## Undefeated Tribe rolls on

### Takes measure of Longhorns by 19-8 score

BY JOHN COFFMAN

Refusing to be owned by one of the best backfield aggregations on the South Plains, the Morton Indians picked up their second win in three games by defeating the Hart Longhorns 19-8 in their own corral Friday night.

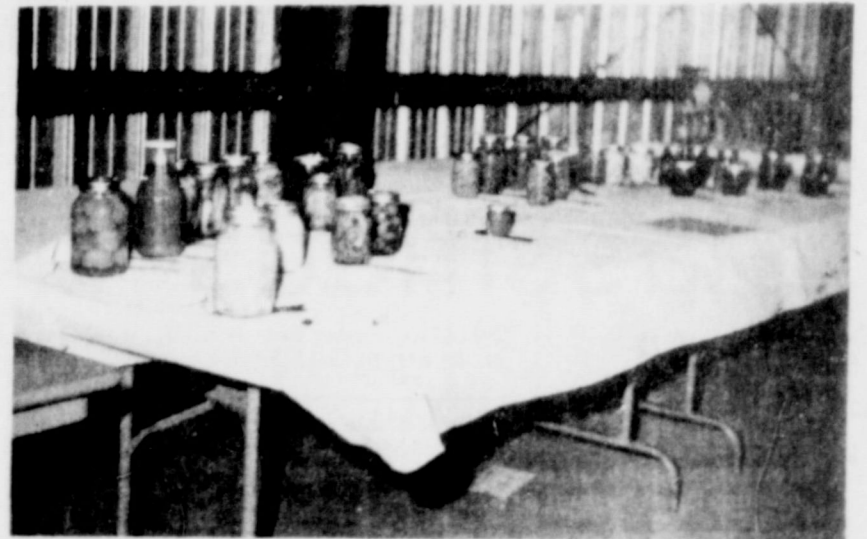

For the Indians the victory was particularly satisfying as they were exacting revenge for a loss to the Longhorns last year.

Containing the explosiveness of the Hart backfield did not prove too much of a problem for the Indians. They held the ace of that group, Jimmy Brown, to 132 yards rushing for the game, a total well below his average. The rest of the ballmoving corps for Hart were ineffective enough that the total rushing yardage completed by the Longhorns was just over 180 yards. Hart had no passing yardage.

Beating the Longhorns runners at their own game, Kenneth Standmire ran the ball for approximately 140 yards, having two runs of 59 and 55 yards that almost broke for touchdowns. Subbing in for an injured Larry Thompson, Ken played so well that he will be a contender for the spot on a regular basis. The fact that he is a Sophomore will provide the Indians with a good running back for two more years.

Both of the teams moved the ball well in the first quarter but neither scored. An interception of a Ralph Mason pass by Jimmy Brown brought the crowd to its feet when it appeared he was on his way to a touchdown of about 95 yards. He stepped out of bounds on the 50 yard line on his run which proved a real break for the Indians. Had the Longhorns scored then, it could have given them the momentum to carry them to a win.

Hart got on the scoreboard with 3:18 left in the half when Brown ran the ball over from the 5 yard line. He then carried over for a 2 point conversion, and although no one knew it at

IT WAS WELL PROVEN that the traditional skills of the rural homemaker have not faded into a thing of the past as many "modern" housewives displayed their wares at the Cochran County Fair here last week. The table above, laden with many entries in the canning contest, attest to this. The fair, which ran September 19, 20, and 21, was the first held here for many years. It was considered a modest success and will be sponsored as an annual event by the Morton Area Chamber of Commerce.

## Doss theft suspects arraignments Monday

Charles Earl Jones and Amos Simms, who were arrested along with a third man recently in connection with a theft of money from Doss Thriftway Supermarket, will be arraigned here Monday, according to county sheriff C.G. Richards.

Jones will be picked up by the sheriff and returned here from Waco for the arraignment, while Simms will be brought here by Lubbock authorities who are presently holding his bond. The two will be arraigned in 121st District Court before District Judge M.C. Ledbetter.

Sheriff Richards informed the Tribune that Jones had recently been sentenced at Waco to 10 years in prison for possession of a narcotic drug.

The third man charged in the theft, Virgil T. Gibson, escaped from Cochran Memorial Hospital, where he was undergoing treatment while in custody here and is presumed to be still at large, the sheriff said.

Police and sheriff's office activity was light this week, with only two incidents being reportable.

Three minors and two juveniles were arrested Sunday and lodged in the county jail on charges of minors in possession of alcohol. The three minors were Robert V. Armstrong, Ron Risinger and

John Sexton. The names of the two juveniles were not released.

## Sheriff-police duty re-shuffle makes progress

The recently inaugurated integration of the city and county law enforcement activities had made substantial progress by early this week.

