FROM THIS GROUP will come the Royalty who will reign over the MHS 1973 Homecoming and will hold titles of Band Sweetheart, Pep Squad Queen and Football Queen for the coming year. Candidates for Homecoming Queen, top row, Anna Patton, Mary Marina, Marie Wilcox, and

Donna Coleman. The first three named are also Football Queen candidates. Middle row, Pep Squad candidates Donna Sanders and Jeanie Coker. Front row, Band Queen candidates Judy Steed, Vicki Hall and Susan Rowden. Pep Squad Queen candidate Teresa Arteaga is not shown.

In amendment vote Tuesday

In one of the lightest voting turnouts in recent history Cochran county balloters turned down five of the nine proposed constitutional amendments and approved four. Only 197 voters--or approximately seven percent of the 2,411 registered voters, bothered to go by the polls and cast their ballots.

Countians, possibly with the recent Texas political scandals and the Watergate mess in the back of their minds, defeated Amendment 1 by a vote of 83 for and 113 against. This was the proposal that had received far and away the most attention leading up to the election. It dealt with raising state Legislators salaries from \$4,800 per year to \$15,000 raise their per diem allowances and require yearly sessions of the Legislature.

The amendment receiving the strongest approval was No. 2 dealing with homestead protection for single persons. It received 146 votes for and 46 against and was followed closely by proposal No. 3, which dealt with allowing the same homestead tax exemptions for single persons as for married couples.

GOLDSTAR WINNERS. The 1973 Cochran County 4-H Gold Star award winners, Wyn Crone and Steve Polvado, are shown following the annual 4-H achievement banquet Monday night where their awards were announced. The award, highest that can be conferred at the county level, is in recognition of the most outstanding achievements in 4-H work during the year. Wyn is the daughter of Mr. and Mrs. Murry Crone and Steve is the son of Mr. and Mrs. Bob Polvado.

4-H'ers receive awards

Top 4-H boys and girls of Cochran County were honored at the annual 4-H Achievement

Banquet Monday, November 5, 1973 at the Morton School Cafeteria. Approximately 225 guests, parents, and members were in attendance.

Judge Glenn Thompson presented Wyn Crone, daughter of Mr. and Mrs. Murry Crone, and Randy Coleman, son of Mr. and Mrs. Ronald Coleman, as the 1973 Cochran County 4-H Gold Star winners, this being the highest county 4-H award provided by the Texas Agricultural Extension Service.

Sixty-five 4-H girls and boys received various project award pins during the recognition ceremonies along with 190 4-H year pins and 57 adult leader awards. Awards were given by adult leaders, and the county extension agents, Gail O'Neal and Roy McClung.

Indians feel Wildcat claws

Playing one of their poorest games of the year on defense, the Morton Indians dropped last Friday night's game with Littlefield by a horrendous score of 0-41.

For the Wildcats, it was a case of everything being right the entire evening; for the Indians, nothing was right. Probably no other football team has tried harder or accomplished less than did the Indians.

Taking advantage of every break, the Wildcats scored with surprising ease against the top defense of the district. It was one of those games where almost every break went the other way. In

73 Homecoming begins today

The Morton High School 1973 Homecoming celebration will get underway here Thursday with the coronation of the Football Queen, Pep

Squad Queen and Band Sweetheart which will take place in the gymnasium beginning at 7 p.m. Immediately following the

coronations, there will be a snake dance by the students, ex-students and all who wish to join in from the gym to the location of the giant homecoming bonfire. A pep rally will take place around the bonfire.

Friday is to be the main activity day for the homecoming observance, beginning with a pep rally in the gym at 3:15 p.m.

Other planned activities include a salad supper to be served by the Athletic Booster Club members in the schools cafeteria beginning at 5:30 p.m.

The annual homecoming football game this year against the Dimmitt Bobcats, will kick

Career education orientation given

Morton is one of five area schools asked to pilot a program in career education this year. Superintendent Bob Travis made the announcement recently and said that career education will be taught in kindergarten through fifth grade this year in Morton Elementary School.

four other schools in this 20-county region were selected by Region XVII's Education Service Center in Lubbock to pilot an already developed and tested program. The five programs are designed for developing a variety of new approaches to career education in all grades from kindergarten through twelfth grade.

"The Morton program is for grades K-5, and all teachers who provide some service to students in those grades should be involved in the career oriented project," commented Travis.

This arrangement, he said, will include approximately 38 classroom teachers of subject areas, music, art, and migrant teachers.

Salad supper fund drive begins Monday

Members of the Emlea with Junior Study Club have joined the fight against multiple sclerosis, it was announced by Mrs. Sandy Wallace, campaign chairman of the club.

Volunteers plan to canvass the business and residential areas Monday, November 12.

Multiple sclerosis, a generally progressive, debilitating disease of the brain and spinal cord, destroys the protective coating around nerve fibers. Messages controlling several or all daily functions such as seeing, speaking, walking and balance may be distorted, sometimes even blocked. MS can bring total disability, though this is not always the case. Relief from symptoms, remission, can be of short duration or has been known to last for years. Cause, cure and prevention remain unknown. Estimated 500,000

Salad supper

The Morton Athletic Booster Club will host a salad supper beginning at 5:30 p.m. Friday just prior to the Morton-Dimmitt football game.

Mothers making salads should have them at the school cafeteria by 5 p.m. or as soon thereafter as possible.

All proceeds will go to the benefit of Morton athletics.

Last time's salads were delicious! Don't miss it this Friday!!

A LEARNING SESSION is shown at Morton Elementary School Monday as two Kansas State University educators began a two-day orientation for Morton teachers on career education for elementary students to be taught here this year. Morton was one of five schools selected to pilot the program, under

sponsorship and supervision of the education Service Center in Lubbock. Dr. Robert Meisner and Mr. Gary Jarmer, both of KSU, conducted the orientation, with an assist by Travis Brown of the service center who will continue to work with the Morton school on the program.

Cotton group sets election

Cochran County cotton producers and agribusinessmen will elect a Businessman Director to Plains Cotton Growers, Inc. at a 12 noon meeting on Wednesday, November 14 at the County Activities Building, Morton. The election will be held at the Lions Club meeting on that day, and the Lions have invited all Cochran County farmers and agribusinessmen to attend.

