Morton, Texas, Thursday, Nov. 2, 1972

Heavy vote turnout expected

Cochran countians will join a vast multitude of registered voters throughout America Tuesday in a trek to the polls in what could be one of the most significant elections in United States history. And, if the results of the Tribune's informal poll-taking proves accurate, there will not only be a heavy local turnout, but th incumbent Presidential candidate Richard Nixon will sweep the county in near landslide proportions.

At the Presidential level, however, is the only area that appears the Republican party has a large lead in the county, with the possible exception of the contest for United States Senator between incumbent John Tower and his Democratic opponent Barefoot Sanders. A very close race to the wire is indicated in this one, with the answer coming only when the final votes are in.

Seldom in the nation's history has there been two candidates with more contrasting political, social and economic philosophies in a presidential election. Tuesday the man on the street gets his every-fourth-year opportunity to demonstrate by use of the polling booth, just who the boss is in this republic and which way he chooses for it to go.

Absentee balloting in the county got underway October 13 and will end at 5 p. m. November 3. Voting by the absentee method has been light up until Wednesday, according to information from the county clerk's office. A total of 27 ballots had been cast by absentee voters either in person or by mail at that time, with 18 in Precinct One, four in Precinct Two, three in Precinct Three and two in Precinct Four.

Mailed absentee ballots may be received until 1 p.m. on election day.

See HEAVY VOTE, Page 4a

'Day' honoring Mahon attended by countians

Some 15 persons from Cochran County attended the "George Mahon Appreciation Day" barbecue Oct. 24 at Lubbock's Fair Park Coliseum.

A bronze bust of Mahon was unveiled in ceremonies after the dinner and presented to Rep. Mahon and his family. The sculpture by Mrs. Joe (Juandell) Wade of Lubbock will be on permanent display at Texas Tech University Museum.

County Farm Bureaus in Mahon's 19th Congressional District presented the bust to the veteran Congressman. The county farm organizations also hosted the barbecue dinner in his honor. Many counties in the district had "George Mahon" Days proclaimed.

Heading the County Farm Bureau delegation from this county was G. O. Cooper of Morton, president. Other officers and board members attending included: C. W. Palmer, Douglas Zulur, County Judge, Glen Thompson, County Agent Roy McClung.

MEAT ON THE TABLE . . .

MEMBERS OF THE SANDHILL CRANE HUNTING CLUB of Morton don't kid around when they go forth seeking that which gives their club a name, as evidenced by the 30 beauties on display above. Saturday was the opening day of the crane season and these ten club members sallied forth with their various aomatics and twice-barreled shootguns and brought back their limit of 30 birds in

a few hours time. John Autry, club president, stated that it was probably the first time in this area's history that that many persons got their limit in so little time on the first day of the season. It's a good bet that the beautiful golden Labrador retriever, above, had considerable to do with setting the record.

Tribe hosts 'Cats in district play

The Morton Indians go after their first win of district competition tomorrow night against the Littlefield Wildcats here in Morton.

Littlefield, Last Year's District Champions, ended last season with a 8-3 won lost record. The cats meet Morton with a 6-2 record for the year, having lost to Muleshoe 42-14 and to Floydada 3-0.

Back from last year's unit are all-district linebacker J. E. Johnson (6-2, 190) and counterpart Bill Hamblin (5-10, 175), tackle Jerry Cox and secondary men Al Mackey and Leneral Lewis. Adding depth to a strong team are new faces Mike Hopper, end; linebacker Kenny Owens, and tackle Floyd Smith.

In district play this season, the Cats downed Dimmitt 21-2 and squeaked past

Friena last week 21-14, and remain the only unbeaten team in District 3-AA. Kick-off tomorrow night is set for 7:30 in Indian Stadium.

The Indians lost their district opener last week to Olton 13-10 in Olton.

The Indians received the opening kickoff and drove down to the Olton nine yard line where signals got crossed and the Tribe fumbled and lost the ball. The Mustangs took advantage of the loss and drove down to the Morton one yard line with the help of four first downs. Keith Workman, Olton fullback, then carried across to put the Mustangs on the scoreboard. Quarterback Tim Givens kicked the extra point and Olton led 7-0.

Three minutes into the second quarter, Ted Thomas, Morton quarterback, slipped

across for a TD and Jerry Silhan kicked the PAT to tie the score and put the Tribe back into the game.

After an unsuccessful drive in the second quarter, the Mustangs punted to Morton and the Tribe got down to the 16 yard line and Silhan kicked a field goal to put the Indians ahead 10-3.

The third quarter was a show of defensive strength for both teams and no points were put on the scoreboard.

With just over 6 minutes left in the ball game, Glen Johnson, Olton fullback, bounded 32 yards for a TD and Givens attempted the PAT but it was no good and the Mustangs led 13-10.

The Tribe couldn't get things together

Polvado, Dewbre receive county Gold Star awards

Top 4-H boys and girls of Cochran County were honored at the annual 4-H Achievement Banquet Monday, October 30, at the Morton School Cafeteria. Approximately 225 guests, parents, and members were in attendance.

Judge Glenn Thompson presented Mickey Dewbre, daughter of Mr. and Mrs. James Debre, and Steve Polvado, son of Mr. and Mrs. Bob Polvado, as the 1972 Cochran County 4-H Gold Star winners, this being the highest county 4-H award provided by the Texas Agricultural Extension Service.

Fifty-two 4-H girls and boys received various project award pins during the recognition ceremonies along with 174 4-H yearpins and 39 adult leader awards. Awards were given by adult leaders, and the county extension agents, Gail O'Neal and Roy McClung.

Master of Ceremonies for the 1972 banquet was Jo Ann Whitehead, president of the Morton 4-H Club, and daughter of Mr. and Mrs. James Whitehead, who also introduced the many guests.

Welcoming those in attendance was Joe Harbin, Educational Director for Bailey County Electric Cooperative Association. The response was given by Debbie Polvado. Bailey County Electric Cooperative Association provides the meal each year

as well as many other things, such as scholarships.

Randy Coleman, Morton 4-H Club, gave the invocation. After dinner entertainment was by the Brownlows'. Highlighting the adult awards was the presentation of the "Friend of 4-H" awards to Raymond Lewis, Frankie Long, and Leonard Coleman. The awards were given to these individuals for their fine support of the 4-H program. James Dewbre was awarded the "Outstanding Adult Leader" plaque for his years of hard work with the 4-H members. Alumni recognition was also awarded to two young leaders who are former 4-H members, Mrs. Sharon Hester, and Mrs. Larry Buchanan.

Awards and winners were:

See 4-H AWARDS, Page 4a

★ Help! Help! . . .

All Study Club members are urged to be at the home of Judge and Mrs. M. C. Ledbetter Monday, November 6, at 5 p.m. to help with the Multiple Sclerosis Drive.

The Emlea Junior Study Club is sponsoring the drive in Morton.

VOICE ON THE PHONE LINES . . .

THE VOICE OF WINTER was not only heard, but felt as well when these east of Morton on Country Club Road were loaded up with ice Sunday night and came crashing to the ground, putting a large number of telephones in Morton out of commission. Drizzling rain accompanied by below freezing temperatures wreaked havoc with trees and power lines and did substantial damage to cotton and grain sorghum crops over a 60 hour period between Sunday night and Wednesday morning.

farm, ranch losses may bring benefits from FHA

Farmers and ranchers who have lost crop, livestock, or property losses as a result of a natural disaster since June 30, 1971, may be eligible for benefits from the Law 92-385, J. Lynn Futch, State Director of Farmers Home Administration, announced today.

Provisions of this law, signed by President Nixon on August 16, 1972, are now operative, Futch said.

The law is divided into two time periods. Farmers and ranchers who received loans from Farmers Home Administration as a result of losses due to a natural disaster that occurred between June 30, 1971, and December 31, 1971, may be eligible for cancellation of up to \$3,000 of the balance of the loan. Interest on the remaining loan would be three percent.

