### TELLS A GRUESOME STORY...

WAYNE NAMED FOR STORY HE TELLS, Wayne Butcher, one-time third ranking Hell's Angel in California, related the grim story of his past to a rapt audience in the county activities auditorium Tuesday night under sponsorship of the First Missionary Baptist Church of Morton. The reformed drug addict told his audience, a large number of whom were children, of the gruesome things that took place during his six years with the semi-outlaw Angels organization. He is now using his past experiences as an example to urge young people to avoid the drug habit and to live Christian lives. He indicated that his own insight into the problem enabled him to tell that there is a definite drug use problem in Morton and possibly in the Morton schools.

### High school, church choirs set Christmas Oratorio' Sunday

The Morton High School Choir and the church choirs of several Morton Churches will present "The Christmas Oratorio" by Camille Saint-Saens at 7 p.m. Sunday, December 13, at the First Baptist Church. The oratorio will be under the direction of Don Chandler, Morton High School

Choir Director. Mrs. L. S. McCarty, will be the accompanist.

Camille Saint-Saens occupies an unusual place in the history of French music. In his long life he composed in virtually all fields of music. Saint-Saens was born in Paris in 1835. He showed great promise as a pianist at an early age and eventually became an outstanding performer on both piano and organ. From 1853 to 1877 he was a church organist in Paris, after which he toured Europe as a virtuoso pianist and conductor. He remained professionally active as a conductor and composed until 1921, when he died in Algiers.

Of the more than 200 compositions he wrote across a 70 year period from 1851 to 1921, scarcely more than a dozen have survived. The outstanding qualities in the music of Saint-Saens are elegance and eclecticism. He is best known to the American music-loving public through the aria, "My Heart At Thy Sweet Voice" from the opera, "Samson and Delilah"; the ever popular symphonic poem, "Dance Macabre," and the "Swan" from the suite, "The Carnival of the Animals."

"The Christmas Oratorio" seeks to tell of the birth of Christ into the world. It uses five soloists; Soprano, Mezzo-Soprano, Tenor, Alto, and Baritone. There are trios, duets, quartets, and one quintet in addition to the choruses. The work

### Be 'defenseless'

Mrs. Leonard Coleman must think now that the Tribune has some sort of vendetta against her. What she is giving her aliases and wrongs identifying her every time we have the occasion to mention her name in the paper.

Not so, Ma'am, and we apologize with a deep sense of chagrin. In a Christmas ad last year we gave her name to Mrs. Leonard Groves and last week we made her Mrs. Ronald Coleman—on the front page, yet.

We repeat our apologies, Mrs. Coleman (notice we didn't use first name or initials) and if you will continue to do noteworthy things, we will promise to practice up and identify you properly just as soon as we get the hang of it.

Volume 30 — Number 49

Morton, Texas, Thursday, December 10, 1970

## Local gin count 48,521 bales

With the area cotton ginning coming down to its very final stages early this week there had been a total of 48,521 bales ginned with an estimated 500-700 more bales to go, according to a gin poll conducted by the Morton Tribune.

The poll included all of the gins in Cochran county and a few that border the county and are considered in the Morton trading area. According to the final estimate of the year for Cochran county issued by the Consumer and Marketing Service of the Department of Agriculture, the county was forecast to produce 44,000 bales, down 4,000 bales from an earlier estimate.

The Tribune poll was unable to determine exactly how many of total bales were produced inside the county as many of the gins are located near the county line and take cotton to process from both sides of the line.

A listing of the ginnings, with the first figure as that which has already been ginned and the second figure the total expected for the year, reads as follows:

Lawlis Gin, 1,500 — 1,700; Elton Mathis Gin, 675 — complete; Enochs Coop Gin, 3,842 — 3,850; County Line Gin, 2,061 — 2,080; Morton Gin Company, 2,500 — 2,600; Morton Coop Gin, 3,835 — 3,850; Maple Coop Gin, 10,150 — no estimate; Willingham Gin, 2,000 — complete; Alamo Gin, 2,321 — 2,365; G&C Gin, 5,150 — 5,200; Enochs Gin Company, 1,100 — 1,200; Griffith Gin, 5,675 — 6,000; Long S Gin, 3,700 — 3,750.

Most gin managers reported an increase in total bales this year over the 1969 crop, but there were a notable few who baled less this year than last. They were almost unanimous in the opinion that the 1970 crop was not up to what they had expected of it.

All ginnerers, however, indicated that the grade, micronaire and prices were holding up very well and are superior to the 1969 crop. They also were unanimous in estimating that all ginning would be complete in one week or less.

The following is a report of the cotton classing office in Levelland for classing activity through Friday, December 4:

Samples from 22,200 bales were classed

See LOCAL GIN, Page 4a

### Damages set at \$7,000 in cotton trailer fire

A raging cotton trailer fire at the Morton Gin Company plant caused upward of \$7,000 damage before it was brought under control by the Morton fire department Saturday morning.

According to information furnished by Don Whittenburg, owner of the gin, the fire, the cause of which has not been determined, struck in the early morning hours of Saturday and completely destroyed nine trailers containing approximately 28 bales of loose cotton. Investigation so far has failed to turn up any clues as to the cause of the blaze, which was continuing to smolder and smolder well into the day Monday.

The loss, that he estimates at around the \$7,000 figure, was fully insured, Whittenburg said.

### Write your Santa letters

It's that time of year again when all the little boys and girls of Morton and Cochran county can look forward to a visit soon by old Santa Claus himself. So, boys and girls, if you want to make sure that Santa knows what to bring you for Christmas, you had better get busy and write him a letter right away.

If you have been good all year long, you should tell him about it in your letter and order from him and the little elves that help him up at the North Pole just what you want in your stocking. He will always do his very best to fill your order with just what you want.

