... AND THE SNOW CAME DOWN ...

MORTON'S COURT HOUSE SQUARE offers graphic proof that moisture fall in West Texas as it rests under a light blanket of heavy, wet and — oh, welcome — snow Sunday afternoon. The snowfall broke a drought of some months standing and re-kindled a spark of hope in the eyes of area farmers and ranchers. It wasn't much, but it's sure better than what we had up until Saturday.

Council seats may go begging; three on file for school board

Applications for seats on the city council for the upcoming April 3 election so far gone begging, there has been no response to the Morton school election announcement.

There had been not one single person for any of the three seats becoming vacant at City Hall by press time Wednesday. The school tax office appeared as a bee hive by comparison, with three applicants already in the fold for the three regular 3-year term seats will become vacant this spring. A fourth seat, a special one-year term, to fill out the unexpired term of David Hill, who recently resigned, had received no potential takers by late Wednesday.

After A. Nebhut and John L. Fincannon have filed for two of the regular seats on the school board and Doug Lynch, who is presently serving as the school president, has filed to succeed him. Fincannon had previously served on the board but chose not to succeed him in the election of one year ago. Nebhut has not served on the board. The filing deadline for the April 3 election is Wednesday, March 3, and election officials are hoping to receive other applications for both the regular terms and the special one-year term on the school board and for the three vacancies on the council. If applications are not received on all the seats, a special election will have to be held to fill the vacancies, this entails considerable time, trouble and expense, both city and school officials have stated.

Indian basketball players are selected for all-district honors

In an unprecedented move, district 3-AA coaches named all five of the Morton starters to the 1970-71 all-district team in a conference meeting last week. The Tribe, one-point losers to Dimmitt in a crucial district playoff, completely dominated the selections as Dimmitt placed three men, and Floydada and Olton each, Morton senior M. C. Collins received Honorable Mention honors. Named to the first team all district was Morton senior George Pritchett, a leader in rebounding and scoring. Pritchett joined on the first five by Floydada's aggressive senior standout, Charles Jack-Kent Bradford and Max Newman of Dimmitt, and Olton's Mike Parsons. Four of Morton's talented quintet were named in the second five. Named were Stan Coffman, and Terry Harvey, juniors Elton Patton and Keith Em-

bray. The second five was Dimmitt's Mark Wolgemuth. Harvey and Collins were both named to the all-district and all-region squads last week. Harvey received all-state honors last year.

For last year, Pritchett was named to the tournament team at the Region I tournament. Elton Patton was named to the red team after the state tournament in Austin.

The all-district selections are among the most coveted awards meted out by any of the judges. The choices are nominally selected by district coaches, the critics of basketball material, and the choices generally reflect the performances of the individuals of the dis-

