CARD OF THANKS

CARD OF THANKS: I would like to thank all who came to help with the fire at my farm. A special thanks to the Morton and Whiteface Fire Departments, they did a very good job. Without all of your help the loss would have been much greater. Thank you.
 John Sitlan

County war veterans to receive windfall

For Cochran County's war veterans there is some good news. According to a government announcement, they will share in a payout of \$303.8 million this year.

The money will go to veterans of World War I and World War II who hold GI insurance policies. It represents dividends that have accrued on the policies.

A breakdown shows that government checks totaling approximately \$7,000 will be paid to some 90 former servicemen in the local area.

The distribution is limited to World War veterans. Other vets, who figured in the Korean and Vietnam wars, have different kinds of insurance and will not share in these dividends.

The announcement, from the Veterans Administration, notes that the \$303.8 million is the largest dividend it ever declared. The previous high was \$297 million.

The increase, it is explained, results chiefly from higher interest rates earned by the insurance funds in the past year.

Most of the local recipients are holders of National Service Life Insurance, issued to those who served in the

second World War. The others are veterans of the first World War. They hold U.S. Government Life Insurance policies.

The 90 residents of Cochran County who kept their policies in force and will therefore be on the receiving end represent only a fraction of the World War vets in the local area. The total number, based upon the latest VA tabulation is 400.

The individual dividend checks will vary in amount depending on the type of the policy, its size and the age of the insured.

The general average, for those who were in World War I is \$156 and, for the others, \$73. Some will receive much more than these averages and some much less.

The added \$7,000 that the local vets will have to spend will provide that much added stimulus to business in the area.

Those entitled to the dividend checks will receive them automatically on the anniversary dates of their policies.

Currently, states the VA over 4.2 million World War vets are carrying nearly \$20 billion worth of government insurance.

BIG BRIDGE

The Harbour Bridge, linking Sydney, Australia, with its northern suburbs, is two feet shorter than San Francisco's Golden Gate Bridge. — CNS

STATE CAPITAL Highlights AND Sidelights

by Bill Boykin
TEXAS PRESS ASSOCIATION

Tex. — Interest in the annual Convention is at a high ebb, according to Price Daniel Jr., chief of the historic session. It is expected to be a state-wide poll of a large majority favoring a revision now. A Common Council of 67 per cent of a total of 370 Texans feel the constitution should be rewritten and 63 per cent of the legislature, sitting as a constituent body, will improve it.

The convention ended its third week with a proposed 90-day schedule. The budget was adopted, and the convention adjourned this week on the Bill of Preamble — a week ahead of the proposed agenda for floor action of any committee reports. The convention is now in session with the hearing witnesses and to consider contents of their testimony.

REVERSAL URGED — The state supreme court held the city of Denton must pay damages to a woman whose home was flooded when a city employee left her faucets on. The high court also upheld a Fort Worth intermediate court in a decision that a fired employee of a company must go through grievance committee proceedings before taking his complaint to court.

AGOPINIONS — In a new open records decision, Atty. Gen. John Hill held University of Texas correspondence on women faculty salaries is not a public record, but a computer printout of UT salaries is.

mp speed limit will save lives or cause more accidents, according to Jim Arnold of the Office of Traffic Safety. Arnold said it is possible motorists may get bored and negligent at the lower speed.

DEMOCRATS ADOPT PLANS — Texas Democrats adopted delegate selection and party-participation plans to assure representation at the national Demo convention in Kansas City, Mo., during December.

COURTS SPEAK — A three-judge federal court in Austin held single-member House of Representatives districts must be provided for seven counties.

APPOINTMENTS ANNOUNCED — Ron Jackson was named director of Texas Youth Council. Gov. Dolph Briscoe reappointed Frank Joseph of Harlingen to Texas Cosmetology Commission.

SHORT SNORTS — Comptroller Robert S. Calvert, 81, announced he won't seek re-election, and threw his support to a top aide, Hugh Edburg, who announced as a candidate to succeed him.

REVERSAL URGED — The Court of Criminal Appeals affirmed a 75 year prison sentence assessed an Odessa couple in the death of a man "picked up" by the woman, a prostitute.

AGOPINIONS — In a new open records decision, Atty. Gen. John Hill held University of Texas correspondence on women faculty salaries is not a public record, but a computer printout of UT salaries is.

COTTON TALKS

FROM PLAINS COTTON GROWERS INC.

Plains Cotton Growers Incorporated, the 25 county Lubbock-based cotton producer organization, is strongly opposed to lifting restrictions on raw cotton imports into the United States, according to the organization's President Ray Joe Riley of Hart.

Secretary of Agriculture Earl Butz advised President Nixon some time ago that there was reason to believe import quotas could be suspended without materially interfering with the current cotton program, and the President has requested the U.S. Tariff Commission to make an investigation of the matter.

Secretary Butz is known to believe that current world supply demand conditions, without the restraining influence of quotas, would prevent foreign cotton from entering U.S. markets. Therefore, he reasons, quotas are not needed.

any commodity if he determines imports are interfering or would interfere with a government program for that commodity. Conversely, he can remove import quotas if he finds that unlimited imports will not interfere with government programs.

Secretary Butz is known to believe that current world supply demand conditions, without the restraining influence of quotas, would prevent foreign cotton from entering U.S. markets. Therefore, he reasons, quotas are not needed.

