## Indians skin 'um buffaloes

COUNTY JUDGE GLENN THOMPSON signs the proclamation that officially joins Cochran County to the rest of the nation in observance of National 4-H Week October 7-13. The county 4-H organization is very active and have won a large number of achievement awards at both local and national levels of participation. Witnessing the

signing, left to right, are Joan Whitehead, Morton 4-H Club president; Karen Clark, Morton 4-H Club; Wyn Crone, county and district council representative; Randy Coleman, Morton 4-H Club; Beverly Bridges, county 4-H council secretary and Rayma Hall, Morton 4-H Club.

## Dominate play on soggy turf

By John Coffman

The Morton Indians ended the first half of their football wars on a positive note by defeating the Stanton Buffaloes 13-6 last Friday night at Indian stadium.

In shaping the win, Morton bounced back strongly from their defeat a week ago at the hands of the Frenship Tigers. Their record for the first half of play stands at 3-1-1, one of their best starts in several years. The three victories tie the total wins of last year which were all achieved during the last half of the season.

Friday night's game saw a distinct change in the weather, one for the better as far as the Indians were concerned. Against Frenship, the weather was cool and the wind blustering; against Stanton, wet and cool with practically no wind at all. Rain had fallen much of the day of the game but the turf was in good shape and traction was surprisingly good for both teams.

The Indian win over the Buffaloes knotted the record again for the two teams at two wins each in four games. The two teams exchanged games in 1966 and 1967 with Stanton winning at Morton 12-20 and Morton taking the win at Stanton the following year by 28-26.

Last year the Buffaloes were victorious at home 14-0.

IF ONE IS GOOD, then three must be three times better, seems to be the philosophy of Mrs. Paul Lawlis when it comes to her canning. She is shown above with three first place blue ribbons she won at the Panhandle-South Plains Fair in Lubbock last week. Her blue ribbons were won for her corn relish, green lima beans and canned beets. Not only that but Mrs. Lawlis, who has been canning for well over 20 years, can brag that all three of the vegetables were raised by herself in her back yard truck garden. Though an experienced canner, she states that this was her first contest entry — but may not be her last, she added.

## City police receive increase in salary

A raise in salary of \$50 per month was approved Monday night by the Morton City Council for city patrolmen who are certified police officers. The salary for non-certified patrolmen was boosted \$25.

The starting salary of a certified patrolman was boosted from \$500 to \$500 with an additional raise to \$575 after 90 days. The uncertified patrolman will now start at

\$475 with an additional \$25 after 90 days satisfactory service.

The raises were made on a motion of Councilman Alton Lamb with a second by Councilman Tobe Hendon. The vote was unanimously in favor.

In other business, the council was briefed on the city employees insurance program by Mrs. Christ Bell of Morton Insurance Agency. She pointed out to the council the increased workman's compensation benefits and advised them that the premium for the program has been increased by \$560 per year.

The council accepted the resignation of Dr. Fenella Henry as city health officer.

## Local 4-H'ers observe 'Week'

Several years ago, the "generation gap" was feared around by adults and young people alike. Youths were accused of not wanting to communicate with their parents, while their elders were accused of not wanting to understand their youngsters.

Today, the "generation gap" has eased and both adults and youngsters can take some of the

credit. Now, young people and adults are working together to solve mutual problems.

This sort of cooperation is well demonstrated through 4-H, which currently is observing 1973 National 4-H Week, October 7-13, keynoted with the theme "4-H Gets It All Together."

Across the country, five and a half million boys and girls, ages 9 to 19, a half million volunteer adult leaders and thousands of Extension Service personnel are involved in 4-H. Working

together they are putting the 4-H Week theme into action, in many ways helping to make their communities better places in which to live.

The timeliness of their efforts is indicated by the current 4-H emphasis on helping educate communities on ways to economically operate vehicles and to conserve electricity during the current energy shortage.

Other 4-H groups are helping to ease the food shortage by supporting agricultural production and marketing efforts. Also, drug abuse programs, improving the environment, and community development planning are being given a high priority in 4-H programs.

