LARGEST 72 BALE IN COCHRAN COUNTY . . .
 PETE PIERCE, manager of the Morton Co-op Gin, proudly strokes the first bale of cotton ginned in Cochran county this year. Owner of the prize bale is Arnold Lamb who grew the cotton on a Joe Nicowarner farm 4 1/2 miles west of Morton. The 695 lb. bale yielded approximately 950 lbs of seed and turned out 28.2 percent of lint. The bolls were hand pulled from several acres and were ginned at the Morton Co-op Gin Saturday, September 30. Premium for the first bale was not announced.

Ladies of all sizes declared winners in cotton sewing contest

Ten young ladies walked away with first place honors in the annual "Sewing It With Cotton" contest last night at the county activities building.

The contest is sponsored by the Last Frontier Cotton Council as a part of their effort in promoting "King Cotton", Cochran county's number one crop.

Angie Lamb won the Lollipop Division; Gary Price won for Playtime; Rondonna Gilliam took the Sugar Plum division and Jonna Greer won in School Time.

Other winners were: Peggy Steed, Sports; Deborah Young, At-Home Wear; Wya Crone, Teen Time; Dr. Eva Snead, Fashion Time; Deborah Young, Junior Miss and Jo Ann Whitehead, Young Fashions.

The winners will enter the District Contest Saturday, Oct. 21, at the KoKo Convention Center in Lubbock.

Mrs. H. B. King narrated the style show which was held prior to the judging.

Judges for the contest were Mrs. Jewel Robinson, Hockley County Extension Agent, Miss Linda Lynch, asst. County Extension Agent for Hockley County and Mrs. Travis Hopper, owner of the H&M Fabric Center in Littlefield.

NEW COTTON HANDLING METHOD . . .

THE GIANT COTTON TRAILER above, shown as it was unloaded by tilting hydraulically the chassis it rides on, could revolutionize cotton handling in this area and become of great economic value to local cotton producers. The 40'x10'x10' container holds 8-11 bales of loose cotton and can be left at the field for later pickup or can quickly collect large amounts of cotton for swift transportation to the gin.

The loader above rides with it on a flatbed of its own and together they can quickly collect cotton from packer storage in the field. Star Route Co-op Gin has purchased 18 of the huge containers and will use them for quicker, safer and more efficient operation during the coming ginning season.

County gets economic boost as Prairieland re-opens doors

Cochran countians subconsciously felt small train-starting type jolt Wednesday morning, it was probably the result of an economy boost the area received when Prairieland Packing Company plant resumed operation at 9:30 a. m.

The plant, which has been closed since January, was recently purchased by the Brothers of Miami, Florida who spent the past few weeks readying

it for resumption of operation. Approximately 15 employees were at work Wednesday with the total expected to climb to 25 by the end of next week and even more with future expansion, owner Warren Moore stated.

Mr. Moore indicated that his operation would be somewhat larger in scope than that carried on by the original company. He expects the plant to be in full operation by mid-October with an original capacity of 120 head of cattle per day, with the possible increase to 250 per day in the future.

A "cattle pac" process, in which the beef is butchered, boned and trimmed and then vacuum packed into cans for shipment will be used and distribution will

Farm Bureaus slate honors for Mahon

County Farm Bureaus in Rep. George Mahon's 19th Congressional District will honor the veteran legislator with a "Congressman George Mahon Appreciation Day" Oct. 24 at the Fair Park Coliseum here, according to H. L. (Bud) King of Brownfield, Texas Farm Bureau state director, District 2.

As many as 1,000 friends of the Lubbock Congressman are expected to attend the barbecue dinner which will get underway at 5:30 p. m. that day, King said. A bronze bust of Mahon will be unveiled at the dinner and presented to the Congressman and his family. Arrangements have been made to have the bust displayed permanently at the Texas Tech University Museum.

County Farm Bureaus in the 19th District began raising funds for the bust about two years ago. The sculptor is Mrs. Joe (Juandell) Wade, Lubbock.

Although County Farm Bureau is host-

Good year for county farmers

Cochran County's farm population, the past year proved to be a better one, and large, than it was for farmers and ranchers in many sections of the country. Although some operators did little more than break even, others, especially those with well-equipped, commercial-size setups, did quite well.

Despite the fact that prices obtained for products and livestock were at a low during the first half of the year, they picked up somewhat in the second

half. As a result, many farmers were able to realize bigger-than-average gross incomes. The better showing was due, in part, to favorable weather conditions, bigger plantings and heavier fertilization. Also a factor was improved operating efficiency, made possible by the use of more mechanized equipment.

The figures on the year's operations, for the local area and for other sections of

Auction to benefit community center

The residents of Whiteface have chosen an auction as one method for raising funds to pay for their community center. The Young Farmers of Whiteface will hold an odds and ends auction at the community center building Saturday, October 7, beginning at 8 p. m. All proceeds from the auction will go toward paying off the outstanding portion of the loan on the center.

Persons having items they would like to have sold at auction are invited to bring them to the community center. The center will be open all day Saturday to receive these items.

A 20 percent commission will be charged on all items sold, or the items may be donated to this worthy cause. J. W. Smith, chairman for the Young Farmers, is the sponsor of the auction, according to the Tribune.

Calling all Cubs

A re-organizational meeting of the Cub Scouts will be held tonight at 8:30 in the First United Methodist Church, according to supervisor Harold Drennan.

Boys ages 8, 9 and 10 are eligible for membership and must be accompanied to the initial meeting by one or both parents.

★ Meeting changed!