But this kind of reasoning can be dangerous, Riley states. "Supply demand conditions can change almost overnight," he notes, adding that "foreign stocks of cotton have been increasing each year since 1971, are expected to reach 20 million bales by next August 1, and that under certain conditions substantial amounts of this cotton could be expected to seek a market in the U.S."

The psychological effect of this possibility alone could have serious repercussions in the U.S. cotton industry, Riley believes. "Domestic cotton prices could be severely depressed, destroying the current profit margin in cotton production, and continued U.S. production of adequate supplies for domestic and export markets would again be dependent on a government subsidy. And at today's inflated production costs," Riley continued, "the current government program with its 38 cent 'target price' and low level loan is incapable of providing the necessary incentive for adequate cotton production."

But Riley points out, as have others, that too many temporary actions become permanent actions, and once removed, quotas would be next to impossible to reinstate.

"We are going to need import quotas sooner or later," Riley concludes. "Sooner or later production will catch up with and exceed demand, prices will come down, and a support program will be needed to permit continued cotton production in the U.S. And when that happens we'd better have quotas if we expect the support program to work."

ABOUT LOCAL FOLKS

by Dutch Gipson

Mr. and Mrs. Bill Wells will leave Saturday to attend the National Automobile Dealer's Association Convention in Las Vegas, Nevada. We understand from Blanche, Elvis Presley will be appearing there and she is looking forward to seeing him!

Mr. and Mrs. Benny Burnett and daughter, Rhonda, from Carlsbad, N.M. visited over the weekend with her parents, Mr. and Mrs. Harold Nesbitt.

Mrs. W. L. Miller is presently spending several days with her daughter and family, Mr. and Mrs. E. L. Willis, in Lubbock.

Leland Sciefres from Whiteface was in Morton Tuesday.

Word was received this week of the death of Mrs. Fred Morrison's brother, Fowler T. Moore, of Chillicothe. The Morrisons were longtime residents of Morton until their recent move to Chillicothe.

Looking back

26 Years Ago
Morton's newest business, Joe's Grocery and Market, located on the east side of the square, opens for business Thursday according to Mr. Joe Mohmood, owner.

Arnn Motor Company, Pontiac dealer for Morton, announces the showing of the 1949 Pontiac Sunday, January 30, from 2:00 to 6:00 o'clock in the afternoon.

Rain last Saturday, snow and sleet Monday and Tuesday brought Morton and Cochran County's total precipitation to around 2.31 for January.

The first shipment of 1,200 passenger car licenses have been received by the tax

assessor-collector's office and these tags will go on sale February 1, but cannot be put on vehicle until the first day of March.

Three cash awards have been offered by Glenn W. Thompson and Mrs. Carl England, chairman and co-chairman respectively of the Cochran County March of Dimes, to the 3 rooms of Morton Public Schools collecting the largest amount of money for the March of Dimes.

The welcome mat was out at Allsup Chevrolet Friday evening and Saturday and an estimated 2,000 persons passed into the showroom to see the first showing of the 1949 Chevrolet.

15 Years Ago
Elizabeth Dupier, daughter of Mr. and Mrs. Hugh Dupier and Bonnie Battaes, daughter of Mr. and Mrs. E. T. Battaes, of Goodland have been nominated for the annual Beauty and the Beast Pageant at Wayland Baptist College.

Lloyd Hiner of St. Clair's Department Store, was in Dallas the first of this week attending the Southwest Market.

Ray Ann Rose arrived here Tuesday from the University of Colorado for a between semester visit with her parents and brother, Mr. and Mrs. Raymond Doss and David.

Morton Jaycees were warned Monday, that those who took polio vaccine shots this past year, are now due for their third shot.

Mrs. Tom Rowden and daughter, Susan, planned to leave over the weekend for Lometa to visit with Mrs. Rowden's mother, Mrs. W. M. Rankin, who has been in the hospital.

County Judge Glenn Thompson will be the guest speaker at the Morton Lions Club next Wednesday and he will talk about the surplus commodity program and the country's charity problem—a serious one at the present time.

Tony Ray Anderson, 18, has been sent to Ft. Benning, Georgia for training following enlistment in the Army through the Lubbock Recruiting Station.

Look Who's New

Yolanda, daughter of Mr. and Mrs. Manuel Avitia arrived at Cochran Memorial Hospital January 24 at 2:10 p.m. and weighed 7 pounds and 10 1/2 ounces.

Mrs. Hall rites held

Services for Mrs. Jess Hall, 85, of Whiteface were held Friday at 2:30 p.m. in the George C. Price Funeral Home Chapel in Levelland. Elmer Evans, minister of the Whiteface Church of Christ, officiated.

Interment was in the City of Levelland Cemetery.

Mrs. Hall died Wednesday at 11:05 p.m. at Cook Memorial Hospital following a lengthy illness. She was born April 10, 1888 in Alabama. She moved to Hockley County in 1927 and resided on a farm between Levelland and Whiteface until moving to Whiteface in 1942.

Survivors include one son, J. T. Hall Jr., of Levelland; two daughters, Mrs. Thelma Collins of Morton and Mrs. S. H. Coffey of Levelland; one sister, Mrs. H. Hall of Ralls; six grandchildren; ten great-grandchildren and one great-great grandchild.

