Tribe takes to 'Muleskinning'

By TOMMY COMBS

In the surprise upset of the season last week, the Morton Indians did their visiting exes proud as they put it all together and handed the "Mighty" Muleshoe Mules their first defeat of the season. The Tribe put a new twist on superstition of Friday the 13th, for their vaunted opponent by socking it to the surprised and confused Mules 27-20.

The last Homecoming Game Morton won was in 1969 against Ralls. The score . . . 24-12.

The Muleshoe gridders went into the game undefeated for the season and with the distinction of having defeated every other team in district 3-AA . . . Demmitt, Olton, Friona, and Littlefield. And Morton in the cellar, should have been an easy win for the hay-burning machine, but the Tribesmen just hadn't swallowed all the dire predictions!

With an admiring and highly vocal capacity homecoming crowd, looking on Larry Thompson gave a preview of what was to come with only 2:25 gone in the first period, when he scampered 43 yards for the first score of the game. Jerry Silhan attempted the PAT but it was no good. And the Indians led 6-3.

A stunned Muleshoe squad regained their composure and in the next series of plays, Don Long, quarterback, threw a 20 yard touchdown pass to Joe Elizarraraz. David Wheat booted the extra point to put the Mules in the lead, 7-6, with 6:35 sec. left in the first quarter.

The remainder of the first half was a series of fumbles, interceptions, and penalties for both teams until Don Long, Mule qb, ran across from the 2 with two seconds left to put the Mules ahead 13-6. PAT try was no good and the halftime whistle blew with the Indians trailing but by no means out of it!

During the halftime intermission, the homecoming queens were presented to the crowd of Morton Alumni. Becky Goodman, football queen . . . Mary Cadenhead, band sweetheart . . . and Rosa White, pep squad queen all reigned over the annual homecoming game.

The second half got underway with the Mules kicking off to the tribe. In a drive that included three first downs, the Indians found themselves on the 9 yard line and tasting another touchdown. With 7:39 sec. left in the third period Jimmy Harvey scampered across the pay dirt line and brought the Indians within easy reach of the Mules. Silhan carried across for two points and put Morton in the lead

DRESSING ROOM BEDLAM . . .

THERE WAS MORE THAN just a little bedlam and horseplay taking place in the Indian dressing room shortly after they had roundly trounced the powerful and state-ranked Muleshoe Mules in the 1972 Homecoming football game Friday night. It wasn't made clear whether

the extended finger was to signify "We're No. 1" or that this was the first of a long line of victories to come. It doesn't matter, as this win will be one that will live in their memories long after the current Tribesmen have ended their high school days.

Ex-students meet; elect St. Clair to president's post

James St. Clair was advanced to the president's chair as the Morton Ex-Students Association held its Homecoming Reception and business meeting Friday night.

The reception and meeting was held in the schools cafeteria following the homecoming football game.

St. Clair succeeds Peggy Silhan as president and heads a slate of 1972-73 officers consisting of Robbie Key, first vice-president; Jane Hoyle, second vice-president and Bennis O'Brien, secretary-treasurer.

In other business, the president called for, and received a volunteer from each graduating class from 1934 through 1972 to seek the current address of each of his classmates in an effort to update the files of the association concerning the whereabouts of Morton's ex-students and ex-teachers.

The 1972 Homecoming was dedicated to the Class of 1962 and to two of its members who are now deceased, Mrs. Joanne Fowler and DWayne Hull. Eleven members of the honored class were present.

During the reception a gift certificate award was given to the ex-student and ex-teacher who had traveled the furthest to attend the Homecoming. The ex-student award went to Kenneth Jordan of Huntsville, Alabama and the ex-teacher award to Elmo Smith, principal of Roosevelt school east of Lubbock.

Orville Tilger will be instructing these classes.

Former Morton resident awarded state 4-H honor

HENRIETTA, TEX. (Special) — Mary K. Glassford, a native of Morton and freshman student at Texas Tech University, Lubbock, has been named a winner in the Extension Service state citizenship program, according to Mrs. Lonella Roesch and John H. Holland, Clay County agents.

