Tribe takes grid 'warpath' Friday

In boxing when the preliminaries are over, it's time for the main event. For the Morton Indians football team, their preliminaries are over, and now the main events stretch forward over the next eleven weeks; a game each Friday night until the middle of November with one open date in October.

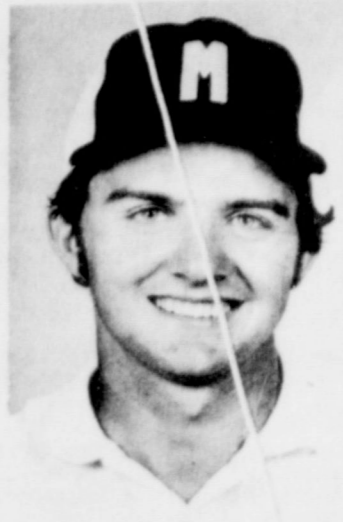

Last Friday night in

Farwell, the Indians met the second of their pre-season scrimmage competitors and defeated them by a score of 2-1. Had it been a regular game, the margin of victory could have been even greater, but this was a proving ground for plays and tactics so that all formations needed to be checked even though some

School budget tops \$1 million

School tax hike forced by inflation

For the first time in history the Morton Independent School District budget has topped one million dollars.

This fact came to light as the board of education approved last Monday, the proposed budget for the 1973-74 school year in the amount of \$1,027,491.

Anticipated revenue for the year was set at \$1,012,934, indicating a \$14,000 plus deficit.

Increased costs of food and materials and increased salaries imposed by the Legislature were cited by schools superintendent Bob E. Travis. There are only estimated figures, and we may have no deficit at all when the school year ends, Travis stated.

He had earlier presented the board with the revised budget for 1972-73 which revealed that the system had been operated under the original budget by approximately \$20,000. The board approved his amended budget which showed revenue of \$965,041 and expenditures of \$938,000.

Total surplus in the coffers at the end of the school year amounted to approximately \$86,000, Travis stated.

The increased budget has caused a corresponding hike in the school tax rate, from \$1.95 per one hundred dollars

See BUDGET Page 5

THE COVERED BODY of John William Whiteside, Jr., of Borger, lies beside the pickup truck in which he was killed in a one-car accident 16 miles south of Morton on SH214 at approximately 5:45 p.m. Monday. He was pronounced dead at the scene by Dr. Fenella Henry at 6:35 p.m. The car apparently went off the east side of the highway, then back across it and rolled over at least once before coming to rest on its wheels. No cause for the accident could be given by investigating officer T.A. Rowland.

County economy rises

Cochran County's economy picked up momentum in the past year, according to a national survey of business activity, just released.

The advance was powered, principally, by heavier spending on the part of local consumers, who had more money available to them than the year before and less hesitancy about using it.

The extent to which this freer spending affected retail business in the local area is revealed in the survey, which

is entitled "Survey of Buying Power." It was compiled and copyrighted by Sales Management, the marketing publication.

Contained in it are comparable figures on income and spending for communities in all parts of the country.

For the Cochran County population as a whole, it shows, incomes were at a high level in the year. Local residents had a net disposable income, after payment of