The L'Allegro Study Club meeting has been changed to the home of Mrs. George Mundhenke, 802 E. Hayes, tonight, Thursday, October 5.

LITTLE MISS MOORE . . .

MISS DANA DAVEY, former Morton resident, is shown being crowned Little Miss Moore County, 1973 by Amy Dowell, Little Miss Moore, 1972. The pageant was held in Dumas September 24. Dana was chosen from 19 contestants aged five to seven. She is the daughter of Mr. and Mrs. Tom Davey of Dumas.

No 'Frenship' in those Tigers

The Morton Indians invaded Tiger Land Friday night hoping to return with a Tiger trophy, but Frenship was ready and waiting for the invasion, and downed the Tribe 21-14.

Jimmy Harvey, outstanding Morton halfback, forgot that Frenship was picked to win and scampered 56 yards for a TD with 11:18 seconds left in the first quarter. Jerry Sihlan kicked the PAT and the victory hungry Tribe led 7-0.

Sihlan then kicked off to Frenship but they couldn't get closer than the Morton 43 yard line before they had to punt. The Indian defense wanted that win as badly as the offense.

On a series of six plays the winless Tribe moved the ball down to the Tiger 14 yard line and attempted a field goal, but couldn't strike pay dirt.

The Tigers took the ball, but the Indians just couldn't get it in their minds that Frenship was picked to win. Dubble Bryan, Morton center, intercepted a pass

thrown by Frenship quarterback Davey Booher on the Morton 11 yard line, but on the drive the Indians got only out to their own 19 before having to kick.

Frenship took the ball on their own 47 and drove down to the one, Rusty Dove, Tiger fullback carried across to light up the scoreboard and cut down Morton's lead with 10:19 left in the first half. Dove then kicked the PAT, but it was not good and Morton still held a one point lead, 7-6.

The remainder of the first half was a show of defensive strength for both the Indians and the Tigers as the ball changed hands six times and no points were put on the scoreboard. When the whistle blew, the Indians led 7-6, much to the disappointment of the Tigers, and a full stadium of Tiger homecoming fans.

After excellent entertainment by both

high school bands, the Indians and the Tigers came back on the field ready for more tests of gridiron strength.

In a replay of the game against Hart, the Indians, in their first offensive series

See FOOTBALL, Page 2a

★ Community Action

The Cochran County Community Action Board will meet Tuesday, October 10, at 8 p. m. for reports of the past year and an agenda for the coming year will be presented.

All Board members and interested citizens of Cochran County are urged to attend.

Registration deadline

The deadline for registration for the November 7 general election is drawing ever closer, officials of the county tax assessor-collector's office warns those foot-draggers who have not yet paid them a visit for that purpose.

Friday, October 6 at 5 p. m. is the expected deadline for those who wish to vote in the November 7 election. Under a recently passed federal law, a voter must register at least 30 days prior to an election in order to vote in that election. He may register at any time — and when he does, he is automatically registered for a period of three years — but he cannot vote in any election that takes place less than 30 days after he registers.

Texas Secretary of State Bob Bullock has set midnight Saturday, October 7, as official deadline for registration for the November 7 election, but a check with the Cochran county tax assessor-collector's office shed no light upon whether the office would be open on Saturday. As of Wednesday afternoon, office personnel were expecting to be closed all day Saturday. So, it would behoove those who wish to be on the safe side to beat the Friday deadline.

Absentee voting for the November 7 general election will begin October 18 and end November 3, according to information received from the county clerk's office. Absentee votes by mail may be received until 1 p. m. on election day.

Whiteface student dies of grid injury

Services for Margarito Mora Zuniga, 15-year-old Whiteface High School student, were held at 1:00 p. m. Monday in St. Ann's Catholic Church in Morton with the Rev. Kevin Clark of the Pep St. Phillip's Catholic Church officiating.

Burial was in the Whiteface Cemetery under the direction of George Price Funeral Home of Levelland.

The youth died Friday afternoon in Lubbock's Methodist Hospital from a brain injury he suffered Wednesday afternoon during football practice at Whiteface.

A native of Stanton, Zuniga moved to Whiteface with his family in 1967.

Survivors include his parents, Mr. and Mrs. Juan Zuniga; five brothers, Manuel, Pedro, Jesse, Frank and Joe, all of Whiteface; four sisters, Mrs. Lolis of Levelland and Carmen, Ramona and Maria Anita, all of Whiteface; and his grandparents, Mr. and Mrs. Margarito Mora of Mexico.

Palbearers were members of the High School football team.

Farm Receipts

from page one

the country, are contained in a survey report released by the Standard Rate and Data Service.

In Cochran County, it finds, farm receipts amounted to \$23,75,000. By way of comparison, three years ago, when a similar survey was made, the total was \$22,021,000.

The income figure represents gross receipts, before taxes and operating costs are taken into account.

Included are the cash proceeds from farm marketings, government payments and "income in kind," which is the value of products grown and consumed on the farm.

Of the cash receipts from the sale of farm goods, an estimated 94 per cent came from crops and 6 per cent from livestock, poultry and dairy products.

As for net income, that is another story. Inflation wiped out a good part of the prospective gains because prices paid by farmers for production items, interest, taxes and wages rose considerably during the period. The rise was about five percent in 1971, according to the Department of Agriculture.

This year, however, prospects appear to be much brighter, except in areas that were hit by tropical storm Agnes. Aided by better prices for most commodities, the farm community as a whole is looking forward to ending 1972 in better shape than it has for some time.

NOTICE

In The County of Cochran County, Texas In The Matter of The Estate of M. D. Adair, Deceased

Probate File No. 552
Notice To All Persons Having Claims Against The Estate of M. D. Adair, Deceased.

