Loot high in night raid here

Burglars loaded themselves up with a variety of loot as they selected a curious combination of business places in Morton to ransack some time Saturday night or Sunday morning.

Their haul ranged from antique coin collections to ultra modern transistor radios and color television sets. Four totally unrelated business buildings were forcefully entered, all by the same method of literally tearing off the door knobs or handles with the use of a pipe wrench.

The four include Taylor & Son Furniture Store, Ike's Farm Store, Burleson Paint and Supply and the Professional Building, which houses the Fred Payne accounting offices, the Morton Chamber of Commerce office and the Retail Merchants Association office.

Entrance to the Professional Building was by the south side entrance, with the door knob being torn off. All five of the offices inside were ransacked with loot running into hundreds of dollars taken. Six inside door knobs were torn off.

Payne reported a coin collection valued at \$200-up and personal cash of \$100 missing. All his files and records had been gone through, but were not seriously mixed up or stolen. Tinnie Wall, manager of the Retail Merchants Association and Chamber secretary, reported \$86 in personal cash taken from the association office, \$12 in petty cash from the chamber office and files and records mixed and scattered.

Ike Williams of Ike's Farm Store reported the following items missing, with no estimated values included: One movie projector, 60-70 pair of leather gloves, two Globe Master tapes, one 50 feet long and the other 100 feet long, and one used radio.

Williams discovered and reported to the sheriff at 11 a.m., Sunday that the lock on the rear door of his building had evidently been broken with a pipe wrench and he suspected burglary.

First to report the burglary and the one from which the most booty was taken is Taylor & Son Furniture Store. Amos

★ Bake Sale

The Eastern Star Bake Sale will be held Wednesday, November 18, at 10:30 a.m. at Doss Thriftway in Morton. Members are asked to bring cakes, pies, candy and other salable items to the store for the sale.

Members in the Maple community will hold their sale at Eubank's Store.

Everyone is invited to come by and take home some of these home-baked goodies.

County cotton harvest nearing peak; grades, mike holding up well

The cotton harvest continued to slowly gain momentum in Hockley and Cochran counties during the past week as stripping operations increased, according to C. R. Wharton, in charge of the U.S.D.A. Cotton Classing Office in Levelland.

This was reflected in the increase of cotton samples received at the Levelland classing office. More classers have been assigned to the local office to aid in the classification of this cotton.

Samples from 8,000 bales were classed at the Levelland office during the week ending Friday, November 6th. This brought the total classed this season to 10,800. Through November 6th last year only 111 samples of the 1969 crop had been classed.

Quality continued good on these early harvested bales.

Strict Low Middling Light Spotted was the predominant grade at Levelland last week with 28 per cent of all cotton classed. Strict Low Middling made up 26 per cent, Low Middling 13 per cent and Middling Light Spotted 11 per cent.

Staple length averaged 15/16. Sixty-six per cent stapled 15/16 and longer.

Eighty-six per cent of all cotton classed at the Levelland office last week had micronaire readings in the premium range of 3.5 to 4.9 and 7 per cent "miked" 3.3 through 3.4.

Ninety-seven per cent of all of the cotton classed at Levelland last week had Pressley readings of 80,000 pounds and higher. Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above.

Linda Sue Gandy funeral services are held Sunday

Funeral services for Linda Sue Gandy, 16, daughter of Mr. and Mrs. J. C. Gandy of Route 1, Morton, were held at 3 p.m. Sunday in the First Missionary Baptist Church here. Miss Gandy died in a one-car accident approximately two miles east of Morton shortly before midnight Friday when the car she was driving left Highway 116 and struck a tree.

The Rev. Mearl Moore, pastor, officiated at the ceremonies assisted by Rev. Bob Evans, former pastor of the church. Burial was in Morton Memorial Cemetery under direction of Singleton Funeral Home.

Miss Gandy was dead on arrival at Cochran Memorial Hospital within minutes of the accident. Texas Highway Patrolman John Scott Salter, investigating the accident, said she was driving east toward her home after a Morton High School football game when her car evidently went off the road striking the tree.

Linda was a sophomore at Morton High School and was a member of the band, having performed with the band during the football game. She was an officer in the Morton Rainbow Assembly whose members performed graveside services for her Sunday.

Survivors, besides her parents, include a sister, Sandra, a student at Texas Tech; a brother, Curtis, a student at South Plains College in Levelland; and her grandparents, Mr. and Mrs. Vallie Gandy and Mr. and Mrs. Ed Sullivan, all of Morton.

Pallbearers, all classmates of Linda's at Morton High School, were Debbie Bryan, Rocky Dewbre, Gerald Roddy, Doug Crockett, Rony McCall, Doug Evans, Larry Randolph and Allen Mauldin.

Honorary pallbearers included Ted Thomas, Steve Scott, Randy Bedwell, Steve Cox, Phil Barker, Phil Graves, Larry Hale, Bobby Rutheart, Craig Vinson, Andy Vinson, Tony Braublett, Monte Dewbre and Randy Clayton.

Postmaster announces Christmas mailing tips to help budget

Postmaster Murray L. Crone announced six tips on how residents of Morton can help meet tight Christmas budgets this year by careful mailing of cards and parcels.

For the most efficient mailing, Mr. Crone suggested the following steps: For servicemen overseas — "S.A.M. (Space Available Mail) Christmas parcels can be sent until November 20 for only the small domestic parcel post charge involved from Morton to East or West Coast points of embarkation for military mail. Parcels up to 5 pounds and 60 inches in combined length and girth are accepted at this low rate.

Larger parcels (up to 30 pounds with the same length and girth limitations) can be sent as "PAL" (Parcel Airlift) mail, provided they are mailed by November 27. The charge is only \$1 per parcel, plus the regular domestic parcel post charge—much less than charges that would apply later if straight airmail service must be provided.

