MHS homecoming begins today

Many gala events are on tap for the 1971 Morton High School Homecoming celebration which will extend over two day period, Thursday and Friday.

The festivities will kick off tonight at 7:30 p.m. with a giant city-wide rally and coronation ceremony to be held in the school gymnasium. Following the rally and coronation, the huge homecoming bonfire will be lit in an area south of the gymnasium and located between the school tennis courts and the city water tower.

The big event Friday will be the traditional Homecoming football game, this year featuring the "Fighting Indians" in a district clash with the "Mean Green" Whirlwinds of Floydada High School.

After the game, all MHS exes are invited to a social hour in the Morton schools cafeteria, where they can renew old acquaintances, make new friends and participate in a business meeting. All students are invited to an after-game get-together in the County Activities Building banquet room.

Tonight's coronation ceremony will feature the high school band with a musical accompaniment to the queen candidates entry into the gym. The nine queen candidates will be escorted into the gym by nine Morton High School young men students.

Chosen by the 1971 football squad as its queen candidates are two seniors and one junior. They include senior Sherri Cadenhead, daughter of Mr. and Mrs. Hub Cadenhead; senior Ernestine Hawkins, daughter of Mr. and Mrs. Ernest Hawkins and junior Becky Goodman, daughter of Mrs. Ruby Goodman.

The candidates for queen were selected by the football squad by secret ballot earlier in the week.

The 1971 band sweetheart will be chosen from three MHS coeds nominated in secret balloting by the band members. Two juniors and one senior, they include Jane Wilcox, daughter of Mr. and Mrs. Wayne Wilcox; senior Mary Cadenhead, daughter of Mr. and Mrs. Hub Cadenhead, I.

LUXURY ON WHEELS . . .

ORVILLE TILGER, president of the Morton Industrial Foundation, inspects one of a fleet of Hilberg Foods trucks that will be engaged in transporting meat products from Prairieland Packing Corp. to its destination anywhere in the United States. Purchase price of this tractor-trailer is approximately \$44,000 and the worth of a full load of the meat

products that it hauls averages \$40,000, according to Hilberg officials. The refrigeration unit holds the temperature in the trailer to an even ten degrees below zero during transport. Though it appears clean and shiny as new, this particular truck has over 150,000 miles on it and can expect a great many more.

'Lopes squeeze by Tribe 10-7

The Morton Indians were not awed by the state-ranking given to the Abernathy Antelopes and the Tribe threw a gigantic scare into the Antelopes before going down to a 10-7 defeat.

The fans had not even had a chance to get comfortable before they were on their feet cheering as Jimmy Harvey took

the opening kick-off and rambled 86 yards for a touchdown. The extra point kick by Bryant Lewis was good and the Indians had a 7-0 lead.

This quick score brought the Antelopes to life and they only allowed the Tribe to run 6 more plays the entire first quarter. Abernathy was able to move consistently until they got inside the Indian 20 and at that point the Tribe defense stiffened to halt two drives, although the second drive did result in a field-goal by Joe vans and the Indian lead was cut to 7-3 at the end of the first quarter.

The second quarter was almost a replay of the first as Abernathy controlled the ball most of the period. This period was also the scene of the two most critical plays in the entire game. The first came on a fourth down attempt when the Abernathy quarterback tried to sneak for the first down yardage. It seemed apparent to the Morton players and fans that the play had been stopped for no gain, but the officials did not agree and the drive continued.

★ First aid . . .

Rodger Miller, State Department of Health from Austin, will conduct Advanced First-Aid classes Tuesday, Wednesday and Thursday of next week from 7 until 10 p.m. in the County Activity Building.

This is a follow-up of the Standard Course given. Completion of both courses qualifies the individual for ambulance duty.

The next crucial play was another four-the down situation, and as the end broke into the clear through a disorganized Tribe defense quarterback Riley hit him with a pass down to the 9-yard line for the first down. Three plays later the Antelope workhorse, Bobby Rogers, took the ball and went 3 yards for the touchdown.

