiefs of Friona asserted their tribal authority over Morton's Indians last Friday and sent the Tribe home with a 10-0 scalping. The Chieftains bottled up the Morton ground attack and let the Indians defeat themselves with their passing game. The win was the first for Friona against one loss.

Morton takes on Sudan in the home opener Friday. The Indians, now 1-1, will host the undefeated, untied, unscored-upon Hornets.

Friona's scouts must have been strongly impressed with Terry Harvey's performance against the Plains Cowboys for, in the Friona game, whenever Harvey moved, one or two Chieftains were going with him. Besides being dogged by Friona linebackers, Harvey had to favor a sprained ankle, but still managed to ground out over half the Morton yardage. Harvey picked up 63 yards on 15 carries. The Indians managed 111 yards for the game.

Neither team was real impressive. The Chieftains, after a 34-0 shellacking at the hands of class A Farwell, probably surprised themselves in driving to a second quarter touchdown late in the second period after limiting the Indians to just 18 offensive plays. The Chiefs took 11 plays in driving from their own 42. The Chief's big fullback Isidore Cordova dove over right tackle from the three for the first Friona TD of the season and the first touchdown scored against the Indians. Donny Carthel booted the extra point.

The Indians had opened the game at the 26 yard line after Kieth Embry had returned the Friona kickoff to that point. Ralph Soliz banged for four over left tackle. Bryan picked up two in trying to circle left end, and Harvey was stopped for a one-yard gain to the 33. Then Bryan got off the first of four good punts and the Chiefs took over at their own 40 yard line.

The Indians were expecting Friona's

little halfback Wesley Clark to carry the ball quite a bit, and that he did, but it was the bull-like rushing of 183-pound Cordova that provided the extra punch for the Chieftains. After picking up seven to the Indian 21 on their first possession,

# Virgil Coffman victim of firearm mishap here

Virgil Coffman, of Morton, was reported in satisfactory condition at Methodist Hospital in Lubbock Wednesday following a firearms accident Sunday.

According to reports made to police chief Charley Ellis and relayed to the Tribune, Coffman was cleaning his .22 caliber rifle in his home at near 12:45 p.m. Sunday when it accidentally discharged. The bullet reportedly entered high in his left chest, penetrating the left lung but missing the heart and major arteries.

Coffman was rushed to Lubbock by ambulance and is reported progressing satisfactorily.

# City police patrolman dismissed here Monday

Morton is once again short one police patrolman as a result of the dismissal Monday of Patrolman Frank Davis.

Davis informed the Tribune that his dismissal followed a city council hearing on personnel matters but gave no details concerning the cause or whether or not it was the city council that dismissed him.

No further details were given for publication by the Tribune by the city hall staff or the police department.

# Editorial

Two functions took place in the Morton last Wednesday that causes us to take our hat off to a large number of persons in the community and the "pull together" spirit that prevailed in them both.

We feel that it was a day to be remembered — and possibly a "first" in both cases. We haven't checked this out thoroughly as yet, so will say "firsts" with reservations.

We are referring, of course, to the auto show our car dealers put on at Little League Baseball Park and to the welcoming coffee for newcomers to Morton sponsored by the Town and Country Study Club. Both were exceptionally well done and bring great credit to their organizers.

It was in the truest sense of progress and cooperation that the Ford, Oldsmobile and Chevrolet dealers combined their efforts in putting on the show. Show us another town where all the auto dealers — remember they are in the stiffest of competition — will get together to present such an event.

And here we must mention that all the automotive supply houses set up display booths with prizes for everyone, adding greatly to the show's success. We doubt that a single Morton merchant failed to help in some way to make this a truly fine event, with gift certificates and prizes awarded every 15 minutes.

The fine group of study club women showed real concern for the community and its future in holding a coffee for all the recent newcomers to Morton in the County Activities Building from 5 to 7 p.m. They displayed a warm interest in our town in wanting our newcomers to know they are welcome and in taking this way to make it known to them.

When a town can pull together in projects such as these, it is a long way from hitting bottom. We say we have a winner with a bright future and we are proud to be a part of it!

STREET SCENE...