Pallbearers were A. J. Fowler, J. C. Estes, Marvin Lasater, Cullum Cooksey, Wallace Lumpkins and Oren Peden.

Thoughts

From The Living Bible

For jealousy and selfishness are not God's kind of wisdom. Such things are earthly, unspiritual, inspired by the devil. For wherever there is jealousy or selfish ambition, there will be disorder and every other kind of evil. But the wisdom that comes from heaven is first of all pure and full of quiet gentleness. Then it is peace-loving and courteous. It allows discussion and is willing to yield to others; it is full of mercy and good deeds. And those who are peacemakers will plant seeds of peace and reap a harvest of goodness.

James 3:15-18

Insulated pipe holds the chill

A new low-cost insulated PVC pipe for underground chilled water distribution has been introduced by Johns-Manville. It comes in 10-foot lengths and is joined by a flexible rubber ring that is sealed in a deep groove to allow for thermal expansion.

The rubber ring joint also compensates for each movement.

Services held for A.M. McBee

Services for Archie Martin were held Saturday at 2 p.m. in East Church of Christ. Leon Kessler and Woodard Muleshoe officiated. Burial was in Resthaven Memorial Park in Lubbock.

McBee, 71, died about 8:15 Thursday in Methodist Hospital in Lubbock. He was a native of San Saba and was a member of the Church of Christ and Masonic Lodge.

Survivors include his wife, Deane Darwin of Morton; two daughters, Leatrice Spell of Montgomery, Ala. and Mrs. Doris Childers of Wolfboro, N.M.; Mrs. Ella McLean of Ralls, N.M.; Mrs. Eula Guerry of Lipscomb, N.M.; Mrs. Alta Lee of Brownwood; and grandchildren.

in Lubbock since 1969. He returned from Texas Tech University School of Law where he received his doctorate in jurisprudence degree in late 1973.

He is an undergraduate at Texas Tech University where he is working on his BBA degree. He was vice president of the student body, president of the Phi Alpha Kappa fraternity, a member of Phi Alpha Kappa fraternity and the Saddle Creek chapter.

He graduated Tech in 1973. Hance was named one of the five most outstanding professors at Texas Tech for distinguished service, and he was appointed Gov. Bill Hobby to serve as member of the state's Water Advisory Council, a study group for water problems.

At Texas University, Hance was elected president of his student body, and received the Counsel Award for outstanding students.

He is well known in areas for his successful role as campaign manager for several winning candidates in the past five years. This was his first race as a candidate.

His wife, Dimmitt, Hance is president of his high school student body. He married the former Carol of Dimmitt, in 1964.

They have two children, 8-year-old Ron, and Susan, 4.

Hance is a member of the Texas and American associations, member of Texas Criminal Justice Association, a state director of the Association of Texas, member of the American Association committee to drug abuse.

He was one of the original operators of Texas Boys'

Ranch and presently serves on its board of directors. His other activities include membership in the Southwest Rotary Club, Lubbock Lions, First Baptist Church, Water, Inc., Chamber of Commerce and Texas Tech Century Club. He served as associate state chairman of the March of Dimes in 1972-73, works on the United Fund of Lubbock annually, and has taught in the college dept. of First Baptist Church.

HARVEST
FROM PAGE ONE

Approximately one-half had staple lengths of 31 and shorter and the remaining one-half stapled 32 and longer.

Micronaire readings continued excellent. Seventy-seven percent of all cotton tested at Lubbock had micronaire readings in the premium range of 3.5 to 4.9, 3 percent was in the high micronaire range of 5.0 to 5.2 and 1 percent was in the very high range of 5.3 and above.

The Agricultural Marketing Service of the U.S.D.A. reported slow trading on the Lubbock market during the week. Prices declined \$25.00 to \$40.00 per bale from the previous week. Prices ranged from 2800 points over the Government Loan for short staple cotton up to 4800 points over the loan for long staple cotton. Typical lots were bringing an average of 40 cents per pound over the loan and were selling in the price range of 50 to 60 cents per pound.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Grade 31, Staple 30 - 52.65 cents per pound, Grade 31, Staple 31 - 57.40, Grade 31, Staple 32 - 62.40, Grade 41, Staple 30 - 51.70, Grade 41, Staple 31 - 56.25 and Grade 41, Staple 32 - 60.95.

Cottonseed prices were

steady and farmers received \$95 to \$110 per ton.

AVERAGE
FROM PAGE ONE

local area are small or moderate in size, they continue to play a major role in the economy, big business notwithstanding.

Their durability is indicated by the figures, which show that local establishments with fewer than 20 employees constitute 96 percent of the total.

Throughout the United States as a whole the proportion under 20 is 87 percent.

With respect to the employment picture, the findings are that Cochran County's business firms - small, medium and large - provided gainful employment for 406 people in the year in jobs covered by Social Security.

Not included in this total are farm workers, self-employed people, domestic workers and those on government payrolls.

With wages and salaries on the rise in the local area, payrolls have been going up proportionately. They reached a high of \$1,732,000. Three years before, when a similar survey was made, they totaled \$1,604,000.

CLAYTON
FROM PAGE ONE

the main issues," Clayton added.

Representative Clayton stated that, up to this point, not many have appeared before the committees and testified. "Greater citizen participation is desired," Clayton said, "because it is important to know what the general public feels about the various issues."