All communication lines and equipment, with the exception of the burglar alarm system for one location had been installed in the sheriff's office and the dispatcher duties expanded to a 24 hour schedule by the target date of Monday, September 24.

Police coverage for the city during daytime hours had not been worked out between the two agencies at press time, with the city police continuing their normal daytime shifts.

The new system calls for all dispatching being done from the sheriff's office with the police maintaining only administrative activities in their city hall office. Three dispatchers, one furnished by the city and two by the county, will rotate in three eight hour shifts to give 24-hour coverage.

According to city officials, this system is now being operated on a trial basis, and indications are that if it increases efficiency and saves money for the two agencies, it will become permanent.

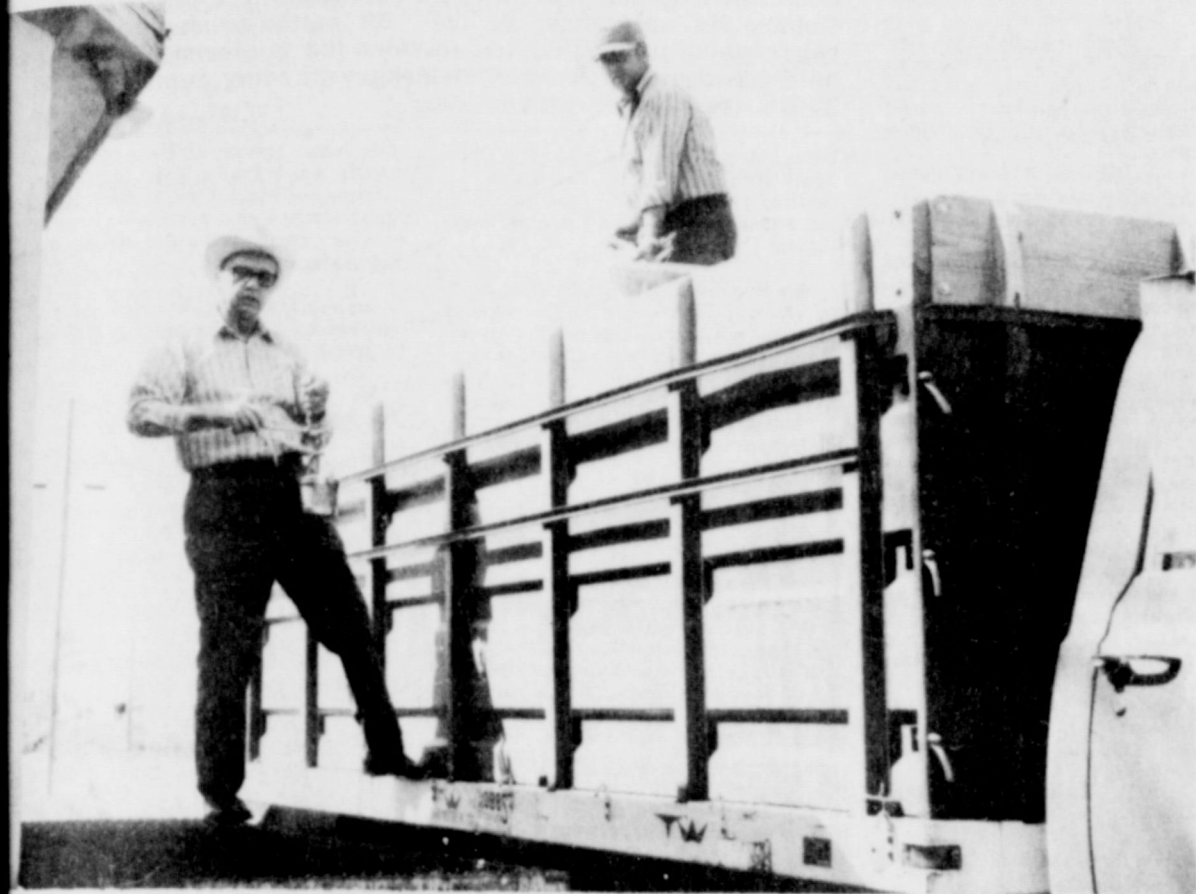

The new system for law enforcement was agreed to by the county commissioners court and the city council at a joint meeting two weeks ago.

## Tillage workshop

A workshop on minimum tillage, cotton defoliation, harvesting and field storage will be held in the county activities building beginning at 1 p.m. today.

Soil Conservation Service and Texas Agricultural Extension service personnel will conduct the workshop. Producers who have used minimum tillage will report on results.

All interested persons are invited to attend.

