Morton, Texas, Thursday, April 1, 1971

## Light vote expected Saturday

If local absentee voting returns are any indication, the balloting in the seven elections being held Saturday, April 3 in Cochran county, will be extremely light.

A check with city hall officials revealed that only one absentee vote had been cast in the city council and in the special city sales tax election when the deadline fell at 5 p.m. Monday. The county clerk's office reported not a single absentee vote in the election for seats on the Cochran Memorial Hospital District board of directors. The extremely light absentee tallies would appear to indicate one of two things: the voters are either not interested or they intend to remain in town Saturday and cast their ballots at that time.

A sampling by the Tribune of the Morton citizenry has indicated that there is widespread apathy toward the various officers elections and indiction concerning the city sales tax issue. A large percentage of those interviewed admitted to not having made up their minds on the latter issue, leaving a possible surprising result when the votes are counted Saturday night.

There also appears to be a certain amount of confusion on how to vote on the city council ballot due to one place being vacated when incumbent candidate Wiley Hodge removed himself from the race after the places on the ballot had been assigned. Originally there were four candidates running for three seats: one seat each in Places Three, Four and Five. When the drawing was held it assigned candidates Jerry Schaeffer and H. W. (Tobe) Hendon to Place Three, Wiley Hodge to Place Four and Marshall Leitzell to Place Five. When Hodge dropped out, it left Place Four vacant with two candidates for Place Three and one for Place Five.

According to election officials, Texas election laws will not allow changing of places on the ballot after the deadline for filing has passed. Therefore, Place

### MHS has full slate of entries in UIL literary events meet

District 3-AA will stage its UIL Literary Events contests Saturday at Littlefield, and Morton High School will enter a full slate of participants.

The literary events offer contestants to advance to regional and state levels in activities ranging from slide rule to poetry reading. Students compete with others from district schools, with the winners selected by qualified judges. The regional meet will be held in Lubbock in April.

Morton will enter all but a few events. Those entered in speaking contests include Barbara Brown and Randy McCall in prose reading, Jane Wilcox and Tommy Lewis in poetry reading, and John Fincannon and Richard Coleman in debate. In ready writing, Becky ghariss will represent Morton for the third year in a row. Also, Garnett Taylor will be involved in that event. Morton's spelling representatives are Georgina Van Hoose, and Debra Silhan.

Slide rule participants are Garnett Taylor and Gerald Grusendorf.

In typewriting, Jane Wilcox, James Bell, Allen Mauldin, and Phillip Barker will compete for Morton. In shorthand, Janice Hall, Barbara Brown, and alternate Michilene Marina will participate. In typing and shorthand, students must be enrolled in their first-year class.

Freshmen Marie Wilcox and Roy York will compete in ninth grade oral reading.

### F. Z. Payne Sr. dies funeral rites Friday

Funeral services for F. Z. Payne, Sr., of Muleshoe and former long-time resident of Cochran county, will be held at 2 p.m. Friday in the First United Methodist Church in Morton.

Payne, 75, died at approximately 1 p.m. Wednesday in Cochran Memorial Hospital where he had been a patient for about two weeks.

Services will be under direction of Singleton Funeral Home in Morton with Rev. Rex Mauldin, Pastor, officiating. Burial will be in Resthaven Cemetery in Lubbock.

He is the father of Fred Z. Payne Jr. of Morton and was a businessman and farmer in Cochran county for many years prior to moving to Muleshoe approximately three years ago where he was owner and operator of the Muleshoe Motel until the time of his death. He was born in Rockwell county, Texas August 13, 1895.

Survivors, in addition to Fred Jr., include one daughter, Mrs. Edwin Hunter of Plains; two sisters, Mrs. Earnest Crawford of Sappulpa, Oklahoma and Mrs. William Rumbuck of Long Beach, California; two brothers, J. V. of Lovington, N.M. and D. L. of Whittier, California and three grandchildren.

### Awards Banquet

The annual Cub Scout Blue and Gold Awards Banquet will be held April 6 at 7:30 p.m. in the school cafeteria.

Parents of members will be special guests for the evening.

## Variety of activities planned in schools during 'FHA Week'

This is National FHA week and Morton FHA members have planned activities for every day in the Morton schools.

Monday was designated "Red and White Day." Members wore something red or white.

Tuesday was "Brown Bag Day," the girls brought a brown bag and picked up litter around the school.

Wednesday was "Teacher Appreciation Day" and was a day of checking papers, cleaning blackboards and helping the teachers.

Today a Coke party is planned for the 8th grade girls, to further their interest in FHA. Officers of the chapter will do a skit and tell about the advantages of belonging to a chapter.

Friday, the last day, will be spent in a door to door drive to pick up items for boxes to be sent to local servicemen in Vietnam.

Members urge everyone to have the needed items ready when they call. A list of the items being collected are:

paper back books, razor blades, combs, pocket flashlights, soap, pens and pencils, crayons, toothpaste, toothbrushes, insect repellent, stationary, cigarettes, pre-sweetened Kool-Aid and other sweet powdered drinks, canned nuts, non-perishable foods such as pound cakes and fruit cakes, hard candies, chewing gum, Doritos, potato chips and for packing, empty coffee cans, saran wrap, popped pop-corn.

### ★ Help! Help!

The Morton Youth Center is in need of adult volunteers to oversee the Center in the afternoons and nights for approximately three hour shifts. Those willing to help are asked to call Roger Posey, Rev. Meard Moore or anyone on the committee.

There is also a need for table games and an evaporative air cooler.

### TOPS IN FOOD CONTEST . . .

IN THE SENIOR DIVISION of the Cochran county 4H food contest held in the county activities building Saturday, the five above emerged victorious and will carry the county colors to the district contest to be held at Texas Tech later this month. Left to right are James Bell, first in Meats; Casandra Reeder, Milk alternate; Terry Siaw, Meat alternate; Vicki Cloud, First in Milk and Forley Inglis, Fruit/Vegetable winner.