The Clay County 4-H'er is to receive an expense-paid trip to the National 4-H Congress in Chicago, Ill., Nov. 26-30. The trip will be sponsored by Transcontinental Gas Pipe Line Corp.

Miss Glassford will also receive a certificate in memory of Thomas E. Wilson, and her state winning record book will be entered in national competition for two \$600 scholarships provided by the National 4-H Service Committee in honor of Thomas E. Wilson.

A Henrietta High School 1972 honor graduate, Miss Glassford is a daughter of Mr. and Mrs. Bill Glassford of Henrietta and former residents of Morton.

In addition to her work in citizenship, she has completed projects in foods and nutrition, clothing, junior leadership and share-the-fun.

She attended Bluebonnet Girls' State, was president of her senior class, Future Homemakers of America president, and

Local cancer crusade earns state award

According to a letter received by Mrs. James St. Clair, Cochran County Crusade Chairman for the American Cancer Society, Cochran County has qualified for the Texas Division's "Golden Achievement Award" in Crusade.

The letter, from Mrs. Jim Lewis, Crusade Chairman Texas Division, read in part "The gold ribbon you have received will most certainly set an example for others. You and Your volunteers have definitely done your part in bringing us closer to cancer control".

Qualifications for receiving the award was a 36 cent increase in per capita giving.

"This award was made possible by the long list of volunteers who helped in the Crusade and the generosity of the people in Cochran County and I am deeply grateful to each of them", Mrs. St. Clair stated.

Money given to the Crusade is used for public education, research and in services for cancer patients.

student council vice president.

This year she was named recipient of the youth citizenship award from the Wichita Falls Soroptimist Club, and the good citizen award by the Major Francis Grice Chapter, Daughters of the American Revolution, Wichita Falls.

Miss Glassford was named Clay County's Gold Star Girl in 1972 and participated in the share-the-fun contest at Texas 4-H Roundup this year.

She has served as secretary, district delegate and president of the Clay County 4-H Council. She has also been president of the Henrietta Community 4-H Club.

The state 4-H winner enjoys music, singing, and bicycling. She is undecided on a career, but is interested in home economics.

YDC names Combs campaign chairman

Tommy D. Combs, employee of KRAN Radio and a student at South Plains College, was recently appointed campaign chairman of the young Democrats Club at the college.

Combs is in charge of scheduling speakers at the college and the manning of the Hockley County Democratic headquarters by the young democrats.

He is a sophomore at SPC majoring in government and plans to attend Texas Tech University after graduation. He also plans to attend the University of Texas Law School at Austin.

PLAY CAST . . .

The 1972 MHS JUNIOR PLAY is as enjoyable as the cast members indicate, it should be a smash hit. Shown during rehearsal of the play, titled "Her Adorable Imp", to be presented Friday and Saturday in the CAB Auditorium, are, seated, Mary Marina, Sandra Akin, Maxie Wilcox, Susan Swindle, James Bell and Zera Swindle. Standing, left to right, Terry Gillespie, Roy York, Steve McClintock, Donna Sanders, and Delores Williams. Not present for the picture was Randy Kuehler.

MHS Junior class slates play for October 20-21

The junior class of Morton High School will present the annual junior play on Friday, October 20, and Saturday, October 21, at the County Activities Building Auditorium. The curtain will rise at 8:00 p. m. each night.

The title of the play is "Her Adorable Imp" by Lawrence Cortesi. The play is from the Heuer Publishing Company of Cedar Rapids, Iowa.

The play is a three act comedy about a mischievous ancestral spirit who comes to visit and play pranks on the Pfeiffer family. The spirit first plays on the daughter, Jeannie Pfeiffer, and makes everybody believe that Jeannie is losing her senses. The ghost then starts to play tricks on the rest of the family causing the whole neighborhood to think that the Pfeiffer family is going crazy. The result is an hilarious time of fun and laughter.

