MHS athletic banquet tonight

The Morton Booster Club will honor the high school's athletes in five sports tonight at the annual athletic Banquet.

Featured speaker for the 7:30 p.m. affair will be M. A. "Catfish" Smith, well-known Texas coach and after-dinner speaker. Smith currently serves as director of promotions for the athletic department of Baylor University. Described as "a man of a million stories," and some of them are even true, Smith coached in Texas High Schools across the state before going to East Texas State College where he compiled a 30-2 record.

At Mount Vernon, where former Dallas quarterback Don Meredith was one of his students, Smith won six district titles in seven years and posted 26 straight wins over a three-year period. At Carey his basketball team won the state championship. His Mount Vernon basketball team went undefeated in 1948, winning state, and his 1947 football squad was also undefeated.

Smith is past president of the Texas High Schools Coaches Association.

Outstanding Athlete awards will be presented to several of the MHS football, basketball and track boys at tonight's banquet.

Recognition will be given to the Outstanding Football Player with the Fred Morrison Award, which will be presented by last year's recipient, Jerry Steed, Terry Harvey will present the Outstanding Basketball Player Award.

The Morton Tribune Hustling Indian Award, recognizing the athletes that try hardest in football, basketball, and track, will be given by Tribune sportswriter David Murrah.

The Neal Rose Sportsmanship Award will also be presented at the banquet. Tickets are priced at \$2.50 each and may be purchased from Booster Club members.

The personable, pencil-thin former Texas coaching great is in his third year as Executive Vice President of the Baylor Bear Club. Prior to this, he served nine seasons as freshman football coach at Baylor.

Catfish and his wife, Dot, are parents of two sons, Ronnie, currently serving in the army in Japan, and Jimmy, a Baylor sophomore.

The MHS boosters encourage all Morton fans to attend the banquet as over 80 students will be honored with the meal and recognition.

STEEERIKE THUREEEE . . .

THE ANCIENT CALL from the throat of umpire Eddie Lewis, resounded throughout Little League Park Monday as the 1971 Little League season got off to a running start. The whole world will be just one big baseball diamond for these

youngsters for the next few weeks until the season comes to an end on June 22. Two games will be played each Monday, Tuesday and Thursday, with the first game starting at 7:30 p.m.

COMMUNITY PROJECT A HUGE SUCCESS . . .

THOUSANDS OF DOLLARS are represented by the community center project placard shown above. It was used to chart the course of the drive sponsored by the Whiteface Young Farmers Organization to raise funds for construction of a community center building. The project is an accomplished fact now, with a modern steel building in place and the landscape completed. Above are listed 186 generous contributors to the cause — some running into hundreds of dollars — and the list is not yet complete. Holding the placard are Larry Beseda, left, president of the Young Farmers and Mrs. Truman Swinney, city secretary, who coordinated the fund raising project.

Close scores, spirited play mark Little League openers

The warm spring sun beamed brightly down on the old, traditional scene in Morton Monday as umpire Eddie Lewis stepped up to the plate and called "play ball" for the first time, ushering in the 1971 Little League baseball season.

The crack of the bat sounded extra sharp and the chatter from the field unusually animated as each young player, the hope for future stardom showing brightly on his face, stepped into the batter's box and took his cuts at the offerings of an equally hopeful pitcher. The young season was off and running — with all past records and performances gone by the boards and a brand new prospect

ahead for each aspiring player and team. Little Leaguers started playing for keeps this week, and action Monday and Tuesday gave indication of another exciting season as three of the four games played were won by close margins.

A grand slam home run in the third contest of the week, a clash between the Sox and the Pirates, highlighted the week's action. Ricky Dunn powered a four-run blast in the fourth inning of a Tuesday

Bedwell will chair youth committee

Herman Bedwell was named chairman of the Morton Youth Center Committee Monday night at a meeting held in the Center.

Bedwell replaces the Rev. Mearl Moore, who resigned due to pastoral duties. Moore stated that his intention had been to help get the young people a center but that his duties in his church required that he give more of his attention to his pastoral responsibilities.

Junior Fitts was elected to replace George Pritchett on the youth committee. A change in schedule was approved by the committee whereby the center will be closed on weekday afternoons, Monday through Friday, but will continue to be open during the afternoon on Saturday and Sunday. The evening schedule remains the same.

The committee reiterated the need for a large air conditioner and agreed that the center will purchase a used one in good condition if such can be located and if one was not forthcoming soon through a donation.

Orientation

An orientation meeting for next year's freshmen and their parents will be held Monday, May 10, at the Morton school cafeteria.