## CoFC books stage production; OK's jamboree day promotion

The booking of a stage production to play in Morton in April and approval of sales promotion day to coincide with the monthly country jamboree were the main orders of business at the regular meeting of the Chamber of Commerce

board of directors Monday night. The stage production, "The Zogi Variety Review," is produced by C. A. Frank theatrical agency of Hutchinson, Kansas. The board voted to sponsor the show when it was learned that there would be no expense involved for Morton or the chamber and the chamber would receive a certain percentage of the receipts.

Date and place for the production was set for April 26 in the county activities building, with either one or two matinees scheduled for the schools cafeteria during the day. The board voted to offer the ticket sales promotion to the members of the Morton Youth Center on a percentage basis as a method for the chamber to contribute to the activities fund at the center.

A committee consisting of James St. Clair, chairman, and members Mike Doss, High Pockets Duncan and Bill Sayers was appointed to work out the details for a merchandising promotion and free money drawing to be held in conjunction with the country and western jamboree that is held the fourth Saturday of each month. The first of these is to be Saturday, April 24.

In other business, Mrs. Edward Brownlow met with the board for the purpose of outlining difficulties being encountered in the project to install a new sound system in the stage of the county activities building auditorium. It was contended that the present installation is not workable and the board agreed to appoint a delegation to meet with the county commissioners court to discuss the problem.

The housing committee presented a report on its activities in attempting to secure a low cost housing project for the city and advised the board that committee members will visit various agencies in Lubbock in the near future in a quest for further information on the subject.

## Area women's clubs hold annual conclave; hear local educators

The area TFW clubs in conjunction with the Area Council held their annual federation program Monday night in the County Activity Banquet Room.

Bob E. Travis, Superintendent of the Morton Schools, and three members of the education staff, spoke to the group on "Education in Our Schools Today." Highlighting the program was the Morton High School Band, directed by John Stockdale, in three musical selections.

Mrs. Gary Willingham, TFWC Area Council President, introduced special guests, Mrs. LeRoy Johnson, Caprock District President, Mrs. O. C. Rampley, Caprock District 1st Vice President from Aberton and Mrs. Bill W. Davis, Past District President now serving as District Trustee from O'Donnell.

Mrs. W. G. Freeland, Counselor for Morton Schools, spoke to the group on adult education and the many areas in which the program could be expanded. She stated that three adults had received high school diplomas through the GED program, and that most classes were so full, some of the adult participants had indicated a willingness to pay tuition in order to extend the program.

Mrs. Neal Rose, curriculum director, explained the special education program for exceptional children. These groups include physically handicapped, mentally retarded, emotionally disturbed and those with language and learning disabilities. Great strides have been made in these fields and even greater ones are being made each day." Mrs. Rose stated that Morton had joined Levelland and area schools in a cluster to further this program.

Mrs. Kermit Ward, remedial reading teacher, explained the visual aids that had been made available through federal aid to enlarge the program now in use. Demonstration was given using the Combed Reader and Tach-X aids, and their uses explained.

Travis concluded the program by giving figures on the amount of money the school received locally, from the county and from state and federal funds. He explained that some of the areas such as madstart required matched funding on the local level and that so far this has been done with volunteer teachers' aides. He thanked those who had helped to make the program possible and urged anyone willing to volunteer time to contact his office.

### AREA WOMEN'S CLUB OFFICERS . . .

FOUR HIGH AREA OFFICIALS of the Texas Federation of Women's clubs that participated in a conclave held in the county activities building Monday night are caught by the camera's eye as they gathered around the punch bowl prior to the evening's program. Left to right are Mrs. Gary Willingham, area council president; Mrs. Earl Polvado, Caprock District junior director; Mrs. LeRoy Johnson, Caprock District president and Mrs. O. C. Rampley, Caprock District first vice-president.

### Easter Cantata

The Easter Cantata, "Worthy is the Lamb", will be presented at 7 p.m. Sunday night in the auditorium of the First Baptist Church.

The musical work is written by J. T. Adams, one of today's leading gospel song writers and will be sung by members of the combined churches in Morton.

## Murrah to present paper to historical association

The West Texas Historical Association will meet for its 48th annual meeting Friday and Saturday at San Angelo at Angelo State University. Morton High School history teacher David Murrah will present a paper on the Slaughter Ranch during the Saturday morning session.

This week's meeting will be highlighted by an address on Friday night by Dr. Joe B. Frantz, chairman of the University of Texas History Department. Dr. Frantz will speak concerning the Lyndon B. Johnson Oral History Project. Frantz will be introduced by Dr. Billy Mac Jones, president of Southwest Texas State University.

Saturday's session will feature the presentation of eight topics concerning regional history. Some of the topics for the morning session include "Stagecoach Mail in Trans-Pecos Texas in the 1850's," "Relief for Drought-Stricken Ranchers: The Emergency Cattle Purchase Pro-

gram, 1934-35," and "Second Lieutenant Henry O. Flipper: A Negro Officer on the West Texas Frontier."

Saturday afternoon, the association will hear papers concerning Gerome Shields, a Tom Green County sheriff, and treaties between Communities and Southwest Indians.

The West Texas Historical Association was organized in 1924 and published its first year book the next year. Since that time, 46 volumes have been published and are available to the public at six dollars per copy, which includes membership dues or yearbooks, those interested may write Mrs. Joseph Grba, Secretary-Treasurer, Box 152, H-SU Station, Abilene, Texas. Dr. Rupert Richardson, senior professor of history and president emeritus of Hardin-Simmons has edited the yearbook for a long period of time.

### 'Miss Cotton' contest receives three entries

Three entries have been received by the Last Frontier Cotton Council for the 1971 Miss Cotton Contest.

Contestants are Sherri Cadenhead, daughter of Mr. and Mrs. Hub Cadenhead. Sherri is a junior at MHS and plans to major in Sociology in college.

