School board hears Tilger housing plan

Orville Tilger, president of the Morton Industrial Foundation and local representative to the South Plains Regional Housing Board, made a presentation on housing to the MISD Board of Education Monday night.

Subject of Tilger's presentation was low cost housing. He had previously made it can be attained. He had previously made the same presentation to the Morton Area Chamber of Commerce board of directors and the Morton City Council.

He contends that steps must be taken at the local level to reverse the population losses the county is experiencing and the only way to accomplish this is to attract new industry into the area. In order to entice new industries, adequate housing must be available for prospective employees, and thus the need for additional housing.

Tilger is suggesting that the cities, schools and the county appoint two persons each to form a board for this purpose. The board would study possible methods of raising local funds and to obtain federal projects, funds and grants to purchase the needed housing.

No direct action was taken by the board at the meeting on Tilger's proposal.

In other business, the board approved the payment of bills for the month of September in the amount of \$66,779.04.

A motion was passed extending the contract of Dr. N. L. Dubberly as athletic department physician effective September 1.

Highway mishap toll high during August

The Texas Highway Patrol investigated seven accidents on rural highways in Cochran County during the month of August, according to Sergeant H. E. Pirtle, highway patrol supervisor of this area.

These crashes resulted in one person killed and nine persons injured.

The rural traffic accident summary for this county during the first eight months of 1972 shows a total of 22 accidents, resulting in four persons killed, and 27 persons injured.

Region 5 of the Texas Department of Public Safety shows a total in August, 1972 of 53 accidents resulting in 28 persons killed and 359 persons injured as compared to the same month in 1971 with 51 accidents resulting in 25 persons killed and 400 persons injured. This was 12 more

The Community Action Center has a family planning program in progress and invites all interested persons to come by the center or call 266-8868 to learn how they may participate.

The program is free.

ROAD LUCK CRUISER...

THE MORTON CITY POLICE cruiser at right above, must be getting adept at "taking it on the chin". For the second time within months it has been involved in a collision that damaged it in almost exactly the same "chin" area. The first time the damage occurred when in close pursuit of a fugitive car that made a quick, unscheduled stop. The latter, according to investigating officer's report, occurred Friday when police officer Johnny Ray Hankston, proceeding west on Wilson, came into collision with a 1972 Oldsmobile sedan, driven by Michaline Crockett of Levelland, who was backing out from a parked position. Both cars received extensive damage.

County residents' finances said to be in good shape

How have Cochran County families been doing financially in recent years in the face of the rising cost of living? Are they better off or worse off?

The findings are that the average local family has more spending money left today taking care of its subsistence needs—

food, shelter and clothing—than it has ever had.

The reason is that incomes have been moving upward at a much faster rate than prices, despite the feeling that some people have that their gains are being eaten up completely by inflation.

As a result, there has been a growing surplus of discretionary purchasing power available for the kind of consumer goods and services that make for more luxurious living.

More money is being spent nowadays for medical and dental care, appliances, recreation, housing, travel and cultural activities than in former years.

The U. S. Department of Labor reports that the average family in the United States devotes 58 percent of its income for food, shelter and clothing, as compared with 75 percent 20 years ago.

In Cochran County, based upon this national average and upon the income level in the local area, approximately \$8,870 is spent annually per family for the

Texas crop, livestock sales exceed \$3 billion

Sales of Texas crops and livestock during 1971 exceeded \$3 billion, Texas Agriculture Commissioner John C. White said today. This is the third year in a row that receipts have exceeded the \$3 billion mark. Only California and Iowa have higher receipts. Texas total cash receipts were \$3,254,000,000.

Delgado County in the Lower Rio Grande Valley had the highest cash receipts of counties with \$117,305,000. Only one county—Deaf Smith—was above the \$100,000 mark with \$102,364,000.

