GOLF GOES ELECTRONIC . . .

OLD GOLFERS NEVER DIE, or so the saying goes, and if modern science continues to come up with labor saving devices, they will never get tired either. The gadget being used as a hobby horse above is an electronic caddy designed to carry the golfer's bag of clubs. It is entirely without manual controls and contains a computer and electric motors which are activated by a remote control switch hooked onto the golfer's belt. It will automatically follow close behind the golfer, but will stop and start when he does and remain a few feet from him at all times. County Attorney Jim Walker observes the demonstration as the younger Walker takes a ride. Suggested retail price of \$650 should give pause to even the most avid golfer.

Harvey, Pritchett are named to All-South Plains cage team

Morton High School basketball stars Jerry Harvey and George Pritchett nailed two of the ten spots on the Lubbock Alliance-Journal's All-South Plains squad that was announced this week by the Hub city newspaper. Harvey was one of three returnees from last year's all-region team. Dimmitt's Art Wohlgenuth and Jake Rogans of Pecos also made the team for the second year in a row. Morton, Dimmitt, and Rails all placed

two each on the mythical dream team. Bobcat standout Kent Bradford joined teammate Wohlgenuth on the squad. James Langston and rebounding standout Dwayne Osborne were selected from the Jackrabbits' squad, winners of district 3-AA. Others named to the team included Ricky Daniel of Roosevelt, Charles Jackson of Floydada, and Lloyd Kitten of Slaton. Dimmitt coach Kenneth Cleveland, who guided his Bobcats to the state tournament after stopping Morton in a district playoff, was named as coach of the year. Morton's head mentor Ted Whillock drew the honor last season.

Elton Patton, Morton's outstanding junior squadman, received honorable mention honors as did Max Newman of Dimmitt and Mike Parsons of Olton.

Council discusses telephone service complaints with GT

An appearance before the Morton City Council by representatives of General Telephone Company to discuss improvements in service was the main item on the agenda at the regular meeting of the council Monday night.

Gerald Hamilton and D. W. Tjaden, representing the telephone company, reviewed the complaints that have been reported through the council and outlined methods and plans to be used in eliminating the difficulties. Obtaining a long distance operator and the operation of the direct dialing system were the main sources of complaints, the councilmen pointed out.

It was further pointed out by members of the council that improvements in service, promised when the city authorized an increase in rates recently, did take place for a limited time, but appear to have retrogressed in recent weeks.

Tjaden informed the council that service surveys are presently in progress for the purpose of running down the cause of the complaints and, following evaluation, the survey results will be made known to city officials.

In other business, the payment of bills for the month of February in the amount of \$6,509.33 was authorized.

FHA Cares' theme for Natl FHA week

"FHA Cares" will be the theme of National FHA Week March 28 through April

As a special project the Morton FHA will send packages to Cochran County servicemen in Vietnam. Members are asking the community to help with the project by bringing needed items to the home-making department of the school or placing them in boxes at various stores in town.

The following items are needed to make up the packages: paper back books, razor blades, combs, pocket flashlights, soap, pens and pencils, crayons (for kids), toothpaste, toothbrushes, insect repellent, stationery, cigarettes, pre-sweetened Kool-Aid and other sweet powdered drinks, canned nuts, non-perishable foods, as well as peanut butter, hard candies, peanut brittle, some candy bars, chewing gum, doritos, potato chips and for packing, empty coffee cans, saran wrap and popped pop corn.

YOUTH CENTER TAKING SHAPE . . .

THE WHOLE GANG was hard at work Tuesday afternoon and were making marked progress in their efforts to remodel and decorate the newly established youth center in the former Baker Feed and Seed building on West Washington. They still have a long way to go, but if get-up-and-go

and pure energy can do it, it is as good as done. Applying their respective skills, left to right, rear of counter, are Janice Hall, Roger Posay, Dwight Horton, Peggy Steed and Cindy Gunnels. In the foreground are Sheryl Posay and Rex Mearl Moore, chairman of the youth center committee.

Census shows drop in county

The long-awaited United States Census Bureau report on the Cochran county population finally arrived at the Tribune office early this week. Its arrival put to rest months of futile effort expended toward gaining in other ways the information it contained.

The report, which appears to be unusually comprehensive and complete, was prepared and addressed by computer for the Tribune, which reflects the modern methods in use for counting heads these days.