For all packaging, invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.

Insure parcels realistically to cover full value but do not over-insure. A \$10 gift, for example, can bring only \$10 compensation, if lost, even if "insured" for \$100.

Texas cattle feeding shows rise over 1969

Texas cattle feeders on last October 1 reported 1.4 million head on feed, 6 percent more than on October 1, 1969. The Texas Crop and Livestock Reporting Service in the same report said that nationally the increase was only 3 percent.

Ed Uvacek, Extension livestock marketing specialist, said the report showed that feeding continues to show the most growth in the northern part of the Panhandle with declines now developing in the northeast and Gulf Coast areas of the state. More than one million head were on feed October 1 in High Plains feedlots, he said.

Uvacek noted that Texas reported 264 feedlots with capacities of 1,000 head or more on October 1 and that they held 1.4 million head of cattle. These large feedlots have a total capacity of 2.4 million head at one time; thus, only 59 percent of their available capacity was in use on October 1.

Community Action Center cites urgent volunteer worker need

The Board of Directors of the Community Action Center discussed the urgent need for volunteer workers in the headstart program at their meeting Tuesday night at the Center.

Bob Travis, superintendent of the Morton Schools, expressed his appreciation for the many who have been helping but stressed that the program cannot continue without support. He stated that a helper is needed daily from 8:45 a.m. until 2:45 p.m. to meet headstart guidelines.

"Some people may be complacent about headstart, feeling that the Texas Kindergarten is a replacement for headstart and that the program is therefore being duplicated. This is not true, Texas only provides free kindergarten facilities for children who were five years old before April 1.

This does not include children who will be five after that date and will be enrolling in public school in 1971. These

younger children need headstart because they are not eligible for kindergarten yet will be starting to school in September."

Mrs. Joe Seagler, chairman of the board, urged mothers whose children are enrolled in the program to give of their time if at all possible. She said no special requirements are needed but to continue under federal aid, a helper must be present to aid the teacher.

Volunteers are asked to contact Harold Drennan at the elementary school, Mrs. Thelma Lewis, staff worker at the Community Action Center, at 266-8868 or Mrs. Seagler at 266-5858.

Cammie Jackson, Whiteface School nurse, presented the Board with a check for \$45.50 for the Child Day Care Fund, donated by the Whiteface School faculty, in appreciation for the adult diphtheria clinic held at the Whiteface school in conjunction with the student clinic.

PS IN COUNTY 4-H . . .

THE ABOVE TWO YOUNGSTERS have been judged the year's top achievers in Cochran county 4-H activities and were presented the Gold Star Girl and Gold Star Boy awards at the annual 4-H achievement banquet held at the schools cafeteria Tuesday night. Shown with County Judge Johnny Love who made the presentations, are Vicki Cloud, daughter of Mr. and Mrs. Burtis Cloud, Gold Star Girl, and Terry Mac Shaw, son of Mr. and Mrs. Vernon Shaw, Gold Star Boy. Over 200 members, friends and parents attended the banquet.

4-H Gold Star awards go to Vicki Cloud, Terry Shaw

Vicki Cloud and Terry Mac Shaw were named Gold Star Girl and Gold Star Boy, respectively, as the highlight of the annual Cochran County 4-H Achievements banquet held in Morton schools cafeteria Tuesday night.

More than 200 4-H members, parents, friends and relatives were on hand to see the daughter of Mr. and Mrs. Burtis Cloud and Terry, son of Mr. and Mrs. Vernon Shaw, receive their coveted awards. Cochran County Judge Johnny Love made the steller presentations following

the presentation of a large variety of achievement awards in agriculture and home economics made by Cochran County Agent Roy McClung and Cochran County Home Demonstration Agent Mary Harbin.

Musical entertainment during the banquet was furnished by the Morton High School Sextet and by John Mauldin. The banquet was sponsored by Bailey County Electric Co-Op and catered by Temple Kern of Levelland.

In addition to the 4-H member awards, three additional traditional awards were made to adults who have strongly supported the 4-H program in the county. Roy Hickman and Vic Jackson were named "Friends of 4-H" and presented plaques and Mrs. E. C. Hale was named for the Silver Spar award, for her outstanding and long years of service to 4-H. She could not be present for the presentation and will receive her award at a later date.

A full list of all awards presented was not available to the Tribune at press time, but will be published when it does become available.

ASC luncheon

The Cochran County unit of the American Cancer Society will hold its regular meeting on November 17 at the Wigwam Cafe. Mr. Harold Drennan will report on the State Board meeting which he attended in October. All interested persons are invited to attend.

Stakes high in Tribe's final contest

The stakes are higher for Morton's football game this week than for any other game this season. Friday night the team travels to neighboring Littlefield for an old rivalry and to see who gets the place honors in the district 3-AA final game.

The game will be the last gridiron game for eleven Morton seniors. Putting the black and gold for the last time will be Terry Harvey, Eddie Lewis, Gene Grusendorf, Kirby Gresham, M. C. Adams, Monte Dewbre, Darrell Betts, Haslam Lamar, Steve Crockett, Jackie Watts, and Tommy Lewis. Also, manager Eddie Harvey will keep statistics for the last game.

The Indians will be attempting to salvage a third victory and close out the season on a winning note. Last year, the Tribe whalloped Post in the last game. Morton has lost six in a row, all district games.

The Wildcats are winless in their first

year back in AA wars and will be trying to redeem themselves with a win over Morton. With one of the biggest teams in the district, the Wildcats have plodded through nine straight losses, but surprised everybody last week by playing the Mean Green of Floydada their closest game of the year. The Whirlwinds beat the 'Cats, 21-3, to wrap up the district title for the second year in a row. Littlefield has scored only four touchdowns in district play.