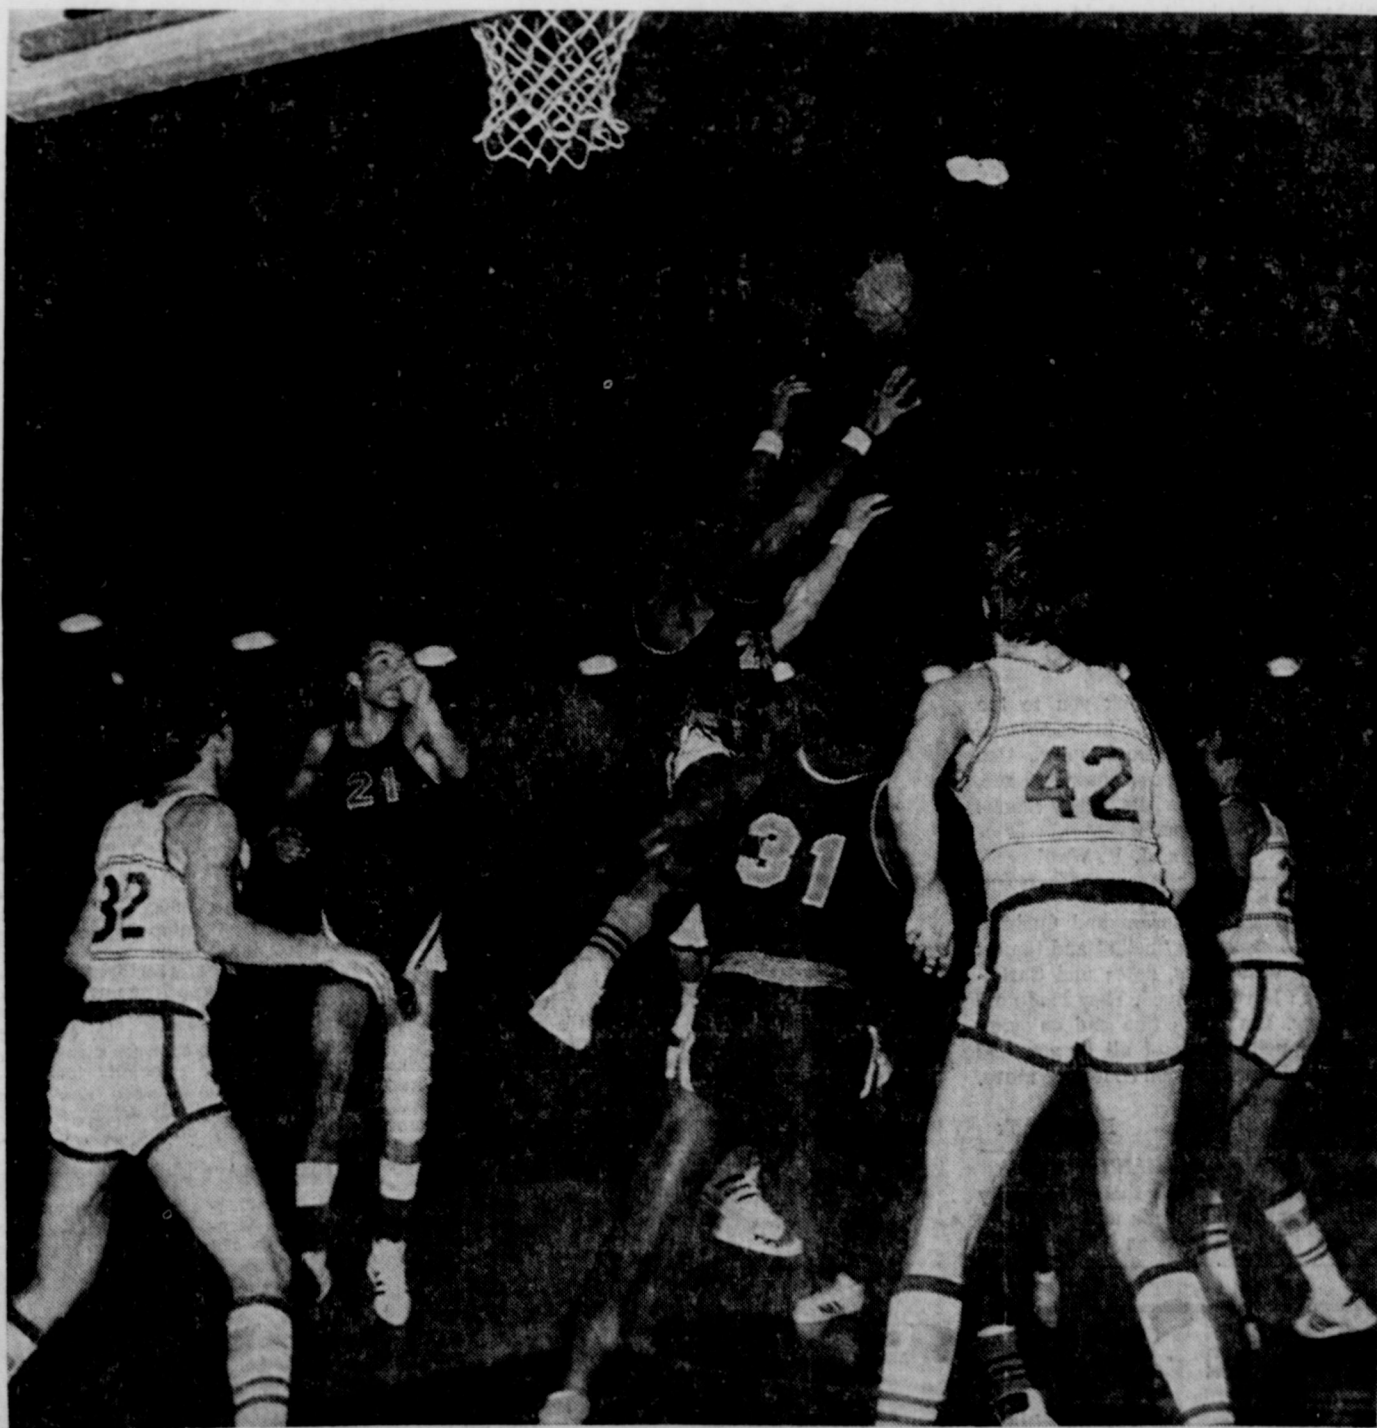

trict selections will be made later by sportswriters of the Lubbock Avalanche-News. All-state nominees are picked by sportswriters of the Associated Press. The only juniors named to the honor were Morton's Patton and Embr-

City council terms ending are the two-year terms of Herman Bedwell and Wiley Hodge and a special one-year term being served by Robert K. Robinson. School board terms ending, besides Lynskey's, are those of Owen Egger and Robert Yearly. The consensus around city hall seems to be that there will be a repeat of the eleventh hour events of bygone years — when office seekers waited for "the other fellow" to commit himself first — then flooded the office with last minute filings. With the filing deadline looming ever nearer, Morton residents won't have long to wait to see if the procedure repeats itself.

★ Batter up

An organizational meeting of the Little League is scheduled for 7:30 p.m. tonight in the Wig Wam Restaurant.

All coaches, managers and parents are urged to attend.

THICK OF THE ACTION ...

ELTON PATTON seems to have a lock on the above rebound as he was right in the thick of the battle when the Morton Indians took on the Dimmitt Bobcats in the district playoff shootout in South Plains College's Texan Dome Thursday night. There were no dead spots as both teams gave 110 percent efforts that resulted in the Tribe losing

the game by one point and the right to proceed to the regional and state playoffs for the second consecutive year. This game closed out Morton's most successful season in history in which the squad compiled a record of 28 wins and four losses. Other Tribesmen are Stan Coffman, 21, and George Pritchett, 31.

