'Natural Childbirth', topic Emlea Smith Club meeting

Dr. Eva Lee Snead presented a program on natural childbirth to the Emlea Smith Junior Study Club November 11. The meeting was held in the home of Mrs. Jimmy Harris.

Dr. Snead told the members that natural childbirth is a total preparation for parenthood in which both man and wife participate. The La Mans Method of Natural Childbirth stresses that pain is intensified by fear; therefore, education of the birth process is very important to the mother. Special breathing and physical exercises are also used. She continued by saying "A misconception about natural childbirth is that drugs may be used if requested by the mother. But the doctor

still has secondary importance." Dr. Snead is one of the few doctors on the South Plains who cooperates with parents who wish to use the natural childbirth method.

During the business meeting, Mrs. Bill Foust reminded members to bring a wrapped gift for either a boy or girl and a toiletry item to the Christmas program. The club plans to meet at 7 p.m. at the Nursing Home for Christmas caroling December 9 and afterwards the members will go to the home of Mrs. Keith Price for their meeting.

★ We apologize

To all those customers of Shugart Studios who went to Coss Thriftway Supermarket Wednesday to take advantage of a rare portrait bargain advertised in the Morton Tribune on November 11, only to find the bargain not available, we apologize.

We goofed. Through our own error, an ad intended for the Denver City newspaper was published in the Tribune November 11 and contained all the wrong information. Our Shugart ad of November 18 should have been published both times.

We are sincerely sorry for any inconvenience or confusion caused by this error to both Coss Thriftway Supermarket and the customers effected.

Mr. and Mrs. Mike McDermott of Lubbock hosted a birthday party Sunday for his mother, Mrs. Charles McDermott, at the Villa Inn. Mildred enjoyed conventional birthday cake with trimmings, well wishes and lovely gifts.

Post-Mortons

BY BILL SAYERS

We have been padding around in circles this week — our whole world seems to be in turmoil being an old flying type, we know all about vertigo and other processes of spacial disorientation — but we ain't been this confused in a long time. What seems to be our problem? Well, we went to the bed the other night secure in the knowledge that our Great White Father Nixon was in full control of our destiny only to wake up the following morning to find that George Meany, illustrious president of the AFL-CIO, had taken over the country by acclamation. Not only did Der Fuehrer take over, but he gave our presumptuous little president his comeuppance in the process. In a word he said Nixon (not referring to his worthy title as President) is weak and scared and therefore dangerous. This followed a thoroughly insulting reception for the president when he spoke at the AFL-CIO convention in Miami.

Mr. Meany, quite obviously is putting himself deliberately in the position of forcing an eyeball-to-eyeball confrontation with the President of the United States. We have little doubt as to the outcome — furthermore we have little doubt that Mr. Meany will find out just how danger-

ous (to him) this so-called weak and scared President can be.

What is it that makes these old despots perform as they do? First we had John L. Lewis, and Harry Bridges, then Dave Beck, next, but not quite so old, was James Hoffa and Walter Reuther. Now it's our 77-year-old George Meany in his shining armor.

Directly in the face — and intended so — of the administration's fight against inflation, his rubber stamp delegates in Miami voted Big George a 28 percent salary increase from a mere \$75,000 a year to \$90,000, which was a measure that he himself as president, had to approve in advance. (We'll bet those lesser pie slicers are really celebrating their own gains this week).

We'll also bet that the rank and file members of the various unions all over the country don't know and couldn't name you the delegates from their locals to that convention that are ostensibly representing them. We'll go you one further and bet that the majority of the rank and file union members hate George Meany's guts and do not in any way support his politics in this instance. In all our naivete' we still cling to the thought that you can regulate an American worker

real close, but when it comes to his vote, you don't stand a chance.

So you need a little proof — well, here it is. Some 10,000 members of one of Big George's unions in Dayton, Ohio Monday voted against any form of salary or cost of living raise for the next two years. We understand that they had a 2½ or 3 percent raise due immediately and another next year and a substantial cost of living raise (17% due in January via contract), but they voluntarily refuted these advances because they were a threat to the company's existence.

Boy, we'll bet that ripped a patch out of Big George's britches.

Incidentally, if they will allow it, we would like to place ourselves right alongside of those folks in Dayton, Ohio and salute them with the statement that there are many ways besides being a war hero that one can serve his country. Thank you, and don't let Big George change your mind.