The report reads as follows: Cochran County's official population in the 1970 census was 5,326, down 17.0 percent from the 1960 figure of 6,417, the bureau of the census, U.S. Department of Commerce, reports.

The official population of the state was 11,196,730, up 16.9 percent from the 1960 population count, which was 9,579,677.

The 1970 census counted 4,787 white persons in Cochran County, 89.9 percent of the total; 428 Negroes, and 111 persons of other races. In 1960, 95.4 percent of the population was white.

The census showed 499 children under 5 years; 1,686 in ages 5 through 17; 2,683 people 18 through 64; and 458 who were 65 and older. The population 14 years and over included 2,546 married people, 237 who were widowed, 55 divorced, and 870 never married.

Cochran County's 1970 population was classified as 51.4 percent urban, and 48.6 percent rural.

There were 1,508 households, with 5,207 persons, including 201 one-person households. In addition 119 persons were living in group quarters.

The 1970 census counted 1,951 housing units in Cochran County, 961 of them occupied by owners, 547 occupied by tenants, and 443 vacant. These included vacant units for seasonal use. The proportion occupied by owners in 1970 was 49.3 percent, compared with 40.1 percent in 1960.

Among year-round dwelling units there were 1,793 single family houses, 50 housing units in multi-unit buildings, and 13 mobile homes or trailers. The percentage of occupied units with more than one person per room was 17.1, compared with 20.7 in 1960. Of all the occupied housing units, 1,454 had piped water, toilet, and bath,

GETTING THEIR LINES DOWN . . .

THE ENTIRE CAST of the Morton High School junior play "The Phantom Strikes Again" was caught by the camera as the members polished their lines and put finishing touches on the production which is to be presented in the county activity building auditorium at 7:30 p.m. Friday. The cast

includes Jimmy Jones, Jackie Richards, Teri Harris, Sherry Cadenhead, D. Ann Ramsey, Rush Coffman, Ernestene Hawkins, Dwayne Baker, Rita Spence and Keith Embry. The play is sponsored by MHS instructors David Murrah, Dennis Howell and Jeff Townsend.

Junior class play said 'family fun'

Entertainment for the entire family is the theme of the 1971 Morton High School Junior Play, to be presented Friday night at 7:30 p.m. at the County

Auditorium.

"The Phantom Strikes Again," a mysterious three-act comedy is the three-act production that has been in preparation for nearly two months by the MHS students.

The story concerns the gathering of several heirs to a sizeable fortune, brought together for the reading of the will to the old and mysterious ancestral home of August Wentz. But some of the heirs disappear which presents quite a mystery for Perriot Preston, a Perry Mason-type fiction writer. Preston is played by Jackie Richards.

His pretty secretary is played by Rita Spence and his body guard, Bruiser Barnes, is played by Jimmy Jones.

Preston is joined at the old mansion by Mrs. Allerdycy Beeman, a widow, played by Teri Harris, and her teenage daughter, Maybelle, played by D. Ann Ramsey. Also, a young secretary, Louise Thomas, portrayed by Sherry Cadenhead, joins the others at the old castle.

The others are hosted by a strange crew of servants. The housekeeper and butler, played by Ernestene Hawkins and Dwayne Baker respectively, are some

how mixed up in the mystery. Lawyer J. Winston Graham also complicates things by his strange disappearance. Graham is played by Rush Coffman.

City service station break-in nets tires

Four automobile tires with a total estimated value of \$232 were the only items reported missing in a break in at the Red Horse service station on South Main Street some time Monday night or Tuesday morning.

The intruder or intruders entered by tearing the safety lock off the front door of the station. The four Mobil Radial HR 70-14 tires contain white sidewalls and will fit either passenger cars or pickups. They were the first of a new model tire to arrive in Morton, according to the report received by Sheriff Hazel Hancock Tuesday morning from Bob Robinson, owner-operator of the station.

TSTA School Bell award won by local newspaper

The Morton Tribune is one of 20 Texas news reporting organizations that have been named winners of 1971 School Bell Awards in statewide competition sponsored by the Texas State Teachers Association.

The awards will be presented Friday, March 12, at the second general session of TSTA's state convention at the Dallas Memorial Auditorium. The three-day convention began today (March 11).