THE FIRST OF MANY such scenes that will replace this harvest season was caught by the camera's eye as Dalton Redman brought in Cochran county's first load of grain sorghum in 1973 and delivered it to the Beseda and Son elevator in Morton. The 21,000 lb. load contained 13.91 percent moisture and weighed 56 lbs. to the bushel. The DEKALB E-57A hybrid seed was planted May 8 and is a part of 100 acres of feed grain being raised by Redman

on his farm to the north of the county airport. Following Redman's first load, delivered at approximately 2:30 p.m. Thursday, the parade to the elevators began in earnest throughout the county, with the peak of the harvest expected within two to three weeks. Joe Beseda, shown left with his testing equipment with Redman on top of the load, indicated that the first load would bring a \$50 premium.

## Education level above average

How many Cochran County students are unable to earn an adequate income because of

insufficient education? How many lack the basic reading, writing and

arithmetic skills that are needed in better-paying jobs?

Most local people have no such problem. Their educational background has been relatively good and has been rising steadily. It has reached the point where the median amount of schooling being acquired is now 10.6 years, a gain over 1960, when the median was 10.2 years.

For those with little or no education, however, making a living is much more difficult.

The problem is national in scope but is more pronounced in some sections of the country than in others. According to the Department of Health, Education and Welfare, almost 19 million adult Americans are totally or functionally illiterate.

## Grocers to receive food stamp briefing

A meeting to discuss the Food Stamp Program to grocers and wholesalers in Cochran and Cochran Counties will be conducted by the U.S. Department of Agriculture on Friday, September 25. The program will open in these counties on November 1.

The meeting is set for 7:30 a.m. in the District Court County Courthouse, Morton, according to County Sattler, Officer-in-charge with Lubbock Field Office of USDA's Food and Nutrition Service.

The purpose of the meeting is to acquaint grocers and wholesalers with Food Stamp Program operations and responsibilities.

"Store owners and employees must understand Food Stamp Program operating procedures before a store can be certified," Sattler pointed out, "so it is most important that county grocers attend the briefing."

The Food Stamp Program is a cooperative effort involving the Department of Public Health and Welfare and USDA's Food and Nutrition Service.

Under this program, grocers certified as eligible by the welfare office can buy food coupons which are

used like cash at retail stores authorized by USDA to redeem the coupons.

In addition to the coupons they buy, needy families are given "bonus" coupons to enable them to obtain better diets. The value of the "bonus" coupons is determined by the size of the family, its income, resources and other factors. Cooperating banks redeem the coupons through the Federal Reserve System.