Livestock show opens Monday

Quality of entries will be the watchword when the Cochran County Junior Livestock Show is reeled off in the county show barns Monday and Tuesday, March 1 and 2. Emphasis is being placed by the young exhibitors on the quality of their entries rather than on the number of animals the individual will show.

"While this year's entry list approximates the numbers of last year and 1969, it appears that the youngsters are entering higher quality animals for this show. I suspect that they have cut down on the number of animals they are keeping at home and concentrating more on picking only the best for show preparation," county agent Roy McClung stated as he supervised some of the local 4-H Club members in getting their entries ready.

A total of near 215 entries in all divisions and classes had been received when the entry deadline was reached at 5 p.m. Monday, February 22. This included 115 hogs, 26 calves and 75 lambs.

The schedule for the two-day show is as follows:

Weighingin of animals will begin at 10 a.m. March 1, and all animals must be in place by 5 p.m.

Judging will begin at 9 a.m. March 2 with the swine and will be followed in order by judging of lambs and calves during the remainder of the day.

The floor price for the packer buyers will be set at 6:30 p.m. Tuesday with the sale to follow at 7 p.m.

There will be a trio of auctioneers for the sale this year with the three changing off between calling the auction and handling the show animals. The team consists of Doug Zuber, Paul Zuber and Leonard Groves.