The Wildcats were picked to finish as high as second in the district race by preseason experts. With tackles and linebackers weighing 205, 220, and 260 pounds, the experts seemed to have evidence to support their rating.

Meanwhile, Morton's running backs will be attempting to pad their rushing yardage and averages. Terry Harvey topped the 400 mark Friday night, but is being closely pursued by fullback Kevin Kuehler, whose 85 yards against Friona ran

his total to 368 on 81 tries.

Larry Thompson moved into third place after his third start as halfback. The fleet freshman has 211 steps on 31 carries.

Thompson took the lead in scoring honors with 24 points. Elton Patton has scored three touchdowns for second place.

BATMAN COMING TO MORTON!!? . . .

NOPE, KIDS, HE COULDN'T MAKE IT, but he is sending his young sidekick Robin here to get acquainted with you all and sign autographs for all of you who want them. Yep, he will be here at Allsup's 7-11 store on November 25 from 2:30 to 5 p.m. to meet and talk to all the youngsters in Morton. He is the real Robin, in person, who appears with Batman on the television show, so don't miss him.

Three Way schools celebrate homecoming and anniversary

Three Way Schools will celebrate their 25th anniversary and Homecoming Friday, November 13.

Highlighting the two-day event will be crowning of the homecoming queen and school hero and honoring of the 1946 graduation class during the half-time activities at the football game between the Three Way Eagles and Smyer Friday night.

Three Way opened its doors in September of 1945 with an enrollment of 219 students. Vernon Baker was the first superintendent and ten seniors graduated the summer of 1946. John Gunter, Jr. was president of the first senior class and his father, John Gunter Sr. was one of seven men who served on the first school board which included George Tyson, C. Day, F. L. Medlin, Paul Powell, and Harold Tucker and C. A. Bundrant. R. L. Davis of Maple was the first principal and he also taught eighth grade math.

The celebration will get underway with bonfire and fireworks display today at 8 p.m., sponsored by the senior class.

Friday at 3 p.m. there will be a pep rally and open house from 4 til 7:30 p.m. Coffee and doughnuts for ex-students will be served in the Home Economics room by the FHA during open house. An enchilada supper, sponsored by the Booster Club, will be served starting at 5 p.m.

Candidates for Homecoming Queen are Cynthia Long, senior, granddaughter of Mr. and Mrs. C. B. Hightower; Kathy Wittner, senior, daughter of Mr. and Mrs. Adolph Wittner; Creta Lee, junior, daughter of Mr. and Mrs. Elmer Lee; Vanessa Powell, sophomore, daughter of Mr. and Mrs. Dutch Powell and Cindy Hanna, freshman, daughter of Mr. and Mrs. Raymond Hanna. Kandy Sowder, daughter of Mr. and Mrs. Joe Sowder, and 1969 Homecoming Queen, will crown the new queen.

Candidates for football hero are Johnny Furguson, senior, son of Mr. and Mrs. Jack Furguson; Geneo Abbe, senior, son of Mr. and Mrs. Charles Abbe; Larry Neutzler, junior, son of Mr. and Mrs. Edwin Neutzler; Allen Joyce, junior, son

State, local government tax load in county climbs steadily

How big are the taxes that residents of Cochran County are called upon to pay to their state and local governments? How do they compare with the taxes paid by people in other communities across the country?

In line with the rising cost of living generally, the taxes in the local area have been climbing steadily.

Such has been the case in every other part of the country. According to a recently-issued report, Americans paid an average of \$380 to their state and local governments in fiscal year 1969 — a jump of \$42 per person over the previous year and \$62 more than in 1967.

In Cochran County, the state-local tax load in the year amounted to approximately \$360 per capita.

By way of comparison, the average throughout the State of Texas was \$267,

which represented a \$33 increase over the prior year. In the West South Central States as a whole, local taxes averaged \$271 per capita.

The figures are based upon a study made by the Commerce Clearing House, an authority in tax matters, utilizing data compiled by the Department of Commerce.

The finding is that it takes more money than ever before to operate the various state, county and municipal governments and provide the public with necessary service in the fields of education, sanitation, health, welfare, roads, libraries, police protection and the rest.

Because of special local conditions, such as unusually large welfare costs, the tax burden is much heavier in some states than in others. It ranges from a low of \$221 in Arkansas to a high of \$576 in New York.

The costs of equipment, supplies and labor have been rising rapidly, in tune with the general inflation, and have led local governments to seek additional sources of tax revenues to meet their bigger needs.

As a result, local and state taxes have been zooming upward. During the past five years, according to Census Bureau statistics, the rise has been 52 percent.

And, in the last ten years, the tax load has gone from \$33 billion to \$84 billion, an increase of 155 percent.

In Cochran County, the state-local taxes reached an estimated total of \$2,412,000 in the fiscal year.

'Women's Lib' debate at study club meeting

The Y.M. Study Club held its regular meeting on November 5 in the home of Mrs. Clayton McMasters with Mrs. Kenneth McMasters as hostess.

Mrs. Robbie Key presided over the meeting. The group voted to enter the C.I.P. contest using their "Join Us For Progress" as the entry.

Mrs. Dexter Nebbut reported on the Fall Meeting and Workshop held in Denver City on October 17.

Recent money making projects of the Halloween booth and concession booth at the monthly Jamboree were discussed.

Mrs. Robert Yeary and Mrs. Dalton Redman brought the program on Woman's Liberation. Their program was in the form of a debate with Mrs. Yeary being pro and Mrs. Redman con. Mrs. Yeary made points concerning the benefits of women being liberated. Mrs. Redman pointed out all the disadvantages.

Members present entered into discussion following the program.

Present for the meeting were: Mrs. Yeary, Mrs. Redman, Mrs. Nebbut, Mrs. Donald Masten, Mrs. Ralph Ware, Mrs. Fred Weaver, Mrs. Key, Mrs. Berggren and Mrs. McMasters. Mrs. Clayton McMasters joined the group for refreshments.