Announcement of the election comes from Lloyd C. Miller, of Morton, Cochran County Producer Director to the 25-county commodity organization, and G. C. Sanders, also of Morton, current Businessman Director. Each of the counties in PCG territory has two directors, one a businessman, usually a cotton grower as well, and the other a cotton producer. They serve two-year terms, with businessmen elected on odd years and producers on even years. Each is eligible for re-election every second year.

Miller and Sanders said all interested parties are urged to attend, and that both farmers and businessmen are eligible to vote in the election.

In addition to the election, See GROUP Page 5

Bledsoe News

The 1973 Homecoming festivities began at 6:30 tonight with a spirit-raising bonfire behind the school. At that time Bledsoe's first Flame Queen and King will be crowned.

The Homecoming parade is scheduled to start rolling at 4:00 p.m. Saturday, November 10. The parade theme is TV shows. A new feature of this year's parade will be a prize for the best decorated bicycle.

The Senior class is cooking up a ham supper which will be served from 5:00 to 6:30. Adults can enjoy this delicious meal for \$1.75 and students for 75 cents.

According to Ex-Student Association President, Mike Sutton, ex-students are to meet at the school at 6:30 p.m. At 7:00 the 1973 Homecoming Queen and Princess will be crowned. Following the coronation special guests will be recognized. All graduating classes ending in the digit 2 (1932, '42, '52, '62 and '72) will be honored. Also at this time, the parade winners will be announced and the Booster Club drawing for the fully colt will be held.

Topping off the day will be two basketball games between Bledsoe and Spade. Game admission is \$1.00 for adults and 50 cents for students.

Several members of the Bledsoe 4-H Club received awards at the County 4-H Banquet Monday night. Velinda Davis and

Nancy Griffiths received Bread Award. Leesa and Karen Bibrey and Stacy... Entomology award of Dog Care award. Perez and Evlogio Guerrero. Mrs. Bibrey also received a Foods and Nutrition award, while Nancy Griffiths received a Child Care award.

Mr. and Mrs. Joe Sutton and Cynthia Mrs. Filmore Bibrey and Ricky Karen and Leesa, Mrs. Larry Buchanan Rene' and Frome Goben, Amy and Tommy Perez, and Velinda Davis attended the 4-H Banquet.

About 18 percent of the Precinct registered voters, participated in an election last Tuesday.

Basketball
November 2 the Bledsoe 4-H basketball team lost to McAdoo 40-25. Gayla Trull was high top player for Bledsoe. In their fight with June Bledsoe, in their fight with June Bledsoe, Gloria Davis, Shirley Shelton, and Tamie Young fouled out of the game leaving only four Bledsoe girls on court.

The Bledsoe boys won out over McAdoo 42-34. Terry Rawls scored 22 points and was the only Antelope in double figures according to coach Jim Glenn, the boys played a good defensive game and this was the best game the team has played all season. The game film will be shown at the Booster Club meeting tonight at 7:30 in the school cafeteria.

The Antelopes journeyed to Spade Saturday night and Bledsoe girls defeated 82-35. In the boys' game Gay Young and Terry Rawls scored 25 points each, but the Antelopes lost to an outstanding Spade team. The final score was 93-78.

The Junior High teams saw action Monday against Papp and were victorious with a final score of 22-16 in the game. Terri Adams scored 14 points, David Perez, while Pep scored 10 points.

HERE'S TO YOUR HEALTH

Just as in the raising of a beautiful race horse or show dog—we humans must have a well-balanced diet to assure strong bones, muscle and teeth, glossy hair, energy and endurance. You cannot expect radiant beauty and health on a diet of potato chips, candy bars, and soda pop or coffee. There are 40 essential nutrients that the human body needs to build and maintain the complex chemistry of our body. It requires milk (skim perhaps), fresh fruit and vegetables of many varieties, whole cereals, lean meat and nuts. Every mother should study a good book on nutrition and balanced diets there is no better health suggestion.

evaluating the loss, Coach Roy Winters said each individual player was playing an individual game with his particular opponent rather than uniting in a team effort. When a team loses, its supporters tend to blame the officials of the game for any and all calls that might have gone against them. There were these in the Littlefield game but they did not decide the outcome of the game. Some drives were stalled by penalties, some of Littlefield's efforts were a boost by penalties, but most of the calls were as they would have been. Had Morton won the game most of this type of criticism would have been forgotten. After all alibis have been made, after all the criticizing has been done, it has to be fairly admitted that the Wildcats played a fine game and nothing should be taken away from them for that. It's what the Indians wanted to do. Almost from the opening

kick-off it was quickly apparent that the Wildcats were fired up and really ready for the game. They played a united game, the Indians played a lot of little games. Morton had a few bright spots in its effort against the Littlefield team but the best of these would have to include the punting of Mark Fluitt, the running of Larry Thompson, and the never-say-die spirit of the entire team. When the final gun sounded, the Indians were still trying to get things started and trying as hard as at the start of the game. From a Morton viewpoint, one of the fairest criticisms had to be directed against the Littlefield coach. Leading by 28 points at the half and by 41 points toward the end of the game, he kept his top players in the game to the end trying to run up the score as much as possible. That old dog won't hunt! The Indians will be remembering this attitude when they host the Wildcats next year at home. Taking the opening kick-off, Morton was unable to move the ball and punted to the Wildcats. A lapse by the defense allowed

Randy Cook, the fine Wildcat fullback to break away for a long run which set up the first score for Littlefield. Taking the ball again, Morton drove to their opponent's 25 yard line before giving up the ball on a fumble. Littlefield then scored again after a long run by another of the Wildcat backs had set them up in fine field position. Morton gave up the ball three times in the first half, once on a fumble and twice on interceptions, and these were taken advantage of for scores by an alert Wildcat offense. In the second half the Wildcats were held to just two touchdowns but the Indians could never mount a scoring drive to get back into the game. About the only times they were close to the Wildcat goal line was after a booming punt from the toe of Mark Fluitt. Randy Cook kicked five of six points after Wildcat touchdowns, missing only on his last try. What's done is done. Now the Indians are pointing toward the Dimmitt Bobcats, meeting them tomorrow night here at Indian Stadium. It will be Homecoming for the Morton Exes and the Indians will be doing their best to put another mark in the victory column with this game. Dimmitt has a fine team with their top performer being Robert Mayberry, a big back along the lines of Jimmy Brown of Hart. By gaining more yardage than any other player in the game, Larry Thompson was named Offensive Player of the Week. For his slashing defense, Pete Soliz was named Defensive Player of the Week. This ties Larry with David Palmer and Kenneth Standmire at two times to be named to the offensive list. Jerry Silhan and Pete are now tied at two times each on the defensive list.

be on hand "to answer any questions concerning the organization's activities and objectives." He added "Directors to PCG are the men who determine the organization's policies and actions on legislation, research, promotion, finances and other matters so vital to the cotton economy of Cochran County, and all cotton people should make every effort to be on hand for this election."