A list of trophy donors released by the Cochran county agent's office includes: Carl White Duroc Farm, trophies for the Grand Champion and Reserve Champion Swine.

Ike's Farm Store, championship trophies for lambs that have been fed on Purina feeds.

See LIVESTOCK SHOW, Page 7a

THE SHOW MUST GO ON ...

AND THESE YOUNG EXHIBITORS were hard at work Tuesday afternoon getting their entries ready for the Cochran County Junior Livestock Show which is to be held here Monday and Tuesday. Quality of entries is the key to this year's show as evidenced by these animals to be shown by, from left to right, Larry and Terry Shaw, with fine wool

lambs; Mark Dewbre, Steve Polvado, Martie Dewbre, Debbie Polvado and Mickie Dewbre, all with Angus-Hereford crossbreed calves and Susan Polvado with her Hereford calf. They'll look better when we get them dressed up, seemed the attitude of the youngsters who are all eager for the show to start.

Survey team mapping in county

An Engineering field party of the U. S. Geological Survey, Topographic Division, is now engaged in surveying operations required for the preparation of accurate topographic maps which will cover the portions of Cochran County not yet covered by this type mapping.

Primary purpose for mapping this area is to facilitate the studies being made by

the State Water Commission concerning Texas' water development program.

This includes such related subjects as water and soil conservation, flood control, potential stream yield, irrigation and surface and ground water studies. This project is under the supervision of John Gettman, Project Engineer, head-quartered in Seminole. B. F. Darby Jr. is responsible for the mapping in the Morton area and has office space in the County courthouse.

Mapping is part of a continuing nationwide program which has been carried on by the Department of Interior for many years. Its overall purpose is to complete

accurate and up to date topographic maps of the entire United States and its possessions.

The order in which different areas, within each state are mapped is determined by the actual needs of the various federal and state agencies and local engineers.

The state assists this program by sharing the costs involved in making those maps most needed by the state agencies.

A topographic map is a graphic representation of selected man-made and natural features of a part of the earth's surface plotted to a definite scale. The distinguish-

Tribe loses 'heartbreaker' in District 3-AA playoff

The Morton Indians came within an inch of returning to the state playoffs, in losing a heartbreaking 61-60 decision to Dimmitt's Bobcats last week.

A 15-foot jump shot by junior Danny Ebeling with four seconds left in the game gave Dimmitt the winning one-point margin and sunk the hopes of hundreds of prospective Lubbock and Austin bound Morton fans.

But Thursday's performance by the Tribe more than redeemed Morton's rather humiliating 76-53 loss to the Bobcats the week prior in regular season action. The Indians displayed a fine performance from the field, and committing only four

turnovers.

But the loss was made painful as it appeared in the waning seconds of the game that the Indians had it won. Morton built up a six-point margin midway in the final period and appeared headed for the regional tournament for the second time in a row, but the never-say-die Bobcats, paced by hit-shooting Max Newman roared back. Morton led, 58-57, with 1:18 left, and then stretched that lead to 60-57 as George Pritchett tipped in a missed free throw by Terry Harvey. Kent Bradford then hit for Dimmitt to cut the Indian lead to one, but then Pritchett seemingly iced the game with 38 seconds left by hitting a 10-footer, but the lanky senior was called for walking, and the basket did not count.

With the coolness of an iceberg, the Bobcats then played the final half-minute to perfection, and Ebeling hit his shot perfectly. Ironically, Ebeling could not find the range in Tuesday's big bi-district win for the Bobcats over Ralls. Ebeling missed several shots from the same spot, but the 3-AA winners shellacked Ralls with a 100-75 romp anyway.

See INDIANS, Page 7a

School tax collection ahead of last year

Morton Independent School District tax collections are running well ahead of last year's take at the equivalent time with 91.8 percent in the till as of late last week, tax officials have announced.