Research personnel for the Convention are available to answer any questions - simply dial, toll free, 1-800-292-9600.

POST
FROM PAGE ONE

we couldn't have made the move without - Larry Buchanan and Mike Sutton top the list - not being sure when we would ever find someone to move us, Larry and Mike came over from Bledsoe Thursday afternoon in their moving clothes - we will be eternally grateful for their help - especially for their patience when the female half of the move couldn't make up their mind just where to put what - and a lot of "No, that doesn't fit - let's try it over here!"

Although the list of those who helped, even if only with moral support, we couldn't wind up without mentioning the nice young man from General Telephone who came Friday afternoon and put in the telephone. From the office, we had gotten "it will be impossible until the 1st of February".

It just so happened we spotted the GTE truck Friday afternoon and running down the

street, we finally caught him, expect he felt sorry for us all out of breath and bedraggled after the chase and came right over and hooked us up temporarily.

We might add while he was still working - we got our first call - from Cong. George Mahon's office informing us of a grant for the South Plains Community Action Association of which Morton is a partner.

Our thanks to Bill Harris - who installed a gas line so we wouldn't freeze once we slowed our pace and tried our fingers on the 'ole typing machine -

By the way, our answer to the energy crisis is simple - "move" - we guarantee "prespiration" in January without heat!

Our thanks too, to the sanitation department for their endless removal of twenty years of accumulated "junk" - and last but far from least our own "Marjie" who kept saying "we can do it!"

Come see us at our new home - 113 W. Washington!

Food Clubs

The 4-H Foods and Nutrition Project will begin soon in 4-H Clubs in the Bledsoe, Whiteface and Morton communities. All boys and girls interested in learning about nutrition and how to cook should contact the County Extension office in Morton for further information.

Meetings will be open to all youth.

25TH AMENDMENT
On Feb. 10, 1967, the 25th Amendment was ratified, setting forth procedures to follow if president or vice president become disabled.

recurring role of police lieutenant Art Malcolin. Larry currently starred in the Los Angeles production of a London...

Enochs- Bula News

Mr. and Mrs. Bob Newton drove to Hurst Thursday to spend a few days with their son, Mr. and Mrs. Dennis Newton.

Chris Rowden of Lubbock spent a week with his grandparents, the E.N. McCallis. They took him home Saturday and stayed over night with his parents, Rusty and Delores.

Visitors at the Baptist Church Sunday were: Mr. and Mrs. L.B. Kelso of Lubbock, Fred Shaw from California, Mrs. Francis Riley and son, Lewis, from Andrews, Mr. and Mrs. Bill Burris, and sons, Jackie, Terry and Ricky of Wellman, Mr. and Mrs. Oliver Jordon of Muleshoe and Mrs. Nelma Wilson and daughter, April.

Gary Welch has been dismissed by his doctor and now has a cast on his arm. He will go back in a month.

W.L. Key, 87, spent Monday till Thursday with his son, Mr. and Mrs. Bill Key.

We wish to express our sympathy to the family of Archie McBe, who died in Methodist Hospital following a lengthy illness. Services were held at 2 p.m. Saturday in the Eastside Church of Christ in Morton.

Roy Bayless of Muleshoe visited in the home of his brother, Mr. and Mrs. J.D.

Bayless, Sunday afternoon.

Mr. and Mrs. Bill Burris and family of Wellman were guests in the home of her sister, Mr. and Mrs. J.E. Layton, Sunday. Carl Hall also visited with his daughters.

Dinner guests in the home of Rev. and Mrs. Charlie Shaw Sunday were his mother Mr. and Mrs. L.B. Kelson, of Lubbock and a brother, Fred Shaw, of California.

Mrs. E.F. Campbell was admitted to the Littlefield Hospital Thursday.

Mrs. Royce Lane and children from Midland spent last weekend with her parents the Ray Seaglers. They returned home with her to spend a week.

Bill Key and Sid visited his brother, Dwaine Key and children, at Oklahoma Line Sunday.

Mr. and Mrs. Chester Petree spent last weekend in Amarillo with her brother, Mr. and Mrs. L.O. Williams.

Shili Salyer of Felt, Okla. visited with Chris Rowden Thursday at the E.N. McCall home.

Mr. and Mrs. Chester Petree spent Saturday night in the home of their son, Mr. and Mrs. Chester Petree, in Clovis and attended their granddaughter Beckie's third birthday party.

Mr. and Mrs. A.P. Fred attended the funeral services for her brother-in-law Alton Logsdon, at Levelland Saturday at 4 p.m.

The Home Demonstration Club met in the home of Mrs. Perry Fort Tuesday. Mrs. Robin Taylor of Muleshoe gave a demonstration on more space in the kitchen. The next meeting will be in the home of Mrs. Quinton Nichols at 2:30 February 12.

Baptist Men's Day was observed Sunday morning with Carl Hall in charge of the program.

Thursday, February 7, 1974

Country fried steak with gravy, whipp potatoes, tomatoes and okra, peach cobbler, roll, milk.

Friday, February 8, 1974

Turkey sandwich, cream peas, pickle beets, apple, milk.