Those who received loans as the result of losses from natural disaster that occurred after December 31, 1971 are also eligible for a cancellation of up to \$5,000. Interest on the outstanding balance would be charged at one percent.

Futch emphasized that it is not necessary for those who are entitled to benefits to contact the local FHA office. These are blanket provisions applicable to all who have received loans, and each will be contacted and told of the action he should take.

Futch also advises that any farmer or rancher who receives an Emergency loan from Farmers Home Administration between now and June 30, 1973, may have up to the first \$5,000 of the loan cancelled, with the balance at a one percent interest rate. The amount of cancellation is limited to the loss or damage not compensated by insurance or otherwise.

★ Carnival Saturday!

The annual Halloween Carnival scheduled for Tuesday night was postponed due to the weather.

All Goblins and Spooks are invited to the Roller Rink Saturday night at 6:30 p.m. when the carnival will be in full swing.

Families in county smaller than average, national survey shows

Cochran County families getting smaller in size? How big is the local family compared with those of other parts of the country?

Questions come to the fore at this time because of recent government reporting that a population milestone has been reached in the United States. For the first time in history, a zero population growth has been recorded.

Officially, according to the Census Bureau, for a period of six months the nation merely sustained itself in regard to population. In other words, the number of births was approximately equal to the number of deaths.

To maintain that replacement rate consistently would mean that the number of children born would average no more than 2.1 per couple. That is considerably below the normal rate. It has been running about 3.1 per couple for years.

Cochran County, on the basis of the Census Bureau reports, families are relatively large, reflecting the size of the county.

See FAMILIES, Page 4a

firm receives loan approval

The Tribune was notified by telegram from the office of Rep. George Mahon of the 19th Congressional District that a large rural electrification loan application has been approved.

The telegram states that the electric utility application has been approved by the Five Area Telephone Cooperative of Muleshoe in the amount of \$1,374,000. The additional federal money is to be used to expand and improve telephone services in the community area of operation.

Services to be served by the company include Bailey and Hockley.

A CAUSE FOR WEeping . . .

MRS. J. C. REYNOLDS sadly surveys what is left of the magnificent weeping willow tree that grows in her front yard on East Grant after freezing rain iced it up and broke large portions from the main trunk. Some of the limbs that snapped were up to 7-8 inches in diameter.

Temperatures that reached the mid-twenties and hovered below the freezing mark from Sunday night to Wednesday morning severely damaged large numbers of trees and power lines and heaped more woe on cotton and grain sorghum producers in the area.

NOTICE

NOTICE TO BIDDERS

State of Texas
County of Cochran
Notice is hereby given that the commissioners Court of Cochran County, Texas will receive bids for the purchase of a basically equipped ambulance. Bids will be opened November 13, 1972 at 10:00 a. m. in the Commissioners Courtroom. All bids shall be sealed when presented or filed and will be opened at the above date and time. Plans and specifications can be seen at the office of the County Judge.
The court reserves the right to reject any and all bids and waive all formalities. By order of the Commissioners Court of Cochran County, Texas.
Glenn W. Thompson
Cochran County Judge
Published in the Morton Tribune October 26, November, 1972.

"The more you listen to political speeches, the more you realize why America is called the Land of Promise." S. H. Farrington, Harvey (N. Dak.) Herald.

It takes one acre of healthy forest to grow the lumber for a five-room frame house.

ENGAGED . . .

MRS. JAMES TURNEY has announced the engagement and approaching marriage of her daughter, Kathy Dean to Delmar Dean Gilliam, son of Mr. and Mrs. E. C. Gilliam of Enochs. The couple plans to marry November 23 in the First Missionary Baptist Church. Friends and relatives are invited to attend.

CC 4-Hers attend Texas State Fair

Cochran County 4-H members represented the county at the State Fair of Texas at Dallas.

The boys and girls did an excellent job in exhibiting 4-H steers, bringing home a total of 3 blue ribbons, one red, and 2 whites.

Exhibiting steers were: Mickie Dewbre, blue ribbon winner with her medium and Steve Polvado, blue ribbon winners, weight short horned steer; Mark Dewbre exhibit light crossbred steers.

Exhibiting light weight crossbred steers that was in a class of 78 steers. Mark had the top Limousin crossbred calf, and won an extra \$100.00 from the Limousin Association for the honor.

Steve had the 2nd placing Limousin crossbred steer and won \$50.00 from the Association.

Other placings were Susan Polvado, red ribbon winner with her heavy weight Hereford Steer; Debbie Polvado, white ribbon winner with her heavy weight short horned steer and Cody Dewbre, white ribbon winner with his medium weight Angus Steer.

All steers sold at auction October 20 at the Dallas Fair.

Parents and leaders making the trip were: Mr. and Mrs. Edward Dewbre and

News from Threeway

Mrs. George Fines underwent major surgery in a Littlefield hospital Saturday. The Three Way basketball girls played Coiton Center Tuesday night at otton Center, winning one game and losing two games.

Friday night Three Way football boys played Borden County on the home field, losing the game. It was homecoming for Three Way. At halftime Kandice Sowder was crowned football queen and Iseral Zapa was crowned football hero.

Mr. and Mrs. Tommy Durham and children from Lubbock, Mr. and Mrs. Troy Tyson and children from Lubbock, and Mr. and Mrs. D. A. Williams and son from Bula spent the weekend with their parents, the George Tysons.

Mr. and Mrs. R. L. Reeves from Post spent the weekend with the Jack Reeves and D. S. Fowlers.

Mr. and Mrs. Paul Wyle and son from Smyer visited her parents the W. E. Latimers Thursday evening.

Mr. and Mrs. Jimmy Batts and family from Pacos, Mr. and Mrs. Wayne Batts and children from Brownwood, Mrs. Johnny Harris and daughter and Mr. and Mrs. Kent Cooper and children

from Levelland spent the weekend with their parents, the E. T. Batts.

Mr. and Mrs. Jimmy Green and son from Jal, N. M. spent the weekend with her parents, the Jack Furgesons.

Mr. and Mrs. Mike Roberts from Muleshoe visited his parents, the Paul Roberts, Friday evening.

Mr. and Mrs. C. A. Bundrant from Lubbock were in the community Saturday looking over their farm.

Mrs. John Shepard from Eastland spent the past week with her daughter and family, the Bill Welch.

Kem and Glen Fowler and Chris Hoke from Morton spent Saturday night with the D. S. Fowlers. Sunday afternoon Mrs. Fowler visited the Roy Green at Morton.

Mr. and Mrs. Dutch Powell were in Lubbock Monday.

The Council, a non-profit group headquartered in New York City, said its test survey indicates the industry has achieved adequate pollution control at most of its mills in 1975.

It singled out five companies that presently have good overall records in pollution control.

Letter To The Editor

Dear Editor:
Some things in our town are still pretty good, I'd say.

Today, the 31st, is really a day for goblins and witches in the icy, frozen world outside. But, some good fairies are at work too, because at midmorning, already, city workers were clearing the roads, sawing fallen limbs and getting everything in tip top shape again, paying no heed to Old Man Frost.

Three cheers for the city.
the Tom Sneads

Russell; Mr. and Mrs. James Dewbre and Mike; Mr. and Mrs. Bob Polvado; Mr. and Mrs. Ken Wesley and County Extension Agent Roy L. McClung.

Why You Should Re-Elect President Richard Nixon Nov. 7

LET'S LOOK At AGRICULTURE And STOCK RAISING

WE HAVE one of the most abundant supplies of food in history. Our exports of livestock, fresh meats, grain sorghums and grain are going to add many dollars to the general economy.

WE'RE SELLING COMMODITIES of which we've had surpluses—and we're helping provide jobs on trucks and ships at the same time.