Boys and girls, of different backgrounds, philosophies and lifestyles, working together with adults to solve common problems — that's the 4-H

## Veterans' Day set October 22

Veterans Day this year will honor more than 29 million Americans, the most in the nation's history, according to Jack Coker, Director of the Veterans Administration Regional Office at Waco. Texas' veteran population has risen to a record 1,430,000.

More than half of the 43.5 million who served from the American Revolution through Vietnam are alive today, the VA says. The oldest in this group are the less than 2,000 veterans of the Spanish-American War with an average age of 93. Veterans of World War II represent the largest group, about 14 million. The current Vietnam Era has produced 6.6 million veterans.

Once known as Armistice Day, the event commemorated the end of World War I on November 11, 1918. Following World War II, sentiment grew for the day to be a tribute to veterans of all wars. A Congressional resolution by Rep. Edwin K. Riss of Kansas was passed and signed into law in 1954.

That same year, President Eisenhower created the Veterans Day National Committee which coordinates the national ceremony and the observances within each state. "Peace with Honor" was chosen by the committee as the official Veterans Day theme

PROUDLY DISPLAYING THE FIRST BALE of cotton ginned in Cochran county this year are Arnold Lamb, left, the producer and Pete Pierce, manager of Morton Co-op Gin where the bale was turned out. The even 500 lb. bale of Rilecot-90 variety was ginned from 1,740 lbs. of seed cotton which produced 960 lbs. of seed. The bale emerged from the gin at approximately 11:00 a.m. Thursday, October 4. It was hand-pulled from 2 1/2 acres which was planted May 17 on Lamb's farm three miles south of Lehman. The premium which usually accompanies the first county bale had not been decided upon at press time.

## Highway, airport prospects bright

County judge Glenn W. Thompson was extended a very favorable reception as he traveled to Lubbock and Austin over the past week to a advocate two projects that could be of great importance to Cochran county.

On October 3 he traveled to Austin with a large delegation

from Lubbock to meet with the state highway commission on behalf of obtaining additional four lane highways for this area. The Lubbock delegation spoke for a project to build a continuous four lane highway from Dallas to Lubbock. Judge Thompson spoke to the commission on behalf of extending the highway west from Lubbock to intersect with Highway 70 in New Mexico.

Though no action was taken at the meeting, the commission gave a very favorable reaction and indicated that they would give the project every consideration.

The Cochran county airport improvement project — involving \$288,800 in federal, state and local funds — was given favorable comment at a South Plains Association of Governments (SPAG) board of directors meeting attended by Judge Thompson in Lubbock Monday.

The SPAG approval pretty well clears the way for the project, Thompson stated, and added that it should sail on through once acquisition of the needed land to extend the runway is completed, and this looks favorable at this time.

The total cost of \$288,800 includes \$43,800 for land acquisition; \$157,000 for runway construction; \$33,000 for taxiway construction; \$19,000 for apron construction and \$36,000 for lighting. The funding would be on the basis of 75 percent federal, 12 1/2 percent state and 12 1/2 percent local funds. Total cost to the county would be approximately \$68,000.

director from the Plains was named to Cotton Incorporated, two Plains representatives were nominated for membership in CI's Cotton Board, and three High Plains farmers were elected as producer delegates or alternates to the National Cotton Council.

Johnson was authorized to represent the 25-county High Plains Cotton producer organization at a meeting of the PCG Executive Committee September 27. Elected one of eight Texas directors to Cotton Incorporated was W.E. "Doc" Miller of Springlake. He joins three other Plains CI directors whose terms do not expire until 1975, including J.D. Smith of Littlefield, L.C. Unfred of Tahoka and Donnell Echols of Lamesa.

Nominated for Cotton Board membership, with the selection of one to be made by Secretary of Agriculture Earl Butz, were Don Anderson of Crosbyton and Lovd Cline of Lamesa. Currently on the Board from Texas, which has a total of five members, is Roy Davis of Lubbock, with Johnson serving as his alternate.