Susan Arteaga, daughter of Mr. and Mrs. Vicente Arteaga, is a senior student at MHS and hopes to be an airline hostess.

DeAnne Ramsey, daughter of Mr. and Mrs. D. A. Ramsey, is also a junior at MHS and would like to be a social worker when she finishes college.

Those entering the contest must be a junior or senior in high school in the 1970-71 class and unmarried. Contestants will be required to model two cotton outfits, one dressy and one sports.

Judging will be on beauty, general appearance, poise and personality. The contest will be held Friday, May 1, in the County Activity Building and entry blanks are available by calling Mrs. Sherrill Griffith or at the area high schools. All entries must be submitted by April 28.

## Beverly Dolle, Dan Barker exchange double ring vows

Wedding vows for Miss Beverly Dolle and Danny Barker were read at 7:30 p.m. Friday, March 26, in St. Ann's Catholic Church. The Rev. David Greka officiated the double ring ceremony with the Rev. Paul McClung pastor of First Baptist Church assisting.

Parents of the bride are Mr. and Mrs.

Clarence E. Dolle. Danny is the son of Mr. and Mrs. Humphrey B. Barker, both of Morton.

Under an arch way of white lilies and baby mums accented by mint green candles and bows, the bride was given in marriage by her father. She wore an organza gown in Juliette tradition. The wedding band neck line was highlighted by brocade lace which continued down the bodice to the empire waistline. Her full bishop sleeves were gathered to wide cuffs of the brocade lace and fastened with tiny buttons and loops. The train of organza repeated the lace trim around the edge. She carried a bridal bouquet of orchids a top a white Bible. The Bible was a gift to the bride from the groom's parents. For something old and borrowed she wore a string of pearls belonging to her sister, Mrs. David Gentry and she wore the traditional blue garter and pennies minted in the year of her and the groom birth in her shoes. The something new was her ensemble.

Mrs. Gentry of Amarillo, sister of the bride, was matron of honor. She wore a mint green formal length dress with long billow sleeves and accented with a large bow in front of a lay back collar. She carried a bouquet of lilies and mums.

Jerry Steed of Portales, New Mexico served the groom as best man. He also assisted with the ceremony by reading a portion of the scripture.

Kathy Dolle, sister of the bride, was flower girl. She wore a white lace over mint green gown accented with a mint ribbon sash. John Barker, brother of the groom, was ring bearer.

Mrs. L. S. McCarty, organist, presented the wedding music. Miss Sue Winder, soloist, and cousin of the groom, sang "No Man Is An Island" and "Love Story."

Seating the guests were Philip Barker, brother of the groom, and Marvin Dolle, uncle of the bride, from Portales New Mexico.

Ross Feagley of Muleshoe and Donnie Kuehler served as altar boys.

A reception followed in the home of the bride's parents. The bride's table was covered with a lace over mint cloth centered with a bouquet of white roses. A love story wedding cake and mint green punch were served. Presiding at the bride's table were, Mrs. Denny Burch of Portales, New Mexico, cousin of the bride, Mrs. Jerry Steed, also of Portales, and Miss Rickki Dansby of Dublin.

Serving the groom's table were Miss Peggy Steed and Miss Ann Winder. The table was covered with a beige cloth trimmed in lace and a centerpiece of a white mum flower arrangement in a white candleabra with mint green candles.

For traveling the bride wore a yellow embossed knit dress and coat to match. Her accessories were white and the white orchid from her bridal bouquet was her corsage.

After a wedding trip to Corpus Christi, the couple will make their home near Houston, where the groom will be employed as a commercial pilot.

Mrs. Barker is a student at Morton High School, where she is an honor student. She is vice president of the student council, member of the National Honor Society, Varsity Cheer Leader, on the annual staff and a member of the band.

Barker is a 1970 graduate of Morton High School where he was a member of the National Honor Society, served on the Student Council two years, was president of Future Farmers of America for two years and was a member of the band.

### Garden Club receives honors at meeting

The LeFleur Garden Club won five District Awards at the District 1 Spring Convention held in Amarillo March 23 and 24 and Mrs. Roy Hill, club treasurer and National Amateur Flower Show Judge, was installed as First Vice President of District 1 Judges Council.

Mrs. Hill was installed for two years in the Wednesday afternoon session held at the Garden and Arts Center. Other convention activities were held at the Villa Inn.

Awards won by the LeFleur Club were: First Place in Club Press Books and Year Book; two Second Places in Sears short form for projects and the Blue Ribbon Scrap Book; an honorable mention was received for the president's report.

The Club has been notified of their winning a State Blue Ribbon Rating to be awarded at the April State Convention. Mrs. Olin Darland, Mrs. Hill, Mrs. J. L. Thomas and Mrs. Don Samford from Morton attended the convention.

## Swindlers Sell Fabrics Marked "All Wool"

SALT LAKE CITY—A smoothly operating band of door-to-door salesmen who sell cheap substitute fabrics as "all-wool" are cheating the nation's housewives out of hundreds of thousands of dollars each year, the American Wool Council has warned here.

The swiftly spreading racket, which foils local authorities in most communities, has reached as far West as Southern California and as far East as Hartford, Conn., according to the Better Business Bureau in New York. In most cases, victims are persons who can ill afford to be swindled.

Fast-talking and fast-moving members of the organization hit with greatest frequency in rural America. Here, in smaller towns with few stores, these slickly polished Gyps can reach the heart of the nation's budget-conscious, home-sewing hard.

Telling a story of personal hard luck, the itinerant salesman offers what are described as luxury wool fabrics at sacrifice prices. Autisms of the racket report, authentic-looking labels identifying the fabrics as "all-wool" play a big part in clinching most sales, they add.

Only after the salesman has sped away in his high powered car do both the salesman's story and fabric prove to be synthetic.

