Morton slates busy weekend

THE MORTON HIGH SCHOOL BAND placed more of its members on the All-Regional band this year, than ever before in its history in competition at Hale Center last week. Twenty Indian Band members were selected for the honor by the judges. The twenty will appear in concert with the other regional selectees in the Coronado High School auditorium in Lubbock Saturday at 8 p.m. Shown above, left to right, front row, Teresa Crow, clarinet; Cindy Tanner, flute; Donna Cox, clarinet; and Susan Cadenhead, french horn. Second row, Vickie Hall, bassoon; Mary Jo Hudson, clarinet; Gail Lassiter, flute; Mary Cadenhead, oboe; Lanita Combs, clarinet and Mary Marina, clarinet. Third row, Roy York, percussion; Alex Perez, percussion; Rex Coffman, cornet; Kenneth Eggar, cornet and Rodney Cox, French horn. Fourth row, Tommy McClintock, trombone; Richard Coleman, French horn, Johnny Rozell, tuba; and Jack Benham, tuba. Absent from the photo was Susan Rowden, bassoon.

This weekend in Morton promises to be a very busy time, with two big annual events on tap and other, more normal activities slated.

Interest in the annual Chamber of Commerce banquet was reaching a peak by mid week and preparations were well under way for the annual March of Dimes Cake-A-Thon sponsored annually by Radio Station KRAN.

In addition to these important events, The MHS Indian basketball team will host the Littlefield Wildcats with a possible clinching of the first half title in the offing.

Ticket sales for the chamber banquet have been going at a brisk pace for the past three weeks and show promises of making this the best attended fete in the

ten year history of the Morton chamber.

State Representative R.B. (Mac) McAlister, well-known radio and television broadcaster of Lubbock, will be the principal speaker at the banquet. McAlister pioneered radio broadcasting in the West Texas area and is presently owner of Television Station KSEL, Channel 28, in Lubbock.

In a telephone conversation from Austin Tuesday, the legislator would not divulge the subject of his banquet speech, but judging by his telephone conversation, anything he chooses to discuss should be very interesting. He has a widespread reputation as a dinner speaker and all who have heard him endorse his ability as an orator.

Rep. Clayton receives top committee posts

State Representative Bill Clayton was named to three committees important to his district Friday by newly elected Speaker Price Daniel, Jr., in appointments which generally reflected a shift of influence from the rural areas of Texas to major cities, particularly in the Houston-Gulf Coast area.

Clayton, generally regarded as a conservative, was appointed to membership on the natural resources, intergovernmental affairs, and elections committees. Under a new rule which gives the Speaker power to choose the chairman and vice chairman of each committee plus half the remaining members.

House committees have been reduced from 46 to 21, so each committee is more powerful and encompassing. For example, the natural resources committee now includes a sub-committee on water conservation, which Rep. Clayton will serve as sub-committee chairman. Clayton said he sought this position because of the importance of water conservation to this district. Other resources, such as oil and gas, will also come under this committee.

Several important problems face Texans which will come under Elections Committee, this year, Rep. Clayton said. They include the move to put primary elections back, to put Texas on a system of presidential primaries, and to require the changing of voter registration procedures in Texas.

Rep. Clayton chaired the committee on counties last year, and some of the most far reaching legislation concerning county government was passed under his leadership. The laws which removed power from the state and returned it to the counties, getting local government closer to the people, originated in Clayton's committee. This committee has been placed under the new intergovernmental Affairs committee, and Rep. Clayton said he would continue to work along the same lines. The committee now encompasses cities and towns, which Rep. Clayton has also worked with.

"Re-apportionment in the last legislature shifted ten of the 150 House seats from predominantly rural districts to the metropolitan areas, with five new seats going to Harris and three to Dallas. This inevitably will change the makeup of the Legislature and expedite the passage of legislation of greater concern and interest to the big city. Harris County has 24 House members, and Dallas, 18, more than all of West Texas," Clayton commented.

seats going to Harris and three to Dallas. This inevitably will change the makeup of the Legislature and expedite the passage of legislation of greater concern and interest to the big city. Harris County has 24 House members, and Dallas, 18, more than all of West Texas," Clayton commented.

Bledsoe play to air on TV

"To Whom It May Concern" by Bledsoe High School students will be shown on KTXL, Channel 5, in Lubbock today at 6:30 p.m. "Studio 5" is the listing on the TV schedule.

The play written by Rita Fipps, Kay Row, Sherri Adams and June Burns, reveals the viewpoint that teens are not the only ones who abuse liquor and drugs. Lewis Mowery is the faculty advisor.

The cast of characters include seniors, Rita Fipps, Sherri Adams, Kay Row, Rosa Tarango, Mary Perez, Terry Young, Terry Davis, Randy Coffman, Freddie Brannum, Larry Langrill and Lois Funk.