See COUNTY Page 5

L. B. Childs rites held Wednesday

Services for Lonnie B. Childs were held Wednesday at

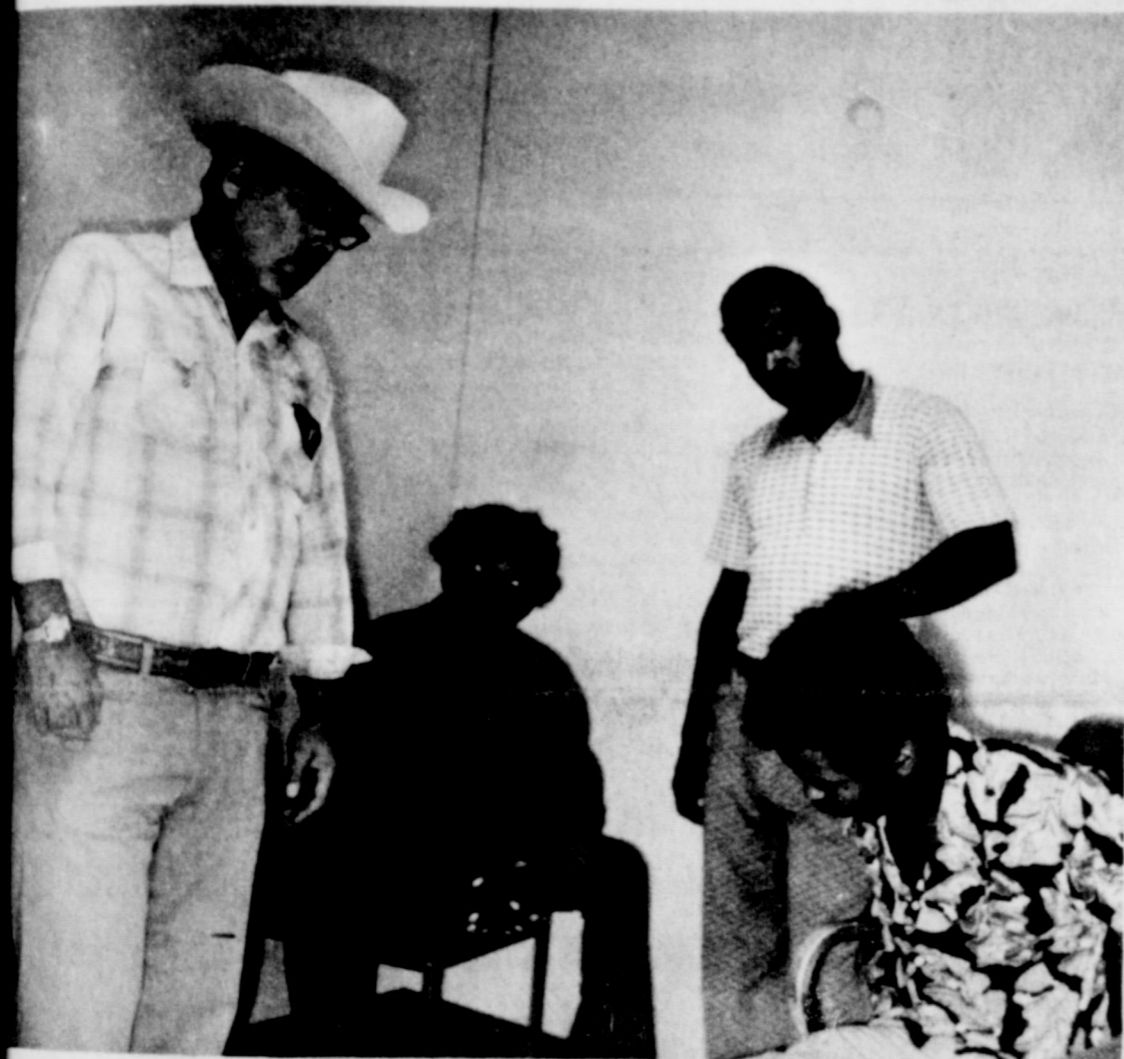

3 p.m. in the First United Methodist Church. Officiating was the Rev. John Rankin of the Permian Baptist encampment assisted by the Rev. James Price, pastor.

Burial was in Morton Memorial Cemetery under the direction of Singleton Funeral Home.

Childs, 71, was dead on arrival about 2 a.m. Tuesday at Cochran Memorial Hospital after an apparent heart attack at his home. He was a native of Panola County and owned and operated Childs Men's store for the past 28 years. He had served with the U.S. Navy.

Survivors include his wife, Minnie; a daughter, Mrs. Michael Nichols of Tulsa, Okla.; four sisters, Mrs. Etta Murphey and Mrs. Jewell Hartless, both of Timpson, Mrs. Ada Ritter of Tyler and Miss Carrie Childs of Long Branch; and three brothers W.E. of Morton, J.W. of Timpson and Sam of Carthage.

Pallbearers were: Virgil Coffman, John Crowder, Canton Tyson, Vernon Blackley, M.C. Ledbetter and Roy Brown. Honorary Pallbearers were: Lloyd Hiner, J.C. Reynolds, Bill Smith, Joe Nicewarner and C.E. Luper.

IT ALL WORTH IT? seems to be the fate of three suspects picked up by chief Darrell Denny, left above, following the theft of approximately \$815 from Doss Thriftway Supermarket late Friday afternoon. The suspects were intercepted by Denny at the store and approximately that amount in cash and bills was found in their car. Left to right

the three suspects are Charles Earl Jones, of Fort Worth, Amos George Simms, of Bryan, and Virgil Teave Gibson, of Lubbock. Gibson escaped early Tuesday morning from Cochran Memorial Hospital where he was being treated for apparent drug withdrawal symptoms. Jones and Simms posted \$5,000 bonds each and were released Monday.

Arrests, theft, escape highlight sheriff's week

Theft of approximately \$815 from the Doss Thriftway Supermarket led off in a chain of events that kept Cochran county sheriff's office on the run for the entire week and then some.

These incidents included the apprehension of three suspects in the theft, the escape on bond and the subsequent re-arrest of two of them in Lubbock and the

escape of the third following a series of antics that afforded him the escape opportunity. An interesting sidelight took

place when the alleged wife of one of the suspects arrived in Morton to arrange bond for

See SHERIFF'S Page 5

Mrs. Barker takes county Demo helm

In a called meeting Friday afternoon of all Democratic

Attention Exes!

All Morton High School ex-students are reminded to turn in their classes names and addresses to Mrs. Ray O'Brien at Star Route 2, Morton prior to September 22.

A complete list of names and addresses is necessary for the planning of the 1973 Homecoming celebration.

Precinct Chairman, Carl Ray, resigned as Cochran County Chairman. Mrs. H.B. Barker was elected to serve out Ray's unexpired term.