The other top 10 counties in cash receipts were Parmer, Castro, Hale, Swisher, Cameron, Lubbock, Hansford, and

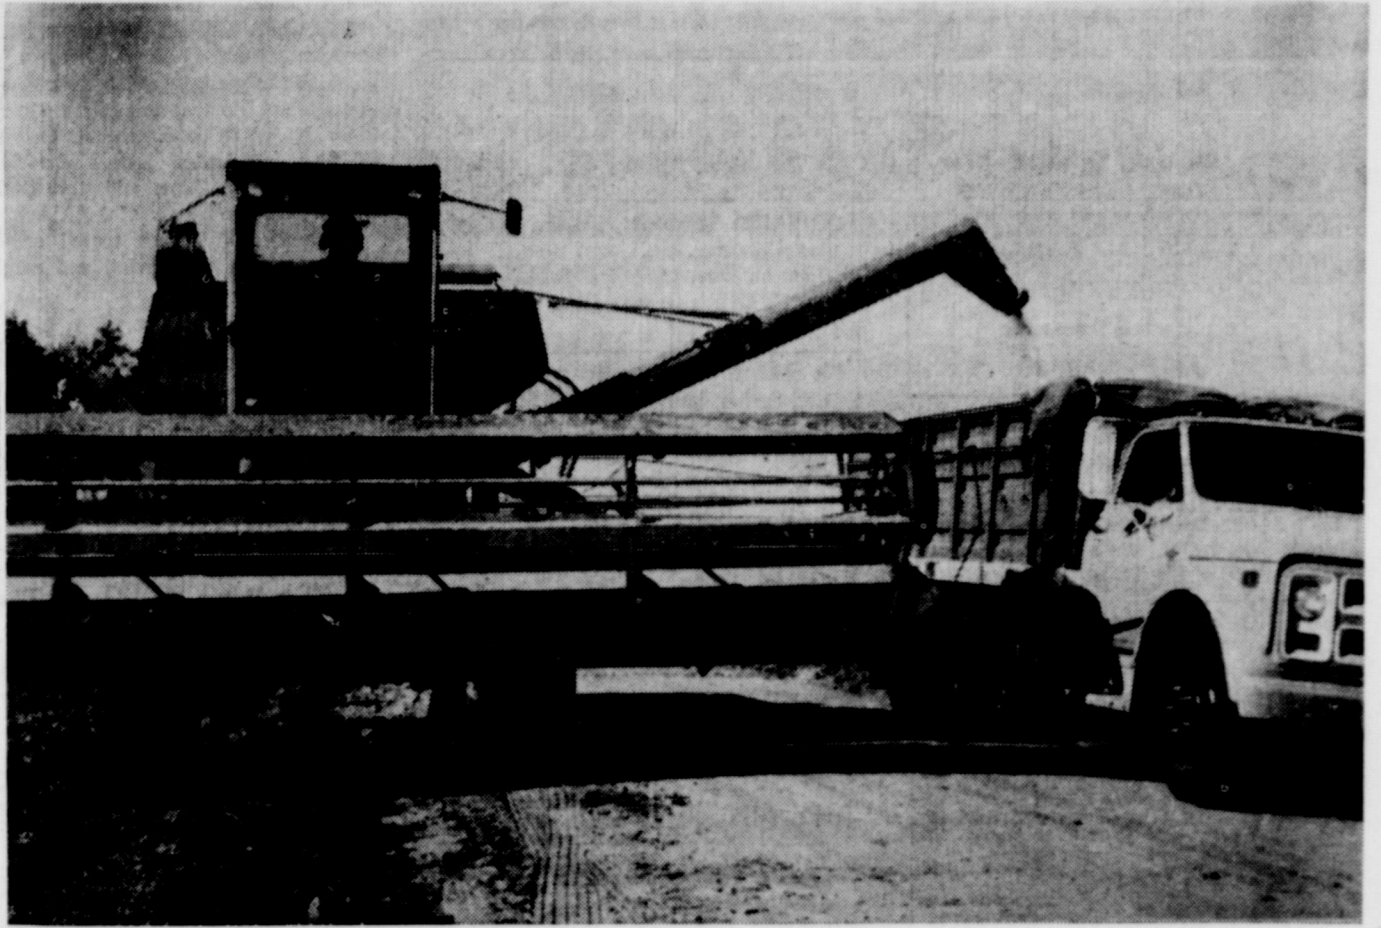

livestock products amounted to almost one-third of the total cash receipts with 25 percent.