ALTOONA, PA., MIRROR: "The more free federal aid becomes, the less free will Americans be. If only because they'll be forced to spend more time working to pay taxes and have less time free to work for their own needs."

Isn't it a shame that every year — at least lately they pick Morton to take the district crown in basketball, and thus put our boys under the gun. If we were not so fair minded, we would suspect Dimmitt had something to do with the picking. They became district winners last year by virtue of some of the most inept officiating we have ever had the misfortune to observe. If it comes down to a

playoff again this year, let's hope the same people will not be present as officials.

Bear in mind, of course, this is strictly the opinion of the Morton Tribune and not in any way involves Morton High School.

We can lose here with good grace — all we ask is Competence in officiating.

ORANGE, MASS., ENTERPRISE AND JOURNAL: "...today we are being choked to death by welfare costs brought on largely by a sharp rise in family break-ups, and the takeover of medical costs for everyone who falls in low income in this nation is fantastic. There isn't enough money to help an irresponsible people and nation survive. Only a responsible and disciplined people can survive. And when are we going to become responsible and disciplined?"

Well, the vanguard of the 1972 candidates has made its appearance here with the filing for sheriff of C. R. Richards. Rumors have been rampant, of course, on the coveted office of sheriff, with various persons being mentioned as possible candidates, but Richards is the only one who has so far come forth with an outright candidacy. They may be opposing Hazel Hancock, who has been in office lo, these many years and who has not indicated in any way his intentions concerning the 1972 campaign. In typical "old pro" style, we will expect Hancock to sound out the situation long and deep before making any kind of commitment. He's been down this road before.

GOODLAND, KANS., NEWS: "Ever

want to sit down and write your Congressman or Senators But did you ever feel that they probably never see your correspondence and regardless of your feelings they will vote on the many and varied issues the way they want to Chances are you are wrong if you feel your voice isn't heard, our Congressman and your Senators want to hear from you. They want to know how you feel on various pieces of legislation. Next time you feel like sitting down and writing them do it!"

The memorial service and ceremony dedicating the war memorial recently erected on the courthouse square, which will take place at 3 p.m., Monday, December 6, should in all justice be the best attended event in the history of Cochran county.

The marble monument is in memory of the 24 Cochran county men who lost their lives in World War II, the one who died in the Korean War and the two who have given their lives so far in the Vietnam War.

These are men who believed that this is truly "the land of the free and the home of the brave" and marched away from all they held dear to defend for us that heritage on foreign shores and who were never to return to enjoy the bounties and privileges they fought to preserve. When their country called, they answered and putting aside all political philosophies and selfish considerations, gave their last full measure of devotion in preserving your and my American heritage. Let's all gather together on December 6 and pay them, as best we can, the homage their sacrifices have earned.

Mrs. Wylie honored at layette shower

Mrs. Paul Wylie was honored at a layette shower in the home of Mrs. Brownlow Tuesday morning.

Co-hostesses were: Mmes Johnson, Alta Salyer, Ernestine Evans, Davis, Mary Salas, Deanna Richards, Donna Nesbitt, and Nan Ray.

The serving table was centered around an arrangement of daisies and a entwined with blue and pink tulle. Appointments were used.

Hostess gift was a highchair. Approximately twenty guests regaled between the hours of 9:30 and a.m.

The bridesmaids of Dallas-Fort Worth who have stood panting in the wings for major league baseball transfer expansions, have finally landed less than a group of Senators Washington Senators, yet. Best they palpating long enough to sift through personnel roster to make sure the getting the genuine article and a bunch of the political type Senators for a new place to locate and establish. We have it on good authority that will be a goodly number of the type who will be looking for green-tures, complete with carpet bags for the next election rolls around.

(On second thought, a few might be handy in those extra inning games — maybe they could filibuster a game is called on account of dust — or air pollution).

Members of the L'Allegro Study Club observed American Day in the home of Mrs. James McClure for a program on American Day.

Mrs. T. A. Rowland led the Pledge of Allegiance and Mrs. Al Mullinax gave the program "Rally Round the Flag."

She said the present flag etiquette was drafted June 14, 1777, and adopted by the military and the public. She also told the members the American Anthem is the only song directed to a flag and that we alone, among the nations, have a pledge of allegiance to the flag.

Mr. J. C. Reynolds gave the symbols

District 3-AA football bows out; cagers come roarin' in

gymnasium sport where a couple of football's lower-division schools are expected to battle for the title. Morton and defending champion Dimmitt are the top choices for the basketball laurels.