"These operations, which constitute a nationwide swindle of gigantic proportions, are cleverly devised to escape effective prosecution and are geographically planned to victimize widely scattered segments of the population," says W. H. Steiner, the American Wool Council's president.

"For every one of the hundreds of local incidents reported each year," he adds, "thousands of sales unquestionably go unreported."

# How to Be a Sucker in 3 Easy Lessons

### LESSON ONE - Things to Avoid

1. Don't read stories like this clipping from the newspaper. To do so may undermine your confidence in hit-and-run salesmen to such an extent that you will never be able to achieve Grade A Suckership.
2. Keep away from your local, taxpaying, community-supporting stores. To shop them carefully may interfere with your free acceptance of the salesman's pitch about offering values that the stores can't beat.

### LESSON TWO - Have Faith

1. Swallow whatever line the nice man hands you, because he and his company (which you probably never heard of) guarantees what he says.
2. Don't display your rudeness by asking him to further jeopardize his immortal soul by inquiring where he could be found by tomorrow if you had to try to collect on his guarantee.

### LESSON THREE - Forget

1. Forget that you may want the people you do business with to help out with local money-raising projects. And where will the peddler be then?
2. Forget that about one-third of the money you spend with local business establishments finds its way into community upkeep and progress, while the peddler puts this part down in his sock.

The Fifth Annual Palo Duro Canyon Trail Ride will be held May 7, 8, and 9, in Palo Duro Canyon State Park. The ride is co-sponsored again this year by the Amarillo Chamber of Commerce, the Will Rogers Range Riders, the Randall County Sheriff's Posse and the Canyon Chamber of Commerce. The registration fee for this year's ride will be \$2.50. The purpose of the ride is to give family entertainment," said Jim Croft, Trail Boss.

Reservations may be made through the Amarillo Chamber of Commerce as well as picking up applications and any additional information desired.

**Indian tennis players qualify for district finals Monday**

Ten Morton High School and Junior High tennis players qualified for Monday's district tournament finals to be staged at Floydada. Morton representatives defeated Littlefield in all but two divisions in play that stretched over a three-day period.

Highlighting playoff action Monday afternoon was an impressive comeback by Ted Thomas and Shelby Race to earn a spot in Monday's tournament. The Morton pair dropped the first match with Little-

field, but bounced back to take the final two, winning Monday by 6-0 and 6-4 sets.

Joining Thomas and Race at district will be Keith Embry in boys' singles, Teri Harris in girls' singles, and Becky Harris and DaLoma Sanders in girls' singles.

Also, freshmen David Berrera and Mark Fluitt will compete in boys' singles in their division as will Julie Cooper in Junior High girls' singles. Ralph Mason will play in freshmen boys' doubles.

Junior High girls Kathy Mason and Sherita Fluitt were eliminated in a playoff round with Littlefield. After winning the second round by 6-4 and 6-1 scores, the girls lost 2-6, 6-2, and 2-6, in the final playoff round. Randy Colemena was also eliminated in junior high boys' singles.

In other matches with Littlefield Ralph Mason won easily by 6-1 and 6-2 sets, Berrera and Mark Fluitt won by forfeit as did Julie Cooper. Embry swept boys' singles by 6-0 sets as did Becky Harris and DaLoma Sanders in girls' singles. Teri Harris won her sets by 6-1 and 6-3 margins.

In other tennis action last week, Morton split a match with Whiteface Wednesday, 3-3, then bounced back to sweep Levelland by a 5-0 difference. Against Whiteface, Sherita Fluitt and Kathy Mason won in junior high play as did Embry in high school boys' singles. Freshmen Berrera and Fluitt dropped a match to the Whiteface varsity as did Thomas and Race. Ralph Mason lost his match, 2-1. Morton swept Levelland as Embry racked up an 8-1 win in a pro-scoring set. In mixed doubles, Teri Harris and Ralph Mason won by 6-4 and 6-2 counts. Embry and Race won, 7-5, and 6-2. Race and Mason won in boys' singles. Race won his matches by 6-0 and 6-1; Mason won in a single-set match by a 6-0 count.

**MHS concert band receives division II, III marks at Dimmitt**

Morton High School's concert band competed Tuesday at Dimmitt at the regional University Interscholastic League concert and sight reading contest. The band received a Division II rating for concert and a Division III rating in sight reading.

Although members of the band were disappointed with the results, observers reported that the Morton group performed excellently.

The band, under the direction of John Stockdale, performed three numbers during the Tuesday afternoon performance. The first number was "Inglesian" by D. Delle Cese. The second number, "Chorale Prelude in E Minor," by Alfred Reed, was the most difficult number the band performed.

Last November, the MHS band received a division I rating in marching.

The third number of the concert was "Masque" by Francis MacBeth.

In the sight reading contest, the band played numbers that they had never seen before. Judges then classified each band according to division, and not in order of rank or competition.

Dimmitt and Idalou were the only bands to receive I ratings in Tuesday's performances. Dimmitt received a sweepstakes trophy for receiving I ratings in all three classifications.

One of the buses that transported the band to Dimmitt broke down enroute and had to be towed all the way back.

**MHS thespians enter one-act play contest**

Morton High School will send its entry to the district one-act play contest for the second year in a row as five MHS seniors will present "Yes Means No" next Tuesday at Dimmitt.

The play, a short vaudeville comedy, features the antics of the son of a rich New York businessman who is trying to raise money for a honeymoon. His father promises to give the young man one hundred dollars for every time he can say "no." The son really surprises his father in the concluding minutes of the play.

The district contest is sponsored by the University Interscholastic League, and seven of its conference 3-AA members are participating this year. Performances will begin at 12:30 p.m. in the Dimmitt High School Auditorium and will run through the evening. Morton's play will begin at 8 p.m. The plays may be viewed by the public. Admission will be 50 cents for adults and 25 cents for students.

Shelby Race, MHS senior, plays the lead role in the Morton play. Race was featured last year in the Junior Play.