Junior students appearing is June Burns and sophomores Rodney Coffman, Kenny Banning, Terry Rawls, and Gary Scott.

Cancer meeting

There will be a meeting on cancer in Fellowship Hall at First United Methodist Church tonight. The meeting, sponsored by the Emilea Smith Jr. Study Club, will begin at 7:45 and will consist of a film and lecture on the early detection of cancer.

All interested persons are invited to attend.

Farm program notices mailed

Notices of farm feed grain bases, wheat allotments, conserving bases, and established yields for 1973 have been mailed to producers by the Cochran County Agricultural Stabilization and Conservation Service county office, reports ASC Committee Chairman Danny Key.

Producers should take a good look at the official notice as soon as it is received. If a farmer believes a mistake has been made in figuring his yields or feed grain base or feels he has been treated unfairly, he has 15 days from the date of the notice to file a written request for reconsideration.

If a farmer has any question he should get in touch immediately with the ASCS county office. If he wants the ASC county committee to reconsider, he must file this request in writing within the time limit.

Farmers may appeal to the state committee if he still feels there is a mistake or an inequity after the county committee has reconsidered.

Appeals on conserving bases may be made any time through March 16, which is the end of program sign-up, but appeals on wheat yields, feed grain yields and feed grain bases must be made by or before January 27th, which is the 15th day

Lubbock man dies in crash

Douglas Headrick, a 31-year old Lubbock homebuilder, was pronounced dead at the scene Sunday after crashing his small, single-engine plane approximately two-and-one-half miles southwest of Whiteface.

The site of the crash is rugged pastureland. Whiteface Justice of the Peace Roy Tilley said he pronounced Headrick dead at 4:20 p.m. Sunday. Cause of the crash was blamed on Saturday's snow and freezing rain, however; an investigation is pending by the Lubbock office of the FFA.

Headrick had been the subject of a two-state air search after he failed to land in Lubbock Saturday following a flight that originated in Roswell.

According to Maj. R.C. Hall, Lubbock Civil Air Patrol, Headrick's pre-takeoff weather briefing indicated that favorable conditions existed between Roswell and Lubbock. Immediately after takeoff, Hall said, Roswell FFA operators received a revised weather forecast that predicted deteriorating conditions in the Lubbock area. Efforts to contact Headrick by radio 12 minutes after his takeoff were unsuccessful.

JUSTICE OF THE PEACE ROY TILLEY of Whiteface points to the section of aircraft wreckage from which the body of Douglas Hendrick, 31, of Lubbock, was recovered at approximately 4:30 p.m. Sunday. Hendrick, en route from Roswell to Lubbock late Saturday afternoon, was thought to have crashed in this pasture located five miles southwest of Whiteface some time Saturday evening after encountering severe weather in the form of snow, freezing rain and heavy turbulence. Civil Air Patrol aircraft spotted the wreckage at 4:20 p.m. Sunday during a massive all-day two-state search.

Tribe topples chiefs, first half title near

The Morton Indians last met the Friona Chieftains in the finals of the Friona Tournament last December and came away with a 71-51 win to take the top spot. On Tuesday night, the Chieftains returned the visit and had to settle for another loss, the score this time being 70-52.

The Chiefs are the only district team other than the Indians owning a win over the Dimmitt Bobcats and are vastly improved over the last two months, but even so, are no match for the defending AA state champions. These teams will meet again in Friona on February 9th.

Jimmy Harvey, Jerry Silhan, and Ted Thomas each hit for four points in the first quarter to put the Tribe ahead at the break by 14-6. During the second quarter, Jimmy Harvey began to hit with the most effectiveness and added 10 points as the Indians outscored the Chieftains in that stanza by 19-10 to bring the score at halftime to 33-16.

Larry Thompson had six points during the period to help develop the bulge the Indians carried with them to the dressing room. The Indians hit for 50 percent of their shots from the line during the first half of play.

The Tribe continued its rampaging tactics through the third quarter and added to their total on the scoreboard by 19 while the Chieftains were putting an additional 5 points to their credit for a score at the three-quarter mark of 52-21.

Larry Thompson continued his excellent play by adding seven points in a final personal effort. Mike Gilliam got into the game for the Indians and played well although his ankle continues to give him trouble. During the second half Mike was to hit 7 of 8 from the line as his contribution to the Indian cause.

During this half a rather bizarre happening on the floor caused Ted Thomas to be sent to the bench, saw the Indians assessed a technical foul which the Chieftains missed, but which was to open the door for a fine personal performance from Johnny Bandy for the Chieftains during the fourth quarter.

