Kitchen Care.

Your kitchen is an "energy center". You'll keep it humming smoothly and efficiently if you follow Reddy's Kitchen Care tips:

- Thermostats** - When you open the oven door, 20 percent of heat escapes. Get all the benefits of proper temperatures in ovens, freezers and refrigerators by avoiding oven-peeking and opening doors unnecessarily.
- Power** - Freezers and refrigerators as near to capacity as possible, but don't overcrowd. Defrost on a regular schedule if your equipment is frost-free; frost build-up makes motors overheat.
- Manuals** - Manufacturers' appliance manuals are based on laboratory tests that determine best temperature settings, best utilization and recommended servicing of specific makes and models. Follow them for less chance of breakdown and more efficient energy usage.
- For safety sake** - Never use a damp or wet cloth instead of a potholder.
- Always turn handles away from the working area in front of your range. If something in the oven catches fire, turn the oven off and leave the oven door closed.
- Never use aluminum foil on the bottom of your oven. You could block circulation of air causing the oven to build up too much heat and ruin the heating element.
- Keep oven cleaner off the gasket, door seal and aluminum trim. It deteriorates the gasket, wasting heat and electricity.

About Local Folks

By Dutch Gipson

Mr. and Mrs. Louis Kuehler and Mrs. C. A. Schuler of Brownfield went fishing at Oak Creek last week and reported good fishing.

Miss Carol Funk, the former wife of Fipps, will undergo major surgery October 18 at Methodist Hospital in Lubbock to correct her chronic ear problem.

Mayor and Mrs. Marshall J. Fitzell spent Sunday attending the Reese Air Force Open House. They also attended the Thunderbird reception hosted by Col. and Mrs. Schuyler Bissell, commander of the 64th Flying Wing of the base.

Mrs. Kate Carley of Mesquite in Morton is visiting her two nieces, Alta Corder and Myrtle Corder.

Mrs. Bessie Angley of Burdado, Okla., former president of Morton, is visiting friends and taking care of business interests.

Mr. and Mrs. Hume Russell attended the funeral Sunday of a long friend, Walter Wiley, in Estelline.

Mrs. Sadie Taylor received word from her daughter, Mrs. James Porter, of Pasadena she was recovering nicely from surgery and was home from the hospital.

Judge and Mrs. Glenn Simpson attended the South Plains Assn. of Governments Board of Directors meeting Tuesday in Lubbock. Commissioner and Mrs. Mike Men met them following the meeting and the four traveled to the State Convention of the County Judges and Commissioners Association meeting to be held at the Rice Hotel in Houston Wednesday, Thursday and Friday.

Mr. and Mrs. Earl Polvado returned home after spending two and a half weeks in Europe, sponsored by the Western Baptist Convention. There they attended the Portuguese Baptist Convention in Lisbon, Portugal. They toured London and visited with missionaries

there and also attended services at two Baptist Churches. From London they visited in Austria with the Baptist missionaries and also met some from Rome, Italy. They attended a Strauss Concert and an opera also. Enroute from Austria to Switzerland, they made a brief stop in Frankfurt, Germany to visit with Vickie Kennedy Gage, whose husband is stationed there. The last stop on the tour was six days in Switzerland. There they participated in services in different churches. Christene played the piano and Earl witnessed through reading scriptures. They enjoyed a tour of a chocolate factory, some cheese making and the many shops that sell instruments of precision for which Switzerland is famous. They returned home Wednesday night, tired, but very happy!

Among those attending the Buffalo Bar-be-que in Plains last Wednesday honoring Gov. and Mrs. Doc Briscoe, Mr. and Mrs. Kent Hance and Rep. and Mrs. E.L. Short from Tahoka were: Mrs. Lessye Silvers, Mrs. Ann Griffith, Mr. and Mrs. Johnny Love, Judge and Mrs. M.C. Ledbetter and Mr. and Mrs. Cyrus Fields.

Sewing club meeting held

Mrs. G.F. Cooper was hostess for the October 3 meeting of the Busy Finger Sewing Club.

Mrs. J.B. Carter, vice president, presided over the meeting. Mrs. A.R. Lindsey gave the opening prayer and Mrs. E.C. Neiman read the minutes of the previous meeting.

The club project was discussed and will be presented at the next meeting for a vote.