THERE IS NOTHING like a pleasant stroll around the town square on a beautiful, sunny Sunday afternoon — which is exactly what this group of young beauties was doing when the above photo was snapped. Carolyn Gonzalez, 16, of Morton, center, was showing her out-of-town visitor, Delma Hinojosa, far right, also 16 and her house guest, around Morton with the help of three other young friends. Left to right the group includes, Gracie Rodriguez, 10, Maria Grado, 17, Carolyn, Ida Barrera, 13, and Delma, who must have liked our town for her smile means anything.

# Boy Scout Troop 601 presents awards at 'Court of Honor'

An impressive ceremony Sunday Boy Scout Troop 601 of Morton held a Court of Honor to present a large number of awards and awards won by the troop members during the summer.

Scout Master Tom Davey made the presentation assisted by Louis Hodge, newly appointed assistant scout master. Prior to the awards, district scout director Ken Cole made a short talk to the troop of the assembled parents and friends. Those receiving them and the awards included:

Ale Bryan, Outstanding Scout, Citizenship in the Nation, Citizenship in the Community, Nature and Forestry.

# White shows GC Duroc boar at Lubbock fair

A local area farmer has established himself as a top flight swine breeder and continued his winning ways by taking several high honors at the Panhandle-South Plains Fair in Lubbock early this week.

Carl White, a Duroc breeder from Morton repeated his feat of last year by once again showing the Grand Champion Duroc Boar of the show, attaining this honor for the second year in a row.

He did not rest on his laurels here, but went on to win high placings in several other divisions as well.

Other winnings by White's Duroc entries included the overall Reserve Grand Champion Sow, Senior Champion Sow, Reserve Champion Sow, Senior Champion Boar, and Reserve Junior Champion Sow.

White, his wife, Laura, and two children reside at 705 Southwest 1st Street in Morton.

# Carnival coming

The Harvest Halloween Carnival, sponsored each year by the Emma Smith Junior Study Club, will be held Saturday, October 25 this year. Clubs or organizations wishing to sponsor a booth, may contact Mrs. J. W. Tyson, 266-3571 or Mrs. Sherrill Griffith, 266-3889.

WUGGED INDIAN ACTION...

THINGS GOT DOWN to the nitty-gritty during the second half of the Morton Indians-Friona Chieftains ball game Friday night as the Chiefs eeked out a 10-0 win over the hard fighting tribe. The loss was the first for the Indians this season as against a single win. With the addition of a

couple of good breaks and the absence of a couple of bad ones, the score could very well have been reversed. The Tribe takes on a strong Class A Sudan Hornet squad in their season opener at home Friday and are hoping to get back a winning record.

## Whiteface grinds down tough O'Donnell 26-14

The Whiteface Antelopes made up for last week's loss as they outran O'Donnell 26-14 at O'Donnell Friday night. The win was the first of the season for Coach Dale Road's charges, left Whiteface with a 1-0 season record.

The Antelopes have yet to play at home. This week they travel to New Home for an 8 p.m. game.

Whiteface took a 12-6 halftime lead over O'Donnell's Eagles last Friday afternoon. L. C. Clewis and Rick Bennett had scored for the Antelopes. Bennett ran over for the 10 and Clewis had to scamper 22 to pick up his score.

Clewis added another TD after the halftime mission on a 33-yard gallop. The Eagles narrowed the gap to 18-14 on a four-yard plunge by Juveni Guitierrez for the Terry Jerry Webb ran the extras.

After a tough defensive battle, Antelope halfback Armando Armandarez sprang 50 yards for Whiteface's final tally during the fourth period.

Whiteface will open the home season against Lazbuddie on October 3.

## ASCS Farm News

By John W. Hall

The county convention where farmer-chosen delegates will elect farmers to fill vacancies on the Cochran County Agricultural Stabilization and Conservation Committee will be held September 24, 1969 at 9:00 a.m. at the ASCS County Office.

The convention will be open to the public. Any person interested in observing the voting procedure may attend. However, only farmer-delegates to the convention may participate in the election process. The election will be by secret ballot.

County committeemen are elected for 3-year staggered terms, and the service of each county committeeman is limited to three consecutive terms. First and second alternate committeemen are also elected, each for 1-year term.

Eligibility to vote or hold office as a committeeman is not restricted by reason of sex, race, color, religion, or national origin, the Chairman emphasized, and he added that other details as to qualifications of candidates are available at the County ASCS Office.

Chairman Danny Key urged all ASCS farmer-delegates to be sure to attend the county convention. The delegates were automatically chosen as convention delegates when they were elected recently by their farmer-neighbors to serve as community ASCS committeemen for the coming year.