Friona had the ball and was moving toward the Indian basket when Billy Joyce went to the scorer's table to enter the game. The buzzer sounded by play continued and Friona scored. When Ted turned to the official and reminded him of the buzzer, he was sent to the bench for the remainder of the game and the technical was charged against Morton.

Thomas on the bench was what Bandy needed to allow him to score 16 points during the final quarter. The Chieftain output for the period was 31 points, ten

Cotton harvest surges as fields become dry

Cotton harvest operations began increasing on the South Plains as fields dried out, according to W.K. Palmer, in charge of the Lubbock Cotton Classing Office of the U.S.D.A. Most activity was in the counties west and south of Lubbock but activity is increasing over the whole area.

Samples from 30,000 bales were tested and classed at the South Plains U.S.D.A. cotton classing offices at Lubbock, Brownfield, Lamesa and Levelland during the week ending Friday, January 19th. This brought the total classed for the season to 1,318,000 bales.

Estimates indicate that approximately three-fourths of this season's crop is now out of the fields.

Grades at Lubbock were about the same as the previous week. Strict Low Middling Light Spotted (42) was the predominant grade, making up 20 percent of all cotton classed. Strict Low Middling (41) made up 17 percent, Low Middling (51) 16 percent and Low Middling Light Spotted (52) 11 percent.

Average staple length also remained about the same. Staples continued to be predominantly 30 to 33. Fifteen percent had a staple length of 30, 17 percent 31, 30 percent was 32 and 27 percent was 33.

Micronaire readings were slightly higher. However, only 19 percent of all cotton classed at Lubbock had micronaire readings in the premium range of 3.5 through 4.9, 10 percent "miked" 3.3 through 3.4, 34 percent was 3.0 through 3.2, 29 percent 2.7 through 2.9 and 8 percent was 2.6 and below.

The Agricultural Marketing Service of the U.S.D.A. reported brisk trading on the Lubbock market. Prices were \$2.50 to \$5.00 per bale higher on all cotton, but demand continued strongest for better grade, premium micronaire cotton. Prices ranged from \$2.50 per bale over the loan for low grade, low micronaire cotton up to \$50.00 per bale over the loan for high grade, premium micronaire cotton.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Strict Low Middling (41) staple 32 - 27.15 cents per pound, Strict Low Middling (41) staple 33 - 28.65, Low Middling (51) staple 32 - 25.80, Low Middling (51) staple 33 - 26.35, Strict Low Middling Light Spotted (42) staple 32 - 26.15 and Strict Low Middling Light Spotted (42) staple 33 - 26.80.

Cottonseed prices were steady and farmers received \$46 to \$56 per ton for their cottonseed at gins.

NOTICE

NOTICE OF HIGHWAY IMPROVEMENT

The Texas Highway Department offered an opportunity for a public hearing to be requested by publication on June 29 and July 6, 1969 of a notice reporting the proposed improvement of F.M. Highway 1585 in Hockley and Cochran Counties, extending from F.M. 303, approximately 3 miles North of Sundown, Texas, West along an existing county road 7 miles to F.M. Highway 1780 in Cochran County at a point approximately 2 miles North of Girlstown USA. No requests for a public hearing were received; therefore, the District Office of the Texas Highway Department, at Lubbock, has submitted all of the engineering data and information received in connection with the development of this project for approval of the proposed route and design by the Administration of the Texas Highway Department.

Work on the proposed project will include grading, drainage, caliche base and a 20 foot asphalt surface treatment. Proposed right-of-way width is to be 100 feet.

Maps (Drawing showing geometric design), environmental studies and all other available data concerning the development of this project may be inspected and copied at the office of Glenn Y. Johnson, Resident Engineer, 601 Slaton Highway, Lubbock, Texas.

Published in the Morton Tribune January 25, 1973

ABOUT LOCAL FOLKS

by Dutch Gipson

Visiting in the John Coffman home recently were Mr. and Mrs. Davis Harris of Corpus Christi and their son S-A Rush Coffman from Long Beach, California.

Guests in the home of Mrs. S.A. Ramsey last week were her sister, Mrs. Dee Potree, and her sister-in-law, Mrs. J.E. Lisenbee, both of Seagraves.

Mrs. Earl Parker of Abilene visited with her brother, Mr. and Mrs. Joe Gipson, Monday night.

Recent guests in the HESSIE B. Spotts home were her brother and wife, Mr. and Mrs. Frank York of Truth or Consequences, N.M.

Former Mortonite Roy Weeks, now living in Freeport, was here visiting with friends and transacting business, recently.

Mr. and Mrs. James Butler of Graham have been visiting with his brother and family, Mr. and Mrs. S. Butler.