Making the School Bell Award presentations will be Jewel Harris of Abilene, President of TSTA assisted by Pres. Elect Archie A. Roberts of Beeville, and staff members Lloyd Bell and Bob Newbill.

Tribune publisher Bill Sayers will attend the presentation breakfast to be held at 9:30 a.m. in the Adolphus Hotel, to receive the highly coveted award.

TSTA also will present certificates of merit to 16 Texas news organizations.

The School Bell Award is a handsome certificate for framing and an authentic polished brass school bell seated in an oak plate for desk display. Winners of the cer-

tificate of merit will receive a scroll for framing.

The 17 newspapers, 2 radio stations, and on TV station named winners of School Bell Awards are the Arlington Citizen-American-Statesman, Carrollton-Chronicle, Dallas Times Herald, Fort Worth Press, Fort Worth Star Telegram, Hereford Brand, Houston Chronicle, Houston Post (two awards), Killeen Daily Herald, Longview Daily News-Journal, Morton Tribune, Plainview Daily Herald, Taylor Daily Press, Tyler Courier-Times, Victoria Ad-

CARD OF THANKS

CARD OF THANKS
Teener, Reuben and I want to take this means of conveying our heartfelt gratitude to all of you for your deeds and acts of kindness towards our "Daddy" and "Grandpa" during his last days and recent death. Bob Vestal refused to give up following his fall which required surgery and a hip prothesis, and, many of you gave him a helping hand which enabled him to remain active until the end to all of you, we say "God Bless you" for your acts of kindness. Also, we're especially grateful to Mrs. Brownlow and the other nurses to whom we gave him over into their excellent care, and later, their reassurance of Daddy's relationship to our God who has released him from this world with God. As, I, R. A. Vestal, was held in confinement, and was unable to be here except for the few short minutes

of the funeral services of my father, Robert Allen Vestal, I want to join my sister, Florence, in the heartfelt thanks to all of you for the kindness bestowed upon my Daddy. Thanks to all, Florence, R. A. Vestal, Jr., Reuben Hancock, Teener Hancock.

CARD OF THANKS

I wish to express my appreciation to Mr. Hazel, Judge Thompson, Dr. Dubberly and the hospital staff and all my friends for your concern during my stay in the hospital. May God bless you all.

Buried mainline pipe aids farm conservation

Dan Keith, who farms approximately 8 miles southeast of Morton, has just completed the installation of 3500 feet of 6 inch high pressure underground irrigation pipeline. The Great Plains Conserva-

tion Program shared about 50% of the cost for this pipe. This pipe replaces the portable aluminum main line to his sprinkler irrigation system. With the pipe underground it eliminates the cost of laying out and picking up the mainline each time he irrigates and it also cuts down on maintenance and pumping costs.

Keith's sprinkler irrigation system is supported by parallel terraces and contour rows that were installed in 1970, also with the cost-share help of the Great Plains Conservation Program.

Assistance in the installation of this type of Conservation irrigation systems and other conservation practices can be had by contacting the local Soil Conservation Service office.

PUBLIC NOTICE

Proposed **CONSTITUTIONAL AMENDMENT**
NUMBER ONE ON THE BALLOT (SJR 15)
Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 24, of the Texas Constitution, be amended to read as follows:
"Section 24. (1) The State Ethics Commission is created as an agency of the State. The commission consists of nine members. Three members shall be appointed by the Chief Justice of the Supreme Court of Texas with the advice and consent of the Associate Justices serving on the Court, and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders above election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information."
(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for unexpired portion of the term in question. The membership shall designate one of its members to serve as chairman for a period of two (2) years.
(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.
(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

at an amount higher than that of other members notwithstanding any provisions to the contrary of Article IV, Section 17, of the Texas Constitution.
(5) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district, agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders above election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information."
(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary.
(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated by the Legislature by filing a certified copy of the proclamation with the Secretary of State.
(a) Each rule of ethics or change thereof made by the commission shall take effect on the 15th day of the legislative session following the proclamation unless disap-

proved before that day by resolution of either House of the Legislature.

(b) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission thereof shall not take effect until approved section by section by resolution of both Houses of the Legislature.

"All votes on these resolutions or parts thereof shall show the individual votes in the respective journals of both Houses.