Bledsoe News

The prizes for the Bledsoe Community Improvement Slogan Contest will be awarded tonight at a 7:30 meeting in the County Barn. The purpose of the meeting is to discuss, plan, and actually begin organized community improvement. Everyone is urged to attend. Cochran County Extension Agent, Gail Gladden and Cochran County Soil Conservation official, Wayne Wilcox, will be at the meeting to explain some of the methods and goals for rural community improvement projects.

Monday, January 28th, the junior high girls basketball team won their game against Whitharral, and, in doing so, won District championship. The same evening Whitharral boys defeated the Bledsoe boys.

Tuesday, January 29, the Bledsoe High School hosting Three Way, the Bledsoe girls lost their basketball game by a 60-27 score. June Burns was Bledsoe's highest scoring player with 17 points. With a 59-56 victory in the boys' game, Bledsoe clinched their District title. Tracey Griffiths was the player on top of Bledsoe's scoring with 25 points.

Community Calendar

Senior Citizens meet today at 2 p.m. at the County Barn.

The Bledsoe Busy Bees 4-H Club will hold its regular meeting at 4:45 this afternoon in the County Barn.

Three Way News

By Mrs. H.W. Garvin

Adolph Wittner underwent surgery in West Texas Hospital Monday and is doing fine.

Zed Robinson from Muleshoe visited the D.S. Fowler home Friday. Other guests were their children, Mr. and Mrs. James Fowler from Lubbock.

Tommy Durham, Jr., from Lubbock visited with his grandparents, the George Tysons, Wednesday.

Mr. and Mrs. H.W. Garvin spent Tuesday in Lubbock.

Hospital notes

Patients admitted to Cochran Memorial Hospital January 22 through January 29 were: Danny Luz, Dub Henry, W.E. Latimer, K.G. Flatt, Walter Sandefer, Lee Taylor, Bessie Hawkins, Rudy Sepubeda, Betty Van Hoose, Laura Mills, Doug Kahout, Porisio Granada, Mattie Cooper, Andy Warren, Raymond Pickard, Olga Antillon, E.T. Johnson, Lorita Hovey, Opal Grimes, Ernie Linda Flores, Clara Bales, Joe Bates, Rupert Hooks, Esteranca Avitia, Robert Green, Betty Pierce, Sophia Luz and W.H. Bilbrey.

Mr. and Mrs. Grady Cranford Lovington, N.M. visited her parents Fred Kelleys, Tuesday night.

Mrs. E.T. Batteas is visiting Antonio with her daughter and family John Harris' and is helping take care new granddaughter born January 19.

The Three Way basketball played Bula Friday. They lost games.

Mr. and Mrs. Jimmy Wheeler family from Lovington, N.M. Wheeler from Comanche and Wheeler from West Camp spent time with their parents the Johnnie Wheeler.

Lanita Powell visited with her parents Sunday.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

Over 50,000 Texans are expected to die from cardiovascular disease in the next year. Their grim outlook so early in the year is a shocking statistic.

For another shocker? Deaths in the United States from cardiovascular disease (heart and blood vessel diseases) last year exceeded one million. Fifty percent of deaths from all causes are due to heart disease.

The Health Department is aware of the problem and joins with other agencies and volunteer groups in public awareness campaigns designed to cut into the annual toll. One such campaign is designated as Heart Month.

It is estimated that Texas has 1.2 million persons afflicted with some form of heart and blood vessel disease. Hypertension afflicts more than 4 million persons; coronary heart disease another 1.7 million; and rheumatoid arthritis another 1.6 million. Some have more than one disorder. The bad side of the ledger. Now,

what can be done to help balance the books?

In many illnesses there are cures wrought by modern medicines. In others there are preventive methods such as immunizations. There are no injections to ward off heart disease, but some steps can be taken to lessen your chances of becoming a statistic.

Nine risk factors are listed by physicians and medical scientists which make man more susceptible to a heart attack. One of these—the remedy—is beyond our control. But, by decisive action, you may be able to cut down on your chances of heart problems due to the other eight: high blood pressure, high levels of cholesterol in the blood, overweight, excessive eating, too little exercise, diabetes, cigarette smoking and tensions.

If you are beset by any one of these risks, your chances of a premature heart attack are boosted to six times above the risk of the person free from such a burden. With a combination of factors, your risk is far higher. A man's chances of having a heart attack before age 65 are only about one in 20 to one in 50 if he is

JAMES WALKER, Morton attorney, was on hand at South Plains College Tuesday talking on "legal obligations and responsibilities of nurses and medical employees." His address was directed mainly at SPC nursing students. Pictured, (left to right), are: Barbara Bennett, of Morton, a part time instructor of vocational nursing at SPC. She is also a registered nurse;

Walker, Angela Bossi, a Lion's Club exchange student from Brazil, visiting in several homes on a seven-week stay in Morton; Nevelle Danner, a registered nurse, South Plains vocational nursing coordinator; and Helen Brown, SPC vocational nursing assistant program coordinator, as well as a registered nurse.

normal in these nine risk factors. If you are over-shadowed by two or three of these risk factors, such as high blood pressure, (hypertension), high blood cholesterol or obesity, your chances rise to one in two or 50 per cent.

A regular checkup as prescribed by your private physician, may provide some advance notice of the impending danger of a cardiovascular problem, says the State Health Department. You and your doctor can chart a course of action to eliminate some of those nine factors so powerfully implicated in causing heart attacks. Or, you can choose to do nothing and await the consequences.