HERE ARE SOME OF THE REASONS

PRESIDENT NIXON'S AGRICULTURAL ACT OF 1970 gave producers more flexibility and freedom in operations.

PRESIDENT NIXON'S ADMINISTRATION has turned around the farm situation that saw farmers get an increase in income of 6 per cent between 1951 and 1969 while wage rates went up 6 per cent every year.

PRESIDENT NIXON gave agriculture one of the most effective spokesmen in recent history by appointment of Earl Butz as Secretary of Agriculture.

FOR YOUR OWN GOOD

RE-ELECT THE PRESIDENT

AND REMEMBER

The Only Way to Have Your Say

IS TO

Get Out and Vote Nov. 7

Pol. Adv. Sponsored by Texas Media Committee for Nixon. Sam Kinch, Chairman

4-H AWARD WINNERS . . .

JIM DEWBRE AND STEVE POLVADO, right and left in picture at left, were named Gold Star Girl and Gold Boy for Cochran county at the 4-H achievement banquet held here Monday night. The Gold Star award is the highest 4-H can bestow at the county level. Center is Joe Harbin of Bailey County Electric Co. which sponsors the banquet each year. In picture at

right are 4-H Saddle Club winners and James Dewbra who received the adult leader award. Front row, left to right, Trey McClung, Best Record Book; Sara McClung, outstanding Pea Wee and Greg Greener, Most Improved Rider. Left rear is Steve Polvado who received the Outstanding Sportsmanship award.

Accident victim's rites Wednesday

Services for Finis U. (Slim) Williams were held Wednesday at 2 p. m. in Singleton Chapel. The Rev. James Price, pastor First United Methodist Church, officiated. Burial was in Morton Memorial Cemetery.

Williams, 72, was killed Monday at approximately 10:45 a. m. a few feet outside the city limits when a car he was working on fell on him. He had lived in Morton seven years.

Pallbearers were: Elra Oden, Donald McMasten, Philter Ramley, Floyd Rowland, Roy Duncan and Melvin Yarbrough. He is survived by two sisters: Mrs. Lois Guter of Edmond, Okla. and Mrs. Beatrice Trotter of Oklahoma City; four brothers, H. E. Williams, Hereford, James Williams and L. E. Williams both of Littlefield and Bill Williams, Oklahoma City, Okla.

One hour's factory pay today will buy 2.6 pounds of round steak. One hour's pay in 1940 would only buy 1.8 pounds.

INSPECT SCULPTURE . . .

REP. GEORGE MAHON, left, of Lubbock, views the bronze bust of himself which was presented to the Congressman and his family by county Farm Bureaus in the 19th Congressional District. With Mahon are Glenn Thompson, Co. Judge; Mrs. Thompson and G. O. Cooper, Co. president. The sculpture was unveiled at a "George Mahon Appreciation Day" barbecue dinner given in honor of the Congressman Oct. 24 in Fair Park Coliseum in Lubbock.

Dr. Rooze speaks to club 'Understanding children'

The Emlea Smith Junior Study Club met in the home of Mrs. Bill Foust on Thursday, October 26, to hear Dr. Gene Rooze, an Associate Professor of Child Psychology from Tech, speak on "How to Better Understand our Children's Psychological Problems".

Dr. Rooze first presented the three questions each child encounters in his early life which are, "Who Am I?" Am I Love? Am I Worthy of Love? He discussed some of the problems children go through such as bed-wetting which can either result from conflicts in poty-training or surprisingly enough, allergies can sometimes cause this condition. Also, when a second child enters the family, the first child feels as if this new member is posing a threat to his identity.

Dr. Rooze suggested some ideas for disciplining children. For example, if a parent may have difficulty in getting his child to sleep at night, instead of dwelling on the problem itself, Dr. Rooze suggested focusing the child's attention to something else. He also brought up the idea of after you have spanked a child, you should love him to show that the reason you spanked him in the first place was because you loved him. In addition to this, a parent should ask himself if he is whipping the child because of what he has done or what the parent thinks he has done to him.

On the subject of teaching a child responsibility, Dr. Rooze believes that a parent should not force chores on a child, but set an example for the child to want to follow himself. He stated that just because a child picks up his toys when he is growing up consistently does not mean that he will grow into a responsible adult. He also brought to the club's attention that it does not matter whether the Mo-

ther works or not as far as how well balanced the child will be. He stated however, that it does matter how she acts when she is with the child. In his conclusion, he suggested that we, as adults, need to take on more responsibility and care more for all the youth instead of just our own children.

A short business meeting was held after the program and the resignations of Mrs. Ronald Coleman and Mrs. Bob Polvado were accepted. Mrs. Ray Luper was announced as a new member.

Members present for the meeting were: Mmes Jim Pat Claunch, Glynn Lowe, Ronnie Wallace, Loy Kern, Ray O'Brien, Bill Foust, Ken Williams, Jimmy Roddy, Ray Luper, Dwain Hester, Jimmy St. Clair, Keith Price, Rita Frajin, Donnie Dewbrow, Glynn Price, Richard Houston, Mike O'Brien, N. Randy Thomas. Guests included Mrs. Ray Tucker and Mrs. Charlotte Welch.

Haul of fugitives at all-time high

With the location of over 36,000 federal fugitives in FBI investigations during fiscal year 1972, an all-time high was reached.

This figure included over 2,900 individuals who had been charged under the Fugitive Felon Act and who were sought at the request of state and local authorities.

In the same period, convictions in all FBI cases reached a record high of 1,822, resulting in actual suspended, and probationary sentences totaling more than 52,200 years.

Families...

from page one

the local birth rate. The average is 346 per 100 households.

In other parts of the United States, by way of comparison, the average is 311 per 100 households. Throughout the State of Texas it is 317 per 100.

The figures show that families in the local area are somewhat smaller than they were a decade or so ago. In 1960 there were 338 persons per 100 households in the area, as against the 346 now.

Although there has been no net population growth in the United States for six months, it doesn't mean that it will stay that way, it is pointed out.

A constant population condition cannot be assured until the 2.1 rate has been in effect for about 70 years. That is because the number of children born depends upon the number of women of child-bearing age, which is due to grow for some time because of the large number of girls approaching maturity. Until the base becomes constant, the population will rise.

As for the concern about population growth, ecologists and others contend that air pollution, water pollution, the piling up of waste products and improper environment generally are the by-products of overcrowding.

Heavy vote...

from page one

A total of 2,450 persons in the county are registered and eligible to vote in the General Election, with Precinct One numbering 1,640; Precinct Two with 396; Precinct Three with 227 and Precinct Four totaling 183 and four registered voters whose precinct has not been as yet determined.

Polling place locations by precinct are: Precinct One, Banquet Room of the County Activities Building; Precinct Two, Whiteface schools gymnasium; Precinct Three, Bledsoe School and Precinct Four, the county barn located west of the Star Route community on the Dora Highway. All polling places will open at 7 a. m. and close at 7 p. m. on Tuesday, November 7, 1972.

Election judges by polling place include:

Precinct One, Elmer Gardner; Precinct Two, Harold Harrison; Precinct Three, M. C. Hall and Precinct Four, T. M. Tanner. Each of the four election judges will appoint his own clerks.

On the inside pages of the Tribune today is a sample ballot for Cochran County voters. There is one slight difference between the sample and what the individual voter will be issued at the polls. The difference is that the county commissioner for Precinct Three has been added to the sample, which is actually a Precinct One sample ballot. It was added to make sure that Precinct Three voters would not read the sample and feel that their candidate had been left off the ballot.

Precincts One and Three have commissioner candidates and only their own commissioner candidate's name will appear on the ballot the voter receives at the polls. Precincts Two and Four do not elect commissioners this year and will have no candidates on their ballots.