Students given honors in elections at MHS

Sherri Cadenhead was named Miss Morton High School and Keith EEmby was named Mr. Morton High School in an election September 28, by MHS students.

Others named for honors were: Most Attractive, Jane Wilcox; Most Handsome, Kevin Kuehler; Most Likely To Succeed, Terri Harris and Morton J. Smith; Best Personality, Karen Stevens and Bryant Lewis.

LaVerne Romans and Rush Coffman were named Most Courteous; Most Versatile are Ernestine Hawkins and Jackie Richards.

High school teachers voted Karen Stevens, Terri Harris and Rush Coffman Most Dependable.

The following were chosen as their class favorites; Seniors, Sherri Cadenhead and Kim Coats; Junior Class, Mikella Windom and Doug Crockett; Sophomore Class, Marie Wilcox and Ralph Mason and Freshman class favorites are Cheryl McClung and Johnny Reeves.

The MHS Lohah Staff sponsors the elections each year.

Cochran County Red Cross fund drive gathers steam

Cochran County Red Cross fund drive was gathering steam in its first two days. Approximately \$30.00 was collected from the two coffee days held at the Malt Shop and Tic Toc Restaurants.

Additional workers have volunteered to help with the drive. The Campfire girls have joined with the L'Allegro Study Club as two additional clubs to help in the effort. Dee Tucker, Mrs. Don Lamar, Mrs. Berta Abbe and Mrs. Christine Avery are working on the Drive in Maple. Mrs. Billy Gunter and Mrs. Eugene Bentley are working in Lehman; Mrs. James Whitehead and Mrs. L. T. Lemons will be collecting contributions east

of Morton. Mrs. Danny Key will cover Neely Ward and Griffith areas and Mrs. Charles McCormack and Mrs. Dorothy Nichols will work the Enochs area.

Whiteface Mayor Wendell Dunlap has announced Red Cross Day Saturday in that community.

Neal Rose and J. C. Reynolds are in charge of the Morton area and at press time an estimate of funds collected thus far was unavailable.

"We are very encouraged by results of the first two days of our drive and feel sure we will meet our \$1,800 goal, Mrs. Carl W. Ray, CC chairman, stated.

GOIN' DOWN . . .

DR. FENELA HENREY was taking a chance on being in need of her own services as the passing camera caught her descending from the roof after a bout with her television antenna early this week. Mr. Henrey, who was unaware of her scrambling trip until he heard her distress call, comes in with a belated but welcome assist while the little one offers advice and encouragement.

Indians set to offer exes spoiled 'Mean Green' menu

Tonight will be homecoming for the alumni of Morton High School, and as they focus their attention on the football field they will not see a "white" menu but instead they will see a menu of "mean green Whirlwinds" attempting to blow the Indians off the field. The mighty 'Winds have waltzed off with these District 3-AA championship the last two years, and they were picked best of the season began to end up at the top of the heap again this year. Coach L. Wilson has had to replace a large number of starters from last year's team, but his 3-1 record for 1971 seems to indicate that he found some adequate replacements.

Floydada opened up district play with a hardfought 6-0 win over Dimmitt. The Whirlwinds had several fumbles at crucial times during the game or the score probably would have been worse than it was. The 'Winds offense is termed a "Flying

Local man charged with assault, breaking

Ronald Barrera Moralez, 22, of Morton, was taken into custody at his home early Saturday morning and lodged in the county jail on a charge of breaking and entering and assault with intent to rape, city police reports show.

Moralez was arrested by city patrolmen Paul Williams and Travis Long at his home on East Seventh Street at approximately 5:40 a.m. on a complaint by Patricia Woolam of 307 E. Taylor Avenue. Miss Woolam advised the Tribune that Moralez broke into her home at approximately 11 p.m. Saturday and held her prisoner until 3 a.m., when she managed to break away and report to the police station.