Mrs. F.G. Kennedy closed the meeting with a prayer. Attending were: Mmes G.G. Nesbitt, Neiman, C.C. Benham, J.B. Carter, Lindsey, Nath Crockett, Kennedy and the hostess.

Whiteface 4-H club elects new officers

The Whiteface 4-H Club met September 30, in the Community Building in Whiteface to elect officers for the coming year.

The group elected the following officers: President, Ricky Neal; Vice-President, Shirley Roberts; Secretary and Treasurer, Lynette Joiner; Reporter and Sergeant-at-Arms, Christi Beadles; Council Delegate, Donna McHam and Recreational Leader, Jeff Lyons.

Adult leaders elected were Mrs. Lettie Roberts and Mrs. Linda Neal.

There were 24 4-H'ers present together with two leaders and County Agent P. Sullins. Mr. Sullins gave a program on livestock.

Refreshments were served to the group.

EDDIE PERKINS OF CLEBURNE (center) and Jamie Hemphill of Coleman, chairman and vice-chairman, respectively, of the Texas 4-H Council, inspect a masonry saw with Job Superintendent Ed Miller of the Herman Bennett Company while on a special inspection tour of the \$1.375 million Texas 4-H Center at Lake Brownwood. The 200-capacity facility is being constructed under the leadership of the Texas 4-H Foundation and is expected to be completed by early spring 1975. The Center will contain modern conference arrangements and serve as a training facility for 4-H members and volunteer leaders, and other groups with an educational purpose. The construction of the new Center fits well with this year's "We Can Make It Happen" theme for National 4-H Week, Oct. 6-12.

They will show me the path of life, in thy presence is fulness of joy. PSALM 16:11

HERE IS THE PATH

shall love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind, and thy neighbor as thyself. Luke 10:27

The basis of God's first and greatest commandment is love. God gave man the freedom to choose and therefore will not force his love on anyone. God took the first step and is always ready to receive any who would come to Him.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The High Plains is not the only area in which cotton production prospects have been eroded by unfavorable September weather, according to Donald A. Johnson, Executive Vice President of Lubbock-based Plains Cotton Growers, Inc.

After canvassing the major cotton producing areas, Johnson says only a few sections of the Cotton Belt now expect to harvest crops equal to projections made in September. "So it looks like the 13.2 million bale U.S. production forecast, made by USDA based on crop conditions September 1, may be 600,000 bales or more too high."

In South Central cotton states, from which USDA's September 11 report showed prospects for 4,740,000 bales, cloudy, cool and wet conditions have caused varying degrees of boll rot in Mississippi, Arkansas, Missouri and Tennessee. Boll Weevil infestations have been severe in Tennessee. The crops in Louisiana are termed only "fair."

In Southeast, Alabama cotton may not have lost too much ground in September, but wet weather in the

northern part of the state and a heavy bollworm outbreak have not enhanced the outlook. Georgia crops are reported to be in reasonably good shape. Temperatures have been warm, but too much rain in some areas makes it doubtful that USDA's forecast of record yields will be achieved. North Carolina cotton, earlier than last year, has progressed at a fairly normal pace and the state has a good chance to make USDA's production estimate of 465 pounds per acre.

South Carolina on the other hand has had more wet weather and bollworm problems, making growers considerably more pessimistic.

residing within the county but unable to vote on election day due to sickness, physical disability, religious belief, or incarceration for less than a year, can also make application to their county clerk requesting that an absentee ballot be mailed.

White noted that the absentee voting period for the November 5th General Election will continue through Election Day, November 1. In addition, White said some counties may have established additional absentee voting locations for persons wishing to vote absentee in person and suggested that anyone interested in determining where such locations may be, contact their county clerk.

INDIANS
FROM PAGE ONE

Indians were unable to execute a two point conversion and the score stood Morton 19, Idalou 14.

The victory was certainly on thin ice for the Tribe until the clock ran down with the Wildcats stalling near Morton's goal line with 1:11 left in the game. The Indian defense again proved themselves and held the Wildcats to provide a 19-14 final for the contest.

The Indians are hoping to get everything together in its last pre-district game with Class 3A Muleshoe tomorrow night. The Indians will be hosting Muleshoe and will be seeking a win to climax homecoming festivities.