Of the total of \$329,911.36, after deductions, on the tax rolls, \$302,921.15 has been collected, William Hodge, school tax assessor-collector reported to the Tribune. Deductions totalling \$4,307.71 have been made to tax payers for paying early, Hodge explained. The collection period begins October 1 and a discount of 1 percent of the total tax is allowed for payment during the months of October or November. There is no deduction for payment in December or January and the tax becomes delinquent if not paid by February 1.

"It pays to pay on time," Hodge says "because the penalty and interest on a delinquent account accrues on a sliding scale and amounts to a whopping 14 percent at the end of a full year." We are happy with the progress of this year's collections and are confident that we will receive all school taxes that are reasonably collectable, Hodge concluded.

★ See you there

Hay, there! Even if there ain't any hay there, you had better be ready for the big ol' country and western jamboree to be held at the county activities building Saturday, February 27, beginning at 8 p.m.

There is a real new lineup with many new artists on the show, so don't be slow, let's go, go, go to the JAMBOREE Saturday night and hear that good old country and western music the way we like it.

About local folks . . .

BY DUTCH GIPSON

Mr. and Mrs. L. W. House were in Hot Springs, Ark., recently to attend the funeral of a friend.

Recently, Mrs. F. G. Kennedy enjoyed visiting with her nephew and family, Mr. and Mrs. K. W. Kennedy, of Bay-Osos, California. The Kennedy's have just returned from a four month tour of Europe and, if plans are full filled, will be the first leg of a round-the-world trip. On this trip they enjoyed sight-seeing in Scotland. One thing in particular was the old Kennedy Castle which was the beginning of Kennedy's! Walls were still standing and quite a bit of the castle was still intact. The castle is located in Stranraer. During their stay here a get-together of Mrs. Kennedy's children was enjoyed. Attending were Mr. and Mrs. Cobb Benham and daughter of Lubbock and Mr. and Mrs. Don Whittenburg and children.

Rev. and Mrs. C. L. Frederick of Elk City, Okla., visited in the home of Rev. and Mrs. Mearl Moore last week. The Fredericks and Moores are close friends, having worked in pastoral work together. Rev. Frederick is now pastor of Central Missionary Baptist Church in Elk City, Okla.

Mr. and Mrs. Oscar Coats spent the week-end in Amarillo visiting in the home of their daughter and family, Mr. and Mrs. Herman Carruth.

Mr. and Mrs. Hume Russell returned the first of the week from Estelina after spending the week-end with Mr. and Mrs. Hulon Clifton of that city. The Russells and Cliftons enjoy a get-together each year on their wedding anniversary. The Russells and Cliftons were married in a double ceremony!

Ann, Rodney Hobson, son of Rev. and Mrs. W. S. Hobson formerly of Morton and now of Borger, has finished basic training with the US Air Force at Lackland Air Force Base and has been assigned to Chanute Air Force Base, Ill. His wife, Debra, plans to join him in the very near future. She will be remembered as Debra Miller, daughter of Mr. and Mrs. Chester Miller.

Mr. and Mrs. Bill Harris returned Wednesday from Houston. Bill, who has recently undergone minor surgery in Morton, checked in earlier at Medical Center for further observation. They returned bringing good news to their many friends in

during the loss of our mother. The food, flowers, cards and prayers will never be forgotten. Thanks especially to the hospital staff, doctors and nurses at Cochran Memorial Hospital for their untiring efforts to make her last days more comfortable. May God bless each of you in our prayer.
The family of Ida Buchanan

Morton.
Mrs. Mike McDermott and daughter of Lubbock visited over the week-end with her parents, Mr. and Mrs. Ruel Kelley.

Mr. and Mrs. Clifford Butler were guests in his parents home, Mr. and Mrs. S. Butler, over the week-end.

Mr. and Mrs. P. B. Ramby and David and Joey Bryant were weekend visitors in Ruidoso over the week-end. Due to heavy snows, they were unable to return to Morton until Monday.