The 8 p.m. meeting is an important one for incoming freshmen to Morton High School. Scheduling problems, class loads, and student rules will be discussed with the future high school students and their parents. This year's eighth graders and parents are strongly urged to attend the Monday meeting.

Band takes top honors at Amarillo

Morton High School's Indian Band swept top honors as the Greater South-

west Music Festival held last week in Amarillo.

Over ten thousand band and choir students from all over the Southwestern United States were attracted to the festival, the first one for the Panhandle city.

Morton's band, under the direction of John Stockdale, was named top band in class AA competition.

Eighty-nine students made the day-long trip to Amarillo and competed in concert and sight reading contests with eight area AA bands, including schools from Cisco, Breckenridge, Friona, Alvarado, New Braunfels, Nocona, and Abernathy.

Competition was held in each category of Texas Interscholastic League alignment. Schools from New Mexico, Oklahoma, and Colorado participated in the festival.

Also, competition was held among

school orchestras, choirs, and stage bands. Area junior high bands were also represented.

Judges and clinicians were brought to Amarillo from all over the nation. Twenty-four college and professional personell were invited to serve as judges for the three-day event.

Morton's junior high school band also took top honors at the Wilson Invitational Band Festival last week by winning sweepstakes with I ratings in concert and sight reading. Over fifty bands participated in the Wilson meet.

The Morton bands will present their final public appearance of the season in the county activities building May 18. A salad supper will be served beginning at 6:30 p.m. The concert will be at 7:30. Salads will be served before and after the concert.

MISS JOLENE COX, daughter of Mr. and Mrs. D. J. Cox, of Enochs, appears with her court as she accepted the title of "Miss Cotton" of Cochran County" following the final judging in the county auditorium Saturday night. Sharing the spotlight in her moment of glory, left to right, are Cecilia Jane Wilcox, daughter of Mr. and Mrs. Wayne Wilcox,

fourth runnerup; Miss Rita Spence, daughter of Mr. and Mrs. J. Ray Spence, third runnerup; Miss DeAnne Ramsey, daughter of Mr. and Mrs. D. A. Ramsey, first runnerup and Miss Micheline Marina, daughter of Mr. and Mrs. Simon Marina, second runnerup.

Annual 'Indian Capers' scheduled for May 14

An extravaganza of musical variety will be featured as Indian Capers, 1971, will fill Morton's County Auditorium on Friday, May 14.

With preparation and practice that has been in progress for several months, the MHS choir, under the direction of Don Chandler is putting the final touches on this year's annual spring production. Night practices and dress rehearsals will dominate students' time next week prior to the 7:30 p.m. performance on Friday.

From its beginning with the popular "Ode to Joy," the program promises a variety of entertainment suitable to all musical tastes and age groups. Top comedy numbers will also be featured.

This year's Capers will have a strong See INDIAN CAPERS, Page 3a

★ School signup

Kindergarten and first grade students will register Monday, May 10 at 2:30 p.m. in the school cafeteria for the 1971-72 school year.

Children who will be 5 years of age on or before July 1, 1971 and who's family income is less than \$3,000. will be eligible for Kindergarten. Boys and girls who will be 6 years of age on or before September 1, 1971 are eligible for First grade.

Explanations as to inoculations, shots and what will be expected of children and parents for next year will be given.

Parents of children who will be entering school next fall are urged to attend.

Little Folks School graduation set for Sunday

The Little Folks School will hold a graduation program Sunday, May 9, at 2:30 p.m. in the First Missionary Baptist Church.

The Rev. Mearl Moore will give the graduation address using "Chalk Talk."

Ralph Gardner will give the invocation, Kenney Chancey will present the colors and David Clark will MC the program.

Gretchen Smith will welcome guests and Alice Marino will present a tribute to the mothers.

Other students taking part in the program will be Mike Iley, Lee Alley, Pamela Wesley, Randy Cox, Sara McClung, Scott Shephard, Chad Sayers, Radonna Gilliam, Tina Mioli, Debbie Young and Bill Eubanks.

Concluding the graduation exercises, the students will present a variety show.

The public is cordially invited to attend.

night game to break a 1-1 deadlock and pace the Pirates to a 5-1 win over the Sox. Dunn's blast came with Sandy Hodge, Sammie DeLa Rosa, and Rusty Lamar occupying the bases.

Rusty Lamar fashioned a one-bitter in the same contest. The Sox picked up their only run in the second inning after Sam Johnson got on base with the team's only hit of the game. Johnson scored the single run. Lamar scored two of his team's five runs.