The major agriculture production area in the state is in the irrigated High Plains. A crop reporting district had cash receipts of crops and livestock of \$668,169,000. The Blacklands were second in the state with cash receipts of \$347,816,000.

GAUCHO COOKING ON TEXAS PAMPAS...

A SIGHT RARELY SEEN in these parts took place on the parking lot at Cochran Memorial Hospital Thursday as Gaucho Tom Snead prepared a real old-fashioned Argentine barbecue for the staff and board members of the local hospital. Included in the fare, mounted upon the interesting gaucho-type barbecue structure, are four young goats, half dozen chickens and 40-50 lbs. of prime beef steak — all garnished with a very special Argentinian

tine barbecue sauce passed on to Tom by his wife, Dr. Eva Lee Snead, who was reared in Argentina. Interested spectators, from left, are Alex Snead, Trina Maberry, student nurses Donna Arnold and Kathy Turney and (with swabbing cloth and whiskers) Tom Snead. A sudden heavy shower forced transfer to the hospital kitchen for the finishing touches.

FIRST IN COUNTY FOR '72...

THE FIRST LOAD of the 1972 crop of feed grain in the county arrived at Beseda & Son grain elevator in Morton at 4 p.m. Monday and was soon followed by several others who were vying for first load honors. The first load of milo, owned by E. E. (Bud) Thomas, and weighing 18,860 lbs. is shown as it was being loaded from the combine by Pete Thomas on the Barker farm approxima-

tely three miles east of Morton. The grain graded No. 2 and tested 12.60 in moisture content, a test termed "remarkable in view of the weather conditions we have had" by Joe Beseda. The variety is E-57 DeKalb and the date of planting was not known. A premium of \$50 over the price was paid by Beseda for the first load of what appears to be a bumper crop.

Tribe arrows 'aim for Heart'

When the Morton Indians take the home field against the Hart Longhorns Friday night they will still be looking for their first win—and their first score—of the young season.

And, they will run smack dab up against the leading rusher on the South Plains in the person of scatback Jimmy Brown who racked up a phenomenal 315 yards against Shallowater last Friday. The Indians better hope they can run squarely up against him, because if the 136 pound speedster, who jets upfield more like a road runner than a longhorn, can cut around them,

he will be long gone for paydirt.

In the Shallowater game, Brown scored four touchdowns and ran for a two-point conversion for an output of 26 points for his team, which needed every one of them to sneak by for a 44-38 margin in the high scoring contest.

Brown is not the only asset of the Longhorns who will bring a 2-0 record into the Indian stadium. Eighteen returning lettermen give the Longhorns high hopes of bettering a 3-6-1 record in 1971. They are depending upon a wealth of experience offensively and talent defensively to make

up for a marked lack of size. Stan Dyer, 175 lb fullback, and quarterback Dirk Rambo, 5-9 140 lb senior letterman, complement Brown in the backfield.

Others to watch include two year letterman tackle Wayne Ethridge, 6-0 189 senior who is known for tearing large and frequent holes in the forward wall and Cecil Jackson, 5-10 140 junior, the other experienced offensive tackle. Top Longhorn receiver is Erasmo Castillo who can lay claim to all-district caliber.

Morton will be taking the field in good physical shape and with the confidence that this is where they turn it all around and start hitting the licks that bring the good breaks instead of the bad. The Tribe played an outstanding first half against the Tulia Hornets last week, but that elusive touch that breeds victories just wasn't there.

The Hornets, a 26 point favorite, were slowed considerably by the Indians in the first half of the game. Morton took the opening kick-off on their own 20 yard line and with five first downs, drove the ball to the Hornet 1 yard line and then fumbled with Tulia recovering.

Area AA football roundup reveals strong, weak sides

Sometimes, a problem will pop up which was not covered by the game plan. Like a home game when the bus is already warm for a trip out of town.

Littlefield's Jerry Blakely ran into that problem last week, but he recovered quickly enough to post a 34-6 victory over Levelland. The game was scheduled at Levelland but played in Littlefield.

Elsewhere in District 3-AA last Friday night, Morton lost its second game of the year, 21-0 to highly favored Tulia. Dimmitt rebounded to stop Farwell 26-6, Friona clipped Bovina by the same score, and Muleshoe slapped Olton 21-8.