With Mrs. Barker moving to County chairman, a vacancy was left in the Precinct I chairmanship and L. T. Lemons was appointed to fill the unexpired term.

Mrs. Alton Ainsworth, Precinct III chairman, was elected secretary of the executive committee.

Other precinct chairmen present for the meeting were Ralph Burt, Precinct II chairman and T.M. Tanner, Precinct IV chairman.

WITH HIS MICROPHONE FIRMLY IN ONE HAND and a small jug of inspiration in the other, Maurice Lewallen demonstrates how he endured the long, hard hours as MC of the country fair activities. At least the jug is authentic—having been loaned to him by a local antique dealer. The whole thing would be more believable if Mrs. Lewallen didn't have that good natured smile on her face.

Local church sets preacher

Rev. Paden arrived in Morton approximately two weeks ago and is the preacher at the Eastside Church of Christ.

He comes to Eastside Church from The Christian Men's Home in Portales, where he and his wife were as house parents.

Rev. Paden is a native of New Mexico. See CHURCH Page 5

Babe Ruth series won by Maryland

George, Md., is the new champion of the Babe Ruth World Series. Maryland kids whipped East Carolina, Calif., 11-6 to sweep through the series in four straight games. The Babe Ruth Series was won by East Carolina, Va., 9-4 in four games. The Babe Ruth Series was won by East Carolina, Va., 9-4 in four games. The Babe Ruth Series was won by East Carolina, Va., 9-4 in four games.

Artie Mory, East Anaheim outfielder, was named the most outstanding player in the series. He batted .381 and had two home runs and a double. Batting champion of the series was Pedro Pratts of Puerto Rico with a .545 average in four games. The week long series played to a record attendance of 80,904.

Thoughts

From The Living Bible
Will you be my prayer partners? For the Lord Jesus Christ's sake, and because of your love for me—given to you by the Holy Spirit—pray much with me for my work. Pray that I will be protected in Jerusalem from those who are not Christians. Pray also that the Christians there will be willing to accept the money I am bringing them. Then I will be able to come to you with a happy heart by the will of God, and we can refresh each other. And now may our God, who gives peace, be with you all. Amen.

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Good News and Bad News...Brucellosis Hearing Date Changed...Pink Bollworm Problems...Broiler, Egg Hatch Drop, Turkeys Increase.

Good and bad news faces Texas livestock producers relating to the screwworm situation. The Fall of the season is approaching, and this always means a build-up in screwworms. More than 1,000 cases have been confirmed in Texas so far this year, and it's expected this will increase considerably through the Fall.

Meantime, officials at the fly laboratory in Mission urge all livestock producers to check their herds regularly, treat wounds on livestock for screwworm control, and submit suspected samples of screwworms to the fly laboratory at Mission.

Your county agent or agriculture teacher has shipping vials which can be used free of postage charges to mail to the laboratory. The number of cases this year is very low compared to last year.

The good news about screwworms is that work is now underway on the sterile fly plant in southern Mexico. When that plant is in operation, 300,000,000 sterile flies per week will be dropped throughout Mexico to eradicate that pest there.

Once that is accomplished, the screwworm in Texas will be a thing of the past. But until that is finalized, authorities want all livestock producers to continue to submit suspected screwworm samples so that appropriate measures can be taken to fight the pest.

A PUBLIC hearing will be held in Room 117 Sam Houston Building, Austin, Oct. 1 by the Texas Animal Health Commission to discuss new brucellosis regulations for Texas as well as proposals for garbage feeding.

A series of hearings has been held throughout the state this past month to explain the regulations affecting brucellosis control. Everyone interested is invited to attend the meeting.

EGG production in Texas during July is six per cent below a month ago, the Texas Crop and Livestock Reporting Service notes. Egg production in Texas totaled 208,000,000 during July. The 11,000,000

Booster club meets; elects new officers

The Morton Athletics Booster Club held its first meeting of the year Tuesday night. Members viewed parts of the Hobbs and Farwell games in a presentation by Coach Winters, then held a business meeting to evaluate its financial position. Plans for further action were made. New officers for the year were elected, and the meeting adjourned after a decision was made to continue the meetings each Tuesday night through the football season.

Using the democratic process of acclamation, the members chose (railroaded) John Coffman as President, Wendell Mason as Vice-President, and Doyle Webbs as Secretary-Treasurer.

Each of these gentlemen is eminently qualified for his job, especially so if each of their wives do a lot of helping as Mrs. Webbs was doing collecting dues after the meeting had concluded.

Dues continue at \$5.00 for the year for a single membership, and \$7.50 for a man and his spouse (or is it spouse?)

Members will be conducting an intensive membership drive over the next few weeks with the twofold purpose of raising money and cultivating support for our football team this fall.