Muleshoe can be a menace on the playing field with five defensive and six offensive holdovers from last year. They have size as seen in center Dusty Davis at 6'3" and 220 pounds and tackle Robert Stovall at 6'2" and 190 pounds.

Muleshoe has had their trouble in coming out on top of the scoring in early season play due to costly mistakes, but they can move the ball well and will be hoping to do so tomorrow night with the 7:30 p.m. kickoff in Indian Stadium.

building to a climax Thursday at 8 p.m., with the traditional bonfire and pep rally. Following the bonfire, the students, exes and visitors will gather in the gymnasium for the traditional coronation ceremonies and the crowning of the Football Queen, Band Queen and Pep Squad Queen.

The Homecoming Queen will be crowned during halftime activities of the homecoming football game Friday night.

There were nineteen candidates vying in the four Queen categories, three each in the Football, Band and Pep Squad, and four for Homecoming Queen.

Candidates include: Homecoming Queen —

Sheritta Fluitt, Vickie Hall, Kathy Mason and Robbie Sanders.

Football Queen — Kathy Mason, Vickie Hall and Sheritta Fluitt.

Band Queen — Terry Dobson, Gail Lasseter and Cindy Tanner.

Pep Squad Queen — Manuela Alvarez, Doretha Patton and Robbie Sanders.

A giant barbecue, catered by the famous Underwoods Barbecue Restaurant of Lubbock, is scheduled at the schools cafeteria from 5:30-7:30 p.m. Friday, preceding the football game. The public is invited and it should afford an outstanding occasion to meet and mingle with friends and exes of long standing for a good visit.

This year's honor classes for the homecoming celebration are classes of 1964, '54, '44, '34 and '24.

Following the football game, the ex-students will meet in the schools cafeteria for a coffee and cake get-together and their annual business meeting.

and doing remarkable things. Adequate communication is often the problem.

Across the country and in Cochran County, increasing numbers of young people are involved in efforts to improve the quality of life in their communities. These youths, all 4-H'ers and their parents and leaders are working cooperatively to make things happen through individual and group activities.

National 4-H Week, October 6-12, focuses on these cooperative efforts which involve nearly 5.3 million boys and girls and some 560,000 volunteer leaders, nationwide.

An annual observance since 1927, National 4-H Week serves as a time for 4-H members and leaders to review past accomplishments and to exert even greater effort for the future in the "learn by doing" program.

"We can make it happen" is the theme of 1974 National 4-H Week. The words sum up the optimistic philosophy and aims of 4-H everywhere. The phrase pinpoints youths' commitment to learning, service to others and involvement in programs designed to develop their leadership and citizenship potential to the fullest.

Cochran County 4-H youth are "making it happen with

Dimmitt, Friona dominate play, District 3-AA state

Friona's Chieftains finally were scored on, and Dimmitt's runaway express was slowed somewhat — but District 3-AA's two top teams continued on their undefeated way in games last week.

The scrappy class-A Hart Longhorns carried the fight to Friona's Chieftains, and scored the first points against the Redskins in 18 quarters, counting 1973, but Friona still registered a 14-6 triumph.

In an offensive game still dominated by big defensive plays, the Chiefs had a slight edge in total offense, 285-254, although Hart out first-downed the Chiefs, 15-13.

"Hart is as good a class A team as we've played in a number of years. Their line moved our people like no other team had this season," said Friona coach Bob Owen.

Dimmitt raced to its fifth season win, 20-0 over the

Tulia Hornets, but saw its point and total offense production slowed somewhat by Tulia, which was a reputable defense.

The Bobcats still rolled up 310 total yards, but this was considerably less than the 444 yards per game it had averaged in the first four games.

Dimmitt draws Lockney this week, a team that dropped a 29-28 cliffhanger to Kress last Friday. A high-scoring game might be expected.

Olton powered past Abernathy, 33-6, getting pairs of touchdowns out of Glenn Johnson and Jimmy Parker.

The Mustangs allowed a touchdown by a long pass, or would have shut out the District 4-AA Antelopes. Olton gave up only 100 total yards.

Morton had to score a late TD to down winless Idalou, 19-

14. Quarterback David Ramby raced 12 yards around end to wipe out a 14-13 Idalou lead late in the game.

In the district's only loss of the week, Littlefield found out that Floydada was tough. "They have the best team we've seen in four or five years," said Jerry Blakely about the 27-7 loss.