Just write your letter to Santa Claus in care of the Morton Tribune, Box 1016, Morton Texas and we will publish it in the paper and see that Santa gets it just as soon as possible. If you are too little to write yourself, get Mother or Dad or Brother or Sister to help you.

Many of the kids have already sent in their letters—so you had better hurry and get your in too! No matter how many there are, Jolly old Santa will read every one of them and you will be able to see your own letter when it is published in the Christmas edition of the Tribune on December 24.

### Yule lighting ceremony to draw large crowd

Large throngs of people are expected to crowd the Cochran county courthouse lawn Tuesday, December 15, for the Christmas tree lighting ceremony and Christmas program held in Morton each year.

Many events will highlight the occasion. The Morton High School band and choir will give their traditional musical program and Santa Claus will make his appearance to get acquainted with all the little boys and girls and pass out candy for one and all.

Two new features of the program this year will be a Christmas address by Mor-

ton Chamber of Commerce President Bill Wells and the drawing for several gift certificates donated by the merchants of Morton.

Winners of the downtown Christmas lighting contest will be announced during the program and the prizes of \$50 for first, \$30 for second and \$20 for third place will be awarded. Deadline for entering this contest is today, December 10, and any interested person, club or organization is urged to contact Mrs. Bobby Travis or the chamber of commerce office who will receive their application.

### Lovington Wildcats fall to wild Indians; record grows to 9-0

Morton's Indians spoiled Lovington's season opener Tuesday night with an inspiring 67-50 victory over the New Mexico team in a game played on the Wildcats' home court.

The Tribe's B team swept the opening contest, 68-56. The double win left both Morton squads undefeated for the season. The varsity is 9-0; the B team boasts a 6-0 mark.

The Indians will host Dora Friday night for a pair of games, and then will kick off the 1970-71 district 3-AA race with a home game against Abernathy Tuesday night. Next week's game marks the first time in several years that the Indians have started district competition before Christmas. District play then will not resume until January 5.

Stan Coffman's 18 points led the Tribe to their big win over the taller Wildcats Tuesday night. Coffman connected for eight points during the first period as the Indians pulled ahead 8-6 in the early minutes and never trailed in the game from that point. Four points by Keith Embry in the closing seconds of the first period gave the Tribe a comfortable 19-11 first quarter lead.

M. C. Collins came off the bench to pace second quarter scoring for the Tribe as he hit seven points in a row. Morton led at intermission, 32-24.

The Wildcats, fresh from winning their third straight state football championship, pulled within six points during the third.

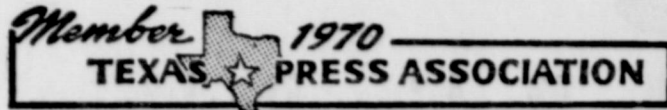

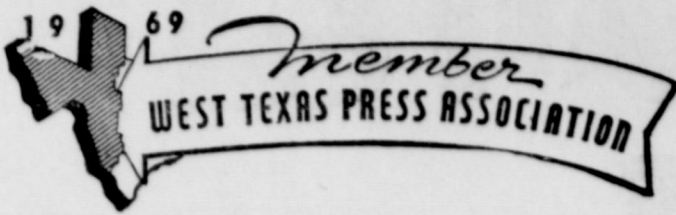

See LOVINGTON, Page 2a

### UP IN SMOKE...

THE REMAINING DEBRIS was still smoldering and smoking over 24 hours after fire had completely destroyed nine cotton trailers containing approximately 28 bales of loose

cotton on the Morton Gin Company's lot early Saturday morning. Don Whittenburg, owner of the gin, estimated the loss from the fire at approximately \$7,000.

Subscription rates — In Cochran County and adjoining counties: Per year, \$3.50, six months, \$2.00; three months, \$1.25. Outside Cochran County: Per year, \$4.50; six months, \$2.50; three months, \$1.75. To insure proper service, subscribers will please notify us promptly of change of address.

**ATTRACTIVE,** inexpensive desk nameplates. See samples at Morton Tribune.

## Tribe wins Friona tournament; forced off torrid scoring pace

The Morton Indians finally broke the jinx of the Friona Invitational Tournament, but not before three ball clubs ripped apart the Tribe's 83-point-per-game scoring average by forcing them to play slow-down ball.

But Morton brought home first place honors as its quintet eased past Spearman's Lynx in Saturday night's finale by a 43-34 score.

Last year, the Tribe fell to Farwell in the opening round in an overtime affair after tromping the Steers by 30 points just three days prior to the tournament.

In last week's first round game, Morton hit the floor colder than any other previous game this season and managed to connect on only 21 per cent of their first half shots and led the Hale Center Owls by a slim 20-18 count after two quarters of play. Morton widened its lead to 38-32 during the third quarter and then broke open the game by outscoring the Owls, 20-2, during the final stanza to take the 58-34 win.

Terry Harvey hit 25 points, the highest individual performance this season, to lead all scorers. George Pritchett and Stan Coffman hit 10 each.

And while Indian head coach Ted Whillock was walking the floor awaiting the arrival of his third child, his Indians were awaiting the return of their shooting eye as they fought off AAA Muleshoe in the second round of Friona's Tournament Friday. Morton led, 25-12, at halftime, but the Mules poured in 18 points during the third to close the gap to 33-30, but the Indians managed to hit 11 in the fourth to move to the 44-38 win.

Stan Coffman and Keith Embry hit 14 and 13 points for the Tribe.

The Indians led Spearman throughout the final game, but hit only 34 per cent in the win. Pritchett's 12 points was top for Morton. Coffman connected for 10.