Rains of upwards to four inches which swamped Levelland Thursday night left Lobo Stadium looking like a miniature lake, and there was no chance to use the facilities. So, Levelland officials called Littlefield Friday morning and the game was switched.

"That's what you call a sudden change of plans," said coach Blakely, "but we were tickled to death to get to play at home. You don't know if there is any home field advantage, but you know it doesn't hurt."

"You'd be surprised how many people are involved in a sudden change like that. You have to notify the ticket-takers, the police... the gatekeepers, people to run the concession stands. But, we were just glad to do it."

"Of course," continued Blakely, "this is the second time in two years this has happened to us. Last year, we moved a game from Slaton after their field was under water."

Pat Henderson picked up 221 yards rushing and scored 14 points in leading the Wildcat victory. The Wildcats had their 34 points before Levelland scored.

Tulia threw a two-pronged running attack at Morton in sweeping to its victory. Allen Ebling scored twice and rushed for 87 yards. Russell Patton, the Hornets' fullback, gained 114 yards and scored the final TD.

Albert Ewing, a reserve pressed into

service after regular tailback Robert Mayberry was hurt, scored two touchdowns in Dimmitt's win over Farwell. Florencil Acevedo got the other two Bobcat touchdowns.

Merchandise fair postponed

The Fall Merchandise Fair, sponsored by the Morton Area Chamber of Commerce and scheduled for Saturday, September 23 in the County Activities Building, has been postponed.

New date for the fair is set for October 14 at the same location.

Reason for the postponement is that many merchants have not yet received a large portion of their fall lines of merchandise and feel that the September date was too early. The general consensus was that the later date will give them three additional weeks to get in their fall and winter lines and additional time to plan their exhibits and schedule their personnel to take care of the additional workload.

The Fall Merchandise Fair is for the purpose of furnishing a time and place where all the merchants and other businessmen can display their wares and acquaint the public with what there is available for the shopper in Morton. It is expected that a good deal of Christmas merchandise will be displayed, now that the date has been set back.

There is no fee charged to exhibitors, however, each is expected to donate a door prize with a minimum retail value of \$5. Drawings for these prizes will be held at intervals throughout the time of the showing.

Anything and everything, fall line or not, is welcome for exhibit and a limited number of display tables will be available free of charge on a first-come-first-served basis.

Any additional information concerning the fair may be obtained by telephoning Hi Duncan at 266-5545, Bill Sayers at 266-5576 or the chamber office at 266-5200.

After a bad snap from center, Bandy took the ball, and under pressure, booted on the run. The ball was killed 80 yards later on the Farwell 12-yard-line.

Keith Workman scored all eight points for Olton in his loss to Class AAA Muleshoe. Workman finished the night with 120 yards rushing.

This week, Muleshoe takes on its third straight 3-AA foe, playing Friona. Hart puts its two-game winning streak on the line against Morton, and Dimmitt plays at Class A Springlake-Earth. Slaton will be at Littlefield—in a game scheduled at Littlefield—and Olton will try Lockney, which was a member of 3-AA last year.

Louis Lee of Friona scored once last week, on a 60-yard sprint, and continued to lead the league in point-production, with 28 points.

accidents, three more fatalities and 41 less injured in 1972, at the same period of time.

The 28 deaths for the month of August 1972 occurred in the following counties: Castro, four; Palo Pinto, three; Lubbock, Carson, Deaf Smith, and Gray, two each; Clay, Cochran, Hale, Haskell, Lamb, Lynn, Montague, Parker, Stonewall, Wichita, Wise, Yoakum, and Briscoe, one each.

Indians . . .

from page one

That's as close as the Indians ever got to the goal line. The ball then changed hands several times during to remainder of the first quarter and the whistle blew with the score 0-0.

On their first drive of the second quarter, the hornets drove the ball down to the Morton 5 yard line and Allan Ebling, quarterback, carried it across for the first score of the game. Oscar Gonzales kicked the extra point to make it 7-0.

The second quarter was almost a repeat of the first, with the ball going from Tulia to Morton and back again. The Morton Indian Band came on the field at half-time with the score still 7-0.