In other games, the Colts topped the Cards, 6-5, the Cubs clobbered the Giants, 14-1, and then topped the Colts the following night, 5-3. The Cubs hold a 2-0 record after only two days of play.

Ruben Martinez allowed the Cards five hits in the Colts' 6-5 win Monday night. The Cards jumped to an early 3-0 lead after two innings, but the Colts roared from behind to tie the game in the third, but the Cards added two more in their half of the same inning. Then, in the fourth, Kevin Key and Donnie Masten rapped back-to-back singles, then came around to score. Martinez then powered a single to score Terry Dupler for the winning run.

Nine runs and nine hits in the second inning powered the Cubs to their 14-1 romp over the Giants Monday. Tino Sapaala was the winning pitcher in that contest. D. Dobson scored the lone run for the Giants.

In action on Tuesday, the Cubs had to come from behind in the last inning to take the Colts, 5-3. The Colts built up a 3-1 lead with two runs by Terry Dupler, and one by Bobby Patton. But the Cubs then rallied with a leadoff single by Rickey Hodge in the top of the sixth inning, followed by a double by Sabala. Both runners scored as did Don Daniels who reached first on a walk. Larry Moore pounded out a single and scored to round out the Cubs' come-from-behind rally.

Cub pitcher Ricky Hodge snuffed a brief Colt spurt in the bottom of the sixth to take his first win of the year. Rick Lewis was the losing pitcher and both youngsters went the distance.

Little League action will continue every Monday, Tuesday, and Thursday night with two games nightly. Area baseball fans are encouraged to come out and support a favorite team.

DOING THEIR THING . . .

BY DOING THEIR SHARE, is the attitude of the dozen young members of a special student class as they contributed to the beautification of the Morton area by planting flowers in the large brick planters at the entrance to

Morton Memorial Cemetery last week. The project was under sponsorship of the La Fleur Garden Club and club members who supervised the children expressed a high degree of satisfaction with the work they accomplished.

It's PIONEER[®] again this year.

Here's why:

CLAUNCH & SONS, Bula, averaged 5,920 pounds of grain per acre last year from 300 acres of Pioneer brand 846. The crop was planted May 1 and harvested October 10. It was watered three times after planting. Rainfall was about three inches. The Claunches like the way 846 performs with limited water. They plan to plant 350 acres of this dependable Pioneer hybrid again this year.

STATE Capital NEWS

By VERN SANFORD

Tax bill action switched back to the House this week after Senate passage of a \$682.3 million revenue measure.

Senate passed its version of the tax bill 12-9 after rejecting six separate attempts to insert a corporation profits levy by narrow (usually 16-15) margins and six other amendments. Only amendment of substance attached in floor debate was a half-cent-a-gallon increase in diesel fuel levy to make it the same as the gasoline tax.

Here is what the bill (HB 730) now calls for and its estimated biennial yield:

Increase sales tax rate from 3.25 to four per cent, \$28.5 million.

Increase motor vehicle sales tax to four per cent and bring auto rentals under levy, \$79.4 million.

Raise corporation franchise tax from \$3.25 per \$1,000 to \$4.50, \$102.6 million over three year period.

Increase cigarette tax three cents a pack to 18.5 cents, highest figure in the nation, with one cent dedicated to park development, \$46.7 million.

Raise the gasoline tax from five to seven cents a gallon, \$102.1 million.

Increase beer tax from \$4.30 to \$6 a barrel, \$28.8 million.

Increase diesel fuel tax one half cent, to seven cents a gallon, \$4 million.

House Speaker Gus Mutscher took an early dim view of the gasoline tax in particular, and a conference committee was expected to adjust differences.

Stripped from the House bill were taxes on hotel rooms, stock transactions, jet fuel, admissions and entertainment and sand, gravel and shell. Senate also more than doubled the House version of the franchise tax.

COURTS SPEAK — State Supreme Court agreed to set a hearing on the issue of whether district attorneys can file a barrage of suits to prevent stores from using various devices to get around Texas' Sunday closing laws.

A Houston clinic can be sued along with a doctor-partner in it for alienation of affections, Supreme Court held in a

split decision. High Court, reversing an intermediate court, held that the Austin suburb of West Lake Hills is a legally-incorporated city, but its attempted annexation of territory to the north of its original boundaries is invalid.

Third Court of Civil Appeals held that six Texas A&M University employees cannot draw state salaries and serve on the College Station City Council at the same time.

Same Court reversed the state savings and loan commissioner's finding that a charter should be granted to a savings and loan concern in Pasadena.