During the two hours he was in her home, police reported, Moralez held her prisoner and attempted rape.

The suspect offered no resistance when arrested, Patrolman Williams stated. Justice of the Peace Joe Gipson set bond of \$5,000 on the assault charge and \$1,500 on the breaking and entering charge. Neither bond had been posted at press time and Moralez remained in custody of the Cochran County Sheriff awaiting grand jury action.

Ambulance calls

Anyone needing services of an ambulance may call the City Hall, 266-5966 or Cochran Memorial Hospital, 264-5565.

These are temporary numbers to be used until numbers are assigned to Frontier Ambulance Service by General Telephone. New numbers will be announced as soon as they are in operation.

A WORLD OF BEEF . . .

FIVE EXECUTIVES who were most influential in the location and operation of the Prairieland Packing Corp. were photographed during the company's open house Saturday in the cold room where they were admiring tens of thousands of pounds of their product. Looking over the prime beef, left to right, are Gus Juengling, LLL, president; John

Hilberg, owner of Hilberg of Cincinnati, Ohio; Orville Tilger, president of the Morton Industrial Foundation; D. E. (Gene) Benham, president of the First State Bank of Morton; and Joe Rice, general manager of Prairieland Packing Corp.

ANNOUNCING THE DAWN OF A NEW DAY:

WASHDAY MONDAY TUESDAY

Washday

Traditionally it's that day women used to call "Washday" or "Blue Monday"—an entire day set aside to doing laundry. Thanks to modern electric washer/dryers, Monday is a new day which can be devoted to shopping, working in the yard or pure relaxation after a long weekend.

If nostalgia overcomes you, Monday still can be the day for doing the laundry, but only a few minutes will be required to achieve a bright fresh and clean-dried finished laundry for the entire family. Make Monday a beautiful day... with an electric washer/dryer.

During half time activities at the football game Friday night, the Football Queen, Band Sweetheart and Pep Squad Sweetheart will be introduced to the public.

The public is invited to all the pep rally activities and all Indian boosters are urged to be on hand for the game and cheer them on to victory in a crucial district contest.

Rufus Thompson made partner in law firm

The law firm of Atwood, Malone, Mann and Cooter has announced the partnership of Rufus E. Thompson in their Roswell, N.M. offices.

Thompson is a graduate of Morton High School. He received a B.A. degree in finance and business administration from the University of Texas in 1964 and a law degree from the University in 1967. He joined the Roswell firm following graduation.

Thompson is the son of Judge and Mrs. Glenn W. Thompson of Morton. He is married to the former Sandra Lemons, daughter of Mr. and Mrs. Thurl Lemons of Stegall. The couple have two sons, Michael, age 3, and Mark who is 13 months old.

Wishbone." This is a variation of the Texas offense where both ends are split. The offense is wide open, and they can run and pass with effectiveness. The offensive backfield is probably the fastest the Tribe has faced this year.

The two halfbacks, Walter Harris and Van Mitchell, are extremely fast and between them they scored 25 touchdowns last year, with Harris getting 17 of them. Fullback Jim Kunkel has scored the most points for Floydada this year and he is the man the Whirlwinds turn to when they need key yardage.

The line is led by 205 lb. guard Kim Rose, a big strong, aggressive player who likes to punish anyone he comes in contact with. His coach terms Rose as a "blue chip" prospect, and he has been tabbed by the experts as a sure bet for All-State honors. The Winds line averages 180 lbs. and will enjoy a 10 lb. advantage over the Indians.

Floydada's defense looks to linebacker Rose for its leadership. The defensive team has only allowed 8 points to be scored against it and those were by AAA Tulia as they beat the "mean green" 8-0. The front line only allowed Dimmitt to rush for near 70 yards last week and the Bobcats total offense was less than 100 yards, so the Indians will be hard pressed to equal their rushing average for the year which is about 200 yards per game.