Re-elected as producer delegate and alternate, respectively, to the National Cotton Council at the meeting were Don Marble of South Plains and Joe D. Unfred of New Home. J.D. Smith, whose term expired this year, was elected an alternate producer delegate to Bob Skay of El Paso. Anderson, Echols and Bill Reed of Lamesa are also producer delegates to the Council, with terms expiring in 1975.

The danger of government interference with cotton exports, boll weevil control and crop contracting were the three major items discussed at a meeting in Dallas October 3 of the Texas Association of Cotton Producer Organizations (TACPO).

TACPO membership includes seven regional organizations, representing cotton producers on the High Plains, in the El Paso Valley, Blacklands, Rolling Plains, Pecos Valley, Lower Rio Grande Valley and South Texas areas.

Donald Johnson, Executive Vice President, Executive Vice President of Plains Cotton Growers, Inc. and TACPO Secretary, reported unanimous opposition to export controls within the State organization. The group appointed a committee "to continue monitoring the cotton supply situation as it relates to exports and to take actions as they become necessary to forestall government interference."

On the committee are Johnson, who was named chairman, Herman Probst, President of the Rolling Plains Cotton Growers, Stamford; Woodrow Hart, Executive Vice President of the South Texas Cotton and Grain Association, Victoria and Jerry Young, President of the Cotton and Grain Producers Association of the Lower Rio Grande Valley, Harlingen.

Commenting that the threat of export controls on cotton for the immediate future now appears less severe, Johnson cautioned that if current indications of demand materialize, the heavy pressure for restricting cotton sales abroad, coming from radical consumer advocates and textile mills, "may be yet to come."

With this in mind TACPO passed a resolution urging officials of the Producer Steering Committee of the

National Cotton Council to "give first priority" to its efforts to prevent restrictions on foreign sales. The resolution also commended Charles Bragg, NCC staff representative to the Producer Steering Committee, for his work on the controls issue to date and asked that he be given full support and encouragement from NCC.

On boll weevil control, each of the TACPO member organizations agreed to discuss with their respective Boards the possibility for establishing insect control districts and holding referendums which could lead to an eventual statewide effort, utilizing the techniques developed largely in the on-going High Plains Reproductive-Diapaus Program.

Cotton contracting, a relatively new marketing tool for Texas, "is an important part of the overall marketing picture and can become even more important," Johnson said. Therefore TACPO agreed to continue its work with other groups and organizations toward making forward sales contracts more effective and more acceptable to both parties.

Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., Lubbock, represented PCG at a Dallas meeting October 4 where a

**BUTTON-A-DAY**  
by ED MOORE

**Senior Citizens**

The Senior Citizens will meet at 2 p.m. in the County Activity Building. All senior citizens are invited to attend.

### Sewing Club meets in Miller home

The Busy Fingers Sewing Club met October 4 in the home of Mrs. W.L. Miller.

Mrs. Rolly Hill presided over the meeting in the absence of the president, Mrs. E.R. Fincher. Mrs. Effie Stracener opened the meeting with a prayer and the group sang "Smiles." Mrs. F.G. Kennedy read the scripture verse.

Mrs. Kennedy was elected vice president of the club and a flower committee was appointed, consisting of Mrs. Jack Baker, Mrs. E.L. Willis and Mrs. Kennedy. Mrs. J.E. Carter was added to the membership.

Others attending the meeting were: Mmes. W.E. Childs, Mildred Baker, Lola Mae Houghton, A.R. Lindsey, C.C. Banham, E.C. Neiman, and one guest, Mrs. Joe Gipson.

The next meeting will be held in the home of Mrs. Boydston in Lubbock.

### First Ladies reviewed at study club meeting

"Footprints of First Ladies" was the program given at the L'Allegro Study Club meeting Thursday, October 4, in the home of Mrs. James McClure.

The life of Martha Washington was given by Mrs. T.K. Williamson. She told the members that Martha was an illiterate who was taught to read and write by her husband, George.

Mrs. Harold Drennan reviewed Dollie Madison, a colorful woman who loved entertaining and did so frequently. Mrs. H.B. Barker spoke on Rachel Jackson, a divorcee who was not legally divorced at

the time of her marriage to Andrew Jackson.