Morton kicked off to start the third period and on a drive with four first downs, Tulia found themselves on the Morton 8 yard line.

Again quarterback Ebling carried for 6 points and Gonzales kicked the extra point, with 7:55 left in the period.

The Tribe, behind quarterback David Barrera, couldn't get a drive started during the entire second half.

With 2:13 left in the game, Russell Patton, Tulia fullback, carried across from the three yard line to put the score at 20-0. Gonzales again kicked the extra point and made the final 21-0.

three basic necessities. Among families with below average incomes, a larger proportion of their cash goes for the necessities. Those in the upper brackets use a smaller proportion for that purpose.

On the whole, according to the Department of Labor, out of every \$100 spent by the average non-farm family, \$23.10 is allotted for food, \$24.00 for housing and \$10.90 for clothing.

The remainder is divided among taxes, which gets \$16.30, transportation, \$8.80, health care, \$5.60, and all others, \$11.30. What is left to the average Cochran County family for discretionary spending is some \$6.430, which is more than is available in many communities across the country.

It is the money that goes for new cars, new household equipment, vacation expenditures, savings and for better living generally.

Throughout the United States, \$5,840 is available for such purposes and, in the State of Texas, \$5,230.

Graveside rites were held here at 2 p.m. Tuesday for Mrs. Maria Vallarelli of Odesa, mother of Mrs. Bill Proctor of Midland, formerly of Morton. The Rev. Clark, pastor of St. Phillip's Catholic Church in Pep, officiated.

Mrs. Vallarelli, 74, died at 2 a.m. Sunday in Midland Memorial Hospital. She was a native of Italy and came to New York State at the age of 17. She moved to Odesa approximately one year ago.

Survivors include her daughter, Mrs. Proctor; one son, Michael of San Diego, Calif.; one sister, Irmelinda Saulee of Brooklyn, N. Y., a brother, Cesare Gentile of Florida and 8 grandchildren.

Tech museum Michelangelo in photographic

A major exhibition of 74 color reproductions of the Vatican's Sistine Chapel ceiling will open Sept. 24 at the Museum of Art, Texas Tech University.

"The Sistine Ceiling Seen for the First Time" is comprised of large photographs made from color transparencies taken during the filming of the Peabody Award-winning television program, "The Secret of Michelangelo: Every Man's Dream," winning television program, "The Secret of Michelangelo." The majority of the photos range from one-half to three-quarter scale of the original.

No one since the time of Michelangelo has been as close to the frescoes until 1967 when the film crew began photographing the ceiling.

Three years of research preceded the filming, which took place on top of a specially constructed scaffolding rising within four feet of the arched ceiling.

Because of the proximity of the camera and the extreme care in producing undistorted photographs, many aspects of the frescoes can be seen, some of which have escaped scholars for more than 450 years. Michelangelo's composition and brush-stroke are clearly visible.

Rust of caution destroys more men than the attrition of action.

Former resident exchanges vows in Kansas ceremony

Miss Carol Pond, of Wichita, Kansas, formerly of Morton, and S/Sgt. Phillip D. Knell III of Forbes A. F. B., Topeka, Kansas exchanged ring vows September 1 in Mt. Olive Methodist Church in Wichita, Kansas. The Rev. H. S. Boles, uncle of the bride officiated assisted by the Rev. Elmer Rinkle.

Parents of the couple are Mr. and Mrs. Dale Pond, Wichita, Kansas and Mr. and Mrs. Phillip D. Knell, Jr. of Nashville, Tenn.

Vows were exchanged under an archway entwined with flowers and foliage and bouquets of bronze chrysanthemums. Two spiral candelabras with greenery held tapers lighted by Michael Pond, brother of the bride, and Thomas Northcutt.

Miss Clarie Johnson sang "O Perfect Love" and "We Have Only Just Begun" as the couple lighted the third of the symbolic candles. Mrs. Fred Hulse was organist.