A & M to break ground for second Aggie campus

October 12 will be a red-letter day in the history of Texas A&M University and its agricultural programs as ground will be broken for a new West Campus.

The ground-breaking plus a display of A&M's sprawling agricultural complex will be highlighted during Agriculture Day on the A&M campus, and agriculture will receive special mention during the Texas A&M-Texas Tech football game which gets underway at 3 p.m.

Ground-breaking ceremonies of the West Campus development program will be at 11 a.m., announces Dr. H.O. Kunkel, dean of agriculture. A barbecue will follow, with tickets at \$3 each.

Prior to the ground-breaking, visitors will have an opportunity to tour some 14 different agricultural departments that will be holding open house. The U.S. Army's "Golden Knights" will stage a parachute drop at 10 a.m. onto the main drill field.

According to Kunkel, plans are proposed for two multimillion dollar centers to be located west of Old College Road, directly across from A&M's mail drill field. The two proposed buildings are the 165,000 square foot Animal and Food Sciences Center and

the 153,000 square foot Soil and Crop Sciences and Entomology Center.

Expected participants in the ceremonies will be State Senator Max Sherman, chairman of the Senate Committee on Natural Resources; State Representative Jge Hubanek, chairman of the House Committee on Agriculture and Livestock; Clyde H. Wells, president of The Texas A&M University System Board of Directors; Dr. Jack K. Williams, president of the TAMU System; and Kunkel.

"Agriculture is a \$5 billion industry in Texas, so it's a big business not only in the state but at Texas A&M University as well," points out Kunkel. "We invite all Texans to share in the unveiling of plans for our new agricultural complex, to see our present facilities, and to hear of our plans to continue to move forward in supporting the great agricultural industry of this state."

WEEBLOS INDIAN DANCE TEAM performed at the Morton Cafeteria Friday afternoon before a large crowd of students. Leslie Dendy, 5th grade teacher and mother of the group, interpreted the dances.

Weeblos perform at club meeting

Seventeen members of the Morton Weeblos Indian Dance Team performed at the club meeting Thursday night in the Community Room of the Morton Savings and Loan Branch. Mrs. Ray and Mrs. Jimmy St. were hostesses.

Weeblos performed a variety of dances, the bell dance, the feather dance, Leslie Dendy, pack leader, described the dance in which the dancers are stalked by the killer, cleansed and awarded a victory dance is

Kenneth Williams presented a short program on the history of the area with each member on a board. These were recorded in the book beginning in 1921. A display of wire, pictures from the museum and newspapers were shown. The display will be at the Cochran Fair, October 3, 4, and

Loy Kern gave a book on "Texas Last Frontier" by Elvis E. Harris, a former Morton teacher. She told of Harris, a windmill maker who didn't make it the day he came to town in 1916 for

five months because he was so busy. Other items of interest mentioned was that the 1900 census of Cochran County showed a population of 25; in 1910-65; and in 1920 the population had only increased two people for a total of 67.

Mrs. Kern was presented a plaque for residing in Cochran County the longest and Mrs. Lamell Abbe, a round of applause, for the shortest length of time.

Mrs. Donnie Dewbre gave a "Touch of Spice" on the Arts. She read a short passage on opera, a lost art, and how some of it is used more than realized in the Wedding March and Graduation March.

Mrs. Abbe was welcomed into the club as a new member. Other members present were: Mmes. Dwain Hester, Mike Liner, Ray O'Brien, Bill Welch, Kern, Luper, Roddy, St. Clair, Williams, and Dewbre. Guests were Mrs. Rick Coffman and Mrs. Ed Pruitt.

The next meeting will be held October 10 in the courthouse. Mrs. Mary Ann Asbill and Mrs. Keith Price will be in charge of the program on juvenile delinquency. Special guests will be C.G. Richard, Cochran County Sheriff and W.M. Butler, Probation officer for Cochran County.

REV. LEO COLE
Rev. Leo Cole conducts revival at Bledsoe Church

The Rev. Leo Cole, pastor of the New Home Baptist Church is conducting revival services at the Bledsoe Baptist Church this week. The services began Wednesday and will continue through Sunday.

Rev. Cole attended Wayland College and is a former pastor of the Flamont Baptist Church.

Clifford Trull from Pansy Baptist Church is the song leader.