Little Miss Suzann McDermitt of Hobbs, N.M. spent several days last week visiting in the homes of her grandparents, Mr. and Mrs. Charles McDermitt and Mr. and Mrs. Ruel Kelly.

Mrs. Austin, of Lubbock, is recuperating nicely from her recent stay in the hospital in the home of her daughter, Mr. and Mrs. Hume Russell.

Albert Ellis, former local merchant, now of Tatum, N.M. was in Morton Monday to attend the funeral of Paul Powell.

Mrs. Slat Holleyman is a surgical patient in the Methodist Hospital in Lubbock. She is now in the Intensive Care Unit.

Three Way News

By Mrs. H.W. Garvin

The Three Way basketball teams played Papat Pep Tuesday night winning all three games. Friday night the basketball teams played Whitharral on the home court with Three Way winning both games. Debby Furgeson was crowned queen and Joe Kindel was king of basketball.

Mr. and Mrs. George Tyson spent the weekend in Lubbock visiting the Tommy Durhams.

Larry Neutzler, son of Mr. and Mrs. Ed Neutzler, made the honor roll at South Plains College in Levelland.

Key Fine was a medical patient in a Littlefield hospital the past week.

Mr. and Mrs. Don Lowe are the parents of a baby girl born at University Hospital in Lubbock last week.

Mr. and Mrs. Dickey Wheeler from Lovington, N.M. spent Saturday with his grandparents, the Johnnie Wheelers.

We wish to express our sympathy to the family of Paul Powell. He passed away in Methodist Hospital in Lubbock Sunday.

Mr. and Mrs. D.S. Fowler were in Paris Tuesday to attend the funeral of a cousin.

Farmers in the community were busy in the fields the last part of the week pulling cotton and cutting feed.

Mr. and Mrs. James Fowler and son from Lubbock and Ray Fowler and children from Morton spent Sunday with their parents, the D.S. Fowlers.

Mr. and Mrs. Gary Kessler

Kessler-Bell nuptial vows read in Hurst recently

Linda Bell became the bride of Gary Kessler in a ceremony held in the home of the groom's parents recently.

Parents of the couple are Mr. and Mrs. Burl R. Bell of Clayton, Oklahoma and Mr. and Mrs. Leon Kessler of Hurst. The groom's grandparents are Mr. and Mrs. W. T. Thomas of Morton.

Given in marriage by her brother, Dennis Bell of Euless, the bride wore a pink crepe street length dress and carried a bouquet of white and pink feathered carnations.

Miss Debrah Bell of Euless, sister of the bride, was maid of honor and David Kessler of Hurst, brother of the groom, was best man.

The ceremony was performed by the father of the groom before an altar of red

candles held in brass tapers with holly and red bows, flanked by floral baskets.

Daran Kessler, brother of the groom, served as candle lighter.

Following the ceremony a reception honored the couple. Miss Mary Redding and Vickie Baker served the tiered wedding cake and Miss Lorie Kessler, sister of the groom, registered guests.

The bride is a graduate of Coalinga, California High School, attended Coalinga Junior College and is a graduate of Saint Joseph's School of Nursing in Fort Worth. The groom is a graduate of Morton High School, attended South Plains Junior College and is a student at Tarrant County Junior College.

The couple is at home in Euless where both are employed at Doctors Community Hospital.

Area leaders nominated for water board

Eight area business, civic and agricultural leaders have been nominated for election as directors-at-large for Water, Inc., at the organization's Sixth Annual Membership Meeting slated Feb. 17 at Amarillo. Announcement of the nomination committee's action was announced in Borger today by Fritz Thompson, committee chairman.

Receiving nomination were A. L. Black, Friona; D. G. "Bill" Nelson, Jerome Johnson, Edward G. Weber and K. B.

"Tex" Watson, all of Amarillo; John J. Kendrick, Brownfield; Jim Ed Waller, Lubbock; and Bill Clayton, Springlake. Watson and Kendrick are both former presidents of Water, Inc. Waller is currently serving the organization as treasurer and Clayton, a state representative, recently resigned as Water, Inc., executive director.

Members of the nominating committee headed by Thompson are Lloyd Calhoun, Hobbs, N.M.; Arthur Duggan, Littlefield;

Mrs. Lewallen talks on Texas

Mrs. Maurice Lewallen presented the program "Texas as a Republic" at the January 17 meeting of the 1936 Study Club. Mrs. Neal Rose hosted the afternoon meeting.

Mrs. Lewallen reviewed the officers, constitution, flag, seal, and

congressional actions of the period in which Texas was a Republic.

Mrs. Iva Williams presided at the business meeting where plans for the District Convention to be held in Lubbock March 30 were discussed. Mrs. Lewallen agreed to help with the Convention Center plans for Senior Center with the recommendation that the center be delayed until spring because of weather. Representatives of the Federation of Study Clubs reported on the Student Scholarship Loan Fund and that some of the past borrowers are behind in their re-payments. Mrs. Smith was granted a leave of absence for the remainder of the year.