CAREER

FROM PAGE ONE

local levels, career education is an approach to learning with expanded options for young people, its main purpose is to prepare young people for a productive and rewarding life. It helps them in their search for values in a work-oriented society and in integrating those values into their own life in such a way that work becomes meaningful and satisfying. The other four schools to pilot a program each are Denver City, grades 7-8-9; Lorenzo, Meadow and Plainview, grades K-12. Programs that are adaptable or successful in Region XVII will be tested next year in 20 or more schools, and after next year one of the career oriented education programs will be available to all 66 school districts in Region XVII. Initial orientation activities for Morton were held November 5-6. Dr. Bob Meisner and Gary Jarmer of Kansas State University spent those two days here. Morton's career education committee is made up of Harold Drennan, elementary principal; Dorothy Rose, curriculum Coordinator; Lanave Freeland, counselor, and Superintendent Travis. Travis Brown will be the Education Service Center contact person for the project.

Three Way News

By Mrs. H.W. Garvin

Mrs. Rayford Masten has been in Lubbock with her mother who is ill the past week.

Mrs. Beadie Powell was a medical patient in Cochran Memorial Hospital the past week.

Mr. and Mrs. Dan Siewert moved to Slaton Thursday. We regret to see this fine couple move from our community.

Jack Ferguson was a medical patient in Cochran Memorial Hospital the past week.

Mr. and Mrs. Tommy Terrell gave a Halloween party for the young people of the Three Way Baptist Church and the Church of Christ of Maple last Wednesday night. The children of the community had a party at the Three Way Baptist Church.

Joe Wheeler from Comanche spent Friday night with his parents the Johnnie Wheelers.

Mr. and Mrs. T.D. Davis and Mr. and Mrs. Joe Sowder spent the past week fishing at Amstead Lake. They caught some fish.

Mr. and Mrs. Grady Cranford from Lovington, N.M. spent the weekend visiting their parents the Fred Kelleys.

Mr. and Mrs. Andy Vinson from Clovis, N.M. and Lanita Powell visited their parents the Dutch Powells, Sunday.

Mr. and Mrs. Johnnie Wheeler and Mr. and Mrs. H.W. Garvin attended the Progress 4-H banquet at Larriet Saturday night. Mr. and Mrs. Garvin furnished dinner music for the club.

All gins in the community are busy now. Mr. and Mrs. D.S. Fowler were in Lubbock last Monday. They visited their sons the James Fowlers and Ray Fowlers. Mr. and Mrs. Jack Reeves visited Sunday in Shallowater with the James Reeves family.

Bright printed sheets turn up all over the house nowadays. For instance, sheets backed with plain plastic linings make ideal shower curtains. Most cotton percale sheets in decorator prints come with coordinated terry cloth towels, so give your bedroom a new decor look with matched shower curtain and towels.

ABOUT LOCAL FOLKS

by Dutch Gipson

Mrs. Glenn Price, president of the Last Frontier Cotton Council, attended the District Cotton Council meeting held in Lubbock recently.

Mr. and Mrs. C.B. Burleson from Lake Jackson and their daughter, Jean Ann, a student at Texas Tech, visited with her sister and family, Mr. and Mrs. Bill Sayers, Chip and Chad over the weekend. They all attended the Texas Tech-Rice game in Lubbock Saturday.

In the current edition of National Guild magazine, Mrs. Norma McCarty is listed as a new member of the Guild Library and is also cited for pupil percentage participation and special award winners as well as being on the Honor Roll in the Musicians Hall of Fame.

The M.C. Ledbetters and Neal Roses attended the Baylor Homecoming over the weekend. Enroute to Waco they were overnight guests of Mrs. Rose's mother in Gilmer. After the game Saturday night they enjoyed the hospitality hour in the home of the college president, Aber McCall, M.C., who was a classmate of McCall's as an assisting host for the occasion which honored the class of 1938. Returning home they enjoyed Sunday

dinner with Mrs. Dean.

Jack Burke and members of his family, Buster, Ann and possibly others are enjoying hunting this weekend in Colorado.

Mr. and Mrs. Charles McDermott spent the weekend in Abilene at West

"Thou wilt show me the path of life in thy presence is fullness of joy..."
PSALM 16:11

HERE IS THE PATH

"Thou wilt show me the path of life in thy presence is fullness of joy..."
PSALM 16:11

"I have seen the heavens and the earth, and I have seen the Lord God with all His power, and with all His strength, and with all His might, and the revelation as itself."
Luke 10:27

The basis of God's love and greatest commandment is love. God loves you and therefore will not force His love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His desire for man to respond to that love by loving His neighbor. Without this spreading of the love of God, no government or society or way of life will long survive and the human race as a whole will inevitably perish. Therefore, men from a selfish point of view, who should support the Church for the sake of the welfare of himself and his family, beyond that, however, every person should support and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Marvin, five-weeks old, died Monday at his home.

Surviving are his parents, a brother, Maurice Charles Harvey, of the home, and his grandparents, Mr. and Mrs. Joe Morales and Mr. and Mrs. Falvin Harvey, both of Morton.

Adult education week designated

Governor Dolph Briscoe has designated last week, as adult education week in Texas and local educators put special emphasis on adult education opportunities here.

Classes in adult education are offered at Morton High School Tuesdays and Thursdays of each week from 7 to 9 p.m. Any adult may receive help in areas of education of his interest. This includes math, English, reading, spelling from an easy level to an upper level. Each individual picks his own level and works at his own rate of speed.

In the upper level an adult may work toward a high school certificate and when he feels he is ready, take the examination to receive the certificate.

Anyone wishing information about joining the classes may contact Mrs. W.G. Freeland at Morton High School.

Is now
the time to
buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

George Autrey Drilling & Pump Service

George Autrey—Owner

George Autrey Drilling and Pump Service located in Enochs, phone 927-3511 has been able to effectively find water at low cost in this area for several years.

Drilling a good, long producing water well is not a job for the amateur. The knowledge and experience behind this well driller will prove valuable after you

note that the well he has drilled has produces for some time, there have been no cave-ins, and that large enough pipe was installed with a strong pump that provides the amount of water you need.