One of the simplest problems to uncover is hypertension, which afflicts some 22.3 million Americans and leads to strokes, heart failure, serious kidney problems and often to early death. It is called the silent killer because only half its victims are aware they have it. Of those, only about half are receiving any treatment.

While everyone needs blood pressure

to move blood through the circulatory system, too much pressure is bad. It's a simple matter to check blood pressure, and it's quick and painless. Your physician, his nurse or trained aide places a blood pressure cuff around your upper arm to determine the force of blood as it comes from the heart and hits the artery wall. A gauge attached to the cuff allows the operator to measure the pressure as the cuff is inflated to close off the blood circulation. A high reading—registering the "systolic" pressure from the pumping action of the heart—and a low reading, "diastolic" pressure while the heart is relaxing, are recorded. Your physician knows the normal blood pressure levels and can say immediately if your level is high.

Early detection means early treatment—and a better chance for a longer life. It's your life, so why take

chances with hypertension or any of the other risk factors? Isn't it about time that you start controlling the way you live and put your heart first?

Chinese will build a mill in Kashmir

A \$5.75 million textile mill, expected to be completed in two years, is being built at Mirpur, in Pakistan-held Kashmir with Chinese aid, according to Pakistan-controlled Azad Kashmir Radio. The Chinese also are helping Pakistan build helicopter pads and roads in the area, according to the report.

Bookmobile schedule

The High Plains Bookmobile will be in your area on the following dates:
Tuesday, February 5, Morton, 9:30-11:45.
Wednesday, February 6, Circleback, 9:00-10:00; Bula No. 1, 10:15-11:15; Bula No. 2, 12:00-1:00.

Morton student on Dean's List

Mrs. Diane Avery Lobstein, daughter of Mr. and Mrs. Weidon Avery, is among 99 students listed to the Dean's Honor List for the fall semester at Wayland Baptist College.

A senior, Mrs. Lobstein, is majoring in elementary education and minoring in Spanish. This past semester she has maintained a 3.75 grade average.

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

The Best Since 1961... Freeze Cuts Into Citrus Production... Sheep and Lamb Feeding Increases... Milk Production Shows Some Gain.

Even though the 1973 estimate for cotton has declined from earlier predictions, the Texas' crop will be the best since 1961. Texas' cotton crop is now estimated at 4,650,000 bales.

Because of you... today a man is on a dusty road leading south from Rawalpindi...

reporting, analyzing, probing — to send you an eye-witness story. Other Christian Science Monitor reporters are gathering facts for you in Moscow, Nairobi, Beirut, London, Tokyo, San Francisco, and Washington.

Because you need to understand what's happening in order to change what's wrong and to support what's right.

The Christian Science Monitor gives you the facts, and reports how problems are being solved. It keeps you informed but not depressed — the Monitor has a uniquely hopeful outlook.

News, commentary, art, entertainment, fashion, sports, business, family: a lively daily newspaper (Monday-Friday) with something for everyone. For 13¢ a day — less than two postage stamps.

Yield is expected to average 429 pounds of lint per acre compared with 408 pounds in 1972 and only 263 pounds in 1971. Harvested acres are estimated at 5,200,000 compared with 5,000,000 in 1972.

Harvest of the crop is virtually complete except for a few isolated fields. Stalk destruction and land preparation for the 1974 cotton season is active in the southern Texas. Planting of the crop in the Rio Grande Valley will begin in mid-February.

IT'S OFFICIAL: the freeze in the Rio Grande Valley of several weeks ago has cut into production of the 1973-74 citrus crop. The Texas Crop and Livestock Reporting Service notes that the crop now is forecast at 18,700,000 boxes. This is three per cent below the 19,200,000 boxes produced last season.

The January 1 estimate is down from the December 1 forecast due to the hard freeze that hit the Valley in late December.

Grapefruit production is expected to be three per cent below the production of last year.

Overall tree condition has dropped in many areas because of the low temperatures.

AN INCREASE of 19 per cent in

numbers of sheep and lambs on feed in Texas is reported by the Texas Crop and Livestock Reporting Service. Drylot sheep feeders with a lot capacity of 2,000 head or more had 108,000 sheep and lambs on feed as of January 1. This is 20 per cent above the number on feed a year ago and 19 per cent above a month ago.

Current intentions to market are January 38,000 head; February 35,000 head; March 24,000 head. The February and March intentions are incomplete since additional lambs could be placed on feed and marketed during this period.

MILK production, which has shown a steady decline in Texas and the nation for the past year, did show a one per cent increase in December of 1973 and a three per cent increase above the previous month.

Milk production per cow kept for milk averaged 755 pounds during December which is 10 pounds above a year earlier.

Nationwide, however, milk production declined three per cent during December.

STOCKS of hay on Texas farms as of January 1 are almost twice as high as a year ago. Hay stocks totaled 4,356,000 tons compared with only 2,753,000 tons as of a year ago.

AGRICULTURE producers throughout the state are urged now to get their fuel needs known to their local distributors. Federal officials in charge of the fuel allocation for agriculture recommend that farmers let their suppliers know how much fuel they will need for 1974.

County Agricultural Stabilization and Conservation Service offices are designated as the agency to handle fuel supply programs through the federal fuel program.