Notice is hereby given that on the 28th day of September, 1972, Letters Testamentary upon the estate of M. D. Adair, deceased, were issued to Levie Walling, who resides in Morton, Cochran County, Texas, and whose attorney's post office address is 109A West Washington, Morton, Texas, and was so appointed by the Probate Court of Cochran County, Texas, in Probate No. 552 pending on the Probate Docket of said Court.

All persons having claims against said estate are hereby required to present the same within the time prescribed by law to said Executrix at the above address. LEAVIE WALLING
Published in the Morton Tribune October 5, 1972.

Mahon

from page one

ing this affair, we are issuing an invitation for all Congressman Mahon's friends both in and out of agriculture to come out and help pay tribute to this great American," King said.

Tickets for the barbecue are available at county Farm Bureau offices he said. The cost per ticket is \$5, he added.

The program for the event will be simple and short, King explained. A representative from each of the counties presenting the bust will give a brief statement touching on the life or legislative career of the honoree.

Others who will make brief statements include C. H. DeVaney, Washington, D. C., assistant legislative director, American Farm Bureau Federation; Warren Newberry, Waco, Texas Farm Bureau executive director; and Bill Reid, Lamesa, TFB District 6 director. DeVaney, former president of the Texas Farm Bureau, formerly farmed at Coahoma in Howard County.

King who will act as master of ceremonies, will give a special tribute prior to the unveiling of the bust.

Other details of the program, such as entertainment, etc., will be announced later, he said.

Mahon's constituents from the 17 counties comprising the present 19th District are being invited to the affair, as well as those from the seven new counties which will come into the district in 1973.

The 17 counties include: Andrews, Borden, Cochran, Crosby, Dawson, Floyd, Gaines, Garza, Hockley, Lynn, Lubbock, Martin, Midland, Motley, Scurry, Terry and Yoakum.

The seven counties which will come into the district in 1973 are: Bailey, Castro, Deaf Smith, part of Ector, Hale, Lamb and Parmer.

"Rep. Mahon is the only person to have served as Congressman from the 19th District, having been elected in the early 'thirties when it was formed," King said. "We are grateful that this special occasion will give us an opportunity to show appreciation for the fine representation Congressman Mahon has given this district, as well as for his national leadership as chairman of the powerful House Appropriations Committee."

Football

from page one

of plays fumbled the ball and the result was another Frenship touchdown. With 7:47 left in the third period Mike Wright, tailback, skipped across from the 8 and put the Tigers ahead for the first time, 12-7. Wright then ran across for two more and made it 14-7. The Indians, with the help of a strong line and two first downs, got down to the Tiger 16 and Ted Thomas, Morton quarterback, worked the bootleg play and raced in for 6 points. Jerry Silhan kicked the PAT and tied the Mike Wright sewed it up for the Tigers game with 4:26 left in the third period. With 2:26 left in the game when he scored from 8 yards out and Rusty Dove kicked the PAT. The final whistle blew with the score Frenship 21, Morton 14.

The win evened Frenship's record at 2-2 and Morton fell to 0-4 with the loss. Morton chalked up 212 yards total offense compared to 328 for Frenship. Morton had 9 first downs and Frenship doubled that for 18.

Tomorrow night the Indians travel to Stanton to meet the Buffaloes in a non-district clash. The Buffaloes go into the game with a 3-1 record for the season. They lost to Rankin last week 3-0, in a tremendous show of defensive strength for both teams.

Stanton, in district 7-AA, has been predicted to hold the cellar position in that district. The Buffaloes have five offensive and five defensive regulars returning this year. Back to direct the tandem I attack is quarterback Rick Wilson, 185 pound senior. He'll be backed up by Dwayne McMeans, 175 pound senior halfback.

THREE WAY NEWS

Mrs. Sally Robinson was a patient in Cochran Memorial Hospital last week.

The Three Way Junior football team played Cotton Center on the home field Thursday evening losing the game. The Three Way high school football team played Welman on the home field Friday night winning that game.

The Three Way young people will have a Weiner roast at the Carl Pollard home Thursday night.

Mr. and Mrs. Tommy Durham and Mr. and Mrs. Dave Durham and boys from Lubbock and Mr. and Mrs. D. A. Williams and son from Bula spent Saturday night with the George Tysons.

Mr. and Mrs. Elmer Lee and Ricky spent Sunday in Morton with his parents. Mr. and Mrs. Nelson Carlisle and girls spent Sunday in Littlefield visiting their parents.

Rev. and Mrs. James Gillentine and boys from Lubbock visited her parents, the H. W. Garvins, Saturday night.

Mr. and Mrs. Bob Adams from Bula and Mrs. Ray Fowler and children were dinner guests in the D. S. Fowler home Sunday.

Mr. and Mrs. Dan Sewert was called to Throckmorton Monday night to attend the funeral of her aunt.

Mrs. O. A. Warren was in Lubbock Saturday on business.

3AA favorite Littlefield 'Mule-kicked'; Friona surges

Bandy, Bandy, Bartlett and Pera: Sounds like a large law firm. What it is, though, is the starting backfield at Friona, and the foursome came in for a high-scoring night last week.

While Friona and Dimmitt were taking home victories, the preseason favorite for the 3-AA championship tasted defeat for the very first time this season.

Littlefield's Wildcats, who went to the playoffs last year, were ambushed in Muleshoe 42-14 last week for their first loss of the season. Morton and Olton remained winless, losing to Frenship (21-14) and Floydada (17-8), respectively.