## Annual cotton contest slated

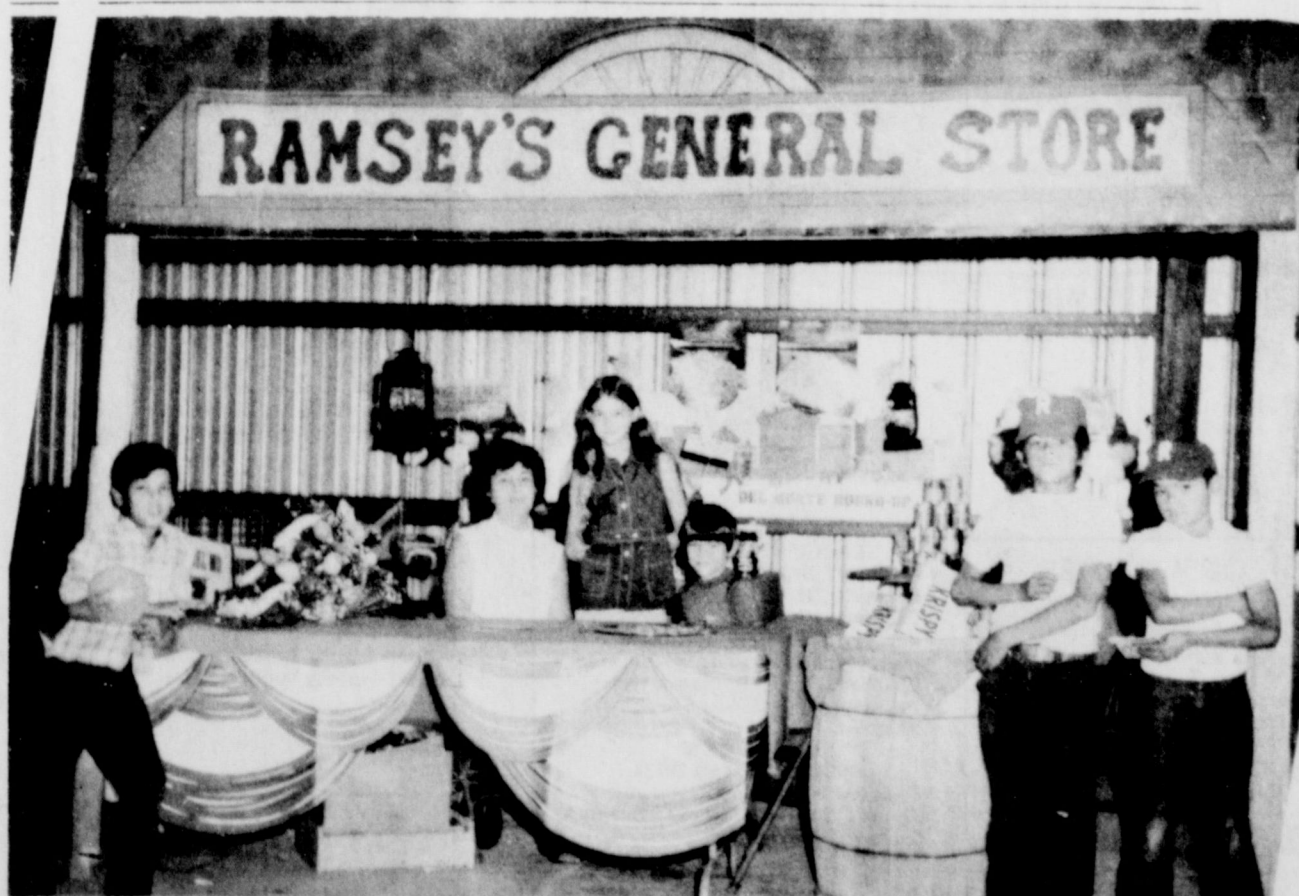

"Garden Party" will be the theme for the annual "Sew it with Cotton" contest Tuesday at 8 p.m. in the Cochran County Activity Building. Don Weaver, superintendent of Bledsoe schools, will narrate the program.

Twenty entries have been received, according to Mrs. Larry Buchanan, chairman and entries will be accepted until Saturday at noon.

The ten divisions listed include all ages. Cash prizes will be given for first, second and third place in each category.

Mrs. Glynn Price, president of the Last Frontier Cotton Council which sponsors the contest, states the only qualification for entries is that each garment be made of 100 percent cotton fabric. She also said judging will be made on fit and eye appeal.

Mrs. Kenneth Williams is in charge of decorations and Melody Crone and Beverly Bridges will present music for the evening.

THE RAMSEY FOOD BOOTH at the county fair was a revelation of how things were in yesteryears. The booth reflected a very high state of planning and preparation and was one of the most popular stops for people attending the fair. (The cracker barrel, filled to the top with slick-packaged Crispy Crackers, was a little

hard to integrate with that "old time feeling," however,) and the proprietress demurred when asked to express some old timey cracker barrel philosophy, on the premise that her words might come out "square" like her cracker boxes.

## Homecoming

Whitface High School will celebrate Homecoming Friday night. All ex-students and ex-teachers are invited to attend a coffee hour at the elementary school auditorium following the football game with the buddies.

## ABOUT LOCAL FOLKS

by Dutch Gipson

Mr. and Mrs. Boyd Willis have returned from Grover City, Calif. where they visited with his father, F.B. Willis, 93, a former resident of Morton. Mrs. Willis says he is in pretty good health and enjoying life.

Mr. and Mrs. D.L. McCutchan of Dallas visited this weekend with her sister and family, the W.J. Colliers.

Mr. and Mrs. Jack Gunnels spent Saturday night and Sunday in Midland with their children, Mr. and Mrs. Jimmy Gunnels.

### Former resident

### Engagement told

Mr. and Mrs. Floyd Herrero of Amarillo, N.M., former residents of Morton, have announced the engagement of their daughter, Marie, to Jon Warner, son of Mr. and Mrs. James Warner of Omaha, Nebraska.

The bride elect attended Morton High School and graduated from Carrizozo High School in 1973. She is a student at Amarillo Beauty College.

Warner is stationed at Holloman Air Force Base.

Miss Herrero is the granddaughter of Mr. and Mrs. Salvador Galles, Sr. of Morton.

Mrs. Russell Hudson and Mary Jo and Elzie Browne and Pat went to Childress for the weekend to see their new granddaughter, Sharon. Mrs. Browne was already in Childress with the Tommy Hudsons, taking care of Little Miss Sharon.

Judge and Mrs. M.C. Ledbetter left Tuesday to attend the State Judicial Conference meeting in Amarillo. Friday they plan to drive to Denver, Colo. to welcome their new grandson, Andrew Robinson Ledbetter, who was born Monday morning. His parents are Mr. and Mrs. Charles Ledbetter.

Mr. and Mrs. Luke Hargrove of Kerrville, former Morton residents, visited here this week.

Mr. and Mrs. Frank York of Truth or Consequences, N.M. were guests of his sister, Mrs. Hessie B. Spotts, over the weekend.

Mrs. Wendell Watson of Pampa visited with her mother, Mrs. W.L. Miller, Sunday.

Mr. and Mrs. John Wayne McDermott of Haskell visited with his parents, Mr. and Mrs. Charles McDermott, over the weekend.