The cast includes: Susan Rowden as Jeannie Pfeiffer; Roy York as Mr. George Pfeiffer; Sandra Akin as Mrs. Sarah Pfeiffer; Steve McClintock as Danny Pfeiffer; Marie Wilcox as Sheila; Zera Swindle as Midge; Danny Berlinga as Joe Claymore; James Bell as Tommy; Terry Gillespie as Sgt. Jim McCaffrey; Dedra Williams as Dr. Ursula Fredericks; Randy Kuehler as Dr. Karl Heisenger; Donna Sanders as Hannah Robinson and Mary Sanders as Mrs. Marion Wright.

The 1972 High Plains cotton crop again is estimated at just under 2 million bales by the joint cotton estimates committee of Plains Cotton Growers, Inc. and the Lubbock Cotton Exchange.

The exact October estimate for 25 counties surrounding Lubbock came to 1,978,000 bales, 15,000 below the September 1 projection of 1,993,000 bales. Standing acreage was unchanged from September, at 2,494,500. The average per-acre yield indicated by the October estimate is therefore 381 pounds as compared to 383 pounds on September 1.

Committee spokesmen noted that weather conditions in the month of September were excellent for crop development, and there would have been cause for higher production expectations except for a high incidence of verticillium wilt in many areas and severe weed problems in others. Some fields on the Plains may not be harvested at all because of weeds, and Bill Gunter, member of the committee and District Extension Agent said there is more wilt on the Plains than ever before.

"So," said PCG Committee Chairman Joe D. Unfred of New Home, "the beneficial effects of good weather have been just about cancelled out by wilt and weeds."

The highest producing counties on the Plains, according to the estimate, will be Lubbock and Dawson, with a volume projection of 215,000 and 210,000 respectively. Some Dawson County observers are saying they replace Lubbock County this year as the area's leading producer.

The most severe cut in county production from September estimate shows up in Gaines County where the figure dropped 30,000 bales from 180,000 to 150,000. Committee informants in that county reported that after a re-assessment of overall crop conditions, particularly fields with severe weed problems, "we think the lower figure is a little more realistic."

A good sized drop in estimated production was also seen in Dickens County, from a 23,000-bale guess last month to 16,000 bales now foreseen. Primary reason is given as the boll weevil infestations in that area.

Unfred said value of the crop to the area economy is still a big question mark under currently declining market prices, "but with anything like a reasonable price

and if the quality of the crop is fairly good, its value should approach \$350 million, including government payments.

The joint PCG-LCE committee will look again at crop prospects and issue revised estimates as of November 1 and December 1.

Muleskinning ...

The Indian one-point lead didn't last long, though. Little Don Long called a quarterback sneak and fell across the goal from the two yard line with 33 sec. left in the third period. David Wheat booted the PAT to put the Mules back in the lead 20-14.

The Tribe started the fourth quarter just like they started the game . . . with six points. On a drive that included three first downs, the Indians had the ball on the 2 yard line. Jimmy Harvey took the handoff and plowed across with 8:34 left in the game, to tie the score 20-20. Jerry Silhan kicked the PAT to put the Indians back in the lead 21-20. The Mules never saw the lead again.

With only seconds left in the game, the Mules had the ball on their own 48. Long dropped back for a pass to Fred Locker . . . and Jimmy Harvey, Morton Workhorse, thought it was intended for him. He intercepted the pass and ran 52 yards with the final buzzer sounding in his ears to add six more points to the board and drive the Morton fans into a frenzy. The PAT was not attempted due to a flood of spectators onto the field.

But to the Indians and the fans, it didn't matter. The Indians had done the impossible! The final score Morton 27 and Muleshoe 20. The Morton victory bell rang for the first time this football season and the homecoming crowd loved it.

The unofficial statistics showed Morton with 11 first downs to Muleshoe's 12. Morton had 324 yards rushing and no yardage gained through the airways. Muleshoe gained 336 yards on the ground and 35 in the air for a total gain of 71 yards. Morton attempted 3 passes with no completions. The Mules attempted 11, completed one and had two intercepted.