A committee of Pfeiffer Ramby, Charles Palmer, Bill Savers, Vernon Shaw, and Hub Gadenhead are currently contacting the business community to sell advertising on the football programs this fall. If you are not contacted and want to be a part of this program, call any one of these men.

worked better than others. The game was marred by some unethical conduct on the part of the Steers — late hits, lining on, and cheap shots when no hitting was necessary. The Steers are going to be the good football team that some predicted, they'll need to get away from the practice of using such tactics. Had the practice been a regular game, penalties would have kept their backs bogged down almost from the start. The expected aerial attack of the Steers never materialized. They seemed unable to put together any semblance of continuity in their offense and then began to let out their frustrations in a to-be-condoned conduct. To the credit of the Indians, they kept their cool most of the game although their patience began to wear thin as the scrimmage continued. The offense took advantage of the defensive ineptness and turned back play after play. Coach Winters was particularly pleased with the playing of the second team, commenting that they had made decided improvement since the game at Hobbs the

week before. He cited the play of the right side of the offensive line as being especially good.

For their work in the game, Kenneth Standmire was named as Offensive Player of the Week and Monte Smith was named Defensive Player of the Week. These two Tribesmen now join Ralph Mason and Pete Soliz on the list of those competing for a Player of the Year award to be presented at the Sports Banquet next spring.

In looking forward to tomorrow night, the Indians will be playing the Springlake-Earth Wolverines, a team that defeated the Indians last year 13-0 here at Morton.

The Indians will be returning the visit and the game is due for 8:00 p.m. The Wolverines are expected to average about 161 pounds per man in the line and about 156 pounds per man in the backfield.

Be on the lookout for Brian Britton, a 205 pound Senior tackle, Hal Woods, one of the best quarterbacks in District 3A, Pete Rodriguez, a speedy Senior halfback, and Doug Jones, a 170 pound Junior fullback.

The probable offensive starting line-up for the Indians

will be Rex Coffman, L.E., Larry Silhan, L.T., Pete Soliz, L.G., Tommy McClintock, C., Arnold Bautista, R.G., Monty Smith, R.T., Jerry Silhan, R.E., Ralph Mason, Q.B., Kenneth Standmire, T.B., Mark Fluitt, W.B., and Tony Soliz, F.B.

Some of the injured are gradually coming around and should be hitting full steam ahead soon.

Springlake-Earth will be operating a veer attack as their best offense. On defense they will employ a 6-1 or split-6 formation in trying to stop the Morton offense.

In a current poll, Springlake-Earth is picked by eight points over the Indians but this could be a carryover from last year's statistics. Look for the triple option and jump pass from the Wolverines. They are 1-1 in pre-season, beating Silvertown and being beaten by Shallowater.

Morton school superintendent Bob Travis says there are still some seats available in the reserved section of Indian Stadium, priced at \$5.00 for the season. This is in addition to the cost of admission tickets and will be sold on a first-come, first-sold basis.

BUDGET

FROM PAGE ONE

valuation to \$1.05 per one hundred valuation. The old rate which has remained the same for several years, was based on \$1.95 per hundred valuation based upon 34 percent of actual value of the property. Of this, \$1.40 went for maintenance and operation with 55 cents for retirement of debts (bonds).

Under the new rate, the maintenance and operation portion will go up 10 cents to \$1.55, with the retirement portion remaining the same. Total school district valuation for 1972-73 was \$17,081,600. For 1973-74 the valuation is set at \$17,476,926.

In other business, the board approved the additions of Mrs. Patricia Conway, Mrs. Ann Hedges and Mrs. Alta Mitchell to the teaching staff, thus filling all the teaching positions for the school year.

A rise in school lunch prices from 40 cents to 50 cents for elementary pupils and from 50 cents to 60 cents for junior high and high school students was approved.

Supt. Travis advised the board that three new programs had been added to the school curriculum this year as follows: Industrial arts instruction, girls basketball and one additional English class in the high school. He cited these as areas of increased cost which helped force a higher budget.

Each year the payroll experiences a substantial rise as all persons holding professional positions in the school system receive an approximate \$300 raise in salary automatically as imposed by the 60th Legislature.

The following persons were approved by the board as school bus drivers: Eddie Lewis, J.B. Carter, Claud Scates, Jimmy Mebane, Donald Auld, Wayne Rowden, John Stockdale, John Coffman, Dale Kirk and Sotero Valenzuela.

SHERIFF'S

FROM PAGE ONE

him and was herself arrested on a Waco warrant charging forgery.

The train of events, according to sheriff's reports, began with three black males entering Doss Thriftway at around 5:30 p.m. Friday. While two of them shopped, the third slipped into the store office and took the money that represented the day's receipts which Mrs. Helen Doss, store owner, was counting at the time.

Mrs. Doss had reportedly been lured away from the office by one of the three who

asked her questions concerning a watch he was looking at.

When she returned to her station, the money was gone and she immediately reported it to the Morton police. An all points bulletin was put out and chief deputy Darrel Denny identified their car by the broadcast description and halted the vehicle at Whiteface.

He further identified each of the three by the description, at which point he ordered them from the car. As the car door opened, he observed a large number of loose bills on the seat and floor of the automobile, many of which blew out and scattered over the ground.

A state highway worker volunteered to help Denny, who was alone, and he gathered up the loose money and returned it to the deputy. Other law officers responded to Denny's radio summons and the trio were jailed in Morton. Bond was set in county court at \$5,000 for each man.