Mr. and Mrs. Fred Morrison left for Chillicothe early Wednesday morning of last week in response to a call that her mother, Mrs. Ivy Phillips, was gravely ill. Saturday news reached friends that her mother, age 89, had died early that morning. Funeral services for Mrs. Phillips were held Sunday at 3 p.m. at the First Baptist Church in Chillicothe.

## L'Allegro president honored with dinner

Mrs. Tom Rowden, president of the L'Allegro Study Club, was honored with a dinner in the home of Mrs. Earl Outlaw Thursday night. Others honored were the 1973-74 officers.

Special guest was Miss Susan Rowden. Hostesses for the occasion were Mmes. George Mundhenke, C.E. Dolle, Van Greene and T.A. Rowland.

Following the dinner, Year Books were

presented by Mrs. Harold Drennan and a highlight of each program was given by Mrs. Tom Rice.

A short business meeting was held and the evening closed with a prayer by Mrs. J.C. Reynolds.

Others attending the dinner were: Mmes. H.B. Barker, Leonard Coleman, Al Mullinax, James McClure, M.A. Silvers, Bud Thomas, Jack Wallace, T.K. Williamson, and E.O. Willingham.

Grand Chapter. Lovely gifts were extended to them. Mrs. Willie Mae Byars, Assistant Matron and her assistant Patron Joe Gipson hosted the tea.

Phil Barker, student at Baylor University, visited with his parents, Mr. and Mrs. H.B. Barker, over the weekend.

Mr. and Mrs. Quinton Hill left Wednesday on a flight to Kansas City, Mo. to visit their son and family, Mr. and Mrs. Freddie Hill.

Members of Morton Chapter No. 841 attended a tea Sunday in the home of Mr. and Mrs. Joe Gipson. The tea honored

Worthy Matron Louise Newton and her husband, Bob Newton Worthy Patron, who will leave Sunday for Dallas to attend

## Whiteface News

The Lion's Club met Monday night September 17 in the Community Center. District Governor, Kip Cutshall of Littlefield addressed the group. Other guests at the meeting were Leon Burch of Littlefield, Don Hancock of Plainview, Harmon Bishop of Anton and one new member, Bill Schumacher. The next meeting will be held October 1.

### Coffee

The Emlea Smith Junior Study Club will host a "coffee and cake" get together Friday night in the school cafeteria to welcome all newcomers and teachers.

Mrs. Loy Kern is chairman. Anyone wishing more information may contact her or Mrs. Ray O'Brien, Mrs. Dwain Hester or Mrs. Ray Luper.

Everyone is invited to come and welcome the newcomers to Morton.

Services for Bill Ashby, former Whiteface businessman, were held in Dumas last week. He died following a brief illness and surgery.

Mr. and Mrs. Wallace Lumpkin have been visiting friends and relatives.

Nelda French is home from St. Mary's Hospital in Lubbock.

E.J. McKissack has been in Eastland on business for the County Commissioners.

Carlton Lambert, son-in-law of Lou Rork, was in an explosion at the Bluff Plant in Milnesand, N.M. He was taken to Cockran Memorial Hospital Wednesday night, September 19, following the explosion.

Senior students are selling mums for their Homecoming Friday night. Whiteface will play Lazbuddie at 8 p.m. with pre-game ceremonies and crowning of the Homecoming Queen at 7:30.

Mrs. Bobby Sanders and daughters Becky and Beverly from Carrollton visited recently with Mr. and Mrs. Charles Sanders and Gail.

Mr. and Mrs. Billy Wall and Monte of Hobbs, N.M. and Mr. and Mrs. Sanders were dinner guests in the home of Mr. and Mrs. Ray Luper in Morton last week.

the time, this was to be all for the Longhorns for the night. Morton got their touchdown with just 44 seconds left in the first half on a Ralph Mason pass to Mark Fluitt good for 6 yards. An attempted conversion for 2 points was no good and the half closed with the Longhorns in front by 8-6.

The third quarter was scoreless but Hart threatened once in getting down to Morton's 5 yard line before handing the ball on downs. Standmire broke for 55 yards in the first play to the Longhorn 40 and the Indians were on their way. They punched over on a pass covering 11 yards and went ahead 12-8 never to be headed again.

The pass from Mason to Coffman followed one that was identical except that it was incomplete. The try for 2 points was no good but the Indians were just getting warmed up.

Hart took the kickoff and managed one first down before trying to give the ball back via the punt route. Morton got the ball on their own 47 yard line and were on their way. With the aid of a pass interference call, they scored again with 1:13 left in the clock in the game.

Jerry Silhan took a hand-off from Mason and sailed into the end zone from the one yard line. Ralph Mason kicked the extra point to bring the score to 19-8 and that was the final game. It was the first regular season loss for Hart since the 1971 season.