They use late model equipment and trained assistants who also understand their work, and you can be assured that the job will be completed in the shortest

time, at the least expense, and with the very smallest damage to your property.

The editors of this 1973 Review make public our recommendation of this well driller for his fine work, and suggest our readers remember to contact George Autrey whenever they need a good well at low cost.

Speck Gin

Jack and Joan Speck—Owners

When Service for which you cannot go window shopping such as Cotton Ginning is needed, it then becomes more important to know the reputation of the firm with which you do business. The Speck Gin, located 5 miles Southeast of Littlefield, phone 385-3353, is a firm with which one can do business with confidence

and assurance of receiving quality and quantity.

They know the business perfectly and insist that each job be perfect. They employ only competent, well trained men who have the desire to please every customer.

This firm is favorably known for

prompt service and fair prices. Much of their popularity is due to the fact that they stand behind every job.

The composers of this 1973 Review suggest that you consider this reliable firm. We're sure you will be pleased with any Ginning they do for you.

Wallace Home Furnishings

Bert Wallace—Owner

Doubtless you plan some improvements in your home this season. If so, think of the Wallace Home Furnishings, at 229 Phelps Avenue in Littlefield, phone 385-3888, where new and beautiful styles and patterns of suits, occasional pieces, appliances, and lamps await your inspection.

Now is the time to buy your wife the new furniture she wants for Christmas.

This furniture company specializes in nationally advertised lines of furniture with complete delivery and installation facilities. In short, this progressive store offers the maximum of customer satisfaction at a minimum price with easy terms to fit your budget.

Mr. Wallace is remodeling his store to better serve his customers.

For sometime, they have served the

people of this area reliably and well. By stocking only items manufactured by well established and duly recognized home furnishing concerns, they have won and held the confidence of their many patrons. They now serve an ever growing clientele of satisfied customers.

No progress report would be complete without recommendation to the people of this area, and we, the writers, do so in our 1973 Review.

Littlefield Supermarket

Home Owned and Operated

The Littlefield Supermarket is your modern supermarket located at 819 East 4th Street in Littlefield, phone 385-3400.

Make your grocery shopping a pleasure by buying all your groceries and household items at one place. There is no need to shop over town for bargains when you trade here. They carry a complete stock of every type of goods, and you will find their prices surprisingly low.

They carry fresh vegetables and fruits the year around. Their stock of canned goods cannot be equalled in any store.

Meats which look appetizing and delicious are always on display in their meat case. Their butchers know how to cut meats and will gladly give you just the kind of steak or roast you want. They are your headquarters for quality custom cut and wrapped beef and pork.

They sell only USDA choice meats, the best available anywhere. If you wish to buy a quarter or half they will cut it to your specifications and wrap it for your home freezer.

well managed, friendly store to all of our readers.

Littlefield Carpet Service

Augustine Perez—Owner

The Littlefield Carpet Service, located at 617 East 9th Street in Littlefield, phone 385-4089, if no answer, 385-5513 is the carpet cleaning specialists in this area with deep steam carpet cleaning.

Deep Steam Carpet Cleaning actually removes the deeply imbedded grit, dirt and even the detergents left by previous cleanings. What's more, you can see it being extracted. There are no brushes — nothing to distort pile or mat the fibers.

Here is how it works — fine heated mist jets into carpet pile, high frequency vibrator loosens and lifts the dirt —

powerful extractor removes soil. This exclusive 3-way combination, mist-vibrator-extractor makes this system superior to all other methods employing steam or excessive amounts of hot water.

When you see the dirt leaving your carpet, you'll be astounded! The finished carpet is truly "Hospital Clean."

The writers of this 1973 Review invite you to call Littlefield Carpet Service today for the only wall-to-wall carpet cleaning that approaches in-plant rug cleaning results.

Muleshoe Livestock Auction

Clayton Myers—Owner

The Muleshoe Livestock Auction located on East Highway 84, Box 754 in Muleshoe, phone 272-4654, if no answer call 272-3097 conducts livestock auctions every Saturday at 12:00.

Here is an institution of this section that is enjoying a thriving business covering a wide territory. When you auction your livestock here you can

always depend upon getting the highest market value.

This company has always assisted materially in the growth and expansion of this area as a trade center. Here, you are assured of honest prices for livestock. This company conducts a business that is of high commercial value to the public. Remember this fact — if the farmers of

this community were compelled to ship their livestock elsewhere, they would fall far short of getting the prices obtained at the Muleshoe Livestock Auction.

The composers of this Review are pleased to give this reliable firm commendable mention in this 1973 Review. We assure our readers that they will get a fair deal in every transaction.

John's Custom Mill

John Fried—Manager

John's Custom Mill, located at 523 East American Boulevard in Muleshoe, phone 272-4373, is locally owned and operated. Their well known products are manufactured from locally grown grain. Their customers have learned to depend on the high quality of Custom feeds.

John's Custom Mill also has a complete

line of lex-lan riding apparel at competitive prices.

They have made a careful study of the feed business and are an authority on the proper feed for horses, hogs, cattle, and poultry. Because of this scientific study of feeds they handle only those feeds that have high nutritive value.

If you would buy with confidence, go to the John's Custom Mill for all your feed needs.

We, the editors, take great pride in this 1973 Review to recommend such a firm as this to our readers as one you can depend on. Their many satisfied customers speak well for them.

San Francisco Cafe & Tortilla Factory

Aurelio Cuevas—Owner

For authentic Mexican food, the people of this area visit the San Francisco Cafe & Tortilla Factory at 121 Main in Muleshoe, phone 272-3502 for the best Mexican food and tortillas to be found anywhere.

Through the efforts of the management here to serve only the true Mexican

dishes with a real flavor of the country, as well as interesting Mexican decor, this restaurant has become a very popular eating place.

They have captured the true tanga flavor of the Mexican dishes by using the exact spices and food to prepare them.

Contrary to the belief that Mexican food is very hot, they serve all their dishes

with the hot sauce and green peppers on the side so that you can enjoy it the way you want.

For a fine place to eat authentic Mexican food in the same atmosphere, and with friendly service, the writers of this 1973 Review suggest that you go to the San Francisco Cafe & Tortilla Factory. We know you'll want to return many times.

Gibsons Discount Center

Micky Beadles—Manager

For one of the largest selections of name brand merchandise at prices you can afford to pay, shop the Gibson's Discount Center located at 1723 West American Boulevard in Muleshoe phone 272-4306.