Friona, playing Springlake-Earth for the first time in a decade, greeted the Wolverines with a stiff opening defense and the B&P backfield capitalized on it. A blocked punt and two fumble recoveries led to three first-half touchdowns, and the Chieftains went on to a 47-0 victory. It was Friona's largest point output in a single game in four seasons.

Fullback Mario Perea and halfback Clay Bandy scored twice each, Bartlett and quarterback Johnny Bandy once each in the runaway. Clay Bandy wound up with 83 yards rushing, Perea 81 and Bartlett 73 in the balanced runningback attack.

But the defensive plays made the difference, and coach Bob Owen admitted it. "We got the greaks early. We nearly scored on our first possession, getting down to the two. But, we forced them to punt, Terry Thompson blocked it and Mike Martin recovered. We scored, and then we got it back on a fumble recovery by Ricky Johnson. Then Kevin Wiseman got another fumble recovery and we score our third touchdown. We got five recoveries

PrairieLand

be nation-wide. National distribution will be by the use of the company's own fleet of trucks, Moore stated.

This type packing operation will require more employees than the former operation, with a force of approximately 30 local persons anticipated, with four or five other key personnel familiar with the from other existing plants.

"We will handle several grades of beef, type of operation having been brought in from prime on down the scale and our processing will be federally inspected on the premises and cleared for sale anywhere in the United States," Moore said, and added "we already have the market to sell all the beef we can produce here and we definitely will distribute it nation-wide."

★ Look Who's New!!

Jason Lyle, son of Mr. and Mrs. Jim Roddy. Jason arrived at St. Mary's Hospital in Lubbock September 2 at 12:50 p. m. and weighed 8 pounds and 15 and one half ounces.

Grand parents are Mr. and Mrs. Don Allsup of Denver City and Mr. and Mrs. E. C. Roddy of Morton.

Great-Grandparents are Mr. and Mrs. W. C. Key and Mr. and Mrs. Roy Allsup both of Morton.

Clay Bandy is in the lineup while Louis Lee is sidelined by a knee sustained in the Chief's loss to Sept. 22.

Muleshoe continued its dominance District 3-AA teams, making Littlefield fourth victim. A 21-point lead before field could score tilted the victory. Mules' direction.

Friona and Littlefield now lead conference standing with 3-1 record. Dimmitt evened its record at 2-2 by beating Frenship 20-7. And that is the homecoming the ex-students return.

Albert Ewing capitalized on the five plays to score and paced the First TD was set up by Floresado's interception in the second quarter. The final period, a fumble recovery by Lockney 36 gave the Bobcats a opportunity and they converted.

Floydada, which was in the district year and shared the title with kept its record unmarred against The Mustang's only touchdown in 12-year run by Keith Workman in period.

Frenship came up with a touchdown the fourth quarter to snap a 14-0 lock and beat Morton 21-14. Jerryvey's 74-yard sprint sent Morton early lead, and Ted Thomas ran a back bootleg to perfection for the and the matching points in the quarter.

This week finds last year's collisions colliding in a non-conference. Floydada will invade Wildcat where the two teams battled to a off last year. Littlefield won the on first downs, however, to advance playoffs.

1936 Study Club opens club year with luncheon

The 1936 Study Club opened its club year with a luncheon Saturday, September 23, at the home of Mrs. D. E. Benham.

Mrs. Benham as hostesses were joined by Mrs. Williams, Mrs. Gehrome Holloman, Mrs. Bill Sayers, Mrs. John L. McGee, Mrs. Lloyd Miller, Mrs. Hume Russell and Mrs. Gage Knox.

Books were presented by Mrs. Neal who outlined the years course of "Texas History-The Land and Its People."

A note of thanks was given Mrs. McGee for typing the year book copy and a note of appreciation from the Chamber of Commerce was read for the help given to the Club to the County Fair.

Plans were made of the Cochran Coun-

ty Historical Society's project of securing more space for the Museum and the Cochran County Library's need to reach a goal of 10,000 books this year in order to qualify for greater accreditation.

A project for securing toys for the Head-start and kindergarten children was explained and members were reminded that those wishing Tupperware products could call Mrs. Rose at 266-5373 or Mrs. Gipson at 266-5241 and the company will give credit for extra toys to be presented to the school.

Members voted to send a \$50. donation to Girlstown as a memorial to Mrs. Mary Rice, a club member who passed away this year.

Others present were: Mmes M. C. Led-

School menu

Monday, October 9, meat loaf, green beans, seasoned cabbage, rice pudding, rolls and milk.

Wednesday, October 11, hamburger on bun, tossed salad, French fries, plum cobbler, relish and milk.

Thursday, October 12, turkey lasagna, mixed vegetables, sweet potatoes, cranberry sauce, rolls and milk.

Friday, October 13, corn dogs w/mustard, pinto beans, tomato salad, buttered spinach, gingerbread and milk.

better, John Crowder, W. C. Benham, W. W. Smith, Glenn Thompson, B. H. Tucker, James St. Clair and Joe Gipson.

Frosh Indians stage revolt tomahawk the Chiefs 14-0

The old saying "too many chiefs and not enough Indians" was reversed last Thursday as there proved to be too many Indians and not enough Chiefs on the football field as the Freshman squad rebounded from last week's loss to Muleshoe with a 14-0 win over the Friona Chiefs.

Playing on the Friona field, the first half of the game became a defensive battle that proved neither teams offense strong enough to score. However, the game warmed up late in the second quarter with a 60 yard run by Friona that was called back on a penalty. The Chiefs promptly fumbled on their 10 yard line but the Indians hopes for a score in the first half was dashed by a fumble of their own on the 3.