The next meeting will be held November 19 in the home of Mrs. John Hall with Mrs. Bobby Travis bringing the program.

Mrs. Connie Gray, Morton elementary school music teacher, attended a music education workshop in Plainview, Saturday, November 7.

The workshop, sponsored by the Texas Music Education Association, was attended by approximately 75 music teachers from schools throughout the state.

"This year's clinic should be very helpful to the classroom teacher as new textbooks were displayed for inspection and analysis by the workshop," Mrs. Gray stated.

Whiteface Club plans for lighting contest

The Whiteface Study Club met November 5 in the School Homemaking Department of the school.

Mrs. James Sinclair, hostess, opened the meeting with a prayer. Roll call was answered with a gift suggestion.

In the business meeting, plans were made for the Christmas lighting contest and interested people were asked to contact Mrs. R. K. McCoy, Mrs. Joe Hanson or Mrs. Sinclair.

Mrs. LeRoy Johnson, Caprock District President of TFWC, was a guest at a called meeting of the club held October 19. Members voted to enter the Civic Improvement Program with Girlstown as their project.

Mrs. S. J. Bills gave a program on smart gift ideas.

Refreshments were served by Mrs. Larry Baldwin to Mesdames Bills, Royce Elam, John Fietz, Hanson, Marvin Lasater, Jack French, McCoy, Sam Rankin, Sinclair and a guest, Mrs. Graves.

Rebekahs to join in Christmas lighting

The Morton Rebekah Lodge No. 39 met Thursday, November 5, with Mrs. Bertile Pyburn, Noble Grand, presiding.

It was reported that \$136.70 was taken in from the Hobo Supper held October 22, and \$38.00 was taken in from the Spook House at the Halloween Carnival on Saturday night, October 31.

The Lodge voted to postpone the regular November Birthday party and combine it with a Birthday party and Christmas party in December. A committee was appointed to make plans for this affair.

The group also voted to decorate a building for the Chamber of Commerce Christmas Decorating contest. A building is available and preliminary plans were made for type of decorations. A committee was appointed to check into availability of decorations, and lighting, as needed for this project.

Members present besides Mrs. Pyburn included Miss Shirley Turney, Mesdames Carrie Scott, Roy Turney, Boe Cook, Herman Enos, Myrtle Williams, Louise Talley, W. E. Akin, Walter Reeves, and Lorena Crockett.

Community Center program for Club

"Progress and Purpose of the Community Center" was the subject of a program given by Mrs. Evelyn Seagler and Mrs. W. G. Freeland for the Town and Country Study Club.

The club met in the home of Mrs. A. E. Sanders November 4.

In the business meeting following the program, it was announced the next meeting would be November 21 in the Banquet Room of the County Activity Building for the annual "Boutique" or Bazaar. The public is invited to participate either in buying or selling arts and crafts. The Boutique will be held from 11 a.m. until 5 p.m.

Roswell appearance set by local group

A country music group from Morton and a former Morton resident whose talents are well-known here will perform in a country music stage show at Roswell, New Mexico Friday night.

The Country Classics, better known in these parts as the Brownlow family, and Elvis Fleming, a former teacher here, will participate in the show which will be held in the Student Union Building at Eastern New Mexico University at Roswell. The show is sponsored by the Baptist Student Union and will begin at 8 p.m. MST, according to information furnished by Mrs. Edward Brownlow of the Country Classics.

Cattle feeders expect large turnout for annual meeting

One of the largest gatherings of cattle feeders is expected for the fourth annual meeting of the Texas Cattle Feeders Association scheduled in Amarillo, Texas, November 16-17.

Lloyd Bergsma, executive vice-president, said, "We expect more than 700 cattle feeders and others allied with the feeding industry to attend the two-day meeting."

Included in the 1970 meeting schedule of activities will be a "Cattle Feeders Golf Tournament" to be held Monday, November 16 at the Amarillo Public Golf course. Beginning tee-off is 9:00 a.m.

Meeting headquarters will be the Quality Motel and the Holiday Inn 1-40. General session will be held in the Commercial Exhibits building at the Tri-State Fair grounds.

An association business meeting will be held Monday at 3:00 p.m. A panel "Marketing and Prices — 1971" will be featured on the Monday afternoon program. John Womack, Amarillo, will moderate the panel. The annual cattle feeders get-together will be held Monday evening.

On Tuesday, November 17, the general session will be keynoted with an address by Dr. Jack K. Williams, president, Texas A&M University. Dr. Williams will be making his first major address since becoming president of Texas A&M on November 1, 1970.

A panel "New Plateaus for the Feeding Industry" will be moderated by George Ellis, Jr., general manager, Baca Feeders, Inc., Midland, Texas. Included on the panel will be: J. C. Walker, president, Missouri Beef Packers, Inc., Amarillo, Texas; Lindley Finch, vice-president, Continental Illinois National Bank, Chicago, Illinois; Jack Freeman, Freeman Ranches, Texhoma, Oklahoma; Paul Engler, chairman of the board, Prochemco, Inc., Amarillo, Texas; F. M. Simpson, Jr., mgr-secretary, California Cattle Feeders Association, Bakersfield, California.

Mrs. Oldham speaks at CCWD luncheon

Mrs. Nell Oldham of Lubbock was guest speaker at the luncheon meeting of the Cochran County Womens Democrats Wednesday, November 3, in the WigWam Restaurant.

Mrs. Bud Thomas gave the invocation and Mrs. Leonard Coleman presided in the absence of the president.

Mrs. Oldham, a member of the committee on the status of women for the state of Texas, gave some of the highlights of the conference held last summer in Austin. She discussed the percentage of women in the state of Texas as opposed to the percentage of men and noted that there is a slightly larger percentage of women as is true nation wide as well. Mrs. Oldham stressed that women must accept their responsibility as citizens but stated she is not an advocate of the placard carrying, banner marching Women's Liberation Movement but rather women should retain their dignity and act as a lady at all times.