The Indians will enter their second tournament competition next week as they will play in the Denver City Invitational. During the Christmas holidays, the Tribe will have an opportunity to try other top powers by playing in the Caprock Holiday Tournament in Lubbock.

### Lovington...

from page one

and trailed 38-32, midway in the period. But the Indians found the range again and outscored the hosts, 14-2, during the last half of the third quarter and led 52-34 at the end of the period.

Lovington's last-quarter press kept Morton players at the charity line throughout the final period. Three Wildcats left the game via the foul route during the closing minutes. Morton stretched its lead to its widest margin as the game came to an end with the Indians leading, 67-50.

Keith Embry hit 14 points for second-high honors against the Wildcats. M. C. Collins' 12-point effort came in just two quarters of play.

Phillip Graves connected for 16 points to lead the B team to their 68-56 win. Morton led at the half by just four, 24-20, but stretched the lead to 10 after three periods. A 10-point surge in the first two minutes of the final stanza insured their sixth straight win.

Ted Thomas and Willie Harrison scored 12 and 10 each for Morton.

### Boy Scout leaders set Littlefield meet

All Cub Scout and Boy Scout Leaders from the George White District of the Boy Scouts of America will meet in Littlefield Monday.

Their monthly Roundtable meeting will be Monday, December 14 at 7:30 p.m. at the First Methodist Church in Littlefield.

This is a meeting designed to insure a quality Scouting program for all Cub Scouts and Boy Scouts in Lamb, Bailey, Hockley and Cochran counties. All persons who would like to make a positive contribution to the boys of their community, should plan to attend this important Scouting meeting.

### Recital Saturday for Morton area pianists

"The Infinite Variety of Music" will be the theme of a two-part recital Saturday, December 12, in the auditorium of the First Baptist Church.

Mrs. Norma McCarty will present students, pre-school through 6th grade level in school, at 5:30 p.m. and 7th grade through 12th grade in Recital II at 6:15 p.m.

The title theme is borrowed from Leonard Bernstein's latest book and the music to be heard will be such as to show great contrasts and varieties. Spirituals, jazz, "Pop," Latin American Rhythms, marches and waltzes, duets and trios will be heard. Several two-piano selections will be performed in Recital II.

There will be no admission charge and the public is cordially invited to attend one or both recitals.

# COUNTY AGENT NEWS

From the Office of Roy L. McClung, Jr.

Interest has been expressed by area farmers in new crops that can be grown in the county during the winter. There is a possibility that a large acreage of cantaloupes can be grown in the county during the winter. Any farmer that might be interested in a small acreage of cantaloupes can contact my office for details.

Moisture may be the major limiting factor in many areas. Available moisture already in the soil, that to be supplied by irrigation, and the estimated rainfall should get careful attention. However, where moisture and fertility are the limiting factors, fertilization is still usually profitable. Adequate fertilization aids in the development of a better root system which helps the plant make more efficient use of the available moisture.

Chances for making high and profitable yields depend upon many factors, including soil fertility, cultural practices, management and climate and all should get attention when cropping plans are being made.

Adequate fertilization should not be overlooked as a means for reducing per unit production cost and increasing profit. With a realistic yield goal and sufficient information on management and other production factors, soil test are a reliable guide for pointing out the fertilization program needed to reach the desired production goals.

# Whiteface News

Mr. and Mrs. Dayton White spent Thanksgiving in Electra with two of her sisters.

Mrs. Lee Purcell has been a patient in the Cochran Memorial Hospital. She had minor surgery Friday and came home Sunday.

Mr. and Mrs. Jimmy White and son, Bradley, of Dallas, visited in the home of Mr. and Mrs. Truman Swinney and Arlene Swinney over the Thanksgiving holidays.

Ronny Hemphill, son of the O. F. Hemphills entered Cochran Memorial Hospital Monday.

Mr. and Mrs. Charles McClure and children from Amarillo came to Whiteface to spend Thanksgiving with Charles' parents, Mr. and Mrs. Wallace Lumpkins.

Mr. and Mrs. Jerry Worley of Fort Worth, visited over the Thanksgiving holidays with their parents, Mr. and Mrs. Wallace Lumpkin and Mr. and Mrs. Charles Worley. Saturday night, Mr. and Mrs. Charles McClure and Mr. and Mrs. Jerry Woley went to Tulia to visit their grandmother, Mrs. Bertha Self.

Mr. and Mrs. Max Dickerson and children of Iraan, visited in Whiteface Thanksgiving with his parents, Mr. and Mrs. Arvel McClure.

# Junior high, freshmen cagers top Littlefield; lose two at Levelland

Morton's junior high and freshmen teams padded their win records at the expense of Littlefield Monday night, but dropped two out of three basketball games to powerful Levelland teams last Thursday.

The Indian freshmen remained undefeated by trouncing Levelland, 58-40, and Littlefield, 74-36.

Morton hosts Plainview Estacado Junior High for three games, seventh, eighth and ninth, beginning at 5 p.m. today. Monday the seventh A and B teams and the eighth grade travel to Denver City for a pair of games, while Morton's freshmen will host the same school for A and B frosh games at 5 p.m.

Larry Thompson continued to pace Morton freshmen scoring as he dumped in 18 and 17 points in the two games played last week. Tommy Collins scored 13 for Morton against Levelland. Jerry Silhan was second high against Littlefield with 12 points.

Against the Wildcats, the frosh jumped to a 20-6 first period lead and coasted to the win.

Morton's seventh grade won their fourth game of the season with a 39-30 victory over Littlefield Monday. Kenneth Standmire and Mike Williams paced Indian scoring with 14 and 12 points apiece.

Levelland handed the seventh grade their first loss Thursday by a 31-25 count. Standmire hit nine for the Tribe.