The second half looked to be a replay of the first half when the game broke

wide open with a fantastic 70 yard run by Indian Larry Jackson for the first score. An abortive and penalty ridden conversion attempt ended the third quarter with the score at 6-0.

Filled with fumbles and recoveries by the Indians, the fourth quarter Friona defense gave way to a score by Jamie Morin from the 15. Quarterback Kenneth Standmire took it in on a keeper for the conversion for a fourth quarter total of 8 points. The Morton second team defense was put in and though they gave up much real estate, they managed to come up with a last minute Friona fumble to end the game on the long end of the 14-0 score.

Hospital notes

Patients admitted to Cochran Memorial Hospital September 27 through October 3 were: Ladiso Orasco, Jesse Ornona, Margarita Zuniga, Twyla Blackstock, Margaret Ledbetter, Leslie Blackstock, Rusty Trull, R. A. Thompson, Ara Lee Harris, Jewel Arnold, Dean Nichols, Ethel Shaw, Pearl Hamilton, Opal Grimes, Treva Grisham, Trini Sanchez, Mary Wilson, Duane Howard, John F. Copoper, Harvey Zuber, Marie Elliott, Kathy Turney, L. E. Neely, Poribio Casarez, Virginia Mejorado, Ethel Montgomery, Dempsey Jordan.

Classes in typing, bookkeeping offered

Classes in bookkeeping and typing will be offered at Morton High School beginning October 16 through January.

Tuition will be \$25 for each class with books and materials furnished.

Mrs. Orville Tilger will teach both classes on Monday and Thursday nights beginning at 7 p. m.

To register call Mrs. W. G. Freeland at high school 266-5190 or at home 266-5120. Registration may also be done October 16 at Morton High School.

4-H club activities expanding throughout United States, world

Surveys have shown that young people are more generously committed to helping their fellow man, than any other generation in history. In large numbers, young people are helping to clean up the environment, improving health care and safety habits, working with underprivileged families and creating new methods and techniques for solving problems.

Young people want to be involved in making decisions that affect their lives. They want to be able to play an important role in making this country a better place in which to live.

4-H gives young people that opportunity to help solve the problems of today—to make the best better.

During 1972 National 4-H Week, Oct. 1-7, five million boys and girls, ages 9-1, will reaffirm the principals 4-H has stood for and they'll look to see where 4-H is headed in the future.

That future includes a commitment to human betterment, expansion of 4-H into urban areas, more work with underprivileged families and continued growth for America's largest youth organization.

The theme of National 4-H Week, "A New Day - A New Way," encourages 4-H'ers, their leaders and friends of 4-H, to strive even harder to make the 4-H program relate to the needs of young people today.

We know that interest in 4-H has broadened in recent years.

Of the five million 4-H'ers, 3 percent are from rural areas, 43 percent come from small towns and the remaining 24 percent are from metropolitan areas.

Urban 4-H programs have grown tremendously in the last five years. Chicago, Cleveland, Boston, Atlanta, Los Angeles, Indianapolis and Washington, D. C., all have urban 4-H programs. 4-H is in all 50 states, Puerto Rico, the Virgin Islands, Guam and similar programs exist in 85 countries around the world.

Each of the 96,000 4-H clubs in the U. A. relate their activities to helping themselves and their communities meet the problems of the 70's.

Clubs have inaugurated roadside clean-ups, cleaned streams and rivers, collected trash and recycled materials to improve the environment.

We've found that clubs have conducted tractor safety checks, health testing, drug abuse programs, rural development planning; demonstrated proper first aid tech-

niques and correct bicycle and small engine vehicle operation; and interpreted proper nutritional habits.

There are 4-Hers all over the country and mentally retarded youths, as well as programs using televisions that reach thousands of youths, not normally reached by the 4-H program.

Efforts of 4-Hers all over the country have been highly applauded by governors, mayors, city councils, chamber of commerce, police and fire departments and community residents.

Guiding and encouraging 4-H'ers to "make the best better" are a half million volunteer leaders, who give of their time, to help young people make their own decisions.

Men and women of the Extension Service, at all levels—county, state and federal—help supervise 4-H by developing programs to meet the needs of young people.

Individuals, corporations, civic organizations and foundations do their share to help 4-H, through their support of local, state national and international 4-H programs. Their financial and technical support, and their incentives and scholarships to 4-H'ers, have helped to make 4-H grow to even greater heights.

And behind them all are 30 million, 4-H alumni, whose experience and expertise gives young people a model after which to pattern their 4-H work.

We salute the success of the 4-H organization as it celebrates 1972 National 4-H week.

We encourage 4-H to continue to expand into urban areas and continue to serve the needs of all American youth.

We look forward to America's largest youth organization growing larger in the years to come.

Every woman owes it to herself to safeguard against uterine cancer by having a Pap test regularly. That tip comes from your American Cancer Society.

The Odessa College gymnastics team won the National Junior College gymnastics championship in 1970-71 and again in 1971-72.

Post-Mortons

By BILL SAYERS

As we have reported on all the back-to-school business, etc., our subconscious has continued to knick away at us to the point that we finally came to the conclusion: if our valiant young students can judge back to the old school grind, then we had best get back to the old column grind.

As Justin Wilson would say "we had a continuous excuse" as long as the summer ended and we had small papers we didn't

want to waste the space and crowd out the publication of any local news that might occupy it. Well, we are a long way from out of the woods concerning small papers—that will not come until the late fall shopping season. However, we are going to revive the old column anyhow—and hope we, as well as you will all have a little fun with it.