A brief business meeting was held following the program.

Texas has more coon hunters than fox hunters. Mainly this is because there seem to be more coons than foxes.

Featured speaker for the afternoon session will be James L. Hayes, executive Association, New York, New York. Hayes will speak on "Management Will Make The Difference."

Beef promotion will take the spotlight for the afternoon panel. Dudley Campbell, Campbell and Co., Refugio, will moderate the panel "Beef Promotion — Whose Responsibility?" panel members include: John C. White, commissioner Texas Department of Agriculture, Austin, Texas; George Spencer, executive vice-president, American National Cattlemen's Association, Denver, Colorado; Dolph Briscoe, Jr., chairman, National Live Stock and Meat Board, Uvalde, Texas; Jack Carrothers, general manager, Friona Feedyards, Inc., Friona, Texas; James P. Hartman, director, Liestock and Meat Products Division, U. S. Department of Agriculture, Washington, D.C.

The annual dinner-dance on Tuesday evening will feature Johnny Bush Band from San Antonio. A special ladies' brunch is scheduled at the Amarillo Country Club Tuesday at 11:00 a.m.

It is not necessary to be a member of the association to attend any of the meeting sessions. A special invitation is extended to all those interested in the cattle feeding industry.

Burglars . . .

from page one

Taylor reported to the sheriff at 8:30 a.m. Sunday that the rear door to the building had been forced. A large variety of seemingly unrelated items were taken from the store.
Items missing, with no valuation having been made at press time, included: Seven flashlight batteries, six transistor radios, two portable television sets, one clock radio, one AM radio, one coffee maker, one black handbag, one Gold Bond stamp machine and a large number of Gold Bond stamps of various denominations.
Sheriff's records show that Lyndall Burleson reported at 10:30 a.m. Sunday the break-in through the back door of his store. His losses, also for which no evaluation had been made at press time, included: One set of P&C drive sockets, one set of open end wrenches, one set of open end and box wrenches, one new outdoor jacket and one used plaid coat.
In addition to these items, the thieves also made off with a collection of 50 silver dimes and 150 old pennies, the sheriff's office report states.
A joint investigative effort, which includes Sheriff Hazel Hancock, Morton police chief Arthur Mason and deputy sheriff Chester Miller, is continuing, the sheriff's office reports.

School personnel attend Lubbock two day workshop

Bobby Travis, and Dorothy Rose of Morton Schools and R. K. McCoy of Whiteface Schools attended a two-day workshop in Lubbock sponsored by the Education Service Center last week.
Over 100 West Texas school superintendents and instructional personnel attended the workshop.
Dr. Willard Abraham, professor of special education at Arizona State University, was the keynote speaker at the opening session of the conference. The featured speaker on Thursday was Tom Hockman, director of special services for the Colorado Springs, Colo. Public Schools. His topic was "Parents and Their Involvement in Special Placement of Exceptional Children."
Those attending were told the future will be on early childhood education and even children in pre-kindergarten may be screened for learning disabilities, which will include the blind, deaf or those with speech, visual or auditory problems. The child may be mentally, physically, emotionally and the sooner these disabilities are recognized, the sooner prescriptive teaching may be started. Hockman also told the group that when this was accomplished, "we will have no special education, but specific education for specific difficulties."
There are also plans to have better communications with the parents, who seldom understand the mechanics of the testing and evaluation done. It is hoped that they can be involved in the diagnostic appraisal so they can see what the teacher sees — what the child's problems are — how the teacher will approach it, and what she will do to help him. Parents need to understand these problems because they are not just a school problem, but a home problem also.

The October 1 report, pointed out the specialist, showed that 80 lots were empty. Utilization of the 184 active feedlots was at 66 percent of capacity, Uvacek said.
Texas feedlots placed 789,000 head on feed during the July-September quarter, down 3 percent from the same period a year ago. Operators reported intentions to market 796,000 cattle during the last quarter of 1970, about 10 percent more than a year ago. Uvacek said that short-feds were excluded in both marketing figures.
Nationally, on October 1, 1970 there were 10,382,000 head of cattle and calves on feed in the 22 major feeding states, 3 percent above a year ago. Placements during the July-Sept. quarter were just over 6 million head or 7 percent more than for the same period in 1969. Cattle feeders in the 22 states plan to market 5.8 million head during the last quarter of 1970, 3 percent more than last year, Uvacek noted.

expense of additional trips.
Use ZIP Code as a tool for economy in mailing. When it is used consistently on parcels and cards, ZIP Code helps prevent errors in delivery and expedites handling. If only a few Christmas cards go astray, an investment of several dollars may be lost, for example.
"The key to efficient Christmas mailing," Mr. Crone summarized, "is to mail early and carefully. Clear addressing, with the ZIP Codes, proper packaging and early depositing can prevent most problems and provide the greatest value for money spent for postage."

Indians display 'Great Spirit' before Chiefs apply hatchet

Morton's Indians staged their third straight exciting game last Friday by roaring back from a twelve-point deficit, but finally dropping a 25-13 decision to Friona. The Chieftains tacked two fourth quarter touchdowns on the scoreboard in the nick of time to ice the victory.
But in spite of the loss, the Morton fans received the best entertainment of the season as the high school band mad choir staged an inspiring halftime show. The fans gave the high school musical groups a standing ovation after the choir sang "I Pledge Allegiance," accompanied by the band.
Morton teacher Tom Rowden was also honored by the band at the half as he was presented a plaque for his years of dedicated service in support of that organization.
The loss left the Tribe mired in the district cellar with winless Littlefield, and this Friday's game with the Wildcats will settle the question of who ends up in last place.

visitors' punt to the Morton 42. Kuehler, Thompson, and Embry then moved the ball to the 26. On third and seven, Thompson sprinted through the line and scored with ten minutes left in the final period. Bryant Lewis's kick put the Indians ahead 13-12.
But the Chiefs did not quit either. Converting third down situations into big plays and capitalizing on a Morton fumble, the visitors added 13 additional points during the final minutes.

home in Waurika, Okla.