Larry Thompson was leading rusher for the Tribe with 82 yards, Jimmy Harvey picked up 70 yards and 18 points. Leading rusher for the Mules was Don Long with 129 yards gained.

The Morton Indians have an open date tomorrow night but next week (October 27) travel to Olton to meet the Mustangs in the first game of district competition. Game time is 7:30.

LINCOLN KNOWS

The Tire Industry Safety Council says that a good way to demonstrate the importance of tire safety is to have the students take 'the Penny Test'. Simply take a Lincoln head penny and insert it into the tread groove. If the top of Lincoln's head shows in two or more adjacent grooves, the tires have worn to the danger point.

Accent on health

Drug abuse and drug addiction are ma-
jor national problems and certainly are
problems that receive the highest pri-
ority in the State of Texas. Thousands of
Texas youths and adults endanger their
health through the inappropriate use of
drugs of all kinds.

In addition to the human costs, society
loses thousands of dollars a year in health
services, lost man hours, theft, and gen-
eral social destruction. Drug abuse ruins
lives and destroys families. It also takes
lives. It must be of concern for every
Texan.

An annual "Drug Abuse Prevention
Week in Texas" allows us to voice our
concerns over what has to be done to
tackle this major dilemma facing society.
But it doesn't fully tell the day by day
efforts put forth by State agencies to at-
tack the problem and their efforts to pro-
vide at least a partial answer through
the many services offered at the State
level, say State Health Department offi-
cials.

Drug Abuse Prevention Week is being
observed this year from October 15 through
October 21. Some 17 state agencies, who
cooperate under the Texas Interagency
Council on Drug Abuse, during this week
will try to spotlight drug abuse services
available to the public from their respec-
tive agencies.

The Texas State Department of Health
has responsibility for two major drug ab-
use services. Through a comprehensive
public health education Film Library and
an extensive literature distribution unit,
the agency provides the latest, most au-
thoritative drug information. It is available
to the public at no charge.

In 10 Texas cities, methadone treatment
centers are in operation to provide addicts
with a synthetic narcotic drug substitute
for heroin. The maintenance clinics are
licensed and regulated by the State Health
Department.

At present there are 16 clinics operat-
ing in 10 cities—Austin, San Antonio, Hous-
ton, Dallas, Fort Worth, Lubbock, El Pa-
si, Corpus Christi, Harlingen, and McAl-
len. Under Texas Law, the narcotic main-
tenance programs must have permits and
conform to guidelines of the State Health
Department.

Among the new regulations governing
methadone maintenance in Texas is one
providing the drug will be administered
daily initially and then may be supplied

each individual patient after a mainten-
ance dose is established. The patient may
not receive more than a three-day supply.

Patients on a maintenance program
must also receive treatment within the
geographic area in which they live. The
areas conform to the 10 regional areas of
the State Health Department. Reason for
this is clear. A patient could be enrolled
at more than one clinic and wind up with
more methadone than he uses—selling the
rest on the black market. A survey by the
New York Times of 14 major American
cities with methadone maintenance pro-
grams has found that in all of them there
is some trafficking in the synthetic, ad-
dictive drug.

Through regular checks of urine, clinic
officials can tell if a methadone use has
slipped back to heroin.

Just as heroin can cause a fatal reac-
tion through an overdose, so can metha-
done. There have been fatalities in Texas
caused by overdoses of methadone. In the
clinic under state regulation, tests are
run first to see if the patient is a user of
heroin. Then, the maintenance dose is ar-
rived at carefully. While an addict with
a big problem can take large doses of
heroin or methadone, a non-user could
have a death-dealing dose on his first
experiment with either.

Why has the maintenance program be-
come a useful tool in the treatment of
drug addiction? Persons on a maintenance
program haven't really kicked the need
for narcotics, but they are able to perform
their normal jobs, care for their children,
and attend the school by using the nar-
cotic drug substitute. But even after us-
ing methadone, they cannot release them-
selves from their drug dependence with-
out going through total withdrawal, for
methadone is an addicting narcotic just
like heroin.