Mrs. Barker opened the bi-monthly meeting with a prayer. Several items of business were discussed and members voted to join other clubs in the state in contributing to reducing the debt of the State Club Building in Austin.

Others attending were: Mmes. M.A. Silvers, Tom Rowden, Earl Outlaw, E.O. Willingham, Leonard Coleman, Emmett Thomas, Van Greene, Al Mullinax, T.A. Rowland, C.E. Dollie, George Mundhenke and L.B. Childs.

**WOULD YOU BELIEVE** Morton invaded by the Navy? Well, it was just a small and peaceful invasion. It occurred last weekend when two local seamen spent a liberty with their families. George M. Duarte, 19, left whose ship, the nuclear powered guided missile cruiser California, is presently stationed at Norfolk, Virginia, was visiting his parents in Three Way. George M. Tejo, 18, right, who recently completed basic training and is assigned to Great Lakes Training Station for training as an electronics technician, was visiting his parents, the George Tejo Sr. family in Morton. Tejo graduated from Morton High School in 1973 and joined the Navy on August 15. Duarte graduated from Three Way High School in 1972 and entered the Navy July 26, 1972.

### Choir Booster meeting held

The Morton High School Choir Boosters met Monday at 7:30 p.m. in the choir room of the school for an election of officers and to make plans for the new year.

Mrs. Bill Sayers was elected president of the organization and Mrs. Dexter Nebhut will serve as secretary-treasurer.

Following a discussion of choir needs, members voted to order pecans for the annual pecan sale and to meet the second Monday of each month during the school year. It was announced that sweaters had

been ordered for the senior choir members who were eligible to receive them.

J.B. Harris, choir director, listed some of the activities the choir will be involved in this year, including a Christmas concert and two contests.

Mrs. Sayers asked that members take orders for pecans, to be delivered within two weeks. Anyone wishing to place an order may contact any booster member or call the Morton Tribune 266-5576 or Mrs. Nebhut at 266-5926.

Coming into this year's game, the Buffaloes were undefeated until they played the Indians. Although they played well enough to win, mistakes and penalties kept the Indians from scoring several more touchdowns. The defense had a good game against the driving rushes of the Buffalo backs, especially those of Mark Eiland, the fine Buffalo back. Keying on Eiland, the Indians were able to drop him several times during the game. Morton won the toss of the coin and elected to receive to begin the game. The teams traded the ball back and forth until with 3:47 on the clock in the first quarter, Kenneth Standmire then set sail over the middle and scored on a running play. Ralph Mason kicked on the extra point and the Indians were out in front by 7-0. Stanton returned the favor in the second period. With 9:47 on the clock, the Buffalo fullback

crashed over from the one and the score was changed to 7-6, Morton still ahead. It remained that way when Stanton missed the try for extra point.

Going into the last minute of the half, the Indians got going again and scored on a beautiful pass to Randy Kuehler to bring the score to 13-6, Morton. The try for extra point was fumbled by the holder and that was the scoring for the night.

During the second half, the teams traded the ball back and forth but neither could mount a scoring drive.

Tomorrow night the Indians hit the road again to play Muleshoe. It will be Homecoming for the Mules and they will be going all out to avenge their loss of last year at the hands of the Indians. They had a perfect record of 5-0 when they played the Indians, treated their neighbor too lightly, and left with a 27-20 loss.

It was the first win of the year for the Indians and provided the incentive for the team to play well the remainder of the year.

The Mules have been an up and down team this year but this is their game to be up — and the Indians figure to have a tough game in prospect. David Wheat is just one of several fine performers for the Mules for Morton fans to keep an eye on. A good crowd of Morton fans will do much to help the Indians as they go on the warpath against the Mules.

Rated tops for their play in the Stanton game were Randy Kuehler on offense and David "Bird" Barrera on defense. In spite of his smaller size, Bird made at least two game-saving tackles.

In the race for the big marbles at year's end, Randy Kuehler joins Pete Soliz in winning both offensive and defensive honors. Kenneth Standmire is still out in front in the offensive category with two citations.