Janice Hall, Becky Greene speak to L'Allegro Club

The L'Allegro Study Club met Thursday, November 5, in the home of Mrs. Jack Hallage. In keeping with this year's theme, the program was, "Time To Hear Tomorrow's Leaders."

Mrs. James McClure, program chairperson introduced Miss Janice Hall, who is the club delegate to a Youth Conference in Austin this summer. Miss Hall gave a complete report on the Youth Conference and the dialogue sessions that she attended.

Mrs. McClure then introduced Miss

Becky Greene, who was a Lion's Club Exchange Student to Sweden this summer. Becky showed slides of her trip and told about her family in Sweden.

In a short business meeting following the program, a letter was read from Mr. Marshall Cooper, Director for Girls Town at Whiteface, thanking the club for their part in lighting the "Avenue of Opportunity."

Mrs. Truman Doss announced that she had purchased enough Bluebonnet seed to plant Strickland park. A workday at the park will be announced later.

Mrs. McClure, club representative for the Friends of the Library, announced that the Friends of the Library had purchased a couch and chair for the library. All members of the L'Allegro Club are members of the Friends of the Library group.

Mrs. George Mundhenke, chairman of the Diphtheria Clinic sponsored by the L'Allegro Club on Saturday, October 31 and Monday, November 2, announced that more than 800 shots had been given during the two days. The second series of the shots is scheduled for Saturday, December 5, from 2:30 p.m. to 6 p.m. at the Courthouse.

It was announced that approximately \$50.00 was taken in at the Halloween Carnival.

Refreshments were served to the two guests, the hostess and the following members: Mesdames H. B. Barker, Truman Doss, Harold Drennan, Van Greene, James McClure, Pat Mullinax, George Mundhenke, M. A. Silvers, Bud Thomas, and J. C. Reynolds.

School menu

Monday, November 16 — Tacos, cheese, green beans, creamed potatoes, cabbage, carrot & apple salad, applesauce cake, butter bread & butter, milk.

Tuesday, November 17 — Hamburgers, green beans, tomato & lettuce salad, pickles, chocolate cake, milk.

Wednesday, November 18 — Steak & gravy, mixed greens, buttered potatoes, potato salad, blackberry cobbler, corned beef & butter, milk.

Thursday, November 19 — Corn dogs, green beans, tossed salad, peanut butter cookies, butter bread & butter, pickles, milk.

Friday, November 20 — Roast beef, stringed peas, scalloped potatoes, cherry fruit Jello, peach cobbler, hot rolls & butter, chocolate milk.

Letter of Thanks

TO:

Morton Tribune
City of Morton
Patients and Friends

I would like to take this means of expressing my appreciation to everyone for the wonderful gifts, flowers, cards and letters which I received during my present illness. Especially, I want to thank you for your prayers and thoughtful expressions of interest, which have boosted my morale, and given me courage to endure my illness.

The most important day of my life was October 26, 1929, my birthday; but the most memorable day of my life will be 41 years, later, the day of my return to my home in Morton. To be met by you good people, the School Band, and the Proclamation of "Dr. Dean Week" was beyond my greatest expectations.

I have been touched greatly by the fact that you all have opened your hearts to me in a strong bond of friendship, and allowed me to know how you really feel. You have made my burden of illness much easier to bear and have made my thoughts happy. I must say again and emphasize the fact that West Texas people are the greatest people on earth.

With your continued prayers and with the help of God, I hope to return to my work again soon, to serve you better.

Very Sincerely,
W. M. Dean, M.D.

ASCS Farm News

By John W. Hall

Each cotton producer is reminded again to check with their ginner to be certain that each bale of 1970 cotton is properly identified on the gin records as to name

of producers and farm number. Failure to properly identify production on gin records may result in records being unacceptable in establishing your cotton yield for 1971.

This information is being furnished you at this time so you will know you must keep your gin bale receipts or the sales invoice for cotton sold to prove your 1970 cotton yield. If you plan to operate a different farm for 1971 you will also have the 1970 production records before you can sign up for the new farm next February or March.

During the last half of November some 40,000 ranchers and farmers will receive a livestock questionnaire from Cary Palmer of the Texas Crop and Livestock Reporting Service. Accurate estimates are of great importance to producers for providing a true picture of Texas agriculture. Each one receiving a questionnaire is urged to fill it out carefully and return promptly to the Agricultural Statistician in Austin.

Good knowledge of new IRS laws can save farmer dollars

A good knowledge of new Federal income tax laws could save a farmer many dollars in the next three months.

Farmers prefiguring their final tax bill for 1970 shouldn't overlook those 1969 revisions in the Federal tax code, many of which went into effect for the first time this year, Jack E. Jenkins, area farm management specialist with the Texas A&M University Agricultural Extension Service, says.

The Tax Reform Act of 1969 contains nine provisions that deal specifically with reporting income from the farm, as well as numerous other changes that affect all taxpayers.

"Producers would do well to consult the new regulations before deciding whether to buy or sell a particular item between now and December — or whether it would be more advantageous taxwise to wait until 1971," Jenkins said. "The goal of tax management isn't to avoid taxes, but rather, it is to minimize taxes paid, by taking advantage of all the provisions of the tax laws, as they apply to the farmer's particular operation."

Two of the Act's provisions affect the reporting of income from sales of livestock purchased for draft, breeding, sporting or dairy purposes, James I. Mallett, farm management specialist at Texas A&M, said. Formerly, all such income could be treated as capital gains, which are taxable at the lower capital gains rate, he explained.