(8) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

(9) Until otherwise provided by the commission, each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session and for 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county established now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.
(10) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process."
Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improvements and economy in the legislative process."

ASCS Farm News

By John W. Hall

Cotton, feed grain, and wheat producers want to qualify for program benefits sign up to participate during the period March 1 through April 9, at their county ASCS Office. Producers with es-

tablished wheat or cotton allotments or feed grain bases for their farms are eligible to sign up.

Set-aside percentages are 20 percent of the cotton base acreage allotment, 20 percent of the total feed grain base, and 75 percent of the domestic wheat allotment. Set-aside land must be equal in productivity to the average of the farm's crop land productivity.

1. Upon determination by the COC that the average productivity of set-aside acreage is not equal to the average productivity of land on which subject crop is normally grown, a yield shall be established for the crop by the COC which is representative of the set-aside acreage.

2. When the total designated set-aside acreage represents more than one commodity, consideration shall be given to the required set-aside for each individual commodity. Example: When a farm with a corn base (and irrigated yield) and a wheat allotment (and dryland yield) de-

termines average dryland for all the set-aside, the reduced yield should be determined on the portion of the set-aside which represents the corn crop. The set-aside should be the yield determined for set-aside in accordance with the ASCS and the Commission yield for the commodity shall be multiplied times the resulting appropriate ratio. Wheat, 75 cents per bushel, corn, 50 cents per bushel, grain sorghum, 50 cents per bushel, and cotton, 5 cents per pound. This ratio shall be multiplied times the required set-aside of each individual commodity.

Example A. Corn base 100 ac, 100 bu yield, wheat allotment of 40 ac, 100 bushels yield. Producer sets aside 20 irrigated and 20 nonirrigated acres. If producer elects corn reduction rate, the COC determined dryland corn yield for 15 acres will be

Example B. Corn base 100 ac, 100 bu yield, wheat allotment of 40 ac, 100 bushels yield. Producer sets aside 20 irrigated and 20 nonirrigated acres. If producer elects corn reduction rate, the COC determined dryland corn yield for 15 acres will be

Morton cindermen take fourth in Littlefield Wildcat Relays

Morton's squad of trackmen brought home fourth place honors from the Wildcat Relays last Saturday at Littlefield as several individuals turned in some surprise performances.

Larry Thompson swept the short-distance sprint honors with first place finishes in both the 100 and 220-yard dashes. Thompson turned in a 10.3 in the 100 and 24.1 in the 220.

Morton also swept the broad jump event with a first and second place finishes. George Pritchett's leap of 18 feet bested teammate Willie Holland by inches as Holland took second.

Morton's cindermen travel to Denver by Saturday for competition in the tough Mustang Relays.

Eight schools competed in last Saturday's meet at Littlefield. Winner of the all-day event was Levelland. Finishing second was Olton of district 3-AA, followed by Littlefield, then Morton. Placing fifth was Shallowater. Muleshoe and Tulla came in seventh and eighth.

Morton racked up a total of 68 points. First place Levelland had 135.

Morton's freshmen finished second in a seven-team field.

Steve Crockett took second place honors in the high jump and Jimmy Harvey finished fifth in the same event.

In the 880, Morton's Ricky Woods surprised teammate Keith Embry in the final turn to take third. Embry came in seventh. Morton's mile relay team finished fifth.

SCIENCE CAN BE INTERESTING . . .

SIXTH GRADER TERESA CROW seems just a bit mystified as she checks out the RADAR exhibit at the Morton High School science fair that was held in the girl's gym in conjunction with the Texas Education Week open house held at the school last Thursday. Many interesting exhibits were on display for viewing by the large number of parents and other interested persons who paid visits to the Morton Schools. Teresa is the daughter of Mr. and Mrs. Noel Crow of Rt. 2, Morton.

and the sprint relay team would have finished third, but was disqualified on a faulty baton exchange.

Over fifty boys are participating in MHS's track program this year, but the team is handicapped because it does not have adequate running facilities.

all district, all regional and all-state squads last year, was instrumental in leading the Indians to the state tournament in 1970. This year, Harvey has already received all-district honors and is a candidate for repeating the all-state selection. Harvey scored 413 points and picked off 199 rebounds this season as the Indians ran up their best season ever with a 28-4 mark.

George Pritchett was the Indians' leading scorer and rebounder this season. Pritchett scored 429 points and grabbed 310 rebounds in the 1970-71 season.