**POLICE**

**FROM PAGE ONE**

No replacement for the position had been located by press time Wednesday.

The council authorized city police chief Chester Miller to hire one additional patrolman, which would bring the police force up to three officers. Miller stated to the Tribune Wednesday that he had hired Bobby Ray Turner, 23, of Lubbock as an uncertified policeman. He is to begin his duties Monday, October 15. Turner is the younger brother of Dan Turner, who recently joined the Morton police force as a fully certified officer.

Approval of the payment of bills for the month of September in the amount of \$9,861 completed the council's agenda.

Lithuanian parents newly arrived in this country. Overcoming the discovery that he was color blind, he studied at the Art Students League, and at the New School for Social Research with the noted painter, Anthony Toney. He received his Fine Arts Degree at the Catan-Rose Institute of New York City, where he also studied with Albert T. Reid, famed Chronicler of the Old West.

He recently relocated in the Southwest area from New York City, where, for 18 years he worked as a commercial artist in his own firm, doing promotional advertising for leading fashion houses. During

a painting trip through Europe, he finally decided that he must make art his full time vocation, and his move to Amarillo culminated that life-long desire.

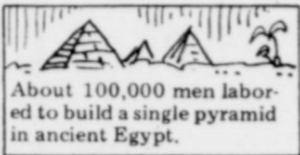

He has exhibited in numerous group shows, as well as one-man shows, and he is a member of the Texas and New Mexico Fine Arts Associations, Equity Artists, and the Salmagundi Club. He has been a top prize winner in several exhibitions in the New York area, and is now showing many prize-winning works depicting the Southwest. In addition to his painting, Konis conducts classes at his studio and also conducts a Summer Workshop in Taos, New Mexico.

**Thoughts**

**From The Living Bible**

"For nations will proclaim war against each other, and there will be earthquakes in many lands, and famines. These herald only the early stages of the anguish ahead. But when these things begin to happen, watch out! For you will be in great danger. You will be dragged before the courts, and beaten in the synagogues, and accused of being my followers. This is your opportunity to tell them the Good News. And the Good News must first be made known in every nation before the end-time finally comes.

Mark 13:8-10  
*Historical Heritage of America*

and city youngsters have an opportunity to interact, communicate and share ideas.

**FOR PEOPLE WHO THINK**

Jesus uttered a challenge over nineteen hundred years ago that man cannot meet in any way, and that way is to submit to the absoluteness of the challenge. In Luke 6:46 Jesus made the challenge that no man has been, or ever will be, able to answer. Here it says "And why call ye Me, Lord, Lord, and do not the things which I say?" Any sincere, thinking person readily knows that there is NO reason in calling Christ his Lord—except the gain—no favor from Christ extended—no reward from God either in this world or the world to come—unless we are DOING the will of the Lord as revealed in the only sources of that will available to us—the New Testament. There is not a "good" work—a work approved of God—that is not authorized in the Bible applicable as under the gospel of Christ. Paul said that the Scriptures furnish ALL "good works"—read 2 Timothy 3:16, 17. Be sure to read this and then realize that all sincere, thinking, people depend wholly upon what God has said in His word, the Bible, as the changeable law of God for acceptable faith and practice—and NO ONE can please God without this faith—read Hebrews 11:6. Who can find an appeal from these facts? Jesus said "I tell you, Nay: but, except ye repent, ye shall all likewise perish."—Matthew 18:3. But what is repentance? Look only to the world of God for the answer. Read Matthew 21:28-29. Now—what happened? Merely that the son first had a mind NOT to repent—the record says, "but afterward he repented, and went." He at first had said, "I will not" (go). Something happened between his saying "I will not" and his going. Clearly—a child can tell—he "repented." He had a change of mind, a change of heart, a turning about (around). This then IS the meaning of "repentance." This meaning agrees with the definition of the original word where this word occurs—the Greek word "metamelomia."

None, therefore, can intelligently call Christ, Lord, who does not have a sincere change of mind and will, and behavior. This, then, represents a definite commitment, whereby truly believes in Jesus, therefore, to the DOING of whatever commandment authorized by Jesus Christ. Without this one's faith is not real—it is worthless.