Others appearing in the cast include Doug Evans, Sue Winder, Vicki Kennedy and Garnett Taylor. Alternates are Becky Greene and Paul Blanton. All are seniors at MHS. Director of the play is David Murrah, speech instructor.

**L'Allegro Study Club hears Mrs. Willingham**

Mrs. E. O. Willingham spoke to members of the L'Allegro Study Club March 18 on Mexico. Mrs. Al Mullinax was hostess for the evening meeting.

"South of the Border," a Time to Learn About Our Neighbors, was the subject Mrs. Willingham used. She gave a history of Mexico and their modern customs. "We have much to learn and enjoy from our close neighbors," she stated in closing the program.

In the business meeting, a thank-you note was read from Cochran Memorial Hospital in appreciation of the Multi-Croup Tent and 24 canopies the club donated to the hospital. Members voted to give \$50. to the Morton Youth Center. It was announced that the club presented the book "The Wire That Fenced the West" to the Cochran County Library March 10.

Mrs. Jim Bell was a guest at the meeting. Members attending were: Mmes H. B. Barker, Harold Drenan, James McClure, Mullinax, J. C. Reynolds, M. A. Silvers, Bud Thomas and Willingham.

**WHITEFACE NEWS**

The Whiteface Lions Club have set May 11 as the date for their second annual auction sale. Proceeds from the sale will be used to purchase kitchen equipment for the Community Building. Clubs and individuals are invited to participate.

Penn Cagle is in the Veteran's Hospital in Big Spring.

Mrs. Oattie Bloodworth was a patient in Cochran Memorial Hospital last week. She is the mother of M. L. Collins.

Mrs. Bertha Thompson has been in Levelland Clinic and Hospital.

Wade Taylor and Mr. and Mrs. Bobby Neal flew to McAllen to attend the Co-op Managers and Directors meeting. Linda visited with her parents while there.

Mr. and Mrs. Arthur Oldham and daughter, Renda, of Roswell, N.M. visited with the D. T. Richardsons last week. The Oldhams are former Whiteface residents. Brenda is in college at Wayland and their son, Lonnie, will graduate from High School this year. Arthur is being transferred to Nigeria, Africa. The family will accompany him, however, the children will return to the States in the fall to attend college.

**Levelland edges MHS coaches for outsiders' tourney title**

The Levelland Independents slipped past the Morton coaches 79-77 Saturday night to take the championship honors of the second annual Morton Invitational Outsiders' Basketball Tournament played here last week.

The defending champion Morton coaches lost two players via the foul route and played the final four minutes with only four men. Levelland, utilizing the services of three of South Plains College starters, overcame a 13-point halftime deficit and took the win behind the 28-point performance of Tom Jordan.

Jordan was selected as the tournament's Most Valuable Player.

Eight independent teams, including two from Morton, participated in the three-day event that raised money for the MHS Athletic Department. The Morton coaches advanced into the finals with a lopsided 106-63 win over Nix Implement of Sudan and a 79-70 victory over Tatum Coaches.

Levelland beat Bledsoe Coaches, 75-69, and Littlefield Coca-Cola, 91-70.

All-tournament selections made by tournament officials included all five of the Morton Coaches' starting team. Names to the all-star squad included Ted Whillock, Tommy Thomson, Terry Harvey, Sam Garrett, and Wayne Thompson, all playing for Morton, Russell Snodgrass, and Gene Perry of South Plains College, Jim Kurtsinger for Amherst Butane, Dale Martin of Sudan, and Ronnie Hill of Littlefield Coca-Cola.

Ted Whillock hit 28 points for the Morton Coaches in the tournament final Saturday night. Wayne Thompson took high honors in the first round in Nix Implement, with a 25-point performance. Whillock had 24 in that game. Terry Harvey hit 22, Tommy Thomson, 20, and Sam Garrett bucketed 13.

The Morton Independents were toppled by Tatum in the opening round, 69-47. Top scorer for Morton was Bob Hawkins, with 17. David Grecka hit 11.

Morton then bounced back to beat Sudan, 53-51, in the second game as Tommy Williams scored 19 and Byron Willis hit 16.

In the battle for consolation honors, Amherst nosed out the Morton Independents, 68-53. Leading scorer for Morton was Hawkins, with 29 points.

**Varsity track team has rough going; frosh show up well**

Morton's varsity track team found the competition rather stiff last week, but the freshmen team turned in a good showing in their meet in track action last Saturday.

Morton's frosh captured third place honors in Springlake-Earth's Junior High meet. Sixteen area teams were entered. First went to Littlefield. Finishing second was Floydada.

In the varsity meet at Roosevelt, Elton Patton took third in the 220 with a 22.8 time. The sprint relay team captured fifth in one of the tightest races run in the area. Morton ran a 45.2. The first place team ran a 44.8 quarter-mile. Thus, only four-tenths of a second separated the first five teams in the meet.

Morton's sprint relay team is composed of Patton, Willie Holland, Larry Thompson, and Kevin Holler.

The varsity will compete this week at Monohans for the last non-conference meet of this year, and then travel to Floydada Wednesday for the district 3-AA meet. The junior high meet will be held on Tuesday.

Freshman David Palmer paced his teammates to their third place finish Saturday with two first place ribbons in high jump and shot put. David Barrera took second in the 220 yard dash. Rrice Standmire finished third in the 330-yard hurdles. Barrera also took fifth in the broad jump. Monty Tanner ran a 10.7 hundred-yard dash that was good for fifth place. John Green finished sixth in both the discus and the 220.

Morton's sprint relay team, composed of Tanner, Mark Fluitt, Green, and Barrea, took second in the meet. The mile relay team, composed of Tanner, Fluitt, Randy Kuehler, and Barrera, took third.

Kuehler took fourth place in the 440 yard dash for Morton.

Eighth grade results were not available.