The three were identified as Charles Earl Jones, of Fort Worth, Amos George Simms, of Bryan and Richard Dennis of Lubbock. Dennis was later identified by his real name of Virgil Teave Gibson. Gibson is the escapee, whose whereabouts were still unknown at press time.

Jones and Simms both posted bond and were released Monday. According to information from the sheriff's office they were both picked up by Lubbock authorities in connection with other charges pending against them there.

By Sunday, Gibson was apparently showing very strong drug withdrawal symptoms and was taken to Cochran Memorial Hospital for treatment. The symptoms reportedly continued and he was transported by sheriff's deputies to the Plains Hospital Drug Center in Plainview for treatment. He was returned to Morton Monday afternoon.

Monday night he again showed strong withdrawal symptoms, sheriff's reports indicate, and was returned to Cochran Memorial where he was ordered committed by a doctor. He was placed in a room and handcuffed to a bed where he was to spend the night.

Nurses reported to the sheriff that they had checked on him at 2:45 a.m., at which time he was in bed.

The report states that at approximately 4 a.m. the suspect roused a local resident from bed on the pretext that his wife was critically ill in Lubbock and he needed a ride there. The resident transported him as far as Smyer, where he let him out of the car and returned home.

Gibson, is wanted by the FBI, the U.S. Marshall in Fort Worth and by several other law enforcement agencies over the state. The sheriff reported no clues to his location by noon Wednesday.

One bizarre sidelight to these incidents is in the person of Connie Sue Powers, 17, a Caucasian who claims that she is the wife of Charles Earl Jones, who arrived here Monday for the purpose of arranging bond for Jones. This she managed to do and he posted bond and was released.

However, the sheriff had sent out a teletype inquiry to the woman and received word from Waco authorities to hold her on a charge of forgery pending a Waco warrant for her arrest. It was later learned that she is also wanted in Wichita Falls on a similar charge.

Her bond on the Waco charge is \$4,000 and her bond in Wichita Falls is \$5,000. She was still in custody Wednesday awaiting pickup by either of the above city authorities.

Deal and graduated from Brownfield High School. He graduated from Abilene Christian College in 1949 and was the Ideal Cement Company in Montana for seventeen years before going to the Children's Home in Portales.

He is married to the former Mary Lee Kennedy. Her parents lived near Bledsoe until 1954.

They have five children, Mrs. Linda Stueve of Abernathy, Olen of Reese Air Force Base, Mickey of Portales, N.M., Gordon, 18, who lives in Abernathy with his sister Mrs. Stueve and Kathy, 5.

COUNTY

FROM PAGE ONE

personal taxes, totaling \$11,320,000.

Just what this was equivalent to, in terms of the individual family, is indicated by the median cash income per household, which is the midpoint on the local income scale. It amounted to a net of \$5,375.

What did local families do with their bigger incomes? For one thing, they put less into savings and more into purchases of cars, refrigerators, air conditioners and other appliances.

As a result, local stores accounted for gross sales of \$9,643,000.

The survey gives each community a performance rating based upon the amount of retail business actually done as compared with its estimated full capacity.

This is done via a "buying power index," a weighted figure involving income, population and sales.

Cochran County is given an index rating of .0018, which is the percent of the nation's business it is believed capable of producing.

Because it accounted for more than that in the year, .0022 percent, it is concluded that a considerable amount of local buying is done by non-residents.

Enochs-Bula News

Mr. and Mrs. Junior Austin and sons, Cary, Greg and Jeff spent two weeks before school started in the northeast. The Highlights of their trip was the Pennsylvania Dutch County Niagara Falls and historic places in Washington D.C. and New York City.

The Baptist Women met Wednesday with Mrs. Sandra Austin in charge of the mission program titled, "Lebanon in the News." Those taking part in the program were Mmes. Dovie Dane, Ellen Bayless, Alberta Bryant, Rose Nichols, Essie Seagler, L.E. Nichols, Mrs. Etta Layton give the call to prayer and Mrs. Bryant offered the closing prayer.

Mr. and Mrs. Dennis Newton and baby from Rusk spent Labor Day weekend with his parents, the Bob Newtons at Enoch's and her parents Mr. and Mrs. Donald Grendendorf at Plainview.

Mr. and Mrs. Johnny Cox of Ft. Worth and Mrs. Faye Cox, also of Ft. Worth, arrived Friday night to visit her children, the Harold Laytons and the Junior Austins. Mrs. Blanche Cash of Muleshoe visited Alma Altman Friday night and picked up her sister, Faye Cox, and spent the weekend with her.

At the Joe Millsaps, J.D. Bayless and E.N. McCall farms received .6 inches of rain and some hail damage Saturday afternoon. All of the farmers are in need of a good rain.