Coach Reed stated that the spirit during this week's workouts was as good as it had been all season, and this is a good indication that the team is ready to explode with the effort necessary to slow down the Whirlwind Express and in the process set themselves back in the thick of the district race.

All Morton fans are urged to be at Indian Stadium for the 7:30 kick-off and help the Tribe get revenge for last year's mauling by the "mean green."

Abernathy . . .

which sealed the Indian's doom.

The last half was a defensive battle as the closest tries for scores were two field goal attempts by Abernathy, but neither of them were good.

Coach Doug Reed felt that his charges played a tremendous game, and that this game was their best effort all year. He was extremely pleased with the attitude possessed by the team because it seemed that very break went in favor of Abernathy yet not a single man gave up in the face of adversity.

The Indians had several key players

Re-elected . . .

RAY O'BRIEN was re-elected District Director in zone three of the Cochran Soil and Water Conservation District at a breakfast meeting at Willingham Gin Monday. O'Brien had served one term prior to his re-election. He has held various offices as a member of board and is currently serving as secretary.

In this contest, Harvey, in addition to his big kick-off return, was credited with 20 assisted tackles on defense. Leslie Carter and Tony Bramblett had 17 and 15 assisted tackles, respectively, to aid Harvey.

The Tribe ground-gaining corps was led by Elton Patton who rushed 10 times for 65 yards. The rushing total for the night was 160 yards. Although this was not the best the Indians have done on the ground, it was very respectable as the Abernathy defense had a reputation for being very stingy with its yardage. Keith Embry completed 4 of 8 passes for 80 yards, but he was the victim of one very costly interception.

Abernathy was led by tailback Rogers who carried the ball 27 times for 126 yards compared to 240 for Morton.

Abernathy now stands at 4-0 for the year and 1-0 in district play while the Tribe is 1-3 for the year and 0-1 in district.

ENGAGED . . .

MR. AND MRS. E.D. Jackson have announced the engagement and approaching marriage of their daughter, Trevia Diane to Lee Sinclair, son of Mr. and Mrs. Y. L. Sinclair. The bride-elect is a senior student at MHS and Sinclair is employed by Owen Bros. Custom Feeding Company. The couple plan to be married October 22 in the First United Methodist Church.

New bank holiday schedule changes some closing dates

The Congress of the United States and the Texas Legislature have designated the second and fourth Mondays in October as public holidays on which all state and federal offices and all banks in Texas must close, according to Oscar Lindemann of Dallas, President of the Texas Bankers Association.

The traditional Columbus Day of October 12 and Veterans Day of November 11 were changed several years ago by Congress and the Texas Legislature to the second and fourth Mondays in October. 1971 will be the first year, however, in which these new Monday public holidays will be observed.

Both dates were declared mandatory bank holidays by the Texas Legislature so that Texas laws would conform with the laws of the federal government and a majority of the other states, Lindemann said.

The main business of the session was to elect delegates to the State TSTA Convention in Austin. Those elected were James Sinclair from Buia and Harden Ray from Three Way. Reports were given by Lorena Carter, Delores Greathouse, Marie Hicks and Darrell Corkery about the sessions they attended at the district meeting for officers in Lubbock.

Refreshments were served by the Buia members after the business meeting was adjourned.

LEAVENING AGENT — A leavening agent is a substance used in flour mixtures which makes the cooked product porous or light, explain Extension foods and nutrition specialists. There are three leavening agents: air, steam and carbon dioxide.

ASCS Farm News

Mid-October is the time when all details of the 1972 set-aside programs for feed grain and cotton probably will be announced, according to D. W. McElwrath, State farm program official.

Farmer inquiries are being received and Conservation Service (ASCS) county offices, the Cochran County Agricultural Stabilization and Conservation Service (ASCS) office, he said. However he pointed out that many details are still in the decision-making process, in particular the percentage of set-aside acreage to be required.

Secretary of Agriculture Clifford M. Hardin has been consulting with representatives of the agricultural community while the feed grain and cotton programs are under consideration. For instance, the fourth week in September about 30 members of State ASC Committees from cotton and feed grain producing regions convened in Washington to discuss the 1972 programs.