Attending the 95th Birthday celebration Sunday of Mrs. Boteler in the home of her grandson and family, the Jessie Claytons, were: Mr. and Mrs. Jack Clayton, Mr. and Mrs. Erwin Cooper, Grady, Shanda and Randa and Mrs. Kate Corley of Lubbock; Mrs. Ethel McKnight, Darrell, Marilyn, Janna of Levelland and Mrs. Altie Corder, Beverly Criswell, Mr. and Mrs. Robby Key, Larry, Schelle, Kim and Kevin, Lawrence Corder, Gerry, Sheila and Sue Winder all of Morton.

Look who's new

Vance Douglas, son of Mr. and Mrs. Mike Dubberly. Vance arrived at Cochran Memorial Hospital February 19 at 1:10 p.m. and weighed 7 pounds and one ounce.

Grandparents are Dr. and Mrs. N. L. Dubberly of Morton and Mr. and Mrs. Powers of Barstow, Calif.

Great-grandmother is Mrs. Florence Phillips of Morton.

Mrs. Rose participates in reading conference

Mrs. Dorothy Rose, Curriculum Coordinator for the Morton Schools, attended the Southwest Regional Conference of the International Reading Association held in El Paso February 18-20. She was chairman of a sectional meeting Saturday afternoon at which time Dr. Kate Baker, Assistant Superintendent for Elementary Education of the Houston Schools, spoke on the Use of Supplementary Reading Materials in the Teaching of Mathematics and Science.

There were over 900 educators from 25 states registered for the conference. The main speakers were Dr. Daniel Fisher of the University of Michigan, Dr. Hans Huus of the University of Missouri, Dr. Jo Stanchfield of Occidental College, Los Angeles, and Dr. Tom Barrett of the University of Wisconsin.

Mrs. Rose spent one day observing the Henderson Junior High in the morning and the Burnet Elementary School in the afternoon. These schools are in the El Paso School District. According to Mrs. Rose, the El Paso Schools are very innovative but they are beginning to initiate programs in team teaching and the use of individual contracts with the pupils in order to meet each personal need.

For people who can't decide between full-size comfort and small-car savings—

Oldsmobile introduces a new Cutlass Hardtop that gives you both.

There you are, caught right in the middle. You want to have your cake and eat it, too.
You want a car with a lot of room, a lot of comfort, a lot of class, but you also want the kind of savings and economy you normally only get in a small car.
Where do you go from there?

Straight to your nearest Oldsmobile dealer's. He's got a new Cutlass Hardtop that gives you the best of both.
This new Cutlass model, the lowest priced hardtop Olds offers, gives you things like:
■ A big, solid body by Fisher with sporty Moroccan interiors and room for six grown-ups.
■ A great coil-spring ride, computer-matched to each car's weight and equipment. Specially tuned body mounts for a quieter ride.
■ A pollution-fighting engine that runs efficiently on no-lead, low-

lead or regular gas (either six-cylinder or V-8).
■ Aluminized exhaust system, front-ferrous inner panels, anti-corrosion battery that last longer.
■ Flo-Thru Ventilation that brings in outside air for interior comfort, so you arrive refreshed and unruffled.
■ Bias-ply, belted tires for improved traction, longer tread life.
■ Side-guard beams in each door for extra security, plus a long list of other GM safety features.
So why compromise? Get full-size Olds comfort and everything that goes with it—plus low price and exceptional economy, too.

Now! Special savings during Olds Cutlass Step-Ahead Sale!
Right now your Olds dealer is offering some very attractive savings on these six "extras": Vinyl top! Louvered hood! Whitewall tires! Wheel opening moldings! Wheel opening moldings! Wheel opening moldings! Wheel opening moldings! Wheel opening moldings! Wheel opening moldings!

Mrs. Dean gives program for club in Benham home

The 1936 Study Club met Wednesday, February 17 in the home of Mrs. D. E. Benham.