"Previously, livestock used in the farm business were specifically exempted from recapture of depreciation," he said. "Depreciation claimed in the past could then be deducted from ordinary income that is taxed at the usual rates."

"Under the new law, the gain on the

sale of livestock is to be treated as ordinary income, rather than a capital gain, up to the full value of previous depreciation deductions. This applies to depreciation taken after 1969."

The purpose of this change was to put livestock on the same tax base as other property used in business, depreciation on which is normally recaptured at time of sale, Mallett said.

"A second provision affecting livestock used for draft, breeding, sporting or dairy purposes, extends the holding period for certain animals before they can be sold and qualify for capital gains treatment," he said. "The old law allowed a 1-year holding period. The new retention period for horses and cattle in these categories is two years for stock acquired after December 31, 1969. The holding period for other livestock remains unchanged."

According to Mallett, the objective of the 2-year provision is to assure that cattle and horses are in fact being held for the purposes specified, rather than for sale in the ordinary course of business.

Another revision in the tax law has to do with taxation of indemnities paid to farmers for crop damage or loss, Mallett said. The old law required farmers who used the cash accounting method to include crop insurance proceeds as a part of the year's income, even though the crop itself might not have been sold until the following year, he explained, adding that in effect, the farmer who customarily marketed his crop in the year following harvest was paying taxes on two crops in one year.

"The 1969 Tax Reform Act eliminates this hardship by allowing farmers to defer the reporting of indemnities until the year following the loss, if they establish that under their usual practice, income from the damaged or destroyed crops following the year of the loss," Mallett would have been reported in the year said. "This provision was effective for 1969 and subsequent years."

Other sections of the revised tax law that affect only farmers deal with limitation of farm losses, hobby losses, tax-free exchange of livestock of different sexes, recapture of soil and water conservation expenses and extension of the date for filing tax returns by farmers who do not file tax estimations.

"Year-end tax moves should be aimed at leveling out income between tax years and avoiding the wide income swings into the higher brackets," he said. "You do this by deferring or accelerating income and deferring or prepaying expenses to fit your particular income situation."

Take a look at your total sales of both ordinary and capital items to date, then subtract all production expenses incurred to date plus all personal exemptions and allowed expenses plus amount of depreciation taken last year from total income to determine your taxable income picture, he said.

"The amount of taxable income will tell you whether you should sell more products before year end and hold off on buying next year's supply of seed, fertilizer, feed and other production items, or if you should do just the opposite," Mallett said.

Most farmers are busy with harvesting at the present and their thoughts are a long way from income taxes, but decisions made during the remainder of 1970 can affect that final tax bill, Mallett noted.

Mrs. Crockett hosts sewing club Thursday

The Busy Fingers Sewing Club met Thursday, November 5, in the home of Mrs. Nath Crockett for a regular business and social meeting.

Mrs. Clayton Stokes presided over the meeting in the absence of the president, Mrs. W. L. Childs.

Following the meeting Mrs. W. L. Miller led the closing prayer.

Refreshments of sandwiches, cake and coffee were served by the hostess to ten members.

The next meeting will be November 19 in the home of Mrs. F. L. Fred.

STATE Capital NEWS

By VERN SANFORD

AUSTIN, TEX. — Half a dozen new amendments have been added to the Texas Constitution, including one authorizing sale of liquor-by-the-drink.

Passage of Amendment 2, however, does not mean automatic mixed drink dispensing. Amendment merely repeals the ban on open saloons and empowers the legislature to pass a law regulating liquor-by-the-drink.

Starting next January, lawmakers must first act to establish procedures, licensing requirements and regulations. Then, local option elections must be held to determine where mixed drink sales are wanted by voters.

Many observers feel there actually will be no legal sales of booze over the bar in public establishments before the end of 1971. Others think preliminaries will be disposed of in some areas by mid-year, but that would mean passage of the bill by a two-thirds majority to place it in immediate effect. More likely effective date of legislation is next September, with elections to follow.

Other constitutional changes would provide for: Disciplinary action, including censure, of all judges.

Appointed (by governor) three-man State Building Commission.

County issue of road bonds up to one-fourth of assessed value of all local real property, on majority vote of property taxpayers.

Increase from \$5,000 to \$10,000 in value of homestead which is exempt from forced sale.

Laws permitting all counties to consolidate certain services and offices.

Amendment to permit farm land assessment on the basis of crop yield was defeated.

GOPS ECONOMIZING — Texas Republican party began off-year cutting back on its operation 24 hours after the general election.

Headquarters staff here shrank suddenly from 23 to eight, and further reduction is expected.

Slash in staff and a move to smaller

offices were described as the "collective decision" of top party leaders including Sen. John Tower, State Chairman William Steger of Tyler and National Committeeman Peter O'Donnell Jr. of Dallas.

Party spokesmen said GOP, following the election defeat, has serious debt problems and has no choice but to retrench.

Democratic leaders — Gov. Preston Smith, Senator-elect Lloyd Bentsen and Lt. Gov. Ben Barnes — meanwhile, began sizing up Tower for attack in 1972 election. Barnes said he is thinking about running against Tower himself, although he has not firmly ruled out the governor's race.

APPOINTMENTS — Governor Smith named Judge Louis T. Holland of Montague presiding judge of the Eighth Administrative Judicial District.

Smith also appointed Mrs. Bertha P. Huff of Amarillo to his advisory council on aging.

E. Bruce Street of Graham was selected chairman of Texas Research League, Charles F. Jones of Houston vice chairman and Grogan Lord of Georgetown was re-elected treasurer.

BRINE HEARING ON — Railroad Commission conducted a hearing here on Parks and Wildlife Department complaints that oil companies are polluting bay waters with oilfield brine.