Escorted to the altar by her father, the bride wore a princess silhouette gown of chantilly lace and organza which featured a Sabrina neckline, Bishop sleeves with bridal point buffs, and a crescent waistline. Her chapel length Mantilla was edged in matching lace attached to a Camelot headpiece. She carried a cascade of yellow roses, white galellias and yellow daisies, and for something old, she wore the wedding band of her great-grandmother. As she descended the aisle, she presented her mother with a yellow rose and following the ceremony, she presented the mother of the groom with a yellow rose.

Mrs. Dee Dewey was matron of honor and bridesmaids were Sylinda Pfalser, Mrs. David Korekack of Nashville, Tenn., sister of the bridegroom, and Mrs. Robert D. Pond of Altus, Okla. Debbie Dewey was flower girl. The attendants wore identical empire floor length gowns of gold bridal peau de soie. Their hairpieces were of gold bridal illusion attached to bronze tone flowered crowns. Each carried a nosegay of bronze and gold mums.

A/c Russell E. Knell, Sheppard A. F. B. was best man. Groomsmen were S/Sgt. John McColloch and A/c Robert Peterson, all of Forbes A. F. B. Ring bearer was John Davis Andrews, cousin of the bride.

A reception in Fellowship Hall of the Church followed the ceremony. The bride's table was covered with white lace cloth over satin and featured a four-tiered wedding cake topped with turtle doves and bronze mums. Finger sandwiches, cake and coffee were served at the groom's table. Mrs. R. J. Pemberton, Clovis, N. M., Connie Kerhbiel, Clarie Johnson and Mrs. Michael McCurdy of Oklahoma City, Okla. served. Mrs. Michael Williams of Topeka, Kansas, registered the guests.

For traveling, Mrs. Knell wore a blue knit dress with white accessories and a corsage of white glameillas. Following a wedding trip to Miami, Florida and other points in the South, the couple will make their home in Topeka, Kansas.

Mrs. Knell attended Whiteface High School and is a graduate of Kingmand

It's 1973, and Chevrolet roofs are opening, seats are swiveling, bumpers are retracting, hatches are flipping up.

Did you ever have so much to talk about that you didn't know what to say first?

We're happy to report that's us for 1973. But since everything must begin somewhere...

Isn't it romantic?

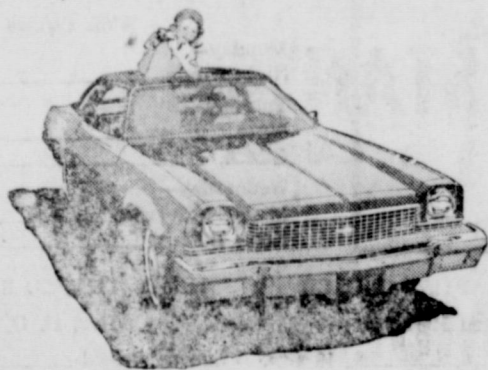

You see that rectangle beaming at you from above? That's a moonroof. Not to be confused with a sunroof. (Although many people will undoubtedly be caught using it like one.) A power roof is available on Chevelle and Monte Carlo; a manual one on Nova.

Bumpers are exciting?

This year's are something to get

stirred up about. One of our new bumpers, for example, is built around twin hydraulic cylinders. So on minor impact, the whole system retracts to cushion the shock.

It's standard on all big Chevrolet, Chevelle and Monte Carlo

models. Nineteen different models to choose from.

New Nova Hatchback Coupe.

Look what we hatched

You know us for our little Vega Hatchback. Now dependable Nova has one. Which literally makes it half trunk with the backseat down. It's a feature as practical as Nova itself.

We've been thinking about your legs

One of the few things people asked us to improve in our popular Chevelle was leg room in the backseat. Well, your knees will be pleased with the '73s. There's almost 3/4 more inches in the sedans.