The eighth grade ran its record to 2-3 with a loss and a win against the two visiting schools. Against Levelland, Jim Hargis's seven points were the best for the Indians as they fell, 48-25, to the taller Lobos. Hargis and Charles Christian hit 10 apiece as the eighth grade rebounded to take a 44-24 win over Littlefield's eighth grade Monday night.

# Club hears program on Slaughter Ranch

David Murrah spoke to the YM Study Club at their December 3 meeting on the Slaughter heritage.

The club met in the home of Mrs. Herman Bedwell.

Murrah is writing his thesis for his Masters Degree on the Slaughter ranch and has gathered his information from records and descendants of the C. C. Slaughters. He showed slides, maps, pictures and family records.

Mrs. Robbie Key, president, presided over a short business meeting.

Members present were: Mesdames Bedwell, Max Clark, John Hall, Donald Masten, Dexter Nebhut, Dalton Redman, Ralph Ware, Fred Weaver, Robert Yearly and Key. Mrs. Truman Murdock was a guest.

# Tops view fashions from Minnie's Shop

Mary Harbin, Home Demonstration Agent for Cochran County, presented a program on fashions and displayed clothes and accessories from Minnie's Shop at the Lighter Later Tops meeting Wednesday, December 9.

Mrs. Harbin demonstrated how to make a neck scarf and how accessories could enhance a wardrobe.

Thought for the day was "The preservation of health is a duty." Mrs. Mildred Oden gave the closing prayer.

The High Plains Bookmobile will be in your area on the following dates.

Wednesday December 16, Whiteface No. 1 — 9:30-10:30; Whiteface No. 2 — 10:30-11:00; Lehman — 11:05-11:30; Bledsoe — 12:00-1:00; Maple — 2:15-3:15.

# Three Way news

Mr. and Mrs. B. E. Turner from Littlefield spent Thursday evening in the home of their daughter and family, the Nelson Carlsiles.

Three Way high basket ball team played Meadow on the home court Tuesday night losing both games. Friday night the high school boys played Causey at Causey losing one game. Three Way junior high basketball teams played in the Bula Tournament with girls winning consolation and boys winning third place.

Mr. and Mrs. Redgie Self are the parents of a baby girl born Friday at Blythville, Arkansas. Grandparents are Mr. and Mrs. H. C. Toombs of Maple and Mr. and Mrs. W. W. Self of Lockney. Mr. and Mrs. H. C. Toombs left Saturday for a visit with their new granddaughter and family.

Mr. and Mrs. Barney Locke were called

to Rynn, Oklahoma to be with her mother who is seriously ill.

Mr. and Mrs. James Reeves and family from Shallowater visited their parents, the R. L. Reeves Sunday.

Bonnie Long was a patient in Cochran Memorial hospital last week.

Mr. and Mrs. Johnnie Wheeler were in Lubbock Tuesday.

Buck Tyson from Oklahoma City, Okla., spent Thursday night with his parents, the George Tysons.

A bridal shower was given in the Mickey Sowder home Sunday honoring Maudylin Galt. Many pretty and useful gifts was received.

The ginning in the community is about finished for this year with most cotton in and ginned.

ALWAYS A STEP AHEAD

S. CLAUS AND FRIEND . . .

PETETE LITTLE RADONDA GILLIAM has the right idea when it comes to making new friends. Always pick a large fellow with lots of white whiskers and an ample lap for sitting purposes—especially if it is this time of the year and you are expecting the sleigh bells any day now. If it should turn out that he just happens to have some little friends hard at work up around the North Pole, so much the better. Radonda was making friends with Mr. Claus at Ben Franklin Variety Store last Saturday when the photo was taken.

Local gin . . .

from page one

at the Levelland office last week. This brought the total classed this season to 89,700. The Levelland office had 24,000 unclassified samples on hand on December 4th. This brought the total samples received this season to 113,700.

Estimates indicate that ninety-eight to ninety-nine per cent of the Levelland area crop is now out of the fields.

Strict Low Middling Light Spotted was the predominant grade at Levelland last week with 30 per cent of all cotton classed. Strict Low Middling made up 28 per cent, Middling Light Spotted 16 per cent and all Spots and Tinges 15 per cent.

Staple length averaged between 15/16 and 31/32. Forty-three per cent staple 31/32 and longer.

Thirty-five per cent of all cotton classed at the Levelland office last week had

micronaire readings in the premium range of 3.5 to 4.9, 16 per cent "miked" 3.3 through 3.4, 29 per cent "miked" 3.0 through 3.2, 16 per cent was 2.7 through 2.9 and 4 per cent was 2.6 and below.

Ninety-three per cent of the cotton classed at Levelland last week had Pressley readings of 80,000 pounds and higher. Pressley is an indication of fiber strength and the most desirable Pressley reading is 80,000 pounds and above.

Prices were slightly higher on most qualities. Prices ranged from the loan or near the loan on high grade, long staple cotton up to \$40.00 per bale over the loan for low grade, low micronaire cotton. Most lots were selling in the narrow range of 18 to 20 cents per pound.

Prices quoted by the Lubbock Cotton Exchange for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Strict Low Middling 29/32 — 19.00, Strict Low Middling 15/16 — 19.65, Strict Low Middling 31/32 — 19.90, Middling Light Spotted 29/32 — 19.20, Middling Light Spotted 15/16 — 19.75, Middling

★ Mail Service

Murray L. Crone, postmaster at Morton, has announced that the Post Office would be open Saturday, Dec. 12 and Saturday Dec. 19 from 9:00 a.m. to 1:00 p.m. to provide an opportunity for purchasing stamps and mailing packages to those persons who can't find time during the week.

Mr. Crone states that packages for local addresses should be mailed as soon as possible and cards for distant states should be mailed now.