PWD contends that discharges are harmful to environment necessary to support marine life. Companies countered with witnesses that insufficient evidence of pollution and danger to salt water creatures was shown at the two-day hearing.

ATTORNEY GENERAL RULES — Texas Water Development fund loans may be used to build sewage treatment plants, Atty. Gen. Crawford Martin has held. He said the state also may own such plants.

In other recent opinions, Martin contended the state also may own such plants, cluded that:

Federal technicians employed by the Texas National Guard have the right to belong to a labor union, but state-paid Guard technicians have no such right. Del Rio city councilman may not ac-

cept employment as executive director of Val Verde County Community Action Agency, although he has the right to select which job to keep, and may be ousted by legal action if he doesn't vacate one.

County clerk does not have the authority to issue a marriage license to those presently legally married to each other under common law unless they meet age and waiver of "I am not presently married" oath is obtained from county judge.

Texas State Board of Examiners in Fitting and Dispensing of Hearing Aids has no authority to conduct educational seminars; Board rule requiring all license applicants to furnish a home and business address in Texas is void and unenforceable.

Texas Water Quality Board can make a lump sum payment to Gulf Coast Waste Disposal Authority of the remaining portion of \$100,000 appropriated to the Board for the current fiscal year.

Parks & Wildlife Department has authority to contract with Texas Highway Department for construction of a bridge over the proposed water exchange pass through Mustang Island.

A County Commissioner does not vacate his office automatically when he moves to another part of the county.

TAX BURDEN LOWER — Texans may be tax-shy after reading what is going to happen to them in the next legislative session, but they are better off than most industrial state residents, according to a new study.

Only Ohio among 10 most industrial states has a lower state and local tax burden, Texas Research League reports. Texans' 1969 burden amounted to 8.5 per cent of personal income. Ohio's was 8.2 per cent, study showed.

Louisiana and Oklahoma had 10.7 and 9.4 per cent, respectively.

League's study found that a Houston family of four with gross income of \$10,000 would have paid \$510 in 1968, excluding city sales tax. Same family would have paid \$545 in Cleveland and \$891 in Boston.

In the \$3,500 income class, Texas ranks 10th among the 12 states in tax burden, while in the \$50,000 class, Texas is 12th.

Rich or poor, said the League, Texas' burden is relatively low.

BOUNDARY DISPUTE STUDIED — Attorney General Martin met with city officials in Orange and Port Arthur to view the area in boundary dispute between Texas and Louisiana.

More than 30,000 acres in Sabine Lake are involved in the lawsuit. This includes 3,000 acres of reclaimed land, plus sub-

R. H. McCaslands to be honored in Golden Anniversary Sunday

Mr. and Mrs. R. H. McCasland will be honored with a reception Sunday, November 15 from 2 til 4 p.m. in observance of their 50th wedding anniversary.

Hosting the event, in the banquet room of the County Activity Building, will be their children, Mrs. Jim Richardson, Burl and R. J. McCasland and Mrs. L. C. Stalcup of Farwell.

The former Josephine Dankworth and McCasland were married November 12, 1920 in Bradshaw and moved to Cochran County in 1922, three years before the County was organized. McCasland was the first school teacher in the Morton school system and was the first County Clerk. He has been in the income tax service since 1939.

The couple have four granddaughters, five grandsons and four great-grandchildren.

Friends and relatives are invited to attend.

merged lands in the western half of Sabine River. Louisiana claims ownership of water boundary to the western shore, while Texas claims to the middle of the Sabine. Texas has taxed submerged lands and has given leases on lands, as well as jointly financing bridges across the river with Louisiana.

EMPLOYMENT DOWN — For the first time in more than 20 years, September unemployment figure for Texas exceeded joblessness for August. Texas Employment Commission reported a tenth of one per cent hike in the jobless rate.

Just three times since 1947 has the September rate ever been as high as August. Last September's total climbed 3,000 to 179,500; but overall the state average was just 3.8 per cent. High was in Laredo with 8.5 per cent unemployed, and low in Houston and Austin — with just 2.7 per cent.

SHORT SNORTS — Governor approved and sent to Washington applications for alcohol safety action programs in Houston, San Antonio, Dallas, El Paso and Central Texas Council of Governments area of six counties.

Court of Criminal Appeals received a \$16,609 grant toward a \$46,936 program of augmenting administrative capabilities of court.

STATE Capital NEWS

By VERN SANFORD

AUSTIN, TEX. — Half a dozen new amendments have been added to the Texas Constitution, including one authorizing sale of liquor-by-the-drink.

Passage of Amendment 2, however, does not mean automatic mixed drink dispensing. Amendment merely repeals the ban on open saloons and empowers the legislature to pass a law regulating liquor-by-the-drink.

Starting next January, lawmakers must first act to establish procedures, licensing requirements and regulations. Then, local option elections must be held to determine where mixed drink sales are wanted by voters.

Many observers feel there actually will be no legal sales of booze over the bar in public establishments before the end of 1971. Others think preliminaries will be disposed of in some areas by mid-year, but that would mean passage of the bill by a two-thirds majority to place it in immediate effect. More likely effective date of legislation is next September, with elections to follow.

Other constitutional changes would provide for:

Disciplinary action, including censure, of all judges.

Appointed (by governor) three-man State Building Commission.

County issue of road bonds up to one-fourth of assessed value of all local real property, on majority vote of property taxpayers.

Increase from \$5,000 to \$10,000 in value of homestead which is exempt from forced sale.

Laws permitting all counties to consolidate certain services and offices.

Amendment to permit farm land assessment on the basis of crop yield was defeated.

GOPS ECONOMICIZING — Texas Republican party began off-year cutting back on its operation 24 hours after the general election.

Headquarters staff here shrank suddenly from 23 to eight, and further reduction is expected.