A new trial of the disputed sale contract involving a Killeen radio station was ordered by the Third Court.

AG OPINIONS — Legislation permitting the transfer of persons convicted of a felony at their request to the state prison system pending appeals of criminal cases is constitutional, Atty. Gen. Crawford C. Martin has held. Martin warned that constitutional problems may arise if such prisoners are required to work or disciplined as convicts.

In other recent opinions, Martin concluded that:

A coin operated machine delivering trade discount tickets and options to purchase other tickets is an illegal gaming device.

Potter County may contract with a private non-profit institution for the care and supervision of juvenile delinquents.

A water supply corporation organized under Article 1434a, civil statutes, is required to operate as a non-profit corporation.

Harris County domestic relations judge may serve on Texas Southern University board of directors.

City or county bond interest and sinking funds may be used only for paying interest on bonds or redeeming them.

Travis County may employ an ambulance service for residents outside audience and use city streets for transporting patients to hospitals without a city franchise if all safety standards are met.

APPOINTMENTS — Gov. Preston Smith appointed B. B. Schraub of Seguin as 25th district judge and Houston C. Munson of Gonzales to succeed Schraub as district attorney of the 25th district.

Smith named Dr. James Harris Sammons of Baytown to the Commission of Rehabilitation.

Governor appointed Royce Lee of Bronco to board of directors of Upper Colorado River Authority and reappointed Everett J. Grindstaff of Ballinger, Cumble L. Ivey of Robert Lee and John R. Salmon of San Angelo.

He named Mrs. Louise Maedgen of Lubbock to the American Revolution Bicentennial Commission.

Governor reappointed to Guadalupe-Blanco River Authority board of directors Zeb H. Fitzgerald of San Marcos, Ed F. De Leon of Cuero and Edward Reese of Gonzales.

John B. Turner of Houston, A. B. (Stormy) Shelton of Abilene and Homer Lee Bryce of Henderson attended their first meeting of the Texas Industrial Commission after appointments to succeed retiring Claude Brown of McCamey, I. F. Bay of Brownwood and M. M. (Mack) Stripling of Nacogdoches.

LIVESTOCK EXPORT RECORDS SET — Agriculture Commissioner John C. White pointed to a dramatic increase in breeding swine and beef cattle exported from Texas during the first quarter of 1971.

White said Texas producers are continuing to set the pace for the nation in swine exports to foreign countries.

Swine exports jumped 240 per cent over the previous year during the first quarter, and beef cattle exports 140 per cent.

Mexico continues to be the best market for export sales, although shipments are made to 20 countries, White said.

HAIL CURB STUDIES — A California firm, Atmospherics Inc., received a permit from the Texas Water Development Board to conduct hail suppression operations in the Plainview area from May through October.

Supporters hope to reduce crop-damaging hail by aerial seeding of selected clouds with silver iodide. About 530 backers contributed \$128,600 to finance the cloud-seeding. No evidence was found that last year's program caused a rainfall reduction, as opponents claimed.

WELFARE ECONOMIES URGED — Lt. Gov. Ben Barnes followed through on his warning that Medicaid welfare spending may "bankrupt" the state with proposals for trimming the bill an estimated

NEW BROOMS SWEEP UP LOOT...

And this is exactly what these Morton Lions Club members were getting ready to do as they prepared for their annual broom sale last Wednesday. The sale netted the club \$473.99, all of which will be spent locally to purchase eye glasses for needy children and for Boy Scout activities sponsored by the Lions Club.

25-30 per cent for 1972-73.

Barnes suggested these steps:

A limit on the time welfare patients can stay in the hospital.

A limit on the cost of hospital rooms.

A fixed fee schedule for doctors on welfare cases.

A surgical benefit schedule as in private health insurance plans.

SMITH REQUESTS PARK FUNDS — Governor has urged federal authorities

release more than \$3.2 million in Bureau of Outdoor Recreation funds for 20 state and 34 local park-rec projects.

He accused the Republican administration of delaying funds "for partisan political reasons." Smith said the BOR is awaiting advice of federal solicitor and U.S. District Attorney Segal Wheatley of San Antonio before approving projects signed by Pearce Johnson, Parks and Wildlife Commission chairman as state liaison officer in parks matters.

Johnson blocked the use of \$2.1 million in BOR funds released to the state for Mustang Island park purchase early this year with federal court action.

Largest of the grants being held up is \$731,300 for the new McKinney Falls State Park.

SHORT SNORTS — Governor Smith signed into law the new "rules of road" legislation to bring Texas highway laws into conformity with other states.