The post office at Enochs will be open from 8:00 a.m. to 12:00 p.m. on the above named Saturdays. The Post offices at Maple and Bledsoe will provide the usual two hours of window service.

Roy Ogle rites held Wednesday in Morton

Funeral services for Roy Neal Ogle, 6 month old son of Mr. and Mrs. Harold Ogle, were held Wednesday, December 9, in the Assembly of God Church in Morton.

The Rev. Bob Goodwin, pastor of the Faith of Assembly of God Church of Lubbock, officiated, assisted by the Rev. Van Hoose of Morton.

Interment was in Enoch Cemetery under direction of Singleton Funeral Home. Roy passed away in Cochran Memorial Hospital December 8 at 9:30 a.m. following a short illness.

Survivors include his parents, grandparents Mr. and Mrs. E. C. Gilliam of Enochs and Mr. and Mrs. A. F. Ogle of Crosbyton.

Services pending for Mrs. Leta Holloman

Funeral services are pending at Singleton Funeral Home for Mrs. Leta Alberta Holloman.

Mrs. Holloman, 84, died Wednesday morning at 8:25 in Cochran Memorial Hospital following a lengthy illness.

She was born October 26, 1886 in Lampassas County and moved to Cochran County in 1924. She was a member of the First Missionary Baptist Church.

Survivors include a daughter, Mrs. Leonard Emery of Richardson; two sons, G. G. Holloman of Plainview and M. R. of Morton; one sister, Stella Garner of Lampassas; 16 grandchildren and 10 great-grandchildren.

Light Spotted 31/32 — 20.10, Strict Low Middling Light Spotted 29/32 — 19.00, Strict Low Middling Light Spotted 15/16 — 19.50 and Strict Low Middling Light Spotted 31/32 — 19.80.

Cottonseed prices were steady and ranged from \$57.00 to \$62.00 per ton to the farmer.

# Moore gives Christmas Chalk Talk' for 1936 Club

Glenn Thompson home was the Christmas meeting of the 1936 Club. Moore was guest speaker. Moore used the theme of "Seek the Lord, O ye simple hearts." He illustrated his message with three parables from the Bible: the Lost Coin, The Prodigal Son and the Lost Sheep — each seeking and God's seeking to save that which was lost.

As he spoke he made a chalk drawing and reviewed the story of the two men who each wanted to become artists, but because of their poverty one worked all his life at hard labor so that the other might develop his talent. The one who became the artist is best known for his painting of the one's work-worn "Praying Hands."

Rev. Moore concluded his remarks with reference to the many examples of religion in art and showed the picture he had drawn as he spoke of Christ as the Good Shepherd.

Mrs. Gage Knox presided over a short business meeting where members were reminded to meet on Tuesday, December 15th at 6:30 at Mrs. Knox's home to go to Girlstown for a Christmas visit. Suggestions of appropriate gifts for the girls included hose, towels, razors and blades, snacks for after school, or bedtime, or money for always needed cosmetic and health items.

As the result of a recent gift secured by Mrs. LeRoy Johnson, Caprock District

## ★ We apologize

Last week we failed to get a notice of the Diphtheria Immunization Clinic that was held Saturday afternoon at the Courthouse in the paper. We are indeed sorry for this oversight and issue a special apology to the volunteers who gave of their time to make this clinic possible.

We understand approximately 100 of the 700 who received their first shots came in Saturday for the second one. Everyone is urged to see their doctor for the second immunization within six weeks from the time of the first one. This is very important to insure immunity.

president, Girlstown is now well supplied with bed linens.

Refreshments were served by the hostess, to guests Mrs. J. Frank Dean, the Rev. and Mrs. Mearl Moore, and the following members: Mesdames, W. C. Benham, Maurice Lewellan, John Crowder, W. W. Smith, Gerhome Holloway, L. F. Hargrove, Joe Nicewarner, Joe Gipson, Neal Rose, James St. Clair and John L. McGee.

## School menus . . .

Monday, December 14 — Bar-be-que on bun, baked beans, tomato salad, stewed apricots, milk.

## Fair warning' held factor in label of dangerous items

While a housewife was polishing her dining room table, the telephone rang in the kitchen. Although she was out of the kitchen only a few minutes, her infant son managed to take a drink of the furniture polish. It was poisonous, and the child

"May be harmful if swallowed." Nevertheless, the company was indeed held liable for the tragedy. The words were found to be too mild a warning for so deadly a product. Besides, they were placed in an obscure position on the package.

One of the common issues in product liability cases is whether the manufacturer has given the user "fair warning" of possible danger. Generally speaking, the warning should be as conspicuous and as urgent as the danger reasonably calls for.

ONE OF THE common issues in product liability cases is whether the manufacturer has given the user "fair warning" of possible danger. Generally speaking, the warning should be as conspicuous and as urgent as the danger reasonably calls for.

## About local folks . . .

BY DUTCH GIPSON

Visiting in the George Trejo home recently were Mr. and Mrs. Zargosa Trejo and family from Corpus Christi.

Mr. and Mrs. Bob Scott have returned from a visit with their son, Pvt. Robert D. Scott, at Fort Sill, Okla.

Mr. and Mrs. Ronald Jeffcoat and Geron, former Morton residents, who moved

to Fort Worth two years ago, have returned to Morton. They are making their home at Route 2 where Ronald is engaged in farming. Welcome home!

Mr. and Mrs. Jim Miolli and children, Cathy, Cindy and Tina; Mr. Miolli's mother, Mrs. Mary Miolli of Chicago Ill.; Mrs. Hazel Russell of Whiteface, grandmother of Mrs. Jim Miolli, spent the week-end in Plainview with Mr. and Mrs. Fred Medley and Jack. This was an occasion of a surprise birthday honoring Mrs. Mary Miolli, who was 64 years old.