The management of this concern strives at all times to serve the people of this area with one of the largest displays of quality merchandise at every day low prices. Included in their fine line of merchandise you will find: ready-to-wear for the entire family, household necessities and appliances, toys, sporting goods, automobiles parts and accessories, televisions and stereos, just to name a few. You'll find them all priced way below the regular prices.

People in this locale enjoy having a department store that serves them in one stop and that offers an easy monthly payment plan.

The editing staff of this 1973 Review take pleasure in recommending the management of this store for their

conscientious efforts to serve their customers well. We recommend the

Gibson's Discount Center to all readers.

The writers of this 1973 Review are

proud to recommend the Lee's Texaco Service to our readers. We urge you to visit them when you are in town shopping.

Dairy Delite

Bertie Purcell—Manager

Good food and fast service are the bywords of the Dairy Delite located at 210 North 1st Street in Muleshoe phone 272-4482.

As many people in this area have found, there is no better drive-in than this one.

On their menu you will find taste tempting basket lunches, hamburgers and sandwiches, french fries, all types of cold drinks, and all prepared in the most sanitary conditions with modern

equipment. The management of this drive-in made it a point to hire employees who are courteous and who will give you service.

The compilers of this 1973 Review suggest to our readers that the next time they are in town, they stop at Dairy Delite for a tasty filling meal at a cost. We compliment them for their reputation of quality food and service.

Leo's Blacksmith & Machine Shop

R.O. Gregory & W.F. Sain—Owners

For many years, the people of this area have depended on Leo's Blacksmith & Machine Shop located at 310 West American Boulevard in Muleshoe phone

272-4418, nights call 272-4956 or 272-4148, for all of their blacksmith, welding and machine work.

This well known shop is noted for their

abilities to handle numerous types projects quickly and professionally. Often times jobs thought impossible are done.

It can be noted that without outstanding ingenuity of this blacksmith, this area would have had many delays in agricultural and industrial progress.

This firm specializes in one welding service. Their slogan "Welding anytime, anywhere."

This company is one of this section best equipped welding shops. They receive their attention and service, they are equipped with modern, portable equipment and much of their work handled right on your job, thereby saving much lost time in transporting machinery to a shop.

Leo's Blacksmith and Machine Shop receives the complete recommendation of the writers of this 1973 Review.

Littlefield Federal Savings & Loan Assn.

Roger Jones—Executive Vice-President

A great many of us have had a yearning to invest in a home of our own, but money problems seemed to make it impossible. This community is fortunate to have in its midst a firm which can make just such a thing possible.

The Littlefield Federal Savings & Loan Assn. is located at 301 XIT Drive in Littlefield phone 385-5197.

Come in or call and talk your problems over with them. The management has always had at heart the best interests of the community and has done its best at all times to serve the people.

They offer an excellent savings

service. We have all promised ourselves again and again to start saving, but somehow we never quite get started. Don't wait any longer! Tomorrow morning go to the Littlefield Federal Savings & Loan Assn. and open your savings account with even the smallest amount. Then add to it regularly and watch it grow.

The planners of this 1973 Review take great pride in pointing out this foremost concern and heartily recommend our readers discover for themselves the real satisfaction in their services.

Corral Restaurant

Mr. & Mrs. Roy Dyer—Owners

The Corral Restaurant is located at 1008 West American Boulevard in Muleshoe, phone 272-3182. This restaurant is recognized as headquarters for "Good Food." Come and bring your friends, you are always welcome.

Here, people can be seen, from every walk of life, who make this popular restaurant their regular eating place.

In this entire section there is not another establishment that surpasses this well known restaurant in good food,

service and satisfaction. They are particularly well equipped for proper handling of food.

And last, but not least, the attention and courtesy of the attendants is a feature that receives more than passing notice from the customers.

In making this 1973 Review of the city we, the writers, are pleased to give the Corral Restaurant commendation for the excellent food and service they give and for the leading position they hold here.

Lamb Salvage Company

Y.B. Thompson—Owner

State Line Irrigation Company Inc.

T.L. Timmons—Manager

The experts at the State Line Irrigation Company, Inc., at 1601 Houston in Littlefield, phone 385-4487, and at American Blvd in Muleshoe, phone 385-4491, help you plan a modern, efficient irrigation system on your farm or ranch. We have Side Roll Sprinkler Systems, Automatic Pivot Sprinkler Systems, Manville PVC Plastic and Asbestos Pipe, State Line Irrigations, Inc., buys and sells new and aluminum pipe and fittings and has a supply on hand.

When you call them a friendly representative of this firm will tell you of the advantages and low cost of having an up-to-date method of irrigation.

It is well known that without irrigation there could be no farming in dry regions. Without irrigation, millions of acres of rich land which are now covered with productive farms would still be wasteland and desert.

This firm has been successful in this area by supplying modern, planned irrigation systems that are convenient to operate and require little

maintenance. These systems feature automatic controls that maintain the proper flow of water needed for your crops.

The authors of this 1973 Review believe you'll find the services efficient and the equipment the finest at the State Line Irrigation Company Inc. Call them today.

New Tasty Taco

Charlie Lara—Owner and Operator

New Tasty Taco at 5th and XIT in Littlefield, phone 385-6124 offers a menu featuring taste tempting delicacies. They have a banquet hall available for parties up to 60 and a party room for up to 20.

Whenever you stop in here you are always assured of friendly, courteous service and a pleasant, relaxing atmosphere to enjoy your dinner. Another reason for their success in this area is the fact that the kitchen is spotlessly clean under the latest approved sanitary methods.

No Review would be complete without particular mention of this popular well-managed Taco Restaurant and the authors of this 1973 Review take particular pleasure in recommending that the people of this area make it a special point to stop in for one of their many treats or let the New Tasty Taco prepare an order for you to go.

This is the profession of pharmacy. They are located in Littlefield Hospital at 401 West 6th Street in Littlefield, phone 385-4491, after hours 385-4260 or 385-4732. They are well known in this area for fine service and the best in drugs and related merchandise and supplies.

It has been said that a druggist to have a complete stock of popular drugs, including the patents, as well as standard drugs, would need 25,000 items or more. This drug store carries an impressive selection and we are sure you will be impressed with their service as well.

The prescription from your Doctor will be scientifically filled to his exact order. A registered pharmacist is on duty at all times to see that the proper drugs are compounded and who understands how to read any prescription. Quick Service is their motto.