Leading scorer on the all region squad was James Langston, Ralls' outstanding 6-1 junior. Langston averaged 26 points per game. Teammate Dewayne Osborne was the leading rebounder on the ten-man squad, with 482 for the season.

The all-region team is selected by reporters of the Lubbock-Avalanche Journal. The honor gives added recognition to outstanding basketball players and increases their chances of receiving college scholarships.

Certificates of merit will go to the Brazosport Facts, Brownwood Bulletin, Canyon News, Fort Worth Star-Telegram, Graham News, Greenville Herald Banner, San Antonio Light (2), Victoria Advocate, KRLD radio, Dallas; KXYZ radio, Houston; WRR radio, Dallas; KHOU-TV, Houston; KPRC-TV, Houston; and a special award to KINE-KPUP radio, Kingsville.

Judges in the competition were George Neill, editor of Education U.S.A. (Washington, D.C.); George Christian, Jr., former U.S. presidential press secretary and now a public relations consultant for Christian-Miller and Honts, Inc. of Austin; Marj Wightman, program director of information services for the Texas Education Agency; Jon Hornaday, director of public

relations for the Texas Medical Association; Betty Whitlock, president of Carlocke/Langden, Inc. (Dallas); Miss Frankie McCarty, education editor for the Albuquerque Journal.

Nominations for the awards were made by local associations of TSTA in cities served by the news organizations.

The Morton Tribune was nominated for its award by the Cochran County Teachers Association. On hand to accept the award for the Tribune will be Bill K. Sayers.

The Tribune was cited "for outstanding continuous coverage of education news, increasing public understanding of school achievements, problems, and programs" in competition with Texas newspapers of circulation under 25,000.

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT (HJR 21) Special Election May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVII, Section 1, of the Texas Constitution, be amended to read as follows: "Section 1. The Legislature by a vote of two-thirds of all the members elected to each House, to be entered by yeas and nays on the journals, may propose amendments to the Constitution, to be voted upon by the qualified electors for members of the Legislature, which proposed amendments shall be duly published once a week for four weeks, commencing at least three months before an election, the time of which shall be specified by the Legislature, in one weekly newspaper of each county, in which such a newspaper may be published; and it shall be the duty of the several returning officers of said election, to open a poll for, and make returns to the Secretary of State,

of the number of legal votes cast at said election for and against said amendments; and if more than one be proposed, then the number of votes cast for and against each of them; and if it shall appear from said returns, that a majority of the votes cast, have been cast in favor of any amendment, the said amendment so receiving a majority of the votes cast, shall become a part of this Constitution, and proclamation shall be made by the Governor thereof." Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment providing that the Legislature may propose an amendment of the Constitution at any session of the Legislature."

STATE Capital NEWS

By VERN SANFORD

AUSTIN, Tex. — In a week of major financial flurry, the House passed a \$492.5 million tax bill and an \$80 million college tuition hike, while the Senate approved a \$185 million college building bond plan.

Here's the breakdown on the tax bill:

- An increase in the sales tax rate from 3.25 to 4 per cent, \$279.8 million.
- Increase in the auto sales tax rate from 3 to 4 per cent, \$69.75 million.
- Increase in the hotel occupancy tax from 3 to 4 per cent, \$6.3 million.
- A \$1 tax on transfer of corporate securities, \$10 million.
- A 10 per cent levy on entertainment admissions, \$26.6 million.
- Increase in the corporation franchise tax rate from \$3.25 to \$3.75 per \$1,000 of assets, \$39.5 million.
- A 5 cents per gallon tax on aviation jet fuel, \$50 million.
- An increase in the tax on sand, gravel, shell and marl taken from submerged lands, \$10.6 million.

The House rejected amendments that would have taxed corporation net profits, timber, snuff and sales to government units.

Representatives approved a tuition increase from \$50 a semester to \$7 per semester hour — or \$105 a semester for a full 15-hour course load.

Also included is a \$47 per semester hour charge on out-of-state students, or about \$700 per semester.

Both bills now go to the Senate, where Lt. Gov. Ben Barnes has promised extended hearings. First, however, the Senate — unlike the House — proposes to total its spending proposals to see just how much revenue is required to balance the budget.