Community committeemen elected from each community is as follows:

- "A" Community: Ken Coffan, Chairman; Ike Williams, Vice Chairman; Loy Kern, Member; C. C. Harvey, 1st Alternate; Roy Davis, 2nd Alternate.
- "B" Community: Donnye Baker, Chairman; Curtis Sealy, Vice Chairman; Tom Greer, Member; Earl Polvado, 1st Alternate; Raymon Hall, 2nd Alternate.
- "C" Community: Jack French, Chairman; Leonard Gainer, Vice Chairman; Olen Lewis, Member; Marvin Lasater, 1st Alternate; D. D. Marshall, 2nd Alternate.
- "D" Community: Ralph Burt, Chairman; W. P. Houston, Vice Chairman; Charles

Understand, of course, the expense account of \$875 a month is in addition to the \$400 a month salary for doing whatever it is they do in between sessions. WE AIN'T GOT NO DUMMIES down there in Austin!

In addition to sacrificing themselves for "austerity and economy in government," our representatives also tied strings to their very own expenses accounts.

They are to be used only for travel or "other reasonable and necessary expenses incurred in the furtherance and performance of legislative duties or incident thereto."

RIGHT OFF HAND, can you think of any activities whatsoever that couldn't somehow or other be incident there to the furtherance and performance of legislative duties?

As sharp as those boys are, they'll tie in a trip to Florida with duties to the state of Texas.

RESTING FROM ALL that circus life, for instance.

Or now that the airlines have a direct flight from Dallas-Fort Worth to Hawaii . . .

Well, you can see how basking on Waikiki Beach would help settle your nerves after all those fights during a session. ACTUALLY, the possibilities are endless.

ACTUALLY, I'm just full of sour grapes.

## L'Allegro Club dinner in J. C. Reynolds' home

The annual President's Dinner of the L'Allegro Study Club was held in the home of Mrs. J. C. Reynolds Tuesday, September 16. Mrs. Bud Thomas who was installed as president of the Club in May was honored.

The theme for the year "Masterpieces" was carried out in table decorations. Each name place was a miniature work of art done by Mrs. Truman Doss and Mrs. Mike Doss, mounted on miniature easels.

Mrs. Reynolds gave the welcome and the invocation was given by Mrs. Harold Drennan.

The president was introduced by Mrs. Al Mullinax. In her message, Mrs. Thomas, used a poem written by Helen Keller which brought out the art of the rainbow. She suggested that nothing is perfect in life and that the year ahead in the study club would certainly have its imperfections but we should strive for the loveliness of the rainbow.

Mrs. H. B. Barker presented the year-books and explained the meaning of the cover which depicted the various forms of art.

The following members were present: Mesdames Barker, Truman Doss, Drennan, H. D. Griffith, Eiwood Harris, C. O. Willingham and Mrs. Thomas. Guests were: Mrs. Ruby Lee Smith, Mrs. Bill Sayers, Mrs. David Newsom, Mrs. Weldon Newsom, Mrs. Earl Outlaw and Mrs. Ralph Beasley, the hostess, Mrs. J. C. Reynolds and co-hostesses, Mrs. Jack Wallace, George Mundhenke, James McClure and Al Mullinax.

## Dollar-a-bale cotton report set in Lubbock

Cotton farmers will hear a detailed report on their dollar-a-bale program at a meeting here Tuesday, September 30, according to Howard Alford, Lubbock, vice president of Cotton Producers Institute.

Mr. Alford called the meeting for 12 noon at the Red Raider Convention Center, 6025 Avenue A (on South U.S. 87, on the Tahoka highway at the traffic circle).

"If you are tired of hearing bad news about cotton, plan to attend this meeting," Mr. Alford said. "You will hear solid evidence that cotton can fight its way back from the market losses of recent years."

The program will be presented by staff members of the National Cotton Council. They will report in detail on research and promotion activity being carried out by CPI and the Council.

The visual presentation will point out how industry funds are being used to make cotton more appealing to consumers, for promotion to convince consumers to buy cotton, and to find ways of producing cotton at lower costs.

"We believe you will leave the meeting with renewed confidence in the future of the cotton industry," Mr. Alford said.

### Mrs. Johnson attends historical workshop

Mrs. LeRoy Johnson of Morton, recently attended the Winedale Workshop, a conference on the principles of restoration and preservation, at the restored Winedale Inn Complex in Fayette County.