In making this 1973 Review we, the writers, take pleasure in making particular mention of this fine established firm, and are pleased to recommend them to our readers.

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Both in Texas and throughout the nations, stocks of the four feed grains, corn, oats, barley and sorghum—show declines as of Oct. 1.

In Texas the stocks of the four feed grains are set at 52,000,000 bushels down, 40,000,000 bushels from a year ago. Grain sorghum was responsible for most of the decrease. Corn stocks are below a year ago, but stocks of oats and barley are above a year ago.

Wheat stocks in all positions in Texas is estimated to be 18 per cent below a year ago.

Oat stocks are up 11,300,000 bushels from a year ago; barley stocks are 1,200,000 higher than a year ago, and rye stocks are 84,000 bushels more than a year ago.

Nationwide, stocks of all grains are down 26 per cent.

SALES of cattle, calves, sheep, goats and hogs in Texas are below a year ago totals, the Texas Crop and Livestock Reporting Service notes.

Cattle and calves marketed through auctions in Texas during September numbered 602,000 head, 15 per cent below a year ago and 33 per cent below the previous month.

Sheep sales during September totaled 75,000 head; this is 41 per cent below a year ago and 54 per cent below a month ago. Goat sales during September totaled 33,000 head; this is 28 per cent below last year and 13 per cent below a month ago.

Hog sales totaled 37,000 head, this is both 18 per cent below a month ago and a year ago.

EGG production statewide during September is four per cent below a year ago and two per cent under last month. Nationwide, egg production was down four per cent from the past year and three per cent less than August.

Texas layers totaled 11,100,000 during September, two per cent below a year ago but one per cent above August. The number of layers throughout the nation declined four per cent from last year, but showed a one per cent increase from last month.

PRODUCTION of egg-type chicks, broilers, chickens, and turkey poults in Texas is up from a year ago. Nationwide the trend is also true.

The September hatch of egg-type chicks in Texas is up two per cent from a year ago and 10 per cent from a month earlier. The hatch of broiler chicks increased two per cent from a year ago but was three per cent less than the preceding month.

The total poult hatch was more than double that of a year ago, but was four per cent below a month ago.

THE 1972 county statistics for Texas Agriculture production are now available. Single county sheets are available on request.

The entire book contains agricultural production information for all 254 counties in Texas—from Anderson through Zapata.

Information includes total gross income for each county, production and value of each commodity in individual counties, and totals for livestock and poultry production as well.

A weekly public service feature from the Texas State Department of Health

Accent on Health

Diabetes, one of the top 10 killers, is being attacked full scale in portions of the Rio Grande Valley.

A massive screening program along with a public awareness campaign is being conducted in Starr and Hidalgo Counties through local health departments; the medical society and backup support of the State Health Department.

Diabetes may strike anywhere, but in the Rio Grande Valley it is more prevalent among those in the high risk group. Who composes this high risk segment of society? You are in it if—if you are more than 45 years of age; if you are 45 or older and a close blood relative of a diabetic; if you are 45 or older and you are very overweight (obese); and if you are 45 or older and the parent of a newborn baby weighing nine pounds or more.

Some private physicians and local health departments screen patients for diabetes routinely if they fall into the high risk category. In Starr and Hidalgo counties, with a strong assist from television stations, those who are most susceptible are being sought out.

Through use of four specially produced television films from the State Health Department, as well as spot announcements, the message is being carried to all viewers. They are being asked to have screening blood tests made at a health department clinic, or from a private doctor if they are in the high risk group. The blood samples are then sent to the State Health Department Laboratories for evaluation. Local health department personnel will follow up on persons whose tests are positive.

Studies done in Starr County and elsewhere in the Valley have indicated that diabetes mellitus is much more prevalent in South Texas than elsewhere in the nation. Dr. Mario Ramirez of Roma

said about 20 per cent of his patients at high risk have diabetes. Oftentimes, those with diabetes don't report to a physician until complications from the disease force them to seek medical aid.

Some of the complications from diabetes are blindness, gangrene, damage to kidneys, blood vessels and nerves, heart attack and stroke.

Early detection and treatment, so important in other diseases, is just as important if you have diabetes.

It is estimated that only about half its victims are aware they have the disease. In the other half it is hidden. Programs such as the special effort in the Valley may insure a healthier future for those in whom the disease is found.

Diabetes is a chronic, metabolic disease which is a world-wide problem. It is known for thousands of years. The oldest known document, an Egyptian papyrus of 1500 B.C., contains the earliest reference to what was probably diabetes.

Although diabetes affects people of all ages, in this country it is 10 times more prevalent after age 45.

Despite research through the centuries, no cure is yet known. However, the introduction of insulin therapy during the 1920's, followed by oral drugs in the 1950's greatly improved the prognosis for diabetes. Today the life expectancy of a diabetic is much greater than it was 50 years ago when insulin was first administered to a 14-year-old boy in Toronto. The boy recovered from a deep coma. Since that day, insulin has saved the lives of millions of people.

Simply put, diabetes is too much sugar in the blood. Blood sugar—glucose—isn't broken down into body fuels as it should be because of a malfunction of the pancreas.

A person with diabetes may have these symptoms: excessive thirst, frequent urination, excessive hunger, weight loss,

A FOND FONDUE

Appetizers gain a new zest when you season them with the cocktails you're serving. Try this fondue at your next party. It's an instant ice-breaker!

SCOTCH 'N SODA FONDUE

1 lb. Cheddar cheese, shredded
1 tablespoon flour
1 1/2 oz. Scotch whiskey
1 small bottle (7 oz.) club soda
1 teaspoon Worcestershire sauce
1/4 tablespoon butter
1 egg, lightly beaten
French or Italian bread, cut in chunks, each with crust.

Toss shredded cheese with flour. Combine Scotch, club soda, seasonings and butter in a fondue pot or saucepan and bring to a simmer. Add cheese a handful at a time, stirring constantly, and allowing it to melt before adding more.

Cook, stirring, until cheese has melted and mixture thickened. Add a little of the hot cheese mixture to the beaten egg and then stir back into pan. Stir smooth. Serve with crusty chunks of bread for dipping. Makes 8 appetizer servings.

WANDA LEGAN

Morton woman to head WCPA

Wanda U. Legan, of Morton, was elected District President of the Women's Cotton Promotion Association, at a district meeting held recently in the community room of the Lubbock State Savings and Loan. The district is made up of approximately 12 counties on the south plains.