Mrs. W. L. Miller accompanied her daughter and husband, Mr. and Mrs. Wendell Watson, to Pampa last Sunday. Mrs. Miller stayed several days with her daughter.

Mr. Simon Marina is visiting relatives in Eagle Pass this week.

Mr. and Mrs. Amos Taylor returned to Morton Sunday after a week of fishing at Lake Stamford.

Recently Mr. and Mrs. Henry Bedwell were visitors in Oklahoma. In there they visited Mrs. Bedwell's sister and family, Mr. and Mrs. Johnny Littlefield and a sister, Mr. and Mrs. Ben Goer. In Clairmore, Oklahoma, they were guests of another brother of Mrs. Bedwell's, Mr. and Mrs. T. H. Goer. In Enid, Oklahoma they visited with another sister, Mrs. Margaret Crow. They also visited other relatives in Tulsa.

Mr. and Mrs. G. G. Nesbitt were host and hostess Sunday to the annual Christmas reunion of the children of late Mrs. Rose Nesbitt. The brothers and families attending were W. L. Nesbitt, Mr. and Mrs. Paul Nesbitt from Lubbock; and Mr. and Mrs. James Nesbitt from Borger. Sisters were Mr. and Mrs. W. D. O'Donald and children and grandchildren; Mr. and Mrs. Frank O'Donald, Ricky, Dwai-

### MORTON INDUSTRIAL COMPLEX? . . .

THE SOMEWHAT CLUTTERED SIGNS above could lead a stranger to believe that Morton and Cochran county are really coming up in the world in the field of the beef industry. There is no reason for them to think otherwise, however, as each sign indicates the presence of things present and things to come in the industrial development of the area. Owen Brothers Custom Feeding Company is presently feeding out 30,000 prime cattle and the Praire Land Packing Company will soon be processing beef for the retail market.

ne, Phyllis, of Canyon; Mr. and Mrs. Ernest Cotton and daughter, Patsy, from Littlefield; Mrs. Lynda Davis, Tommy and Donna of Spearman; Mr. and Mrs. W. A. Miller and children; Mr. and Mrs. Jerry Price of Lubbock; Mr. and Mrs. A. S. Bill and Karen from Hereford. Children and grandchildren of Mr. and Mrs. G. G. Nesbitt attending were: Mr. and Mrs. A. L. Nesbitt, George and Lesley, Mr. and Mrs. Bobby L. Taylor, Garnett, John, Sherill, Jimmy and Kelly, Mr. and Mrs. Shorty Hale, Rickey Don, Mr. and Mrs. Louise Talley, Louis and Lee all of

Morton. Other guests other than relatives were Paul, John and Thomas Ruzicka of Morton.

Mrs. D. T. Jorden is a patient at University Hospital undergoing treatments preparatory to an impending operation.

Mrs. John Hollomon, who was a patient in Methodist Hospital for a few days, last week has been transferred to Cochran Memorial Hospital.

One ounce of gold can be drawn in the form of a continuous wire thread to a length of 43 miles.

St. Clair's  
DEPARTMENT STORE

There is still much speculation as to how much cotton will be planted on the Plains under the new farm program. And it is proving difficult to make meaningful calculations pending issuance of final details on how the program will be administered from Washington.

Meanwhile it is interesting to note that Walter Wells, Manager of the Lubbock County ASCS office and most knowledgeable of farming and farmers in this area, has said Lubbock County in 1971 could well plant 275,000 acres to cotton, but would be an increase of around 25 percent of this year's 230,900 planted acres.

And, according to Wells, it is the consensus of the Lubbock County ASCS Committee that county farmers might put 300,000 acres in cotton, a jump of 35 percent from this year.

There is a lesson for all of agriculture, and for cotton in particular, in a paper prepared by Agricultural Economics Professor Dr. Leo Polopolu of the University of Florida.

plied for the nation by agriculture can now be derived from petroleum, algae, trash fish and many other sources. Obviously traditional agriculture can no longer assume it has a stable and secure position as the supplier of human needs.

Dr. Polopolu points to the activities of the Florida Department of Citrus as an example of what can be done to "counteract" the competition from synthetic substitutes. Supported by per-box taxes levied in Florida on citrus entering the market, the FDC has made an impressive start toward winning consumer support by improving existing products, introducing new products and providing package and serving conveniences.

The result has been a steady increase since 1966 of consumer dollar expenditures for frozen concentrated orange juice (some 78 percent of all Florida oranges go into this product). Consumer expenditures for frozen concentrated orange juice rose from \$4.4 million per week in 1966 to \$7.3 million per week in the first 15 weeks of the 1969-70 season — a record level.

The professor concludes "It is evident that the increase in demand, too large to be attributed solely to per capita income and population growth, has resulted from promotion, research and product development. And there is much evidence that such programs can be similarly effective in other industries."

Dr. Polopolu recommends 10 avenues by which agriculture can meet the increased competition. Seven of the 10 are applicable to the cotton industry and in fact are to some degree being followed by the Cotton Producers Institute's dollar-a-bale program. The seven points:

- 1. Regularly monitor consumer attitudes and awareness of natural and substitute products.
2. Develop data on prices, quantities consumed, percent of families buying, and demographic characteristics of both tra-

# Christmas 'happy time' sometimes not so

Someone mentions Christmas, and the first thing you think of is happy times around the Christmas tree. But the Texas State Department of Health would like to put in a plug for a little common sense this holiday season.

Mistletoe is fine when cast in its traditional Christmas-time role, but brewing a tea of mistletoe berries is not — repeat, is not — part of that role. The State Health Department has information of a death following the drinking of mistletoe berry tea. It came ten hours after the victim drank the brew.