It is anticipated that County Clerk Bob Vinson will again post his tally board at the courthouse as the vote count comes in and a large crowd of interested spectators are expected to be present. Interest in the tally board during last May's Primary and June's Runoff elections was at a fever pitch, but is expected to be eclipsed by that of the General Election.

4-H awards...

from page one

Achievement - Randy Coleman, Steve Polvado and Mark Dewbre; Agricultural - Jo Ann Whitehead; Beef - Cody Dewbre, Barry Zuber and Rusti Coleman; Bread - Tona Coker, Pamela Neal, Rhonda Abbe and Shirley Roberts; Clothing - Gwyn Bates, Suzanne Gillespie, Jay Lynn Ware, and Jacque McHam and Dairy Foods - Donna McHam and Gary Keith.

Also Dress Revue - Beverly Bridges, Jo Ann Whitehead, and Sharon Crone; Electric Award - Larry Shaw, Terry Taylor, Debbie Polvado, Vickie Kuehler, Rusti Coleman, Mickie Dewbre, and Giorietta Davis; Horse and Pony - Susan Polvado, Terry McClung, Greg Greener, Jimmy Whitehead, and Rayma Hall; Field Crop - Sandy Coleman; Food Preservation - Valerie Keith; Food and Nutrition - Rayma Hall, Tracie Taylor, Kim Piazza, and Mickie Dewbre; Leadership - Mickie Dewbre and Larry Shaw; Rabbit - Trey McClung; Safety - Trey McClung and Susan Polvado; Sheep - Debbie Young; Swine - Bryan McCasland and Brent Burris; I Dare You Award - Wyn Crone and Larry Shaw.

Special Horse Club Awards went to Steve Polvado, Outstanding Sportsmanship; Gregg Greener - Most Improved Rider and Sara McClung, Outstanding Peewee Rider.

The work to be done under this contract will cost in excess of \$7 million and will be a part of a \$21 million air pollution abatement facility Kennecott is constructing at its New Mexico smelter to meet air quality regulations.

Tribe hosts...

from page one

after that and the game ended with Olton on top 13-10.

On paper, the Indians led in almost every department. Both teams ended up with 13 first downs. Morton had a total of 225 yards rushing with 79 yards passing for a total of 304.

Olton had 223 yards rushing and 48 yards passing for a total of 271 steps gained.

The Indians completed three out of eight passes. Olton completed 6 out of 11. And the Tribe had 8 penalties for 100 yards loss. Olton lost 50 yards on 6 penalties.

Jimmy Harvey pickie up 96 yards rushing against the Mustangs and Larry Thompson picked up 45 for Olton, Keith Workman picked up 128 yards rushing.

The Indians, who upset the Muleshoe Mules three weeks ago, will be trying the same surprise attack against the Littlefield Wildcats tomorrow night in Morton.

If the Tribe wins, they are still in the running for District 3-AA. If they lose to Littlefield, they are through in district play. Littlefield has already beat both Dimmitt and Friona, the only two teams left for Morton to play.

Mahon...

from page one

H. L. (Hub) King of Brownfield, Texas Farm Bureau state director, District 2, was master of ceremonies and presided at the unveiling of the bust.

Other speakers included: Warren Newberry, Waco, TFB executive director; and C. H. DeVaney, Washington, D. C., assistant legislative director, American Farm Bureau Federation and former president of the TFB. He formerly operated his farm in Howard County.

The per capita consumption of cotton in the U. S. amounts to about 20 pounds per year.

Spade Ranch to receive Texas Historical marker

SPADE INSIDE TRI 2 36 INSIDE TRIB
An Official Texas Historical Marker for Spade Ranch will be erected on November 11, 1972 at 10:30 a.m. it was announced today by Mr. O. R. Watkins of Levelland, chairman of the Hockley County Historical Survey Committee.

The marker will be placed at SH 116, 2.4 mi. W of Smyer. Dedication plans will be announced in the near future.

Made of cast aluminum with Swedish steel effect, the marker measures 18 by 28 inches and is sponsored by Levelland Lions Club. The inscription on the marker reads:

The Spade Ranch

Founded by Isaac L. Ellwood (1833-1910), inventor who made a fortune in barbed wire, and bought (1889) from veteran cattlemen D. H. and J. W. Snyder

an 8x25-mile range (128,000 acres) in Hale, Hockley, Lamb and Lubbock counties. This range was used for Spade-branded calves from Reiderbrook Spring, his southmost range, in Mitchell County. He continued buying south plains land until Spade Range was 54 miles long. Headquarters (originally in Lamb County) moved to south camp (3-10 mi. N of here) after farm-land sales in 1920s.

Elwood's descendants still own and operate the Spade.

The marking of local historic sites and landmarks is part of the Texas State Historical Survey Committee's program of preservation activities. These include archaeological investigations, small museum consultation, and administering the Na-

tional Historic Preservation Act in Texas. As of 1970 the Survey Committee had erected more than 5,000 official markers. The name and location of the present marker will appear in the next edition of the Guide to Official Texas Historical Markers in order to stimulate tourist travel in this area, to arouse interest in historical tours, and to acquaint the people of this locale with their unique heritage.

Morton (Tex.) Tribune, Thursday, Nov. 2, 1972

GENERAL ELECTION

Cochran County, Texas

November 7, 1972

SAMPLE BALLOT

INSTRUCTION NOTE:

Vote for the candidate of your choice in each race by placing an X in the square beside the candidate's name.

You may vote a straight ticket (that is, vote for all the candidates of a certain party, and for no candidates outside that party's column) by placing an X in the square beside the name of the party of your choice at the head of the party column. (If you use this straight-ticket method of marking, do not mark squares beside the names of individual candidates.)

PROPOSED CONSTITUTIONAL AMENDMENTS

Instruction Note: Place an X in the square beside the statement indicating the way you wish to vote.

No. FOR
1 AGAINST The constitutional amendment to provide annual salaries of \$8,400 for members of the Senate and House of Representatives.

No. FOR
2 AGAINST The constitutional amendment abolishing the Lamar County Hospital District.

No. FOR
3 AGAINST The constitutional amendment to require the commissioners court in all counties of the state to compensate all justices of the peace on a salary basis.

No. FOR
4 AGAINST The constitutional amendment providing for a constitutional revision commission which precedes the convening of the members of the 63rd Legislature as a constitutional convention in January, 1974, for the purpose of submitting to the voters a new constitution or revisions of the existing state constitution.

No. FOR
5 AGAINST The constitutional amendment allowing certain tax exemptions to disabled veterans, their surviving spouses and surviving minor children, and the surviving spouses and surviving minor children of members of armed forces who lose their life while on active duty.

No. FOR
6 AGAINST The constitutional amendment providing that the various political subdivisions of the State may exempt not less than Three Thousand Dollars (\$3,000) of the value of residence homesteads of all persons sixty-five (65) years of age or older from ad valorem taxes under certain conditions.

No. FOR
7 AGAINST The constitutional amendment to provide that equality under the law shall not be denied or abridged because of sex, race, color, creed, or national origin.

No. FOR
8 AGAINST The constitutional amendment to provide a four-year term of office for the Governor, Lieutenant Governor, Attorney General, Comptroller of Public Accounts, Treasurer, Commissioner of the General Land Office, Secretary of State, and certain statutory State officers.

No. FOR
9 AGAINST The constitutional amendment to provide that directors of soil and water conservation districts are not disqualified from holding or being compensated for more than one office.

No. FOR
10 AGAINST The constitutional amendment revising provisions on the time and method of proposing amendments to the state constitution and the time and method of publishing notice of proposed amendments.

No. FOR
11 AGAINST The constitutional amendment to provide a salary of \$22,500 for the Lieutenant Governor and the Speaker of the House of Representatives.