Senate voted 21-7 for the House-passed bill to provide tuition-backed revenue bond

financing of new higher education facilities in San Antonio, Dallas, Odessa, Houston, Lubbock and El Paso.

COURTS SPEAK — Texas Supreme Court refused to review a Sunday closing law case involving Cook's discount store at Bryan, thus again affirming Texas' blue law.

A woman who burned her finger due to a defective safety glove at the Dallas Texas Instruments plant nine years ago got a new trial in her damage suit for more than \$20,000.

U.S. Supreme Court, in a case of interest to Texas, held unanimously that highways constructed with federal funds cannot cut through public parks except in "the most unusual situations."

U.S. Supreme Court in a Houston case held that an indigent cannot be jailed to work out traffic fines for non-jailable offenses.

Court of Criminal Appeals held two boys sentenced for murder in Edinburg were placed in double jeopardy because of their age.

REDISTRICTING ROW LOOMS — Lawmakers, armed with new census tract maps, are tuning up for some early showdowns on congressional and legislative redistricting.

Sen. J. P. Word of Meridian introduced caption bills for his redistricting committee to start work on within the next week. Word said he plans no out-of-Austin public hearings like those being conducted by the House redistricting committee headed by Rep. Delwin Jones of Lubbock.

Forty-six of 52 big-city House members served notice on Jones they don't like his preliminary sketches of new district lines. They interpret Jones' early efforts as de-

signed to safe-guard rural congressmen. Under a fair plan, they said, Harris County should include four congressional districts, Dallas County three, and Bexar and Tarrant counties two each. Instead of the 11 districts to which the metropolitan counties are entitled, they argued, Jones has indicated only seven districts would be dominated by the bigger cities.

APPOINTMENTS — Gov. Preston Smith named Houston attorney Carl Illig to the Texas Water Development Board.

Smith selected for the Texas Tech University Board of Regents Bill E. Collins of Lubbock, Dr. John James Hinchey of San Antonio and Johnny Clinton Formby of Hereford.

Among other recent appointments announced by Smith were:

- John B. Turner Jr. of Houston to Texas Industrial Commission.
- C. H. Coffield of Houston to Texas Conservation Foundation.
- Aubrey D. Voelkel of LaGrange, Roger Gilbert Zercher of Blanco, William C. Petri of Austin (reappointment) and Thomas C. Ferguson of Burnet (reappointment) to Lower Colorado River Authority Board.
- Wright Matthews of Palestine (reappointment) to Upper Neches River Municipal Water Authority Board of Directors.

LOCAL SCHOOL COSTS SET — Local school district share of the state's public education system cost in 1971-72 will be \$245.1 million.

State Board of Education set the local fund assignment for the next school year at a meeting here last week, (March 1).

Assignment includes 20 per cent of the foundation school program cost (\$215.1 million), plus another \$30 million in special credits earned by the districts during the past year.

Total cost — both state and local share — of the foundation school program for the 1970-71 school year is estimated at \$1,075,634,247 (billion).

Professional and teacher aide salaries this year will cost \$926.7 million; maintenance and operation of schools, \$76.8 million; transportation, \$26.8 million; Texas Education Agency administration, \$2,093,000 and special programs, \$7,082,000.

Many local school districts pay for additional services with local tax money and support salaries for their teachers higher

than the minimum scale.

CRIME INCREASING STILL — Major crime increased in 1970 by 5.2 per cent, according to a report by Col. Wilson E. Speir, director of the Texas Department of Public Safety.

Although Texas' crime trend remained up, Speir noted, the rate of increase was down from a 19.9 per cent gain for the first six months of last year and compares with almost 16 per cent for all 1969.

DPS director said there was a major crime every one-and-one-quarter minutes.

Crime rate jumped 4.8 per cent in cities and 7.9 per cent in rural areas. There was some decline in the crime rate (5.9 per cent) for cities in the 50,000-100,000 population bracket. It was up 25.2 per cent in 10,000-25,000 cities. In big cities, the rate increase was just 2.8 per cent. Crime clearance rate rose slightly.

BETTER BUDGETING URGED — In a new report, the Texas Research League recommended better budgeting and money management for the state.

Recommendations include a proposal that the governor become chairman of a new State Budget Commission which would include Legislative Budget Board members. A single staff would serve the Commission, and only a single budget would be presented to the Legislature. System envisions "budget execution" as part of the money management process.