**County 4-H members in contest Saturday**

Thirty one 4-H members from Whiteface and Morton exhibited their understanding of nutrition, food preparation, consumer buying and home chemistry Saturday, March 27 at the Cochran County 4-H Food Show, according to Mary Harbin, county home demonstration agent.

Five senior 4-H members included Vicki Cloud, winner of milk group; Cassandra Reeder, alternate, milk group; James Bell, winner, meat division; Terry Shaw, winner meat group, and Farley Inglis, winner, fruit/vegetable group.

In the junior division winners were Deborah Young (milk group); Jacque McHam (fruit/vegetable group); Susan Cadenhead (bread group) and Wyn Crone (meat group).

Alternates included Jean Whitehead, (milk group); Raylene Wells (fruit/vegetable group); Donna McHam, (bread group) and Michele Ray (meat group).

The remaining members, Greg Bell, Carla Sealy, Glenda Thompson, Tom Coker, Valerie Keith, La Wanda Bills, Tammy Mullinax, Belinda Hunter, Tammie Baker, Sylvia Prado, Mary Inglesias, Phyllis Ray, Diane Smith, Sonya Sims, Traci Taylor and Jenna Key were blue and red ribbon winners.

The winners will compete in the District 4-H Food Show, April 17, on the Texas Tech Campus.

# Mexico ranch buys top bull in Texas Tech Pantex sale

A Hereford bull owned by Robert O. Andrews of Olney sold to Santa Barbara Ranch of Durango, Mexico, for \$1,300 to highlight the annual performance proven bull sale at the Texas Tech University Research Center here Thursday (March 25).

The animal, the third one sold, had the third highest index based on average daily gain during the 140-day test, average daily gain from birth, percentage of fat, and other factors.

The Andrews bull showed a 140-day test gain of 3.35 pounds per day with an average daily gain of 2.56 pounds from birth.

A total of 46 registered bulls, including Herefords, Angus, Charolais and Holsteins, and 35 half Simmental bulls were sold under the hammer of auctioneer Bert Reyes.

The high indexing bull, a Hereford owned by Wilbur Cobb of Claude, sold for \$650, also to Santa Barbara Ranch. It has a 140-day daily gain of 3.01 pounds with an average daily gain from birth of 2.31.

Earlier in the day, more than 300 men and women in the beef production industry and allied businesses heard the present and future issues confronting the beef industry discussed at the annual field day and performance proven bull sale here.

Dr. R. Hollis Klett, superintendent of the Texas Tech University Research Center, presided over a five-member panel representing agricultural education, the Cattle Feeders Association, the feed industry, packers and the ranching industry.

Panelists included Dr. C. K. Vincent, associate professor, Dept. of Animal Science, Louisiana State University; Joe VanZandt, director of membership relations, Texas Cattle Feeders Association, Amarillo; Dr. Dale Furr, nutritionist for Hi-Pro Feeds, Friona; Kenneth L. Dillidine, manager of Glover Packing Plant, Amarillo; and Dr. William J. Waldrip, general manager of the Spade Ranches in Colorado City.

Dr. Vincent emphasized the importance of a good annual crop of fast gaining calves to the livestock production industry. "Crossbreeds are proving best in my area (Louisiana and East Texas) because we are able to combine the best qualities

of the breeds," he said. He stressed the importance of breeding times and procedures, the replacement of good mother cows to the herd, the care of mother cows, and other management problems.

The control of the sex of the calves could become an important factor, but few successes have been reported in pre-determining sex, he said.

However, more success could be forthcoming. He also reported some successes in producing multiple births to increase the income per cow. He predicted more success in obtaining multiple births by transplanting fertilized eggs from one cow to another, permitting the highly bred cow to produce more eggs with other mother cows carrying the calves until birth.

In a decade, the cattle feeding business in Texas has increased from one-half million head in 1960 to more than three million in 1970, according to VanZandt.

"Texas has moved into second place among the 22 major feeding states in the nation," he said. "It is estimated that 3.7 million head will be fed out in Texas this year, 12.7 per cent of the total fed in the 22 states. Only Iowa is likely to remain ahead of Texas in the number of cattle fed."

He said a total of 1,589,000 head of cattle were on feed in Texas as of March 1, the largest ever on record. He said processing facilities have lagged behind in Texas, but are about to get into balance with production and feeding facilities.

Dr. Furr, former superintendent of the Texas Tech University Research Center, said faster gaining animals are more efficient in feed conversion and the pounds gained cost less than those of slow gainers, "and that's what this meeting is all about."

He also emphasized the importance of grain sorghum production to the industry and how it has been improved to meet the needs of the cattle feeding business on the high plains of Texas. He predicted more computerization and quality control in the feedlot and pointed to the value of qualified personnel in the operation of successful feedlots.

Phone Your News to 266-5576

## Elections . . .

from page one

Three will have a two-man race, Place Five will be unopposed and Place Four will be vacant.

This does not necessarily mean that the vacant seat will go begging, however, due to the possibilities of a write-in vote. All three places have a space for write-in votes and the balloter can write in the name of any qualified person. Information received from County Attorney James Walker indicates that any person who is qualified for the office who receives the most write-in votes in Place Four will be elected.

In the Morton Independent School District Board of Education election there are five candidates running for four positions. Three seats are for regular three-year terms and the fourth is for a special one-year term to serve out the unexpired term of a member who resigned.

Running for the three regular terms are Don Lynskey, running to succeed himself; Bob Polvado, running for the first time; Dexter Nebhut, also running for the first time and John L. Fincannon, who is a former member of the board and is running again after an absence of a year.

Other elections being held in the county are board of education races at Whiteface and Bledsoe.

## Students to attend Dallas FHA meeting

"FHA Steps Into Action" will be the theme of the 1971 state meeting of the Texas Association of Future Homemakers of America to be held at the Memorial Auditorium in Dallas, April 23-24.