Young people of the community leaving for college are Terry Sowder, Diane Crume, Anthony Pierce, Margaret Richardson, all will be junior students at West Texas State University, Canyon. Ann Harlan has entered South Plains as a freshman student, Jimmy Risinger, Tech, as a freshman, Jackie Withrow and Jodie Withrow will be attending Oklahoma Christian College at Okla. City. Jodie will be a junior student and Jackie a freshman student. Steve Sinclair will be a junior student at Shawnee, Okla., and Steve Mac Newton will be a freshman at South Plains College at Levelland. Jerry Nichols is a sophomore at W.T.S.U. at Canyon.

Mr. and Mrs. L.H. Medlin helped their son and wife, Mr. and Mrs. Dennis Medlin, of Brownfield move to Corsicana recently.

Mrs. Tom Bogard received word of the severe illness of her brother, Andy Rhodes, of Corpus Christi. Rhodes suffered a stroke and has been in the hospital there.

Mrs. Charles Powell and children, Bart, Carolyn, Ann and Amy of Brownwood spent a week recently with her parents Mr. and Mrs. Jim Clauch, and other relatives in the community.

Mrs. Glynn Sawyer and daughter, Shelly of Fell, Okla., and Mrs. Rocky Dewbre and baby son, Michael of Morton visited their parents Mr. and Mrs. J.H. Medlin last week.

Dinner guests in the home of the John Hubbard's last Sunday were Mr. and Mrs. Bill Day, Jim Hitt and Miss Gail Whitten, all of Lubbock. Bill and Jim are both students at Sunset School of preaching. Jim spoke at the morning service and Bill at the evening services at the Bula Church of Christ.

Visitors at the Enoch's Baptist Church Sunday were Mr. and Mrs. Johnny Cox of Fort Worth, Lawrence Hall, Lisa and Missy Hall of Calif. Chad and Brad Harrison of Lubbock, Brent and Marthan George of Lubbock, and Mr. and Mrs. Royce Lane and children of Midland.

Mrs. H.B. King visited her mother, Mrs. Clara Childers, of Dumas last week. She came back through Lubbock and picked up Chad and Brad Harrison and they spent the weekend with the Kings.

Mrs. J.D. Bayless was in Muleshoe on business Thursday morning and visited with a niece, Mrs. Myron Bayless from Richland, Washington and Roy Bayless. She also visited Mrs. Mary Hardin at the hospital and visited Mrs. Dicie Snitker and grandpa Snitker.

Mr. and Mrs. J.E. Layton and sons, Jarrol and Keith took a trip Thursday till Sunday sight seeing at San Antonio and Houston.

Mrs. L.E. Nichols and Mr. and Mrs. Dale Nichols and Paula drove to Shallowater Sunday afternoon and attended church at the Skyline Baptist Church to see Mrs. Nichols grandsons, Larry and Dewayne baptised. They visited her daughter, the L.B. Davis.

Mr. and Mrs. W.B. Peterson attended the Griffin reunion at Slaton Sunday. There was only one of his uncles, Charlie Griffin, 91, able to attend. Approximately 25 attended.

Mrs. Sarah Lemons of Portales, N.M. a former resident of our community died Sunday Aug. 26; she had been ill for some time, and was a patient in a Lubbock hospital at the time of her death.

Funeral services were Wednesday at 10:30 a.m. at the First Baptist Church in Portales.

Mr. and Mrs. Bruce Angel and daughters of Lubbock were guests in the home of his sister Mr. and Mrs. Junior Austin, Monday and other guests were his mother, Mr. and Mrs. Johnny Cox of Ft. Worth.

Dinner guests in the home of the Harold Layton's Sunday were relatives, Mr. and Mrs. W.T. Tavis and Mrs. Bob Cathy and Julie from Pep, Mr. and Mrs. Pug Hill from Portales, N.M. also Mrs. Layton's mother, Mr. and Mrs. Johnny Cox, from Ft. Worth and a sister Mr. and Mrs. Junior Austin and children of Enoch's.

Mrs. Blanche Cash of Muleshoe and her sister Mrs. Faye Cox of Ft. Worth stopped in for a short visit with the J.D. Bayless' and were dinner guests in the home of Mrs. Cash's daughter, the Dean Waltrips, Monday.

The Enoch's Baptist revival will be Sept. 9-16 Rev. Charles Vanlandingham of Raton, N.M. will be the evangelist and Sammie Nichols of Denver, Colo., will be in charge of the music. Everyone is

Hospital Notes

Patients admitted to Cochran Memorial Hospital August 29 through September 4 were: Lennie Doyle, Ethel Smart, Richard Bautista, Jimmy Cunningham, Alejandra Rodequez, Audry Scott, Raymond Pickard, Willie Holland, Cliff Nowell, Luis Rivas, Doris Joyce, Kenneth Sanders, Virgil Gibson, Ester Evans, Clifford Butler, Travis Kelly and David Fitts.

invited Charles and Sammie are both former members of the church. Services will be at 10 a.m. and 8 p.m.

Dinner guests in the home of Mr. and Mrs. G.R. New som Sunday were their son and children Mr. and Mrs. Bobbie Joe Newman, Lanette and Joe Bob and Mrs. Judy Lee and Baby, Cathy, all of Muleshoe.