Mrs. Legan has been active in this work for several years, having served as president of the Bailey-Lamb counties chapter. Also she has served as secretary and treasurer.

The newly elected officers to work with Mrs. Legan are: Natlie Unfred, vice-president from Lynn County; Glenda Bowman, secretary from Hockley county and Euba Andrews, treasurer from Lubbock.

The new year for the association began November 1.

falling eyesight, intense itching, pain in fingers and toes, weakness, tiredness and drowsiness.

A blood test can detect sugar in the blood, and many persons learn of the disease while undergoing regular checkups or being treated for another illness.

Prevalence in this country is increasing and probably is attributable to many factors. People, in general, are living longer. The life expectancy of diabetes has increased.

Finding of the diabetic is important, and finding the hidden diabetic is doubly so. The earlier diabetes is detected, the easier it can be controlled and a person put on the proper diet and medication, says the Health Department.

From the Christians who assemble at Taylor and S. 2nd. Sts. — Greetings:

In the last article (Nov. 1, 1973) a truism was brought to our attention which very definitely and vitally determines whether study of the Scriptures will enable us to be accepted by God, or we shall most surely be rejected by God. The word IS can never be taken to mean IS NOT. When the Bible (God's word) says that a thing IS—we cannot say that it IS NOT—or modify it in any way so as to evade whatever may be involved in that which God has said IS.

Let us briefly examine and illustrate the above truism. This writer knows of no responsible religionist or body of religious people who deny that FAITH is absolutely essential to being saved. All say that to refuse to believe God—to refuse to believe Christ—makes it impossible for one to please God or come to God—Read Hebrews 11:6 and John 8:24 along with man, many other passages. In Heb. 11:6 God said "Without faith it IS (Caps. mine—CRM) impossible to please Him,..." "Where is the person that would substitute 'IS NOT' in this passage? To do so would call God a liar. Yet there ARE those who think it unfair to condemn some who honestly could not believe the world of God!!

Look again still further with this truism. 2 John, verse 9 says "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God..." Now what would be the consequence of saying such an one "hath God" instead of "hath NOT God"? Any intelligent person would know that one so doing would contradict God—make Him a liar! In spite of this fact many seem to think that "we don't need authority from God's word for all that we teach, and or, practice"! Now, "doctrine" simply means "a body of teaching; and in the above refers to the teaching of Christ which Christ said that He brought from the Father—read John 17:8,14. 2 John 9 emphatically states the absolute necessity of confining our teaching and practice to the doctrine (body of teaching) of Christ. In the following articles we shall study this truism further.

Remember the assemblies at Taylor and S. 2nd Sts. You ARE welcome.

C.R. MANSFIELD, Evangelist

Southwest Food Grain And Triticale Foods Corp.

needs more area farmers to become a part of Texas' fastest growing food production system.

Initial acreage allotments have been awarded to many growers in this area.

Additional acres are needed to reach our 1974 quota.

High Plains Research Foundation has documented optimum planting dates for Triticale are from October 15 to December 1.

Triticale is gaining great favor because:

1. Will out yield other Fall planted cereal grains.
2. A 3 way crop-grazing, grain, & roughage.
3. Excellent in the crop rotation program.
4. It splits water & work loads allowing more efficient use of water & labor.
5. Permanent acreage allotments for contract growers.
6. Contract guarantees a base price plus protein premiums.
7. Initial contract growers have first option for increase in production.
8. Varieties & cultural practices proven at the HPRF are available.

Bill Rich

Contract details and complete explanation will be available during the High Plains Triticale Seminar and Bar B-Q Thursday, Nov. 8 at The Hale County Agriculture Building in Plainview.

Growers desiring information immediately may call Darrell Brown at Southwest Food Grains in Plainview at 293-4994.

Bledsoe 4-H plans float

The Bledsoe 4-H Busy Bees met Thursday, November 1, in the County Barn to select a theme for a float for the Homecoming parade.

Members voted to give a prize for the best decorated bicycle in the parade.

Rene Gober presided over the meeting and Irene Sepulveda led the 4-H pledge. Stacey Dunn led the 4-H motto and Velinda Davis led the club song. Cindy Sutton led the American Pledge and Hilbert Sepulveda led "America the Beautiful".

expanding production of all phases of the livestock industry; food and feed grains for domestic and export; cotton and other natural fibers; fresh and processed vegetables, fruits and nuts; soybeans and sunflowers; sugarcane; mariculture, and expanding processing industries near production areas.

Texas Commissioner of Agriculture John C. White said, "Texas should become No. 1 in the quality of life, agricultural opportunity and profits, as well as agricultural production." He recommended a state program similar to the Veteran's Land Board to assure funds for young people getting into full-time agriculture, improved water resources, a do-it-yourself rural development program and recreation development in rural areas.

Texas Cong. W.R. (Bob) Poage said there is "no effective way to deal with national urban concentration problems until we solve rural problems." He pointed out that locating industries in rural areas has paid for itself, and said he hopes for further implementation of the 1972 Rural Development Act soon.

Dallas County Judge W.L. Sterrett said rural development "is important to the city dweller in assuring adequate food and fiber and maintaining that delicate economic balance so essential to survival."

Roy B. Davis, chairman of the 25-member Texas Rural Development Commission, suggested policy directions, programs and additional research needed to reach the commission's objectives for building rural Texas. Workshops that followed focused on housing, transportation, economic development, health, education, human and natural resources and general government.

Credit union receives thrift award

A Morton credit union has earned a Thrift Honor Award for its success in stimulating savings among small savers, according to Mr. Paul A. Tryko, Regional Director of the National Credit Union Administration.

The Cochran County Schools Federal Credit Union attained a monthly rate of growth of 3.10 percent in share accounts \$20,000 and under. This growth rate was above average for Federal credit unions of similar size, according to Mr. Tryko.

On September 30, 1973 the credit union had 262 members who had saved a total of \$276,746.66. The credit union primarily serves Employees of Cochran County, and was chartered in 1961.

Jim Middleton is president and Mrs. Iva Williams is treasurer.

The National Credit Union Administration conducts its Thrift Honor Award Program to provide an incentive for officials of Federal credit unions to encourage members with small accounts to save regularly as part of their family financial management plans. The Administration is responsible for chartering, supervising, and insuring Federal credit unions. They are approximately 13,000. Federally chartered credit unions.