Who does such a thoughtless thing? More people than you would expect. There are more than the usual hazards of life and health around the American home during the Christmas season, all capable of putting a damper on festivities. Some kill, some seriously sicken the unwary.

HOLLY, FOR EXAMPLE, is widely used as a Christmas decoration. Its berries are reportedly toxic when eaten, producing violent nausea and central nervous system depression.

Christmas tree light bubbling fluid, additional and imitation products.

3. Alter existing products in light of market and consumer research.

4. Develop new products that satisfy consumer needs and fill marketing voids.

5. Unify industry objectives and policies relating to imitation products.

6. Develop or improve the organizational structure of the agricultural industry.

7. Generate sufficient promotional and research dollars on a continuing basis to deal with the problem realistically.

The problems that cotton faces with synthetic competition are not greatly different from those successfully met by the Florida citrus industry. And there is every reason to believe the cotton industry, too, can solve some of its problems and improve its position in the marketplace. The key for cotton perhaps lies in the seventh point made by Dr. Polopolu — adequate funding on a continuing basis. And the dollar-a-bale program, supplemented by the \$10 million per year market development fund provided for in the new farm program, should be sufficient to put cotton back on the road to greater prominence in the world of textile fibers.

As Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. puts it "Cotton is not licked yet."

made of methylene chloride, is lethal in certain dosages. Cases have occurred where very young children have swallowed or inhaled the fluid.

Sale of certain toys has been banned by the federal Food and Drug Administration, as dangerous to the public health. Included in the list is a toy oven that reaches temperatures of 600 degrees Fahrenheit, toys with highly flammable linings, heavy darts with long shanks, chemical sets, and toys with breakable glass parts.

DON'T BE TOO concerned if the kids eat a few icicles off the tree. In their metallic form they're practically insol-

ble and therefore poorly absorbed into the body.

Tree balls are made of glass and plastic, and in addition to causing cuts, could clog the windpipe of a child. Other tree decorations are equally dangerous. The gas propellant in artificial snow is toxic if inhaled, but leaves no residue when dried.

Unknown to many persons, some forms of trees can cause discomfort from allergies. A chief offender is cedar, which can be the cause of watery eyes, stopped-up heads and breathing difficulties. And of course, there is always the fire hazard with any tree. Be sure your Christmas

tree is kept well watered, and electric lights and candles are carefully placed and checked frequently.

THE CHRISTMAS season is a prime time for one of the four million yearly home accidents to happen. People are in a festive mood and they forget the dangers just waiting to claim them.

Plan in advance and your Christmas can be a merry one with no regrets lingering over into the New Year. Safety is part of the "good health habit."

Largest library in the world is the Library of Congress, founded on April 24, 1800.

## IT'S OLDS "CATCH-UP" TIME!

'71 Delta 88s are rolling in... and Olds dealers are out to catch up! Great time to move into the big-car world of Olds!

Research additions costing \$11 million will be constructed at VA hospitals in Cleveland, Cincinnati, Ann Arbor, Philadelphia, Oklahoma City, Albuquerque, Wilmington, and Jackson, Miss.

# STATE Capital NEWS

By VERN SANFORD

AUSTIN, Tex. — Legislative Budget Board staff members added little to the season's cheer for legislators with their estimate that even a rigidly-conservative 1972-73 budget will require a \$643.5 million tax bill.

Lawmakers, who report for the biennial session in January, must pass a \$51.4 million emergency finance measure to head off a 20 per cent welfare cut in April, the Budget Board warned. And early approval of a constitutional amendment to raise the \$80 million welfare ceiling also will be necessary to avert eventual sharp reductions in aid to the needy.

Board stressed that its budget compila- tions allow for no new construction funds for any purpose (not even new colleges al- ready authorized) and no money for state employee salary raises.

Lt. Gov. Ben Barnes called the situa- tion a "crisis."

Senate leaders turned down a no-tax plan advanced by a Houston group. This plan would freeze teacher salaries, raise college tuitions, abandon general revenue appropriations for farm-to-market roads, change school finance formulas and di- vert a portion of the permanent school fund to current spending. Such proposals, said Barnes, "would get about two vot- es."

Sharp growth in welfare rolls and long- range educational programs already en- acted are primary reasons cited for the re- cord tax need.

Louisiana boundary dispute will be argued before Judge Robert Van Pelt in the U. S. Supreme Court in Houston on December 16. Judge Van Pelt is a senior federal dis- trict judge for Nebraska.

Texas claims that midstream of the Sa- bine River, Sabine Lake and Sabine Pass were established in 1848 by Congress as the dividing line. Louisiana claims the entire river.

Millions in oil lease income are at stake.

TEXAS FOURTH — Texas now is the fourth most-populous state in the nation. New census figures show 11,298,787 popu- lation which includes 102,057 Texans abroad.

California still is No. 1, with more than 20 million. New York remains second with 18.2 million and Pennsylvania third with nearly 11.9 million.

Texas barely nosed out Illinois for four- th. Illinois' head count is 11,184 million.

TURKEY PRICES HOLDING — Price of the Christmas turkey in Texas will be about the same, or maybe even less than in 1969. Agriculture Commissioner John C. White figures.

A wire service story on November 25 stated that prices of Thanksgiving turkeys over the nation were nine per cent higher this year, but White said this was not true in Texas.

White based this statement on a survey of prices in leading markets of San An- tonio, Houston and Dallas.

About 19 per cent more turkeys were produced in Texas this year than in 1969.

BOUNDARY HEARING SET — Texas-

HEARING SET — A December 21 pub- lic hearing will be held in the McAllen civic center on proposed piece rates for hand harvesting of agricultural commodi- ties.