Mr. and Mrs. Royce Lane and children of Midland spent the Labor Day weekend with her parents Mr. and Mrs. Ray Seagler.

Mr. and Mrs. W.M. Bryant attended the 5th annual Hodges reunion at the Lamb County Community Center in Littlefield Sunday. There were 30 in attendance from Plainview, Hale Center, Kermit, Dallas, Happy, Misquite, Little Rock, Ark., Whitney, Wilie, Spade, Quanah and Andrews, Mr. and Mrs. E.D. Hodges of Whitney spent Sunday night with his sister Mr. and Mrs. W.M. Bryant.

Rainbow trout being stocked in Texas lake

Approximately 13,000 rainbow trout were recently stocked in five Texas lakes by the Texas Parks and Wildlife Department.

The two largest stockings were in the Brazos River below Canyon Lake Reservoir. These two locations are trout apiece.

The fish were six to 7 1/2 inches long. Experimentally in three other locations they want to monitor the growth survival of the fish to see if the locations will support a future trout fishery.

The hatchery has approximately 10 inches long stocked in a Panhandle lake when completed.

Trout have been stocked for years in the Guadalupe and Brazos locations on a put-and-take basis. Limit is five brown or rainbow trout aggregate.

“Thou wilt show me the path of life, in thy presence is fulness of joy.” PSALM 16:11

HERE IS THE PATH

shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself. Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny. The truth which alone will set him free to live as a child of God.

Veal outlet with gravy, mashed potatoes, mixed vegetables, pineapple pie, rolls, milk.

Wednesday, September 12
Hamburger on bun, lettuce and tomatoes, green beans, canteloupe, relish, milk.

Thursday, September 13
Turkey Pot pie, pickle beets, buttered broccoli, baked apples, rolls, milk.

Friday, September 14
Oven fish with catsup, garden salad, June peas, lemon pudding, rolls, milk.

Senior Citizens

The Senior Citizens will meet at 3 p.m. today in the Cochran County Activity Building. A business meeting will be held followed by games.

Bidsoe News

Mrs. Larry Buchanan

Brown of Dallas visited his family during the Labor Day weekend. With him Sunday were Mr. and Mrs. Brown of Lovington, New Mexico and Mrs. Ivan Brown and Mrs. Donal Brown of Crossroads. Mr. and Mrs. Clyde Jordan and Mrs. Stewart Davis of Lubbock were also present.

Benny visited recently with his family the Jon Denny's in the area.

Perez, Jr., broke his arm during a school last week.

Edon McCormacks spent the Labor Day weekend at Mountainair, New Mexico with his cousin's family, the McCormack family and her parents Mr. and Mrs. Gassock at Melrose, New Mexico.

Silton and Jackie Scott met with Cochran County citizens Tuesday to help plan the County Fair to be held September 19, 20 and 21. Gandy will also assist with the fair.

Community Calendar
Bidsoe School Board meets September 6, at the school.

Baby Bees 4-H Club will have a meeting, Thursday, September 6, immediately after school at the Cochran County Extension Office. All members please an extra charge to be present!

Cotton market hits all-time high point

A strong demand, fluctuating prices, and short supplies were characteristic of Western Region cotton markets this week, according to the Agricultural Marketing Service, USDA.

Demand was good to excellent for most qualities of cotton being ginned in South Texas. Bidding on uncontracted cotton was brisk as many merchants attempted to cover previously made sales. Demand, particularly from foreign mills, continued to be good for cotton for forward delivery.

Merchants actively sought to contract 1973 and 1974 crop cotton at most locations. Supplies of available new-crop cotton and 1973-crop acreage were short. Many growers had previously committed all or part of their crop.

Contracting activities were brisk early in the week but slackened toward the last of the week when offering prices began to fluctuate.

Domestic inquiries were more numerous this week, mostly for cotton for prompt or nearby delivery. The South Texas harvest gained momentum late last week but was again delayed by varying amounts of rainfall this week. In some locations it was expected to be at least a week before harvesting could resume.

Elsewhere in the Region, crop progress was generally good. Some locations on the Texas Plains and in Oklahoma could use additional moisture for optimum production. Insect populations built up in some Central Texas locations

and control measures were being taken. Some growers in California's San Joaquin Valley were expected to begin defoliating in about two weeks.

In Arizona the bottom crop was open in some areas and plants were continuing to fruit heavily.

Prices quoted for selected qualities 3.5 to 4.9 mike, in the six Western Region spot markets are as follows:

Dallas, this week, 65.25, last week, 60.25; Middling Light Spotted (32); Staple 32.
Houston this week 75.00, last week 66.00; Strict Low Middling (41) staple 34.

Lubbock this week \$1.95 last week 46.95; Strict Low Middling Light Spotted (42) staple 32.

El Paso this week 87.60 last week 84.00; Middling (31) staple 37.
Fresno this week 87.60 last week 82.30; Staple 35.
Phoenix this week 82.30 last week 78.70; Middling (31) staple 34.