Research is now underway to find a
substance to take the addict off of metha-
done, an agent that would block the ef-
fects of heroin over long periods of time
and yet not produce an addiction to the
new substance.

But until that substance is discovered
and perfected, heroin users have only four
choices: to continue using the drug; un-
dergo "cold turkey" withdrawal; go onto
a regulated methadone maintenance pro-
gram that will satisfy their habit and yet
return them to a useful life; or undertake
a methadone withdrawal program.

Freshman gridders down Mules 12-6 in rugged battle

By CHIP SAYERS

The junior varsity Muleshoe Mules must have gotten a new set of shoes because they kicked harder in last week's game than they have in recent contests. The Morton Freshman again stole the show but not quite as easily as in their prior game with the contrary Mules.

In the game played last Thursday, the former "pushover" Mules nearly got away. The first time the Frosh Indians and the Mules met the Indians came out on top with an easy 24-0 score. Last week it was a 12-6 victory.

The Mules opened the game with a kick-off to the Indians, but a fumble recovery enabled the Muleshoe team to launch a big drive toward a possible score. The alertness of Fouce Grisby in recovering a Mule fumble, probably saved the game from turning out differently. The Indians then put a drive of their own, but it stalled out at the end of the first quarter.

The second quarter saw the Indians offense sputtering from the start and things accordingly didn't go well for them. The defense forced a punt by the Mules, but a fumble stopped the offense cold. The Mules recovered and took it in for the score. Muleshoe missed the conversion making the score 6-0.

The Mules then kicked to the Indians

who started a heart stopping drive. The Indians drove steadily with quarterback Kenneth Staudmire making a long run to the Muleshoe 7 yard line. The Mule's goal line defense looked formidable but Staudmire managed a score in the final seconds of the first half. The conversion missed and the two teams cleared the field with a 6-6 tie.

With the second half, good fortune smiled on the Tribesmen in the form of six points. James Cornish put them there with a 63 yard run. It was a bad night for conversions and the score read 12-6. The remainder of the game turned into a defensive battle with the last two quarters highlighted by some good running by backs James Cornish and Jimmie Morin, who would have earned a war bonnet full of feathers had they been on the Varsity.

The final seconds ticked away with very accurate Muleshoe passing, interrupted by a fumble recovery by Mike Williams, and a return fumble by the Indians. The Mules passing was strong and had their quarterback had some open receivers it would have been deadly, but the price for so much passing is interceptions and Kenneth Staudmire collected one to end the game at 12-6.

Accident victim's rites held here

Services for Daniel Zapata were held at 3 p. m. Wednesday in St. Ann's Catholic Church. The Rev. Kevin Clark, pastor of St. Phillip's Catholic Church of Pep, officiated.

Burial was in Morton Memorial Cemetery. Zapata, 27, died about 8 a. m. Sunday in Bailey County following a tractor accident. Justice of the Peace from Muleshoe ruled accidental death.

Survivors include his wife; two daughters, Gracie and Judy Zapata, both of the home; his mother, Mrs. Ynocencia Zapata of Morton; three sisters, Mrs. Francis Andreka and Mrs. Deloris Pass, both of Morton and Mrs. Avala Casarez of Fort Worth; three brothers, Ray Zapata of Maple, Frank Zapata of Morton and Toni Zapata of California.

L. F. Fitzgerald rites held Tuesday

Services for Luther Franklin Fitzgerald were held at 3 p. m. Tuesday in the Muleshoe Assembly of God Church with the Rev. G. A. Van Hoose, pastor of the Morton Assembly of God Church, officiating.

Burial was in the Bailey County Memorial Park under the direction of Singleton-Ellis Funeral Home.

Fitzgerald, 91, and a resident of Morton for 32 years before moving to Muleshoe two weeks ago, died at 5:45 a. m. Monday in West Plains Memorial Hospital. He was a native of Van Zandt County and a retired farmer.