MR. AND MRS. V.H. FUNK will celebrate their 25th wedding anniversary with a reception in their home, 10 miles south of Bledsoe, from 3 until 5 p.m. Sunday, November 11. Hosting the reception are their children, Velton, Johnny, Bill, Lois, and Donna of the home and Terry of Slaton. Funk and the former Billy Presley were married in Levelland November 11, 1948. They have lived near Levelland and Bledsoe most of their married life. He is employed by Atlantic Richfield Corp. Friends and relatives are invited to attend.

MOR DOLPH BRISCOE, right, confers with Congressman Poage at the recent Governor's Conference on Rural Development. This conference, held in Austin, Texas, drew 2,000 rural and urban leaders from every county in Texas. Congressman Poage, author of the National Rural Development Act, has been a leader in the development of rural areas for half a century. Governor Briscoe pledged to the leaders at the conference that every effort possible would be made to achieve a favorable rural-urban balance of growth so as to help make it an even better place to live.

Rural officials attend development meet

Gov. Briscoe asked for a vast rural development program and to attempt to make Texas No. 1 in rural production during the 1973 Conference on Rural Development in Austin last Tuesday.

Over 2,000 community and business leaders were on hand for the first of its kind in the state. The meeting was represented by Judge Simpson, Roy Hickman, Roy Walden, and Mike Walden.

Speakers discussed various aspects of the conference theme, "Growth for Tomorrow's World," and community development. The state's rural development outlined ways to utilize resources more fully for a better future.

Briscoe emphasized that loss of people from rural areas has created many dilemmas in the cities, and said that high priority must be given to rural development and job opportunities, orderly development of natural resources, improvement of services and facilities, better rural labor market service, more emphasis on vocational training, improved health service and adequate housing.

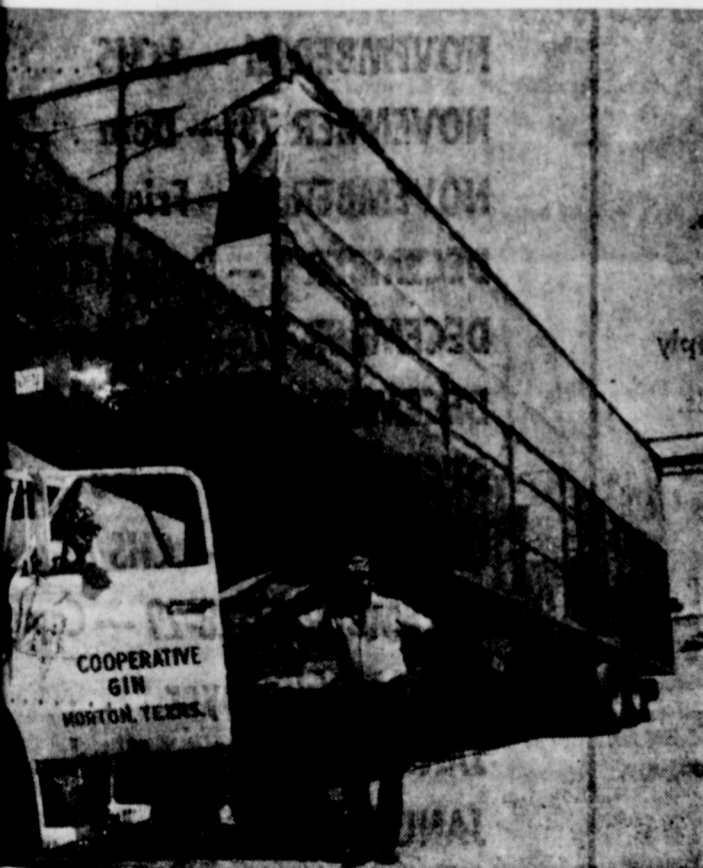

"Agriculture alone cannot solve the problems of rural Texas, but can be a great factor in the solution," Briscoe declared. "You have done a magnificent job in the past in making agriculture great in Texas, so let's make it even better."

Dr. John E. Hutchison, director, Texas Agricultural Extension Service, said that Texas appears to have the necessary resources to achieve the goal of becoming No. 1 in agriculture.

"Among the state's advantages are available land resources plus the technological and knowledge reserve from agricultural research for e-

Good News for Cotton Growers

We Now Have the Means For Getting Your Cotton To the Gin Quicker, Safer and At Lower Cost

Star Route Co-op Gin now has a substantial number of these 40' x 10' x 10' portable containers with which to haul your field-stored cotton to the gin or to park on your turnrow to store as you harvest and later pick up.

Our equipment includes a loader for transferring your ground-stored cotton into these containers for a quick trip to the gin.

Let Us Help You...

- Eliminate high trailer costs
- Eliminate the road hazards of trailer operation
- Save down on gin yard time by delivering larger amounts per trip. These containers will store or haul up to eleven bales per load making it easier for you to schedule your crop through the gin.
- Cut down on time lost to weather due to less time waiting in the gin yard

Reddy's consumer tips on... ranges & ovens

"Slaving over a hot stove" has lost all meaning since electric cooking came on the scene. A cooler, cleaner kitchen is Reddy's bonus when he serves up a meal. To get the most efficient use out of your Electric Range, the following information is provided.

Surface units are designed to give a fast cooking start, plus lower controlled heats which finishes cooking without pot-watching. Choose the correct heat for the best results.

HIGH HEAT: Entire unit is on full heat. Used to start foods cooking quickly.

MEDIUM-HIGH HEAT: About half as hot as High Heat. Use for frying.

MEDIUM-HEAT: About 1/4 as hot as High Heat. Use for slow cooking and frying.

LOW HEAT: About one-seventh as hot as High Heat. Use for simmering foods.

WARM HEAT: About one-tenth as hot as High Heat. Use to keep foods warm after it is cooked and for melting butter and chocolate.

The completely insulated electric oven keeps the heat in the oven where it belongs. Leave the oven door closed during the baking period. See the minute timer for required baking time suggested by the recipe. Cultivate the "no peeking" habit for faster and more economical baking. Opening the oven door during baking may cause improper browning and sometimes baking failures.

Any tender cut of meat can be successfully roasted in an electric oven by the dry heat method. Allow 15 minutes additional time per pound for frozen meat.

When broiling, leave oven door ajar to prevent the unit from cycling on and off, and to allow moisture to escape.

Study the instruction booklet which comes with your range. Use your Electric Range properly and you will be rewarded with greater economy, more wholesome food and more leisure time.