ASCS offices are receiving the detailed information on how the federal program will work, and should be contacted by producers having problems in getting sufficient fuel for food and fiber production in 1974.

Post-Korean veterans get GI Bill reminder

Post-Korean veterans are down to about their last semester of eligibility under the GI Bill, but an extra year remains for those interested in farm cooperative training, apprenticeship or on-the-job training, and those qualified for advanced flight training, according to Jack Coker, VA Regional Director.

The standard eligibility period for GI Bill training for all veterans is eight years after separation from military service, Coker explained recently. However, post-Korean veterans — those with service from February 1, 1955, through May 31, 1966 — were not eligible under the current

VA officials explained that eligible veterans may qualify for flight training only when it is generally accepted as necessary to attain a recognized vocational objective. This can be in the field of aviation or where it is recognized as ancillary to the pursuit of another vocation.

Applicants for flight training must possess a valid private pilot's license and meet medical requirements for a commercial pilot's license, Coker said.

The delay in providing post-Korean veterans entitlement

for GI Bill training is seen as the primary reason why 34 percent of this group taken advantage of education benefits.

Comparatively, 47 per cent of servicemen separated after enactment of the current Bill have enrolled in educational training under provisions of the bill.

"Some of the post-Korean veterans have been out of service for as long as 11 years before the GI Bill gave them their entitlement," Coker said. "By that time many of them find it impossible to take advantage of the GI Bill because of family or other responsibilities."

Age also deterred many post-Korean veterans from pursuing school enrollment. The average post-Korean veteran is 15 years older than his Vietnam-era counterpart.

Gasoline shortage seen increasing telephone usage

The gasoline shortage may increase use of local and long distance telephone facilities, according to L. Gray Beck, president of General Telephone Company of the Southwest.

"No trend has developed," Beck explained, "but if the trend is upward, margins for growth in telephone usage built into equipment should prevent any serious shortages. However, we want our customers to know there is a possibility of some busy conditions on local and long distance calls if the gasoline shortage becomes more critical and telephone usage replaces travel to an unexpected degree."

"Telephone calls are an effective way to reduce gasoline consumption and we are suggesting that customers call instead of drive where possible," Beck said and added, "If busy conditions do develop it is suggested that calls be made during non-busy hours."

Requirements for switches and circuits in use today were established several years ago and usually equipment is ordered 18 months to three years before it becomes operational — based on projected usage when the project is engineered," Beck said. "Over capacity is costly to customers and company and the gasoline shortage certainly was not figured into earlier projections; however, we are making every effort to stay on top of any adjustments which need to be made."

Payers may contribute to Presidential campaign

Payers preparing their tax returns can take part in the 1976 Presidential Campaign Fund by checking the appropriate box on their Form 1040A, John J. Sloan, Officer of Internal Revenue, said today. The law enacted by Congress in 1973 allows every taxpayer with a tax liability for 1973 or more for 1974 to contribute to the fund. If he wishes to do so, he must check the appropriate box on his Form 1040A and also designate \$1 of his tax liability to the fund. Sloan said the fund question appears on Form 1040A and if the taxpayer did not contribute to the fund,

he can do so by checking the box just above his signature on either form. On a joint return, a husband and wife may each designate \$1 for the fund, for a total of \$2, Sloan said. If a husband wishes to designate \$1 and his wife does not, or vice versa, one should check the appropriate box and leave the other box blank. "Participation by a taxpayer in the Campaign Fund will neither increase his tax nor reduce any refund due," Sloan said. Taxpayers cannot specify a political party to receive the money they designate to the fund. Sloan said. "The fund will be distributed on a nonpartisan basis to all eligible candidates."

FOR PEOPLE WHO THINK

The Christians who assemble at Taylor and SW 2nd. greetings:- many times—people who have learned what it is to become one who, by God's promised action of circumcision made without hands) have the cutting off of the body of the flesh.... and been "...quickened (made alive—CRM)" with and have their trespasses (sins—CRM) forgiven (Romans 2:11-13) often ask the question, "When I die and am so saved,—what 'church' shall I let us go to the Bible and learn just what happened so obeyed God. Certainly there is no other way in the answer.

First time people were taught, and they believed the word of the apostle Peter, is recorded in chapter two. When they realized (were convicted of) state of condemnation, they feverently inquired "What shall we do?"—Verse 37. Peter told them—verse 38 "Repent, and be baptized, every one of you, in the name of Jesus Christ, and you shall receive the gift of the Holy Spirit."—verse 40. "Then they that received his word were baptized: and the same day there were added unto them about three thousand souls."—verse 41. It is necessarily true that some were approved of God. It is not important HOW they were approved, but it IS important to every other lost soul who others were added to their number. This is both YOU and ME, dear reader! These people's names are described in verses 42 through the first part of verse 47. In the last part of verse 47 we learn WHO did the baptizing—the Lord. The King James version states "The Lord added others who should be saved to the church." The American Standard version says "added to the church as in verse 41. The original word used to be translated by the word 'church' means 'called-out; a called-out assembly.'" Both those of verse 47 were people who were called by the apostles preached—2 Thess. 2:14. We will continue this in the next article. Remember our welcome to the assemblies at Taylor and SW

C.R. MANSFIELD, Evangelist
CHURCH OF CHRIST.