Mrs. Gage Knox presided over a business meeting at which the following officers were elected for the year 1971-1972: President, Mrs. Maurice Lewellan; 1st Vice President, Mrs. L. F. Hargrove; 2nd Vice President, Mrs. Iva Williams; Secretary and Treasurer, Mrs. John L. McGee; Corresponding Secretary, Mrs. Lloyd Miller; Historian, Mrs. D. E. Benham; Parliamentarian, Mrs. W. W. Smith; Reporter, Mrs. M. C. Ledbetter.

The program for the day on "Fashion" was presented by Mrs. Wm. Dean, modeling a maxi-length full skirted hostess gown, typical of the lovely fashions available to women today.

In speaking of the current controversy over the proper length of women's skirts, Mrs. Dean remarked that the most pleasing aspect of the problem was the fact that women were "not stupid, — were capable of weighing the credits and debits of their clothes budget," and choosing what was pleasing and comfortable for them instead of "being led blindly like sheep to follow the dictates of some fashion designers."

Mrs. Dean emphasized that fashion is a personal thing and urged her listeners not to be hesitant to wear anything that was pleasing, comfortable, and felt right to them, without regard to the opinions of others except possibly one's own husband and children.

The new easy care finishes available in clothing today are a great boon to good grooming which is really the basis of all fashion, according to Mrs. Dean who closed her remarks with the reminder that, "Whatever the fashion the thing always best to wear is a Smile."

Present for the meeting were: Mesdames W. C. Benham, B. H. Tucker, Lloyd Miller, Maurice Lewellan, Joe Gipson, Hume Russell, C. H. Silvers, W. W. Smith, M. C. Ledbetter, Gerhonne Holloway, J. B. Nicewarner, James St. Clair, John Crowder, L. F. Hargrove, Cyrus Fields, D. E. Benham, Gage Knox, and guests Mrs. W. M. Dean and Mrs. Charles Ledbetter.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT

NUMBER ONE ON THE BALLOT (SJR 15)

Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of five members. Three members shall be appointed by the Chief Justice of the Supreme Court of Texas with the advice and consent of the Associate Justices serving on the Court, three members shall be appointed by the Presiding Judge of the Court of Criminal Appeals of Texas with the advice and consent of the other Judges serving on the Court, and three members shall be appointed by the Chairman of the State Judicial Qualifications Commission with the advice and consent of the other members of the commission, of each group of three appointees no more than two shall be attorneys engaged in the active practice of law. In addition thereto there shall be two ex officio members, one from the House of Representatives and one from the Senate to be elected on the first day of each Regular Session of the Legislature by a majority of the membership of each House for a term ending on the first day of the next Regular Session.

"(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

"(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

at an amount higher than that of other members notwithstanding any provisions to the contrary of Article IV, Section 17, of the Texas Constitution.

"(5) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders upon election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information.

"(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary.

"(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated before the convening of any session of the Legislature by filing a certified copy of the proclamation with the Secretary of State.

"(a) Each rule of ethics or change thereof made by the commission shall take effect on the 15th day of the legislative session following the proclamation unless dis-

proved before that day by resolution of either House of the Legislature.

"(b) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission thereof shall not take effect until approved section by section by resolution of both Houses of the Legislature.

"All votes on these resolutions or parts thereof shall show the individual votes in the respective journals of both Houses.

"(8) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

"(9) Until otherwise provided by the commission, each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand, Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session and for 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.

"(10) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improvements and economy in the legislative process."

Graduation taking heavy cage toll

Graduation takes its heaviest toll in recent years from Morton High School basketball teams. Six experienced and talented seniors that have never played on a losing team turned in their uniforms this week as the 1970-71 season drew to a close.

For George Pritchett, Stan Coffman, M. C. Collins, Eddie Lewis, Eddie Turney, and Terry Harvey, commencement exercises next May mark the end of high school careers dominated by fine basketball performances.

Their four years of high school have seen the MHS basketball standouts help produce the finest teams in the school's history, highlighted by last year's trip to the state tournament in Austin. The same crew came within a point of perflaps making the same trip for the second year in a row.