The workshop, held September 12 and 13, was co-sponsored by the Texas State Historical Survey Committee and the University of Texas at Austin.

Workshop speakers gave professional guidance for the restoration of the log structure, adobe structure and "fachwerk," and unusual construction technique employed by German immigrants during the early settlement of Texas.

Dr. W. C. Holden of Texas Tech University gave a resume of the development of "Ranch Architecture," a distinct form of building design that is indigenous to Texas and the Southwest, as well as development of the classic architectural style - Greek Revival, both in America and in Texas. The latter is the building style embodied in so many fine old plantation homes of the South and later adapted to town living.

An on-site inspection of a structure in the process of being restored at the Winedale Inn complex was also conducted along with demonstrations in craftsmanship and the tools being used in authentic and professional preservation and restoration.

Mrs. Johnson is First President of Caprock District, Texas Federation Women's Club.

# SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking.

God never changes, he is an ever present help.

*"For I am the Lord, I change not"*  
Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Try Coop fish fry**

The Morton Coop Gin board of  
directors has warned all of their  
members to gird themselves  
for a huge "Get Acquainted Fish  
Fry" to be held for all the present  
and prospective members and their  
families on Thursday, October 2.  
"Come with your appetites  
ready for some of the best fish  
you have ever tasted, catered by  
a large firm in Lubbock and fea-  
turing those tasty Bass and other  
fish from the lakes of Old Mexico,"  
the guests are told.  
One of the principal reasons for  
the get-together is to introduce  
the new Morton Coop Gin Man-  
ager, Jackie Randolph, and his  
family and for all old and new  
members to make and renew old  
and new acquaintances.

**TEEN SCENE**

by DORISE  
Hi gang! Morton High has been down  
in the dumps, after losing the game Fri-  
day, but we are expecting a winner to-  
morrow night. This is our first home  
game of the season.  
The pep rallies are going great this  
year with a lot of spirit. Everyone be-  
lieves the Indians will conquer the season  
and come out on top.  
The Pep Squad has been working to  
do their part for the Indians. They are  
getting their suits ready as well as new  
routines to go along with the cheerleaders.  
They have also been decorating the halls  
every Thursday afternoon for our "Spirit  
Day" on Friday. This is the day the  
spirit runs the highest.  
The Chamber of Commerce sponsored  
a banquet for the teachers of Morton  
and neighboring towns which was a great  
success. A large number of people turned  
out for it.  
This is our first home game of the  
season. Sudan comes to us. We need a  
lot of boosters to help cheer the Indians  
to victory, and we are hoping the whole  
town fills the stands.  
STOMP SUDAN!!!

**Mrs. John Crowder honored at luncheon**

The first meeting for the new year  
of the 1936 Study Club was a luncheon  
in the home of Mrs. Gage Know, honoring  
the president, Mrs. John Crowder.  
Assisting as hostesses were Mrs. W. W.  
Smith, Mrs. W. C. Benham, Mrs. Cyrus  
Fields and Mrs. Glenn Thompson.  
The course of study for the coming  
year, "Great Lives, Great Deeds" was  
presented by the program committee.  
They used a quotation from Longfellow's  
"Psalm of Life" as the motto for the  
year: Lives of great men all remind us,  
we can make our lives sublime, and de-  
parting leave behind us footprints on the  
sands of time."  
Mrs. Crowder spoke of the need for a  
knowledge of the past in order to cope  
with the present rapid changing times,  
and in order to plan for the future. She  
emphasized this idea in explaining why  
she had chosen as a theme, "Look Out,  
Here Comes Tomorrow."  
At a short business meeting the club  
voted to recommend Mrs. LeRoy Johnson  
for District President next year of Cap-  
rock District TFWC.  
Others attending the luncheon, which  
was served in a formal setting from a  
linen covered banquet table were: Mes-  
dames Lloyd Miller, Neal Rose, Hume  
Russell, Joe Nicewarner, D. E. Benham,  
Maurice Lewallen, James St. Clair, Joe  
Gipson, Bill Sayers and M. C. Ledbetter.