Earlier in September, Secretary Hardin met with two national agricultural advisory committees to consider cotton and feed grain programs for next year. Both the National Advisory Committee on Cotton and the National Advisory Committee on wheat, feed grain and soybeans are composed of a representative cross-section of producers, farm groups and associations, the trade, and industry.

"Although official notification cannot yet be sent, most farmers know what the feed grain base on their farm is and cotton producers have an idea of approximately what their farm cotton allotment acreage will be. Farmers also know their farm conserving bases as the acreage they must keep in conserving uses, in addition to set-aside acreage, if they participate in the programs," McElwrath said.

Set-aside percentage and set-aside program details are the most eagerly awaited details still to be announced for the feed grain and cotton programs, he said.

"In determining these, Secretary Hardin considers the need for increased farm income and a strong farm economy; probable demand, both in the U.S. and overseas; the necessity of maintaining the nation's competitive position in farm exports; expected carry-over stocks and their effect on farm prices; the long-term future of American agriculture; and many other factors," McElwrath said.

He commented at determination of set-aside acreage and set-aside payment rates necessarily includes many important considerations, such as the 1971 feed grain terminations which had to be made with no way of knowing how the new crop of Southern leaf blight might affect the corn crop. "As it turned out, the blight was not a major problem this year, and it looks like a record corn crop. Now, Secretary of Agriculture must consider the effects of this record production, he develops the 1972 program," McElwrath said.

Local farmers were assured by ASCS official that as soon as the program details are received public announcement will be made, news sent out, and the County ASCS Office be ready to answer program questions.

STORING FRESH FRUITS — When you store fresh fruits, Extension and nutrition specialists remind fruit makers that the temperature and humidity are very important. Poke a few small holes in a plastic bag to provide ventilation and to let out some of the moisture which accumulates.

Water, Inc. to launch membership drive at meeting in Lubbock

Civic and community leaders from throughout West Texas and Eastern New Mexico will converge on Lubbock Saturday, Oct. 9 to launch an intensive 45-day membership expansion campaign for Water, Inc. The campaign kickoff meeting is slated at 3 p.m. in the fifth floor meeting room at the First National-Pioneer Building.

Chairman of the Water, Inc., membership committee is A. L. Black, Friona. Black is also the organization's first vice president.

"If we are to successfully pursue our goal . . . adequate future water for all . . . then we must pledge our support to Water, Inc., in the form of expanding membership," Black said. "It is a dedicated membership that furnishes the financing for carrying out our work," he added.

Water, Inc., is a non-profit, membership-based organization dedicated to the support of full water development including the importation of water into areas of need. Basically working through educa-

Letter To The Editor

To all of you,
Thank you for making Morton home, for your love, for your welcome, for your patience and your understanding. For your kindness, for your help, thank you for being friends. For being family, for being home, I love you all. God bless you and again, thank you so much. It's so good to be home.

tion programs, it maintains a close liaison with the general public, state and federal agencies and officials. There are currently about 2,500 active dues-paying members in Water, Inc., and officials have set a goal of more than 3,000 when the drive ends in mid-December.

The membership campaign gets underway officially on Nov. 1 and ends Dec. 15. Attending the kickoff meeting Saturday will be representatives from most of the counties within the organization's corporate area. In addition to "pep talks" by Black, Gaston Wells, Dumas, Water, Inc., president, and Bill Clayton, executive director, membership campaign material will be distributed.

Medicare protection value increases as medical costs rise

If you are enrolled in Medicare, the protection you have against high medical expenses is becoming more and more valuable each year. Hospital and medical costs have nearly doubled since Medicare went into effect in 1965.

As these expenses have continued to grow, Medicare has absorbed most of the costs with only small increases in the price of its protection. However, to continue providing maximum coverage to its beneficiaries without increase in taxes, the Social Security Administration has announced that, effective January 1, 1971, the part you pay while in a hospital was increased slightly.