Stinnett, Texas, Hutchinson County Herald: "There are only two ways to be quite unprejudiced and impartial. One is to be

completely ignorant; the other is to be completely indifferent."

We must admit that it is possible that we were just kidding ourselves and maybe you with the above statements. There ain't no way we could be persuaded to keep our big mouth shut for any length of time during a general election campaign and especially this one which offers so much that you can get your teeth into. And, boy, this one has got us blowin' hot!

There is no doubt in our minds who is going to win the presidential election, but we never take anything for granted in politics. If we didn't know better before—recent Cochran County elections would caution anyone not to take anything for granted until the last vote is counted.

As important and as intriguing as the subject of politics is at the present time, we have just run across a piece from the daily column of "Dear Abby" that we are going to pre-empt our political comment for this week. We ran upon this quite suddenly and by surprise, but feel that in this day and age of drug abuse and let's face it, it's still with us in Cochran County—that it fits the situation so well that we owe it to our readership to share it with them. We'll be with you next week on the subject of politics.

DEAR ABBY: Recently, a 17-year-old Florida boy pleaded guilty to possessing hallucinogenic drugs. He had also been charged with violence toward a Miami Beach police officer.

Judge Alfonso Sepe sentenced the youth to one year in the County Stockade and four years probation. The comments of the Judge so impressed me that I ordered the transcript from the Court Reporter so that I may read it to my own children.

Your column is so widely read I am sending you the "lecture" Judge Sepe gave that boy in the presence of the grieving parents. I hope you will publish it and give it the national forum think it deserves.

Mrs. A. L. Cates, Miami, Fla.

DEAR MRS. CATES: Rarely do I devote an entire column to one letter, but I agree, whis is worth it. Here it is:

Judge Sepe spoke directly to the youth and said, "Do you know who is going to serve that year? Not you; your mother and father will serve that year."

"That is what's wrong. THEY get sentenced. They get sentenced for a lifetime. "You serve a year. Your body is in the stockade for a year, but their souls are

About local folks . . .

By DUTCH GIBSON

Lloyd Hiner is attending Market in Dallas this week, buying merchandise for St. Clairs Department Store.

Mrs. O. L. Slaton was called to Okla-

homa last week due to the death of her mother.

Miss Gail O'Neal visited with her parents in Plains over the weekend and attended the Plains Homecoming festivities.

Mr. and Mrs. Leon Jeffcoat and daughter of Midland visited with her parents, Mr. and Mrs. Owen Egger, last weekend and attended the Texas Tech-Texas football game Saturday night in Lubbock.

Mr. and Mrs. G. G. Nesbitt and A. L. Nesbitt were in Hobart, Okla. Saturday, Sunday and Monday to attend the funeral of her brother-in-law who passed away Saturday morning.

Mr. and Mrs. Kenneth Coats and Mr. and Mrs. R. H. Baker had as their guests their uncle and aunt, Mr. and Mrs. Bud Forbus, of Meadow during the weekend.

Shelby Race, formerly of Morton and now of Lockney, visited with friends in Morton over the weekend. He was a house guest of Lynn Gandy.

Joe Gipson is attending a seminar for Justices of Peace of this area in Midland this week.

Mr. and Mrs. W. R. Adams have returned from a months vacation in Oklahoma, North Carolina and Texas. Enroute to North Carolina they visited with Mr. and Mrs. Ray Foreman in Hugo, Okla. From there they went to Ashville, N. C. for a visit with five of their aunts and other relatives and friends and also to Shelby, N. C. On their way home they stopped in Bonham and visited with two of her brothers, G. C. Jaynes and S. E. Jaynes.

Mrs. Verney Towns from Muleshoe was in Morton Tuesday visiting and taken care

of business.

Eddie Lewis, scout master, and Troop No. 645 enjoyed a camp-out Friday night and Saturday at Buffalo Lakes. They also attended the Fair.

Mr. and Mrs. Jerry Cribbs and family visited relatives in Chillicothe over the weekend.

Mr. and Mrs. C. A. Baird, who have been visiting with their daughter and family, Mr. and Mrs. Paul Cornwell, returned home Sunday. They were accompanied to Morton by the Cornwells. After attending business in Kermit Monday, the Cornwells returned home Tuesday.

Mr. and Mrs. Oscar Coats enjoyed as their guests over the weekend their children of White Deer, Mr. and Mrs. Lewis Hodge, Sandy and Lisa. The Hodges also visited with his parents, Mr. and Mrs. Joe Hodge, of Whiteface and other relatives and friends in and around Morton.

Sunday dinner guests of Mrs. James St. Clair were her sister and family, Mr. Mrs. Harold Spain, her cousin and family, Mr. and Mrs. George Fouts all of Haskell and her nephew and family, Mr. and Mrs. Harold Spain Jr. and Christi of Lubbock. Other guests were her daughter and family and Mrs. Mayland Abbe and Matt of Lubbock and Mr. and Mrs. Jimmy St. Clair and James of Morton.

Officers, teachers and counselors of G. A.'s and W. M. A. of First Missionary Baptist Church were installed in a candlelight service at the Church Monday night. The theme used was "The Light of the World." Mrs. Joy Wright of College Ave. Baptist Church in Levelland was the installing officer. Mrs. Ken Coats was soloist. Following the installation a reception was held in fellowship Hall. Approximately 50 people attended.

Mrs. Lessye Silvers and Mrs. Faye Ainsworth are on a seven day tour of the New England States.