Representatives of the chapter of Morton will be Rosa White and Debra Silhan. Mrs. Helen Crone, sponsor, will accompany the students.

More than 5,000 members and advisors representing 76,000 members in 1,600 chapters throughout the state are expected to attend. Members are homemaking students in junior and senior high schools. Homemaking teachers serve as advisors.

The Reverend Logan Cummings, pastor of the First Baptist Church in Brownwood, will be the keynote speaker. Rev. Cummings will speak on involvement of young people in solving today's problems.

Planet means wanderer.

## Soil conservationist recommends leaflet on garden mulches

Garden mulches and how to use them is the subject of a new leaflet available from the USDA Soil Conservation Service.

Wayne Wilcox, SCS district conservationist at Morton, said the leaflet "Mulches For Your Garden" has the best and most concise explanation of how to use mulches and compost in a garden that he has ever seen.

"The leaflet explains how mulches cushion falling raindrops which reduce soil loss and soil compaction," Wilcox said. "Mulches keep soil cool in the summer, conserving moisture; they also furnish food for earthworms which are valuable for aerating the soil. Organic matter added by mulches helps keep soil crumbly and easy to work."

Wilcox said some mulches are more valuable if composted before using. The new publication shows how to build a simple compost bin out of wire or boards and is complete with drawings and pictures.

The leaflet lists the number of cupfuls of various kinds of fertilizer, wood ashes, or epsom salts to add to a bushel of compost to speed decomposition and to increase the compost's plant nutrient value. Details are also given on how to make acid compost for use with azaleas and rhododendrons.

"Proper handling of mulches is one of the most important but least understood soil and water conservation measures used in Texas," Wilcox said. "All good conservation farmers leave the stalks and stems from their crops on the land to reduce erosion and conserve moisture. Few conservation measures do more to reduce pollution from blowing dust or from sediment."

The district conservationist said gardeners could use the same principles in flower and vegetable gardens by utilizing mulches from grass clippings, tree leaves, straw, stems and stalks from harvested vegetables, and other material.

To get your free copy of the leaflet "Mulches For Your Garden," contact any Soil Conservation Service office. The Morton Work Unit office is at 201 W. Taylor, Morton, Box 901. Telephone 266-8605.

If present trends continue, unemployment insurance benefit payments will reach \$4.9 billion in fiscal 1971, compared to \$2.8 billion last year.

## Cochran county income taxes a cool \$3.13 million in 1969

Residents of Cochran County are getting a sharp reminder, as they prepare for the April 15th tax deadline, of the huge bite being taken out of their earnings by the Government.

Last year their contribution to the Federal coffers, in the form of personal income taxes, came to approximately \$3,133,000.

And this year, for those who were fully employed throughout 1970 and, in most cases, earning more than they did during the prior year, the tax payments will be even larger. Others will be turning in somewhat less than before.

Nationally, however, because of the unemployment that accompanied the business slowdown, the Administration figures that its overall returns from individual income taxes will be slightly lower than last year's, a total of \$88.3 billion as against \$90.4 billion then.

Cochran County's share of the tax burden was determined through an unofficial breakdown of the returns received from the State of Texas as a whole. The statewide total came to \$4,475,000,000, according to the Treasury Department, including the portion collected via withholding.

Of this amount, local residents contributed an estimated \$3,133,000, or 0.07 percent of the state total.

This year, because of the reduction in the surtax to 2½ percent and because of the changes brought about by the re-

cession, their contribution is expected to be in the neighborhood of \$3,066,000.

Just how long it will remain at that level is an open question. Although it appears to rule out any upward adjustment of tax rates, what with an election looming up next year, there is the possibility of massive additional revenue to help states and cities, to meet the war costs to improve the ecology and to provide the nation with better health and educational facilities.

The President's budget for next year recently submitted, calls for personal income taxes of \$93.7 billion, or \$3.4 billion more than this year.

Total income in Cochran County have to be about 6 percent greater this year than last for local residents to meet their share of this increase.

## Look who's new

Tommy Lee, son of Tom Snead and Eva Lee Snead, Tommy arrived at Cochran Memorial Hospital March 25 at 8:30 a.m. and weighed 8 pounds and ½ ounce.

Future Homemakers of America is the National Organization for home economics students in junior and senior high schools throughout the United States, Puerto Rico, The Virgin Islands, and some American Schools overseas.

### Replanting takes the profit out of cotton. Use Terraclor Super-X.

# ONCE IS ENOUGH.

It's amazing how something as simple as fungus control can be so difficult to get across to cotton growers.

We've been working at it for six years now. We've had great success. But we haven't reached all the growers who are paying for poor stands... and replanting.

What makes it all so complicated is that we can't see the cause of the problem. If we could get our head into the soil at seed level and watch the fungi attack the seed and seedling, it would be a different story: See the fungi? Enter Terraclor Super-X. Pow! The fungi are eliminated.

But you can't see them without a microscope. And plenty of training. Our people who

developed and tested Terraclor Super-X have seen them. And how they were controlled by Terraclor Super-X.

Take their word for it. Apply Terraclor Super-X when you plant this spring. Chances are you, like most growers, will prefer the form with DiSyston Systemic Insecticide impregnated on the granules. It saves time and work.

You'll see the proof of our words in your tall, healthy, uniform stand. And the savings when you don't have to replant.

The man with the details is your Olin distributor. He has all the information you should need to decide that once is enough. Which is another good reason why we say...

The rare bird means business.

Agricultural Division Olin P.O. Box 991 Little Rock, Arkansas 72203

## Whiteface man gives proficiency citation

An official State Health Department citation for work proficiency has been awarded to Orville B. Brown, water utility plant operations specialist for the city of Whiteface.

Signed by the State Health Commissioner and authorities of the Texas Water Utilities Association, the certificate of competency is awarded only to those utility plant operators who have successfully demonstrated their skill and knowledge in modern principles of plant management.