For the first 60 days you are in a hospital, Medicare pays all of the covered expenses except the first \$60. For the next 30 days, Medicare pays all the covered expenses except for \$15 a day. You previously had to pay the first \$52 and \$13 a day.

Also, if you use any of the 60 "lifetime reserve" days in the hospital, Medicare pays all the covered costs except \$30 a day.

If you need extended skilled care in a nursing home after a stay in a hospital, Medicare pays all of the covered expenses for the first 20 days and all but \$7.50 a day for up to 80 more days. Formerly, the cost was \$6.50 a day.

If you have medical insurance under Medicare, your coverage has not changed. Your insurance will pay 80 percent of your covered medical expenses over \$30 each year. However, effective July, 1971, there will be a slight increase in your monthly premium.

Therefore, although medical expenses have skyrocketed since 1965, the cost to you has changed little.

If you have questions, you should call your nearest social security office.

STATE Capital NEWS

By VERN SANFORD

AUSTIN, Tex. — The State Legislative Redistricting Board, ordered by the Supreme Court to reapportion the House of Representatives as well as the Senate, is in the process of writing its bill under deadline pressure.

Finding of the Court that the Board should take over the unfinished legislative reapportionment task was doubly significant.

Aside from setting a precedent as to responsibility of drawing new district lines, the decision eliminated the necessity of an early special legislative session. This pleased both House Speaker Gus Mutscher and Gov. Preston Smith.

Mutscher, under bribery indictment, escaped an early showdown with legislators who want to force him to step down as speaker and replace him with another. Although speculation was widespread he would hand his duties to a speaker pro tempore, he announced four days after the Court's decision he had decided to stay on the job, confident he will be found innocent of charges.

Governor Smith applauded the Court's decision. He said he wants to wait "as long as possible" to call a special session on budget matters so the Legislature will have full advantage of data on available revenue which might curb the tax bill.

Indications are there will be no special session now until June, 1972, after the primary elections.

The five-member Redistricting Board held a hearing September 30 and heard only testimony of big-city residents debating the merits of single-member vs. multi-member (or countywide) House districts. Apparently, the Board is divided two and two, with Atty. Gen. Crawford Martin undecided on the metropolitan district issue. Whichever way it rules, another lawsuit challenging the decision seems likely. The Board has only until October 23 to complete its work.

GOVERNOR'S RACE WARMS

There is official competition in the governor's race with the entry of Uvalde rancher

and banker Dolph Briscoe. Lt. Gov. Ben Barnes announced last June he would run.

Briscoe made clear the stockloan scandals (which resulted in three state-house indictments September 23) will be a major issue in his campaign.

He focused attention on quick passage by the Senate of the same bank deposit insurance bills which figured in the indictments of Mutscher, Rep. Tommy Shannon of Fort Worth and S. Rush McGinty of Austin. And, he maintained, Barnes "helped push them (the bills) through the Senate."

Barnes declined to reply. He said there will be "plenty of time to set the facts straight" within the next seven months before the election.

Briscoe also emphasized need for innovations in mass transportation and further environmental protections.

ETHICS COMMISSION COMPLETE

A new Ethics Commission to police behavior of public officials is now complete, though top state judges have expressed doubt as to its effectiveness.

Three members elected by the Senate are Sens. A. M. Aikin of Paris, Charles Herring of Austin and Oscar Mauzy of Dallas.

House members elected Reps. John F. Boyle Jr. of Irving, Clyde Haynes Jr. of Vidor and James E. Nugent of Kerrville.

Court of Criminal Appeals Presiding Judge John F. Onion Jr. appointed Rabbi David Jacobson of San Antonio and University of Texas Law Professor John Sutton Jr. of Austin.

Supreme Court Chief Justice Robert W. Calvert earlier designated Baylor University Law Professor Mrs. Margaret Harris Amsler and Houston Attorney Alf Roark.