Survivors include his wife, Minnie; two daughters, Mrs. Ira Martin of Muleshoe and Mrs. E. J. Simmons of Crane; and three grandchildren.

Mrs. Hamilton's rites Wednesday

Services for Mrs. Pearle Hamilton were held at 2:30 p. m. Wednesday in Singleton Funeral Chapel. The Rev. A. R. Coleman, a retired Baptist minister, and the Rev. Paul McClung, pastor of the First Baptist Church, officiated.

Burial and graveside services were held at 5 p. m. Wednesday in the Lamesa Memorial Cemetery.

Mrs. Hamilton, 82, a retired school teacher, died about 2:45 p. m. Tuesday in Cochran Memorial Hospital. She had lived in Cochran County for 12 years.

Survivors include a daughter, Mrs. Junnital Shaw of Morton and two grandsons, Donald and Larry Shaw, both of Lubbock.

PEP SQUAD SWEETHEARTS . . .

IN ROYAL GRANDEUR Pep Squad Sweetheart Rosa White, tonight, tours the field at Indian Stadium Friday night where she and her court were introduced to the audience during half-time ceremonies of the Homecoming football game. Rosa is the daughter of Mrs. Nell White of Morton. Accompanying the newly-crowned queen are princesses Hope Soliz, daughter of Mr. and Mrs. Ralph Soliz and Irene Pritchett, daughter of Mrs. Nellie Pritchett.

How Sweet It Is . . . Harvesting Ahead of Last Year . . . Cotton Price Declines . . . Sheep, Lamb Feeding Declines . . .

This is a sweet story. The Texas 1972 honey crop is estimated to be 88 percent above a year ago. Total expected is 6,440,000 pounds of honey compared with only 3,432,000 pounds in 1971.

Colony condition of bees is reported good due to adequate moisture during the honey flow season over most of Texas. South Texas is reporting an excellent crop. Nationwide, an increase of 13 percent in honey production is forecast for this year compared to 1971.

A DROP of six cents per pound in cotton has been reported in Texas during a 30-day period. Cotton price in Texas as of September 15 as reported by the Texas was 24 cents; the price the previous month was 30 cents per pound. Effective parity is 55.67 cents per pound.

Only the price of sheep is above effective parity prices. Sheep prices were reported at \$11 per hundredweight; the effective parity is \$10.80. Calves at \$44 per hundredweight are only slightly below parity which is \$44.60. Beef cattle prices were \$32.40 per hundredweight; parity is \$37.20. Hog prices in Texas average \$27.70 compared with parity price of \$30.90.

The price of wheat jumped 23 cents per bushel to reach \$1.78 average. Parity is \$3.05 per bushel.

Corn averaged \$1.37 per bushel compared with \$2.01 parity. Grain Sorghum averaged \$2.10 per hundredweight compared with parity price of \$3.36.

Egg prices averaged 38 cents per dozen; parity is 56.4 cents per dozen. Wool averaged 57 cents per pound and mohair averaged 80 cents per pound.

The all-farm products index of prices was six points below last month, but still 39 points or 13 percent above a year.

DRYLOT sheep feeders with a lot capacity of 2,000 head or more had 124,000 sheep and lambs on feed for slaughter as of October 1; this is four percent below the number on feed a month ago but four percent above the number on feed last year.

Placements during September totaled 54,000 head with a total of 14 feeders reporting 1,000 or more head on feed.

Current intentions to market are: October, 54,000 head; November, 49,000 head; December, 21,000 head.

HARVEST of most crops in Texas continues ahead of last year at this time. Corn harvest is more than 70 percent complete; grain sorghum harvest is 50 percent complete; peanut harvest is 35 percent finished.

Wheat seeding for the state has reached 64 percent completion compared with 60 percent last year. Early planted fields on the High and Low plains are making

Study Club hears program on drugs

Three members of Parent's Anonymous of Lubbock presented a program in drugs at the Whiteface Study Club meeting October 5 in the Community Center. Mrs. Jean Bills and Mrs. Lena Lasater were hostesses.