Rate system, under the state Minimum Wage Law, will be based on average work- er productivity by commodity and will become effective on February 1.

A comprehensive statewide field study of actual worker productivity has been under way since September, 1969. Propos- ed rates will be recommended at the De- cember hearing for harvesting citrus fruit and all Texas vegetables.

A later hearing will take up piece rates for harvesting pecans, blackberries and cotton, plus a few fruits and vegetables produced in limited quantities.

Piece rates apply to piece-work harvest- ers who are not covered under the federal minimum wage statute.

COURTS SPEAK — Reversing itself, the State Supreme Court upheld a \$10, - 000 libel judgement against a Denton pub- lishing company as the result of an erro- neous report (which the Court said was not privileged). Story reportedly stated that a local developer was bankrupt. In an earlier opinion, the High Court, by a 5 to 4 vote, had held for the newspaper publisher. Newspaper had quoted a state- ment made at a city council meeting but through oversight did not say who made the statement.

In other cases the High Court: Set arguments for January 20 over the validity of the incorporation of West Lake Hills, an Austin suburb.

Upheld a lower court decision invalidat- ing a Comanche County local option elec- tion to permit liquor sale.

Affirmed the right of a Fort Worth school district to prevent students from belonging to secret clubs.

Court of Criminal Appeals, in Smith and Tarrant County cases, found that a 1969 legislative act wiped out part of the state law against ex-convicts carrying con- cealed weapons.

AG OPINIONS — Federal navigation powers under the commerce clause of the U. S. Constitution are superior to state powers or rights where the waters in- volved form a part of navigable waters of the U. S., says Atty. Gen. Crawford Martin.

Same applies, Martin said, where altera- tion of the flow of non-navigable tribu- taries thereof would affect navigable wa- ters. He further held that: federal authori- zation of a Texas water project preempts a state project on the same river site un- less federal consent is obtained by law; federal government can retard, impound and use waters behind government dams in Texas if use is reasonably related to powers under the commerce clause, and suits over federal projects could be re- moved to a federal district court.

In other recent opinions, Martin con- cluded that:

Law prohibiting deer hunting with ar- tificial lights was not repealed in Smith County by the Uniform Wildlife Regula- tory Act.

Maximum salary for Orange County Court at Law judges is \$6,600 a year.

APPOINTMENTS — Gov. Preston Smith has recommended Col. Melvin N. Glantz of Plainview to succeed the late Col. Morris Schwartz as State Selective Direc- tor.

Byron Tunnell will serve as chairman of the State Railroad Commission for 1971-72.

Smith named Byron L. McClellan of Gatesville 52nd district judge to succeed Judge Truman Roberts who will move to the Court of Criminal Appeals.

Leslie B. Vance of Clifton will succeed McClellan as 32nd district attorney.

Roy Barrera of San Antonio, Al Henry of Houston and Dr. Herman Widgotsky of San Antonio have been named to the Board of Trustees of Texas Educational Foundation Inc. which supervises Texas Job Corps vocational training centers at San Marcos, McKinney and El Paso.

Timothy C. Moore of Kermit and Mel- von Houston Jr. of Houston will represent Texas at 1970 U. S. Senate Youth Program and Conference in Washington on January 30-February 6.

SHORT SNORTS — Frank X. Tolbert, columnist for the Dallas Morning News, Mrs. Lucille Walker, waitress at Big Bend National Park lodge and the entire community of Albany were cited by Gov- ernor Smith for tourist development work at the Governor's tourism conference here.

A sub-panel of the Speakers Committee of the House has recommended bullet- proof glass to seal off the House chamber from the gallery.

Former Vice President Hubert Humph- rey will head a list of dignitaries attend- ing the December 15 appreciation dinner here for Sen. Ralph Yarborough.

Norman Newton of McAllen announced he will resign as executive director of State Republican party about December 23, when William M. Steger of Tyler will step down as state chairman to accept a judgeship.

Veterans Land Board has authorized the sale of \$25 million in veterans land bonds — if buyers can be found at the 4 1/2 per cent interest limit.

Beltway Bank of Houston has filed an application for a charter with the State Banking Commission.

Real income levels of Texans probably declined in 1970 (considering the consumer price increases), says the University of Texas Bureau of Business Research.

Further auto insurance hearings will be held in Dallas and Houston before that regulatory agency makes its decision on rates.

## Miss Galt honored with bridal shower

Miss Maudlyn Galt, bride-elect of Clar- ence Albus, Jr. was honored with a bridal shower Sunday in the home of Mrs. Her- bert Sowder of Goodland.

Hostess were: Mesdames Ruby Eve- rett, J. G. Arnn, Rayford Masten, Baker Johnson, Cecil Cole, Buck Ragsdale, Way- land Altman, Leon Reeves, R. L. Davis, Horace Hutton, Freddie Parkman, Neal Smith, Frank Knox, Adolph Whittner, Jack Furgeson, Andrew Wittner and Doyle Davis.

Christmas decorations and silver ap- pointments were used throughout the home.

Shannon and Kandy Sowder and Kathy Wittner served approximately 55 guests.

Special guests were Mrs. Tommy Galt and Mrs. Clarence Albus, mothers of the bride-elect and prospective bridegroom, and Mrs. T. G. Gaddy, grandmother of the bride-elect.

Hostess gift was china. The couple plan to be married Decem- ber 28 at 5:30 p.m. in the First United Methodist Church in Morton.

Miss Galt is a 1966 graduate of Three Way and a 1963 graduate of South Plains College. She is a December candidate for graduation from Texas Tech University.

Albus graduated from Pep High School and South Plains College. He received a B.S. degree in chemical engineering from Texas Tech University in 1970 and is presently a graduate student there.