Spot cotton prices showing sharp drop

Spot cotton prices were sharply lower in Western Region markets this week, according to the Agricultural Marketing Service, USDA. Growers, with only a limited volume of free cotton left, appeared in no hurry to sell at prevailing prices. Foreign and domestic demand weakened. Some buyers withdrew from the market. Merchants were reluctant to offer stocks although a small volume was sold to domestic mills for fill-in needs.

Demand for contracting of the 1974 crop also weakened. Some merchants withdrew from contracting activities. Others offered sharply lower prices. More growers resisted the lower offering prices and volume contracted was very light. Harvesting was nearing completion in most locations, although some growers continued "scrapping" operations. Additional rainfall during the week hampered field activities in Central Texas and in some California locations. Many Oklahoma gins had large backlogs of seed cotton on hand. Ginning of previously ricked cotton continued at some Texas Plains gins. Dryland areas of South Texas could use a good rain before planting time, according to some observers.

Prices quoted for selected qualities, 3.5 to 4.9 mike, in the six Western Region spot markets are as follows:
Dallas, this week, 54.25; last week, 57.25; Strict Low Middling Light Spotted (42) Staple 31.
Houston, this week, 72.00; last week, 75.00; Middling Light Spotted (32) Staple 34.
Lubbock, this week, 51.70; last week, 52.70; Strict Low Middling (41) Staple 30.
El Paso, this week, 81.50; last week, 91.00; Strict Low Middling (41) Staple 36.
Fresno, this week, 82.95; last week, 90.45; Middling (31) Staple 35.
Phoenix, this week, 74.45; last week, 83.45; Strict Low Middling (41) Staple 34.

Three Way plans Outsider's tourney

Seniors at Three Way High School are planning an Outsider's Volley Ball Tournament February 28 through March 2. The tournament is open to both men and women.

Anyone wishing to enter teams is asked to contact the Senior Class, Box 87, Maple. Deadline for entries is February 12.

Individual trophies will be given as well as team trophies and all tournament trophies. No entry fee is required, however, admission will be charged.

County Agent News

By Mrs. Gail Gladden
Many people find those tasty holiday delights still with them—in the form of extra pounds.

Here are some "do's and don'ts" for solving the problem.

"It's best to take off extra pounds as soon as possible. Otherwise, it may get put off and never be done."

"You should lose those extra five pounds in two to three weeks by cutting down 1,000 calories daily—or in about five weeks by cutting down 500 calories daily."

When reducing, be sensible. "Reduce size of servings but eat a wide variety of foods. Cut down on calories—not nutrients."

"To do this, choose foods wisely—avoid 'empty-calorie' foods with lots of calories but few vitamins and minerals."

Using fortified skim milk helps cut down on calories. "It contains half the calories of whole milk—but the same valuable calcium, riboflavin and protein without extra fat."

"Citrus fruits, on the other hand, are low in calories and rich in vitamin C, another important nutrient."

Some suggestions in meal preparation to help reduce caloric intake are as follows:

"For one, serve steamed or pan-fried vegetables such as broccoli or carrots. They furnish lots of vitamin A but few calories. Also, avoid adding extra fat, cream or cheese sauces to vegetables. Instead, experiment with different herbs and spices to please family tastes. "In addition, trim excess fat from meat before cooking it. "Dieting doesn't mean avoiding enriched breads and cereals—they supply essential B-vitamins and iron. "When eating bread or cereal, don't add calorie-rich toppings like butter, jam, jelly or frosting. Do not expect overnight results. "Although those extra pounds seemed to go on almost that fast, it's best to take them off slowly."

TRIBE

FROM PAGE ONE

be filed away under the "no contest" category, as Coach Ted Whillock used all of his reserves fairly early in the game in what appeared to be an attempt to hold the score down. He evidently didn't want a repeat of last year's contest when the Indians soared well over 100 points.

Jerry Silhan was the big gun for the Tribe with 18 points on 7 of 12 field goals and 4 of 7 free throws. Larry Thompson copped 16 points off 7 of 18 field shots and 2 of 4 free throws and was tied by Mike Williams who hit 6 of 12 from the field and 4 of 6 from the charity line.

Mark Fluitt was the other tribesman in double figures with 10 points on 5 of 8 field goals. They were followed by Billy Joyce with 8 on 4 field shots; Ralph Mason with 4; Darrell Smith and Kenneth Standmire with 2 each.

Williams was top man under the boards with 12 rebounds and was followed by Silhan with 8 and Thompson with 7. Silhan and Smith tied in steals with three each.

Balanced scoring was the hallmark of the win over Clovis. The Tribe had five men

in double figures and a sixth within one point of making it.

Fluitt with 19 tallies was top man for the night, closely followed by Thompson with 18 and Silhan and Mason tied with 14 each. Joyce was the fifth man in double figures with 10 points on five field goals.

The big surprise in the contest, however, was the game turned in by Ralph Mason. He collected his 14 points on 7 of 11 field goals for a high shooting average topped only by Fluitt's 9 of 12 from the field.

Smith racked up 9 points on three field goals and Williams tallied three on one field goal and one free throw. Williams took rebound honors with nine with Silhan gathering in 8.

The Morton JV clipped the Littlefield JV by 61-53 and topped the Clovis Sophomores 51-50. Ray Dean Thompson was high scorer in both tilts with 23 and 16 points respectively.