Services are being held at 7:45 a.m. and 7:30 p.m. daily. The Rev. Henry Rhynes is host pastor. A nursery is provided for all the services.

County highway improvements slated by THC

Highway improvements in Cochran County are included in a \$50.2 million safety and improvement program for 1975 approved recently by the Texas Highway Commission.

District Engineer George C. Wall of Lubbock, said the work includes such projects as widening, providing additional surfacing, resurfacing, sodding, improvement of shoulders and other types of work.

The 1975 State Highway Safety and Betterment and Farm to Market Road Improvement Program statewide include 709 projects in 201 counties of the state, involving 4,328.2 miles of roads.

Fifty-two percent of the work is on US and State-numbered routes, 47 percent is on Farm to Market Roads and one percent is reserved for later assignments.

Projects in Cochran County include: Additional Financing for S.H. 214 from north City Limits of Morton to the Bailey County Line - Reconstruction Gr., Strs., and Surf. - 6.2 miles in length. \$173,000 estimated cost.

CRUISER EXPLOSION
On Oct. 1, 1972, an explosion ripped the 7th Fleet's heavy cruiser Newport News off Vietnam, killing 19 sailors and injuring 10.

Club booth gives residents 'look back'

The Emlea Smith Junior Study Club gave residents of Cochran County an opportunity to "look back" over its 50 year history at their booth at the County Fair last week and a chance to make suggestions on ways to improve the county.

Newspapers, loaned by the Morton Tribune, were on display for comparing prices of yesteryear with those of today and all the "news" twenty-eight years ago.

Glass cases housed items borrowed from the Cochran County Museum. Some of the items included a teapot, used by the Slaughter family in the 1900's, a cast iron, pictures of the Slaughter family and a picture of the first sheriff of Cochran County. A Branding Board had the brands registered from 1921 through 1945.

Members placed a suggestion box at the booth for improvements people would like to see in the County. Results of the survey: improvements in the school systems, more restaurants; a motel; youth center and job opportunities for youth, support local business, "Meals on Wheels," new

industry, liquor by the drink, playground equipment for Strickland Park and put the star back on top of the courthouse.

36 Study Club begins 4-75 course of study

The 36 Study Club began its course of study in the home of Mrs. Mham. The study is a comprehensive series of American history beginning, the sights, and home truths about and its leaders.

Neal Rose was moderator for a panel on the race west following the Turkish of Constantinople led to the discovery of

minerals. The Spanish explorers and the French missionaries mentioned along with the Indians and the sophisticated of the Yayas and Europeans tried to their culture on the

natives but were unsuccessful. They were more imperialists than settlers and it remained for the English to become the first colonists and establish real homes in the new found land.

Others on the panel were Mrs. Joe Nicewarner and Mrs. Maurice Lewallen.

Mrs. Lessye Silvers presided over a short business meeting and Mrs. Ruth McGee led members in the Club Collect.

Those present were: Mmes. Bill Sayers, M.C. Ledbetter, Nicewarner, McGee, W.C. Benham, Gage Know, Rose, Joe Gipson, James St. Clair, Sr., John Crowder, Hume Russell, W.W. Smith, Silvers, Iva Williams and the hostess.

The next regular meeting will be October 16 at 4:15 p.m. in the home of Mrs. Ledbetter.

Trend is back toward grain-fed beef, expert says

Although grass-fed beef supplies are up and continuing to increase the long-range picture still points to the return of grain-fed beef, contends a livestock marketing specialist for the Texas Agricultural Extension Service.

"More grass-fed beef and veal is available today because of large numbers of feeder animals and calves and a slack in demand for feedlots," points out Dr. Ed Uvacek.

"Yet, this will only be a temporary condition that should change by the end of next year. From there on, cattle feeding and fed beef production should once again move upward."

Why the contention that cattl feeding will again come into prominence?

"The American public will still continue to demand high quality beef," points out the Texas A&M University System specialist. "The cattle feeding industry is based on the production of high quality beef and not simply to use up excess supplies of grain."

Uvacek believes the oversupply of cattle on pasture should be used up within the next 12 months or so. Low prices for calves, in turn, should ease the breeding herd expansion. This would bring supplies back in line with feedlot demands.

"By 1976 I expect feeding to be back at a high level and that grain will again be cheap," predicts Uvacek.

Enochs club meets in Blackstone home