For their fine play, Ken Standmire and Billy Joyce were named Offensive Player

of the Week and Defensive Player of the Week respectively. For Ken, this was his second time to be so designated so that he goes ahead in the race for that distinction for the year.

Tomorrow night the Indians will be playing at home against the Tigers of Frenship High School. The Indians have dropped this game for the last five years in a row so they will be doing their best to reverse the trend.

The Tigers are winless for the year, but according to Coach Roy Winters, "should have won 2 of the 3 they have dropped." They could be tough, Winters states.

Some of the top Tiger performers that will stand watching by Morton fans are James Rogans, a 226 pound guard, Chris Reichle, center, Jay Depanion, No. 44, HB, and Davey Booher, the quarterback, a very capable director of the Tiger offense. All of the starters are Seniors. Rogans is the last, largest, and in many ways the best of a long line of brothers at Frenship.

Probable starters for the Indians are Rex Coffman, LE, Larry Silhan, LT, Pete Soliz, LG, Johnny Rozell, C, Arnold Bautista, RG, David Palmer, RT, Randy Kuehler, RE, Ralph Mason, QB, Jerry Silhan, FB, Ken Standmire, TB, and Mark Fluitt, WB.

FOR PEOPLE WHO THINK

From the last article we learned that NO ONE can be a true lover of God unless THAT ONE "keeps" (obeys) God's commandments—Read John 14:15 and 1 John 5:2, 3. This is the word of God on this matter—it is TRUTH—it is an eternal FACT. (John 17:17). We shall either be saved by accepting this fact, or eternally lost if we reject it—John 12:48-50. One would have to be greater than God to change this fact. It is no wonder, then, that the wisest of men said "...Fear God, and keep his commandments: for this is the whole duty of man."—Ecclesiastes 12:13.

Now, of course no one would try to obey a single commandment of anyone or anything that they did not believe even existed. Now, sincere readers, would there be faith in the one true God if the Bible had never been upon the earth for man to read? THINK IT THROUGH—and the answer is NO! Neither would there be any that would trust in Jesus Christ His Son. There would be no consideration of God, Christ, or God's Holy Spirit on this earth today if the Bible had not been written and given to man. It is God's Testimony of Himself—His Son Jesus—and His Holy Spirit. It is no wonder, therefore, that "Faith cometh by hearing, and hearing by the word of God"—Romans 10:17.

Without faith "...it is impossible to please him: for he that cometh to God must believe that He is, and that He is a rewarder of them that diligently seek Him."—Hebrews 11:6. Jesus claimed to be the promised savior—redeemer—and then stated that "...for if ye believe not that I am He, ye shall die in your sins." John 8:24. If we believe that Bible these facts cannot be evaded or denied. One would of necessity have to be greater than God (what a terrible thought) to "edit" God's word and decide what portions are true and what portions are not truth. People who THINK realize and accept this fact—and, therefore, either believe ALL the Bible or reject it completely.

Before one can go further this decision MUST be made. To believe or not to believe God's word. This all-important fact must not be forgotten. It is involved in all study of God's word—the Bible. More next time.

Extension service offers high education grants

High school graduates desiring to further their education and who need financial assistance to do so may now apply for grants to fund part of this training.

Under a new federal program, the Basic Educational Opportunity Grants Program, interested students may apply for grants that will pay up to one-half of their educational costs, points out Dr. Warren Mauk, 4-H and youth specialist for the

Texas Agricultural Extension Service.

The Extension Service, through its county agents, has applications for the grants as well as additional information on the program. Applications are also available at post offices, high schools and state employment offices.

"The new program provides an excellent opportunity for students to enroll in colleges and universities as well as in vocational or technical schools," says Mauk. "However, the program in which the student enrolls must require a high school diploma and must be at least six months in duration.

"Students must be entering a post-secondary educational program for the first time after July 1, 1973 and on a full-time basis. And grants must be applied for annually. Applications for the 1973-74 school year may be submitted until next February."

According to the Texas A&M University System specialist, the amount of the grants are based on the cost of the program in which the student enrolls and the ability of the student or his family to pay for the training. The issuance of the grants will not be influenced by scholarships or other sources of funding available to the student.

The grants are designed to pay for tuition, student service fees, board and room, books and certain other expenses.

"This program provides a tremendous opportunity for high school students to obtain further education and training," says Mauk. "And, it's not a 'poverty' program. Individual situations will be considered in awarding the grants."

LEVEL FROM PAGE ONE

By functionally illiterate is meant those who do not read and write well enough to understand a help-wanted ad, to fill out a job application form or to apply for unemployment insurance.

In Cochran County, according to the latest figures from the Department of Commerce, there are 123 adults who have failed to complete at least one year of school.

Another 230 completed from one to four years and 301 from five to seven years.

The total who have not gone beyond that point is 654 in Cochran County.