STATE Capital NEWS

By BILL BOYKIN

AUSTIN, Tex.—Senate rejection of Secretary of State Bob Bullock to the State Insurance Board amid the special session's bitterest infighting opened new speculation as to who may get the job.

Sources close to Gov. Preston Smith appear to be deliberately encouraging rumors that former U. S. Sen. Ralph W. Yarborough would be the Governor's next choice for the Insurance Board.

Yarborough himself said he had never been offered the post by the Governor or even felt out on his availability by intermediaries. AFL-CIO President Roy Evans and State Sen. Oscar Mauzy formally urged Smith to designate Yarborough, and Mauzy predicted the former senator could get state senate confirmation where Bullock and Larry Teaver failed.

Would he take the job if offered? Said Yarborough: "That's entirely too 'iffy' a question."

Senators voted 19-11 (with one abstaining) for the Bullock confirmation. Eleven opposition votes can block any appoint-

ment.

Bullock promptly blamed Lt. Gov. Ben Barnes and the insurance industry lobby for his defeat.

Smith chastised the Senate, charging the body "apparently will not permit a person who is committed to protecting the insurance consumer serve on the State Board of Insurance."

Bullock foes claimed the Governor had used some persuasive tactics of his own, dangling the prospect of submitting pet home district projects to the Legislature for senators who would support Bullock.

The Secretary of State said he now intends to remain in his present job through the Smith administration.

Some legislators are doubting if the special legislative sessions really is going to come up with a competitive rating bill, the subject Smith called them to work on.

Senator Mauzy of Dallas, one of the bill sponsors in the Senate, says he doesn't think a competitive rate bill can be a-

greed on because of House opposition. Mauzy charged the House committee hearing the rate measure is lobby dominated.

Conflicting testimony was heard on advantages vs. disadvantages of free competition in rating during week-long testimony by out-of-state experts.

At the end of the period, Lt. Gov. Ben Barnes acknowledged:

"I have never been so much in the dark on legislation. People want to vote for a bill, but proponents have not done a good job convincing people competitive rates would be beneficial."

AGENDA BROADENED — A special session that started off confined to insurance and broadening the governor's fiscal powers has three times been expanded.

Smith earlier submitted trailer-brake-light exemptions, school disannexation, exempting aviation schools from the proprietary school act, and reimbursement of medical schools for \$13.5 million in funds "borrowed to avert a 1970 welfare crisis."

Last week, he asked the Legislature to define the state's role and responsibility in developing deep draft offshore port facilities.

The next day, he proposed appropriation to the governor for emergency use, authority for the chief executive to meet certain fiscal emergencies from the fund, a \$365,000 supplemental appropriation to finance this year's primary elections and permanent statutory establishment of the Texas Film Commission as a division of the governor's office.

HIGHWAY FUNDS SHORT — Demand

for better highways is running ahead of state ability to pay for them, Highway Commission Chairman DeWitt C. Greer says.

Highway work pending ranges in need "from immediate to desperate," according to Greer, and there is no money in sight.

An adequate program for next year, with maintenance and operational costs, would carry a price tag of \$1.2 billion, Greer estimates.

Highway Department net income for the next 12 months is estimated at about \$482 million. Greer cites these factors in the financial squeeze:

It now takes \$1.58 to buy highway construction that cost \$1 only 10 years ago.

Release of money from the federal highway trust fund has been spasmodic for several years. This year, Texas anticipated about \$283 million from the trust fund — derived from federal highway user taxes. Actually, prospects are the state will receive only about \$189 million from the federal trust fund.

Greer says the Highway Commission has pending requests for highway projects totalling about \$2.7 billion. The Commission is pushing for a gasoline tax raise next year.

AG OPINIONS—Retired or active judges sitting as commissioners of the Court of Criminal Appeals are merely assigned additional duties and not a new office, Atty. Gen. Crawford Martin held. Martin said the appointees may be compensated.

In other opinions, he concluded: The U. S. Postal Service is an agency

of the U. S. government for purposes of eligibility for state fund investment.

A transaction by an original manufacturer agreeing to give exclusive use of a motor vehicle to another for any period of time and for a consideration is to be taxed on the basis of the gross receipts from the transaction.

The College Coordinating Board can contract with Huston-Tillotson College to provide work for students in the college-work study program there.

A woman state employee is eligible for maternity leave regardless of marital status.

MIGRANT WORKSHOP PLANNED—More than 2,900 teachers from 21 states will meet in McAllen October 9-11 for the 10th annual Child Migrant Workshop sponsored by Texas Education Agency.

Sixty-six consultants will teach 262 workshops. Meetings will focus on continuing needs of migrant students including oral language, reading, bi-lingual education and individualized instruction.

Texas Education Agency advisory committees held a joint meeting here Tuesday on cultural of language differences among the state's school children.

SHORT SNORTS—Waldo E. Lewis will succeed Kenneth Kimbro as chief clerk and tax administrator for the State Comptroller.

Fifty-six Texas tourist industry representatives left San Antonio Sunday on a state-sponsored travel mission to Mexico. Texas Board of Chiropractic Examiners

limited newspaper advertising of contractors to two column inches except institutional ads. The Board also ruled treatment by acupuncture with needles.

Twenty-three applications to sell \$1 million in securities were filed in the last week.

Legislators have urged Governor to submit death penalty and non-parole life sentences as items for special session consideration.

The Governor also has been asked to submit the explosive issue of congressional and state House of Representatives the special session.

The governor's committee for employment of the handicapped met last week at the start of "Employ the Handicapped" week.

Jim Wells County is seeking action for a local election on creation of a twelve community college district.