SHORT SNORTS — House committee heard testimony on a bill to protect news reporters from having to reveal confidential sources of information.

Senate committee killed a bill to authorize nine to three jury verdicts.

Testimony on the proposed penal code revision continued antagonistic.

Tax revenue from cigarette smokers increased from \$12.8 million in February 1970 to \$13.6 million last month.

Co-ops hold meeting here elect five new directors

A total of five new directors were elected to their respective boards of directors as the Bailey County Electric Cooperative Association and the Five Area Telephone Cooperative, Inc. held their annual meeting in Morton last week.

Three hundred and thirteen persons, including 153 members and 33 guests, attended the meeting of the Electric Cooperative Association meeting.

Newly elected directors at the meeting included W. B. Kittrell, Herbert E. (Mickey) Sowder and Wendel Mason were chosen by ballots. Other directors on the seven-member board include Virgil Nowell, Harold Allison, Leslie Watson, and Dewitt Tiller.

Nowell was named board president; Dewitt Tiller, vice president and Harold Allison, secretary-treasurer.

Election judges who assisted with the election and counted the ballots were Charlie Tiller, Hugh Gore, D. L. Tucker, R. L. Davis, Ed Nieman, Jerome Holloway and Buford Webb.

Named to the nominating committee for directors for Districts Three and Six for the 1972 were L. G. Layman and Forrest Collins for District Three and Paul Young and R. B. Wright for District Six. Clarence Mason was named committee-man-at-large.

During the Five Area Telephone Cooperative, Inc., meeting, held in conjunction with the Bailey County Electric Cooperative Inc., meeting, 271 persons were noted. Of this number, 137 were members and 33 local and out-of-town guests.

Named director of District One was Joe Simmacher and M. G. Kellar was elected for District Three. Other directors on the board include Ray Precure, O. M. Lackey, D. L. Tucker, Bill Boyles and Willard Henry.

Election judges who helped with the

telephone cooperative election were Raymond Gage, Johnny Wheeler, Virgil Nowell and Sam Layman.

Tucker was named new president; Bill Boyles, vice president and Willard Henry, secretary-treasurer.

The nominating committee selected to name candidates for directors for Districts Five, Six and Seven in 1972 included Dan Lowe and L. E. (Bud) Warren; Ivan Clavson and Bill Sowder and Vernon Blackley and W. P. Houston with R. L. (Bob) Jones named committee-man-at-large.

Entertainment during both meetings was provided by 'The Country Classics' with refreshments being served by the Cochran County 4-H Club.

Three indictments returned by jury

Three true bills were returned by the Cochran County Grand Jury sitting in 121st District Court here Monday.

Thomas Soliz Garza Jr. was indicted for driving while intoxicated on a second offense.

Robert J. Coulter received an indictment on charges of breaking and entering a house owned by H. G. Pollard.

David Dancer was also indicted for the breaking and entering of the H. G. Pollard home.

Bail was set by District Judge M. C. Ledbetter at \$1,000 each. Graza and Dancer had posted bond and were released while Coulter remained in sheriff's custody in lieu of bond at noon Wednesday.

An arraignment date for the three has not been set at press time.

RAINFALL

OR
No Hail and Dry Weather
? ? ?

Mr. Farmer:

If you farm in Lamb, Bailey, Hockley or Cochran County, or in the so called buffer zone of last year's Hail Suppression area and you believe the activities of the hail suppression planes in dissipating clouds over your area the past year resulted in a REDUCTION OF RAINFALL, then we need your assistance in submitting this petition NOW!

You may clip out this petition, sign and mail to Box 1028, Littlefield, Texas, or contact any of the board members. Also, you may sign the petition at Lumsden Gin or Lawlis Pep Gin, or you may contact your ginner.

PETITION

**TO: THE TEXAS WATER DEVELOPMENT BOARD
OR: TO WHOM THIS MAY CONCERN**

We, the undersigned petitioners, being citizens of Lamb, Bailey, Cochran and Hockley Counties, Texas, desire to go on record as being opposed to cloud seeding operation by Atmospheric Incorporated or any other individual, group, firm or corporation, that attempts to interfere with the natural development of cloud formations. We firmly believe that the attempts to suppress hail in our area interferes with natural rainfall, and therefore, we the undersigned oppose such attempts to interfere with nature.