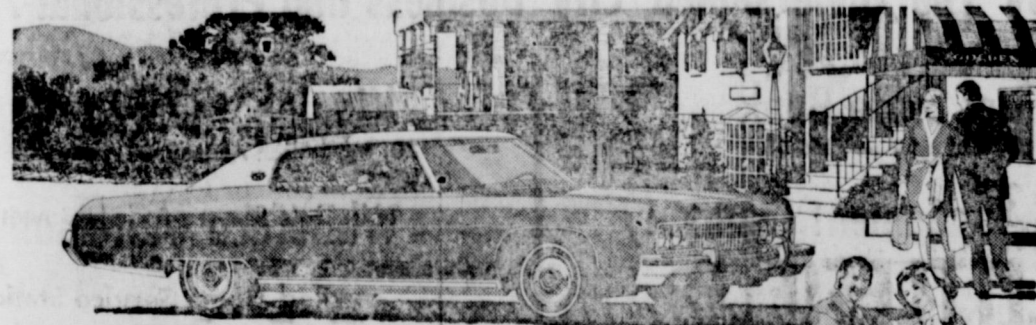

So what else is new

Naturally this is only a taste of what's new for '73.

Among other things, we're introducing larger gas tanks for longer cruising range, a new Exhaust Gas Recirculation system, a hatchback for wagons, and a highly refined flow-through power ventilation system.

Plus a reading light for front seat passengers, improved suspension systems, engines that give you performance combined with gas economy, reclining seats and scores of dramatic styling changes.

We invite you to see it all at your Chevrolet dealer's.

(above) Caprice Coupe. Our new uppermost Chevrolet. Its luxury, comfort and quiet ride rival the most expensive cars you can buy.

(below) Monte Carlo S Coupe. America's newest road car. With the handling of the finest European cars, and the looks and comfort of an American car.

High School.

Guests from Morton were Mr. and Mrs. Edward Brownlow and Mr. and Mrs. L. T. Lemmons.

Mr. and Mrs. Philip Knell, Jr., parents of the groom, hosted a rehearsal dinner and dance for members of the bridal party Friday, September 1, in the N. C. O. Club at McConnell Air Base.

Tables were decorated with silver bowls of daisies and silver candelabras with small wedding bells.

Rites held in Paris for Mrs. Leverett

Services for Mrs. Dessie Leverette were held at 2 p. m. Tuesday at the Leverette-Steele Funeral Home in Paris.

Mrs. Leverette, 94, died about 7:05 a.m. Sunday in Cochran Memorial Hospital. She had lived in Morton for the past 11 years.

Survivors include her son, Sam Leverette of Morton; five grandchildren; five great-grandchildren and a great-great grandchild.

AFROTC scholarships offered HS seniors interested in flying

Male high school students who will graduate in 1973 and are interested in flying are eligible to apply for an Air Force ROTC four-year college scholarship.

One thousand four-year college scholarships are available for students who will enroll in the Air Force Reserve Officers Training Corps at one of the Colleges and universities in the United States and Puerto Rico which offer the four-year program.

The scholarships will be awarded to qualified students who agree to become Air Force pilots or navigators after college graduation.

Each scholarship pays full tuition, laboratory fees, and textbook reimbursement. In addition, each scholarship student receives a monthly nontaxable subsistence allowance of \$100.

All applicants for a scholarship must qualify on the Air Force Officer Qualifying Test and on an Air Force medical examination. A special committee of Air Force officers will evaluate all students who apply for a Scholarship. They will consider the student's scores on the American College Test or the Scholastic Aptitude Test, high school grades, extracurricular activities and personal references.

Interested students must submit their applications postmarked no later than

TCTA members slate meeting in Lubbock

Education issues making today's headlines will be discussed at an area conference of the Texas Classroom Teachers Association at Lubbock's Holiday Inn-Parkway September 28.

Teachers from TCTA's District 17 will attend sessions dealing with such topics as human relations, the proposed new constitution of the National Education Association, legislation, professional negotiation, and school finance.

Presiding at the Lubbock meeting will be Vivian R. Bowser, Houston teacher who is state president of the 46,000-member TCTA organization. Workshop coordinator is Jim Chandler of Austin, TCTA's director of membership development.

The conference convenes at 4:30 p. m. and will be adjourned at 8:15 p. m. All classroom teachers, regardless of their TCTA membership status are eligible to attend the area conference.