First Court of Civil Appeals Chief Justice Spurgeon Bell picked Dallas Attorney W. Hassell Jr. and retired Houston newspaperman William H. Gardner, now of Austin, for the Judicial Qualifications Commission.

APPOINTMENTS

— Governor Smith named Dr. William L. Anderson of Dallas to the Texas Animal Health Commission for a six-year term.

Frank Hildebrand of Austin was selected state travel director of the year as the result of a nationwide poll of travel promoters.

Lubbock Mayor J. H. Granberry was appointed to the Board of Directors of the Texas Law Enforcement and Youth Development Foundation.

Governor's appointments of the last week include: Richard (Cactus) Pryor, Austin, to Texas Tourist Development Board.

Jack B. Dale of Houston and John T. Bean of Fort Worth to the Board of the Commission for Rehabilitation (reappointments).

Lee D. Herring of GrandPrairie to the Texas Commission on Alcoholism.

Mrs. Eunice M. King of Amarillo (re-appointment) and Sister Mary Vincent O'Donnell of San Angelo to the State Board of Nurse Examiners.

Dan E. Stroppe of Waxahatchie, Ralph S. Abel of Dallas, Vernon E. Walter of Harlingen and Norman L. Maderer of Houston to the Structural Pest Control Board.

Mack C. Adams of Dallas will join the staff of the Coordinating Board, Texas College and University System as head of the division of student services October 15.

AG OPERATIONS

— Texas Air Control Board must keep "confidential information" label on data it collects in investigation of air pollution matters where parties insist, Attorney General Martin has held.

In other recent opinions, Martin concluded:

In proceedings in eminent domain in Cass County, petitions should be filed with the fifth district judge, and he will appoint special commissioners, receive awards and enter judgments.

Deer hunting with dogs is lawful in San Augustine County during open season provided in a 1971 game bill.

Laws requiring additional water safety equipment on boats and specifying that children 12 or under aboard motorboats must wear life preservers should be enforced.

Texas Optometry Board may use written exams made available by international associations if they meet state requirements.

State Comptroller can require proof of authorization for Parks-Wildlife Department employees to sign vouchers in reference to deposit, expenditure and invest-

ment of department funds in the state treasury.

Fifty dollar license fee for mobile home manufacturers is no longer required to be paid to Bureau of Labor Statistics.

ROAD EMERGENCY DECLARED

— Governor declared a state of emergency in 21 South Texas counties with respect to highway conditions resulting from Hurricanes Fern and Edith winds and rain.

Smith said immediate reconstruction is vital in Aransas, Bee, Brooks, Cameron, Chambers, Duval, Goliad, Hidalgo, Jim Hogg, Jim Wells, Jefferson, Krnes, Kleberg, Live Oak, Matagorda, Nueces, Refugio, San Patricio, Starr, Webb and Willacy counties.

QUAIL SEASON EXTENDED

— Enlarged Parks and Wildlife Commission voted to extend the closing date of quail season statewide to February 15. Action provided two additional weeks for most counties, but in some areas the season is still two weeks shorter than last year.

At the same meeting, the Commission voted unanimously to reopen the Canadian River bed to free public hunting under an attorney general's ruling of September 16.

SHORT SNORTS

— Cities levying local option sales tax will be \$40.1 million (combined) for the last quarter.

October 1 deadline has been extended 45 days for disabled veterans to get special free license plates (which also carry exemptions from parking fees).

Governor has urged Treasury Secretary John Connally to investigate the federal interpretation of wage-price freeze order which refused to allow increases in state employee travel allowances and insurance premiums.

Otice Green of Lubbock resigned as Governor Smith's top aide, increasing speculation as to whether Smith will run again or not. Governor said Green's move is linked to his plans, but wouldn't say how.

"Real" income of Texans rose about four per cent from August 1970 to August 1971 in spite of rapid price inflation, University of Texas Bureau of Business Research reports.