Attending the meeting were M. C. Ledbetter, Gage Knowlton, Joe Clair, Joe Gipson, James Price, Benham, Ruth McGee, Glenn Taylor and Gerhome Holloway.

E.L. Cox rites are held Friday

Services for E.L. Cox, 87, were held Friday at 2 p.m. in the First United Methodist Church. The Rev. James Price, pastor, officiated.

Burial was in Morton Memorial Cemetery directed by Singleton Funeral Home.

Cox, a resident of Cochran County since 1946, was pronounced dead at his home Wednesday by Justice of the Peace Joe Gipson. He died of an apparent heart attack. He was a retired bookkeeper.

He is survived by several nieces and nephews, including Mrs. Minnie Childs and Willard Cox of San Marcos.

Palbearers were Willard Henry, Leon Hamilton, Olan Ray, Amos Taylor, J.C. Reynolds and Elick Cox.

Jim Lindsey, Hereford; George McCleskey, Lubbock; Dean Rea, Tulia; and Bruce Rigler, Plainview.

The annual Water, Inc., meeting will be conducted at Amarillo's Villa Inn on I-40 East.

Campfire Girls meet January 17

The Ta Wa Ten Ya Campfire met Wednesday, January 17, in the home of Tammy Mullinax.

Members completed two weeks of collected money for selling candles and discussed plans for a camp-out.

Refreshments were served at the following: Vera Holland, Carolyn Suzanne Gillespie, Shelly Travis, Maberry, Martie Dewbre, Holladay, Mary Smith, Tammy Mullinax, Brigitte Blackstock, Peggy Bennett, Linn Greer, Annette Willingham, Melanie Polvado.

NEW KIMBIES DISPOSABLE DIAPERS

Exclusive shape
Most diapers are shaped like diapers. Kimbies diapers are shaped like your baby.

Soft center folds
The folds give Kimbies their exclusive shape. In addition, they help tailor the bulk. So Kimbies fit smoother without bunching and drooping.

Leg hugging fit
Kimbies' exclusive center folds hug baby's legs. The diaper fits snugly, with less chance for accidents.

Adhesive safety tapes
They make Kimbies' exclusive shape really work. You get a safe, snug fit everytime—around the waist, and around the legs.

Cottony fluff filler
More absorbent than cloth. And so soft Kimbies' unique shape can really snuggle up to a baby.

Choice of sizes
There's a Baby-Shaped Kimbie diaper to fit the shape your baby is in—from teeny, tiny newborn to active toddler.

Torrid Tribe tomahawks Bobcats in district win

It was wild from start to finish, but the Indians pulled the fat out of the fire in the fourth quarter to beat the Dimmitt Bobcats in their home lair Friday by eight points, 59-51.

This was the margin the first time these teams met this year when Morton beat Dimmitt in the finals of the Caprock Tournament by a score of 60-52. This latest encounter saw the game tied eight times, and saw the lead switch back and forth seventeen times.

This was the second district game for the Indians and they now are 2-0 in league play. The loss to the Indians brought the Bobcats record to 1-2 in the district, the other loss, believe it or not, coming at the hands of the Friona Chieftains.

Ted Thomas got the scoring and the Indians under way early in the first quarter and the Indians had pulled out to a 5-0 lead before Kenny Ringo hit for the Cats to make it 5-2. Morton continued to lead throughout the quarter with the Bobcats struggling to close the gap, which they did at the end of the quarter when Buckley's foul shot tied the score at 13-13.

The second quarter saw the Bobcats surge into the lead on a bucket by Ringo, then saw the teams trade the lead throughout the quarter. The score was tied three times during this quarter and the teams exchanged the lead twelve times. Jerry Silhan's shot at the buzzer sent the teams to the dressing rooms at the half with the Indians ahead by one point 28-27. The Indians and their fans didn't know it, but the worst was yet to come!

Kenny Ringo led off that frenzied third quarter by hitting two quick ones to put the Bobcats ahead by three, 28-31. With 2:04 on the clock for the quarter, the Bobcats had pulled out to a six point lead, 31-37. This was to be their greatest margin for the night but it seemed at the time that they were going to pull away even more. Jimmy Harvey then hit 2 of 2 from the line, and Jerry Silhan and Larry Thompson had 1 and 2 from the floor, and presto, the Indians had the lead back again 39-37, just as the quarter came to an end.

LOOK WHO'S NEW

Charles Hawthorne, son of Mr. and Mrs. Charles O. Seaman of Bakersfield, California. Charles arrived January 21 and weighed 9 pounds and 6 ounces.