Mr. and Mrs. Nathan Luger and Mr. Gilmore of Lubbock held a panel discussion following the program. All of them have had a child using drugs at one time. In the business meeting, Mrs. Richard Hearn was welcomed as a new member. Seventeen members and one guest was present for the meeting.

Small business conference scheduled for Littlefield

Small business owners and managers interested in sharing management skills are invited to attend a conference entitled "What is the Future of Small Business?" co-sponsored by the Littlefield Chamber of Commerce and the U. S. Small Business Administration, on October 26, 1972.

Speakers for the conference will be Mr. B. Hare, Management Assistance Officer, and Mr. Millard A. Townsend, Borrower Services Officer, both of the Lubbock District Office of the Small Business Administration. The conference will be held from 7:30 to 9:30 p. m., Thursday, October

26, 1972, in the XII Room of the Security State Bank, Littlefield, Texas.

The conference is designed to assist the small businessman in analyzing his increasingly competitive situation, identifying his problem and exploring possible solutions to the problem.

This conference is open to the public and there will be no registration fee. For further information contact the Littlefield Chamber of Commerce, P. O. Box 507, Littlefield, Texas, telephone 385-4451; or U. S. Small Business Administration, P. O. Box 10107, Lubbock, Texas 79408, telephone 747-3711, ext. 462.

Muleshoe upset puts Morton in 3-AA spotlight

Doug Reed doesn't know until yet exactly what happened on that game-ending extra point try. But, no matter. What happened on the play prior to that is what was important, and will stick in his mind for the rest of his life.

The last play with time left on the clock was a 65-yard interception return for a touchdown by Morton's Jimmy Harvey, and it capped off a stunning 27-20 upset of previously undefeated and state-ranked Muleshoe. And the game highlighted the week for District 3-AA teams who begin picking a district champ this weekend.

Class AAA Muleshoe had come to Morton with an unspoiled record, had beaten every other 3-AA team this fall and was a solid choice to make Morton its sixth victim of the season.

But, on the second play from scrimmage, tailback Larry Thompson sped 42 yards to score, and the upset was under way. Morton trailed 13-7 at the half—Muleshoe scoring three seconds before intermission—but Morton pulled into a 21-20 lead midway of the final quarter when Harvey went over from the two. Silhan booted the untieing point.

The Mules went to the air, especially as the clock wound down, and Morton touched or came close to interceptions on four straight plays. Finally, on the game's final play and three seconds showing on the clock, Harvey picked off the desperation shot at his 35 and sprinted all the way.

"Well," said coach Reed, "all the kids on the bench picked me up (on their shoulders) and started across the field. That's what the crowd on the field was about. And I was on the Muleshoe side of the field talking to Fred (Hedgecoke, the Muleshoe coach) when they kicked the point. And, honestly, I don't know what happened. There was a penalty or something, and . . ."

Actually, that point made no difference, as the Indians won their first game of the year. "We got up for the game, but, shoot, we knew we had something going for us. We've had so many little old injuries. I knew we had a good team, if we could just get everybody well. It was an upset, but I didn't think it was that much of an upset."

Now, Reed has two weeks to prepare his Chiefs for their 3-AA opener on Oct. 27 against Olton. The league's other four teams are in action this week, however, with Olton playing Friona and defending champion Littlefield taking on Dimmitt.

Friona finished non-conference play with the best record, chilling Dalhart 35-0. James Bartlett gained 178 yards rushing and scored 12 points, and Louis Lee returned from the injury list to pick up 114 yards on seven tries and score once. Teddy King latched onto four passes for 70 yards and two of them were for touchdowns.

That game left the Chieftians with a 5-1 record.

Littlefield edged Roosevelt 17-14 with a touchdown by J. W. Johnson with only 31 seconds remaining. The Wildcats had trapped Roosevelt's punter on his five-yard line with 1:54 left and took the ball on in for the winning TD.