Agriculture Commissioner John C. White warned of a pink bollworm infestation in North Central Texas and said it is spreading in North and East Texas as well.

Governor headed a delegation to Mexico City to open the new Texas international trade promotion office there last weekend.

About local folks . . .

Mrs. Roy Monacelli and sons, Mr. and Mrs. Ira Brown, Julia and Freddie were in Lubbock Tuesday to greet Capt. Roy Montacelli who returned from a year of duty in Vietnam. After visiting a few days in Morton, Capt. Monacelli will go to his new assignment in Ohio. Mrs. Monacelli and sons will be joining him to establish their new home there. She will be remembered as the former Penny Farmer.

Bill Bickett, local merchant, remains in Lubbock's Methodist Hospital following major surgery last week. His condition is considered satisfactory. His wife and mother, Mrs. Connie Baker, and many friends have spent much time with him.

Mr. and Mrs. S. Butler spent several days last week visiting with Mrs. Butler's brother-in-law, Hob Trawick, who is in Methodist Hospital in Lubbock.

Larry Moore of Oklahoma City spent the weekend in Morton with his parents, Rev. and Mrs. Mearl Moore.

Mr. and Mrs. Bill Wood spent most of last week at Methodist Hospital in Lubbock at the bedside of his mother who is gravely ill.

Monti Tanner, who was injured in an accident recently, remains in Methodist Hospital in satisfactory condition. He is expected home in about ten days.

Miss Rheda Jane Brown, a student at NMSU, will spend Thursday through Saturday in Morton visiting with her parents, Mr. and Mrs. Ira Brown and will attend the annual Homecoming at Morton High School.

Larry Elliott, son of Mr. and Mrs. Richard E. Elliott, returned to duty with the U.S. Air Force in San Antonio after spending a few days leave with his parents. From San Antonio, Larry will be going to Delaware for a new assignment.

Judge and Mrs. M. C. Ledbetter attended the conference of the Judicial Section of the Texas Bar Association in El Paso from Wednesday until Saturday of last week. Mr. and Mrs. L. A. Ledbetter of Amarillo were guests in his brother's home over the weekend.

Mr. and Mrs. John Dumbley from Fresno, California and Mrs. Katie Ashley from Lamesa visited with Mrs. S. A. Ramsey last weekend.

Mr. and Mrs. Billy Smart of Lubbock visited with their parents, Mr. and Mrs. Don Smart and Judge and Mrs. M. C. Ledbetter over the weekend.

Mr. and Mrs. C. B. Burleson, and Nancy from Lake Jackson are visiting with her sister and family, the Sayers. Their daughter, Jean Ann, is a Texas Tech student, will play in Morton for the weekend.

Mrs. Jackie Pinson and Brandon Enos from Wednesday until Friday of last week with her mother, Mrs. S. A. Ramsey Junior and Louise Enos visited in Morton last weekend with their son, and his wife, Lauana.

Mr. and Mrs. Clyde Coffman spent last week in Odessa with their family, the David Coffmans.

Mr. and Mrs. C. W. Wiggins returned from Childress the last part of last week after spending several days with her parents. Her father is seriously ill undergoing surgery recently.

Mrs. Truman Anglin, accompanied several girls from Missionary Baptist Church, participated in the G.A. Party of State of Texas held at the Baptist Church Friday night and day morning. Rev. Mearl Moore gave the sermon Friday night in talk, theme being "Christ at the Cross." Approximately 300 girls and sponsors over Texas attended, sleeping on mats in the educational building of Centralist.

★ SS visits

The visiting schedule for October November and December for Social Security representative from Lubbock office to be in Morton been announced.

The representative will be present to answer any questions asked local citizens in the meeting of the county courthouse beginning at 9:30 a.m. on Monday, October 18; November 22 and December 20.

The Lubbock office reminds it is now equipped to handle Social Security business by phone and suggests that much effort may be saved by the Lubbock office. The telephone number is AC903-3711 Ext. 373.