Also signed by the Governor was a bill to provide a special pool for insurance coverage in areas subject to hurricane and tornado disaster.

Bill providing for 10-2 jury verdicts and comparative negligence doctrine in some civil damage cases was passed and sent to the governor who is weighing advice to veto it.

Parks and Wildlife Department is hearing proposals this week to expand the either-sex deer season from four to 24 counties.

Delegates selected to National Explorer President's Congress

Bill Mayes, South Plains Council Explorer Committee Chairman, announced today that Explorers are now preparing to leave for Washington, D. C., on May 31 to represent this area at the first National Explorer Presidents' Congress.

President Richard Nixon is honorary chairman of the 5-day congress to be held June 2-6 at the Sheraton Park Hotel in Washington.

For the first time, these young men will join 2,500 other Explorers to have a voice in the nationwide Exploring program by participating in elections, leadership seminars, and exchange sessions with top Government leaders.

Explorer presidents representing this area are Donny Ray Brown, Post 258, Kress, Texas; Keith Anderson, Post 211, Ralls, Texas; and Ricky Rhodes, Post 368, Petersburg, Texas.

Mayes stated the council delegation has space for four more participants. Interested Explorers should contact R. L. Hurst, Staff Explorer Advisor, at the Council Service Center.

During their visit to Washington, the Explorer presidents will participate in a variety of training programs to make them more effective Explorer leaders, including sessions with Atty. Gen. John Mitchell, political satirist Al Capp, and Mayor Walter Washington.

In addition to sight-seeing tours of Washington, the Explorer Presidents' Congress will climax with an entertainment spectacle on the White House lawn and with the installation of the first national Explorer president.

County judge attends mental health session

Cochran County Judge Glenn W. Thompson attended a two-day workshop on mental health and mental retardation at Big Spring State Hospital last week.

The workshop, which was designed for county judges and social workers in keeping with their duties relative to the problems dealt with mental health, mental retardation, alcoholism and drug abuses, was held on a day-to-day basis, with sessions covering all aspects of the mental health and retardation field. The two-day program was interspersed with small panel discussions and group discussions.

Judge Thompson expressed deep satisfaction with the program coverage and

★ Giant auction

The Whiteface Lions Club is sponsoring a giant auction, beginning at 7:30 p.m. May 11, at the brand new community building for the purpose of raising money to furnish the kitchen at the center. Club members say there will be a large variety of items of value at low prices and urge anyone interested in a real bargain to attend.

They will take items on consignment at a nominal fee of 20 percent of the auctioned price. There will be something for everyone — so be there! Tuesday, May 11 at 7:30 p.m.

Thompson stated that it had cleared up many gray areas and would be very useful to him in performing his duties in this field.

County will receive federal, state aid in fighting drought

The Cochran county ASCS office announced early this week that federal approval has been given for emergency measures for drought relief in two categories. One is for repair of damage caused by wind erosion and drought and the other is for seasonal grazing and harvesting of hay to offset damage done to range-land by the present extended drought period.

Allocation of emergency conservation measures, (ECM), funds has been made to the local ASCS office to be used in sharing the cost with the farmer in deep breaking, chiseling and listing to bring clod-forming subsoil to the surface to reduce or prevent damage by wind erosion. To receive cost share funds, the farmer must make application through the ASCS office. The maximum federal cost shares will be a county flat rate based on 80 percent of the average cost in the county. County practice specifications will determine the depth of plowing, which in no case can be less than 12 inches.

Approval has been received permitting haying and grazing of non-irrigated set-aside and CAP acreage without a charge through June 30, 1971. Non-irrigated acres for this purpose will be determined on the basis of how these acres are treated this program year.

Producers will be required to make an application to hay or graze on such land. If the acreage is irrigated, you must file a request and pay the required fee prior to grazing or harvesting. The fee for grazing will be \$1.50 per acre per month and for haying it will be \$5.00.

Although there is no charge to producers on dryland acres, maximum charges for re-letting grazing or haying to third parties are still applicable in order to prevent profiteering. Maximum rates for reletting dryland acres on which producers are allowed to graze free are as follows: Grazing \$1.00 per acre per month, harvesting standing hay — one-half (50%)

of the rate which would have been charged the permittee if free haying had not been permitted, baled hay — \$30.00 per ton.

For reletting irrigated land the maximum charges per acre are as follows: Grazing \$2.25, harvesting standing hay \$7.50, baled hay \$30.00 per ton. It has been determined that all producers grazing or planning to graze CAP or set-aside acres are required to sign a form DF-10 at the ASCS office.