The Texas Classroom Teachers Association will hold 20 such area conferences throughout the state in September. The

 Mrs. Bill Burris and family visited in the home of her father, Carl Hall, and Mr. and Mrs. J. B. Van's home Sunday after-

noon.
 Mrs. Willie Moore of Clovis, N. M. has been ill and in the hospital, but is able to be home now.
 Mr. and Mrs. Edd Autry visited her sister, Mrs. Mamie Chambers, at Burk Burnett and her brother, Mr. and Mrs. Bill White, at Bellview recently.
 Mr. and Mrs. J. A. Thomas moved to Morton last week. They will be missed by their friends very much.
 Mr. and Mrs. Tom Newton of Lubbock spent the weekend visiting her mother, Mrs. Myrna Turney and his parents, Mr. and Mrs. Bob Newton. Tom is a student at Tech.
 Mrs. C. S. Vandeventer of Lyford, Texas

died about three weeks ago of an apparent heart attack. The Vandeventers raised their family in the Enoch's Community.
 Every one is enjoying the sunshine after the nice rains. Enoch's received 1 1/2 inches of rain Tuesday and Thursday.
 Mrs. Essie Seagler and Mrs. Lorella Jones took a trip to Sweetwater, where Mrs. Seagler visited her daughter, Mr. and Mrs. Royce Lane, and Mrs. Jones visited her brother, the E. T. Farmers at Merkle.
 Mr. and Mrs. P. R. Pierce visited their daughter, Mrs. Mellie Baker, at the Highland Hospital in Lubbock, Friday. Mrs. Baker underwent surgery Thursday.
 Bula Baptist Women observed their week of prayer for state mission, Monday through Thursday. The theme was "Christ is for Now."
 Mr. and Mrs. P. R. Pierce attended her family, the Kerby, reunion Sunday at Coahoma. There were approximately 50 in attendance.
 Mr. and Mrs. W. T. Thomas attended church in Muleshoe Sunday. They visited the Lenord McCormicks, Sue Sinclair at the rest home and a niece, the Alton Carpenters, and also attended the silver anniversary at the Muleshoe Bank Building for Mr. and Mrs. David Culley.

THEY KNOW THEIR PAPERWORK . . .
 PICTURED LEFT TO RIGHT are Mrs. Mary Hall, Mrs. Mary Bapsed and Luke Hargrove taking a break after tying and loading almost a pick-up load of old newspapers at the Tribune office. Thanks to their efforts and many other volunteers in Morton, four tons of papers were collected for the Jerry Wilson hospital fund. Wilson, a kidney patient from Brownfield, is receiving treatment awaiting a kidney transplant.

Oldsmobile for '73

Cutlass. It's two new cars.

Cutlass S Colonnade Hardtop Coupe.
 Sportier this year. Roomier. Heavier. Yet surprisingly easy to own. Even if you order the new swivel bucket seats.
 Cutlass Supreme Colonnade Hardtop Coupe (foreground). More of a little more than ever. You can see it in the formal outline and new opera side windows. You can feel it in the spacious, quiet interior. And even in the way we've patterned after our bigger Oldsmobiles.

Delta 88—with a new grille that swings out of harm's way.

For '73, we've made the Delta 88 tougher than ever. The Swing-Away Grille (pictured at left) is just one way. It's teamed with an improved hydraulic front bumper system: if the bumper gets tapped, the grille swings out of the way. We pound the seats 100,000 times, and drive the Delta 88 thousands of hard miles, to test durability. All to make sure it's more than just big, comfortable and smooth-riding—not just another pretty car.

Omega. The new compact Olds at a compact price.

It's a whole new kind of Olds. And the lowest priced of all. Omega is a compact—but one with big-car thinking built in. It's nearly 500 pounds more car than some smaller compacts. Its wheelbase is longer, 111 inches, for a smooth ride. And you can feel the difference on the road. A deluxe interior with new "wet-look" vinyl trim is standard. So is full carpeting. And a 250-cu.-in. engine. Coupe, 3-door hatchback or sedan. It's a lot of Olds for the money.

See the '73 Toronado, Ninety-Eight, all the new ones at your Olds dealer's showroom now.

NOVEMBER WEDDING . . .
 MR. AND MRS. ELZIE BROWNE announce the engagement and approaching marriage of their daughter, Beverly Sue, to Thomas Russell Hudson, son of Mr. and Mrs. Russell Hudson. The couple plans to exchange vows November 11 in the First Baptist Church. Friends of the couple are invited to attend.