The illiteracy problem is brought into focus at this time because of the announcement of "Right to Read" grants to various states by HEW's Office of Education. They are intended to help in the national effort aimed at eliminating illiteracy. Funds for the grants have been authorized under the Cooperative Research Act. Thus far, they have gone to 31 states.

The target for the aid is the 19 million adult Americans who are totally or functionally illiterate and another 7 million elementary and secondary school students who have severe reading difficulties.

Most adults read daily paper carefully

In a survey of 1,720 men and women, ages 18 and over, almost nine out of 10 adults who read one or more daily newspapers during a five-day span read them thoroughly, according to the Newspaper Advertising Bureau.

The bureau says the typical reader sets aside a certain time each day for reading the paper and becomes involved in clipping news items or advertisements. — CNS

Athletic booster club plans season activities

The Morton Athletics Booster Club held its weekly meeting on Tuesday night at the school cafeteria.

Prior to a business meeting, Coach Roy Winters showed films of the Indian game with Hart, then showed a film of the Frenship game with Lockney.

Frenship will be the opponents for the Indians on Friday night.

In commenting on the Tigers, Coach Winters said they would be a tough nut to crack since they have yet to win a game this year and have good talent.

Coach Winters then answered any questions his listeners put to him.

As a first item of business, the Boosters voted to retire the balance due on the weight machine bought jointly by the school and the club. The check for \$410 was presented to School Superintendent Bob Travis on Wednesday morning.

Club memberships and Booster

bumper stickers are continuing to be sold. Anyone in town can contact Cora Coffman at the First State Bank for a sticker. At the High School, contact Mrs. Freeland, and at the Elementary School, John Coffman.

These 1974 Model stickers are highly visible at night and carry the message that you are backing the Morton Indians. They are selling for \$4.00 each.

"Several of the members have them for sale, so buy several for your car, tractor, the side of your house, the seat of your pants; as you can see, the places for displaying your support of the Indians with these stickers is limitless," club president John Coffman states.

Plans for a salad supper preceding the Stanton game on the 5th of October were begun. Mrs. Bobby Smith is in charge of this function. This will be the Dad's Night game.

Briscoe praises reductions in insurance rates

Governor Dolph Briscoe praised State Insurance Board Chairman Joe Christie's statement concerning the first rate reductions under the new competitive automobile insurance law at a recent news conference in Austin.

Governor Briscoe said that he was "encouraged by the Board's role in promoting competition among companies who provide Texas with auto coverage." He also expressed faith in the ability of Christie and other members of the Board to do a good job for the consumers of Texas.

According to Christie, the filings he announced today will reduce some mot-

orists' insurance by nearly 20 percent of last year's rates since the Board has granted a 4.3 percent average rate reduction in August.

Christie remarked that the Board has encouraged qualified companies to submit requests for deviations and that further reductions are imminent. Christie said "the Board intends to act promptly to assure that these savings are passed onto Texas policyholders."

Christie also commented that "the Texas competitive system may become the model of other states who are working toward insurance reform."

## Taylor attends TFB cotton division meet

County Farm Bureau was held at a meeting of the Texas Cotton Division held at Lubbock on Thursday and Wednesday, Sept. 26 and 27.

Chairman of county Farm Cotton Divisions in 59 cotton-producing counties, the state division was recently to deal with problems in cotton production and marketing.

At the meeting, Farm Cotton Division was Willie Taylor.

Study was made at the conclusion of five "Areas of concern" for producers. They included forward planning, agricultural chemicals and equipment, cotton seed and its production items and their availability, production and marketing, and areas analyzed specific problems and priorities for action and action that can be taken by the divisions.

At the Tuesday afternoon session, TFB President J.T. Gibson, TFB Executive Director Newberry, Darrell Cobb of chairman of the State Cotton Administration, and Tommy Klemm, director of commodity activities spoke at a dinner Tuesday

attention to provisions in the program pertaining to cotton. "The success or failure of cotton farming in 1974 will, in a large way, be dependent upon a producer's ability to cooperate with farm program, the fact is that a program is in operation, and if the farmer produces cotton, he must be effective in this area."

Newberry led a discussion session and presented the concluding remarks.

## Breakfast opens club's new year

The 1936 Study Club opened the new year with a breakfast Saturday, September 22, honoring their president Mrs. Gerhorm Holloway.

Mrs. D.E. Benham was hostess for the occasion, assisted by Mrs. Joe Gipson, Mrs. M.C. Ledbetter, Mrs. Lessye Silvers, Mrs. James St. Clair, Sr., Mrs. John L. McGee, Mrs. Lloyd Miller and Mrs. John Crowder.

Year books were distributed and a vote of thanks was given to Mrs. James St. Clair, Jr., and Col. Joe B. Gipson for their assistance to the year book committee in preparing the books.

Members voted to send \$25 to Girls-Town for the Caprock District Project.