No. FOR
12 AGAINST The constitutional amendment permitting State employees, who are not State officers, to serve as members of the governing bodies of school districts, cities, towns, or other local governmental districts, without forfeiting their State salary, and specifying exemptions to the constitutional prohibition against payment of State funds for compensation to any person who holds more than one civil office of emolument.

No. FOR
13 AGAINST The constitutional amendment to set a six percent (6%) weighted average annual interest rate for bonds issued pursuant to constitutional authority presently having a specified interest ceiling.

No. FOR
14 AGAINST The constitutional amendment to allow a county to reduce its county permanent school fund and distribute the money to independent and common school districts on a per scholastic basis.

3AA loop race looking like all-Littlefield

for a change, since he had an open road to Littlefield to watch the Wildcats play Friona. And since he happened to be handy, and just happened to bring a pencil, he took a few notes.

**LET'S RE-ELECT
JESSE JAMES
STATE TREASURER**
His proven record merits your vote and support

JESSE JAMES IS PROVEN
**JESSE JAMES
STATE TREASURER**
State Treasurer Jesse James made for the people of Texas over \$16,000,000.00 last year in interest earned on State Funds deposited in over 1,100 Texas Banks, more than any Billion Dollar Bank in Texas made net during the same period. Jesse James saved the taxpayers over \$50,000,000.00 financing the deficit. Jesse James has proven he knows how to handle your State Finances efficiently.

**LET'S VOTE FOR AND RE-ELECT
JESSE JAMES
STATE TREASURER**
Pol. Adv. Paid for by Jesse James, State Treasurer

Even a coach has to enjoy watching such a contest as this, and Smith admitted it. "That was some game," he admitted. "That thing could have gone either way."

And both Littlefield's Jerry Blakely and Friona's Bob Owen would be forced to agree, after the Wildcats pulled out a 21-14 decision between the District 3-AA leaders. Now Littlefield owns a 2-0 district record with games remaining with Morton this week and Olton. The Wildcats could clinch a tie for the title—but not the playoff—against Morton this week.

Olton, which overcame Morton 13-10 last Friday in the other 3-AA game, now has a 1-1 record—along with Friona—and is in a position to go to the playoffs. And it takes the week off this time to prepare for Littlefield.

Smith knew about Littlefield; he had lost to the Wildcats 21-2 the previous week. But he had not seen Friona, and admitted he did not know "a whole lot about about them. But they looked good."

"Littlefield did about the same thing against them as they did us; (J. E.) Johnson and Leneral Lewis (running backs) looked good again. And their quarterback (Terry Bryson) is coming on, too."

"But that blocked punt had to be the turning point. Until then, Friona's ground game had really looked good."

Friona had let since it scored on the opening drive of the game and held a 14-13 lead midway of the third period, but Alan Mackey flanked the Friona blockers and blocked a punt. Littlefield took over on the five and Pat Henderson scored on the first play for the winning difference.

The Wildcats relied on defense from that point, and although giving up yardage did not give up points. The win left Littlefield and Friona with 6-2 seasonal records.

Olton also had to come from behind, as Glen Johnson broke for 31 yards with 6:07 left in the game to lift the Mustangs to a win over Morton. Morton had taken a 10-7 lead in the second quarter on Ted Thomas' two-yard run and 33-yard field goal.

The game was closer on statistics than score, as Olton owned a 17-16 lead in first downs and 281-280 edge in yardage.

This week, Dimmitt will be physically stronger as it goes against Friona. The week off gave Smith a time to let some injuries mend, and he expects to have running backs Albert Ewing and Pete Davila healthy. Both have been out four weeks with injuries. Davila with a back problem and Ewing with an ankle hurt.

And as Smith returns to the sidelines and a very busy night next Friday, it will be time for Olton's Ray Kinnison to have a night to rest. And who will be surprised if he happens to drive to Morton—and just happens to have a pencil and paper for jotting down a few notes about the Wildcats?

3-AA SEASON STANDINGS

Team	W	L	Pts.	Op
Friona	6	2	188	61
Littlefield	6	2	172	92
Olton	3	5	94	125
Dimmitt	2	5	74	88
Morton	1	6	64	116

3-AA DISTRICT STANDINGS

Team	W	L	Pts.	Op
Littlefield	2	0	42	16
Friona	1	1	21	21
Olton	1	1	13	17
Dimmitt	0	1	2	21
Morton	0	1	10	13

Last week's results—Littlefield 21, Friona 14; Olton 13, Morton 10; Dimmitt open.

Friday's schedule—Dimmitt at Friona, Littlefield at Morton; Olton open.

McDermett outlines amendments that will be voted on Tuesday

By J. WAYNE MCDERMETT

Time is drawing near! Next Tuesday, November 7th, we will go to the polls and elect a president, governor, Lt. governor, and various other state and local officials. Texas voters will also vote on 14 proposed amendments. In recent issues of the Morton Tribune, I have attempted to explain some of the proposed amendments. This week I will try to explain the other amendments on which we will vote.

Proposed amendment number 2 would abolish the Lamar County Hospital district. This amendment is local in nature and will not affect us in this area.

Another amendment on which we will vote is one providing that various political subdivisions of the state may exempt not less than \$3,000 of the value of residence homesteads of all persons 65 years of age or older from ad valorem taxes under certain conditions. Presently the Constitutional Homestead exemption from ad valorem taxes stands at \$3,000 and is applicable to both state and county taxes. This proposal would extend the homestead exemption by allowing a county, town, school district or other political division of the state to make a like exemption. Proponents of the amendment argue that the ad valorem tax is the basic form of taxation supporting local governmental units and the present homestead exemption gives no relief, as neither the state nor county taxes compare to any degree with the burden of local taxes. Opponents, on the other hand, say that this would be a substantial reduction in revenue to local government and school districts and again violates the principal of equality and uniformity in taxation.

Amendment number 7 provides that equality under the law shall not be denied or abridged because of sex, race, color,

creed, or national origin. Proponents say that there is still substantial discrimination and that only a constitutional change prohibiting such discrimination can effectively change the status quo. Opponents argue that the proposed amendment is not necessary because all discriminatory legislation is now prohibited by the federal government and additional constitutional comment on the subject can only cause confusion as to the meaning of discrimination.

Amendment number 10 would involve two basic changes. Presently, the constitution can only be amended by a resolution submitted in the regular Legislative session. This amendment would also permit constitutional amendments to be considered in special sessions of the Legislature. The second phase of the amendment deals with the manner of publication of proposed amendments.

Proponents argue that the amendment would permit greater flexibility in the submission of amendments and provide better information to the general electorate as to what they are voting on. Opponents, however, insist that basic changes should be considered carefully and a thirty-day special session would not provide enough time for proper consideration of proposed amendments.

Amendment number 13 would permit constitutional bonds to be sold with maximum interest rates not to exceed a weighted annual interest rate of 6%. These are veterans land board bonds, water development and water quality bonds, college opportunity loan program bonds. Proponents argue that its adoption would permit certain state and local agencies now under restrictions to compete for sale of their bonds in the open market on an even footing with other entities, enabling them to continue to enlarge upon many state and local programs.

Those opposed to the amendment argue that increasing the constitutional limit would provide higher interest rates and therefore require more revenues to pay off the bonded indebtedness.

And amendment number 14 would allow the commissioner's court of a county to distribute a portion of the county permanent school fund to school districts

in the county on a scholastic population basis for the purpose of reducing bonded indebtedness or making permanent improvements. Backers of the measure argue that many school districts need new facilities and lack funds to finance them. Some have already issued bonds to the statutory limits and others have reluctant; electorates who repeatedly refuse the issuance of new bonds. Utilization of a portion of the county permanent fund would relieve the financial strain on school districts and provide adequate educational facilities in the counties.

Opponents argue that a reduction in the funds would reduce the income to the available school fund and therefore create a need for a larger state expenditure in the support of education.

As the constitution is the basic document governing our state, it is important that we inform ourselves as much as possible on each amendment before voting. Hopefully, the information contained in this article and articles in recent issues of the Morton Tribune has been helpful to you. Please study the proposed amendments before you go to the polls. Most of the proposed amendments are very important to all of us and will affect us and our children as well.

State gets federal outdoor fund money

Texas has received some \$7 million in matching federal money for the acquisition and development of state and local outdoor recreation areas.

The federal funds are administered in Texas by the Texas Parks and Wildlife Department and are part of almost \$182 million allocated to the 50 states for the 1973 fiscal year.

Texas ranked fifth in the nation in the amount of funds received, behind California, New York, Pennsylvania and Illinois.

According to Parks and Wildlife Department officials, 50% of the money will go to state outdoor recreational developments and 50% to local level developments.

Liner's Pharmacy Announces A STATEMENT OF POLICY

We at Liner's are most happy to be a part of the Morton community. We hope to become a valuable addition to your community and perform a valuable service for each and all of you during the coming years.

As responsible citizens and persons with integrity in business, we wish to make our position clear as to our methods of operation and customer service philosophy.

- 1. We Are Principally A Prescription Pharmacy**
While we offer a lunch counter service and a large variety of high quality sundries, our pharmacy is the "heart" of our business and we will continually strive to make it second to none in quality and service.
- 2. We Are Not A Discount Store**
We buy only the best in pharmaceutical supplies and will never buy in quantity at the expense of quality. Your health is too important to us to allow for a slippage in the quality of our prescriptions and other pharmaceuticals offered for sale.
- 3. Our Prices Are Competitive**
We offer our customers prescriptions and other items that are competitive in price with the same items anywhere on the High Plains. We hope to save you the time, expense and inconvenience of traveling out of town by offering you the same item in Morton for the same or a very competitive price, and with no risk as to quality.

MONEY SPENT AWAY FROM HOME DOES NOT HELP PAY TAXES IN OUR COMMUNITY AND YOU MAKE UP THE DIFFERENCE!

Money spent away from home does not help the economy of our community. It is estimated that one-third of every dollar spent in a community helps pay for the running expenses and growing of that community. It helps to pay for schools, streets, police and fire protection, churches, charities and all the normal activities of community life. So, when you spend it away from home, you help someone else's community. But costs go on and when community income is less... guess who pays the difference. WE DO! It's like paying your taxes twice! It makes sense to shop at home whenever possible... and build our own community!

HELP BUILD YOUR OWN COMMUNITY Shop at home!

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Wide Crop Harvest Ahead of Last
Cattle Sales Up Five Percent . . .
Increase, Turkeys Decrease,
Production Declines . . . Fire Ant
Progresses . . .

farmers are ahead of harvest of
crops compared to 1971, the Tex-
and Livestock Reporting Service

harvest is a third complete now;
at this time, harvest was less
fourth completed. Harvest will be
in the High Plains as soon as

weather conditions permit.
Corn harvest throughout the state is vir-
tually completed. Less than five percent
of the crop has yet to be gathered.

Grain sorghum harvest is two-thirds fin-
ished. Both dryland and irrigated grain
sorghum yields are reported as excellent
in the High Plains region. Soybean har-
vest is a third complete. Harvest of the
second cutting of rice is making good pro-
gress, while peanut harvest is three-
fourths finished.

Wheat planting for the state is more
than 85 percent completed. Irrigated
wheat is making good progress.

Pecan harvest is gaining momentum
and should be at its peak by the end of
the week.

MODERATE to heavy rains are increas-
ing range and pasture prospects. Fair to
good grazing is available in most areas on
native pastures. Livestock condition for
the state is rated good to excellent.

SALES of cattle, calves and sheep in-
creased throughout the state during Sep-
tember, while sales of goats and hogs
were down. Cattle and calves marketed
705,000; this is five percent above a year
ago.

Sheep sales were two percent above a
year ago. Hogs sold totaled 45,000 which
is 32 percent below a year ago.

EGG production in Texas totaled 199-
000,000 during September, down six per-

cent from a year ago, seven percent below
last month.

The 11.1 million layers averaged 59.6
eggs daily per 100 hens. This was below
the national average of 61.2 eggs daily per
100 hens.

Hatch of egg-type chickens was up two
percent from a year ago; the total turkey
poult hatch was down 30 percent from a
year ago.

A NEW record number of people visited
the Food and Fiber Pavilion during the
recent State Fair of Texas. Almost 1,500-
000 persons went through the Pavilion.
Plans are already under way for the 1973
version of the Food and Fiber Pavilion.
The pavilion is operated by the Texas
Department of Agriculture marketing div-
ision.

COOLER weather has slowed to some
extent the screwworm infestations
throughout the northern part of the state,
but a freeze deep into South Texas will
be needed to halt the worst recurrence of
the pest in more than a decade.

More than 85,000 cases of screwworms
have been reported to the screwworm fly
factory at Mission this year. Officials
with the program are continuing to urge
producers to submit samples to the fly
lab for verification.

SPRAYING of Mirex-treated bait over
Fort Bend County to control imported fire
ants is about half completed, delayed
somewhat by bad weather. The program
was begun earlier in October under spon-
sorship of the county, state, and federal
governments but fog and rain have delay-
ed the four twin-engine planes flying out
of Hobby airport from making the runs
over Fort Bend County.

Farewell party held for Luke Hargroves

Mr. and Mrs. Luke Hargrove were hon-
ored Monday night with a farewell party
in the home of Mr. and Mrs. Joe Nice-
warner. Co-hostesses were Mr. and Mrs.
Lloyd Miller, Mr. and Mrs. Gage Knox
and Mrs. Lessye Silvers.

Mr. and Mrs. Hargrove are moving to
Kerrville. They have lived in Morton
and Cochran County for over forty years.
Assisting at the tea table were Mmes
Gene Benham, Nell Outlaw, and Armie
Love Hawkins.

Nearly 97 per cent of the nation's firms
employ fewer than 100 full-time workers.

Morton Tribune

MORTON, TEXAS, 79346, THURSDAY, NOVEMBER 2, 1972

About local folks . . .

Mrs. Lessye Silvers and Mrs. Evelyn
Seagler visited in Fort Worth form Fri-
day to Sunday. Mrs. Seagler visited with
her son and family, Mr. and Mrs. Marlin
Doug Rose and Mrs. Silvers was a guest
in her sister's home.

whipped potatoes, okra and tomatoes, fruit
ambrosia, hot rolls, milk.

Friday, November 10, Chili w/beans,
tomato salad, buttered spinach, brownies,
hot cornbread, milk.

'Easy Maintenance' program for club

"Today, more and more gardeners are
thinking in terms of easy maintenance in
gardening", Mrs. Olin Darland told mem-
bers of the LeFleur Garden Club at their
October 26 meeting in the home of Mrs.
W. A. Woods.

She continued by giving tips about de-
ciding how much area to garden and the
easiest way to maintain it. She sug-
gested including paved areas, particu-
larly in difficult spots such as the deep shade
of large trees, or in out of the way pla-
ces to now. Other suggestions were to
use organic or inorganic mulches since
they keep the soil moist and cool, they
help control weeds, and they look neat.
Peat moss, shredded bark, and wood chips
are some of the more popular organic
mulches, out equally as much used are
pebbles, stones and crushed rock. "Rais-
ed beds, for example, add interest to the
garden by introducing another level, and
for the elderly it means less stooping and
bending. Another labor saving method is
to grow many of the same plants. Most
of all enjoy your gardening", Mrs. Dar-
land concluded.

Attending the meeting were: Mmes
Roy Hill, J. L. Thomas, Ray Griffith,
Owen Egger, Darland and the hostesses.

Rites held Thursday for Donnie V. Embry

Services for Donnie Victor Embry, of
Redlands, Calif., were held at 3 p.m.
Thursday in First Missionary Baptist
Church. The Rev. George Cooper III, pas-
tor of Boswell Heights Baptist Church in
Plainview, officiated, assisted by the Rev.
Royce Standifer, pastor.

Burial was in Morton Memorial Ceme-
tery under direction of Singleton Funer-
al Home.

Embry, 40, died about midnight Monday
in Cochran Memorial Hospital.

Survivors include his wife; five sons,
Coy Embry of Oklahoma City, Donnie
Embry of Corpus Christi, and Steve Em-
bry, Johnny Embry and David Embry, all
of Lexington, Okla.; two daughters, Mrs.
Linda Madden of Norman, Okla., and
Mrs. Kathy Simms of Oklahoma City; his
mother, Mrs. Lucille Embry of Morton;
two sisters, Mrs. Betty Mills of Plain-
view and Mrs. Jimmie Fowler of Still-
water, Okla.; four brothers, Jerry Em-
bry of Illinois, Larry Embry of Germa-
ny, Gary Embry of Dallas and Keith Em-
bry of Morton; and five grandchildren.

News from Bula-Enochs area

Bro. Dale R. Westbrook, from Calvary Baptist Church in Friona, was the guest speaker last Sunday morning at the Enochs Baptist Church. He is a representative of Texas Alcohol Narcotics Education.

Mrs. George Fine underwent major surgery at the Medical Arts Hospital in Littlefield Saturday. She is doing fine.

Mr. and Mrs. Morris Peterson and children of Levelland and Rev. and Mrs. Harold Abney of Plainview spent last weekend with their parents, the W. B. Petersons. Morris and family were moving to Hillsboro where he will be manager of a store.

The men of the Enochs Baptist Church attending the Baptist Men's Rally at the Trinity Baptist Church in Muleshoe Tuesday night were Rev. Charlie Shaw, Carl Hall, Harold Layton, Dale Nichols, and Seth Shaw. The speaker was Leon Mitchell, a missionary to Jakarta, Indonesia.

John Bruton was hurt in ball practice Tuesday and is still a patient in the Morton hospital.

Mrs. Ola Smith, mother of Mrs. Ray Shagler, is a patient in the Morton Hospital. Mrs. Besie McAllester of Idalou came to see her mother Saturday.

Arnold Archer was admitted to the Little-

field hospital Saturday. He was having x-rays and tests Monday.

Mrs. Francis Riley and son, Lewis, of Andrews spent the weekend with her father, L. G. Harris, and attended church with him Sunday morning.

Bula F.H.A. chapter met for their meeting Oct. 15, at 8:00 p.m. in the school lunch room for their installation. They honored their mothers with a foreign supper. Lea Cerik and Beverly Abus of Pep were chapter guests. Cerik performed the installation service. As each officer took office they lighted a candle and read their duties. After the installation, Lisa Risinger, new president, was presented a gift of appreciation. Supper was served from a table covered with white, with flags and place cards of red, white and blue. Dishes from Italy, Germany, China and Mexico were served. Special guests were Superintendent James Sinclair and wife and Principal D. O. Smith and wife and the chapter leader, Alice Kester.

Grandma S. A. Williams of the Roberts Nursing Home in Morton was given a birthday party Tuesday, Oct. 17, on her 90th birthday. Guests were her sons, Mr. and Mrs. C. A. Williams and Mr. and Mrs.

Sammie Williams and her grandchildren, the Allen Williams, the Donnyes Youngs, Mrs. Donald Williams, Mrs. Wayne Davis and children and Mrs. Carl Burns. They sang songs and served homemade ice cream and cake to all the residents of the home.

The seniors sponsored an Enchilada supper Friday, Oct. 21 before their ball game with Flower Grove. Bula won with a score of 50 to 0.

Bula grade school basketball girls and boys played Bledsoe at Bledsoe Saturday night. Bula lost both games. Boys scores were 31-26, girls scores were 16-28.

Bula will have their homecoming Saturday, Nov. 4. They will have a supper, with their bonfire Thursday night.

Mrs. E. C. Gilliam, her mother, Mrs. Scillian, Mrs. C. H. Byars and Mrs. J. D. Bayless attended the shower of Kathy Turney, bride elect of Dean Gilliam, Saturday at the Morton Insurance Agency Building in Morton.

Chester Petree is a patient in the Morton Nursing Home in Morton was given a birthday party Tuesday, Oct. 17, on her 90th birthday. Guests were her sons, Mr. and Mrs. C. A. Williams and Mr. and Mrs.

the hospital.

The Enochs Baptist women met Tuesday at 9:30 a.m. The meeting opened with a song led by Mrs. Olive Shaw with Mrs. L. E. Nichols at the piano. Mrs. J. O. Dane gave the prayer and Mrs. J. W. Layton brought the devotional from Romans 12. Mrs. J. E. Layton was in charge of the business. Mrs. J. W. Layton gave the call to prayer and Mrs. Loretta Layton dismissed with prayer. Those present were Mrs. Olive Shaw, Mrs. J. D. Bayless, Mrs. J. O. Dane, Mrs. J. W. Layton, Rose Nichols, Loretta Layton, L. E. Nichols, and Wanda Layton.

Mr. and Mrs. Vestier Gilliam spent last Sunday night with his parents, Mr. and Mrs. E. C. Gilliam, Mr. and Mrs. Carlton Gilliam of Lubbock spent last Friday night with his parents. Other children visiting them Sunday were Gilbert Gilliam and family of Farwell, Jerry Gilliam and family of Anton. Mr. and Mrs. Wayne Gilliam and children and Mr. and Mrs. Dayle Butler of Morton.

Mrs. Loretta Layton took Acteens Melony Roberts, Shonnye Autry, Ida and Orilia Davila and Susan Layton to Levelland Wednesday night to hear the evangelist, Richard Hogue.

David and Pamela McDaniel and Freda Layton visited the girls' parents, the Harold Laytons, Saturday and attended Bula grade school basketball game at Bledsoe. Mrs. Arnold Arche and Mrs. Burley Ro-

Killing frost may be danger for producers of livestock

It's just a matter of time before the season's first freezing temperatures arrive. Such a killing frost can spell danger for livestock producers that have cattle grazing on sorghum stubble or any of the sorghum-sudan hybrid pastures.

"The reason is prussic acid poisoning of the animals," points out Dr. James Armstrong, veterinarian with the Texas Agricultural Extension Service, Texas A&M University.

"The danger of prussic acid poisoning exists mainly in pastures and fields where sorghum stubble is making regrowth and where there is vigorous, young growth of Johnsongrass, sorghum-sudan hybrids and related plants. Such growth generally has a high content of prussic acid, especially if produced under stress of dry or cool weather."

ACCORDING TO Armstrong, the main danger to livestock is grazing such pastures and fields immediately after a killing frost.

He advises livestock producers to wait a week to 10 days following a killing frost before allowing cattle to graze suspect pastures and fields. If only a light frost occurs, the veterinarian recommends removing the cattle until plant growth is killed by a heavy freeze.

"Each year numerous animals are lost from prussic acid poisoning. These losses are needless and rob the producer's pocketbook. Giving special attention to grazing management and staying abreast of changing weather conditions can avoid cattle losses to prussic acid poisoning," contends Armstrong.

herts and children were in Lubbock Friday to see the Big Mall shopping center.

The football team went to Union Friday with a score of Bula 60 and Union 12. Mrs. Bob Newton and Mrs. Quinton Nichols went to the T.C.C.A. school at the compress in Lubbock Saturday, Oct. 21.

To the Voters of Cochran County:

November 7th Election is near, and I am asking that you write my name in County Attorney for Cochran County. I have been a resident of Cochran County since October 1, 1971, at which time I moved to Morton to make it my home. At the time for filing for a place on the ballot, I had not been a resident of the County for a sufficient time, and therefore, my name cannot appear on the ballot. The office will become vacant on January 1, 1973, and with your help, I would like to fill that vacancy.