Grandparents are Mr. and Mrs. C.T. Seaman of Morton and Mr. and Mrs. D.H. Casey of Bakersfield.

Amy Beth, daughter of Mr. and Mrs. Bill Bowers of Lubbock. Amy Beth arrived at Cochran Memorial Hospital January 19 and weighed 7 pounds.

Grandmother is Mrs. Jean Cagle and Mrs. Ala Bowers of Whiteface.

Christopher Shane, son of Mr. and Mrs. Thomas E. Tucker of Midland. He was born at Cochran Memorial Hospital January 22 and weighed 8 pounds and 5 ounces.

Sewing Club meets in Lindsey home

The Busy Fingers Sewing Club met Thursday, January 18, in the home of Mrs. A.R. Lindsey.

The meeting was opened with a prayer by Mrs. C.C. Benham and Mrs. E.R. Fincher led in the singing of "The More We Get Together."

Mrs. Lindsey gave a devotional "Rainy Day Problems" by Amy Bolding.

Members present were: Mmes Rolly Hill, Anna Rose, Fincher, Ethel Stracner, G.F. Cooper, F.L. Fred, F.G. Kennedy, Walter Taylor, E.C. Neiman, Nath Crockett, Benham, Clayton Stokes, and two visitors, Mrs. R.K. Lindsey and Mrs. Cecil Lindsey.

Pep Ex-students

plan homecoming

The Pep Ex-Students Association will host their 14th annual Homecoming January 27 at the Pep School.

An invitation is extended to all students teachers and friends to attend.

Registration will begin at 5 p.m. in the Home Economics Room and a banquet will be held at 6:30 p.m. in the cafeteria. Tickets are now on sale.

Bennie Silhan, president, will preside at the business meeting. Several recognitions will be made and prizes awarded, followed by the crowning of the Homecoming Queen.

A dance at 8 p.m. featuring music by a western band will conclude the activities.

Bledsoe 4-Hers elect officers

The Bledsoe Busy Bee 4-H club met in the home of Mrs. Marcy Box January 18 for an election of officers.

Leesa Bibrey was named president and Shari Hale was elected vice president. Serving with them will be Patti Hall, secretary-treasurer and Karen Bibrey, reporter.

In the business meeting, members voted to hold a paper drive and plans were made for a party for one of the cottages at the Lubbock State School in February.

Griffith, Bailey on honors list

LUBBOCK—A total of 365 students in the College of Agricultural Sciences qualified for the dean's honor list for the 1972 fall semester, according to Dean Anson R. Bertrand.

To qualify for the honor list, a student must be enrolled in 12 hours of courses, excluding pass-fail courses, and have at least a 3.0 grade point average. Texas Tech uses a 4.0 grading system.

The College of Agricultural Sciences is

one of six colleges and two schools at Texas Tech University, which will be observing its Fiftieth Anniversary 1973-75. The fall enrollment was more than 21,490.

Students recognized for their high academic achievement in the College of Agricultural Sciences are:

Those from Morton making the list were: Curtis C. Griffith, Ag. Economics, Route 2, Arnie E. Bailey, Crops, Route 1.

Mrs. Castleberry rites in Meadow

Services for Mrs. Ivy Dot Castleberry were held at 2:30 p.m. Monday in the First Baptist Church of Meadow. The Rev. Cletus Caswell officiated assisted by the Rev. Bruce Stovall, pastor of the First Baptist Church of Meadow.

Burial was in the Meadow Cemetery under the direction of Singleton Funeral Home.

Mrs. Castleberry, 90, died at 5:25 p.m. Saturday in Littlefield Memorial Hospital. A longtime resident of Meadow, she had resided in Morton the past eight years.

Survivors include a daughter Mrs. Wayne Harris of Rails; three sons, Aubrey Castleberry of Morton, Paul Castleberry of Borger, Ray Castleberry of Farwell; a sister Mrs. Utilla Hudson of San Angelo, eight grandchildren and 15-great-grandchildren.

"Thou wilt show me the path of life: in thy presence is fulness of joy." PSALM 16:11

HERE IS THE PATH

Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself. Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose, and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

EVERYONE IN THE CHURCH IS INVITED TO THE CHURCH IN EVENING

UNITED METHODIST CHURCH, BULA
 Rev. Hazel House
 Services 2nd and 4th Sundays

County Agent News

By Roy L. McClung Jr.

The use of animal feed containing DES (diethylstilbestrol) after January 1, 1973 constitutes a criminal act with the user liable to punishment as viewed by the Food and Drug Administration (FDA). Farmers, ranchers, feedlot operators and those involved in the manufacture, distribution or disposal of animal feed are urged to dispose of feeds containing DES. Either burial or use as a fertilizer are the suggested means of disposal. Use as a fertilizer should involve shallow incorporation into the soil. The Food and Drug Administration will recall all outstanding stocks of these products from the market place for supervised disposal. The action was required under terms of certain sections of the Federal Food, Drug and Cosmetic Act. These terms as

described contain the so-called Delaney clause and require that there be no detectable residue. Evidence that DES residue was present in the liver of steers 3, 5 and 7 days after the feeding of a single dose of the chemical was cited as requiring the withdrawal of approval for use even though there is no known public health hazard resulting from its use. In announcing the ban in the August 4, 1972 issue of the Federal Register the FDA emphasized that the commissioner has no reason to believe that the use of DES in animal feed represents a public health hazard, and further, that no human harm has been demonstrated in over 17 years of use. Under the law, however, the continued use of the drug in feed may no longer be permitted according to FDA.

Recent ice storms may have damaged trees in your landscape. However, with careful and proper pruning, these trees can be saved. First, survey the damage and plan for corrective pruning. Remove damaged limbs at the point of origin or just above a good side branch. Don't leave stubs unless absolutely necessary. If, due to severe damage, a branch or main trunk must be stubbed back, paint the wound with a tree wound dressing that is available at any garden center or nursery. Orange shellac may be used as a temporary wound dressing. Continual pruning and attention is necessary under these conditions to prevent sucker growth at the end of the stub. If a trunk or main scaffold branch has split due to the excessive weight of ice, remove the trunk that has broken away. Cables and bolts may be used to pull the damaged trunk together, but this can be best accomplished by a professional tree man. When a broken limb has pulled loose back along the side of a trunk, smooth the torn area with a sharp knife or chisel and paint all exposed cuts or wound with a tree wound dressing.

Scout leaders receive awards at annual recognition banquet

Silver Beaver and Silver Fawn awards to six adult Boy Scout leaders highlighted the annual Recognition Banquet of the South Plains Council of Boy Scouts, conducted Saturday night at Red Raider Inn in Lubbock. Several hundred Scouting supporters from the 20-county Council heard speaker Kirk Henry, director of support services for the South Central Region of Boy Scouts, and recognized other award recipients. The Silver Beaver and Silver Fawn awards are the highest honor which can be given an adult Scouter by the Council. Receiving the Silver Beaver were Robert D. Nicholson, Champ Rainwater and Steve B. Meinecke, all of Lubbock; C.T. McCormick, Ropesville; and Wayne Williams, Plainview. The Silver Fawn awards went to Mrs. Emmabelle Gaston of Lubbock. (Biographical sheets for the six individuals are attached.)

Arrowhead District—(North and northeast Lubbock, New Deal, Abernathy)—Robert D. Nicholson, Gene Lake, both of Lubbock. George White District—(Levelland, Morton, Muleshoe, Littlefield, Earth area)—Earl Gerstenberger, Levelland; Warren Dayton, Littlefield. Quannah Parker District—(Brownfield, Plains, Tahoka, Lamesa, Seagraves, Seminole area)—George Hansard, John Hegi, both of Lamesa. Exploring District—(Lubbock County)—Bob Brummal, Lubbock. The South Plains Council of Boy Scouts encompasses 20 West Texas counties. Towns served by the Council range from Tulia to Ackerly and from Jayton to Plains.

MORTON FROM PAGE ONE

There is strong speculation that the gist of his speech will deal with rural development and the ways and means to build up the rural community and bring to a halt the migration of its youth to the cities. "We have a wonderful opportunity to hear a gifted orator speak on a subject about which he is highly knowledgeable and in a language we can all understand," Chamber President Tobe Hendon stated upon receiving McAlister's confirmation of the speaking date. The March of Dimes Cake-A-Thon will be held at Limer's Pharmacy this year and the live broadcast will begin at 8 a.m. Saturday and continue until signoff time Saturday night. Cakes, pies, cookies, candy and all other types of goodies will be auctioned off over the radio, with the entire proceeds going to the March of Dimes drive. "We have set a goal of \$1,500, the highest ever for this year's Cake-A-Thon and if we come to sign off time and still have something to sell, we will begin again at 1 p.m. Sunday in the same location and sell until it is all gone," Hi Duncan, KRAN manager stated. "We have exceeded our quota every year, and we fully expect to this year, high as it is," Duncan concluded. All ladies and other cooks in Cochran county are invited to bake or cook their specialty and enter the cake-a-thon contest for the highest auction price. The Friday night basketball game is receiving special interest because it will complete the first half of district play and could determine the first half champion. The Morton Indians are presently leading, with three wins and no losses, with the Dimmitt Bobcats the only challenger at two wins and one loss.