We further request that the proper officials of this State refuse to issue permits to any individual, group, firm or corporation who attempts, by artificial methods, to suppress the development and formation of atmospheric cloud formations.

It is no concern of the undersigned as to what methods may be used by other counties, so long as the area of our counties is not used as a buffer zone for the hail suppression program.

DATE	NAME	ADDRESS	COUNTY	TOTAL ACRES

Our efforts will be directed toward the elimination of our area from further hail suppression activities.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT (SJR 5) Special Election, May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Section 51-a, of the Texas Constitution, be amended to read as follows:

"Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be deemed expedient, for assistance grants to and/or medical care for, and for rehabilitation and any other services included in the federal laws as they now read or as they may hereafter be amended, providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance grants to and/or medical care for, and for rehabilitation and other services to or on behalf of:

"(1) Needy aged persons who are citizens of the United States or noncitizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years;

"(2) Needy individuals who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

"(3) Needy blind persons;

"(4) Needy dependent children and the caretakers of such children.

"The Legislature may prescribe such other eligibility requirements for participation

in these programs as it deems appropriate.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of State funds paid for assistance grants for needy dependent children and the caretakers of the children shall not exceed Fifty-Five Million Dollars (\$55,000,000) during any fiscal year.

"Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the State for these purposes, then and in that event the

Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

"Nothing in this section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this State."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment removing the limitation on the total State appropriations for assistance grants for the needy aged, the needy disabled, and the needy blind, and setting a limitation on total State appropriations during any fiscal year for assistance grants for needy dependent children and the caretakers of such children."

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT (SJR 17) Special Election, May 18, 1971

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section 49-d-1 to read as follows:

"Section 49-d-1. (a) The Texas Water Development Board shall upon direction of the Texas Water Quality Board, or any successor agency designated by the Legislature, issue additional Texas Water Development Bonds up to an additional aggregate principal amount of One Hundred Million Dollars (\$100,000,000) to provide grants, loans, or any combination of grants and loans for water quality enhancement purposes as established by the Legislature. The Texas Water Quality Board or any successor agency designated by the Legislature may make such grants and loans to political subdivisions or bodies politic and corporate of the State of Texas, including municipal corporations, river authorities, conservation and reclamation districts, and districts created or organized or authorized to be created or organized under Article XVI, Section 69, or Article III, Section 62, of this Constitu-

tion, State agencies, and interstate agencies and compact commissions to which the State of Texas is a party, and upon such terms and conditions as the Legislature may authorize by general law. The bonds shall be issued for such terms, in such denominations, form and installments, and upon such conditions as the Legislature may authorize.

"(b) The proceeds from the sale of such bonds shall be deposited in the Texas Water Development Fund to be invested and administered as prescribed by law.

"(c) The bonds authorized in this Section 49-d-1 and all bonds authorized by Sections 49-c and 49-d of Article III shall bear interest at not more than 6% per annum and mature as the Texas Water Development Board shall prescribe, subject to the limitations as may be imposed by the Legislature.

"(d) The Texas Water Development Fund shall be used for the purposes heretofore permitted by, and subject to the limitations in Sections 49-c, 49-d and 49-d-1; provided, however, that the financial assistance may be made pursuant to the provisions of Sections 49-c, 49-d and 49-d-1 subject only to the availability

of funds and without regard to the provisions in Section 49-c that such financial assistance shall terminate after December 31, 1982.

"(e) Texas Water Development Bonds are secured by the general credit of the State and shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on Tuesday, May 18, 1971, at which election all ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to authorize the issuance of One Hundred Million Dollars (\$100,000,000) bonds to provide financial assistance to cities and other public agencies for water quality enhancement purposes, providing for the improvement and continuance of the water resources program, and establishing an interest ceiling on Water Development Bonds at 6% per annum."

IT HAPPENED AGAIN!

No matter how hard we try — or how long we work, there are always a few deserving individuals and/or companies that are left off the list of stock show contributors and buyers list.

Due to the extremely short time schedule that show record keepers and Tribune personnel were working under to complete the lists in time for publication, some deserving persons were omitted.

The Livestock Improvement Association, the FFA and the 4-H Clubs deeply appreciate their support and wish to set the record straight by naming them and acknowledging their contributions to the show:
