Wampler verdict: 'not guilty'

A verdict of "not guilty" in one murder case, dismissal of another murder case and the sentencing of two men to penitentiary sentences highlighted a crowded docket in the 121st District Court of Judge M. C. Ledbetter here last week.

The not guilty verdict returned at 3:30 p. m. Friday by an eight-woman, four-man jury ended one of the most suspense-filled and drama-packed trials in the recent history of the court. Linda and Robert Wampler, mother and stepfather respectively of 15-month-old Ricky Nesbitt who died September 11, 1971, were acquitted on separate charges of murder of the child.

Cyrus W. Fields, foreman of the jury, announced the verdict to Judge Ledbetter at 3:30 p. m. after only 25 minutes of deliberation by the jurymen. The verdict was greeted with jubilation on the part of many in the tensely packed courtroom visitors section.

George E. Gilkerson, of Lubbock, was attorney for the defendants and E. W. Boedeker, 121st District Attorney, was the prosecutor, assisted by Cochran County Attorney James Walker.

The trial for murder of May Laverne Moore, of Morton, charged with the murder of her husband, was dismissed by Judge Ledbetter September 18 on the grounds that her right to a speedy trial could not be complied with. The state on that date could produce no material witnesses or make any assurance that it could produce them for a future trial date, and the case was dismissed on that basis. Alvin R. Allison, of Levelland, was attorney for the defendant.

The probation of Armando Barrera on conviction in 1970 of defrauding by worthless check was revoked and he was sentenced to serve four years in the state penitentiary. Barrera had violated his parole by leaving the county and state without permission and was returned from the state of Florida in late August to await his probation hearing. He was in custody late Wednesday of the county sheriff's office awaiting transfer to the state prison.

Renulfo Soliz, of Morton, pled guilty September 18 to unlawful possession of a narcotic drug and was sentenced to three years in the state penitentiary by Judge Ledbetter. He was charged with possession of the unlawful drug on April 18, 1972.

Paul Escobar, of Levelland, received a See COURT, Page 3a

A TIME FOR JOY . . .

A VAST RELIEF and the draining away of long-held tension was mirrored on the faces of Robert and Linda Wampler as each received, at 3:30 p.m. Friday, the verdict of not guilty following their trial for murder in the death of 15-month-old Ricky Nesbitt, Linda's son and

Robert's stepson. The child died on September 11, 1971. The verdict followed one of the most drama-packed trials held here in recent history. Largely hidden behind Mrs. Wampler is attorney for the defendants, George E. Gilkerson, of Lubbock and to her left, an unidentified member of the court.

Surging Tribe still without joy

The Morton Indians, looking for their first win of the season, played a different brand of football Friday night behind the signals of 180 pound senior Ted Thomas.

They showed sparks that may turn to fire as the season progresses.

The Tribe lost the toss and kicked off to the Hart Longhorns, but held them at their own 27 yard line where the Longhorns were forced to kick. The Indians took possession of the ball on the 49 yard line and used short-gain plays to pick up four first downs on their first offensive series of plays.

Junior fullback, Jerry Silhan, picked up 19 yards on five carries. Jimmy Harvey, 160 pound half-back, carried across from the six yard line with 5:24 left in the first

quarter to put Morton on the scoreboard for the first time this season. Try for extra point failed.

The Longhorns, undefeated this season and favored to down the Indians, took Silhan's following kick-off on their own 15 yard line and with the help of a fifteen yard penalty against Morton, carried the ball up to the Tribe 48 before the big play of the game:

On the 48 yard line, quarterback Dirk Rambo took the ball and attempted to pitch out to halfback Stan Dyer. Morton's Jimmy Harvey, tasting victory after putting Morton on the scoreboard, was too fast for the Horns. He intercepted the pitch out and ran back 45 yards to put the Indians ahead 12-0, with 2:15 left in the first quarter. Jerry Silhan kicked the extra point to make it 13-0.

The Longhorns, apparently shook up by Harvey and the Indians aggressive play, took the kick-off on their 30 yard line but could not get a drive going and had to kick from their own 33. And so the first quarter ended with Morton ahead 13-00 with a very enthusiastic Morton crowd cheering them on.

The second quarter, unlike the first, was merely a test of strength for both gridiron teams. The Indians, on their first drive, got within 23 yards of the goal line and the ball went over to Hart on downs.

The Longhorns, picking up only one first down, couldn't settle down after Jimmy Harvey's brilliant theft and had to punt from their own 39. But, on a penalty, they retained possession of the ball and used the talents of Sophomore Jimmy Brown to get them down to the Morton 17 yard line. From the 17, Brown carried a cross to light up the scoreboard and shorten the point span.

SPRING IN SEPTEMBER? . . .

THE UNUSUAL WEATHER in Cochran County this year has everyone wondering which season is which. Flowers are no exception, Mother Nature has them confused too. Shown above is an Easter Lily blooming in all its glory among a bed of red geraniums in a window box at the Bill Wood home on East Garfield. As the song goes "It might as well be Spring!"

Governor approves grant for local probation officer

Approval this week by Governor Smith of a grant of \$16,836 to Cochran County assures the county of having a probation officer in the near future.

The local grant, for the hiring of a probation officer, a secretary for him and for purchase of office supplies, was one of several approved by Smith with a total amount of \$105,93 for governmental units in the area served by the South Plains Association of Governments (SPAG).

County Judge Glenn Thompson submitted the application to SPAG with the approval of the commissioners court shortly after the court voted to join the association last spring.

Annual contribution for the establishment of the new officer will be \$2,730 in kind and \$14,000 in cash.

Although Cochran County has had part-time adult probation officers for many years, there has never been a probation officer for juveniles, the area of greatest need. It was not disclosed whether the new officer will handle both juvenile and adult cases or will be confined only to the juvenile field.

The money will come from the Criminal Justice Council, which oversees statewide law enforcement planning and administers funds from the Law Enforcement Assistance Administration for crime projects in Texas.

Counties in the South Plains Region are Bailey, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry and Yoakum.

Local adult education classes being offered for non-HS graduates

Adult Education classes will meet Monday and Tuesday of each week from 9:30 p. m. at the Community Action Center building, school officials have announced. Anyone may register for the classes on any class night.

Classes of Math, English, Spelling and reading are being offered. Each student works on individual assignments at his own speed. He receives help from the teacher as he needs it and moves on to the next lesson when he is ready. These classes are free to anyone who has not finished high school.

Adult Education classes are taken for many reasons, the officials state. Among them are self-improvement, self-satisfaction, improving skills for a better job and to qualify for attending college.

Several adults have finished the classes and passed the GED (General Education Development) test. One former adult student has completed two years of work at South Plains College and is attending Texas Tech University. Several women have finished the LVN nurses program at South Plains College. One young man is training as a medical secretary.

The ages of the students range from 18 to great-grandmothers.

The teachers for the classes are Mrs. Mildred Ward and Edgar Ward. The director is Mrs. Lenave Freeland.

Littlefield Wildcats carry whole District 3AA load

Leading the 1972 football season "The Wildcat" drew another round of support around District 3-AA last week. The Littlefield Wildcats were the only team in the league to come out on top.

The Wildcats made it their third straight win, posting a 37-11 victory at home. After three games, the Wildcats, designated co-champions, are averaging just over 36 points per game.

Most of the way, the league had a long day night. Muleshoe ruined Friona's season 14-0. Lockney held off Olmito 14-6, and Dimmitt and Morton came in short ends of 14-13 scoreboards. The Wildcats bowled to Springlake-Earth and won lost to Hart at home.

The squeakers came down to extra points, naturally, and in both contests, the Wildcats held the upper hands in yardage.

"We went for the win," admitted Dimmitt coach Brown L. Smith. "When we scored the second time (a five-yard keeper play by quarterback Terry Powell, there was no choice. We went for a two-pointer, the win. And we just missed it by inches (on a running try). It took a little while for the officials to give the sign that we didn't make it; it was that close—just inches."

Turnovers hurt the Bobcats, who were down 14-0 at halftime and battled back to come within inches of victory. They lost four fumbles—all in the first half—and an interception. "We only had the ball for three downs in the first quarter," said Smith, "and only nine plays in the second. But, we're coming on. We're making mistakes but we're improving every week."

From that 14-0 deficit, the Bobcats rebounded and Albert Ewing scored a one-yarder in the third period. Kyle Broderick booted the point to cut the margin to 14-7, and Powell's run cut the gap to one point.

"We outgained them 176-95 total offense," said Smith.

In contrary fashion, Morton built its point total in the first period, then saw Hart battle from behind to win. Jimmy Harvey scored both offensively and defensively for Morton.

Corder was appointed to the office of Parliamentarian and Mike Hunter was appointed Chaplain. The next meeting will be Monday, October 2, at 7:30 p. m. at the High School.

Indians . . .

Brown, who runs the 10 yards in 9.6, carried across for a two point conversion and made the score 13-8 with 1:49 left in the first half of play.

Morton took the kickoff on their 31 yard line but didn't get a drive going in the remaining time and the teams left the field at halftime with the Indians ahead 13-8.

Call it over-confidence or inexperience, or whatever, the Indians came back on the field and with some bad breaks couldn't get things going their way. The Tribe lost the ball twice during the second half on fumbles and the second fumble, on the Indian 25 yard line, cost them the ballgame.