FARM FROM PAGE ONE

The appeal period for wheat allotments was several months ago when producers received their first official notice following announcement of the 1973 program. The current notice serves only as a reminder to the producer of his farm's wheat allotment. Sign-up for the 1973 feed grain and wheat programs begins Feb. 5 at the ASCS county office and continues through March 16. The ASCS Committee Chairman reminded producers that requests for measurement service and set-aside inspection are being accepted now at the county office and said the earlier such requests are made, the earlier the service will be provided. Measurement services are provided at cost by the ASCS county office in order to help farmers be certain they are complying with requirements of farm programs in which they participate.

MARATHON BRIDGE TOURNAMENT

Sponsored by L'Allegro Study Club

- Rules For The Tournament Are:
1. Entry fee is \$1 per person each round of play.
 2. Each round of play will be four-somes.
 3. Entries must be in by January 28. First round may be played any time between January 29 through February 5. Second round play February 5 through February 26. Third round play February 26 through March 12. Fourth round play March 12 through March 26. Fifth and final round will be played at the County Activity Building banquet room at March 30, 1973.
 4. Partners must enter together and remain partners throughout the tournament.
 5. Players will be notified as to their foursome for each round.
 6. Each round of play will consist of 20 bids. Add score after each fourth hand. Scoring will be by party bridge rules: 300 for first game; 500 for each subsequent game. Scores and \$1 fee will be turned in at the end of each round.
 7. One bid will be played.
 8. In the event of illness or disability of one partner, another person not previously entered in the tournament may substitute.
 9. Enjoy your bridge, but please abide by bridge etiquette.

Top entomologists in the field of boll weevil control will gather February 20 and 21 at Texas A&M University, review the Texas High Plains Boll Weevil Control Program of 1972 and begin laying plans for control in 1973, according to Ed Dean, Field Service Director for Plains Cotton Growers, Inc., Lubbock. PCG is the 25-county High Plains cotton producer organization which organized the program in 1964 as a joint effort between PCG, the U.S. Department of Agriculture and the Texas Department of Agriculture. The bulk of the program is funded on a matching dollar-for-dollar basis by cotton producers and USDA, with a significant contribution in personnel and equipment from the TDA. Dean reports that aggregate acreage treated in the weevil control zone of 1972 came to a little over 514,000, lying mostly along the eastern rim of the Plains. Fourteen aerial applicators spread

almost 60,000 gallons of insecticide to prevent westward spread of the destructive pest. If left unmolested, entomologist agree the weevil would spread quickly into vast acreages of cotton in West Texas, New Mexico, Arizona and California—areas where it does not now exist. These protected areas currently produce almost 30 percent of the nation's cotton. Dean explains that early season applications of ultra-low volume, non-persistent malathion break the weevil's reproductive cycle, and these are followed by three to four additional applications in late fall to prevent weevils from going into diapause—the condition in which they hibernate through the winter. Thus the number of weevils emerging each spring to prey on fruiting cotton plants is greatly reduced. "Early insecticide applications are made only on acreage where weevil populations have reached economically damaging levels," Dean said, "with a great deal of care taken to prevent killing beneficial insects except where absolutely necessary." Beneficial insects on the Plains are the primary deterrent to the development of high bollworm populations. Trained "weevil scouts" are used to inspect every field in the control zone on a weekly basis, checking for both weevils and bollworms. In this way spraying is done on a when-and-where-needed basis, program officials point out. The Texas A&M meeting will include such noted entomologists as Dr. J.R. Brazzel, Chief of Methods Development for USDA's Animal and Plant Health Inspection Service; Dr. P.L. Adkisson, Head of A&M's Entomology Department; Dr. E.F. Knipping of USDA's Agricultural Research Service and Dr. George Slater, Manager of Cotton Incorporated's Entomology Research Division. Following the Texas A&M meeting on February 22, the High Plains Boll Weevil Technical Advisory Committee will meet in Lubbock to further develop plans for the region. Don Anderson of Crosbyton, former PCG President, is chairman of the Boll Weevil Technical Advisory Committee.

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITAL

By—Bill Boykin

Texas Press Association

AUSTIN, Tex.—Legislation to strengthen the open meetings law cleared the House State Affairs Committee promptly and landed as the first bill on the House calendar Monday. The measure by Rep. Carl Parker of Port Arthur would delete from present law an exemption for conferences among staff members of a governmental body. It would also remove authority for the governing body to hold closed discussions with its attorney unless ethical obligations of the lawyer are involved. The bill, backed by Speaker Price Daniel Jr., would further increase the violation penalty to \$100-to-\$500 fine or imprisonment in county jail for a month to six months, or both. A measure to guarantee access to public records was de-toured to sub-committee.