To qualify for certification, a plant operator must have accumulated a prescribed amount of actual work experience. He must also have attended both regional and statewide short schools at which the techniques of water treatment and waste water disposal are taught, and must have passed an examination given by State Health Department sanitary engineers.

## Hospital notes

Patients admitted to Cochran Memorial Hospital March 24 through March 30 were: Sammy Copeland, T. M. Tanner, Janice Simpson, Mittie Thompson, Sherry Bracken, Bessie Cartwright, Andy Williams, William Zuber, Vernon Slaton, John Ruzicka, Sunya Sanders, L. D. Burrell, Annie Robinson, Pantalon Paiz, Cleotilde Paiz, O. S. Barnett, Alice Holt, Gonzalo Lozano, Janice Wiley, Angie Matta, Juanita Blackstock, Lodi Tanner, E. L. Reeder, Sara Courtney, Jolene Cox, Victoriaanna Arigon and Rita Spence.

Mrs. C. T. Dansby and Rickki from Dublin; Miss Ruthie Smith and Mrs. Wayne Thompson, South Plains College, Levelland; Miss Rhoda Jane Brown of New Mexico State University, Las Cruces, N.M.; Mr. and Mrs. Leo Ruzicka, Donna, Leona and Linda from Friona; Mr. and Mrs. R. E. Tisdale, Hobbs, N.M.; and Mr. and Mrs. Paul Zuber, Tanya and Trena from Petersburg.

Delilah Trejo is spending spring break with her parents, Mr. and Mrs. George Trejo. She is a student at El Paso College in Colorado Springs, Colo. and is studying to be a dental assistant.

## BRING EDUCATION MESSAGE...

A PROGRAM WAS PRESENTED by the four educators above to an area gathering of the Texas Federation of Women's Clubs held in the county activities building Monday night. Each of the four talked briefly and showed slides concerning his areas of responsibility in the educational field. All members of the Morton school system, they are Mrs. Neal Rose, curriculum coordinator; Bob E. Travis, Morton school superintendent; Mrs. Kermit Ward, remedial reading teacher and Mrs. W. G. Freeland, counselor.

## About local folks...

Mrs. S. A. Ramsey and Miss Rhoda Lisenbee spent Sunday in Seagraves with their sister, Mrs. Dee Petree, who is in the hospital there.

Mr. and Mrs. L. W. Barrett had as their guests recently two of her sisters, Mrs. Lula Simpson and Miss Ada Odell, from Tatum, N.M., Mr. and Mrs. E. L. Allison and daughter of Lubbock and a son, J. B. Riddle, of Seminole.

Mr. and Mrs. Tommy Morrison and daughter, Michelle, of Lubbock visited with his parents, Mr. and Mrs. Fred Morrison, Saturday and Sunday.

Mrs. W. L. Miller joined her daughter and family, Mr. and Mrs. Wendell Watson and Tipp of Pampa, at another daughter's home, Mr. and Mrs. E. L. Willis, of Lubbock from Friday until Sunday.

Mr. and Mrs. James Shephard and sons, Stephen, Scott, John, James and Jack recently of Mansfield are spending a few days with Mrs. Shephard's parents, Mr. and Mrs. Ralph Gardner. The Shephards are in the process of moving to Lubbock.

Rev. Paul Birch of Lubbock was guest speaker Sunday morning at First Missionary Baptist Church. Rev. Birch was filling in for Rev. Moore who is in Oklahoma this week in revival services.

Mr. and Mrs. Truman Anglin, Ronny and Renee visited in Plainview Saturday with Mr. and Mrs. Carol Baldrige, who recently moved to Plainview. The Baldriges formerly of Morton moved to Ralls last year.

Mr. and Mrs. Henry Bedwell were guests of relatives and friends in Quitaque over the weekend.

Mrs. Louise Talley returned home Tuesday after being hospitalized in Lubbock for major surgery.

Larry Moore and Kim Coats returned to their homes Saturday after spending some time at Jacksonville College. Larry plans to be a student there in September after his graduation from high school in May.

Mrs. C. B. Burlison of Lake Jackson is visiting in the home of her sister, the Bill Sayers. Her daughter, Jean Ann, from Texas Tech was an overnight guest Wednesday.

Mr. and Mrs. Weldon Wynn returned from a trip to San Antonio Monday night.

Out of town guests attending the Dolle-Barker wedding were: Mr. and Mrs. John D. Lackey, Ricky and Tammy, Mr. and Mrs. Denny Burch, Mr. and Mrs. Jerry Steed, Mrs. Rose Dolle and Marvin Dolle

Mr. L. E. Pollard was able to come home Friday from Methodist hospital. The Pollards had as their guests Sunday his brothers, Mr. and Mrs. Carl Pollard of Steagall, and Grady Pollard of Morton.

The Honor Roll for the Bula School for the past nine weeks was: First grade - Steve Pollard, Ben Delarosa, and Wesley Autry; Second grade - Keith Layton; Third grade - Mike Nichols and Robert Layton; Fourth grade - Larrol Layton, Richard Nichols and Elnora Peacock; Sixth grade - Seventh - Oralia Davila; Eighth grade - James Snitker; Ninth - Edward Clawson, Jerry Sowder and Craig McDaniel; Tenth - Jimmie Risinger; Eleventh - none; Twelfth - Diane Crume, Jolene Cox and Pamela Layton.

Rev. and Mrs. Paul Gordon, Helen and Barbara Black and Diane Crume were at Wayland College recently to share in the Spiritual feast during the Campus Spiritual Emphasis Week. They attended the "Spireno" at the college auditorium and had the privilege of hearing Richard Hogue, noted youth evangelist, speak on "The Existence of God and How He Can Be Real in our Lives."

Mr. and Mrs. Ray Spence of Ruidoso, N.M. visited last week with their daughters, Mr. and Mrs. Douglas Betts and girls also Mrs. Donna Archer and Scott and Rita Spence of Morton.