Bookmobile Schedule

The High Plains Bookmobile will be in your area on the following dates:
Tuesday, September 11—Morton, 9:30-11:45.
Wednesday, September 12—Circleback, 9:00-10:00; Bula No. 1, 10:30-11:30; Bula No. 2, 11:45-12:45.

Next big political campaign shaping up is for legislative pay raises and annual legislative sessions on the November 6 election ballot.

AUSTIN, Tex.—Next big political campaign shaping up is for legislative pay raises and annual legislative sessions on the November 6 election ballot.

Top four elected Texas officials launched the campaign with the cooperation of 35 citizens' organizations.

Gov. Dolph Briscoe, Atty. Gen. John Hill, Lt. Gov. Bill Hobby and House Speaker Price Daniel Jr. are united in support of Constitutional Amendment One.

The amendment would raise legislative pay from \$4,800 a year (plus expenses) to \$15,000 a year (plus \$18 a day during sessions).

It would also provide for regular legislative sessions of 180 days during odd-numbered years and of 60 days, annually for budgeting matters, during even-numbered years.

Austin attorney Will Davis was selected chairman of the organizational support group, with Phil Strickland of Dallas as vice chairman.

An executive committee headed by

Davis and Strickland will work with the 35 cooperating trade, civic and professional associations in the campaign. (Texas Press Association is among the organizations.)

"This is a must thing," said Attorney General Hill. "It is a necessity that we pay a very high calling."

"Annual sessions in this day and time are essential for an efficient, responsible, intelligent and accountable legislative branch to properly function," said Daniel.

The statewide support organization will coordinate fund-raising and publicity activities for the campaign.

Legislators have been paid \$4,800 a year since 1960.

Voters defeated proposals for pay raises in 1965, 1968, 1969 and 1972.

They also rejected annual sessions of the legislature in 1969.

COMMISSIONER RESIGNS—Byron Tunnell resigned his position as a member of the Texas Railroad Commission and was immediately replaced by Mack Wallace of Athens.

On September 15, Tunnell, 47, will become vice-president of Tenneco of Houston in the company's governmental affairs department.

Wallace, 45, a former district attorney, has been serving as executive director of Governor Briscoe's Criminal Justice Council and as legal advisor to the governor. Briscoe appointed him two days after Tunnell's resignation.

Tunnell was appointed to the powerful, three-member oil, gas and transportation regulatory agency by former Gov. John Connally in 1965, succeeding Ernest O. Thompson. He was re-elected to a six-year term in 1972.

VENDING RECORDS BLOCKED—Vending industry leaders blocked House

breakdown of regional figures compiled by Carbonated Beverages, an industry publication.

Nationally, the outlay for the 80 billion bottles and cans of soft drinks sold in the past year came to more than \$7.6 billion, about double the 1965 figure.

Cochran County's share of this total was approximately \$222,000, it is estimated.

Current Administration, through Secretary Earl Butz, is for all-out production of commodities in 1974 and is almost all planting restrictions...

receive a payment of two-thirds cents per pound on the payment yield (projected yield) from their allotment.

Also, should abnormal weather after planting reduce total production from the farm to less than 66-two-thirds percent of expected yield (payment yield times allotted acres), the producer will get the same payment rate per pound on the difference.

The producer's part of the risk is obvious. If the "target price" system will not provide total return equal to production costs, he is risking the amount of the deficiency on his allotted acreage. And if he overplants his allotment, he is risking the difference between the loan value of his crop and his cost of production.

"A somewhat similar situation exists for producers under the wheat and feed grains sections of the new law," Johnson says, "but so long as there is a clear understanding of the program, the producer has a good chance to make the right planting decisions."

"And in some instances farmers will have forward contract options on their crops, which will further aid the decision making process," he adds.

County drinking spree of 'soda pop' variety

Residents of Cochran County seem to have been on a drinking spree in the past year—for soda pop, that is.

They have been downing cola drinks, ginger ale, fruit-flavored beverages and mixers at a record rate, according to the latest industry figures for the regional area.

By the same token, their outlay for these thirst quenchers has reached significant proportions. As a result, the fizz biz has become big biz locally.

Local consumption of soft drinks in 1972 was at the rate of 478 eight-ounce bottles a

year for every man, woman and child in the area, it is estimated.

This was more than ever before. Two years ago, by way of comparison, local people were consuming about 465 bottles annually. The increase since then amounts to 13 bottles per person.

Elsewhere in the United States the average was close to 400 bottles per capita, which was 12 more than in 1970.

One explanation for the increase is that teen-agers, who are the biggest users, are more numerous than ever. They have been going for soda pop at the astounding rate of 550 bottles per year.

Another factor is the attractiveness to many people of the many low-calorie drinks that have become available. They have made a strong impact on the weight-conscious public.

Standard and Poor's, the financial advisory service, notes: "With more time for leisure and greater affluence, people are indulging their tastes for foods and beverages. These products are almost universally recognized as a symbol of the American modern-day culture."

The net result, in Cochran County, has been that soda pop consumption reached a total of 2,342,000 bottles in the past year, according to a