"Thou wilt shew me the path of life, in thy presence is fulness of joy..."  
PSALM 16:11

# HERE IS THE PATH

Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself.  
Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose... and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## Bledsoe 4-H Club

by Marilyn Buchanan

4-H is a voluntary, educational program designed to meet the needs and interest of young people and to assist them in becoming responsible citizens.

The 4-H members accept a challenge each time they repeat their 4-H pledge: "I pledge my head to clearer thinking, my heart to greater loyalty, my hands to larger service, and my health to better living for my club, my community, my country, and my world."

4-H'ers learn to think, make decisions,

**BLED SOE 4-H members display the Towel Calendars they sold as a money making project. Shown are Rene Gober, Velinda Davis, Angie Perez, Nancy Griffiths, Patti Hall, Tommy Perez and Eulogio Guerrero.**

and gain new and valuable knowledge and understanding by conducting business meetings and choosing and carrying through projects.

Members of the Bledsoe 4-H Club have expressed interests in a variety of projects. Project groups presently active are Dog Care and Training, with Linda McCormach as adult leader and Child Care with Carol Gleen as leader. Projects scheduled to begin soon are: Egg to Chick (embryology) with Mike Sutton leader; Crochet, Barbara Bilbrey leader; Fishing, Ernest Trull leader; and Photography, Jennie B. Donny leader. The foods project will be conducted next spring and the clothing and Dress Revue projects next summer. Also a B-B gun project is in the planning stage as it is a carving project.

The club project, community improvement, will begin with the painting of "Welcome to Bledsoe" signs. To finance this and other activities the club is now selling 1974 towel calendars.

Club meetings consist of the 4-H pledge and song, the pledge to the American flag, patriotic songs, decision making business sessions, progress reports, refreshments, songs and games. Parents and project leaders are invited to attend our next meeting and all future meetings.

### FIRST TRAIN

A locomotive in England hauled the first passenger train on Sept. 27, 1825.

## Mrs. Barker challenges citizens to be active

Mrs. H.B. Barker was the guest speaker at the 1936 Study Club meeting October 3 in the home of Mrs. J.B. Nicewarner.

Speaking of the challenge facing all citizens today, Mrs. Barker reviewed the changes in our country, its size, make up and occupation. She stated that the population not only has exploded but the implosion of the masses gathering more closely in a few places. "Because of this, the role of government has been enhanced and the position of labor changed from that of production to service." Continuing, she urged that everyone stay active, informed and alert, not content to be "Spectocrats" lest our nation be the first to be undermined by what we did not do.

Mrs. W.C. Benham led the members in the Salute to the Flag and Mrs. Gehrome Holloway presided over a short business meeting. Members were reminded of the joint meeting of all area clubs Sunday, October 21, at 3 p.m. in the County Activity Building.

Others present were: Mmes. John Crowder, W.W. Smith, Iva Williams, Gage Knox, Maurice Lewallen, D.E. Benham, James Price, Joe Gipson, James St. Clair, B.K. Savers, John L. McGee, M.C. Ledbetter, Neal Rose and

one guest, Mrs. H.M. Savers from Seattle, Washington.

## Mrs. Nowell hosts club

The Y.M. Club met Thursday, October 4, in the home of Mrs. Claude Nowell.

Mrs. Eugene Vanstory presented the program on music. She told how Richard Rogers and Oscar Hammerstein II had helped the American musical to become what it is today. Mrs. Roger Posey sang "Edelweiss" and "Do-Re-Mi" both selections from "The Sound of Music."

The club collect was led by Mrs. Robbie Key and Mrs. James Bell presided over the business meeting. Members voted to take the Boy's Ranch at Pettit as one of the projects for the year. Money and gifts are to be sent to them regularly.

Other members present were: Mmes. Jerry Winder, Dalton Redman, Max Clark, Ralph Ware, Weldon Wynn, Douglas Betts, Dexter Nebbut, Truman Murdock, Donald Masten, John Hall and Robert Yeary.