**Football . . .**  
from page one

Clark was thrown for losses on two plays.  
Larry McClintock dropped Clark for a  
five-yard loss at the 20 to stop the first  
Chiefstain drive at that point.  
The visitors from Morton then began  
to move. Embry picked up the initial  
Morton first down on a fourth and one  
gamble at the 29 of Morton. From there  
the Tribe moved into Friona territory on  
a 15-yard personal foul penalty, but the  
Chiefs rose up to stop Morton cold at  
that point. Embry and Bryan both tried  
the line for no gain. One third down,  
Embry, running from a halfback position,  
found Willie Holland in the open, but  
the Indian sophomore dropped the pass  
and the Tribe was forced to punt.  
After punt exchanges, Friona mounted  
their first scoring drive. Morton thren-  
ded just before the half as Terry Harvey  
broke away for gains of 11 and 12 yards,  
but quarterback Mike Bryan was dropped  
for a 13-yard loss after trying to pass  
from the Friona 37.  
Throughout the band performances at  
halftime, the good crowd of Indian fans  
were hoping for the same second half  
revival that gripped the Tribe during the  
final two quarters of the Plains game,  
and it first appeared that was the story  
as the two teams again hit the field. Mor-  
ton stopped Friona at the home 43 and  
forced the hometown boys to punt. Em-  
bry was hit after calling for a fair catch  
and the Indians set up at their own 46.  
From there, Soliz and Harvey alternated  
on carries into Friona territory. Harvey  
picked up nine to the 31, and Soliz got  
the second first down in the drive to the  
30. But the Chiefstains tightened. Soliz  
managed two to the 28 before Harvey  
picked up three more. On fourth and four  
at the 25, Harvey was stopped for a two-  
yard gain and the Indians only serious  
drive was halted.  
Still the Indians were not whipped as  
they stopped the Chiefs, but then they  
seemed to lose their spirit on the next  
possession as well-run pass patterns went  
to no avail on dropped passes. From the  
Friona 47, Mike Bryan flipped to Eddie  
Lewis but he couldn't find the handle.  
Two plays and a holding penalty later,  
the Indians found themselves back at  
their own 40. Once again Embry threw  
from the halfback position to Holland  
who was three yards behind the Friona  
defenders but again the ball slipped  
through his hands and Indian hopes were  
dashed for coming up with the big play.  
On the next play, Bryan's desperation  
pass was intercepted at the Friona 36.  
Five plays later Embry scooped up a  
Danny Kendrick pass just before the  
third quarter expired, but the Indians  
couldn't move.  
After an exchange of punts, the Indians  
mounted a desperate drive from their  
own 20. Bryan picked up a first down  
with a six-yard run to the 33. Soliz set  
up another with a seven-yard plunge to  
the 42. From the 43, Bryan faded back  
to pass, but lost the ball and Friona's  
Larry Smith smothered the ball with less  
than five minutes remaining.  
From the 35 Cordova picked up 15 yards  
on three successive carries and three  
plays later, Carthel booted a 30-yard field  
goal to ice the game at 10-0 with 1:46  
remaining.  
Embry and Bryan worked the pass in  
trying to get Morton on the scoreboard  
in the last seconds, but Carthel intercept-  
ed a Bryan pass at the 43. Five plays  
later, he attempted another field goal  
just as time ran out.  
The Indians out first-downed Friona  
seven to four during the second half, but  
the hosts outgained the Tribe by 19 yards  
during the same two periods.  
The only bright spot on the Indians'  
record was Mike Bryan's punting perfor-  
mance. The Morton senior booted four for  
a 40-yard average.

two week absence. Collins injured his  
ankle prior to the Plains game and has  
missed action since then.  
Harvey continues to be the statistical  
leader in yards rushing for the Indians.  
The 175-pound junior has amassed 257  
yards on 33 carries through two games  
for a 7.5 yards per carry average.  
The hard-running tailback displays un-  
usual quickness for finding and hitting  
the hole in the line and gives extra effort  
to pick up additional yardage even while  
he is being brought down.  
Fullback Ralph Soliz has carried 34  
times for 139 yards and has averaged four  
yards per try.  
District favorite Denver City bounced  
back from last week's defeat with a sur-  
prise win over New Mexico powerhouse  
Lovington. The Mustangs won, 12-0. Fren-  
ship trounced Lorenzo to maintain its  
favorite role, but the Post Antelopes are  
rapidly shaping up as the district dark  
horse as they romped over Lockney 37-21.  
District 4-AA teams won three and lost  
two in last week's action, and currently  
stand 7-5 in non-conference play.