I would like to be your next County Attorney for Cochran County. I am asking for your support, that you write my name in on your ballot in the space reserved for the County Attorney's office. I have not been in contact with each of you, but will attempt to see as many of the residents of this County before November 7 as I can possibly see. I have had the privilege of meeting many people in this community, and I want to take the opportunity to say that my wife and I both feel that this is one of the best places we have ever been, and we are proud to be members of this community and to participate in community activities. We certainly have had all of the associations that we have had with the fine people of Cochran County.

I want to be your next County Attorney and I will do my best to make myself a good public servant; to assist you in any way that I can, and to cooperate with all other law enforcement officials of Cochran County, always keeping the best interests of you, the people, as my first objective.

Now, I am asking that you write my name in on your ballot on November 7 in the write-in space that is reserved for County Attorney.

Thank you for your consideration, and I will certainly appreciate your support.

RANDY THOMAS

ATTORNEY-AT-LAW

(Pol. adv. paid for by Randy Thomas)

WINS IT ALL ...

TREY McCLUNG, son of Mr. and Mrs. Roy McClung, is shown with his Standard Chinchilla buck which took best opposite (reserve champion) honors at the State 4-H Rabbit Show in San Angelo. Trey won all classes in Standard Chinchilla, Sr. Buck, Jr. Buck, Sr. Doe, Jr. Doe, best of breed, and best opposite sex in Sr. Doe. He also brought home the best opposite sex in Tortois Dutch, Best Grey Dutch, which won best breed on all Dutch, and Best Steel Dutch.

Accent on health

Humphrey Bogart. Ty Cobb, Erle Stanley Gardner. John Foster Dules. Walt Disney. Babe Ruth. Oscar Hammerstein II.

What did these individuals from widely divergent fields have in common? They are among the hundreds of thousands of individuals who have lost their lives to cancer.

More than 52 million Americans now living will eventually have cancer; one in four persons according to present rates. Cancer will strike over the years in approximately two of three families. In the 70's, there will be an estimated 3.5 million cancer deaths, 6.5 million new cancer cases recorded in this country, and 10 million under medical care for cancer.

There will be about 650,000 new cancer cases (diagnosed for the first time) in 1972. This year about 345,000 will die of the disease; that is about 960 persons a day, more than one every two minutes. Of every six deaths from all causes in the U. S., one is from cancer. This year cancer will take the lives of approximately 4,000 children under the age of 15. Cancer is the second leading cause of death in the United States, second only to heart

disease. Texas has its share of tragedy from cancer, say State Health officials. Some 16,476 Texans died of cancer in 1971. The disease will claim approximately the same number again this year. It is estimated that over 31,000 new cancer cases will be diagnosed in Texas this year.

State health officials are quick to join their federal counterparts in warning the public against over-optimism in what some reports have labeled a "potential breakthrough" in the treatment of cancer. Very limited success under very controlled animal tests in the laboratory cannot yet be regarded as the discovery of a complete cure.

But the stepped-up federal battle against cancer is pushing ahead on a variety of fronts. Federal funding for cancer control is to reach \$40 million annually a year from now. Almost completed by the National Cancer Institute is a master plan detailing the strategy for achieving the expanded, intensified and coordinated cancer research program called for in the National Cancer Act of 1971.

Plans include establishing programs for cooperating with state and other health agencies in the prevention, diagnosis and treatment of cancer and rehabilitation of its surviving victims.

Cancer control programs that include public education are to be one of the major missions of an envisioned national network of comprehensive cancer research and demonstration centers.

Since 1936, the cancer death rate has fallen slowly but steadily in women, a drop of eight percent. In men the rate has increased about 40 percent.

The rise in cancer mortality in men is mainly due to rapidly increasing cancer of the lung, a largely preventable disease. The decline among women is due chiefly to reduction in mortality from cancer of the uterus, largely due to wider use of the Pap test which uncovers cervical cancer earlier, before it has begun to spread.

Cancer of the lung has been increasing steadily in women as well as men. Cancer of the breast is the leading cause of death among women 40 to 44 years of age. Cancer of the colon and rectum has been seen slight—if any—progress in the last several years. Incidence of cancer in the pancreas, a highly fatal form, is up 65 percent in the past generation and up 200 percent in the past 40 years, for no known reason. The survival rate of men from cancer of the larynx improved until the 1960's, but has now levelled off. The same

Bookmobile

The High Plains Bookmobile will be in your area on the following dates:

Wednesday, November 8—Whiteface No. 1, 9:30-10:30; Whiteface No. 2, 10:30-11:00; Lehman, 11:05-11:30; Bledsoe 12:00-1:00; Maple, 2:15-3:15.

The per capita consumption of beef, veal, pork, lamb and mutton amounts to 192 pounds per year.

The "anniversary" loan program for cotton may be a useful marketing tool for producers in 1972 for the first time, according to officials of Plains Cotton Growers, Inc., the organization most responsible for institution of the new concept in 1971.

The anniversary loan permits farmers to hold title to their cotton for up to 12 months from the date of ginning. Previously, all Commodity Credit Corporation loans on cotton expired at the end of each marketing year on July 31, with CCC assuming title to all cotton not redeemed before that date.

PCG had long maintained that the loan should permit farmers to retain control of their production for at least a full year, thereby giving them the opportunity to benefit from market price swings over a longer period. PCG's arguments were recognized with anniversary loan provisions in the Agriculture Act of 1970.

CCC LOANS now mature 10 months from the first day of the month in which the loan is made. And, since CCC will forgive up to 60 days storage charges on cotton entering the loan, the effective "hold-

ing period" can be up to a year.

For example cotton ginned on December 2 this year can be held by the producer for 60 days until February 1, 1973, then placed under a CCC loan which won't mature until December 1, 1973.

Throughout this period from harvest to loan maturity the producer holds title to the cotton. If market prices improve enough to more than cover interest and storage costs, he can redeem the cotton and sell it in the market, a practice commonly called "selling his equity."

Interest cost to farmers on CCC cotton loans is 30 cents per \$100 per month, an annual rate of 3.6 percent. Storage charges are 60 cents per month.

The anniversary loan was available to producers in 1971, but market prices were such that it wasn't needed.

"BUT THE SITUATION is different this year," notes PCG President Ray Joe Riley of Hart. "If prices continue to fall we can get only a little over loan value for our cotton at harvest time," he says, "it may well be to our advantage to put cotton into the loan and hold it against possible price advances during the coming year."

He points out that feed grain producers in 1971 found prices depressed at harvest time and wisely used the loan to significantly improve income from that crop. Cotton producers might be able to use the loan in 1972. Instead he states "Each individual will have to make the loan-or-market decision based on his own circumstances and his assessment of chances for price improvement in 1973. But every farmer should be aware that we now can keep cotton in the loan for a longer period, which in itself increases the possibilities.

"THE SITE OF EACH year's crop is the major factor affecting cotton prices," he continued, "and with the anniversary loan we can keep control of this year's crop until November or December of 1973, at which time 1973 production will be pretty well established."

IT'S TIME TO WINTERIZE!

Yep, those Blue Northers are coming closer together and car freeze-up trouble is just around the corner.

You can "Be Prepared" with a complete

WINTERIZATION PACKAGE

installed at Gwatney-Wells Chevrolet-Olds for the low price of

\$23⁹⁵

This freeze-proof operation includes

- Apply complete weather sealing undercoating
- Check all hoses
- Check all belts
- Pressure test radiator for proper operation
- Two gallons of General Motors year-around anti-freeze.

(This antifreeze and coolant is recommended by GM for all cars and warranty required for all GM new and used cars)

Any needed hoses or belts will be extra

Drop in today and go away with the assurance that your car is fully protected for the long winter months ahead.