Littlefield, which tied Floydada for the football and got the playoff ticket, was stunned by Roosevelt 27-7 in bi-district last week, ending the football year for the district. Roosevelt, representing District 4-AA, will now play Childress in Plainview Friday night in the regional round.

took advantage of two Littlefield mistakes, a fumble and a stray pass, to get their first two scores. And when on offense, Littlefield's all-state runningback candidate, Ralph Fundk, drew defenders like a magnet attracts nails. Funk gained 149 yards for the game ("there's no way in the world to stop a guy like that commented Roosevelt coach Houston Powell after the game) but he was able to pick up only about 50 in the first half.

A fumble recovery at the 13 put Roosevelt in position to score its first TD and an interception triggered the second TD march. The Eagles scored once each in the third and fourth quarters and had all their points before Littlefield managed to score.

The Wildcats' scoring drive measured 75 yards, with Funk picking up 54 yards, including the last one. Littlefield stayed with a ground game, which had carried it to the playoffs, in the drive.

The touchdown was Funk's 26th of the season as he wound up his schoolboy career with 156 points for the year.

Roosevelt wingback David Vasquez scored twice for the winners, and quarterbacks Don Jackson and Ricky Hightower scored on one-yard sneaks for the other touchdown.

"What really helped was being able to take advantage of their mistakes," commented Houston after the game. "And getting two quick touchdowns. You are never going to stop Funk; he's too good of a back. I just knew at any moment he was going to break a lon one on us."

The loss for Littlefield was only the third of the year, as the Wildcats closed out their first year under coach Jerry Blakely with a 7-3-1 record.

South Plains cotton harvest continuing to gain momentum

The South Plains cotton harvest continued to gain momentum last week-end and early this week but was slowed by rain in the northern counties on Tuesday and Wednesday, according to W. K. Palmer, in charge of the Lubbock Cotton-Classing Office of the U.S.D.A.

The number of samples received at the Lubbock, Brownfield, Lamesa and Leveland classing offices had reached a seasonal high of approximately 7,000 samples daily when the rain slowed the harvest.

The four classing offices classed 20,700 samples during the week ending Friday, November 19th. This brought the total classed this season to 30,300. At this date last year 517,000 samples of the 1970 crop had been classed.

Strict Low Middling Light Spotted and Low Middling Light Spotted were the predominant grades at Lubbock last week with 54 per cent of all cotton classed. Strict Low Middling made up 8 per cent, Low Middling 17 per cent and Middling Spotted 7 per cent.

Staple length improved slightly and averaged approximately 31/32. Sixty-six per cent stapled 31/32 and longer compared to 58 per cent the previous week.

Only seven per cent of the cotton "miked" in the Lubbock office was in the premium range of 3.5 to 4.9, 8 per cent "miked" 3.3 and 3.4, 27 per cent 3.0 through 3.2, 49 per cent was 2.7 through 2.9 and 18 per cent was 2.6 and below.

The Consumer and Marketing Service of the U.S.D.A. reported increased trading in the new crop cotton. Prices were steady.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Low Middling 31/32 — 26.45, Low Middling 1-Inch 26.55, Strict Low Middling Light Spotted 31/32 — 26.65, Strict Low Middling Light Spotted, 1 Inch 26.85, Low Middling Light Spotted 31/32 — 26.30 and Low Middling Light Spotted 1-Inch — 26.35.

Prices paid farmers for cottonseed ranged from \$56 to \$70 per ton.

Junior Indian cagers end week without loss

Morton's junior varsity, freshmen, and junior high basketball teams finished their first week of action without a defeat on their record.

The B-team had wins over Dora — 55-47 and Seagraves — 64-49. Mark Fluit led the scoring against Dora with 26 points and Mike Gilliam added 18. Against Seagraves, Gilliam had 20 points, Phil Graves had 18, and Fluit had 13.

The ninth graders began their season with a 34-33 squeaker over Seagraves. Dennis Holladay with 12 points and Gilbert Ramos with 8 were the offensive leaders. Monday the freshmen walloped Clovis Yucca 67-39 behind the 23 point performance of Ramos. Holladay scored 22 to lend support.

The seventh grade defeated Seagraves twice, 42-29 and 35-29, and Clovis Yucca had 12 points to lead the scoring in the first game, and Lonnie Harrison had 9 to lead in the second game. Against Yucca Troy Patton popped the net for 17 points to gain high point honors.