A new four-state Presbyterian convention here voted to merge the Louisiana and New Orleans Presbyteries referred several other boundary questions to an executive board.

VA guaranteed 91,200 home loans veterans in the first quarter of 1972. A 123 per cent jump in the number made during the same period last year.

A person with a handicap often comes it by being superior in many ways.

Ta wan ka club meeting held

The Ta-wan-ka Horizon Club met September 27 in the home of Mrs. Doyle Webb. Members discussed plans for the Halloween Carnival and announced plans for a guest speaker for the October 11 meeting. Debbie Berggren served refreshments to: Janie Coker, Debra Williams, Debbie Adams, Verna Richards, Malinda Webb, and leaders, Mrs. Webb and Mrs. Royal Berggren.

LeFleur Garden Club Plans flower show October 12

The LeFleur Garden Club made plans to have a flower arrangement show at a meeting Thursday in the home of Mrs. J. L. Thomas.

The show, which is open to the public,

will be held October 12 in the Morton Insurance Building.

Members voted to participate in the County Fair next summer by showing artistic and horticulture exhibits. They also voted to sell foil gift wrap, which is a state project to help the blind. Garden Club calendars were ordered.

Three new members were voted into the club, Miss Gail O'Neil, Mrs. Bobby Adams and Mrs. Barbara Wade.

Following the business meeting a program "There's a lovely little garden in the corner of my heart" was given consisting of segment tables. Mrs. Thomas did an informal breakfast table in apple green and gold. Mrs. Roy Hill did an informal buffet table in red, gold and white and Mrs. L. Z. Scoggins did an informal lunch table in burnt gold, tangerine and olive green. Each setting was discussed, constructively criticized and tentatively graded.

Present for the meeting were: Mmes Murray Corne, Olin Darland, Hill, Don Samford, Scoggins, W. A. Woods, the hostess and all three new members.

Extension of the Commodity Credit Corporation loan on 1971 crop cotton until July 31, 1973 was a constructive move by the U. S. Department of Agriculture toward shoring up market prices for the current crop.

The use of AID funds to move 100,000 bales of low quality 1971 crop cotton to Bangladesh will also be helpful, as will increased use of the PL 480 program to stimulate cotton exports for local currencies.

"All of these things can be cited as firm indications that USDA is aware of the need for, and is willing to take, such steps as may be within its administrative power to mitigate the downward pressure on 1972 cotton prices," says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock.

Moreover, the predicted 13.6 million bale U. S. crop for this year is a long way from being in the warehouse. Johnson observes, so the 1972 cotton market, sick as it is right now, "may not be dead yet."

Market prices for cotton have been in an almost continuous decline for some three months and free cotton stocks in early-season parts of the cotton belt are going begging, literally. A high percentage of the cotton in the Rio Grande Valley and Coastal Bend areas of Texas, where the harvest is nearing completion, was field contracted in advance at prices rang-

ing from 30 to as high as 36 cents a pound. And much of the cotton in the Mid-South and Southeastern states also was sold on the stalk.

To a great extent, Johnson thinks, this explains why there is almost no market in those areas for cotton which was not sold before harvest. "Mills simply are not now in need of cotton," he says. "They did their buying last Spring through acreage contracts, and since they see no real shortage of cotton supplies, they won't be back in the market until they at least know how much cotton that acreage is going to produce."

"But sooner or later they will need more cotton, and the fact that the crop this year is projected a little above expected offtake does not necessarily mean they will be able to come into the market at some later date and fill their needs at prices barley above the loan."

Domestic consumption and exports from this year's supply are estimated total about 11.6 million bales, which means a 13.6 million bale crop-if it materializes—would add 2 million bales to the 3.3 million bales on hand in this country last July 31.

In Johnson's opinion "Under current supply conditions a crop which exceeds offtake by only 2 million bales. If it does, should not be enough to force rock-bottom prices on producers."

The accuracy of USDA's 13.6 million bale crop estimate for this year is dependent on a 1 percent increase in per-acre yields over last year, from 438 pounds to 495 pounds per acre.

Almost certainly there will be a substantial rise in yields on the High Plains, an increase is already being seen in other parts of Texas, and there well may be a lesser increase in yields in the Far West. But there are increasing reports of lower, not higher, per-acre yields from Georgia, Tennessee, Alabama, Missouri, Mississippi and Arkansas. And USDA is expecting to get some 6 million bales of its estimate from these six states.

Producers generally, can use the government loan to hold cotton for up to 12 months if reasonable prices are not available at harvest time.

And Johnson believes they might be well advised to do just that.

Shouldn't you borrow the co-op way?

Like other cooperatives, the Federal Land Bank is owned by its members. It operates solely for the benefit of the farmers and ranchers who control it. Land Bank Association stockholders enjoy all the economies of collective borrowing and lending; mortgage money is available on favorable terms. Need a long-term agricultural loan? Investigate the co-op way of financing your own future... through your Land Bank.

*Every Purchase You Make
In a Home-Town Store ... Is Just Like*

Putting Money in the Bank

... a bank you can draw on for customers, a job, friends in time of trouble, schools for your children, churches for spiritual help ... and the good life in this community ... where everybody is Somebody

Every time you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for YOU and your family and friends.

It's an investment you can draw on every day of your life ... an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live ... and in which YOU are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to some migratory peddler.

It's gone. To support some other area ... to build up wealth that YOU can never draw on ... and to strengthen those who aggressively drain off the trade of your community ... to weaken your business, your schools and churches, to eliminate your job, and devalue your property.

Trade At Home Where Your Money Benefits You