Olton outscored Idalou 27-21 with help of two fourth-period scores. The ultimate winning score came as the Mustangs blocked an Idalou punt, took over at the seven and Glen Johnson swept left end for the winning TD. That brought the score to 27-13, but Idalou got eight more before the final gun.

Dimmitt lost an 8-7 verdict to Kress, after Florence Acevedo's 15-yard touchdown run and Rick Wright's kick had shoved the Bobcats to a 7-0 lead in the second quarter.

Families in county large, survey shows

How big is the average family in Cochran County? Are local families larger or smaller than those in other communities?

The question of family size, family planning and the placing of limitations on the concentration of population to keep it within manageable levels has become the subject of a national dialogue.

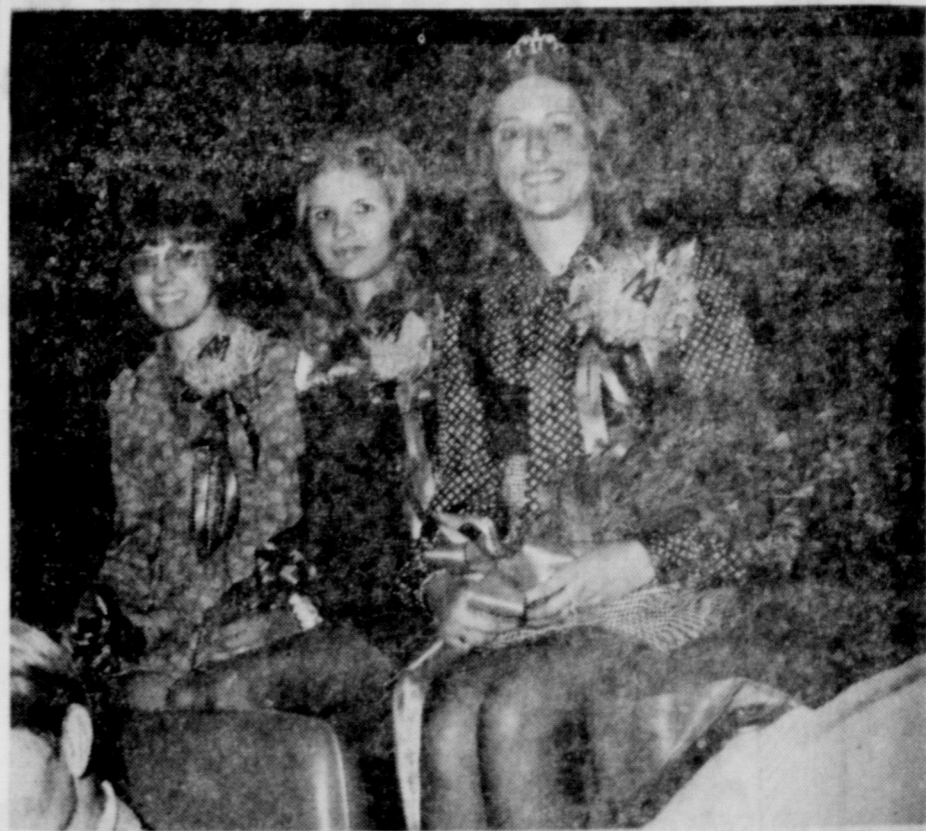

Biologists, ecologists and others are greatly concerned about the steady deterioration of the environment through air pollution, the piling up of waste products, the contamination of rivers and lakes and the rapid rate at which we are using up our natural resources.

As voiced by Prof. John Thomas of Stanford University, "When we can deal adequately with the people we have now, giving everyone enough food, housing, clothing, peace, love, purpose and opportunity to achieve and fulfill themselves, we can then talk about more people and larger populations — not before."

In Cochran County, according to the current census figures, which show a population of 5,326 distributed among some 1,508 households, there is an average of 353 persons per 100 local households.

This is more than is reported for most sections of the United States, the average being 320 per 100 households. In the West South Central States it is 325.

The Department of Commerce points out that, with mortality conditions as they are now, the number of children born need only be 2.13 per family to maintain the national population at its present level.