But the chances are good that the MHS seniors for the most part have not closed out their sports careers as several colleges have already expressed interest in obtaining the Indians' talents. George Pritchett, Morton's 6-1 jumping jack, plans to play basketball at Midwestern University in Wichita Falls. Pritchett led the Indians in rebounding and scoring this season, averaging nearly 17 points a game.

Pritchett, son of Mrs. Nellie Pritchett and 15 years a resident of Morton, played basketball for six years in the Morton school system and started on the freshmen and B teams during his frosh and sophomore years. Pritchett also ran track.

Pritchett converted ten offensive rebounds for baskets in scoring 24 points

against Olton in a crucial district game for his highlight performance of the season. Pritchett was named to the first team all-district squad.

Stan Coffman, 6-2, was a starter for three years on Indian varsity squads. With a deadly corner shot, Coffman averaged 14 points per game this season.

Stan also started as quarterback for the 1970 football team, but was injured early in the season. Coffman missed his junior year in football with a knee injury.

The 165 pound senior has definite plans about college, but has not selected a school to attend. Coffman hopes to continue his basketball career in college. He was named to the second-team all-district last week.

Alternated as the fifth and sixth man all season, senior M. C. Collins inspired several Indian rallies throughout the year. Against Dimmitt during the first half of district play, Collins came off the bench to inspire the Tribe to roar back from a 10-point deficit and hit several crucial free throws to ice the big 60-58 win over the bi-district champs.

Collins hopes to play college football and has the size for it at 6-3 and 225 pounds. Collins lettered in both football and basketball for three years, and will participate this spring in track and golf. This year, Collins received honorable mention honors by the district. Last year, M. C. made all district and all-regional in both football and basketball.

Probably the most-honored athlete to be produced by Morton High School in recent years, Terry Harvey completed a highly-

successful season and was named to the all-district team last week for the second year in a row. Last year, Harvey also was named to the all-region squad as well as the second-team all-state by the Associated Press. Harvey scored 34 points in an outing against Lockney three weeks ago for his best point-output of the season.

Standing only 5-10, Harvey amazed basketball fans with his quick cat-like moves that earned him starting honors for three years in a row. Terry, the son of Mr. and Mrs. Falvin Harvey, played impressive football and ran track also at MHS. Harvey wants to go to college but has indefinite plans at present. One thing is for sure; Terry wants to coach and plans to be a physical education major.

Harvey, like his teammates, gives the credit for his performance to Morton coach Ted Whillock. "All I did is what he told me," Harvey related. "I feel the program here is just great."

Most fans realize that a basketball team is only as strong as its bench, and the Indians had probably the finest in the state. Seniors Eddie Lewis and Eddie Turney provided strong strength for the Indians. Lewis, the son of Mr. and Mrs. Eddie Lewis, played both B and freshmen ball and lettered two years.

Lewis hopes to play college football, and played well for Morton gridiron teams. Eddie plans to be a PE major in college.

The smallest man on the team, Eddie Turney completed six years of basketball in the Morton system. A starter on both the frosh and B teams, Turney's play at

LAST TIME AROUND . . .

SENIOR INDIAN BASKETEERS who played their last cage game against Dimmitt in the district playoffs Thursday after outstanding high school basketball careers, got together with Coach Ted Whillock for a last picture to commemorate

MHS's most successful season of all time. Left to right: Stan Coffman, Eddie Turney, M. C. Collins, Terry Harvey, George Pritchett, Eddie Lewis and coach Whillock. They'll be missed!

guard was smooth and efficient.

Turney, the son of Mr. and Mrs. Roy Turney, plans to attend ACC and the University of Texas with a major in engineering.

The MHS seniors were quick to express how their athletic careers have helped

them develop an understanding of others and especially of other races. Their leadership and examples have helped produce a close-knit friendship among athletes of all races and has helped eliminate racial problems in both the school and community.

Morton High School has produced some fine basketball teams and athletes in several decades of existence, but the crop of seniors perhaps rivals any other year in quality and talent. Hopefully MHS's loss will be several colleges' gain.