The Longhorns took advantage of the foul-up and Jimmy Brown carried across from the 9 yard line to put the Horns ahead 14-13, with 11:53 left in the game. The Indians were ready for him, however, when he tried to run the extra points and he failed.

The remainder of the game was a series of punts and penalties and the final whistle blew with the Longhorns ahead 14-13.

On paper, the Indians outplayed the Longhorns. The Indians had 11 first downs to Hart's 6. But the Indians also incurred more penalties during the game.

The contest ended record-wise just like it started. The Longhorns are still undefeated and Morton is still looking for his first win.

The Indians travel to Frenship tomorrow to meet the Tigers at 8 p.m. Frenship has a 5-5 record for last year and beat Morton 12-0. Frenship's record this year is one win and two losses.

Directing the attack against the Indians will be honorable mention all-district quarterback Mike Wright, who owns a 4.7 speed in the 40. Joining him as a returning regular is fullback Rusty Dove, 180 pound senior, a power runner with a 4.8 speed.

In Junior High football this week, the 7th and 8th grade gridders take on Littlefield Tuesday, October 3 here in Morton. The 7th grade game starts at 5 p. m. and the 8th grade game will start immediately afterward.

3AA Roundup . . .

from page one

In the opening minutes, Harvey ripped six yards for a touchdown but a kicking try for extra point failed. Later, Harvey raced into the Hart backfield and intercepted a pitchout and zipped 45 yards for his second TD. The kick left Morton leading 13-0.

But Brown scored in the second and third periods and ran over a two-point conversion after the first TD for the winning margin.

Brown, a speedster who rushed for 316 yards the previous week, was held under control as the entire Longhorn team had only 147 yards rushing. Morton's offensive output was 229 yards, all except 15 yards coming on the ground.

Pat Henderson, with 12 points and 120 yards rushing, paced the Littlefield win over Slaton. The Wildcats built their 37-point total in three quarters and only in the fourth period was Slaton able to score.

This week, however, the Wildcats will face their stiffest test in unbeaten Muleshoe. The Mules are playing an unofficial 3-AA schedule, having beaten three members (Dimmitt, Olton, Friona), host Littlefield Friday and play Morton two weeks hence.

Last week, they scored in the third and fourth quarters to hand the Chiefs their first loss of the 1972 campaign.

Lockney never trailed in besting Olton although the Mustangs pulled within 7-6 in the third period on Tim Givens' seven-yard run. But later in the same quarter, Lockney fullback Robert Delgado went over from the one for the final margin.

Dimmitt tries Lockney this week, and Friona takes on Springlake in an exchange of district foes. Morton will be at Frenship, and Olton takes on undefeated, untied Floydada, which shared the 3-AA title with Littlefield a year ago.

Local conservationists attend plant materials tour near Knox City

By WAYNE WILCOX SCS

E. C. Hale, Ralph Ware and Wayne Wilcox attended the Soil Conservation Service plant materials center tour at Knox City, Texas Wednesday, September 13.

More than 58 different grasses, legumes and forbes were observed. The group was particularly impressed by Switchgrass T-78, Mason Sandhill Sandlovesgrass and Russian Dune Wildrye.

The center helps get better plants into the hands and onto farms and ranches of district cooperators by assembling promising plant material, making evaluations of assembled material, increasing and gathering seed from plants that show promise, returning seed from best plants to areas where it is expected that plants will grow and do better than plants already existing in the area and by making evaluation studies of the plants after they have been established on soil and water district cooperators' farms and ranches.

Both Hale and Ware plan to make trial plantings of some of the plants observed on the Plant Materials Center Tour.

The SC Plant Materials Center at Knox City is open to the public and interested landowners and operators are invited to visit the center any time they are in that part of the country.

Texas Cottonseed Crushers Association. Finalists in the annual 4H fashion parade took top honors in county and district dress revue contests across Texas in the spring.

They represent more than 16,400 girls and 125 boys now enrolled in clothing projects, Mrs. Culp said.

"Winners are selected by the finalists themselves who actually judge each other," she noted. "They consider the garment's overall appearance, suitability of fabric, style and color for the individual, choice of accessories and poise of the contestant."

"New this year is the increased participation of boys in county and district revues. Young men, as well as women, are planning, creating and modeling fashionable ensembles for wardrobes."

4H boys will play a role in the dress revue itself when 13 outstanding members in Dallas for other State Fair activities will escort revue finalists during the two showings for the public. Commentator for the showing will be Kathy Muirhead, coordinator for student affairs at Texas Woman's University.

Sponsored by the Texas Agricultural Extension Service, the State 4H Revue is an annual feature during Rural Youth Day at the State Fair of Texas.

Contestants in the revue will begin arriving in Dallas Oct. 5 and attend a welcoming program that evening in the Baker Hotel.