Others attending were: Mmes. Bill Sayers, W.W. Smith, W.C. Benham, Neal Rose, James Price, Glenn Thompson, B.H. Tucker, and one guest Mrs. Luke Hargrove.

## Lubbock Theater Center slates 'Molly Brown'

The Lubbock Theater Center is preparing for its season opener, the captivating musical "The Unsinkable Molly Brown." The music and lyrics are by Meredith Wilson and the play skims the high points of Molly Brown's life from very poor days in Hannibal, Missouri to the pinnacle of her renown after she survives the sinking of the Titanic.

Molly was married to J.J. Brown, who earned riches during the Colorado gold mining boom. She spent many years in an effort to be socially accepted, but was not a success until she rushed

home to Denver from Europe to help the wives and children of miners involved in a southern Colorado coal strike.

Production dates are September 27-30, 1973 and October 4-7. Tickets for this fun-filled musical will go on sale September 24, 1973 at the Lubbock Theater Center. Prices are \$3.50 each. The address of The Lubbock Theater Center is 2508 Ave. P., Lubbock, Texas or phone 744-3681.

The director of the theater, Mr. Roland Myers, assures an entertaining evening for all.

## Hayloft Theater features "Sugarfoot" Will Hutchins

Will Hutchins, who is probably better known as Sugarfoot originated the role of Jeremy Troy. He most recently completed a five month tour of the country with Rudy Bros. International Circus as Patches the Clown.

A native of Los Angeles he received a B.A. in Speech and Drama from Pomona College. His first professional job was NBC Matinee Theater. Then, under a five year contract with Warner Bros., he starred in "Sugarfoot" for 4 years. During that time he guested on

"Cheyenne," "77 Sunset Strip" "Maverick" and other Warner Bros. series.

He played Woody the Landlord on NBC's "Hey, Landlord" for a year and recently completed "Magnum Force" starring Clint Eastwood, a sequel to "Dirty Harry" which will be released soon. He plays the lead role in "The Terror at 37,000 Feet" on the CBS Movie of the Week this year and he will be seen soon in the second episode of "The New Perry Mason Show." The Case of the Deadly Deeds. His very impressive list of credits goes on, but seeing him live at the Hayloft Dinner Theater does him more justice.

The play "Here Lies Jeremy Troy" is an hilarious comedy about a young man who, by tampering with the registrar's records at school, manages to graduate Summa Cum Laude from law school without ever enrolling for a class. As always, one lie leads to another and Jeremy Troy's problems snowball as the play progresses. "Here Lies Jeremy Troy" has had numerous successful runs in theaters across the country, and has been greeted by audiences with roars of laughter. It can only be termed as a comedy farce.

Will Hutchins in "Here Lies Jeremy Troy" begins with preview nights, September 18, 19, 20. Call for reservations to this hilarious play now.

## Sewing club meeting held

The Busy Fingers Sewing Club began their new year with a meeting in the home of Mrs. Jack Baker Thursday, September 20.

Mrs. A.R. Lindsey led the opening prayer and Mrs. Riley Hill, out going president, presided over the business of electing new officers.

Officers elected were: Mrs. Nellie Fincher, president; Mrs. F.L. Fred, vice president; Mrs. Iva Willis, secretary-treasurer; and Mrs. Lola Mae Houghton, reporter.

Secret Pals names were drawn and three new members were added to the club rolls, Mrs. Charles Seaman, Mrs. Mildred Baker and Mrs. Houghton.

Refreshments were served to: Mmes. Fincher, Lindsey, W.L. Miller, Markham, Anna Peterson, W.E. Childs, Mildred Baker, Fanny Mae Huffine, Boyston, Hill, Seaman, Houghton and one guest, Mrs. Ratcliff of Lubbock.

The next meeting will be held in the home of Mrs. W.L. Miller.

## Area students enrolled at LCC

Rosa White of Morton, and Gladys Stroud and Wayne Mulanax, both of Maple, are enrolled at Lubbock Christian College as freshman students.

Miss White is the daughter of Mrs. Nell White and is a secretarial/science major. Miss Stroud, daughter of Mr. and Mrs. Ray Stroud, is a freshman Business Administration major and Mulanax, son of Mr. and Mrs. Travis Mulanax, is a liberal arts major.

Lubbock Christian College, a fully accredited senior college offering liberal

arts and pre-professional programs, has a student body of 1100.

Fourteen modern, permanent buildings and a half-dozen temporary structures now form the heart of the school's 120-acre main campus in west Lubbock. Soon, this 10-million dollar plant will be significantly enlarged by the addition of a half-million dollar Mabce Christian Development Center.

About two miles north of Lubbock, the Lubbock Christian College agriculture campus (two farm-ranches totaling 530 acres) provided extensive crop and animal studies, and unique research and demonstration facilities.
